Missions Update June 2014

Dear and beloved believers in Lord JESUS,

Warmest Christian greetings and love in the most wonderful and mighty Name of Lord Jesus Christ!

Brother Branham said:

Now, if we can find our position and know that it's God's Word that has promised it... That's the reason Joshua and Caleb had no fear that they could not take the--the promised Land. Because all the rest of the nine came back, or the ten, and said, "We can't do it. Why, those cities walled high, and we look like grasshoppers up side the people. They're so big and they're armed," and said, "We just can't do it." See, they were looking at the sense of reasoning. You can't look at the sense of reasoning; you've got to look at the promise of God. Now, God had already sent His Angel, and the Angel was in the camp moving on. And the revelation of God had brought the Word of God manifested. And now they was ready to push into the promised land.

(55-0116A THE BELIEVER'S POSITION IN CHRIST)

It is great privileged and honored for me that I am presenting this Pak Tabernacle mission update for the month of June 2014 to saints in Christ, what our God is doing in this Islamic republic of Pakistan through the Message of the hour.

On 19th June 2014 Pastor Patrus Yaqub arranged a meeting at his church where Pastor Basharat Masih shared the message about "The seed of discrepancy" from the book of Brother Branham. He said, those things out of the Bible that's the seed of discrepancy we should be followers of the entire Bible. He finished his message after one hour and people were richly blessed by the preaching of the Word of God.

Next day on 20th June 2014 he preached among congregation of Pak Tabernacle. He took text from Exodus 12:12-13 and he preached on "The Token" and he shared also his testimony he said I am very grateful to God for Voice of God recordings for sending me books and cds of Brother Branham continually. By this spiritual material my church and I are getting lots of blessings and knowing more revelations. So I want to share this message from the book of Brother Branham among you and you shall get the blessings like my church and me. When he finished his message congregation and ministers appreciated and blessed by the ministry of the Word of God. Praise and glory to His blessed name!

Pastor Yaqoob Khan told me how the Message of Hour is working in his city. He told me he went another area to preach the message among the denominational people. He said I preached from the book of Brother Branham "The Voice of God in these last days." He farther told me when I finished this message and I gave alter call to people and I asked to people how many people accept the Voice of God, by the grace of God 15 people stood up and accepted Lord Jesus Christ for their personal saviour.

After service many people came to me and asked about Brother Branham. I told them, I will give you the books of Brother Branham then I gave them some books of Brother Branham. They were very happy by the End Time Message. Blessed be the Name of our God Lord Jesus!

Report from Lahore city:

Pastor Akram Roshan arranged minister's seminar and the topic was "Revelation of seven seals." Pastor Walter Masih was guest speaker he shared wonderful message and many quotes from Brother Branham. Ministers got so many blessings by the ministry of the Word of God, then they distributed new books of Brother Branham among all ministers and ministers were very blessed and glad by that seminar and showed their deep interest having more seminars like this one. We are looking forward to organizing more seminars in other cities too by God willing and by His grace.

We are very privileged people because we have the Message of Hour and it is preparing us for the rapture. The message is reaching everywhere in Pakistan and we are trying our best to reach last predestinated seed here.

We greatly appreciated all the believers around the globe for their precious prayers and support for the End Time Gospel of Malachi 4 in this Islamic country of Pakistan.

May God richly bless and reward each one of you and yours. Our fervent and faithful prayers always with you and saints around the globe.

Christian love and kind best regards to all the saints in Christ Jesus
