Paul the Apostle: *Unit 1*

Paul the Apostle

Born: 5AD, Tarsus, Turkey

Died: 67AD, Rome, Italy

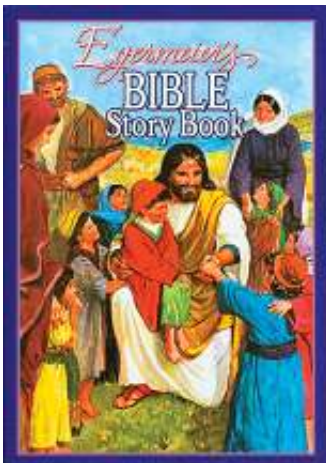

*The Maps and the writing lines on the notebook and notecard pages all print out clearly despite the fragmented and blurred appearance in this pdf.

A space has been created down the left hand margin of each page to allow room for hole punching, or spiral binding, once the entire unit of all 7 church age messengers, and the scripture memorisation, Part A, of this unit study has been completed.

We've used the colours in the spectrum of the rainbow to group each church age messenger's individual pages together.

Part B: Unit 1 of this study introduces the student to *The Ephesian Church Age* and *Paul*, and is colour coded **red**.

A complimentary book to read aloud with younger students for this unit on the life of Paul is:

Unit 1: Paul

Ephesian Church Age

REVELATION 2: 1-7

Messenger: St. Paul

Unto the angel of the church of Ephesus write; These things saith he that holdeth the seven stars in his right hand, who walketh in the midst of the seven golden candlesticks;

I know thy works, and thy labour, and thy patience, and how thou canst not bear them which are evil: and thou hast tried them which say they are apostles, and are not, and hast found them liars:

And hast borne, and hast patience, and for my name's sake hast laboured, and hast not fainted.

Nevertheless I have somewhat against thee, because thou hast left thy first love.

Remember therefore from whence thou art fallen, and repent, and do the first works; or else I will come unto thee quickly, and will remove thy candlestick out of his place, except thou repent.

But this thou hast, that thou hatest the deeds of the Nicolaitans, which I also hate.

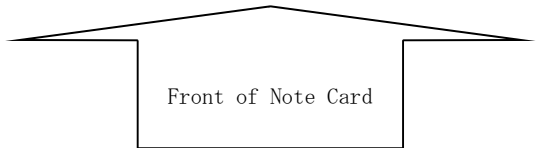

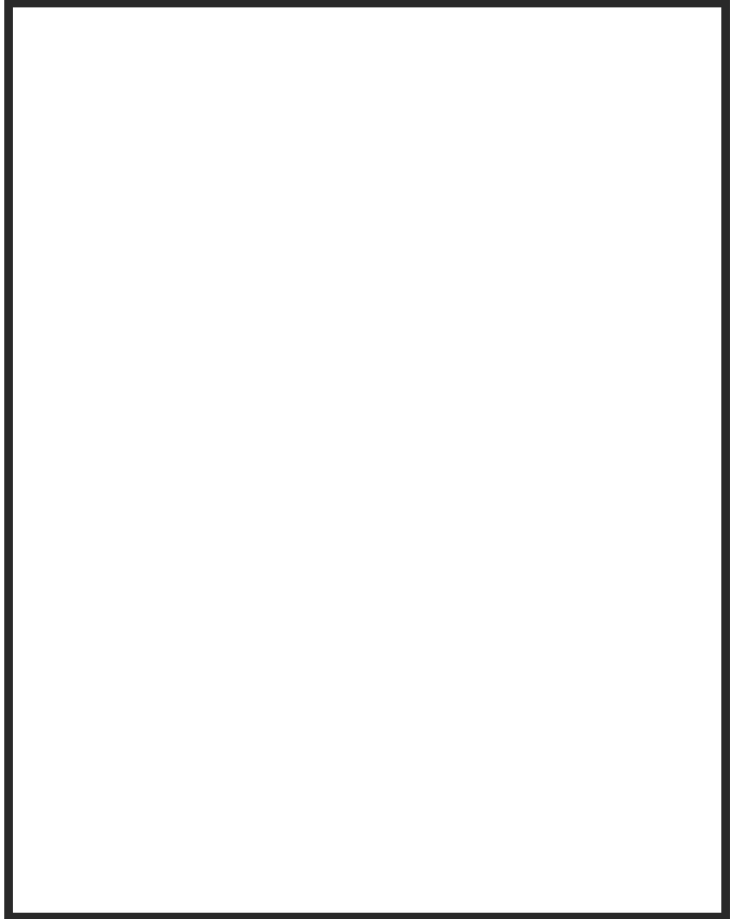

He that hath an ear, let him hear what the Spirit saith unto the churches; To him that overcometh will I give to eat of the tree of life, which is in the midst of the paradise of God.
