

Hebrews 13:08 **Jesus Christ the same yesterday, and today, and for ever.**

Dear and Beloved Believers in JESUS,

Christian greetings and love in the most precious and wonderful name of Lord Jesus Christ. Amen!

Thanks God for His tender mercies and amazing grace upon us that we are message believer and we recognized the Elijah of our days, by the grace of God before the Rapture. It is great privilege and honor that I am writing to you about what Holy Spirit is doing in Pakistan through the Message of hour.

Our prophet Brother Branham said: It is not my voice this is Voice of God! We are seeing around us this Voice of God saving lost of souls.

### Ps Shahzad form Kharian city:

Pastor Shahzad

He called me and said, after reading the books and listening the audio messages of Brother William Branham, I had decided to leave the denominational system and I will stand with the message of hour. By the Grace of God now he is ministering the Word of God in Kharian city with the end time message and he is very much thankful to Voice of God recordings for all the material of message. Praise the Lord!

### Special meetings in Karachi:

We had wonderful services on Easter holidays at Pak tabernacle, where more than 300 people get to gather and heard the message of hour. In the first meeting I preached about “Desperations” from the book of Brother Branham and second day I introduced the book of Brother Branham “possessing the gate of enemy after trail” and then I played the tape of this sermon. Congregation received mighty blessing by these services and after that they got new audio messages of our prophet and end of the services we served food to all the believers. Praise the Lord for wonderful time! Hallelujah and blessed be His name. Amen!

### Meeting in Zia Colony, Karachi:

Pastor Almas Masih arranged one day service at his church where I preached about the love of God and shared many examples from the ministry of Brother Branham, “Killer bull, mother opossum, blind man and so forth”. The congregation heard with enthusiasm and got lots of blessings, then we distributed the material among new people.

It was blessed time with the ministers there too and I shared with those pastors about the supernatural ministry of Brother William Branham. Amen!

**Pastor Yaqoob Khan from Faisalabad city:**

He visited our church first time, He preached at Pak Tabernacle and shared to congregation that “every message of Brother Branham is preparing us for rapture” please take and obey every message if you want to go into rapture. Congregation was thrilled by the message and thankful to God for the message of hour.

He greatly amazed and appreciate the work of God in Karachi city. We send him message materials all the time for him and his church in Faisalabad city, where he stayed and pastor the church.

**Report from Quetta city:**

Our team visited Quetta city on 16 and 17 April 2015. We reached there with message material after 11 hours travelling. Pastor Javed Barkat warmly welcomed us at his house, we stayed there an hour then we went another area for evening service. There were mostly new people and after worship Pastor Javed gave me time to share the Word of God. After reading from the Bible I introduced the supernatural ministry of Brother Branham and played the tape, show the pictures of Brother Branham and then we distributed the message material. There were two clerks when they saw the books they impressed by the look of the books and said we will surely study them. Glory to God for message is reaching new souls in unreached areas of Pakistan by grace of Lord Jesus Christ! Amen!

On 17<sup>th</sup> April 2015 we had evening service at message church, when Pastor Javed Barkat called me to preach. Then first of all I gave them very good news about 6 new Urdu audio messages of our prophet and new books in pdf format on the website of Voice of God recordings. After that I played the message and then I announced you can get these messages after service, then after meeting people came to us for messages some of them brought their cell phone, memory cards and USBs. We uploaded the messages on all of their devices. After that we had fellowship with ministers, where I taught them about seven church ages. When I was telling them about seventh church angel (Brother Branham) they started weeping, because they motivated and impressed too much from the supernatural ministry of Brother Branham. Then we distributed micro Sd Cards among them for more blessings and inspiration.

They were very happy and very thankful to Voice of God recordings for sending all material.

We greatly and highly appreciated all the saints. Our faithful and sincere prayers always with each one of you, yours families and saints around you, may Lord Jesus Christ richly, abundantly and exceedingly bless and reward you for your hard work and labor in His Vineyard.

Christian love and kind best regards to you and all the saints in Christ Jesus.

Yours Brother in JESUS,  
Brother Shamoob Yaqoob,  
Pak Tabernacle Assembly.
