*And since I've seen His beauty -
All else I count but loss
The world, its fame and pleasure -
Is now to me but dross
His light dispelled my darkness -
His smile was Oh so sweet!
I've seen the face of Jesus -
I can but kiss His feet.*

From the Editor's Desk:

Greetings to you all in Jesus's Name.

The ministry activity from N.Z. has not only been a blessing to those being reached on the Mission Field, but also to those who have supported the Brothers who have been working hard in this late hour to bring the

lost in.

We thank Brother Adrian and the other Brothers for their consistent and accurate detailed reports that they send to those who have faithfully given so that the ministry could continue. And it is an encouragement to all of us in the BNL to hear of how the Lord has honoured all our efforts.

What I would like to say is, "Let us all keep our hand to the plow and not look back. The Lord, we believe, is coming soon. Let us give what we can so that the Lord will greet us with His Words, "Well done, thou good and faithful servant; Enter thou into the joy of thy Lord"

We thank all who have supported this last day's outreach and those who can only give the widow's mite. Thank you!

It is so important that we show faithfulness to our Lord Jesus. On the 25th Bro. Adrian has flown to P.N.G. to continue the work that our Brother Derrick Donaldson started over there, praise the Lord.

The Committee, Brothers Adrian, Dean and Malcolm, join me in wishing you all God's richest blessings.

Bro. Charles,
Editor.

Brother Charles,

It happened that yesterday I shared this song with two believers [It is well with my soul]. Thank you for this precious Journal!

God bless you all! Sister Grace

Testimony of David Mareels

David was raised in a Christian home, but did not have a life changing experience with Jesus Christ, till March 2007. He was a basketball champion from an early age, and used to sit in church thinking of basketball. Many times, when conviction would begin, David would rivet his mind on things of the world; he did not want to become a Christian. He had told his parents and sisters that he would never become a Christian. One weekend, God took the love of basketball out of David's affections, and put His love in. So marked was this experience that the students and teachers noticed the change when he returned to school on Monday. Not only had God taken away the love of basketball, but also the love of parties. On one occasion, when David's mother was praying in his room, an incredible evil presence took over the room. She cried out for the Lord to rebuke it; but she felt that the Lord told her to rebuke it. It left, and soon after David had this life changing experience.

This is just part of David's testimony, but it is the main thrust of what he saw in Fiji.

“You are angels on a Bus!”

By Yanya [Ukraine Team]

I was on a ‘fishing trip’ [seeking out Jewish people] with Heidi, a volunteer from Germany, when we decided to stop before our destination for something to eat.

We pulled up outside a small shop and were on our way back to our mini-bus with our snacks when the shop assistant came out and hesitantly headed towards us. I sent up a quick prayer and then we asked her, ‘Are you Jewish?’ ‘Yes’ she replied.

It was obvious that God had moved Sasha to leave the shop and come to us. She listened attentively as we shared about Aliyah. She had never heard of the possibility of moving to Israel. We spoke the Word of God to her: ‘Do not be afraid, for I am with you. I will bring your children from the east and

*gather you from the west’
Isaiah 43:5.*

*As we said Goodbye, she
exclaimed:*

You are angels in a bus!’

-A Christian Ministry helping the
Jewish people return home

The Lord is bringing them home!

Overall, 18,691 Jewish immigrants came to Israel in 2012 according to an annual aliyah analysis by the Jewish Agency for Israel. These include:

- 7,755 from the Former Soviet Union
- 3,389 from North America
- 1,907 from France
- 925 from Latin America
- 698 from the UK — a 23% increase
- 160 from Italy — a 51% increase
- 48 from Scandinavia — a 14% increase.

We thank the Lord who is faithful in bringing back Jewish people from all of the countries where they have been scattered.

~Vision of the Great Commission~

Bro. E. Byskal – Pt 2

Friends, this Gospel that we have received, that we are so thankful for. We are so thankful that the Messenger of this hour didn't compromise. What if he had accepted money for example, what if he had accepted popularity. You talk about someone who could have had it. He could have had all of that, but he would not compromise. He stayed true and even when people began to misunderstand and make accusations; he stayed absolutely true to his calling right from the beginning and years later. And that to me is preaching the gospel to every creature – living the gospel.

We may not be a preacher behind the pulpit but we are living a Gospel. So I want to come to one of the earlier Messages and he reads these same Scriptures and he says, this Message that was read to us this morning, we would call it "The Great Commission" for it was the last commission our Lord gave His disciples 'to go to all the world and preach this glorious gospel – good tidings of the resurrection for all the world for a witness and then He would return and that signs and wonders would accompany this message that was to be preached.

Preaching is not just vocalising. Preaching is not just saying some words. Preaching is a life that is lived. You are preaching. You preached this last week – maybe preached to others that I may never speak to, or these other ministers may never speak to. But you preached to them, because the Prophet said to them – and I want you to stay very attentive this morning. I have a distance to go. He said that preaching is demonstrating. Demonstrating is actually fixing something that is physically lived out. That's preaching, preaching the gospel.

You may say that there are signs and wonders and all of these things and healings and so on. That accompanies it. The main power is that you have been changed from a person of darkness to a person of light. You have become the children of light. Not of the night but of the day. That is the gospel, and the fact that you have lived every day and you walked the streets and you were in the stores and even more, you may think, 'Oh if I could only speak,' you are speaking louder than words. Your life is declaring it. Amen. Also in God's Provided Healing for this generation, he said, 'Every time a revival breaks out, any time in the Bible history or in the world's history, signs and wonders have accompanied the revival, God is in the camp.

I want to say, if these were some of my last words to this congregation, 'We should never come without any expectation of something to happen in the service. Any service expecting to see the hand of God. God is in the Camp. Hallelujah! And when there's illness, when there's trouble and when there's financial

difficulties or any kind of difficulties, God is in the Camp. And for those who know they have a need of deliverance, don't expect to walk out with it, month in and month out, but expect to be delivered from it..

But one of the most important things is when you have a spiritual need; it is so in the Scripture. People ask sometimes why we don't see signs and wonders and miracles. And often the people have not reached the point of desperation where they acknowledge – and I think of the man, the demon possessed one in the Gadarenes. And Jesus said, 'What is your name?' He said, 'Legion' which is a thousand. Now, here's one, I don't know if he had a thousand demons or not, but he was a wild man, a madman amongst the tombs, but God gave him sufficient reprieve to cry out "Jesus". He gave him sufficient space.

I find that so many people are bound by one thing or another, maybe complexes or... Hey, there's nobody here that is immune to demon activity. It comes and bothers you. It comes and torments in your mind. It torments some people in their sleep. It torments people and he is a tormentor. Some people have fear. Some people are bound by all kinds of things. You need to be free from that. Don't come to church packing it and go out expecting to pack it. You need to be free from that. Hallelujah!

And when we come to church, we're just saying, Satan has been on my case this week. I'm coming to church and I'm in expectation. Either the preacher is going to say something or somebody's going to pray a prayer that I don't even know about, but God is going to work in His body and I'm going to walk out a free person. And then you start seeing something different because people start coming with faith and expectation and God will pull it out of the preacher. God will pull it out of somebody who is praying.

And then you come to the next Service and you can rejoice at the next meeting. You sing different. You sing, GOD rich in mercy! Hallelujah! I just got delivered, Glory to God. This is a different meeting! God is in the Camp! Don't forget that, friends. That is what this church is here for. That's what this building is here for. Amen! Hallelujah! The Bible said, ***Then opened He their understanding.*** This was after the resurrection He opened their understanding that they might understand the Scriptures and said unto them, 'Thus it is written and thus it behooved Christ to suffer and to rise from the dead the third day that repentance

and remission of sins be preached in His name among all nations, beginning at Jerusalem.

The Apostle Paul said, for our gospel came not to you only, but in power and the Holy Ghost and in much assurance as you know what manner of men we were among you for your sake. So the gospel has come to you. It should give you such assurance. Hallelujah! You don't even have to sic yourself up. You don't have to even build yourself up. You'll be inspired by the Holy Spirit, not tomorrow, not next week, this day, this service. Hallelujah! If you expect a good service, that is what you'll get. If you expect something to penetrate you, do something and build you up in the holy faith and maybe not just for yourself, it might be for your family; it might be for a husband for a wife or a wife to her husband or whatever more.

Or to affect – I was thinking very much of the school and right from the Principal and down to the teachers. Do you know why the school was built? We didn't build a building to have a nice building for you children. We built a school with an atmosphere and have Holy Ghost teachers and young men and women come out of the school, who continue to preach the gospel and their lives changed. Transformed young men and women full of the Holy Ghost who preaches the Gospel every day. And this Gospel is with Power. And the first thing you experience is the Power to change you from an ordinary average person into one full of the Holy Spirit.

That is preaching as you walk down the street, preaching as you go in the malls and shop. You are preaching all the time. Your life is preaching. Hallelujah! For the Kingdom of God is not in word but in Power, The Kingdom of God. So the preaching of the Word is the manifestation of the Power of God. And the Manifestation – now, don't think it is just praying for the sick, because that was the beginning. Ah, I will get to it in a few moments. And the life of Jesus Christ was the very thoughts of God being lived out. The very life of Jesus, what He did and what He spoke was God's thoughts coming down to earth and being spoken and heard. Amen.

And I may be asking for some participation in a moment. I'm expecting this Service to be somewhat different. And the Angel speaking, announcing the birth of Jesus Christ, **And she shall bring forth a son and thou shalt call His name Jesus for He shall save His people from their sins.** That's why He was called Jesus, because even the word, Jehovah Saviour, Jesus, **for He shall save His people from their sins.** The name of Jesus is spoken, I would say, millions upon millions of times a day, but what God hears, **for He shall save His people from their sins.**

And a prophet comes and says, 'The only sin is unbelief. The only sin, which was the first sin, and that's the only sin, that's unbelief. All these other things in the life you see that the people are living, that's the attributes of unbelief. But there has to be a power to deliver us from unbelief and when the name

of Jesus is spoken or heard, all God knows – **HE shall save His people from their sins.** I want the congregation to say those words: **HE shall save His people from their sins.** Once again, all together – **HE shall save His people from their sins.** Now, I am going to ask you at different times, when I say the name of Jesus, you shall say, **HE shall save His people from their sins.** Hallelujah! JESUS! [And the congregation replied] **HE shall save His people from their sins.** Good! This isn't the rosary. This is the TRUTH! **He shall save His people from unbelief.** **HE shall save His people from their sins!**

There were men who needed healing. Blind men, lepers, and they said, 'Jesus, thou son of David, God hears and He shall save His people from unbelief' and they were given faith to be delivered and they received their sight and were healed by God. Hallelujah! By the name of JESUS! **HE shall save His people from their sins.** You are going to hear me saying it plenty of times and I am going to expect you to be saying it some of these times. **Thou shalt call His name Jesus.** Every time that name is called, God hears a call, for He knows the meaning, for the meaning came out of the mind of GOD, sending an Angel down – and she shall have a Son and thou shalt call His name JESUS – And God's thought was **He shall save His people from their sins** that is my tool – this is my Son. This is the instrument, and through Him, people will come to believe! Hallelujah!

And through Him, I will turn around what happened in Eden, and this is the second Adam. He shall not fall like the first Adam. He will not compromise. He will not surrender. And He will take captive the flesh and take it to the cross and He shall rise again out of the tomb. He shall save His people from unbelief. Hallelujah! That's why I don't care what your need may be, what your complex might be, what your physical need might be. He's greater than that! Whatever doubts you might have. Well, I'm young, and I'm this or I've got other things on my mind. He's able to wash that out. I've got Satan bothering me with different things, or lust and whatever more. He's stronger than that. You've got to walk in through these doors and go out free. Hallelujah!

Whatever feeling you might have, whatever attitude you might have that's not of Him, let's get it watered out. Let's get it cleaned out. Hallelujah! So we can come into an atmosphere. I tell you what, friends, when believers of this message come in that kind of an attitude, in that kind of an atmosphere, you're going to see supernatural things taking place on a daily basis. Hallelujah!

Vision For Indonesia

He Will Make A Way ☐

By Brother Tony A.

In follow up to the testimony of how the Word of God is spreading in Indonesia, the world's 4th largest nation, we are continuing with the testimony of our dear Sister Mia.

In last month's issue of the BNL, a report was given of how the Lord wondrously provided airtime for Brother Itok to preach the last days message in Indonesia and a few amazing testimonies that came as a result.

Given the success and fruits of this outreach in Brother Itok's home city of Medan, his vision and burden grew to expand to the other main cities of Jakarta, Surabaya and Bandung. This was of course a bold vision and desire as there was no available airtime or funds by which to pay. Nevertheless, Brother Itok spoke by faith and believed God would make a way.

The confirmation to this burden and vision came in an amazing way. In the previous article it was told of remarkably the Lord had provided airtime and also the "seed money" for the broadcast that is now being aired in the city of Bandung.

This testimony is to praise God for how the first offering in support of the Bandung radio broadcast was given by our dear Sister Mia Sitangang. It is an incredible account of one sister's faith, her determination and great perseverance. Sister Mia is an example to us all of what God can do through one who is willing to trust the Lord.

As mentioned in the previous report, Sister Mia is a paraplegic who was confined to a wheelchair, the result of a tragic car accident some 20 years ago. If this tragedy was not enough, a mere six years after her accident, Sister Mia's husband also passed away leaving her to raise her three small children.

Alone and destitute, she started a simple pay-phone business for long distance calls. This business is popular in developing countries where few homes are connected by telephone. With the advent of wireless technology and cell phones though, this business and the small income it provided, eventually dried up and was no longer able to meet Sister Mia's needs.

Undeterred and determined to provide for her family, Sister Mia did not let her handicap hinder her. She had to get out – but to do that, she needed help. She hired a young Muslim man to lift her out of her bed and to carry her into her small vehicle. He would then drive her to some residential areas where she was carried and placed in her wheelchair. Then her Muslim helper would push her from door to door as Sister Mia tried selling drinking water she had bottled. Amazingly, the Lord blessed this simple business and provided our Sister with enough to live from.

It was at special meetings in December 2012 that Sister Mia heard Brother of Itok's vision and burden and how he wanted to reach the people of her city, Bandung, by radio broadcast. Moved by the Spirit of God to respond and do what she could, Sister Mia then began saving money from her meager income of selling water door to door. As she began to "invest" for the Kingdom of God, Sister Mia's business also began to prosper. The Lord was honoring her faith and commitment.

In just a few months, Sister Mia presented an amazing gift of 5 million Rupiah (equivalent to \$500 USD) to help start the radio broadcast in her city of Bandung! To appreciate this incredible sacrifice and the blessing of God upon our Sister, one must understand that the average mean salary per month in Indonesia is only \$150 – but that the majority live on less than that per month.

Sister Mia had taken God at His Word and He abundantly confirmed it. May this testimony of our dear Sister serve to inspire and encourage you too in the state you find yourself in? We know that no mountain is too high, no valley too wide, and no sea too deep that the grace and provision of our Lord cannot overcome.

Happy moments, **Praise God!**

Difficult moments, **Seek God!**

Quiet moments, **Worship God!**

Painful moments, **Trust God!**

Every moment, **Thank God!**

Needy moments, **Believe God!**

Kenya, Ethiopia Mission Trip

23rd April to 22nd May

First Ethiopian Baptized in Nairobi

ACTS 8:27 † And he arose and went: and, **behold, a man of Ethiopia...**

39 † And when they were come up out of the water, *the Spirit of the Lord caught away Philip, that the eunuch saw him no more: and he went on his way rejoicing.*

Baptizing the first Ethiopian in Nairobi, Kenya; his name is John

On Friday, 26th April we met with Bro John in the afternoon which was on the same day we arrived in Nairobi. I spoke with him and we had a wonderful time together with him on the experiences he has had with Christ before. He is a Lawyer

by profession and was a part time Lecturer at one of the Universities in Ethiopia as well as an active member and evangelist of a Christian church there. Due to his exposure to the public, the government suspected him to be against the Federal Republic which led to his imprisonment.

After several years of imprisonment, he was taken out shot and left somewhere to die. Due to his Faith in God, he testifies that he spent 5 days without any food nor any help save for the divine intervention of God. God fed him daily and healed him miraculously.

It was after this experience that he fled to Kenya for his life as a refugee. However, God had other plans for him. It was in Kenya where he met an evangelist that shared the same bible he believed with him BUT now in the Light of the Message of the Hour.

On Sunday 28th, I felt led of the Holy spirit to phone Bro John and find out if he was now ready to make his calling & Election sure (II PETER 1:10) by accepting Jesus Christ in true Christian Baptism. He replied in these words..” **Brother, I am willing anytime, if you that is**

delaying me.” Surely I felt the power of God moving me to remind me Acts 8:36...”**what doth hinder me to be baptized?**”

For, I had not realized I was the one like Phillip delaying this man. (Acts 8:27) ...We arranged and straight away I took him to the waters of Baptism in the Name of the Lord Jesus Christ. My wife, Pastor Wycliff, Bro Mburu Paul my friend and co-worker as well as several other brethren were around to witness this event.

A brother, Jason Voroga burst into a Word of prophecy in these words:-

“Bro Bus”, I saw in a vision last night. **Bro John came & told me that he has been baptized today!** And thus I say, **It was then that I saw a DOOR to Ethiopia already OPENED for you.**”

It was after the baptism of John that we flew to Addis Ababa on Wednesday 1st May. In all missions I have taken before, this being by air was the fastest journey which being impossible God made it possible thus the Spirit of the Lord caught me away to Ethiopia where yet more miracles happened...

Arrival in Ethiopia

We booked for the cheapest ticket on Ethiopia Airlines which was a night one. Left from Jomo Kenyatta airport on Wednesday at 5:40 am and arrived at Bole international airport in Addis Ababa, at 7:45 am of the same day.

Indeed, a door had been opened for us to this country. When we arrived in Addis, the next question was **What next?!**

No sooner had we asked ourselves this Question than someone arrived from the blue to pick us up. It was

Bro. Gideon who I had spoken to earlier. He is a believer of the Message of the Hour from Zimbabwe whose Pastor is Bro Godwin Chitsinde of Spoken Word Ministries in Belvedere, Harare.

Of many people I have met in the message, Bro. Gideon truly displayed a wonderful Christian character any one should expect from a “believer” in not only receiving us but also extending to us any support and attention we needed in the time we spent in the nation of Ethiopia. We for a few hours rested at his home and then we

were headed for the guest house which he helped find for us since he has spent several years in the country of Ethiopia. Bro Gideon is a diplomat working with AU which initially was referred to as O.A.U.

Connection with Mr Kumasa Kajela

Soon after we arrived in Addis Ababa, we started making contacts with several people letting them know what the Lord has done in our day. It should be noted that the biggest percentage of the inhabitants in the country do not speak nor understand the English Language.

One will have to use sign language and/or have an interpreter while speaking to the Ethiopians. Just a few people can be found to understand or speak English. By the grace of God however, John the refugee had given me his brother's phone number.

On phoning Mr Kumasa Kajela, I realized he is a teacher and lives over 100 kms away from Addis Ababa the capital at the place called Tulu Bolo. I informed him on the news, the good news I had for him and that I am a visitor in his country. Without hesitation, Mr Kumasa

told me he will be travelling to Addis Ababa to come and meet us the following morning.

On the morning of 4th May Saturday, Kumasa arrived at our guest house in Addis. My wife Sis Rebecca and I warmly welcomed him and I straight away started unfolding the good news I had brought for him. During this time, I did not know what my wife was doing but she excused herself to the bathroom only to find out later she was praying for God to guide my lips. Later after about an hour, she decided to rest on the bed as I continued to share with Mr Kumasa.

I made it clear to Mr Kumasa that we are not a denomination, nor do we intend to make one. I explained to

him that "the Lord commissioned us to go in the whole world and preach the gospel to every creature, he that **believeth and is baptized** shall be saved; but he that believeth not shall be damned." (Mark 16:15-16)

I further told him that "this believing doesn't mean to join a church but it means to accept God's revealed Word of the Hour, which is His body made flesh in our day." After enlightening him on the differences we have with the denominations and introducing him to the Light of our day, I asked him if he was now ready to accept Christ as his personal savior even to the waters of Baptism.

He answered that he was not ONLY ready himself but he wanted to call a friend of her's who lives in Addis to also come and hear this Message of the Hour. I asked him to do that after his own baptism.

¶ God vindicated himself in this baptism in a way that while we were ready to go out for baptism, my wife knowing nothing, I awoke her and the first thing she said was **Are we ready for baptism now?, I dreamt that we were going to baptize a brother who had believed.** ¶

Baptism of Mr Kumasa Kajela

We started looking for a place where I can conduct the baptism to no avail. It was after several failed attempts that we finally found a hotel which gave us access to their Jacuzzi. The manager of this Hotel was a "Christian" and thus her offer.

We paid over 250 ETB for the Jacuzzi in order to perform the baptism. After the baptism (photos above) Mr Kumasa was one

of the happiest man to having fulfilled what the bible requires of him to be part of the body of Jesus Christ..

The Jacuzzi

God vindicated himself in this baptism in a way that while we were ready to go out for baptism, I awoke my wife and the first thing she told me that "Are we ready for baptism now?, I dreamt that we were going to baptize a brother who had believed." I answered her, oh yes, Mr Kumasa wants to be baptized right now.

After the baptism, Mr Kumasa right away got on the phone to call this lady friend of hers to hear this Message he had received.

Myself with Bro Kumasa. On this photo, he was making a phone call to Judith his friend.

Connection with Sister Judith

After the baptism of Mr Kumasa, we headed back to the guest house in order to share more about the Word as we were waiting for Judith.

Ms Judith like her friend John is a nominal Christian professing Jesus. She spoke & understood English well as she has been in a relationship with a German man for a long time.

She was sleeping since she slept in a watch night prayer meeting and had called off all

programs on this Saturday 4th. But here came John's phone call which she confessed that she felt compelled to come meet me however much she felt tired and sleepy.

Quickly, she arranged to come and meet us to hear of the good news, the message of the hour. This to me was like Bible days back to reality. Wasn't it the same thing that Martha did when she received

the good news of resurrection from the master? For sure, Mary never waited. The bible says that

"As soon as she heard that, she arose quickly, and came unto him"

Cont'd on page 3

Situation of Ethiopia

Before we left Uganda, I had a zeal within me to go and stand like a in a corner somewhere on the streets of Addis Ababa and preach the Message of the Hour.

However, unlike many African countries I have been to. Ethiopia is one of its kind where about 1% of its population can speak or understand English. Their official language is Amharic which is used by over 30% of the total population. The Language spoken by a bigger population is Oromo. Apart from these, there are about 90 more languages in the country, just like other African States.

The scarcity of the English Language in this country is due to the efforts of the Ethiopians made to preserve their

culture, customs & traditions which started by resisting the first Italian invasion in 1896. Thus Ethiopia remains the only Non-colonized country in Africa. She resisted European power and thus resisted civilization which goes with the English Language for many years.

It is only of recent when some schools have started teaching English in schools . Furthermore, the Orthodox and Muslim religions have so much covered the country that the people's mind are consumed with this darkness of religion.

Some of us who are used to fresh tasty foods, it is the opposite in Ethiopia. Their foods are full of red pepper and ingredients un-agreeable to the East African way of cooking which as a

result, we were forced to cook for ourselves.

The people are not white nor black, they are so much close to the Arabs thus any White man or black man visiting the country will be recognized in a bit. They often think these people have money and the spirit of begging is on a high level in the country.

Given all the difficulties, people like me believe there's a bride in this country. Some one will hear, and some one will believe.

As you have already read and will be reading on other pages, just like our Lord Jesus Christ ...it's a calling of one by one.

Traditional Food of Ethiopia called Njera.

Sharing with Sister Judith Contd from Pg 2

On her arrival at our guest house, I was so surprised with her outfit as she was adorned in very tight pants, painted up herself etc.

At first I restrained from telling her the good news as I thought she wouldn't believe it anyway. But this scripture came on my mind "**Judge not, that ye be not judged**" (Matthew 7:1)

By this time, in the room was myself, my wife, Judith, and John. I gave quite some time to her (Judith) to speak with an intention of getting to discern her. Spirit. She said she was

didn't know that this is written anywhere in the scripture. It was indeed a eye opener for her.

Now, I was convinced that this is a seed of God and that God was calling her to take her position. Since she desperately wanted to be baptized at that told, my wife and I were very ready to go and do the baptism service. But the "water" problem...

In a bit, she said to us "**you guys stay here, Kumasa and I will go look for the water and once we have got a place, we will come back for you.**"

At around 9pm, they came back and you would see her by her looks that

a born again Christian etc ...Within about 20 minutes, I felt it was now time for me to deliver whatever I had on my heart for her.

I first of all thanked her for coming to meet us and straight away went to the Word. I felt **Mark 16:16 and John 3** would be so appropriate to begin with.

This woman had such an understanding of the Word that she understood and BELIEVED whatever I told her as the spirit gave me utterance. When I gave her a chance to speak again; she confessed that she needed to be baptized and right away. By this time,

she was disappointed. There was no hotel ready to give us their pool at that time of the night. So, she said

"I think I have to go, I will be back first thing tomorrow in the morning so we can do the baptism.

L-R:- Sis Judith & my wife. Sunday morning Read to take Judith for baptism

it was past 8pm.

I felt like I should say something on "modesty", but I was held back. I instead mentioned to her that there's something I needed to tell her after baptism. In her response to me, she said she is ready for everything I have to say as according to her, I had said things several of which she was prayed for a night before. She believed I came to her as an "answer from the mind of God"

I then felt the liberty to open Deuteronomy 22:5 and I let her read it from her own Amharic Bible. As soon as she read it, she started laughing in amazement confessing that the Lord had rebuked her about this before but she

At around 7 am Sunday morning on 5th May, Judith came back ready for baptism. She had long skirts on and looked so beautiful just like any other real Christian lady.

Message of the Hour Preached in Dromia over 100kms away.

Part of Congregation

On Sunday 5th May, in the morning. We were ready to travel to Tulu Bolo in Oromia. After his baptism, Bro. Kumasa started making contacts all over in order for others to hear about this Message of the Hour.

He phoned his Pastor 100 kms away and he made an appointment with him to take us there for the Sunday service. There were no interpreters and thus Sis Judith was asked to help interpret for me to Amharic. The Pastor would now interpret from Amharic to Oromo.

The congregation was of about 300 souls. I preached on **"There's a man who can turn on the Light."**

I let these Ethiopians know that if they have not received the Message of this day, they are

in darkness. That the message of this day is calling us back to the True unadulterated Bible doctrines with a full understanding. Without even knowing that this was a Lutheran Church, I spoke bitterly against infant baptism. I asked the assembly if there was anyone who has never been baptized in the correct baptism and would like to be baptized. About 5 people raised their hands, at which moment the Pastor said he can no longer interpret my preaching.

He said they do not conduct such baptisms at their church. I left the pulpit but satisfied that "Someone heard the TRUTH." After all, the bible in Mark 16:16 specifies the two types of people.

But, the Work was done!

After the service, I saw Sister Judith seriously explaining this issue to one of the elders in this church. She later told me that She told the elder how that they did not REJECT ME, but God himself who was speaking to them.

The Evangelist Negesa Biratu Connection

Myself & Evang. Biratu at the guest house

John the brother I baptized in Nairobi gave me this evangelist's mobile number. When I arrived in Addis, I gave him a call and we scheduled a meeting on 9th May.

However, he called me back and re-scheduled it for 7th May. On his arrival at the guest house, we had much to talk about.

Evangelist Biratu has gone through the Lutheran Seminary

with a degree and has been on the field for a very long time. He is so much attached to this denomination all his life.

However, I shared with him what God has done in our day. Read Malachi 4:5-6, Revelation 10:7 and other scriptures. Gave him some message books, shared on Christian baptism and other major topics of concern and he listened carefully swallowing

whatever I said. When I was done, he was speechless but said this

"All my years of ministry, I have been serving this here in Addis..." I told him it's not denomination that matters but the Word of God which is the Absolute.

He said **"Do you have a Church that preaches this here in Addis?"** I said, *we don't, that's why we met.* He told me that **"I believe whatever you've told me to be the truth, but give me some time to think and pray about it. I will get back to you"**.

Evangelist Biratu says Bye while crying.

Evangelist Biratu Believes the report

It should be noted that he travelled over 200 kms to come and meet us at the guest house.

In fact, I tried to give him his fare back home but he refused saying I am the one visiting his country!

That was indeed noble of him and that was a noble character he possessed.

A night before our flight to Nairobi, Evangelist Biratu called me to confess that he spoke to his wife and they both want to be baptized in the Name of the Lord Jesus

Christ. However, because they lived very far and our flight was just in hour away, we were not able to travel there.

He was so much moved by the power of the Revealed Word of the Hour and is ready to receive me again to his area.

Meeting with a Ugandan in the Land of Sheba

Over 12 months ago, I asked a friend of mine, a Ugandan soldier in Somalia if he had any contacts in Ethiopia. He did not respond until this last April when I was organizing to take off for the trip.

He gave me the contact of his friend, a soldier by names Justus a Pentecostal. In Addis, I made several attempts to meet Bro Justus but in vain due to their tight schedules at the air force school.

It was only on Sunday 12th, that we got a chance to have this meeting at the guest house where Justus was so kind to

Come and meet with us. I was of course so happy to meet a fellow Ugandan and I felt as much freedom to hammer down the gospel without taking any caution.

By the time we were through, Bro. Justice told me that "there's a lot of work for me to do in Ethiopia."

I answered back that he is right and that I would need people like him to help me. He gladly was able to take some spoken word books and tracts for himself and for distribution to other students in the air force school.

In addition, he also accepted baptism in the Name of the Lord Jesus Christ. Due to the little time we had in the country and his limited schedule, we weren't able to do the baptism but we are arranging it for next time.

In fact, Bro Justus is ready to arrange for us some sessions wit the students at the air force school.

By Leadership, I walked on the streets of Addis meeting many different people that I shared with some of which wanted to hear more thus I gave them some books/tracts and we exchanged contacts.

I met young people as well and these two are just examples of such. I believing in sowing the seed, the Seed of the WORD!

Hanna

My wife doing her thing...

My wife Sis Rebecca has been diligent to support me on this mission trip. In fact, as much as it may be referred to a "Honey moon" by some, it has been different for us.

On this trip, she has got to learn what challenges we face while on mission fields, helped her to see the Power in prayer and encouraged her that there's much work she can do to support the ministry.

It was quite an experience for her after praying, God showed her the results of my conversation with

Bro Kumasa Kajela. This truly teaches all other sisters to always support their husbands while off for mission as this means so much to the work of the ministry.

Watch out for the First Message Book in Amharic

O the depth of the riches both of the wisdom and knowledge of God! how unsearchable are his judgments, and his ways past finding out!

For who hath known the mind of the Lord? or who hath been his counsellor?

Or who hath first given to him, and it shall be recompensed unto him again?

For of him, and through him, and to him, are all things: to whom be glory for ever.

Amen.

Rom 11:33-36

~Ronald Reagan~

Past President of the United States of America

Sometimes I was asked, was I aware of all the people out there praying for the President? And I had to say “Yes I am. I have felt it and I believe in intercessory prayer. But if they get a busy signal, I say it is just me ahead of them!” I think I understand how Abraham Lincoln felt when he said “I have been driven many times to my knees by the overwhelming conviction that I had, when I had nowhere to go.”

Now I know it is fashionable in some circles to believe that no one in Government should encourage others to read the Bible that we are told would violate the constitution between Church and State, established by the Founding fathers in the first Amendment. The first Amendment was ***not*** written to protect people and their laws from religious values. It was written to protect those values from Government tyranny. I’m saying we must be cautious in claiming that God is on our side. I think the question we must answer is, “Are we on His Side?”

No matter where we live, we have a promise that can make all the difference – a Promise from Jesus, to soothe our sorrows, heal our hearts and drive away our fears. He promised there will never be a dark night that does not end. ***Weeping may endure for the night, but joy cometh in the morning.*** He promised if our hearts are true, His love will be as sure as sunlight, and by dying for us, Jesus showed how far our love should be ready to go – ALL the way. ***“For God so loved the world that He gave His only begotten Son that whomsoever believeth in Him should not perish but have everlasting life.”*** □

Americans yearn to explore life’s deepest truths and to say their entertainment and their idea of entertainment is sex and violence and crime, is an insult to their goodness and intelligence. We are a people who believe love can triumph over hate, creativity over destruction and hope over despair and that’s why so many millions hunger for God’s good news. I’ve always believed that we were put here for a reason and there is a plan, a divine plan for all of us. I know now that whatever days are left to me, belong to Him. I also believe this blessed land was set apart in a very special way. Our forebears came not for gold but mainly in the search of God and freedom of worship in their own way. We’ve been a free people living under the law with faith in our Maker and our future.

I said before that the sublime picture in American history is of George Washington on his knees in the snow at Valley Fort---. The image personifies the people who know that it’s not enough to not depend on our courage and goodness. We must also seek help from God our Father and Preserver.

We’ll never find every answer, solve every problem or heal every wound but we can do a lot if we walk together down that one path that we know provides real hope, morality and values such faith implies are deeply imbedded in our national character. Our country embraces that character by design and we abandon them at our peril.

My experience in this office I hold has only deepened the belief I have held for many years. Within the covers of that single Book are all the answers to all the problems that face us today if we **only read and believe.**

# RELAXING BROTHERS

After Sunday morning service when Bro Greg Alfred ministered the Word and the blessing of the Lord was felt very strongly among us.

*Starting from left to right: Brother Kevin Murray, Brother Tony Murray, Brother Greg Alfred, Brother Charles Wilson and Brother Paul Moffit.*

When you go to thinking about Him, that's when He appears.  
They were talking about Him when He appeared.  
And that's the reason maybe; He doesn't appear to so many of us.  
We talk too much about other things instead about Jesus.  
Maybe we're talking about trading cars, something else, or the washing,  
what kind of soap powder do you use, listening to the radio  
and some kind of nonsense. That's the reason He doesn't appear.  
If we'd just keep our minds on Him. . . Let the meditation of my heart."  
He told Joshua. He said, "Mediate on these things day and night."  
David said I'll bind them on my bed post." Sure. Let them stay inside  
of you and think of them, mediate upon them. And that's when He appears. Do  
you ever notice how the Angel of the Lord comes?  
Of an evening at three o'clock when I go in. I close everything out –  
Don't let anyone come in, and just sit there and read the Word,  
And yield myself until I know He's there. Oh my, that's the way you do.  
That's the way the disciples did. They were in one place with one accord,  
in an Upper Room. And they were all up there praising Him.  
And all of a sudden He came in. That's the way He does it.
