*I know what it's like to think of things I've done  
And want to run and hide my head in shame  
I know what it's like to really hurt someone  
And feel no sense of sorrow at their pain –  
But I know what it's like to have enough of my disgrace  
And find, because of Jesus' Blood, my sin can be erased  
Do you know what it's like For God to be your friend  
To talk to Him with nothing in between  
Do you know what it's like when the day comes to an  
end, to sleep in peace, because your heart is clean  
Do you know what it's like  
When the accuser comes your way –  
To look him squarely in the eye with confidence  
And say: He has forgiven me!  
My sin has been washed from His Memory  
By the Blood of the Lamb of Calvary  
He has forgiven me!*

**From the Editors desk:**

*What did the Prophet Say...Jesus was born when the lambs were in the field? He was born in the Spring of the year. How could the shepherds be on the hills of Judea in 4 feet of snow at night?*

So, we are going to enjoy this Spiritual time in April when we remember what God's Word said in **Matthew 1:18 – 25**

**Verse-22** *Now all this was done, that it might be fulfilled which was spoken of the Lord by the prophet (Isaiah 7:14) saying,*

**Verse-23** *Behold, a virgin shall be with child, and shall bring forth a son, and they shall call his name Emmanuel, which being interpreted is, God with us.*

My wife, Joan, wrote a poem about Jesus' Birth and even though she says she isn't a poet, we trust that some will be blessed.

Our Committee Members, Brothers Adrian Gray, Malcolm Ferris and Dean Gilchrist, join me in wishing you all God's richest blessings. Brother Charles, Editor

As Israel sighed for their promised King  
"Oh God, how long?" They wept  
Unknown, in simplicity –  
God came to a stable  
.....and a little baby slept

"When Messiah comes,  
We will welcome our King  
With full honours,  
He'll abide in the Temple  
This babe living in a broken down stable,  
Is NOT the King, our Prophet spoke of?"  
.....The Word made flesh slept on

Would I say, as Peter said?  
"I will follow Thee 'til death;  
Tho' all men forsake Thee, Lord,  
Yet will I not leave Thee

I would fail as Peter failed,  
Yea, deny my precious Lord.  
Say, "I know Him not"  
Deny that with Him I ever walked.

O, weak flesh, the curse of sin;  
Warring with my soul within.  
Striving to defeat – to gain –  
Wanting only self to win.

But the cross before me stands  
Christ alone could break the bands.  
Turn my feeble faith to strong.  
Christ in me – my strength – my song!

*I was inspired to pen down this poem during the Sunday morning service in Toronto, Canada in 1965. I pray it will be a blessing to someone. Sister Ruth Byskal*

I ponder as I think of the shepherds  
Listening to the Angels' song  
Did their souls recognise?  
The promise for their hour?  
.....as the Lamb of God slept on

In Faith the wise men joyfully followed  
The star placed by God above  
Until it shone o'er The Word made flesh  
And they gave incense and worshipped  
.....as the little babe slept on

# ~TESTIMONIES~

## *From the ministry of Brother William Branham*

This is the story of what I personally experienced through the ministry of our Prophet William Marrion Branham, over a period of 39 years from 1948. So may this be a blessing to you and if you see fit to let other Christians hear these miraculous stories that I experienced through our Prophet and with him when I took part in his meetings in the US, feel free to let anyone listen or publish the same. These testimonies tell the entire story about my experiences with the Prophet and every word I speak here is the absolute truth before my Saviour Jesus Christ. They did happen exactly as I am telling you about them.

I will start from the very beginning when after World War 2 I had come from Finland to Sweden to study to become a missionary for Quebec. I was in a language school in Sweden when God finally met me through the Goteborg Assembly where there were two dentist brothers who were holding meetings for a small group of Christians and in this tiny church there was a sister who was widowed. She had a 10 year old son and was working in a wealthy Swedish family as a housekeeper in Goteborg. She came often to our meetings, then one day something happened in that wealthy family; there were two daughters if I remember right one was approximately 10 years and one about 12 years of age.

One day they became very, very sick and they were taken to the hospital of that big city. Soon the Doctors discovered that they had typhoid fever, the hospital and the Doctors were very much alarmed, wondering where these two little girls had caught it. They started examining the family and the closest people to that family. This Christian housekeeper sister who was working with the family was taken to the Hospital and the Doctors discovered that she did have that germ in her blood for typhoid fever. They were very scared that she was a carrier because it is very contagious. So she was immediately taken into the Hospital and operated without any results whatsoever and she was kept in the hospital. They operated another time, second time on her without any results whatsoever. I can't remember how many times they did operate on her but several times they did it without any results whatsoever and finally they decided that she was a very dangerous person for the nation of Sweden because she carried the germ of typhoid in her blood.

So she was informed that because she cannot be cured, she must be separated from the nation to a far away institution, somewhere among the forests of Sweden for the rest of her life. For this purpose the Hospital had to send a special application to the King of Sweden and by His order, by his signature this woman could be separated from the nation and put in this institution because she was a carrier of a very dangerous germ. So this sister became very desperate, in fact she was so desperate that she was planning suicide and we prayed for her. She came to the meetings and we prayed for her very much. We had prayer nights together and at that time I couldn't speak very much English because I was just studying English language.

Somehow that time 1948 I had got in my hands a magazine called "The Voice of Healing" where there were marvelous, wonderful stories about a Man of God who could by request send a prayer cloth, even to Overseas Countries for desperate cases. So I told this to the dentist brothers about my discovery and we decided that I write to Brother William Branham in Jeffersonville Indiana, asking him to send a prayer cloth for this sister. So we went to prayer and we prayed two weeks very, very hard.

We had prayer nights, we stayed a lot on our knees and then, after about two weeks I received a letter from Brother Branham. Very, very nice, beautiful letter explaining what this person should do with the prayer cloth that was fixed to this letter and how this person should promise to serve Jesus Christ the rest of her life if God heals her. So we went to this sister and we gave this prayer cloth to her with the instructions to wait for three days, and then the real prayer battle started. We prayed day and

night and after three days we went to her and we told her that she can go to that same hospital where she had been operated so many times and demand the Doctors to take new tests again about her blood and she did so.

They told her to come back the following morning by 9o'clock, straight to the Chief head Doctor of that Hospital. So we went early in the morning to her apartment and we fell on our knees praying. When she left we prayed, all the time while she was gone. She was a little bit more than an hour gone when approximately 10o'clock we heard the door open as she entered into her apartment we saw those eyes full of tears shining. She told the marvelous story that she was invited to the Chief Head Doctors office and as she entered there the old Doctor stood up behind his table and he said I do not believe in God, I do not believe in miracles, but this time I have to tell you Mrs. Aramadale (that was her name) He said, this time I have to tell you Mrs. Aramadale that something supernatural has happened, all the tests that we have taken from your blood are absolutely clean and your blood is purer than any persons blood I have ever known and I have to say that this is a miracle, a supernatural miracle and I have to claim that you are a healthy person now and you have no fear of being separated from the Nation. We are going to inform the King about what has happened.

So this sister was completely healed through the power of Jesus Christ and through this prayer cloth for which Brother Branham had prayed and your office had sent to me in Gotebourg, Sweden. This was a marvelous, wonderful thing that happened. It lifted us up and this was the first time I was ever in contact with that Supernatural power that God had given to our Prophet William Marrison Branham. But this was not the end of it!

Four years later, after I had come to the United States, I was living in the state of Idaho that time. Four years later Brother Branham went to Finland, and that was the same time that little boy was raised from the dead that had died in that car accident. On his way back to the US he was asked by the Pentecostal Churches of Goteborg in Sweden to have one meeting in their city and so he agreed to it. He had one meeting on his way back home to the United States and after that meeting some well known Pentecostal Ministers had invited him to have a little snack and a cup of coffee in one of their homes where many well-known Pentecostal people had gathered together to see this great man of God.

When he entered into that home and into that large living room lots of people were sitting along the walls there, waiting to see him. He went from one person to another saying "Good evening Brother, Good evening lady, Good evening Sister and so on, and then he came to a small middle aged lady and he shook her hand and said "Good evening lady" and then he stopped, all of a sudden the power of the Holy Spirit came over him and he continued he said "I do believe we have met before." When he came to this lady he said "Good evening lady, I believe we have met before. The Holy Spirit witnessed in a marvelous way after four years to His Prophet that there had been one person in Goteborg Sweden that he had been in contact with and this was the lady that had been healed from this germ of typhoid, Mrs. Aramadale.

This was told to me in a letter by these two dentist brothers later and it was a marvelous, wonderful blessing. We knew that Brother Branham never knew to whom these prayer cloths were sent because as we were told he prayed for thousands of them and the office sent them all over the world. But the Spirit of God stopped him by this lady and showed him that he had been in contact with this sister before. So this was the first supernatural miracle that I had witnessed, and had the privilege of witnessing it and experiencing it through the power of Jesus Christ that was given to Gods Prophet William Branham.

To be continued

# WORD TO THE BRIDE

*One night as I was seeking the Lord the Holy Spirit told me to pick up my pen and write.*

*As I grasped the pen to write, His Spirit gave me a message for the church. I want to bring it to you . . . It has to do with the Word and the bride*

**“Here is what I am trying to say to you. The law of reproduction is that each specie brings forth after its own kind, even according to Genesis 1:11, “And God said, Let the earth bring forth grass, and the herb yielding seed and the fruit tree yielding fruit after his kind, whose seed is in itself, upon the earth; and it was so, “Whatever life was in the seed came forth into a plant and thence into fruit”.**

**The very same law applies to the church today. Whatever seed started the church will come forth and be like the original seed because it is the same seed. In these last days the true Bride Church (Christ’s seed) will come to the Headstone, and she will be the super church, a super race, as she nears Him. They in the bride will be so much like Him that they will even be in His very image. This is in order to be united with Him. They will be one. They will be the very manifestation of the Word of the Living God.**

**Denominations cannot produce this (wrong seed). They will produce their creeds and their dogmas, mixed with the Word. This mongrelizing brings forth a hybrid product. The first son (Adam) was the spoken seed-Word of God. He was given a bride to reproduce himself. That is why the bride was given to him, to reproduce himself; to produce another son of God. But she fell. She fell by hybridization. She caused him to die.**

**The second Son (Jesus), also a spoken Seed-Word of God was given a bride like as was Adam, but before He could marry her, she also had fallen. She, like Adam’s wife, was put to the test whether she would believe the Word of God and live, or doubt the Word and die. She doubted. She left the Word. She died.**

**From a little group of the true seed of the Word, God will present Christ with a beloved bride. She is a virgin of His Word. She is a virgin because she knows no man-made creeds or dogmas. By and through the members of the bride will be fulfilled all that was promised of God to be made manifest in the virgin. The word of promise came to the Virgin Mary. But that Word of promise was He, Himself, to be made manifest.**

**God was made manifest. He, Himself, acted at that time and fulfilled His own Word of promise in the virgin. It was an angel that had brought her the message. But the angel’s message was the Word of God. Isaiah 9:6. He fulfilled at that time all that was written of Him because ~~she accepted His Word to her.~~**

**The members of the virgin bride will love Him, and they will have His potentials, for He is their head, and all power belongs to Him. They are subject to Him as the members of our bodies are subject to our heads.**

**Notice the harmony of the Father and the Son. Jesus never did anything until it was first showed Him by the Father. John 5:19. This harmony is now to exist between the Groom and His bride. He shows her His Word of life. She receives it. She never doubts it. Therefore, nothing can harm her, not even death. For if the seed be planted the water will raise it up again. Here is the secret of this. The Word is in the bride (as it was in Mary).**

**The bride has the mind of Christ for she knows what He wants done with the Word. She performs the command of the Word in His name for she has “THUS SAITH THE LORD”. Then the Word is quickened by the Spirit and it comes to pass. Like a seed that is planted and watered, it comes to full harvest, serving its purpose.**

**Those in the bride do only His will. No one can make them do otherwise. They have “THUS SAITH THE LORD” or they keep still. They know that it has to be God in them doing the works, fulfilling His own Word. He did not complete all His work while in His earthly ministry so now He works in and through the bride. She knows that, for it was not yet time for Him to do certain things that He must do. But He will now fulfil through the bride that work which He left for this specific time.**

**Now let us stand like Joshua and Caleb. Our promised land is coming in sight even as theirs did. Now Joshua means “Jehovah Saviour”, and he represents the end time leader that will come to the church even as Paul came as the original leader. Caleb represents those that stayed true with Joshua.**

**Remember, God had started Israel as a virgin with His Word. But they wanted something different. So did the last day church. Notice how God did not move Israel, or let her go into the Promised Land, until it was His own appointed time.**

**Now the people might have put pressure on Joshua, the leader, and said, “The land is ours, let’s go and take it”. Joshua, you are all through, you must have lost your commission, you don’t have the power you used to have. You used to hear from God and know the will of God, and act quickly. Something is wrong with you. But Joshua was a God-sent prophet and he knew the promises of God, so he waited for them. He waited for a clear cut decision from God and when the time came to move, God placed the full leadership in Joshua’s hands because he had stayed with the Word. God could trust Joshua but not the others. So it will repeat in this end day, the same problem the same pressures.**

**Take the example we see in Moses. This mighty anointed prophet of God had a peculiar birth, being born at the right time for the deliverance of Abraham's seed from Egypt. He never stayed in Egypt to argue Scripture with them, nor fuss at the priests. He went to the wilderness until the people were ready to receive him. God called Moses to the wilderness.**

**The waiting was not on Moses part but because of the people who were not ready to receive him. Moses thought the people would understand but they did not. Then there is Elijah to whom the Word of the Lord came. When he got through preaching the truth and that group back there that is the forerunner of the American Jezebel group would not receive the Word, God called him off the field and plagued that generation for rejecting the prophet and the message that God had given.**

**God called him to the wilderness and he would not come out even for the king. Those who tried to persuade him to do so, died. But God spoke to His faithful prophet by vision. Out of hiding he came and brought back the Word to Israel. Then came John the Baptist, Christ's faithful forerunner, the mighty prophet for his day. He did not go to his father's school, or the school of the Pharisees – he went to no denomination, but out to the wilderness called there by God. There he stayed until the Lord sent him out with the message, "The Messiah is at Hand". Now let us take a Scriptural warning here. Was it not in the days of Moses whom God vindicated that Korah rose up and withstood that mighty prophet? He disputed with Moses and claimed that he had as much from God to lead the people and others shared in the Divine revelation as well as did Moses. He denied the authority of Moses. Now the people back there, after they had heard the true Word and were well acquainted with the fact that a true prophet was vindicated of God, I say those people fell for Korah and his gain-sayings. Korah was not a Scriptural prophet but the people in great numbers with their leaders went for him. How like the evangelists today with their golden calf schemes like Korah's. They look good to the people as Korah looked good then. They have blood on their foreheads, oil on their heads and balls of fire on the platform. They allow women preachers, let woman cut their hair, wear slacks and shorts, and by-pass the Word of God for their own creeds and dogmas. That shows what kind of seed is in them. But not all the people turned on Moses and left the Word of God. No. The elect stayed with him. The same is happening again today. Many are leaving the Word.**

*With the heart we Believe –*

*With our lips we confess that belief in God's Word –*

*Our confession confirms our Faith*

*-our Testimony that God is True!*

*Brother Malcolm Ferris*

Our confession of faith is absolutely necessary if we are to walk in the Spirit. With the heart we believe, but it is the lips that confess and manifest that belief in His Word, that show whether it be lip service or genuine. It is our confession that confirms our faith: our testimony that God is true.

Abraham believed God and it was imputed to him for righteousness. He did not merely believe God in his heart, he confessed it with his lips calling himself Abraham: “father of nations”. He didn’t wait until the promise was manifest to change his name. Rather he confessed what God had called Him (we have been called Bride). And his confession was not just lip service. He was strong in faith not considering the ever increasing hopelessness of his physical condition but looking to the promise as being sure.

Now we must not use our God given faith to believe for things that He has not revealed to us in His Word. These things do not belong to us and it is presumptuous, venturing without authority to do so. But we must exercise our faith to move toward the promises that He has revealed to us and one thing is for sure we live well below our privileges in this respect.

Consider Israel who could not enter into the promise because of lack of faith (unbelief) Paul says that these things pertained to them: the promises, the adoption, the covenants, the glory, the service of God, the giving of the Law. They had all of these things yet did not realize what they had. They could not sink their faith into it. Israel was Jehovah’s first Bride according to brother Branham but she chose law for grace, not wishing to let God do her bidding she wanted to do something to earn it. As a result what they had has been handed by grace over to us - but do we realize it? If you do not know what you have you cannot take advantage of it, and it is the devil’s job to keep that knowledge from us, to keep us from the full revelation of Jesus Christ which brings us into fellowship with a loving Father who wants to serve our every need with His exceeding great abundance.

What must we do? Speak the Word and go forward! Say what He said in confession as a confirmation of our faith - an ‘amen’ to every Word and then walk in the light of the revelation of it, watching in awe as more and more unfolds from glory to glory by His Spirit.

When we asked,  
“Where is Brother Jim?”

As we hadn't heard from him for some time, we were thrilled to get this e-mail as he told us of his work in the Solomons. Now, why did we think he wasn't doing anything? There he is, still praying for the afflicted and ministering The Word.

And our living, loving God is still answering prayer!

Read on and you will be blessed as we were....

I've just finished trip [six] to the Solomons.

Over 170 were saved, most received physical healing after salvation. Some were delivered from ancestral spirits and curses.

Five miracles: One man fell from a coconut tree in 2003; subsequent operation was of no use; the tablets were not relieving the pain. After fully giving his 'oldfala' heart to Jesus, with life's hurts and disappointments, God fully healed his back. He could do more with his back than I could with mine!

In two Catholic villages a pastor had been praying for 10 years for some opening. They were cracked open by God. The first one we were walking past, but his wife entered to visit their daughter. I said that I would like to meet their daughter, so we turned back. She had heard about the meetings in her father's village and was waiting for me. She fully accepted Jesus, and her baby was healed. Then after praying for another lady, we left. After about 5 minutes, his daughter came running to us saying that the Catholics wanted us to return.

In one hut, about 6 people gave their 'oldfala' heart to Jesus, and then God worked wonders. An elderly man's knees were healed. A young man with a broken right hand immediately moved his hand freely. A girl lame in her left leg was now walking, but one leg was longer. Within a week, both were the same length. A young man with a twisted right arm was totally healed. On the way back, another four persons gave their lives to Jesus. One family was delivered from demon possession. The Pastor has now begun meetings in this village, and more are coming to the living Jesus Christ Who they had seen moving in their village.

In another Catholic Village, a young girl who was paralysed in legs, arms, hand, and neck, was healed after her parents gave their hearts to Jesus. Six in that village were saved. Pastor has also begun meetings there. In his own village, most had made a decision for Jesus last Christmas when another minister had passed through, but were still in fear of the Catholic Church and continued to walk every Sunday morning to the Catholic Mission for prayer. After preaching about the spirit of fear on the Sunday night, God came down and set the village free from the Catholic spirit. Many are now considering being baptised in the Name of our Lord Jesus Christ. That pastor immediately started listening to bro. Branham's sermons on the MP3 player that I gave him on this trip, and is being greatly blessed.

In another village where the Pentecostal church had spoken against me, God saved and delivered one of the elders, who for 13 years had been unable to walk without a stick and his left eye was looking only sideways because of a curse. I did not know about this, but was led to pray against evil curses. It has caused a stir in the village.

These are a few of the things that God has done during this last trip. He has truly answered those praying for those in the Solomons. There are now about 13 MP3s in the hands of Solomon pastors. Keep praying that God will give them a complete revelation of what they are listening to. I have explained things to them; but our Lord Jesus needs to quicken these things to them.

Your Brother in Christ Jesus.

## Middle East: The Greatest of These is Love...

*We greet you once again in the name of our Lord Jesus Christ.*

Of all the important tasks, responsibilities and priorities in service to our Lord, nothing is more important in evangelism than a burden motivated by the sincere **agape** love of God for the lost. It is the absolute essential ingredient by which one approaches someone - because inherent in every person is the ability to discern whether someone is sincere and truly cares - or not. Without this all important divine love, the reality is that one will never truly be effective in touching another heart. This is also one of the main purposes the Holy Spirit is given as Brother Branham said; “...**giving you His Spirit and His love to go hunt the lost as He did in the Garden of Eden...**”<sup>[1]</sup>

Of the three important virtues **faith**, **hope** and **love**, the crowning grace of Christian character is love. Love is even more precious and important than faith because without love, faith will ultimately wither. Sadly, many of God’s most powerful workers have after a time lost their power. Why, because they lost the spirit of unfeigned love. If mountains can be removed by faith – is there any less power in love? Love “unbonds” others by its “bonds”. It heals, it restores and incredibly - love delivers.

The love of God is neither selective nor discriminatory. Consider when was the last time you showed love to someone you might consider “unlovable” or felt uncomfortable with? And yet, isn’t that exactly what we are called to do? “...**Love your enemies, bless them that curse you...**” [Matt 5:44]

**Jordan:** I just returned from Jordan where I once again ministered among the Muslim Syrian Refugees. The burden of my heart was to show this divine love. The first act of being a **witness** is to show this true, genuine love and compassion. To understand the effects of this, one must consider that many Muslims quite simply would not cross the street to help a non-muslim in need. So for me as a Christian to come to their aid, proves to be something very outstanding to them.

It wouldn’t take much to point out errors, or to poke their Koran full of “holes”. But to merely back someone into a “corner” of defeat and win an argument of words – is pointless when the heart cannot be touched. For that reason it is far better to come humbly among them by showing compassion and sincere Christian love. This is of great value as it will captivate their attention that will result in a sincere heartfelt desire to hear and know more. Then, with an open heart, the objective to liberate their soul with the truth can be realized.

And this we were able to do by God’s grace as we shared love gifts with many families that your support made possible. There are so many broken lives among the thousands of refugees that are fleeing Syria daily. With what little I had, I was able to help the family of this young boy who nearly died from the shrapnel wounds of an artillery shell that exploded in their house while they slept. These were innocent victims of indiscriminate shelling by government forces. Since the hospital facilities were closed in his home town, this poor young boy had to wait nearly 35 hours as he was taken secretly across the border to Jordan for emergency medical attention. What you can’t see is the scar from 35 stitches running the length of his skull (*front to back*). This was from having to remove shrapnel and bone pieces and then to insert a plate, as part of his face was nearly blown off. He is now left with a lop-sided smile and drooping eye.

In addition to the time spent with the refugees, I was once again accompanied by Ibrahim and was a guest in his home. This provided me the opportunity to share deeper things in the Word with him. Of the many questions he had concerning some life issues and also with the Koran - the Word of God clearly answered them all. We also watched a portion of the prayer line of the Chicago meetings on the “Deep Calleth to Deep” video so he could see the ministry of a **true** prophet of God in action. As the seed of the

Word of God is sown, we commit these words and scenes now to the Holy Spirit to bring to a reality to his soul, believing it shall not return void.

After being back in Cyprus only a few days, we woke to the horror last Saturday morning, that every bank in Cyprus, plus every ATM on the island along with internet banking was frozen by a Government order. The terms of the European financial bail-out dictated to Cyprus that up to 10% was to be taken from every bank account to pay off the national debt.<sup>[i]</sup> Regardless of the legalities of such a move, the alternative was – the government and banks fail - and customers lose all. And so even at the time of writing, we are still in this precarious situation with banks closed until next week.

This was indeed a “wake-up” call of just how suddenly things can change. We have known for a long time that one day the governments of this world will “sell out” to the Catholic Church in the great exchange of; either accept the “*mark, name or number*” in order to continue to be able to buy or sell - or lose everything. How uncanny the similarities are that we are facing here in Cyprus. Is this just a minor “blip” on the screen of International Financial markets – or could this be the “trial run” for the main event? After all, what governments in the world don’t have huge deficits and are in danger of the same calamity?

All this serves to remind us of the uncertainties of this world, and of the only place of refuge – Christ, the cleft of the Rock! There we find safety and the blessing of His protection and provision.

So once again we sincerely thank you for your many prayers and for sharing with us in this outreach ministry here in the Middle East.

May the Lord richly bless you,

Your ever grateful Brother and Sister in Christ,

**Brother Tony & Sister Rebekah**

# MUSTARD SEED MINISTRIES INC: PNG

Message Believer's and work report -Pastor Kare Dick – Papua New Guinea

## **INTRODUCTION:**

*Bride's greetings to you, all the way from Papua New Guinea, in the Name of our Lord and our God Jesus Christ. The vision the Lord gave me for this nation is gradually unfolding. The Pillar of cloud is over this nation. Geographically, the country has many high mountains, deep gorges, rough and rugged terrains and thick jungles and many rivers to cross especially up here in the highlands and small feeder roads apart from the main highway are rough and tough. Along the coastal regions it's relatively plain and few mountains to climb and big rivers to cross. Other island provinces are way out in the sea and we can get there only by ship and plane. We have about 22 provinces and 800 totally different languages and across this nation we have two common languages-Pidgin and English.*

*Well the "Bride" is somewhere in those places and we must reach them because they are waiting to hear HIS VOICE. The "Predestinated" elect Seed of God s hearing the voice of God and slowly but wonderfully the "Evening light" is dawning on the believers. Hallelujah! The Lord is moving in His own way here and is doing great things. The people here are so amazed to hear something they never heard in their entire religious life. The Messages on the Serpent's Seed, Christ the Mystery of God Revealed, The Godhead, Message on how sin entered into man - not by eating an apple but by a sex act and many more are glorious good news to the people.*

*Lutherans, Catholics, Pentecostals, SDA, Holiness Churches etc, they were people bound by organisational religions; denominations with false doctrines; religious traditions and practices, and creeds and doctrines for many years. They are now hearing IT through the radio, preaching/teaching and the distribution of the Message Books.*

*The message on the Seven Church Ages tells us who the Messengers were for each of the Church Ages, as they were sent by God. How the pure Original Gospel was mixed and twisted with false doctrines such as the doctrine of trinity, and of how the Catholic Churches had added to the Word and subtracted from the Pure Word. Their eyes were opened. The wonderful message on the Revelation of the Seven Seals was even a great blessing to them.*

*I also showed them of the last and end time Prophet of this age (Laodicea) who God has already sent to us in this day to restore the Word and bring us back to the faith of the Apostles according to Malachi 4:5-6 and the fulfilment of Revelation 10:7 who was Reverend William Branham. That was even something beyond their expectation. Many repented, believed the message and received their baptism in the Name of Jesus.*

*Through the Message, the "Elect Lady" is receiving the revelation of her true identity and growing. I believe it isn't the number but it is the Elect "The Seed of God". For me, it is indeed a great blessing to have Brother, Pastor Derek Donaldson to support the work of the ministry here in Papua New Guinea. May the Lord bless you richly Brother. AMEN.*

## **THE WORK IN PORT MORESBY-NATIONAL CAPITAL DISTRICT**

*I started this work in 2010 when the Lord spoke to me to go down there to the city. I spent six months there and the Lord helped me to lead four people into the message to begin with. I came up back to Goroka and the following Christmas I went down and baptized them. Since then I have been travelling down and up and the fellowship became stronger. Sometime in June of last year when I went down to hold a week service, a lady came and heard a message on "Recognizing the Word for Your Day and What it Means to You", she said Praise God I have been praying and waiting for this message. She repented, believed and the following Sunday after the service I baptized her including two other people who have repented and believed. Her*

brother (Goina Tau) who was a Pentecostal Pastor from Rigo came last December before our Christmas service and I shared with him. After I shared with him, he repented and believed. He went home and came back to the city and stayed with me at the guest house during our Christmas service. The following Sunday I baptized him with seven others. Now in Port Moresby there are about 14 baptized message believers. Yes, we have a strong fellowship going on in Port Moresby. They live around the city and come to have services on Sundays and Wednesdays at Brother Bernard's house. At the moment I have appointed two people, Brother Bernard and Brother Daniel to take care of the Bride. Please pray with me that the Lord sanctify them by the truth (Message of the Hour) and fill them with His Holy Spirit so that they take care and feed the Bride there.

### **THE WORK IN GOROKA-EASTERN HIGHLANDS PROVINCE**

The work here started back in 2005, when the Lord called me out from being a pastor in the Holiness Church. During these years I have baptized more than twenty people but some have gone out. Exactly eleven people have really embraced the message and are growing stronger and stronger. Many others are coming to the fellowship but are not consistent in their attendance because we don't have a proper place to hold service. I have distributed many message books, shared with many people in these towns, held two week-long services and invited many people. The Message is heard by many people here, more than anywhere around the country. Pray with me that the Bride will come.

### **THE WORK IN KAILOMA-KAGU-SOUTHERN HIGHLANDS PROVINCE**

The work there started in 2011 when Brother Gabriel and his pastors invited me there. When I went they thought I was going to preach on their doctrine of holiness. But to their surprise I preached a different message. I shared with them on the Seven Church Ages and what God is doing today and other messages. They believed and repented. I distributed some message books to them. In April 2012 they invited me again so I decided to invite Brother Adrian Gray to come with me to that place. We took turns to preach. The following Sunday we baptized twenty seven people. In that place close to a thousand people are hungering for the message. I've also brought them many messages to distribute among them. The work there is in the hand of Brother Gabriel. Please pray with me that what God has started, He will continue the good work.

## ***~Get the Entire Message and Bible on iPod~***

To arrange for this, just email your request to me at the address below or send me a letter.

Our desire is to make the message easily accessible to anyone wanting to listen to the audio sermons of the prophet.

Gone are the days of cassette tapes, now the iPod is by far the most convenient and easiest way to listen to the message.

All the audio sermons of brother Branham plus the entire bible will fit onto this one little iPod that you see displayed here, and with plenty of room to spare.

iPod's are very simple to operate once the audio files have been loaded into them. The problem is that loading these files into your iPod can be a bit of a challenge if you are not very familiar with the software that runs this procedure. So to make this part easy, we are offering to download the complete 1100 audio sermons of brother Branham as well as the complete audio bible onto your iPod for you, and apart from the cost of the postage there is no charge for this.

We will also include a very easy to follow instruction guide on how to operate your iPod and find and play any message or audio book that you desire.

You can listen to your iPod through your home stereo sound system, or your car audio player, or just listen with headphones.

Some of the extra titles we are including are:

20<sup>th</sup> Century Prophet Film interview - Video

Deep Calleth unto the Deep Film - Video

The entire 7 Church Age Book - Audio

The entire Global Answers series produced by BCF - Video

The entire Revelation Video series by Brother Lonnie Jenkins - Video

Supernatural Books 1,2 & 3 Read by sister Kathie Stroh - Audio

Uncle Tom's Cabin - Audio

Foxes book of Martyrs - Audio

and more....

If you are thinking of buying an iPod for us to load the message on to, then please note that we strongly recommend the iPod "Classic" 160GB (as seen above). This iPod currently retails for around \$357.00 NZ. We can still fit the message on to an iPod or mp3 player as low as 16GB but the sound quality (although still ok) will be of less quality and this is not as desirable.

If you would like to take advantage of this service then please send your iPod, iPhone, or mp3 player to the address below with your complete return address and contact details, and please make sure it is well packaged and is posted using a tracking number.

If you would like a Classic iPod but do not wish to purchase it from a shop yourself, we can supply a brand new one preloaded with everything for you (The current price is \$369.00 NZ + Postage

### **The AZUSA STREET REVIVAL**

*100 Year Anniversary 1906-2006*

Pentecostal congregations are among the fastest-growing churches in the world, but modern-day Pentecostalism had an inconspicuous start. It began in a church on Azusa Street in Los Angeles in 1906, spawning the Pentecostal Movement. The first section is a pictorial history of many of the events and people who have been a part of the Pentecostal/Charismatic world.

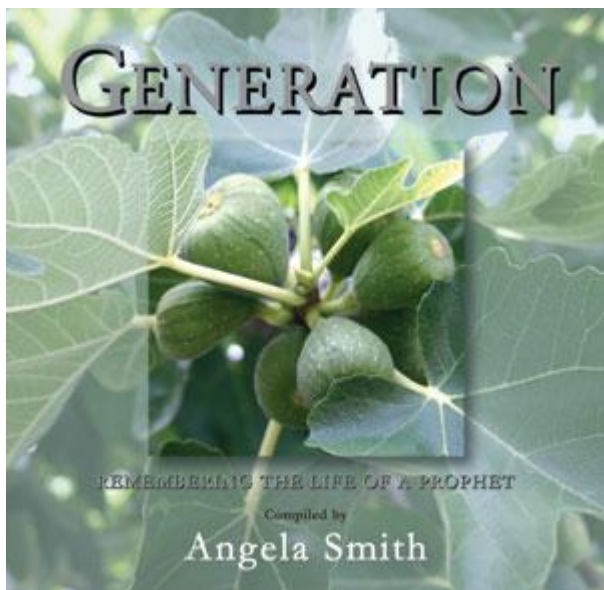

The section commemorates the 100th anniversary of the Azusa Street Revival and documents the work of the Holy Spirit in America. Section two features profiles of ministries and organizations that have begun since the Azusa Street Revival.

Bro Branham is featured in the book, as one of the main ministries spearheading the Holy Ghost outpouring and healing ministry...!

The **“GENERATION”** book is a beautiful book compiling testimonies of many people, who were touched by the ministry of Brother Branham.

The testimonial accounts, which are garnished with many photographs, tell the same story that Brother Branham often told, but from the person's perspective. In other words, it fills in the holes giving an overall picture of the surrounding circumstances that transpired in each testimony.

Many of the people interviewed will be familiar names to those who have listened much to the Message of the Hour. It has an added blessing to see the faces of these brothers and sisters whom we so often knew only by name.

This book will be a life-time treasure to many believers of this last-day message.

**“HEALING THOUGHTS”** is very inspirational and faith building. It is a compilation of quotations by Brother Branham encouraging the reader to take God at His Word. This book has been very popular, since we have made it available. It is also ideal to give away to people, especially those who are seeking healing from God's Divine Promises.
