Missions Update Nov. and Dec. 2014

Dear believers in JESUS,

Warmest Christian greetings in the most wonderful and lovely Name of our Lord Jesus Christ!

It is great privilege to me that once again I am writing to believers about missions update November and December 2014. The missionary trip of Quetta city, The Quetta city is capital of Balochistan and Balochistan is a largest province in south western Pakistan. Balochistan province is bordered by Afghanistan to the north and north-west, Iran to the south-west.

It was an amazing feeling when I put my feet on Quetta city ground on a cool day in November 2014. Pastor Javed Barkat received us warmly and after that he said I have been living in Quetta city since 20 years but there was no message believer beside me. He said I didn't have any message book to spread in Quetta city until the Voice of God recordings begun to sending the books and cds of Brother Branham in Quetta city then basically started the message's work in Quetta Balochistan BY His grace. I am greatly thankful and appreciate the Voice of God recordings for this kindness and precious ministry for the Bride in Balochistan.

Three services in different areas:

Pastor Javed Barkat

Pastor Javed Barkat arranged one day convention at his own area where 200 people get to gather form different denominations to hear the Message of the hour. After worship they gave me opportunity to share the Word of life. I shared the message from the book of Brother Branham (A deceived church by the world) and after message I played the tape and gave time to people to listen the voice of God in these last days. During the tape I requested to people please repent and accept our Lord Jesus Christ as personal saviour by the grace of God 10 people came to pulpit and accepted Lord Jesus Christ as their personal saviour, some of them crying and thanking God for the Message of the hour. Amen! After convention many people got the books and cds from our books stall. Praise and glory to His blessed Name!

On 22nd November Brother Polus Masih arranged a service in Cantt area (Army area) at one denominational church, when we reached there then Brother Polus welcomed us with broken heart. When we asked him what happen, he said the denominational church' leaders stopped us to have meetings there. So we are very upset so now we will take service at my sister's house that was not a big house, it was very difficult for people to sit there. We had to faced too much problem there but thanks God many people came to listen the end time message. I shared the message (the uniting time and signs) I said to congregation, Brother Branham said: "Come back to the Word" this is a time to unite with the Word. The congregation got so much blessings and encouragement by the message and revived; some of them accepted the message and confessed we didn't hear the message like this in our whole life. End of service we distributed the books and cds of Brother Branham. Glory and honour to God!

Pastor Sitar's testimony:

On 23rd November Brother Khalid arranged a service at his area where more than 100 people get to gather for the meeting. After wonderful worship they invited me to share the message of life, so I preached about the first resurrection and shared the many quotes of our prophet Brother Branham. After message we had a question answer session where we told them about serpent's seed and supernatural ministry of Brother Branham they were very happy and satisfied by the end time message. They declare the message of hour is truth and we accept it. Amen! Then we gave them the books and cds of Brother Branham. They requested if we can stay some more days with them and share more messages and about the Prophet Brother Branham and his life. We told them Lord willing we will come again and Brother Javed Barkat will keep visiting you people and share with you the truth for the Bible. Praise and glory to His blessed Name! Amen

He was with us in all three meetings, he said I am 63 years old man and I was born in Quetta city, I had been ministering with trinity church since 20 years but I was not satisfy in my soul or something was missing. Denomination had provided me a church building and congregation from the trinity bishop and they were paying me handsome salary too. But few months ago I met message Believer pastor Javed Barkat who shared the truth of Bible with me and gave me some books of Bro. WMB. His testimonies and ministry touched my heart and I started reading the books and the messages in those books just quickened something inside my inner being. I prayed and made decision that I will stand with the Word of God.

Then I left my trinity church building and congregations, he further said bishop and congregation asked me why are you leaving us? What happened to you? He said I got something different and that's the message of the hour. Now he is spreading the message of the hour door to door in Quetta city and surroundings, he rejected the church building and everything for the message of eternal life. Glory and praise God! He further said one month ago another denominational (United Pentecostal church) pastor called me from Karachi city and said to me we want to start our work in Quetta city and we will provide all your needs if you work with us but Pastor Sitar said to them God doesn't allow me to work with any denomination, because I have accepted the end time message. He said thanks God for Brother William Branham who brought the end time message the message of restoration for the Bride of Christ. Pastor sitar invited us for dinner at his home where I told him and his family about supernatural ministry of Brother Branham they were very happy and said God visited us today in the form of message believers. Amen! Blessed be the Name of our Lord! He is changing the ministers for His glory and for sake of His elects. Amen and Amen!

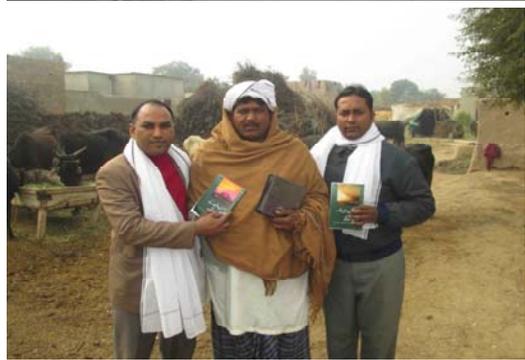

Pastor Punu converted from Hinduism here in Pakistan and he is End Time Message Believer Pastor in Laiquat pur city since last five years. He invited our team on 20th December 2014 to come. Preach and distribute the books and cds of Brother Branham among the non-Christian. We traveled 800km and then we reached in Laiquat pur city by the grace of Lord Jesus Christ, where Pastor Punu received us and we went to his home where we stayed three hours then we left for distribution mission to another city called Ali pur.

Ps. Punu

We traveled another 100km to reach there; we reached in one village of Ali pur city in the evening time among the Hindu community. Pastor Punu arranged a small meeting there among the Hindu community. We started service with prayer and song then pastor Punu invited me to share the Word of God, I took text from the St. Luke 2:1-20 and I preached them about birth of our saviour Lord Jesus Christ and I told them He came 2014 years ago to save the whole world not only Christian.

He loves you also after that I told them He sent the prophet in this last age and his name is Brother William Branham. Then I played video of the twentieth century prophet and told them about life story of our prophet, pillar of fire and supernatural ministry of Brother Branham. After watching and hearing these things they amazed that God is still doing the miracles in our age, after the service we distributed the books and cds of our prophet Brother Branham among them. There was one Hindu religious leader who ask some questions and told us please tell me more about Lord Jesus Christ, we told him if you want to know more about our Lord please read the books of Brother Branham and listen the mp3 messages of our prophet because nobody can tell you about Jesus Christ better than Brother Branham. He was very happy after receiving the books and cds of our prophet Brother Branham. We stayed night with them and told them more about our Savior Lord Jesus Christ. Thanks God the message of life is reaching to every nation in Pakistan. Thank you so much for your precious prayers and support for winning the souls in Islamic country of Pakistan.
