Issue No. 24

From left: Happy smiles from the Vanuatu Brothers: George Berry Reman, William Frank, Leo Moli, Amani Wasabulu and Ben Gloyne [Ch.Ch. N.Z.]

“Visit to Vanuatu”

From the 6th unto the 17th of March, Bro’ Adrian Gray from Stratford, Bro’ Ben Gloyne from Christchurch and Bro’ Jerry Sellers from Phoenix, Arizona continued on with further missionary work in Vanuatu. These last five years have been increasingly fruitful and as each year passes by it has been heartening to see maturity entering into the lives of the Saints in these islands.

It has been a desire of mine to keep human ambition, ego and politics right away from these islands so that they see only one thing – Christ in His Word. If one starts out on the right footing then only the right fruits will manifest. Bro’ Branham told us that the Apostle Paul was the example and pattern to every ministry and Paul showed in his own life the right approach and the right attitude in these scriptures:

I CORINTHIANS 3:6-7....

I have planted, Apollos watered; but God gave the increase. So then neither is he that planteth any thing, neither he that watereth; but God that giveth the increase.

On this trip there was an anointing of unity flowing in every area that was visited. On Santo Island two groups of Bro' Simon Bwibwi and Bro' Selwyn Richard got together and purposed to work to a common objective as one fellowship focusing on what the Lord was doing in His Word now. I pray that they stay that way. On Pentecost Island the two fellowships of Bro' Paul Hinge and Bro' Robin Sigi had combined meetings for our visit and it was real nice to meet them all again.

We then headed to Motolava Island in the Banks Group up near the Solomon Islands where a small gathering of believers led by Bro' Cecil Singer have started out and are now thriving with the inflow of message books and CD's. All the remoteness on the earth cannot hinder the Word getting to where there is life. Please pray for them as they are very young in the Lord and are in need of much revelation.

We flew back to Port Vila on the 15th and took a meeting there on the 16th at Bro' George Berry's fellowship near the airport. The next day we were due to fly home at 4PM only to arrive at the airport and find that the plane had left. Think of it... here were 3 brothers who didn't read their tickets properly. It took a few minutes to realize that this was the hand of the Lord. So we planned for a meeting at Bro' Leo Moli's fellowship on the 18th. The Lord moves in ways that are beyond our comprehension. Representatives from the three Port Vila churches came to that meeting and the Lord did a wonderful healing amongst the three fellowships. We have a high regard for these three fine churches with their fine Pastors. In message ranks worldwide there have been misunderstandings that have occurred that we wish had never happened and without exception we will all go through that, but it takes the Lord to come on the scene and do what we can't. I want to thank these three Pastors: Bro' Leo Moli, Bro Amani Wasabulu and Bro' George Berry for their kindness, hospitality and the example they showed us.

My thanks goes to Bro' Ben Gloyne who along with Bro' Johnny Dimov have shown how young men can take hold of this message and change lives with it. To Bro' Jerry Sellers who is the best Amen corner God ever sent to Vanuatu; your encouragement to the locals has no equal. May the Lord continue to bless these island Saints. Bro' Adrian Gray

From the Editor's Desk

Greetings to you, my dear fellow believers. Easter 2010 has come around and I have been pondering about the name, 'EASTER'. Is it 'Christian or Pagan'? Here I am now in my seventies having been taught all my young life, that it is Christian, but when the Prophet came,

and turned the heart of the children back to the faith of their fathers, we understand that it is not.

Where does the word Easter come from then? It derived from the Teutonic name for their goddess of Spring. In the northern hemisphere, their Spring season coincides with the time of the Jewish and Christian Passover.

The word 'Passover' has a wonderful meaning to the Jewish people, reminding them of their salvation from the punishment and death which was meted out by the death angel to the first born of the Egyptians as he went over the land of Egypt at midnight to the Egyptians, long ago. When he saw the blood of a lamb sprinkled over the doorposts and lintels, he passed over that home and they were safe. To the Christian who is under grace, it speaks of Salvation through Jesus Christ's death on the cross. Jesus is the Passover Lamb of God.

The setting of the date for 'Easter' was formulated in the Council of Nicea, in AD325 and presided over by Constantine, their heathen Emperor at that time and in the intervening years, the churches of Asia, and also many of the Palestinian and North African churches, were excommunicated by Rome for continuing to observe the Passover in their Biblical time-keeping.

When we read the wonderful news from Brother Tony of how The Lord Jesus had undertaken for both Bro Tony and Sister Rebekah, and also for two of the Brothers who have now been released from prison, we just thank our Lord. Glory! We'll keep praying for God's keeping in the Middle East, will we not.

On behalf of the Committee I wish you all God's blessings.

Brother Charles, Editor

*Love has made a marriage feast,
Called each wedding guest,
Rich and poor – greatest and least
All at love's behest
Gathered here to celebrate
The harvest of His joy so great.*

*See the King's Son with His Bride
Wooded and now possessed,
Here behold her at His side,
In His glory dressed.
This is what He chose her for,
To be His for evermore.*

*Love has triumphed, Love has won,
Fruit from sorrow this!
All He purposed He has done
She is wholly His
All her heart and all her soul,
Yielded to His full control.*

The following is a report of
The Youth Camp held in Rotorua 2010

from Thursday, 25th to 28th February 2010.

This is the sixth Camp run by Brothers: Tony Murray, Gary Walker and Paul Moffitt,

There were three camp meetings each day, on Friday, Saturday and Sunday.

Bro. Tony ministered:- "A Message for You" (in a two part series) with a powerpoint presentation:
"Navigation"(where are you at right now?) and {where is the track you are on,
(Where are you at right now?) and (where is the track you are on, taking you?)

Bro. Paul preached:- "What do you have to lose" - "The New Birth" - "The Record of Life:" (The Book of Life/The Lamb's Book of Life)

Bro. Gary preached:- "Perception" (And the many illusions of this world)
"Music/Demonology" (A powerful demonstration of the demonic motivation behind
The so-called 'christian rock' music etc)
"Obedience through suffering"

Many young people came forward for prayer and rededicated their lives to the Lord and there were two baptisms.

The overall attitude at the beginning of the camp was pretty worldly which is a trend that has worsened over the years and is no doubt a reflection of their home situations (where they live, at home, at school, at church, at work etc) – but Lord willing, many of them will be able to make a new strong stand – despite the opposition – and live victorious lives in the Lord.

By the end of camp there was a profound softening in attitude to The Word which was very encouraging to see.

As can be seen by the photo collage there were plenty of activities for the young people to test their skills and lots of laughs and fun times for all. The activities included: –
giant volley ball, balloon stomp, chinese whispers relays, pass the squeeze (boys competing opposite the girls), cardboard boat building (then a race on the pond to collect a treasure chest), spaghetti & marshmallow tower building, African chair game, rocket building and launching (coke bottles / compressed air & water – max distance 70 metres ! mine field, water balloon volleyball, bonfire (burning of the boats) A guided tour through the geothermal reserve appropriately named "Hell's Gate", awards presentation ceremony, paper plane throwing contest, air rifle & archery target shooting, plus a few before-dinner tricks – which were fun in the context – "but don't try it at home"!

We were also blessed to have a lovely group of young people with us again from Brisbane, Australia this year.

Also special acknowledgment goes to the adult helpers who assisted this year. Sis Vicky Murray, Sis Deb Walker, Sis Fleur Nahi, Bro Clayton Mckenzie, Bro Matiu & Sis Naomi Noakes, Bro Tony Green, Sis Suzan Kaka, Sis Tui Smith, and two brothers from Australia, Bro Grant Bull and Bro Paul White.

In previous years we have enjoyed considerable financial support from various fellowships for these camps. We are very thankful for this support as it has made it possible for us to underwrite a significant portion of the camp fees. This year perhaps with the recession etc, we weren't quite so fortunate, so we would be very grateful if you would remember this work for the young people of NZ & Australia in next year's budget ! ☺

Next year, Bro Gary will be doing the organisational work leading up to the camp so he will be in touch then.

May the Lord bless you all !

Yours in Christ,
Bro Tony Murray.

~Looking at the Unseen~

053 01 58 –1003. Bro. Branham's message.

Moses endured as seeing Him who is invisible and at the end of his life's journey – Oh! I just love to say this! Someone once said to me, 'Mr. Branham, do you think God was just when He led Moses for forty years with those people and then wouldn't return him to go into the Promised Land?

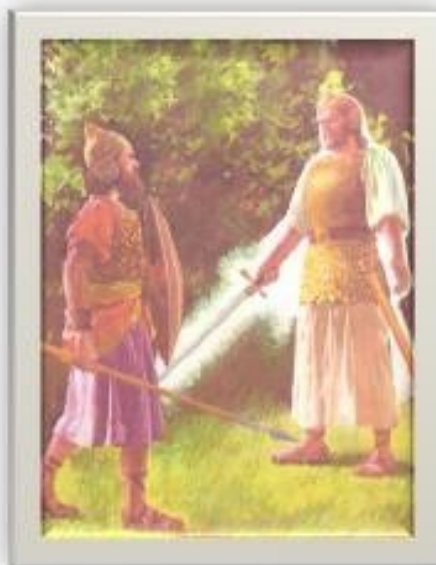

But the glorious part of the story of Moses – he WAS in the Promised Land. 800 years later with Jesus and Elijah, he was seen on Mt. Carmel.

Not only that, but at the end of the road when he was standing on the mountain, waving good-bye to his people, he looked across Jordan. He was 120 years old when his last breath began to fail him, and he climbed upon that smitten rock from that Wilderness and it was present when he had Angel pallbearers who took him somewhere and buried him and the world knew nothing about it. Because he had endured, seeing that which was invisible, then in the hour of his death the invisible was there. I wonder, if he had been Pharaoh, if it would've come this way. Very doubtful. But he was sure when he took the right choice.

Joshua - forty years later after he had entered into the Promised Land and him being the great military General - in his first battle, his enemies were walled into a place where there was nowhere for him to get to the Land, but by faith. He looked to the unseen because God gave Moses the promise when they were yet in Egypt, 'I have given you all Palestine.'

And **'by faith'** he saw the walls of Jericho laying flat on the ground. He marched around and around in full armour with not a doubt in his heart, but **believing** that God would do it and when the trumpet sounded and the people shouted, the walls fell and they took the city.

Why? He saw the invisible One. Remember, before he did this he was walking one afternoon and he saw a man who

was standing against the wall with His Sword drawn. And Joshua drew his sword and went to meet him. And he said, 'Are You for us or for the enemy?'

And the Man spoke back and said,

'I Am the Captain of the Host of The Lord'

Then Joshua knew the battle belonged to Him.

=Crunching Numbers - finger of God=

Earthquakes have special significance in the Bible. Jesus spoke of them and experienced them. In Brother Branham's ministry they also feature with significance. Earthquakes impacted on Laodicea – the church in Asia Minor used in Revelation to symbolise the last church age. The city was named by a Seleucid king, Antiochus II, Theos, after Laodice his wife. Overthrown often by earthquakes, it was rebuilt by its wealthy citizens, without state help, when destroyed in A.D. 62 (Tacitus, Annals 14:27).

The crunching numbers in the table below speak for themselves.

Table of worldwide earthquake frequency -

Period	Years	Mag > 6.99	Mag>7.99
1863-1900	38	12	4
1901-1938	38	53	10
1939-1976	38	71	17
1977-4 th March 2010	33+	152	17

Source <http://earth.webece.co.uk/refns.htm> , US Geological Survey data, http://en.wikipedia.org/wiki/List_of_earthquakes and <http://heavenawaits.wordpress.com/earthquakes-increase-in-end-times/>

Magnitude measures the size of an earthquake by the energy released. Most seismologists now use "moment magnitude" for medium to large quakes. The scale is calculated differently from the older Richter scale, but the values produced are broadly comparable. The scale is logarithmic. Each whole number step in the magnitude scale corresponds to the release of about 31 times more energy than the amount associated with the preceding whole number value. So a magnitude 7.0 quake releases about 900 times more energy than a magnitude 5.0 tremor.

The table shows earthquakes magnitude 7 or larger as this avoids the recent data being higher just because of better reporting. The fourth column isolates those 8 or over to show that the magnitude of the birth pains is increasing, as well as their frequency.

For when they shall say, Peace and safety; then sudden destruction cometh upon them, as travail upon a woman with child; and they shall not escape. 1 Thess 5:3 KJV

**Website comment on the numbers: Apart from the "long-term" trends shown above, which show an ongoing persistent increase, it is perhaps more stark to record that earthquakes across the planet show a marked increase in activity since 1997. There are more major earthquakes occurring now, and this on an ever more frequent basis.*

The trends in nature here, particularly from 1997 support the wider realization of prophesy about the "End Times", namely that an increase in earthquake activity is a pre-requisite for the "second coming of Jesus Christ" foretold in the Bible. It does not indicate how close we are to this event, but suggests it is not too far away. Past performance cannot necessarily be taken as a clear indication of future trends . However, it is clear we are currently living in a time when earthquake frequency has increased. It will be interesting to see if the immediate future maintains this trend.

Brother William Branham in the message the "Second Coming of the Lord" JEFF IN 04-17-57 speaks of the finger of God in the Oakland earthquake he experienced.

12 And Jesus begin to speak to them, "The time will come when there will not be stone left upon the other. You shall hear of wars and rumors of wars, pestilence, earthquakes in divers places." And the other day over in California, up in Oakland, when it was our privilege to be there in a meeting, and it was the first time that my wife had ever been in an earthquake. I was setting in the barber shop, and I... The room shook just a little. And the radio quickly announced, "An earthquake was on." Said, "They're looking for another one in about eight minutes." And I thought, "Oh, what if this is the last one?" I hurried from the barber shop, met my wife who was waiting on the street, walked into a little drugstore to get some little picture cards to send back to our

loved ones. And while we were there, one of the most mysterious, funny feelings that man could ever feel, the whole earth begin to rock. The bottles begin to fall from the shelf, the flues begin to fall off the building, and into the street, overrun, the people screaming and crying as the plaster fell from the walls. And the big buildings with thirty and forty stories, rocked together until the smoke or dust from the mortar went up like a great mushroom. And people begin to scream and run; I said, "That is the finger of Almighty God, saying, 'The handwriting's on the wall.'"

13 Jesus said, "When you hear of earthquakes in divers places." The earth split open down the highway for a long ways, about five foot, and went way down hundreds of feet in the earth. One place, the entire highway dropped in. And I thought as that split open, I could just almost see the finger of Almighty God, saying, "And there shall be earthquakes in divers places." While the day was going on, eight different earthquakes rocked that city. And beer joints stayed open, and drunks swarmed into the streets. And women walked the streets, half-dressed, and everything as if nothing had ever happened. People are so earthbound today till I don't know what it will take to shake this country. They just seem to be so unconcerned. They don't notice. And one man even made a remark, as I heard him with my own ears and, said, "Did you see what I did? I shook my fist. I am the superman." And I thought, "Such blasphemy."

Did Brother Branham initiate the Alaskan earthquake? In the message WHAT IS THE ATTRACTION ON THE MOUNTAIN. JEFF - IN 07-25-65 Evening p49 *What was it? I went westward. Upon that same mountain, passing up with Banks Wood there, said, "Throw up a rock. Say to Mr. Wood, 'THUS SAITH THE LORD, you'll see the Glory of God.'" The very next day, standing there, a whirlwind came down and blasted the mountains out. Rocks cut the top of the trees off, about three or four feet above my head. Made three big blasts, and the brethren come running over. There was about fifteen man standing there, preachers and everything else. "What was it?" He said, "What was it?" I said, "Judgment is striking the west coast." About two days after that, the earthquake almost sunk Alaska. In THE CHOOSING OF A BRIDE LA : CA 04-29-65 Evening—p58 ..Second day from that, Alaska like to have sunk. See, it struck once there, the first blow where the... You have to do something to symbolize it. The sign cannot be denied, the figures are clear, the scientists see it, God's prophet said "the handwriting's on the wall" and we know the greatest is yet to come (Rev 16:18). California too will have its day. In spite of all this...*

Therefore will not we fear, though the earth be removed, and though the mountains be carried into the midst of the sea; Ps 46:2 KJV

Middle East Update: ~Lebanon, Turkey and Iran~

Greetings once again in the name of our Lord and King, Jesus Christ.

5 March 2010

By now I'm sure that many of you have heard via the believers "prayer-vine" that we recently encountered yet another challenge in Lebanon. Due to being "flagged" by the Immigration Department, we were almost forced to leave the country on Tuesday. It began on Saturday when we were returning from ministry in Turkey. At immigration in the airport Rebekah's passport was seized and she was given only 72 hours to stay.

Thus, Monday and Tuesday were very hectic as we raced around and spent time in numerous Government offices trying to resolve the matter. We thank the Lord that Sister Rebekah's passport has been redeemed - we have it back. However, we are not out of the "woods" yet. We've gained a short reprieve while we now apply for Residency Status - which leads to another "challenge".

Every residency application requires a full scale and thorough investigation as to what is our purpose in Lebanon - what have we been doing; why we want to stay in Lebanon, etc. So you see, our continuancy won't be certain for another 2-3 weeks - until our application is approved.

To make matters even more interesting, headlines in the news reported the following;

Hizbullah: Every Lebanese and Arab Must Deal with Holders of Foreign Passports as Potential Spies

Security must be stepped up for all foreigners entering Lebanon as they could be secret agents like those who murdered a top Hamas official in Dubai, Hizbullah MP Nawwaf al-Moussawi said on Tuesday, March 2nd. "We must tighten foreign passport control at the airport and elsewhere in the country," Moussawi told AFP. "Every Lebanese and Arab must deal with holders of foreign passports as potential spies."

Please remember us in your prayers as we sincerely claim the promise that the "doors" the Lord has opened - "...no man can shut!"

We began the ministry in Turkey two weeks ago in Istanbul, the ruler Constantine's ancient capital known as *Constantinople* - but changed to its current name by the Muslims centuries later. Brother Ercu was on hand to receive us at the airport. We were thankful to have Brother Frank Prater and Brother Tony Roberts from Arkansas join us.

From Istanbul we traveled to Smyrna to meet with A. and his wife Y. Even before I could really get into sharing more of the Message, Brother A. shared with me how he was not associated with any denomination or group. He simply couldn't. He also said; "...if you ask pastors...they will tell you I am like a spiritual "miss-fit". An honest admission like that is often an indication of a "seed", so I was quick to share with him that he was not alone, but in good "company". Needless to say we had a wonderful time in the Word. Brother A. was very receptive and soon realized that we had no other interest than sharing the Truth with him. How thankful I was to be able to leave with him messages of the Prophet translated into Turkish!

Four hours by bus from Smyrna we reached the city of Laodicea. The accuracy of prophecy was numbing as we stood at the entrance of the ruins of this once rich and prosperous city. Laodicea's "light" had indeed been totally extinguished. The only remnant of anything remotely Christian in this city was the historical fragments carved in stone. Nothing - not even Catholic or Orthodox remains in this city from previous ages.

How fitting it is that only now, in the days of the "Voice" to Laodicea are there only a few souls found in this region of ½ a million people. What interpretation can we apply to the prophecy that in the "evening time", in Laodicea...it shall be light again! Preaching the evening time message from the Word of God to these poor souls struggling to exist in Laodicea, was an exhilarating experience. We could feel the Holy Spirit's presence as a fulfillment of the very Word of God to where we were and what we were doing.

These connections (*and more emails are being received*) was made possible solely by having heard Brother Branham's message in Turkish on the radio. By God's grace we spent nearly twelve hours with A., his wife S. and her sister in the Word. They too rejoiced in hearing the Truth saying it was a great blessing, "...like a conference on the Bible...".

In addition to meeting A. and S. in Laodicea, we invited Brother S., an independent traveling minister who also heard the broadcast. Since he lives in the southern, Mediterranean region of Turkey, we invited him to Laodicea to spend time with us. (Pictured at left)

Though our time was relatively short, it was very rewarding and I believe fruitful. Before leaving we gave messages translated into Turkish to all. We now commit the "sowing" of the Word of God to the Holy Spirit. Plans for follow up ministry are already being contemplated to help establish these hungry souls in the present day truth and so they can grow in faith and revelation.

In Istanbul we also met with Brother [REDACTED] the Iranian brother who is keeping us informed of the situation concerning the believers in Iran. I received word from him since returning from Turkey that several more brothers were thankfully released in the last few days. Thus, only four brothers are still incarcerated. They are as follows;

We sincerely thank you for the faithful prayers for us and all those mentioned. It is by the power of prayer and your generous support that you provide that makes our work here in the Middle East and in Turkey possible.

Brother Tony & Sister Rebekah

Middle East Update: **~Victory is ours!~** "I told satan to get thee behind~"

21 March 2010

Greetings to you all in Jesus name.

At long last, the visa issue that you joined with us in prayer for - is completely settled. We are once again free to come and go as before. The Lord resolved it in such a way that it was not even necessary to apply for residency status.

Rebekah and I sincerely thank you from the depths of our hearts for your many prayers through what was a very tenuous and difficult time. Living with such uncertainty exposed us to new "fronts" in the greatest battleground of the "mind"; It was a very wearying trial which began nearly five weeks ago – but thank God is behind us now. We are invigorated and encouraged that the battle is not ours – but belongs to the Lord!

We especially thank those who took the time to send emails and who called. One of our precious friends who was praying for us faithfully, sent us this prayer from Brother Branham. Indeed your many prayers were like a "garrison" of strength that held fast for us during this difficult time.

REVELATION.CHAPTER.FOUR.3\_ JEFF.IN ROJC 645-716 SUNDAY\_ 61-0108: Par 64 "...And, God, as I go out yonder in the fields to face the foe, may I realize that I'm garrisoned every hour by prayer. Oh, how I depend on that garrison, the enemy approaching, but know that the garrison holds because mothers and fathers, and boys and girls, and Christians, borned again with the experience, heaven-bound people is on their knees praying. "O God, give deliverance." And, Father, we pray that You'll let us get out into the enemy's lines out yonder, conquer every precious soul that's waiting. Do, Lord; bring them out of darkness into Light. For we ask it in Jesus' Name. Amen.

By God's grace we expect that what man could not do – the Lord by His sovereign power will intervene and see our Brothers released.

Once again we sincerely thank you for entering into our burden with us. We know there are many in need of prayer and support worldwide. To be considered and remembered with them is greatly appreciated. May the Lord richly bless you.

Your Brother and Sister in Christ, Brother Tony & Sister Rebekah

## **A Need for Finance to help on Mission Field!** *Can we help?*

God bless you Saints,

This is a prayer request as I return to Indonesia, Myanmar (Burma), and Vietnam around the middle of April. We have a contact in Myanmar by the name of Sawko Yethan. We know him as "Brother Chris". When I e-mailed him to accept his invitation, he told me of his plans to hold three days worth of "Ministers' Meetings" at his compound – involving around two hundred people.

**He can feed them for USD\$2-00 per person, per day. That's not five star cuisine, but it will keep them alive! Multiplied out, that comes to USD\$1,200-00 for the two hundred people for those three days. The economy in Myanmar is non-existent and he's asked that I cover those costs.**

I have paid my tickets, and have sufficient funds to cover accommodation, food, insurance, visas etc.. for myself, but this additional cost is stretching the budget a bit – yet I see it as a very worthy cause, and in myself would like to try and make it happen.

I understand most of you have missionary-type programs that you're already committed to. I certainly have no desire to interfere with those. However if you had some "discretionary dollars" you would like to see go to a good cause, I would do my best to see they're well spent. Funds would be channelled through our church missionary account: *Rapturing Grace Tabernacle – Missions*. Cheques can be made out to that name and posted to: **45 Collingwood Street, ELTHAM, 4322**. I will be personally accountable for the money and report back fully to any contributors on my return.

Regardless of whether you're able to contribute financially, I'd truly appreciate your prayer support over those days April 15<sup>th</sup> to May 7<sup>th</sup>.

God bless you,  
Brother Paul Moffitt  
Rapturing Grace Tabernacle.

## =The Lord Jesus was present to heal= Fiji Trip Report

By Brother Jim Carman

From January 28<sup>th</sup>, 2010, I saw our Lord Jesus moving by His Spirit for 15 days. More than 60 people fully surrendered their heart to Jesus, and I saw at least 20 healed by the power of God.

I have never experienced anything like this before. Every day God moved in ways totally unplanned by me. Luke 5:17 was coming to pass before my eyes. *"and the power of the Lord was [present] to heal them."*

The 2<sup>nd</sup> day, while I was speaking on a Christian radio station, a man rang asking me to call him when I finished. He had just returned home, tuned into the radio station, and God told him, "get that man to pray for you, and you won't need those crutches anymore." He sent a taxi for me, and when I left his home, he was walking without crutches. Brother Reddy [left] was the first of 4 people who were able to walk unassisted after prayer.

The 3<sup>rd</sup> day six people, at a bus stop, totally surrendered their hearts to the Lord, while I was waiting for the bus. There were 14 that gave their heart to Jesus that day. I would not have met any of these, if I had been there at the correct time to catch the bus.

In one village, I visited 4 homes, and everyone (except children) gave their hearts to Jesus, and all the sick were healed. One lady [below left] had broken her left leg just above the ankle, 2 years ago, and it would not heal. Firstly, she totally surrendered her heart to Jesus, then she walked without pain and moved her foot for the first time in 2 years.

These are just three of the testimonies that occurred in these meetings. There were others: a lady who was almost blind, who could only see 2 inches in front of her. After the prayer of faith in our Lord Jesus' Name, she saw me standing ten feet away.

There was a boy in the same village, who had been dropped as a baby in hospital. This had left him crippled and his back twisted. He was now about seven years old. I previously saw him drag himself through the village to his home. His knees were in a bad way, but after prayer, we lifted Amani, [right] and his legs dropped straight. He then straightened his feet that were twisted about 30 degrees from normal.

During the trip, 2 ministers fully surrendered their heart to Jesus Christ. They had not given all their heart to the Lord before.

The constant theme was that full surrender brings Christ into the heart. Anything short of this may bring blessings and an outward presence of God, but not a "born again" experience. The people really related to the statement, "Jesus will not share your heart with the devil."

*Matthew 10 v7-8 And as ye go, preach, saying: The Kingdom of heaven is at hand. Heal the sick, cleanse the lepers, raise the dead, cast out devils: freely ye have received, freely give.*

## ~To Him that overcometh~

Pt 5. Brother Freddy Esau

The hour that we are living in! What a time we are living in as believers. This time of gloom and darkness, Brother, I would let you know, the Light of God is shining through into the lives of His people. Oh, I would encourage you this morning, Brothers, that no matter what situation you are in this morning, you can this morning, switch your position. You can this morning, walk out of that situation and say 'I am not any more going to sit here just like the lepers who were sitting outside the city.'

Brother, they were saying, 'Man, if we sit here to die, and if we go into the city, we are also going to die.' But they said, 'I'd rather die with a full belly than to die with an empty belly.' Hallelujah! And they went into the city and God had already done something in the city. Hallelujah! You can walk out. Hallelujah! Can you say, 'devil, you have had me long enough?' You can say, devil, you have had me bogged down enough, but I'm coming out this morning. I'm not going to allow you to dictate to me, because God has already told me He's going to meet me on the other side.

When Jesus told His disciples in the Book of Mark, after He had preached the Word, 'Take the boat and you go over and I'll meet you over on the other side.' So He already said that, Brother. They had a good time of revival, seeing what God was doing. 'Get in the boat'. The Bible says that Jesus Christ went off secretly. They got into the boat. Hallelujah! And as the Brothers talked of the goodness of The Lord and having a revival time, hallelujah! – the devil was watching them. 'Ahah – Ahah, He's not with them now. Let us go on and attack him. Brother, the Bible said that the storm woke up and they were hardened fishermen.

These men knew and here they were, Brothers, caught in the midst of the storm. They forgot all that He said. They forgot all the good times that they had. That's what the enemy does. He causes you amnesia. He causes you to forget the goodness of the Lord. Causes you to forget He's just healed you of diabetes and now He has healed you of this disease and that disease. And now the enemy, Brother. And you are in church and you've just testified, 'My God is good.' You've just testified,

'He's my healer.' You've just testified Brother, 'He's my keeper. He's paid my mortgage.' You've just testified, 'I filled up my car', and Brother, you didn't walk to the church, nor walkrd your way home. Hallelujah!

Something happened. You see, it was the enemy. Whatever you say he's going to attack you on. Whatever you say. Hallelujah! You've got to prove to him everything you say is a reality to you. It's easy to question Scriptures. It's easy to say, 'the joy of the Lord is my strength.' It's easy to say, Brothers, Hallelujah, The Lord inhabits the praises of His people. It's easy to say those quotes. But Brother, let me tell you, He's going to cause darkness to come. He's going to cause things to happen – for one purpose – to prove what you have just said. He's proving me on what I preach.

That's why believers are preaching this morning. He could say, 'that enemy's giving me a hard time. I'm not going to stand this morning and preach'. The enemy says, 'I tried you on everything that you say.' And here were the disciples on their way to the other side. Now God has already told them, 'I'll meet you the other side.' Already. And Brother, in the midst of the ocean the waves came and everything that they were just talking about, they forgot and they started screaming out. You see, we allow the enemy and allow the circumstances to dictate to us. It dictates to us. It tells me how I must react.

And Jesus came walking on the water. Is it you, Lord? I tell you church, this is where you are at right now and this is where the enemy is attacking God's people. But I want to let you know this morning church, you can walk out this morning.

A neighbour walked past of old and he saw this dog sitting on the porch and this dog was fooling and moaning and crying and turning around and squibbling and moaning and crying. And the neighbour asked, 'What's wrong with your dog?' And the guy said, 'Oh he's sitting on a nail.' And the neighbour asked, 'Why doesn't he get off that nail?' Maybe the pain is not enough. Maybe that's the reason he's still sitting, because the pain is not enough. We find ourselves in situations that we are squirming and moaning and groaning, sitting on the nail. But we don't want to lift ourselves. But God, this morning, is offering you the way out. Switch positions men! There's something better!
