

Third Exodus Assembly

THE SODOM SIGN

Preached On 9th February, 2005

Bro. Vin A. Dayal

FOREWORD

This message entitled, **The Sodom Sign** has been taken from a recorded sermon and printed by members of the Third Exodus Assembly.

This message was preached on 9th February, 2005 in Trinidad by Bro. Vin. A. Dayal and put into book form solely for the believers of the local Assembly.

Should this book fall into the hands of other believers, please note that it is not meant to promote any special person or doctrine, but only that it might edify the reader and cause him/her to have a greater faith in the message of the hour brought to us by God's prophet, Bro. William Branham.

This book is made available by free-will contributions from members of the Third Exodus Assembly and is distributed free of charge.

Excerpt:

Now, listen to me here. I'm reading an article here called the Homosexual Agenda because this Sodom sign, as I say, is the end time sign. It's one of the signs that we were posted and we were told to watch for. We were warned by a prophet.

On a message, *Five Junctions Of Time*, [1956-0122, para. 72 -Ed.] first, he says, The junction time is here. The Head of all things is come. The time, the end of all times is come. Notice, eternity's next.

When Lot chose to go down in the well place, oh, he could build bigger churches perhaps, [be more] modern, the modern idea of it. He was in the well watered place. Oh, the big church... And his wife had become the head of the ladies sewing circle perhaps. And Lot was the mayor of the city. Oh, he had things easy. What did he lose? He got down there till the world got in such a chaos, until men absolutely failed to have the natural use of their bodies and became perverted.

The perversion was to be a sign of the end. And today the perversion in the homosexual is on the increase that even forty percent of our national government is possessed with the perversion.

In 1956, forty percent was the estimate of the United States government that was honeycombed with homosexuals and then it was also honeycombed with, what? Communism! Fifty-five years after that; fifty years after that, think what you had inside there. You're going to see what I am getting at. Follow me closely. You see we use the statement, "As it was in the days of Sodom," but we do not realize what that really is and how that has a design behind it. (Page 21)

THE SODOM SIGN

TRINIDAD
WEDNESDAY 9TH FEBRUARY, 2005
BRO. VIN A. DAYAL

[Song #223, Songs That Live. –Ed.]

*I have recognized the Voice,
I have understood the call;
I have seen the beauty of the One I fear,
It is He Who calls my name,
...He Who calls my name,
And His mercy I will claim;
I have recognized the Voice
that draws me near.*

*I draw near only thro' grace,
I can now look on His face,
Holy, holy is the One Who meets me here.
I know only that I must
Now by faith begin to trust;
Oh, for I've recognized...
...the Voice that draws me near.*

*I have recognized the Voice,
I have understood the call;
I have seen the beauty of the One I fear,
It is He Who calls my name,
And His mercy I will claim;
I have recognized the Voice
that draws me near.*

Blessed be His wonderful Name. We're certainly thankful for that tonight. Amen? I asked our sister to come. She's really having a very difficult time physically and I asked her to come tonight, that while we gather in His Presence, prayer can be offered for her, among the believers. So, I'm asking you tonight to join with us in prayer and believe for our sister. She is our Sunday school teacher. She's the wife of our song leader, she's been a

faithful, loyal servant of the Lord down through these years, and we certainly desire that God would give her a touch. She's really in need of it tonight and I'm believing that He will do it because He's faithful. Amen?

If anyone else in the building tonight that has come, and you are in need, you expect Him to do something for you, just release your faith, tonight. *Only believe, only believe; all things are possible*, let's just sing that. *Only believe!* And let's just create a great wall of faith round about her this evening, and around this place. And whether you are out on the outside or in the side rooms, wherever you are, let's just be reverent in God's Presence and let us have faith and look to Him now.

As a believing Church we've been trained to do, we've been taught in His Word and this is what God can do in our midst, and we could come as believers having access to His great Throne of Grace. The Bible says we could come with boldness because of the sufficiency of what He has done for us and with God there is nothing impossible. He's a God of paradoxes. Let's just believe that this evening, amen, and let His great grace flow out here. "If two shall agree as upon touching anything," the Bible says, "it shall be done. *Where two or three are gathered together in My Name, there am I in the midst.*" [Matthew 18:19-20 –Ed.] Blessed be His wonderful Name. *Only believe, only believe, all things are possible.*

[Song #44, Songs That Live. –Ed.]

Only believe...

Oh, with all our hearts this evening.

Only believe,

All things are possible, only believe;

Hallelujah!

Only believe,

Thank You, Jesus

Only believe,

All things are possible, only believe.

We all unite out faith, "Jesus is here."

Jesus is here, Jesus is here,

All things are possible, Jesus is here;

Oh, we believe that tonight, "Jesus is here."

Jesus is here,

Thank You, Lord!

Jesus is here,

Oh, He's a faithful God tonight.

All things are possible, Jesus is here.

Let's just bow our hearts together and believe, tonight.

Our kind, gracious Heavenly Father, we are thankful tonight that we Your children can gather together, that You provided a time for us, a place of us and gave us this blessed opportunity that we could come and assemble ourselves in Your great Presence. And dear God, when we think that in this last Age, You revealed Yourself to us as the Amen, the Faithful and True Witness, the beginning of the creation of God, and You saw it fit that You would give the great revelation, that You are God; You are the All in All; You are the God of the unfailing promise; You are the Faithful and True Witness and in You, the promises of God are yea and amen.

Lord, You know in this dark Age, in this Age filled with such uncertainty, God we would need such an Absolute, we would need such a revelation in these dark trying times, but You in Your great grace dear God, unveiled Yourself to us and showed to us Who You are and how You desire to make known Yourself to us at this time Father. And it encourages us tonight, it consoles us tonight as we stand in Your Presence because dear God we believe that even as we stand here, You had seen this very moment when we would be standing here as part of the great ransomed Church looking unto You Lord, in need, but believing and are fully persuaded that You, the All-sufficient God in our midst, oh God, is more than able to take care of any problem, any situation, that would confront us; that You care for us oh God, that we can cast our cares upon You, because truly You are the Rock in a weary land; You are the Shelter in the time of storm. And You told Your children, "Look to Me and live. Look to Me all the ends of the earth."

And Your Prophet said, "Look away to Jesus; call Him on the scene." And so tonight Lord, in the midst oh God, of all these circumstances, we bow in reverence, breathing Your holy Name in prayer, calling You on the scene, Jesus. Our precious Sis. Susan, Lord, is in need of a touch from You Father, and I, having such confidence in Your grace, in Your Presence that when we are gathered together, I told her Lord, no matter how she feels, oh

God, try to come and stand here in the prayer line, oh God, and we would pray believing that You would hear and answer and give the blessing. And God I know that You will not disappoint us Father.

And Lord, as we have anointed her with oil according to Your Word and we lay our hands upon her, we rebuke this condition in the Name of Jesus Christ. We, the Church of the Living God, and the children of God, we call for this enemy of God to depart from our sister; to take his hands off of her, loose her and let her go, in the Name of Jesus Christ. And Father, we pray that Your great Divine Presence, You the great Comforter, oh God, would so overshadow her. And dear God, You know Father the touch that she needs and where she needs it, and oh God to the extent that she needs it, that Lord God, she would be completely healed of this condition and she would be able to be her normal self again, Father.

Oh God, we don't have any confidence in the natural doctors. We come to You, the great Physician tonight; the sympathizing Jesus and we pray that she be loosed completely! And under Your Divine influence she'll be quickened and be raised back up to health and would prosper in health. May You grant it Father! Bless her with this blessing we ask tonight, for the glory of God. And God may the places in her life where You have anchored her faith and the things that You have done for her, and the Words that You have made real in her heart, God that she would tie to It and she would know, oh God, with a deep settled peace, and dear God, if we believed that we have received what we asked for, we shall have it. Bring it and make it manifest. May through her faith she have victory! Oh God, it would be for Your honor and for Your glory, in the Name of Jesus Christ.

And Lord, for all the rest of Your children standing here also united in faith but holding their individual needs in their heart, You the All-sufficient One, the One Who knows and cares, You are reliable, You are dependable, You can be trusted, oh God, and You are more than able to accomplish the things that concerns us today, let the same grace drop into their hearts, and may they have that deep satisfied feeling, that blessed assurance that Your Holy Spirit gives, that it is finished Father; that they have the petition that they desire from You. Would You do it Father? May You grant it we ask tonight, in the Name of Jesus Christ.

Now Father, we pray for the rest of the service. May Your Holy Spirit that has gathered us here and made it possible for us to be here, lead and direct us in Your Word, tonight. Bless us and all that are connected with us throughout the region. We pray and we ask sincerely that You Who knows every flea that bats its eye, You the omniscient, omnipotent God, would cause Your blessings to flow out individually; You the great prayer-answering God, would grant it. We thank You and we praise You in advance for it, in the Name of the Lord Jesus Christ, amen.

Amen. God bless you all. We are certainly happy to have you in the house of God tonight. We would like to quickly invite your attention—you know the time gets away when we gather like this in the week and it just flies. And they said since that—whether you believe it or not, they said since that earthquake and tsunami there and it changed the rotation of the earth and all these things, they said it just seems that the time is even flying more. I could say ‘amen’ to that. I tell you, I don’t know when it goes. The day just passes by so quickly but nevertheless we are happy tonight to be in His Presence, to be at our post of duty; to be in the house of God. And what a place, amen, we are in and we desire to be and always look forward to being in the house of God. Amen?

What a great time we had Sunday, amen. And we would like to continue right on in that and somehow we’ve seen the Holy Spirit being gracious. And the meetings exactly so far, I don’t think is exactly what we’ll call young people services, but there is a mindfulness and a sensitiveness especially to the young ones while we are here preaching the Word. And more and more we believe that the Holy Spirit would give to them and quicken to them and make real to them the places and the things that would help them by God’s grace.

And I trust that God keep that expectation in your hearts as you come, whether it is for healing, whether it is for a revelation, whether it is for the New Birth, whether it is for deliverance from habits; whatever it is, remember while we are in the Presence of God, and the Word is going forth, the Bible says, “He sent forth His Word and He healed them.” [Psalms 107:20 –Ed.] And while the Word is going forth, It’s healing, It’s restoring, It’s delivering, It’s quickening, It’s washing, It’s cleansing, It’s cutting, It’s setting in order and we could all get under the atmosphere of the Holy Spirit.

And we had such a wonderful time yesterday. A few of the saints, we got a little time to be up in the country with the saints in Tableland [Place in Trinidad –Ed.] there and it was so wonderful. And I understand, those who were here had a wonderful time as well on the land here, and we are certainly happy that God gave us a little place, a little hideaway on these days where we could just be in each other's company and fellowship and be in the Presence of God. Now, we want be around the Word, now here and see what He would speak to us tonight. Amen?

Luke 17 verse 26. Taking that Scripture a couple of Sundays ago and I'd like to hold it still because last week I was preaching on *Abraham and Lot*. [2005-0202 –Ed.] And in the youth service I started with *Standing Up For The Cause Of The Word*, [2005-0112 –Ed.] and then I came and began to preach on *The Jacob Spirit And The Esau Spirit*, [2005-0119 –Ed.] despising the birthright; *The Profane Still Despises The Birthright*, [2005-0121 –Ed.] amen, and *Jacob The Election Of Grace*, [2005-0126 –Ed.] and then *Abraham And Lot*.

And I want to speak tonight on, **“THE SODOM SIGN.”** **“THE SODOM SIGN.”** That is an end time sign. That is the sign that brings God on the earth. That's what brought Him down. “I've heard the cries come to Me and I Am come down to see whether it is really so and if it is so, then I'll know.” And that's why He's come down in an investigation judgment because the cup is full and the wrath of God is fixing to be poured out. That's why He is opening the Word to catch a Bride out because now He is coming into His role of Judge. That is why when the Cloud appeared and it was turned, He was the Supreme Judge. The Book was opened, the court was convened and the trial was set. All these things that have happened and is happening across the face of the earth. It's a great time. Without revelation, it's just an ordinary day. In the Word of God, you watch the symphony of God. It's a great time as you watch the drama of the Word unfolding, by the grace of God. Luke 17 verse 26:

²⁶ *And as it was in the days of Noe,*

This is the Lord Jesus Himself teaching.

...so shall it be also...

As it was so shall it be also!

²⁶ *And as it was in the days of Noe, so shall it be also in the days of the Son of man.*

²⁷ *They did eat, they drank, they married wives, [and] were given in marriage,*

He picked out these things. Because there were many things they did in the day besides that, but He picked out these things. And it seemed like they ate, why should He pick that out? They drank, why should He pick that out? But you watch today, it's a day of eating and drinking. Brother, you have fast food places on every corner, restaurants in every place; women doesn't even want to cook any more. Everybody who just wants to go into a small business, it's a food business somewhere. Everybody is making something and it's such a spirit – meat for the belly. And we're in an Age of gluttonous. People eat—it's an age of obesity. That's right. You see it. It's in the paper everyday. Then all in America you see people big like that. [Bro. Vin indicates a big amount with his hands. –Ed.] You are going in a place and eat as much as you want – buffet! See?

It's an Age of drunkenness; they are drinking. Distillers coming out with more and more distilleries; all kinds of beers, whiskey, *this*, everything to drink; some new alcohol, some new beverage; some new something coming out. Why? Because they have addicted the people to these things. They have enslaved them in their senses. They can't go one day without food. That's right. People doesn't fast any more. People don't—it's eat and eat and eat. Brother, Sunday coming if they don't have a big pot of callaloo, [local dish –Ed.] and peas and rice and meat and everything else, they feel disappointed. See? Why? It's the spirit of the Age. And watch, marriage and divorce like, it's rampant.

...they married wives [and] were given in marriage, until the day that Noe entered into the ark, and the flood came,

Watch those conjunctions here.

...Noe entered into the ark,

That's the Elect.

...and the flood came,

That's the wrath being poured out on the ungodly.

...and destroyed them all.

...and the flood came, and destroyed them all.

²⁸ *Likewise also...*

He's teaching! He's giving you Bible examples. He's telling you what's going to happen in the last days. He's in Genesis, from the days of Noah, Genesis 6 and 7. Now He drops down to Genesis 18 and 19.

...and as it was in the days of Lot; they did eat, they drank, they bought, they sold, they planted, and they builded;

Again He's showing, look when judgment was coming, look at the spirit that the people got in. In Sodom – eating and drinking and building. In the days of Noah – eating, and drinking and building. In this day – eating and drinking and building. It is the spirit of the Age. And Jesus, God in the flesh is pointing out that these are end time signs.

You just look at the construction everywhere; they are turning wilderness into cities. They are moving the sea back and building. Why? What's causing all this building? Overpopulation is what is causing it. Because they're changing civilization – urbanization. Why they don't go and build in the country? You see, there are a lot of places in the country but who wants to go—there is nothing for people to live there. They have to be in the main centers. That is why they build all their industries and they build all their cities and they move them out and they pull them around the city. And you have twenty million cramped in little places, living in small places like *that*, [Bro. Vin indicates a small amount –Ed.] and there are lands, full of lands all in the country. It's all designed to enslave people, friends.

You see, you look at it and you don't think sometimes but understand this is how—there is a spirit and there is a motive behind all this. This is not happening by chance. It is not a lack of foresight. The one who is building his Eden, he's building his Eden according to a plan and he needs it to be like that. Because when he gets it like that, he can get all the homosexuality in the city, he can get all the lesbian in the city, he can get all the drugs in the city and he could corrupt everybody quickly. Do you get what I am saying? That's right.

²⁹ *But the same day that Lot went out of Sodom it rained fire and brimstone from heaven, and destroyed them all.*

Watch again, the flood came and destroyed them all; it rained fire and brimstone and destroyed them all. The same day Lot went out – destruction. The same day Noah went in the ark – destruction seven days after. You know because the door was closed, nobody could come in or go out. So watch how these things are. And then He says now, “As it was, so shall it be; likewise also.”

³⁰ *Even thus...*

He gives you all these examples and then He says,

³⁰ *Even thus [now] shall it be in the day when the Son of man is revealed.*

³¹ *In that day, he which shall be upon the housetop, and his stuff in [his] house, let him not come down to take it away: and he that is in the field, let him likewise not return back.*

And He gives you a scenario – people having to run for their life but tied by desire; wants to go back for something. He said, “If you are on the rooftop, don’t try to come down and go in your house! If you are in the field, don’t try to run back. And then He says,

³² *Remember Lot’s wife.*

She was coming out and she was tied by desire still and she wanted to go back. Watch how He is giving a—look how specific He is dealing with a desire here. He gives you two illustrations: A man on the rooftop that has to come down quickly and run but he’s thinking, “Oh God, I have so many things in my house, let me go for it.” He says, “That man better don’t go back in that house.” He said, “The man is in the field and he looks there and he says, ‘I can chance it you know because the house is kind of close.’” He says, “You better don’t do that.” And then to think that He is not just making a statement, He shows you a place in the Bible. He shows you a woman in the Bible in that very day, which He already give as an illustration too, ‘so shall it be’. Very specific! Watch how He spoke with such distinction in teaching this. 2nd Peter 2.

May the Lord add His blessings to the reading of the Word! You may have your seat. Let’s turn to 2nd Peter 2. 2nd Peter 2 verse 4:

⁴ *For if God spared not the angels that sinned,*

First we see the conditions of the time. And you young ones listen to me how I'm explaining this to you. In Luke 17, He explained to us the conditions of the time; signs of the end time – eating and drinking and marriage and given in marriage and perversion of all flesh and buying and selling and planting and building. Then over here in Peter now, he is giving something here about the judgment now; not so much about the signs of the times that he identified but the condition of the people and God in judgment, moving in judgment. And here he says,

...if God spared not the angels that sinned, but cast them down to hell, and delivered them into chains of darkness, to be reserved unto judgment;

One example! And the second example now:

⁵ *And spared not the old world, but saved Noah the eighth person, a preacher of righteousness, bringing in the flood upon the world of the ungodly;*

He tells us now, the world of the, what? [Congregation says, “Ungodly.” –Ed.] I told you ungodly does not mean—though it's sinners it doesn't mean sinners. *Ungodly* means they have no true concept of who God is. So the whole religious world is ungodly, and blessed is the man who doesn't walk in the counsel of the ungodly. [Psalms 1:1 –Ed.] Do you get what I am saying?

You see a big religious man there, he stands with a PhD, LLD, some great man out in the world and he wants to give you advice. And he's giving you advice that is contrary to the Word, and you are watching the man's person, and you're watching the man's degree, you are watching the man's recognition, and the man's influence in this secular world and these things; in the religious world, but that's walking in the counsel of the ungodly.

The whole religious world is walking in the counsel of the ungodly and they become heathen, false worshippers worshipping three gods. They become believing in woman preachers. Do you get what I am saying? Because they are in the counsel of the ungodly. And then where do they end up? They start to stand in the way of sinners and then they end up sitting in the seat of the scornful, and they see the Spirit of God moving among the Elect, and they call them holy rollers and they laugh at them and call it a cult. And they call the real church a cult because they sit in the

seat of the scornful. This started from walking in the counsel of the ungodly. It's a progression. See?

⁵ *And spared not the old world, but saved Noah the eighth person, a preacher of righteousness, bringing in the flood upon the world of the ungodly;*

⁶ *And turning the cities of Sodom and Gomorrha into ashes condemned them...*

Condemned – that's a judicial word, condemned! When God says condemned, that's God... In other words, there is now no condemnation to them that are in Christ. It means there is no basis upon which we can be accused. It means justified—not condemned means justified. Condemned means not justified. And *justified* means legally and formally acquitted from guilt by God as a judge. So condemned means you're guilty and the basis for your condemnation is your sin, which is the evidence of your guilt.

But your sin has not been removed because the only way to remove your sin is to put it in the Blood. And the only way it can go in the Blood is through confession. If you confess your sins, God is just and faithful to forgive you but if you cover your sins, you shall not prosper. If you burn a candle, you shall not prosper. If you say a novena, you shall not prosper. If you go by some witch doctor, you shall not prosper. But if you confess your sins – that takes humility. That takes recognizing God as your Judge, and that is acknowledging your guilt before God, Who has told you, you are guilty by His Word showing you, you have committed a criminal offence against Him by what you did because you've violated the laws of His Word. Amen?

So condemned here, He condemned them with an overthrow. Condemned, it means that there was a trial and they have been found guilty and condemned. And the overthrow was the sentence being executed upon the guilty. What did God say? "I Am come down; the cry of Sodom has come up. I will go and see and if it's so, I will know. What was that? He came in investigation. Is that right? Abraham was pleading the case before the Judge.

"If there are fifty, will you destroy it? If there is forty, will you destroy it? Oh, let not the Lord destroy the righteous with the wicked. If there is thirty, will you spare it?"

He said, "I will spare it."

"If there is twenty, will you spare it?"

“I will spare it.”

He’s pleading the case before the Judge. He couldn’t find the ten. Is that right? So then, the sentence had to be executed. So watch how this is. This world is undergoing the same thing. This world is undergoing the same thing. When God’s wrath is poured out in the tribulation period, that means the place was already tried and judged and found guilty.

What are all these U.F.O’s? What are all these lights coming? Investigating angels! What are they investigating? What are you all investigating? The crimes! Why? Because God used to judge them in the old days by a nation. Before He used to judge them by a city. And the same way God judges an individual, He’ll judge a family. The same way He’ll judge a family, He’ll judge a church. The same way He’ll judge a church, He’ll judge a city. The same way He’ll judge a city, He’ll judge a nation; same way He’ll judge the whole world. Because a man, a family, a church is only people multiplied. What is the world? The world started with one man. And what is the world with six billion people today? Just one man multiplied. Do you get that?

So when we look now we see how God... Something is happening in this world, and when the people, (like I was preaching Sunday) when they are given over, people don’t know a nation’s cup is full, a man’s cup is full and he is sinning away the day of his grace. And when the people said, “Eat Your flesh and drink Your blood? What do you think we are vampires or something now? And they walked away. That was a hard saying. They were like those ten spies who came to Kadesh-barnea, had tasted the good Word and fell away.

A man comes to a place, he makes the wrong decision, like the rich young ruler – rich and increased with goods, religious to the core, had need of nothing, came to the right Person, asked the right question, got the right answer but made the wrong decision. He died that day. He died—the soul that sinneth shall surely die. Alive in the body but dead in the soul. Like when that man blew that trumpet, the release to come out of bondage and he refused, he’s still alive but he can’t come out. He can’t come out any more. He’s alive, he’s working, he’s still has his profession, he’s still getting all these blessings and his wages increase and everything else but he can’t come out; no freedom; no deliverance.

So something is happening in the world and a city's cup got full, and a nation cup got full and He judges it. The judgment is moving across the earth. The same way the Light—did the Light come on the whole earth at one time? It started in Jerusalem, went into France, went into Europe, went into Germany, went up into England and crossed the United States. When the sun rises in the morning, does it come across the whole world like that? No, gradually the light is coming. It's picking up those in its path.

And what is the condemnation? Light is come, but men choose darkness rather than Light! God doesn't condemn a man for drinking and smoking and committing adultery. God condemns a man when he rejects Light! This is the condemnation, that Light is come but men choose darkness rather than Light because their deeds are evil.

What is darkness? Darkness is not really real, you know. Darkness is absence of light. Darkness is absence of light and anything without light dies. Do you get that? Because light brings life. Darkness has no substance so it can't do anything, but yet people get afraid of the darkness; yet they get scared and they are uncertain in the darkness; yet they stumble and they can't see where they are going in the darkness. But when the light comes, from the time the light comes, there is no darkness.

And that is why the whole world is being bluffed; being bluffed by an enemy, a powerless enemy! He's stripped of all power, yet they are living in defeat; yet he's manipulating their minds; yet he holds them in superstition and fear. Why? They don't have light. Like the spook on Superstitious Mountain, the Prophet talked about, when the sun rose, the king of all lights. They were with their little flashlights and they couldn't see too clearly. That was the days of Luther and Wesley and Pentecost. They aren't sure what eternal life is. They aren't sure what Heaven and hell is. They aren't sure about the coming of the Lord. But when the King of all lights is come, everything is uncovered; everything is uncovered. We are certain of God now! Oh my! That's why He says, "Walk in the Light, walk in the Light as He is in the Light." Amen? Let's follow this through a little bit and see. I want you to catch these things. I am trying to take my time and go a little slow here tonight.

⁶ *And turning the cities of Sodom and Gomorrha into ashes condemned them with an overthrow, making them... [What?] an ensample unto those that after should live ungodly; ...an ensample unto those that after should live ungodly;*

God is saying, “Watch how I judged that place. Watch what I judged them for. Watch how I gave them warning. Watch how they rejected the warning. Watch how I came down in investigation. Watch how I delivered the Godly out of temptation. Watch how I have to destroy the others who refused My Word.” He said, “I’ll make them an example to all those after this who would live ungodly.”

Then look around at this generation and see what we are seeing. Look around at this generation and seeing what we are seeing. This very Word condemns them. This very Word shows that God is saying, “I will have to do this again.” And Jesus Himself said it, and here Peter is teaching the same thing on the same ‘days of Noah’ and on the same ‘days of Lot’. And did you notice how he is saying Noah and Lot. He is not saying Enoch and Abraham. He is not saying Enoch and Abraham! Enoch was translated and Abraham was changed. He’s not saying that. He is sealing up that mystery. Because that is really the mystery, but the way He is speaking it, He’s leaving that part sealed. But when He came in the human flesh in this day, what did He do? That is the part He identified. He said, “Abraham was already out and Enoch went up before one tribulation fell.” Is that right? So it’s a secret. It’s a secret here. It’s put in the Bible.

⁷ *And [He] delivered just Lot...*

This man was just.

...vexed with the filthy conversation of the wicked:

⁸ *(For that righteous man dwelling among them, in seeing and hearing, vexed his righteous soul from day to day with their unlawful deeds;)*

This man was seeing them. He’s seeing man dating man. He’s seeing woman dating woman. He’s seeing them organizing themselves into groups and lobbying for rights. He’s seeing them organizing parades for gay rights and it vexed his soul! But then

he's the mayor and he is in the parade. [Bro. Vin walks as someone unwilling. -Ed.] Watch! I'll get on this tonight you know. Compromise! Compromise! If it was Elijah or Moses, what do you think would have happened there? But you see, Lot was a penny. Abraham was a silver dollar. It would take one hundred Lots to make one Abraham, you know. That is right. That is what the Prophet said on, *God's Word Calls For A Total Separation From All Unbelief*. [1964-0121 -Ed.] That's right!

⁸ (*For that righteous man dwelling among them, in seeing and hearing, vexed his righteous soul from day to day with their unlawful deeds;*)

Then Peter says,

⁹ *The Lord knoweth how to deliver the godly...*

How to deliver! God has a provided way to deliver. God has a plan by which He delivers. He knows how to do it. How did He deliver Noah? He show him the tree that had to be cut down. He showed him the sap that had to pitch that ark and keep the judgment out. What was that tree? Christ! How did He deliver in Egypt? He showed Moses how to kill the lamb and put the blood. What was that lamb? Christ! God only has one way to save that is by Jesus Christ.

⁹ [*He*] *knoweth how to deliver the godly out of temptations,*

He brings an overthrow upon the ungodly but He knows how to deliver the Godly out of temptation. Does that encourage you tonight? Do you consider yourself Godly that you are getting a true concept of God? And even though you have temptation and you are battling and struggling with it, yet you have confidence, "I don't want to go into that. I'm trying to put up the best fight I can. And I'm saying, 'Oh God, deliver me out of this.'"

If you are like that tonight, God knows how to deliver you. God has a way to deliver you. And God will hear your cry. "I have heard the cries of My people and I Am come down!" To what? "Deliver them! And I told pharaoh, 'Let My people go that they may serve Me!'" Cry out tonight. Don't sit down there and say, "Oh God, I don't know; maybe I am not a child of God because in my mind I'm trying to deliver myself from this. Oh God!" No, no, no! Say, "Lord, it's a fierce battle and I'm convinced my

strength cannot do it. I need Your strength, Jesus. Come on the scene tonight.” Amen. Hallelujah! He’ll do it for you, friends.

⁹ *The Lord knoweth how to deliver the godly out of temptations, and to reserve the unjust unto the day of judgment to be punished:*

Look over in Jude, chapter 1 verse 7. I’ll just give you a next example there again. The Bible says, “Let every truth be established in the mouth of two or three witnesses.” So I am showing you one or two places without yet going to Genesis 19, and these places, just to show you how they were all teaching this – Jesus, Peter, Jude. They were looking at this because they knew that Jesus promised that this would be in the last days and so they were teaching this here. And Jude, that is just before Revelation chapter 1. There is only one chapter in Jude really. Verse 7:

⁷ *Even as Sodom and Gomorrha, and the cities [round about] them in like manner, giving themselves over to fornication, and going after strange flesh, are set forth for an example, suffering the vengeance of eternal fire.*

He says, “God took these cities and set them for an example. Peter says, “It is an example that they would not live afterwards ungodly. Jude is saying, “God put this example for those who go after strange flesh.” It is their ungodliness that makes them go after strange flesh. Some say, “Well I was born *so* and I can’t help myself.” And then they develop a concept, “Well if you look at the statistics, there is more wife bashing and more domestic violence in normal marriages. And there are more unwanted children and more street children, and it is man and woman who makes children. Two women don’t make children and two men don’t make children. And then all these delinquent children, all these street children, all these children in those prisons and reform schools and everything else, who is it put them there? Man and woman! See?”

He said, “And watch the statistics among the other side.” He says, “We don’t have so much of wife bashing. We don’t have any unwanted children. There is no committing abortion with us. All your fighting and arguing about abortion and not abortion and pro-abortion, and against abortion, and everything else,” he says, “in our world there, there is no abortion.” Do you get what I am

saying? And they develop a concept why—they are trying to find a way to justify their way of life. So that ungodly, that false concept of God gives them a justification that now they could go into these kinds of relationships and have a brashness, and a kind of boldness about it.

Now Sunday if you remember, when I was showing how the feminist movement was the thing that broke motherhood and in breaking motherhood, it broke the nation. And when the woman was given the right to vote and move out of their place, then they cut their hair and put on men's garments, and then finally they ended up in a state of complete nudity – a state of undress, and that was the moral problem of the Age – that fifth vision. And I showed you how subtly that is taking place because that whole movement is an organized movement.

And now they have legislation that you have to employ so many women, and when they go through the schools every year, more girls are passing with higher passes than boys. And now that is putting them in line for the bigger positions but all of that is a plan. This is organized to be done so. And all this school system is designed to destroy the race. They don't have to have it like that but they have it *so*. Sometimes you have maybe fifty or one hundred of those type of schools they have and you have one vocational school. And a man is meant to work by the sweat of his brow. And he's there, he could build a home, do a trade, learn something, provide for his family, work, make himself useful but they have a system designed to teach him all kinds of things that he will never use in life and to shut him out of using the God-given ability. Do you get what I am saying?

Now how is it with all this university and this education, they can't see that? Do you think they can't see it? No! It is designed so when they put that kind of school it's sex, sex, sex, sex, sex, sex, sex, sex and it becomes a cesspool and nobody wants to send their children to Junior Secondary any more and Senior Secondary and those kinds of schools. Why? It's like a low life. It's like a dead-end street! But the system has it like that because it's to breed and destroy the generation. So they come out in the streets early into drugs and different things. And that is why out of there it's like a one in a million to come out too. Do you get what I am saying?

Because many times if you don't know what you are up against, you don't know how to fight it. Because you are inside of it and you are discouraged, you aren't learning and then when you aren't learning what they are trying to pump in your mind, they tell you, you are duncy. [A dunce or slow learner. –Ed.] And they say you are low and you are slow – a slow learner and then they want to get a psychiatrist for you. And then they want to put you in a special class for the low learners, what you call the duncy class, to destroy what is inside of you because they say you can't be anything in the system. You have to end up being a laborer, selling coconut or cutting grass or making mauby and bake. [Local food and drink. –Ed.] Do you get what I am saying? And then they rate up high all now who are passing these things. And then they have prestige schools and special students and these things, and then you get among there and you start to find the kind of sins.

Now watch! So here I want to show you, all of this is structured. This is a plan. And the Prophet said on a message *Only One Way Provided By God*, Chicago 1963, [1963-0731, para. 58 –Ed.] he said, *Lucifer is achieving today by men with those spirits in them, that he did with [the] angels at the beginning, fallen angels who kept not their first estate to obey God. ...he is doing the same thing today.*

On *Christ Is The Mystery Of God Revealed*, [1963-0728, para. 78-84 –Ed.] he says, *Now Lucifer in this last days is doing as he did at first. What did Lucifer do? The first thing that Lucifer done to separate the fellowship of God and man, he wanted to build him a united kingdom of greater splendor, and seemingly more cultured, a greater kingdom than Michael, Christ had.*

Now listen closely now. How did the angels fall in Heaven? Lucifer said, "I will be like God." He wanted to set up a system where he is God, he'll have subjects, he'll have pleasure; he'll have everything that God created for His people. Since he can't create, he's going to take some of God's people, pervert them, pervert the things of God, and then try to control them and live off of them. Follow me.

Lucifer at the beginning, his purpose in heart was to achieve a brighter, and greater thing in heaven than Christ had by seemingly a more cultured, more beautiful, more splendor than the Kingdom of Christ.

You see the Kingdom of Christ is on character. Jesus had no form nor comeliness, no beauty that we should desire Him. He was like a root out of a dry ground but it was the greatest character. Do you get what I am saying? God's beauty is inward beauty but Satan's beauty is outward beauty that appeals to the eye; appeals to the senses. Can you see?

He says, *Notice, ...Lucifer's doing the same thing. Can you see it? He said, Can you see it?*

Like I was preaching last week. He says, "Can you see the people are moving into the insanity? Can't you see how he prepared them and they are becoming in that condition. Can't you see how it's being done?" He says, "Can't you see how the kingdom is being built?" Can't you see it? He was seeing it. And then he was taking the Scripture to anoint our eyes with Eyesalve, to see how it is being done, what is being done, and what it is that has the people so deceived in the world, that the whole Age is deceived, so trapped into it, until they can't even recognize God. They put Christ on the outside of the Church, exalt the devil in the church, worshipping the devil ignorantly, thinking they are a Christian. Look how subtly he did that. Listen!

[Can you see Lucifer] *doing the same thing, building up a hybrid church...by intellectual men, instead of borned again men? Building an intellectual kingdom that'll outshine Christ's little bitty flock. Fallen angels. [It] said it was fallen angels who listened to Lucifer instead of Christ, who they once belonged to?*

Now listen close. Fallen angels, what kind of angels? Luther, Wesley, Catholic, Pentecostal who kept not their first estate like the angels did...

See where he brings that now. He brings that out of angels up in Heaven, to show you what was in Heaven is happening on the earth again. Because he was cast of Heaven and he came down on earth, and now he is doing on earth what he tried to do in Heaven. And now he is using man on the earth, influential man; man who stopped following God. Do you get what I am saying? They organized and when they organized, then fallen angels got into it. When they built their denomination, then fallen angels got into it.

And what have they done? Organized a great ecumenical association of ministers to make an image unto the beast...

Now he is showing you the Christian side of it. But the whole Eden is not Christian side alone; there is a secular side; there is a political side; there is an economic side; there is a military side. Do you understand what I am saying? All the pleasures of the world and the entertainment and the sports industry and these things, all this is part of the Eden and he has people in every realm under that influence.

He says, *See Lucifer at his work?*

He's asking "Do you see him at his work?" I want to save a little time and skip some of it.

He says, *But Lucifer's at his job again.*

Notice, Lucifer comes in cunning like he did then... Like he did back in Eden and back in Heaven. ...and by temptations, and false promises of power...apart from the Word of God. He did the same at Nicaea, Rome. He's doing the same today at the World Council of Ecumenical Churches.

"Let's all unite..." the pope says. "I want all my ecumenical brethren out there to unite with me."

The Prophet said, "Do you see that there?" He said, "That is not an ordinary thing; it is a spirit behind that. And when those men get in control, they will control the wealth of the world. They will control the governments of the earth." He said, "They will pass laws, they will close you down. It's a spirit behind that." In other words, "Watch that thing! As that thing gets stronger, you will start to come under more persecution." So he is here uncovering the scheme! He's pointing it out.

He says now, *...we have the answer to the devil's question. He, Christ, is risen and has paid the price and rising up...the Body. The devil can't stand it.*

...these ecumenical kingdoms are setting up. That's the reason they're all coming into what they're doing now. The devil, that's the reason he's howling the way he is. His wickedness... His scheme has been uncovered by the risen resurrected Christ in the Headship over His Body.

When those Seven Angels came, it formed the Head and the Head came over the Body; and the Seven Seals were opened, in the coming of the Angels; and the Thunders uttered their voices, revealing the hidden secrets in the Book. And he's saying, "It's uncovered! Look what he is doing! Look it's in the earth right

there! We are down to the last two thousand years and look now, he's had great success and is getting ready to be enthroned as God." And he started him from Eden and brought him right down to the present Age and said, "Look what he is doing right there."

And all I am doing is saying now in the year 2005, look it's here now, it's almost over. He stopped telling us in 1965, but forty years after I am saying here, "Look it's almost over. Do you see what he said?" And I am bringing you back into remembrance of what he said and then showing you more up-to-date, what is happening right here. Why? So we can be posted! We can be posted. Oh my!

So if he's building a kingdom, as I always use the term, he has architects; he has engineers. That's how this is being done. Listen. President Clinton, when he was president, he was from the year 1992 to 2000. He had two terms and this man's idol was J.F. Kennedy. And when this man came into power, you all know the scandal that was in the White House with this man. He was one of those beatnik Beatles type, Hollywood, kind of well suave fellow there; real you know, spirit of Jehoram and these kind of fellows like Absalom, seducing the people and the nations and so on. And he began to open up all the—change up the laws and get things passed to loose the homosexuals. President Bush got them to give up their rights. Do you get what I am saying? Each presidency as the architects keep working, the building is going up. When they want the homosexuals loose and come into mainstream out of the closet, that's his job. Do you understand what I mean? He's putting the plumbing in the house.

The next one comes in now, he gets all the people to give up their rights. So how are they going to get people to give up their rights now? They found a way. They created a scare, created an enemy, diverted them; war on terrorism; got everybody all nervous and shook up and said, "If you don't empower us we cannot defend you!" And what are they talking about? Peace and safety! That is the whole thing in the world. What is the war on terrorism? To bring a peace on the earth and to make the world safe. And in all what they are doing, those two words, Paul says, "When they begin to say 'Peace and safety'" – that is just what is happening – "then you know it is sudden destruction."

And we see that tsunami how it started to break in the earth and I told you she is into more labor. Forty years ago it never had an earthquake in that magnitude. In 1964, God shook the earth by a tremor, though He did not unbalance it. Yet in 2004 what happened? He shook it again, the whole planet! And they never had a disaster in the magnitude that over three hundred thousand people disappeared like that, quickly. It turned nations.

Now, listen to me here. I'm reading an article here called the *Homosexual Agenda* because this Sodom sign, as I say, is the end time sign. It's one of the signs that we were posted and we were told to watch for. We were warned by a prophet.

On a message, *Five Junctions Of Time*, [1956-0122, para. 72 –Ed.] first, he says, *The junction time is here. The Head of all things is come. The time, the end of all times is come. Notice, eternity's next.*

When Lot chose to go down in the well place, oh, he could build bigger churches perhaps, [be more] modern, the modern idea of it. He was in the well watered place. Oh, the big church... And his wife had become the head of the ladies sewing circle perhaps. And Lot was the mayor of the city. Oh, he had things easy. What did he lose? He got down there till the world got in such a chaos, until men absolutely failed to have the natural use of their bodies and became perverted.

The perversion was to be a sign of the end. And today the perversion in the homosexual is on the increase that even forty percent of our national government is possessed with the perversion.

In 1956, forty percent was the estimate of the United States government that was honeycombed with homosexuals and then it was also honeycombed with, what? Communism! Fifty-five years after that; fifty years after that, think what you had inside there. You're going to see what I am getting at. Follow me closely. You see we use the statement, "As it was in the days of Sodom," but we do not realize what that really is and how that has a design behind it.

I keep showing you how in Genesis, there was perfect love between God and man. There was perfect phileo love between the man and his wife. Then the enemy did what? Broke the family! He broke the backbone of the world. How did he do it? He got the

wife out of her place. He disrupted the family unit and he interbred the family with a bastard, (is that right?) an illegitimate child and he brought death to the human race. He brought bestiality into the world. Is that right?

And then from there, it begin to get more promiscuous and went to polygamy. And now the family structure was even being more and more destroyed. And then from there, it went down into incest with Ham and his stepmother and then God had to start to give laws, “You can’t marry your first cousin...” Why? To try to save the race! “It’s an abomination to lie with mankind and these things.” And He’s laying those laws out. Why? He’s trying now to hold the race together still and because of the hardness of the people’s heart, He even had to permit divorce. He said, “Moses suffered you because of the hardness of your hearts.” Is that right? Still trying to hold the race.

Why? Because the devil knew how—he made inroads: He was destroying the cities, he was destroying the race; he was destroying the people. It got in among the people of God and he was destroying them too. Moses even had to kill everything that got mixed up with Moab. Is that right? Drastic measures to keep the bloodline. In the time of Ezra and Nehemiah and them, drastic things to keep it. Why? Satan knew how to defile the human race and to destroy it. Be grown-ups. Think. So this is a diabolical move.

He says, *Perversion was to be the sign of the end. ...today the perversion in the homosexual is on the increase that even forty percent [is in] government...*

Sodom and Gomorrah... The junction time came; evil set in. Then when evil set in, God had a true prophet appear, Abraham. Amen.

What happened? Angels come in the form of man. That’s right, isn’t it. Angels come up in the form of man. The end time was there, the junction time.

They preached to this kind of a crowd and without any effects. The same thing we’re getting today. But God swept those cities throughout the whole plains there and burnt every city and destroyed everything. And a disgrace was left, as Lot’s wife standing as a pillar of salt even to this day, of her looking back

and wanting at the warning that another junction [time was] coming on.

So if they are building this civilization, and you children who are in school, you listen here because I'm giving you some school things here that could help you. It's an article called *The Homosexual Agenda*, and it was written on the things that President Clinton in his term, as he was coming to the end of his term, what he was doing. They said,

Through the "leadership" of Bill Clinton, his vision is a 21st century America where homosexuality is a normal lifestyle.

That was his vision. His vision was, that in the 21st century, America is to be—homosexuality will be a normal lifestyle. All this plan about getting them out of the closet, about empowering them with gay rights... The reason I want to show you this, I want to show you that we say Sodom and Gomorrah was homosexuals and God burnt the city. But what is a city? I said a city has bankers, doctors, lawyers, judges, businessmen, contractors, engineers, school teachers. Do you get what I am saying? It's a system! A city is a system. You have to have... To have a city you have to have a transportation system, you have to have a sewerage system, you have to have an electrical system; you have to have all kinds of things to make up a city. You have to have people who are producing food, where they have jobs, where people are being employed, where people are being educated – universities, to have a city. You take a small city like Port-of-Spain [local city –Ed.] or a big one like New York or Los Angeles or Paris or London, and see what a city is. Do you get what I am saying?

Look, his vision—now what I'm dealing with here, I'm showing you he is one of the architects. He is one of the builders. Look how Lucifer is building the kingdom. Look at his role, what his role was to build. Look at the contract he got in building the kingdom. Look at the contract President Bush got in building the kingdom. And each had their term and their space of time and their anointing to come in, and watch the work they did. Watch what President Reagan did; watch his part, how together with the Pope, they destroyed the communist power. How it was known his wife, everything was done by astrology, and occult sciences in the White House – Nancy Reagan. Why? Because the two of them

were Hollywood stars. They came from California straight into the White House. Look at John Kennedy, look at his role when he came in – where the Catholic Church came into the White House. Is that right? Everybody has their role.

So, he had a vision: *...a 21st century America where homosexuality is a normal lifestyle. Mr. Clinton repeatedly addressed homosexuals saying, “I have a vision and you are part of it.” On November the 8th, 1997, President Clinton became the first sitting president...he became the first sitting president to address a homosexual rights group when he spoke at a sold out dinner speech to the Human Rights Campaign, the nation’s largest homosexual and lesbian rights group. In the speech, he urged Congress to pass legislation against homosexual job discrimination.*

After he got this whole big powerful group, all these great Senators and teachers, and you know big business people and so on there, powerful generals in the army and everything else and he had them there, and he saw the kind of gathering, he saw the kind of influence in society and he saw the kind of wealth and intellectual power there, he urged Congress, “You have to do something about this.”

As I show you this you will understand how the junction time, we are in the junction time. God has come down. The one is being taken. We are being separated from these things. Why? The rock was thrown up. Something is going on, on the earth. The people are being deformed. You watch and see it. So he urged Congress to pass legislation against homosexual job discrimination.

Should we change the law? He’s asking. He says, *You bet. Should we keep fighting discrimination? Absolutely.*

He’s saying, “We have to change that law! Why are homosexuals with more subjects, better-qualified, greater education, has excelled beyond this person, being discriminated in the job place and the job has nothing to do with their sexual preferences?” Do you get that? He said, “The job has nothing to do with it. Put this man and this doctor and this doctor and take this man, he can perform an operation ten times better than this man.” He said, “Why? Are you’re discriminating with him

because he's gay? What does his sexual preference have to do with performing an operation?"

So they started to use these things, to do what? Dismantle the law. They started to dismantle the law and when they started to dismantle the law, they began to loose that spirit. And when they began to loose that spirit, it began to get predominate in the society. It began to empower others but all the while it's denying what God says, and it's corrupting and polluting the society. But watch the concept! They are not looking there. They are looking at the world they are building, where education have to be exalted, where science have to be exalted, not God's Word. So even the churches started to compromise on their stand. Are you getting me?

He said but here now Clinton says, *But we have to broaden the imagination of America.* He's telling these people: *...we have to broaden the imagination of America. We are redefining in practical terms the immutable ideals that have guided us from the beginning.*

He said, "Now we have been guided from the very beginning when the pilgrim fathers came and set up this, our forefathers, but now we have to redefine that and in redefining that, we have to broaden the imagination of the American people because they're so locked in here, they are narrow minded and they're looking at things and the society is being kept down by some draconian law, that is irrelevant today." Who is saying that? A United States president, the most powerful office on the earth. The nation with the mightiest military on the earth, is saying that. The most wealthy nation on the earth is saying that and he put it on Congress, where they pass their laws. He said, "We have to get legislation to change this here.

Like most advertising campaigns the promotion of homosexuality has relied heavily on the calculated, manipulation of fact and truth.

It's a campaign, okay. It's a campaign to change people's thinking so they have to manipulate fact and truth to make it more acceptable. In other words, start to twist the Word and they will start to see it's good for food; they will start to see it's pleasant to the eye. If they start to change It here and change It there, it begins

to get more reasonable and they will start to give in and change their stand.

The overall strategy, as outlined in gay-authored books, such as The Homosexualization of America...

And that's a book that somebody wrote. Friends, this is a plan you know, to homosexualize the world. I'll show you here Sunday, for it to become hell created on the earth, it had to be a complete perversion of what God has. Because Satan is the opposite of God. His death, it's an Eden built on death and perverted knowledge. And the knowledge is, what? Sensual and devilish. The knowledge is wisdom from beneath.

On the message *Thirst*, the Prophet said, what? "He perverted the thirst of the people." Women want beauty – to be beautiful. Do you know what they did? They started to have beauty queen contest; they started to have products to beautify women so every young girl—then they glorify it. They said, "Do you know what this is for. This is to get—you will be an ambassador for the United Nations. You will have your own foundation. So if it's Wendy Fitzwilliam, "You will have your own foundation for children on AIDS." If you're some other woman, you will have your foundation for children with polio or social work or you will go and represent the United Nations in different nations, the nice beautiful face and figure, and you will visit children's hospitals and so on.

So they pulled them out there stripping them naked, but while they were stripping them naked, they watched them and were parading them and they were listening to their intelligence, the builders are sitting down there and are saying... They already know who's winning, you know. It is a whole political thing. So when they are finished and they have the winner and they give this nation a little attention, the rest of the girls now, they say, "She, give her a contract over here, let her endorse this product. Let her do this over here." And then they start to get a hold of them and then they begin to use that now to influence others. Do you understand what I'm saying?

Why? But it started off, why? He knows they have a taste, a thirst for beauty. Read *Thirst*; read the message. So he found a way to make it prestigious. And then all the poor families who had a value upon them, a principle that they couldn't see their

daughter's face on a billboard, they started to think now, "That's bringing in money. That gave my daughter attention." And then there is a kind of pride, "I have the prettiest daughter." Do you get what I'm saying?

Then they say, "Advertise *this* and wear *this*. And then *Playboy* says, "We want to give you a front page. You know you are one of the most prestigious..." And then they say, "We want to give you a role in a movie." Whoop! It's stardom now! And they keep taking them. Why? But they already groomed them from there, and they already know where they are going to use them and fit them in the kingdom! But they're unsuspecting. They are thinking now, it's a nice job, it's prestige, they are elevating themselves, they are becoming known, and then in their conscience, they feel they have a cause. "Well I'm helping AIDS children," and they don't know that they are a tool, an instrument, and they are being manipulated and controlled on another level. They get a modelling contract and they get out there now to model. And they're modelling all those kinds of things and use that beautiful face and that beautiful figure to send a lot of people down that same road too.

The plan is to *divert attention of the general public from "what homosexuals do."* This is the first stage of the plan. The second thing is to *make homosexuality a topic of everyday conversation, so that it becomes familiar to all Americans and hence no longer threatening.*

They are going to make it so normal, like I told you sometimes you see those pictures, sometimes we see two men or two women advertising something. They photograph them and you can't tell—they have them standing at an angle so you don't know if it is a man or a woman. The hair is cut *here* [Bro. Vin indicates the back of the neck –Ed.] so you can't tell. They have the body slant so you can't see whether it's a male or female anatomy and they look a certain way there. It's a subliminal thing. It is suggestive of homosexuality.

It's an image that they are planting in their minds because they know human behavior. They study it as a science. What goes through your eye gate and your ear gate – seeing is video, hearing is audio and video and audio is communication, and that's bringing in images and voices into your soul and when it gets into your

subconscious, it's the man on the inside who controls the ship, not the man on the outside. But they are sending things to manipulate your senses, and they're bypassing the human defenses subliminally. It's all a science! And people develop that science so they can control people. It's a mind control.

Because when you have a lot of people doing something it becomes a trend. Then when you have a whole side, it becomes a support group. Then if you want legislation you must have enough votes and enough people influenced by that to make a powerful lobby to have things changed. Well what do they do? They groom it. They groom it themselves. When a politician is going out from town to town and village to village having their meeting during election time, what are they doing? They are campaigning. What for? To groom people. Why? On Election Day they will have enough votes and support to go into power. Well that's a principle in anything.

The third thing is *to portray homosexuals as normal and wholesome, like the folks next door.*

So now they are taking children to school, now they are teaching there, they're carrying them on little hikes, they are doing things, doing charity work, they are giving to great causes, they are sacrificing; they have people in the navy, they have people in the army, they have people in banking; they have people in schools. So they have an elite class.

Now one of the points I want to make in this, so God help me, I want to show you, this is the elite. This is government level. I've just read for you the Prophet said forty percent in the United States Government was that. Here in 1999, here was the president himself, was the one who was loosing, who was opening the door and loosing that thing out, that was bound there. And the vision is to what? The homosexualization of America; to make it a normal lifestyle. How are they going to do it? They have to get equal rights. They have to get equal rights. If they get equal rights, then the law backs them up. If you try to speak against them, they will charge you for discrimination and prejudice. If you refuse to employ them, you're victimizing them because their dollar is just as good as your dollar. Their dollar has the same value like your dollar. Their education qualifies them, the same as your education qualifies you.

Brother, do you think the devil is slick in joke? The whole world has come to that condition. You see, when you read the whole city came around Lot's house, it seems farfetched but that is God's Word. When those men were blinded, they wearied themselves; blind as they were they could not find that door. The Bible says, "They wearied themselves trying to go through that door." What is the Bible trying to show you? How strong the passion and urge was. It was uncontrollable. Even though they were paralyzed and hindered, yet the determination to go after, to express their lust was so strong that they persevered, still trying.

Solomon says, "If you take fire in your bosom brother, your soul, your heart and your mind is set on fire." See? And the Scripture is showing the kind of urge and passion when people get devil-possessed without the Holy Ghost in an Age where the devil is rampant and all hell comes here and the Holy Spirit stops restraining man and draws back. "My Spirit shall not always strive with man. When he that letteth will let, is taken out of the way then that spirit of lawlessness goes forth. But right now He holds it, maybe over some city but city by city, I'm showing the cup gets full; nation by nation, the cup gets full; individual by individual... While one is coming in, one is crossing the line; one is coming in, one is crossing the line – the one shall remain, the other shall be taken and so it's going.

The next thing, *to portray those who disapprove of homosexual behavior as victimizers motivated by ignorance and hatred.*

They say, "You all are a hate group, you're bigoted in your mind; you're prejudiced against people." That was a plan! So they sit down now and say how you have to show up these people, and we have to find a language, so we're going to call it 'sexual preferences'. We're going to call it 'equal rights'. We're going to say instead of a marriage is between a man and a woman, we'll say marriage is between two people. They changed the Word to say, 'between two people'. Do you get what I am saying? The builders. Satan, if he has to build his Eden, homosexuality is legalized in Satan's Eden. The Prophet said, "Sin becomes legalized here."

You see, what I'm doing in this, I'm opening the things you read but never saw anything on it. You read it over but it meant nothing. And I'm trying to show you, look the process of how it's

coming, and look how it becomes strong, and look where God has to separate His people out of that. See? Because remember, that's where the wealth of the world is – among that group. That's the elite.

What is clear is that the Sodomites have infiltrated every level of government and society, and are now demanding legitimization of their sinful lifestyle.

[Bro. Vin now reads from the article, *Homosexuality As A Civil Right.* –Ed.]

President Clinton has promised homosexual and lesbian groups support for a national gay rights law.

He promised them, “We’re going to have a national gay rights law.”

...which would make homosexuality a constitutionally protected civil right.

So they are bringing this now under the clause of civil rights. So they said, “If we give blacks in America certain civil rights that they could travel in the same bus like the whites, they could eat in the same restaurants as the whites, and we de-criminalize that, because that is a minority group, then the Hispanics are a minority group; then the Sodomites are a minority group. So all these are minority groups and if we have civil rights for two minority groups, then we are discriminating if we don’t give the other minority group their civil rights too. So under the broad banner of civil rights, we’ll bring all these people underneath.”

But who is passing it? Homosexuals themselves: Homosexual presidents, bisexual presidents; Satan worship presidents. And that isn’t strange. Satan has his kingdom and he has a prince of Port-of-Spain, [Brian Lara –Ed.] prince of Tobago, prince of Grenada, prince of America, prince of Russia; prince of England. And I’ve started with the United States, and I’m going to go through one or two and show you, “**THE SODOM SIGN**” that I’m preaching on are governments, the hierarchy of the world, in the major nations of the world. That’s why it is so powerful.

Such a law could give homosexuals, paedophiles, and sado-masochists, the very same preferring standing, at Law that is now enjoyed by blacks, Hispanics, women, and the physically handicapped.

They say you have to employ a physically handicapped person if he can still do the job. If a man sets up a thing, you have to put a

place for the handicapped to park. If you have a building that a handicap is going to spend his money in there in the States, you have to put a place for his wheelchair to go up. You can't turn him out of that restaurant because he's an American citizen. Do you get what I am saying? If you are building a place, you better have a toilet where a handicapped person can go in and use it. He has a right. They made a right for him.

Women, they say you can't discriminate women. Man made woman a floor-mat and trampled on her, and said 'man is the boss' and now, women are controlling the biggest jobs. So women have to get their rights, equal rights; women have to apply for a job; women cannot be discriminated by gender because all these feminist laws are passed. Well the same way, the homosexuals are the same way.

Now watch the thing! The builders who are building this Eden, they knew all the things they want. They want whiskey legalized so they have to get that. They want cocaine and marijuana and these things, they have a way to get that. They want nightclub and brothel, and gambling, they have to get that passed too. They want cockfighting and goat race and dog race and horse race, they have to get that too. It's a kingdom they're building and they have to have pleasure for the people.

This is the world many of you see and like and can't serve God and make a stand for God. I'm showing you your world. I'm showing you your world and I'm showing you the architects of your world. And I'm showing you the world that you want to refuse God's Kingdom for, to stay and live in. And I'm trying to uncover to you the diabolical and the deception behind the world! And that's why it has become a cage and the whole world is going to be trapped inside of it and become slaves on this planet! That's why the only way out of this world is the Message! Because when the Sodom sign came, the Prophet came on the scene! God descended on the earth with the Angels. That's when God came down. That was the way out! That was the way out!

They want to give a man who marries another man the same rights as a husband and wife and make it illegal for churches and other religious groups to "discriminate" against homosexuals in their hiring practices.

They say if you have a business and a homosexual comes there, and you don't know he's a homosexual but you give him the form and in the part for man or woman, he fills out the part with woman, and you then watch him funny. He says, "No, I'm married; look my ring. The law married me."

If you say, "No, you can't work here, you can't work here. We don't want you in this company" they will shut that company down. You hire him or they will shut that place down, especially if he's qualified for that job. That's the law. This is his vision.

When I started to preach this on Sunday, you wouldn't believe—I didn't even know, that the first historic thing took place in New York on Friday where a judge passed the thing. When I saw that afterwards, I said my goodness. I'm thinking that I'm just trying to open something here to help the believers, not knowing that is happening there. They said, "It's the first time in their history."

[Further, Bill Clinton] *...and homosexual groups are pushing through Congress, so-called "Hate Crimes" legislation ("Hate Crimes" legislation) that expands the current definition of hate crimes to include offences based on sexual orientation, gender and disability.*

They have these lawyers, who sat down and re-word these things and expand these laws. Like how this man who President Bush brought, this fellow called Gonzales, [Alberto Gonzales -Ed.] and he drew up the laws, how they could take them in Guantanamo Bay and lock them away indefinitely and where they could do these things and start inquisitions. And they evoked these things. They have these people doing these things. And here now he said they were going to expand on these laws to make your reaction or your contempt or your discrimination to be a crime against those people and they call it a 'hate crime'. Why? "We are trying to bring love and unity and you all are being divisive?" Do you get what I am saying?

What is going on with the churches? "You all do not want to go and join the World Council of Churches? Do you feel you are better than them? And you all do not even have ministers who are qualified and went to seminary; you all didn't do any community work; you all have no home for the aged and the poor; you all have no playground for the people in the community and these things

and you are discriminating against these people? Who's helping more people? Who's interested in more people? You all sit down in a little corner and then condemning everybody and say you all alone are right? And you all have a prophet who said woman is the lowest thing there is and said Eve had sex with an animal in the Garden and that threw the whole world in chaos?"

When you get there, then you are going to start to find out how your religion sounds when you come out of your little block here with believers. And you have journalists sitting down there, you have big television cameras upon you and then they're recording every word you are saying, and then they print it in the newspapers, and then see what you sound like. Do you get what I'm saying? It wouldn't take long for a jury to decide. That isn't taking any time for a jury to decide. Brother, I tell you.

This was Friday, *The human rights campaign New York marriage ruling in historic step towards full equality*. I showed you Bill Clinton was bringing the vision for equality. Now Friday gone, in New York City, the step came to bring in full equality.

The human rights campaign lauded a historic New York court ruling today, saying that same sex couples must be allowed to marry. Lambda Legal, (a law firm,) brought the case on behalf of five same sex couples seeking marriage licenses in New York. The court simply recognized that every New Yorker deserves the same promise of equality under law, said Seth Kilbourn, vice president of the Human Rights Committee Marriage Project. This is about real people who have been denied real protection and security without the right to marry, ensuring that every loving and committed couple in New York has equal access to marriage. It's about ensuring New Yorkers basic freedom. Congratulations to Lambda Legal and the plaintiff couples for their leadership in bringing us one step closer to full equality. And the 62-page decision that will go into effect in New York county in 30 days, State's supreme court Justice Doris Ling-Cohan...

Now get it – a woman, okay! I'm going to show you something. I'll show you it is all women doing it. All women passing the laws—all are women judges. It's a syndicate, friends. It's a secret society with a hidden agenda.

She said that New York state constitution guarantees basic freedoms to same sex couples that their rights are violated, when

same sex couples are denied marriage licenses. The human rights campaign is the largest national lesbian, gay, bisexual, and transgender... (those are people who crossed over from man to woman or from woman to man) ...with members throughout the country. "It's about time it came about," says Bettina D. Hindin (another woman,) an expert in matrimonial law at the Manhattan based firm, Slade and Newman. "It knocks the stuffing out of anyone who would say that couples should not marry because of some draconian law from the early 20th century."

Another woman got up; she's an expert on matrimonial law. She said, "This ruling, thank God for the courageous judge. This knocked the stuffing out of this old draconian law that is restricting people from being able to marry, when all people should have equal rights if we're in a modern society! The Prophet said, "Watch that spirit call upon this spirit for help."

I don't want to spend time going into Guillian yet. But this Rudy Guiliani, who was the old mayor, I had some things on him here. It says, [Bro. Vin reads from the article, *The Knight And 'The Queen'* – Ed.] *According to Times, Giuliani has attended every "gay pride" parade in New York during the last eight years, as a mayor. In 1992, during his first run for mayor, Giuliani took part in a homosexual "pride" parade, that included a contingent of pedophile activists marching behind a banner for NAMBLA (North American Man-Boy Love Association.)*

They had a whole banner, North American Man-Boy Love Association and Giuliani is right there with them. This man cross-dresses as a transvestite. He divorced his wife and went to live with two homosexuals in a big penthouse. This man, they brought him down here and CLICO [local insurance company –Ed.] paid him over a million dollars to talk, and then the government was contemplating giving him a big contract.

And do you know what happened? This man recommended one of his bodyguards or one of his close workers with him, for the big job for homeland security and inside his house, he has one of those servant worker who came in illegally in the country and is inside his house working. Brother, when they found out they said, "You have all kinds of illegal people here with no papers, bypassed the whole immigration law, inside your house; he could be a terrorist

right inside there, a spy, and you are the man's hands we are going to put this nation's security in? Are you crazy!

But this man was on Giuliani's recommendation, and Giuliani is the Republican 2008 presidential nominee. He married his cousin, his first cousin and she was childless. He left her and married a next woman; divorced her and married a next one; divorced her and end up in the pent house there. He cross-dresses himself and then these two homosexuals, a couple said, "He kisses us every morning when he's going out. You know we call him Sir Rudy because he is knighted and he calls me 'Queen Howard'." Rudy Giuliani, the order, New York mayor, most successful in bringing down the crime and all these things. Powerful people: President Clinton, Rudy Giuliani.

Mayor Rudy Giuliani and George Pataki, the prized agenda, Mark Foreman, said October's event will pay tribute to the thousands of gay men and women who gave themselves in response to the attack on the World Trade Center. Even in these difficult times, we can and should take pride in the heroic roles gay men and lesbians have played in this tragedy.

And they asked him to come and be the speaker and support the thing and he was right there. And then they asked him to assist, "Since we raised all this money and so on to help the cause, we are putting on a play," and this play is going to deal with paedophiles and different things. And they asked him to play a part as a transvestite, which he had played before in other things. And I have a picture right here with him dressed as a woman. You can't even know it's Giuliani. Do you get what I'm saying? The elite of this world I'm talking about.

Quickly. That was the U.S. – Canada now. *The Canadians...* This is February 1st. What today is, the 9th? This is the 1st of this month. *The Canadians...* While all this is happening, I don't know Something sent me in this. See? Watch!

The Canadian government introduced its contentious same-sex marriage bill in parliament on Tuesday,

While it going on in New York and they're passing it, in Canada they're passing it too.

...seeking to legalize gay marriage nationwide... (because they are already doing it in Toronto) ...over the objections of the Roman Catholic Church and other conservative clergy. Justice Minister

Irwin Cotler, upon introducing the bill, said legislation reflected the spirit of Canadian rights and freedoms protected under the constitution. "Canada is a land built on a tradition of equality and respect," Cotler said. "It is the responsibility of parliament to ensure that minority rights are uniform across the country. The government cannot, and should not, pick and choose which rights they will defend and which rights they will ignore."

He said, "Under our rights, everybody is equal." And so they don't want to make certain rights an issue and then discard other rights. He said, "No, no, no. All rights have to be treated the same way. You can't pick and choose." This is the Justice Minister saying this, okay.

The Opposition Conservative Party said it would fight the legislation, which defines marriage as a civil union between two people, as opposed to the current definition of marriage between a man and a woman.

So they re-word it and said, "No, a marriage is between two people." So they have to fight that legal thing now. They said, "No, no, no, the normal definition of a marriage is man and woman." Do you see how the serpent is twisting that Word still? When I was reading that today, I said and we had hundreds of people that left this country saying 'refugee' and they went and pitched their tent towards that. They went and pitched their tent towards that. And now they're in Sodom, with these laws and all these things and they lose all their testimony and everything and became something that can't even stand up against those things out there; that so many got corrupted that went out there. Why? How did they go—what is the reason why they went out there? They couldn't make a living here and they lifted their eyes and they saw it was well watered. They saw it was well watered. And look what they descended into.

You see, this Word, you don't play with this Word, friends. You don't play with this Word. They were with Abraham and them but they were a penny. I know that is hard but that is the truth. It fits the Bible. It is in line with the Message and it is happening. There was an Abraham and Lot back there. Is Abraham and Lot here today? Watch the lukewarm church. Watch what caused them to go to Sodom. Watch what happened

and ended up there. And there is always a contention with Lot and the herdsmen. Watch!

Cotler noted that seven of Canada's 13 provinces and territories already allow marriage between gays and lesbians, and he said it was time to make the law uniform nationwide.

Already they have seven out of thirteen provinces in Canada that are doing this. And they said, "What are we waiting on? Let the whole thing go nationwide." So the whole of Canada, the whole of the United States, it's coming to the whole of the North American continent. And Sunday I was showing you how the United Nations Children people there, the book they funded to where? Latin America – from Mexico to Chile. Is that right? To pollute them in those things. Are you understanding? More of the architects are writing the books and sending it out for the workers to educate them how to keep your sexual pleasure but keep the population down; how to divert the sexual energy into un-reproductive type of sex. They are breeding filth; destroying the people; all their standards and values. Making them do things unseemly, that is not according to nature – Romans 1, vile affections, reprobate minds! God called them, "Reprobate minds, against nature, vile affections; things not convenient."

And man, the ungodly, religious people—President Bush said, "I'm a Christian. They call him born-again Bush. Clinton goes to church. His wife had a big lecture on prayer; how prayer is a big part of her life. Like Destra Garcia [local soca artist –Ed.] was telling the school children, too. Where is the voice crying out against these things? See?

Roman Catholic Church groups have joined forces with other religious groups...

Oh, can you see a scheme? How did she get them with her? "Let's fight communism. It's destroying our country." How is she getting the others? "Are we going to stand up and see the homosexuals take over?" But who is creating it out there? Who did all the abominations of the earth come from? But she is going there like a champion against sin. And then they stand up there with no revelation and say, "Well if she's going to fight it, at least we can unite for this cause." What did Ahab tell Jehoshaphat – Catholic America tell Pentecostal America; the Prophet said, "Protestant America?" He said, "Ahab was Catholic America, the

other one was Protestant America.” He said, “Look the Syrians are taking over our land. Let’s choose the lesser of two evils. Let’s go and fight them. We could have our war afterwards but for our nation’s sake, let’s do this. *Third Exodus*, [1963-0630m –Ed.] read it. Oh brother!

So I’m showing you U.S.A. and Canada. Who was saying that? The justice minister in the government and the conservative party and all these people. Think of it. U.S.A., Canada, Latin America they are polluting with that kind of literature. I’m going to close but I have to read this one. Portugal. Listen to this.

Arrest Of Portugal’s Elite In Paedophile Scandal: A scandal concerning the abuse of children in care homes...

Now my point in this is to show you, it is the law makers, it is the people in the senate, it is the judges, it is the government ministers, it is the presidents who are advocating this. It’s not the man in the back of Charlotte Street. [Location in Trinidad. –Ed.] That’s not Sodom. Sodom is the elite of the world where Lot went down and where there was money and it was well watered and prosperous! Sodom was one of the most powerful and most influential and prosperous cities back there.

And when those kings and they came there, when they tried to defy those kings that is what caused the war. And that’s when they took Lot and all those people from Sodom with all their possessions and Abraham went and brought them back. And the king of Sodom came and offered all the wealth to Abraham and Abraham said, “I don’t want a shoelatchet from you. I’ll raise my hands to El Elyon, the Possessor of Heaven and earth, lest you say you made Abraham rich. My riches come from God.” Amen! But Lot went back with the king of Sodom and became the mayor. He was right next to the king.

This shook me up when I read this: *A scandal concerning the abuse of children in care homes has led to the arrest of several members of Portugal’s social and political elite. The arrests included an ex-Portuguese ambassador, a TV games show host and the employment minister in the former Socialist Party government. A minister in the current Social Democratic Party/People’s Party coalition government has also been implicated.*

The allegations are that state-run care homes were a target for wealthy and influential paedophiles whose activities were covered up for decades, by successive Portuguese governments. Since the scandal erupted, the Ministry of Labour and Social Security has confirmed that 128 girls and boys, who were mainly deaf-mutes of the care homes were victims of sexual abuse. Portugal's sexual abuse scandal has been compared to the Dutroux affair in Belgium.

I preach on that years ago, where the man had these two little girls down in a basement locked up, who eventually died down there because they were running a ring and they were getting all these little children for the big elites – the paedophiles. They were the suppliers. Do you see how you have men who supply drugs for people and you have men who take contract killing and go and do it for people? You have men who supply the youths. They kidnap them and supply them to these people, and get the women and traffic them and move them from countries and set up their brothels so that they could have it.

The same way you get poachers, they go and hunt the elephant and bring the ivory. They kill the leopard and bring the nice skin; and the alligator for the people who want it; who wants to dress up in leopard's skin, alligator's belt, alligator's purse and all these different things. See? Suppliers of certain types of goods because they know certain people have certain types of tastes. That is the world.

Why do you shop in certain groceries and in certain places you don't shop? Why do you go in certain stores? Do you know why? They supply a certain kind of goods that you know are available! And they know their clientele and they want to control the market and you are part of the clientele that they cater for. Do you understand what I am saying? Well there is Rome, Revelation 18 – she trades in all kinds of goods, even people.

Oh brother, I trust your eyes are opening and you are seeing what I am talking about. It's constructed! It's built! It's backed up by legislation! It's protected. Who do you think protect the drug trade? It's the army and the police! Who do you think run it? The ministers! Who do you think do the transporting? The shipping lines and the air industry. How will you fight the system? It's either you make a choice: You want to stay in this world and

die or you see the deliverance that the Message has come to bring; you see the awakening that the Message has come to expose and to uncover and you recognize that God has a plan for you to take you out of this trap. Outside of that you'll see the world the way they shape you to see it. And they let you see certain parts of the world and other things, it's invisible to you so to you it doesn't exist. "Is that really going on?" Why? They have the weapons of mass deception. They have the electronic media to blind the world. Look!

The scandal first made the headlines last November after dozens of children from Casa Pia care homes publicly accused Jorge Ritto, a former Portuguese ambassador to South Africa, for child abuse.

All these are deaf-mutes, okay. Do you see how these men are operating? *The care home currently accommodates 4,500 orphan children.* And a big part of them are deaf-mutes. And the people who are running it, are the suppliers for these men. You see why when that tsunami hit, Catholic priests move out fast from Australia and came to set up orphanages. Brother, those Muslims said, "You are coming here, what?" And they raised one noise because they know – orphanage? Do you think these people are coming to help and help these little children? "We know what you all are doing."

Why? Because the Catholics are the crusaders against the Muslims. And you know your enemy and you know the grounds your enemy fight you on. Because in Kosovo, they destroyed all those Muslim people, by raping all those Muslim women systematically and the men would not go back and live with them according to their religion. That's why in Abu Ghraib, they made them curse their religion. They made them commit sodomy acts and everything on one another. The Americans made them do it and beat them and tortured them to do it; destroying their religion. Brother, we talking about the U.S. military who went to deliver the people – freedom. We're talking about the armed forces. We're talking about the United Nations Peace Keeping Forces.

This world we are living in and the Squeeze we are coming into, do you see the enemy? Are you ready to deal with that now without the Holy Ghost? Do you want to sit down in church and go through year after year and don't have the Holy Ghost? Do you

want to sit down in church year after year and have no revelation of the system and what's going on, to face what Squeeze? With what? Are you getting me?

What was the Message sent for? Preparation! What did the Message do? Uncover the scheme of the enemy! It shows how he's building and how he's getting ready to be enthroned and take over this world, and be set up as god of this evil Age – the tree of knowledge in the midst of his Eden, that the whole world has to live by in an information-based civilization; the prince of darkness over a kingdom of darkness and all his subjects. Gross darkness on the earth and upon the people. Why? They rejected the light and threw it outside of the church because their kingdom is darkness. What shall you do with this Jesus called Christ? Would you receive this Jesus tonight? Would you follow this Jesus, tonight? Would you pick up your cross and follow Jesus? Do you see a future in this world?

If it was some little businessman down the road doing this but this is the elite, in Canada, in America, in Europe. Watch I'm giving it to you. I didn't make up this. This is all over the news. The Holy Spirit just give me a little grace to follow a little trail here and pick up some of these things.

The scandal first made the headlines last November... Just bear with me. ...after dozens of children from Casa Pia care homes publicly accused Jorge Ritto...

They are using deaf and dumb children. Could you imagine the wickedness? These children have no parents and have become victims. And all these men in society—now this is a religion to these people, you know. Now get me! This is not just vice to them alone, you know. It's just vice, sure! It's vice, an evil vice but it's vice from an evil religion.

When you go back in the Bible where they had the groves with the Sodomites, Asa and they had to take them out of the land. Sodom wasn't only in Sodom and Gomorrah, you know. I'm sorry I don't have time tonight. I would have taken it from the Old Testament and showed you where they had the temple groves and that it was part of a worship with male prostitutes. If you go and you want to read anything on Greek society, as I told you on Sunday, Aristotle, Plato, Socrates, all these people, Alexander the Great, were known homosexuals. In the whole society it was

normal to see little boys and men. That's why today all the big educated and the elite, it's normal for them; the roman senators. Because Rome, what? After Alexander the Great died, what happened to his kingdom? It divided into four. Where did it end up? It was absorbed into the Roman power, the fourth kingdom. And then all of that, each kingdom inherited the things of the other kingdom. That's why in the Book of Revelation 13, it's a composite beast: Part like a leopard, part like a lion; part like a bear. Are you getting me?

So these things that you see in the world here, it started where? The Prophet said, "I can show you where every cult, every spirit on the earth today, started in Genesis. And if you go back to Genesis... Where did Sodom come from? Genesis. But you know before Sodom and Gomorrah, it didn't start there. It showed you it got burnt in chapter 19. You have to go back in Genesis 10, to see with Ham and Canaan, and out of Canaan came the Canaanites, and then Sodom was one of the cities down in that Canaanite border. [Bro. Vin comments on a ringing cell phone. -Ed.] Who has on a cell phone inside this church here? You ought to be hearing from God now, not man. I'm sure it isn't God Who called you here. God can't be calling you here and talking to you here at the same time. Turn that thing off! Watch, quickly.

Once the allegations became public... So they caught this man. These children a bunch of them. [Bro. Vin imitates a deaf and dumb person. -Ed.] Mmm, mmm; using sign language and they identified the man. He's the ambassador to South Africa. *Once the allegations became public Teresa Costa Macedo, a former Secretary of State for the Family, revealed that she knew about them whilst she was a minister in the early 1980's and that very influential people were involved. In 1982...* This is going on for decades you know, but now she's coming and started to talk. *...she claimed she told General Antonio Ramalho Eanes, Portuguese President, from 1976-1986, about the allegations.*

He was a president for two terms – ten years and for ten years he has this information! She told them all what they were doing: Taking children from the orphanage; big paedophile ring using these children – no action taken.

Following the arrest last November... (and this was just a year ago this happened and all this thing came out) *...of Carlos Silvino,*

a former resident at a Casa Pia home, who then became a driver and gardener for the institution, Costa Macedo warned that Silvino “was just one element in a huge paedophile network, that involved important people in our country... He was a procurer of children for well-known people who range from diplomats and politicians to people linked to the media.

This man was a procurer, he was the one that sourced the children to get them. This one wants a boy between seven and ten. This one wants a boy, you know who’s soft and good looking. This one wants a rough boy about fifteen. It’s orders! They are ordering people. He’s a procurer. As I said, this one wants this one so when he comes, “What did you order again? Ham and cheese. You, beef burger. Hot dog.” See? He fills out an order. [Congregation laughs. –Ed.] You are laughing but I mean it isn’t humorous. It is people’s lives here. But watch. It’s diabolical. People; diplomats, politicians; well-known people.

Justifying her silence about the allegations for over twenty years... They said, “Well how you didn’t talk about that for twenty years? She said, “I received anonymous threats, by phone and post. They said they would kill me, flay me and a lot of other things.”

Costa Macedo claims that whilst a minister she handed police “photographs, an account of the methods used to spirit the children out of the orphanage and testimonies of a number of children.” Press reports suggest many of the photographs were found at Jorge Ritto’s house.

She carried all this documentation and information to the police to make an arrest, to lay a case but do you know when the thing was exposed, they found out a lot of the pictures that she gave and all the documents were not in the police station. No action was taken. It was in the man’s house who was carrying out the thing. The network involves politicians, protected by the police, their secret service. Do you understand what I am saying? Does that contradict Ephesians 6? Principalities, powers, rulers of the darkness of this world, spiritual wickedness in high places. Understand your Bible now! Understand your Bible now. Who are passing these laws in America? Who are passing these laws in Canada? Who are carrying out these rackets in Europe?

It is also alleged that when investigators visited Ritto's house... When they went to make the arrest on this man now, this big diplomat, they found four children locked up who had been missing from the orphanage a few days before.

He has four of them locked up inside a room, you know. They can't find the missing children. You are talking about the police coming and standing outside the gate. The gate is here and the house is quite down *so*. They ring the bell and a butler comes out, "Yes my lord, what can I do for you? Oh it's the police. Sir, it's the police. My lord says give him five minutes, he's not properly dressed. He will come out in a while. Okay, you may take a seat here in the lobby and he'll come out to talk to you in a little while." They are in the house of a big important man in government. And then inside there you find four little mutes locked up! It shocked the nation.

Ritto retired last year from his position, as Portuguese representative to the United Nations Educational, Scientific Cultural Organization – U.N.E.S.C.O. U.N.I.C.E.F., U.S. Aid; United Nations. Who using the depopulation? Who is it breeding the weapons? Who is it doing the things in the earth? The Visão magazine reported in March that Ritto was transferred from his job as consul in Stuttgart in 1970, after German officials...

This is 2003, this man got exposed here. Since 1970 they transferred him when he was in Germany in those days. ...*German officials complained about an incident with a young boy in a park. Ritto, who is now in police custody, has denied all the allegations of child abuse and accused the media of conducting a "lynching." After the paedophile allegations were first published, Prime Minister Jose Manuel Durao Barroso ordered an investigation.*

So he went on a rant, "The people here, heads will roll and we are going to purge out this place" and was carrying on.

However, a spokeswoman from Portugal's Innocence in Danger charity said the organisation had been warning about child abuse for years in Portugal but there had been a virtual "media blackout."

Because it was big people in the media so it was not getting in the news at all! Nobody isn't writing any article. The newspaper have a blackout on that.

“It is no good President Sampaio and Parliament sounding off about the problem now and appeared to be knights in shining armour,” the spokesman continued. “They, like the police, must have known about the widespread abuse of children in Portuguese institutions for years. They have been warned often enough by charities such as ours but for reasons best known to themselves have remained silent. Their recent acts of breast-beating are outright hypocrisy... Time and time again complaint files are lost, witnesses are seldom interviewed and suspects let of the hook.”

They say, “The files are missing. We do not know what happened here so we are going to set up a commission to investigate the Scott Drug Report.” And then we have to start to investigate this. And do you see how they came in Trinidad? They give a little media thing, bring down a man, put a few people on a panel and then they said, “Well the findings that we have, we have to review this report before certain things are done because this really wasn’t done to charge people. This was to give guidelines so we can know how to conduct the investigation a little further.”

Who is protecting the thing? These things have thrived and are prospering. You understand now why there are more slaves today! You understand now how they are trafficking people, millions of people because the market for it is so big; the demand for it is so huge. And who you think they are trafficking them for? Do you think it is for little, small nobody’s in Siparia and Couva [Places in Trinidad –Ed.] and so on? No friends.

Since Ritto’s arrest, they have also detained the popular TV games show host Carloz Cruz known as “Mr. Television,” and Joao Diniz, a high society doctor. In April, they arrested Manuel Abrantes, a former assistant director of Casa Pia. He is in charge of the homes itself. More controversially, in May, the police arrested Paulo Pedroso, Socialist Party MP and Labour and Training Minister from 1999 to 2001 with responsibility for the Casa Pia homes.

Let the musicians come for me. I will just give you a couple pieces out of Britain to show you, in Britain now too. Do you think it is the president in America, Justice Minister and they up in Canada; president, police, diplomat, everybody in Portugal. Brother, in the Netherlands and thing, all those things are legal

already. In the Netherlands they kill people instead of letting them suffer and die. That's a law. They kill them – mercy killing they call it. Same-sex couples – that is a law already in the Netherlands. Drugs, marijuana and things legal to smoke – that has already passed. That is normal in the Netherlands. Do you get what I'm saying? The world is ripe for judgment, friends. The Sodom sign is the end time sign that brings God down. God came down. God said enough is enough.

Young people, you are in schools but do you know what Paul says in 1st Corinthians 6 verse 9-11? He says:

⁹ Know ye not that the unrighteous shall not inherit the kingdom of God? Be not deceived: neither fornicators, nor idolaters, nor adulterers, nor effeminate, nor abusers of themselves with mankind,

That is homosexuals. Abusers of themselves with mankind – man with man and woman with woman.

¹⁰ Nor thieves, nor covetous, nor drunkards, nor revilers,

We had a whole bunch of them and revellers and everything else.

...nor extortioners, shall inherit the kingdom of God.

¹¹ And such were some of you:

He's telling the Corinthians, "And such were some of you." He had effeminate who got saved. He had abusers with mankind who got saved because not everybody has vice, you know. All those children in those orphanages were victims. They were victims. They were abused. They were used and exploited and manipulated by predators. They were deformed in their minds. Their subconscious were filled with guilt. They became alcoholics because they tried to bury that past and shut it out. They lost all confidence to go on in life. They felt so dirty, so polluted to be defiled; to be used and abused and misused in that manner. And Paul says:

¹¹ And such were some of you: but ye are washed, [and] ye are sanctified, but ye are justified in the name of the Lord Jesus, and by the Spirit of our God.

He's saying the Spirit of God could take the abused and wash them and give them back their confidence, and give them back a purity; and give them back a dignity; and take away their shame and God could justify them. They had guilt that the devil wants to mess up their mind, make them a neurotic, send them into drugs and alcoholism and live a wasted life and don't have the will to go on and think they can't be anything! He says, "By the Spirit of God!" God can come down and take out and deliver. Isn't He wonderful? Oh my! Let's stand to our feet.

A child-sex scandal, [last year] that threatened to destroy Tony Blair's government, last week, has been mysteriously squashed and wiped off the front pages of British newspapers.

Operation Ore, the United Kingdom most thorough and comprehensive police investigation of crimes against children, seems to have uncovered more than is politically acceptable, at the highest reaches of the British elite.

In the 19th of January edition of the Sunday Herald, Neil Mackay sensationally reported that senior members of the Tony Blair government were being investigated for paedophilia and the "enjoyment" of child-sex pornography.

The allegations are the most serious yet levelled at an administration that prides itself on the inclusion in its ranks of a high quota of controversial and flamboyant homosexual men, and whose First Lady, Cherie Blair, has come under the spotlight for her indulgence in pagan rituals that resemble Freemasonic rites.

Just like you see Bush's daughter and them, and his wife and Bush with those occult signs and their Satan worship. Just like Nancy Reagan, you have in the White House with Jean Dickson and them; Cherie Blair.

Unconfirmed information also suggests that the term "former Labour Cabinet minister" is misleading and that the investigation has identified a surprisingly large number of alleged paedophiles at the highest level of the British government, including one very senior cabinet minister [in the Blair government.]

[And] the Blair government has responded by imposing a comprehensive blackout on the story, effectively removing it from the domain of public discussion. Attempts on the part of this journalist to establish why the British media has not followed up on the revelations have met with a wall of silence. Editors and

journalists of *The Times*, *The Daily Telegraph*, *The Guardian*, *The Independent*, *The Sunday Times*, *The Observer*, *The Sunday Telegraph*, *The Daily Mail*, *The Daily Express*, *The Mirror*, *The Sun*, the *BBC*, *Independent Television News*, and even *The Sunday Herald* have refused to discuss the matter.

...it's apparent that editors and media owners have voluntarily agreed not to cover the story at this time. *Operation Ore* is still being reported, but not in regard to government ministers, and it's taking up very few column inches on the third or fourth page. Don't forget that the intelligence service are involved here, and Blair is anxious to ensure that the scandal does not rock the boat at a time when the country is about to go to war. That was when they were going over to invade Iraq.

NATO boss and Blair government insider, Lord Robertson has threatened to sue Scotland's leading newspaper over internet allegations that he not only used his influence as a Freemason to procure a gun license for child killer Thomas Hamilton...

He got six guns for this man and this man went and killed sixteen people, children in a school. And when they traced it, how he got all these guns, this man in the government, Lord Robertson, was the one who signed a thing for this man, who they know is queer, to get six guns. But hear this now.

...Hamilton, but was also a member of a clandestine paedophile ring reportedly set up by Hamilton for the British elite. The controversy is certain to topple the Blair government which has already issued the notice to gag the press from revealing the names of known paedophiles within the British executive, including at least two senior ministers.

They have ministers in the government and they know they are paedophiles, they know they are Freemasons, they know they indulge in Satan worship, they know they are in the occult sciences, but that's what the kingdom of the world is. It belongs to Satan. He offered it to Jesus but Jesus said He didn't want it. Is that strange when the Prophet said in 1956, fifty years ago, he said forty percent of homosexuals were in the government; it was honey-combed with communism? In 1960 he said, "Watch, the popular vote of women put the Catholic Church in the White House to make this nation a woman's nation, and her number is 13, a woman there in the Bible. And the naked woman is the sex

goddess of America and all men bow to the shrine of it. And that feminist movement is moving women out of their place and giving them women's liberation, and when they cut their hair, that was the sign of the entrance of the spirit and the fifth vision showed that they were going to come into a total state of undress.

And the Prophet in *Going Beyond The Camp* [1964-0719e -Ed.] said, "Have you read the paper recently? I was reading it in *Life Magazine*." He said, "Thirty years ago I spoke that *that* was going to happen by a vision God showed me and today it has come to pass." He says, "Here they have brought out these things, transparent, with just a little spot there and the woman there is in that place." He said, "You see the Word of the Lord doesn't fail. The Holy Spirit had me to speak that there and here it is now come to pass.

What does that have to do with it? The moral problem of the Age. What was Romans 1? And God give them over, because they examined God and the Baptists said, "William Branham, no. He uses mental telepathy. Eve had sex with the serpent, are you crazy? That doesn't meet my specifications. What, a woman can't preach, Pentecostals say, and speaking in tongues is not the evidence of the Holy Ghost? No, that don't meet my specifications as God."

Jehovah witness and Seventh Day Adventists say, "The days of miracles are still here? Who's trying to convince the people with that? They are hypnotizing the people. They are working them up and making them feel they are healed." See? And they said, "No, that isn't God." And they rejected Him.

And God said, "Oh, you put Me on trial."

What Shall You Do With This Jesus Called Christ? They washed their hands off Him. They said, "Give us Barabbas." They took denomination, a killer of the Word.

So God came back around now, "I indict this generation!" God said, "You put Me on trial, I will put you on trial, too."

And he said, "Today I make the church a courtroom, and I indict you for crucifying Jesus Christ." Then *Souls In Prison*, [1963-1110m -Ed.] guilty and condemned. He said, "Fodder for this atomic Age but the Elect, called-out, God opened the mysteries to get a people ready to go out."

Brother, no matter what side you turn it's the Bible, the Bible, the Bible, the Bible! Young children listen to me. God lit me as a lamp and put me on a lampstand to shine and give Light to this church here; to be a witness to you, that you go to school and you see them in your schools; you see those girls out there in their culture and you see the spirit they are under; you see the homes broken up; you see some of them, they know nothing about God in their lives. Their parents are coke addicts, drug addicts and such. Some of them go to a cold, formal religion, have blocko and beach parties and all kinds of different things; playing mas and all kinds of different things and go back for ashes on Ash Wednesday – you see it! Ten years down the road, the ones that they have now, will be thirty and forty years and these here will be twenty, twenty-five and thirty – the ones that you are seeing in your school in ten years from now if the Lord tarry. Because they are growing up in that – the tares that was planted.

The Lord even had to separate Lot from that. When the Lord was taking him out, he had no testimony. He was so powerless. The powerlessness of his testimony – he said, “Angels are here! The Angels appeared! It's time to go out. The place is going to burn!”

They sit down saying, “You sound like Jay Leno.” They thought he was a comedian. They thought he was one making fun. They never heard him sound so serious yet. “Oh, you are trying to scare us? Oh, I'm scared, I'm scared! I'm trembling! Do you notice I'm trembling? Oh, you have me all scared!”

Lot said, “I'm serious! There are really Angels Who will come!”

“How big are their wings? How big are their wings? Did you see their wings? Are you sure it's angels? Did they fly in the room? Did they fly through your window? Was it a U.F.O.? What is it that you saw there?”

They thought it was a joke. They laughed. You get the same reaction from the world today because all their minds, they are given over to a reprobate mind. They can't retain God in their knowledge. They are going into insanity. But God rich in mercy, we see the Angels. They are here. We see the Word opened up. I wish I had more time tonight, but I don't have. We see the mystery unfolding.

I showed you United States, Canada, Britain and Portugal. I showed you what they are trying to do in Latin America. I showed you depopulation in Africa and Asia and those places. Are we making up this? They are building a kingdom. What for? To legalize sin. To destroy the effect of the Word of God. To make sin so acceptable. He said, “How are they getting insane? Gradually they grow into it.” The educational system educate them this way, so they accept it because of the level it is coming from. And the United Nations are writing their books and saying, “You could have sex with animals. Have sex with your same kind.” Why? “Because that kind doesn’t produce children. We have too many teenage pregnancies.” Filthy!

Don’t let the devil trap you in that kind of foolishness. The Word has come. You are sons and daughters of God. You are young men and young women. Let the Word filter your thinking. Don’t let people inject you with that filth and that pornography in the world, and seduce you and entice you with all these devilish things and lead you astray. Get this Word; let It be revealed in your heart. Let It give you power to resist! Do you know why? Because it’s the girls that are even prettier than you doing it. It’s the boys who seem to be more macho and have the girls and are more popular than you, who are doing it. And they are more in the majority. To every five hundred out there, it’s one of you. And you are thinking maybe you are wrong and you’re wondering. No, you’re right. You’re right! Because the Word has come to you. The Word has come to you. That’s why the Truth shall make us free. The Truth shall make us free – this great Truth that has come to us in this Hour.

Aren’t you glad for that? [Congregation says, “Amen.” –Ed.] Do you appreciate the Truth tonight? How many wants to walk with Him tonight; wants to be a real Christian; wants to be a real servant of God? Amen, that brother, He can take you and make you a sanctuary. *Lord prepare me to be a sanctuary, pure and holy.* I want Him to walk in my feet and speak with my lips, think with my mind and work with my hands. Know ye not that you are the temple of the Living God? What do we have here? [Bro. Vin indicates the banner behind him and reads 2nd Timothy 2:21. Ed.] “*And he shall be a vessel unto honour, sanctified, and meet for the Master’s use, and prepared unto every good work.*” Be a sanctified vessel.

Be a vessel of honor; a chosen vessel to bear His Name. Oh my! Hallelujah! Oh let's worship Him in this song tonight, "Lord prepare me..." Let's start with the chorus, "Lord prepare me..."

[Song #306, Songs That Live. -Ed.]

*Lord, prepare me to be a sanctuary,
Pure and holy, tried and true;
With thanksgiving, I'll be a living
sanctuary for You.*

It is You Lord...

Sing to Him tonight!

*It is You Lord Who came and saved
The heart and soul of every man;
It is You Lord Who knows my weakness,
Give me strength tonight, which I don't have.*

*Lord, prepare (hallelujah) me to be a sanctuary,
Pure and holy, tried and true
With thanksgiving, I'll be a living
sanctuary for You.*

*Oh, lead me on Lord, tonight, from temptation,
Purify me from within;
Fill my heart with Your Holy Spirit,
Take away all my sins.*

Lord, prepare...

Do you mean that tonight?

*...me to be a sanctuary,
Pure and holy, tried and true;
With thanksgiving, I'll be a living
sanctuary for You.*

*Lead me on Lord, from temptation,
Purify me from within;
Oh, fill my heart tonight.
Fill my heart with Your Holy Spirit,
Take away all my sins.*

*Lord, prepare me to be a sanctuary,
Pure and holy, tried and true
With thanksgiving, I'll be a living
sanctuary for You.*

And if you tonight desire to be a living tabernacle for the living God—He Who said, “Know you not that you are the temple of the Living God?” You ask tonight, “Lord, show me how to possess my vessel in sanctification and honor and Lord, be perfected in the fear of holiness that I could be a temple meet for Thy dwelling, Jesus; that I could tabernacle Deity.” That’s His plan for your life, my brother, my sister. But those who refuse that, they are given over to a reprobate mind, to vile affections; to do things that are unseemly, not convenient; against nature.

And if you have been a victim in some way of these things: Abused, ill-treated, manipulated and exploited and when you hear messages, it condemns you sometimes and you feel there is no hope and you struggle within yourself, He said, “But you are washed and you are justified. This Word can wash you clean, friends! It’s no impossible dream! You can start over clean. The old things pass away and all things become new when God can come down and give New Birth.

Why don’t you receive Him, tonight? Why don’t you open up your heart, tonight? I asked you last week, if you would accept Him. Some of you have not yet been baptized, I wonder if this week that you have heard His Word and It’s become a little more clear to you; you feel a little more confident of the time we are living in. These things, it has jolted your thinking tonight, and you say, “My God, all of this is happening in the world? Is that why the world is in this condition? I see the relevance of the Message.” And you want to say, “Lord, I want to lift my hands tonight, to You. I want to receive this blessing in my life, tonight. I want to be a witness for You. I want to shine for You. I want the Light of Your Holy Spirit.” Lift those hands high so that I can see them, wherever you are tonight. Amen. Amen.

And some of you have not yet been baptized – consider it my friend. Save yourself from this untoward generation because when Sodom burned, the Bible says there were young boys and It says there were old men. They all came there. Many of them were caught. Their minds were trapped in that web under the influence

that gripped many of them. And they was so blinded; they were blinded from the door by those Angels Who smote them blind. But here is a Word anointing your eyes with Eyesalve; not smiting you blind but opening your eyes to snatch you out! And on some have compassion, pulled them out of the fire and unto Him Who is able to keep you from falling and present you faultless and without blame, friends. Receive this tonight, my brother, my sister. Amen.

I want to ask Bro. Michael James to come and pray. Let's just bow our hearts. Amen. A young man, just recently married but God calls a young man to stand with the Word and carry himself as an example. God gave a measure of faith to walk in the Word. And, we have solid young men here, in the assembly, brothers who grew up under the Word; whose thinking has been filtered; who has come to know the reality of Jesus Christ. Let's just all around the building now in reverence, you believe God. You ask God for that heart and that desire, to walk in His Truth, friend. And where you might be gripped or where you might be bound, tonight we stand here, fathers, mothers; we have young people here, we are praying for them; we have elders in this church, we have deacons, we have ministers, we have people here praying for you. In the Presence of God all things are possible. Every chain can be broken. Amen.

[Bro. Michael James prays. -Ed.]

We lift our hands and say thank You, Jesus. Thank You Lord. Thank You Lord. Amen. Greet your brother and sister and tell them God bless them. Are provisions made for the baptism? Could one of the deacons tell me? Is there to be a baptism tonight? [Bro. Ronald Stewart speaks to Bro. Vin -Ed.] Bro. Ellis, do you want to make provisions for the baptism? You may have your seat. Amen. I trust you are becoming more sensitized. Amen. We trust that the desensitized ones, the Spirit is quickening you and sensitizing you. Amen? You are waking up. The Thunders were to wake up the people to recognize their day, recognize the time and see what's happening, friends. It's a great battle. The battle is on.

Be strong in the Lord and be empowered. Amen, let's just sing that song, *Be strong in the Lord* as we get ready to go. I know there is to be a baptism. I don't know what is happening. Where is Jeremiah? Is he around somewhere? Oh, he's getting ready by God's grace. *Be strong in the Lord.* If you have to leave, those

who may have to leave can leave and those who would like to stay and see the baptism, that's fine. Amen. We just want to worship the Lord in this little song while they are getting ready. *Be strong in the Lord.* We wrestle not against flesh and blood but against principalities and powers tonight, amen.

And may God make you strong and make you faithful and let's come out to pray. And the Bible in Ephesians 6, after he talked about the battle and all these things he said, "And then pray for all saints with all perseverance and with all supplications." Amen. And I trust that God will make you and strengthen every prayer life here by the grace of God, tonight.

And those of you who are not yet baptized and you feel God has spoken to your heart, you lifted your hand here tonight, you see the deacons, you see one of the ministers and tell them, "I want to be baptized." The service is for you. This is your time and He is passing by for you. And if you have not been baptized and the Holy Spirit is calling, today He is calling and today if you hear His voice, harden not your heart and you walk in obedience to His Word, friends. It's a great time. Amen.

Let's just sing this song, *Be strong in the Lord be empowered*, tonight. A young man making a stand for the Lord and what a great thing it is. So this is the time friends so let's make a real stand here by God's grace tonight and let's really walk in this Word. Amen? Let this be something, a clean cut decision, "Where thou goest will I go; your people will be my people; your God shall be my God; where you die will I die." This is like 'till death do us part', friends. When you get in that water you better know that the world is dead to you, amen. You become sensitized. You are coming to go without reservation, not playing church; not playing anything here but you are coming and taking the way with the Lord's despised few.

I just so love Him tonight, amen. It's wonderful to be in God's Presence. There is healing, there is joy, there is peace; there is strength tonight, and I pray He just warms your heart with the Gospel and draw you closer to Him in this Hour. Let's just sing this song while the candidates get ready for the baptism, *Be strong in the Lord, be empowered*, tonight. God bless you.
