Excerpt:

Now, friends, look. Then I am saying: when these demons came out, they needed bodies. And here in Revelation 19 and Revelation 6, they were no longer demons looking like locusts and this and that; they were in bodies. The Beast wasn't Lucifer standing up there with the horns and the forked tail. The Beast was Satan, in a man, standing there. The kings of the earth were all these principalities and powers and spiritual wickedness in high places that Paul explained in Ephesians 6; all the rank and file of the devil's kingdom. And then all the armies, all the forces of darkness were now in a realm of flesh.

The battle that started in Heaven was an angelic battle in the realm of spirit, but Armageddon is in the realm of flesh. Why? Because Satan said, "I will be like God. I will be worshipped like God." Satan always wanted to live in man like God lived in men.

[#487 - Songs That Live –Ed.]

...hallelujah!

He is here, amen!

He is here, holy, holy!

I will bless His Name again;

He is here, listen closely,

Hear Him calling out your name;

He is here, you can touch Him,

You will never be the same.

Hallelujah. Praise be our God. Thank You, Jesus. Hallelujah. Hallelujah. Worthy art Thou, Lamb of God. We praise You tonight, Father. We lift up Your matchless Name tonight, knowing every knee shall bow and every tongue shall confess that Jesus Christ is Lord. Hallelujah. Hallelujah.

Let's bow our heads as we look to Him in prayer tonight. We want to acknowledge His great Presence; He is here. He is a covenant-keeping God tonight. Thank You, Jesus. And if we know that He is here, what a faith that ought to bring in our hearts; what an opportunity it is for us to be in the Presence of Almighty God. If that's our confession tonight, that He is here tonight, then we know no matter what the circumstance might be, whatever the situation might be tonight, there is a Power present to turn things around, to bring deliverance, to supply every need. Whatever the circumstance might be tonight, there is One that is All-sufficient in our midst. Without faith it is impossible to please Him but what a faith it brings when you can recognize the Presence of Almighty God.

Father, with bowed hearts in Your great Presence tonight, Lord, we acknowledge that You alone are the True and Living God. And this great blessed opportunity that is given unto us, how we embrace it tonight and hold it dear in our hearts, Father, to think that mortals like us, when our very sins separated us from You, dear God, when we could not even approach the Holy Presence of Almighty God because of the very strain in man; he ran and hid when he heard the Voice of the Lord God walking in the Garden, even though he thought he was clothed the best way he could have done with all the intelligence that he had, yet he knew that he was insufficient to stand in the Presence of God.

But Lord Jesus, You slew a lamb, You shed blood, innocent blood and You made, Lord God, a propitiation that the sins of man can be covered, that the Holy God can draw close. And Lord, that was animal blood back there that brought forgiveness to man; how much more, did the Blood of Jesus Christ, the perfect Lamb of God without spot, brought to us.

Not only were we forgiven, but we were justified (hallelujah) to know that every molecule of sin was broken up and cast right back onto the accuser himself. Gracious God, to know that we were loosed from our sins and because of that, we were given an invitation that we can come boldly before the Throne of grace; knowing, oh God, that we stand in Your very Presence now without condemnation, that we, by faith that You have given unto us, Father, we can have the assurance in our hearts that the things that are needy onto us tonight, while we have the privilege to stand in Your great Presence, we can have them, Father.

Oh God, if it is healing for our bodies; Lord, if it is deliverance from evil powers, if it is the baptism of the Holy Spirit, whatever it might be tonight, God, I pray that while Your Presence is here Father, You will quicken the hearts of Your children that Lord God, faith will move within them, that they will see beyond just a

gathering in this building, and, oh God, they will break into that realm, Father, where, dear God, faith in their hearts can declare that they are in the Presence of the Living God, that, where two or three are gathered together in Your Name, You said, there You are in the midst.

That is the place where faith can go to work. That is the place where the Holy Spirit can, Lord, bring these redemptive blessings to the hearts of the people. Only then they can walk away from this place with that satisfied feeling; that blessed assurance. And I pray, oh God, where there is doubt, knowing that that's demon power; God, I pray that the Holy Spirit will drive that back and through the preached Word, You will bring faith to the hearts of Your children.

You said, "Faith comes by hearing and hearing by the Word of God." And knowing, there is such wonder-working Power in the Word tonight, because You defeated the devil with that very Word, Father. Without one sign, without one wonder or miracle, You cut that devil to ribbons; he had to leave You for a season, oh God. That is what You gave man back in the Garden of Eden to fortify themselves by, knowing, oh God, no devil can touch them as long as they remain garrisoned by that infallible Word tonight.

Oh God, I pray, dear God, that in the service, Your Holy Spirit will take that Word and send It forth to every heart. Jesus Christ will be unveiled to us in such a way, that it will no longer just be an understanding but it will be something to bring us into a personal relationship, bringing faith to our hearts that will give us victory over the enemy, oh God. And most of all, dear God, may You unveil that devil to us tonight, Lord, with all his subtlety, with all his tricks, oh God.

Your Prophet said, "How can I overcome?" He said "Overcoming is recognizing the devil at every one of his tricks." Oh God, knowing the promise is to the overcomer in this Hour, and this Message You have sent

Father, is to bring overcoming power – Rapturing faith to the hearts of your children that even this mortal will put on immortality. Oh God, they will overcome the lust of the world, the lust of the flesh, the pride of life; the lust of the eyes. Oh God, they will overcome every devil, oh God, knowing that all Hell is against this Truth tonight, but oh God, Lord, the weapons of our warfare is not carnal tonight. They are mighty through God to the pulling down of strongholds whereby we can bring every thought into captivity tonight, to the obedience of Jesus Christ. Oh God, may You grant it tonight, Father!

Let such reality from the Holy Spirit move in every heart tonight, Lord, that Lord God, we'll leave this place so strengthened with might and power in the inner man and we'll receive such a supply of the Holy Spirit tonight, oh God, that we will wax strong Lord, we will be mighty in battle, oh God. We will be so fortified with the whole armor of God tonight, that we might be able to stand against the devil and all his wiles in this evil Day. Grant it, Lord.

You said You build Your Church upon the Rock of revelation and the gates of Hell shall not prevail against it. Your Prophet said how we need revelation; it is so important to us. It is more necessary than our very own food. Oh God, may we not undervalue that tonight! May we recognize, oh God, that's the need of the Hour, Father.

Oh God, bring our souls into that place like John when he was in the Spirit. Oh God, after he got in the Spirit, things began to happen, Lord. Lord God, You said, "John was in the Lord's Day." Oh God, we believe this is that very Day, Father. We believe we are that very reality that John was typing, tonight. God, there must be a Church in the Spirit in this Hour; oh God, Father, in the Spirit, receiving the revelations of the Holy Spirit, receiving overcoming power, overcoming grace, a Rapturing faith, oh God; Her heart being

literally turned back to the faith of the fathers, bringing Your Church into the very fullness of God in this Hour.

You promised these things Father, and we ask these things according to Your promise, knowing it is the program of God for this Hour that You might bring Your Church to this place. So God we say: be it unto us even according to Thy Word, tonight. Lead and direct us in the paths of service. Get honor and glory to Thy great Name, and may every need be met in the midst of Thy believing children tonight. And may at the end of this service, oh God, we leave giving You praise and thanks. For we ask these mercies and blessings in the Almighty Name of our Lord Jesus Christ. And could we all say, amen? [Congregation says, "Amen." –Ed.] Amen.

Praise His wonderful Name. God bless you, tonight. I'm certainly happy to be in the house of God. How many are happy to be in God's house tonight? Amen. Praise His wonderful Name. We certainly appreciate the effort you are making to show that you are not a Sunday Christian. Amen. You don't just believe in coming to church one day of the week. Amen. We believe in gathering, not forsaking the assembling of ourselves much more as we see the Day approaching. If we don't see the Day approaching, then we come when it is convenient. If the love of God is in our hearts, then we can't wait for the doors to open. Is that what he said? [Congregation says, "Amen." –Ed.] Amen.

Something good always happens when people gather together because He comes in their midst. Amen. So, you just have a pull of faith in your heart tonight; what you are believing God for. Be hungry. Jesus said, "Blessed are they that hunger and thirst after righteousness for they shall be filled." [Matthew 5:6 –Ed.]

He said, "You are not even filled yet, but you are blessed already just to hunger and thirst." Blessed are they, not who are filled, who hunger and thirst. So you're blessed just to hunger and thirst and because you are that blessed already, you shall be filled. Isn't

God wonderful? If you could just take it the way He says it, everything will be alright.

Revelation 9, let's just read a little bit out of there by God's grace. And, you know, I still have some things in my mind here, speaking on spiritual gifts and we struck discerning of spirits; wisdom, knowledge and discernment; revelation gifts. Then I told you it is necessary to bring in Demonology there because you must have the—if the True Church can discern the antichrist spirit and withstand it, Satan will be powerless. Don't go to try fasting and praying to get the devil powerless. You need discernment to discern and then faith to withstand, then Satan is powerless.

So Revelation 9. We want to read a little portion out of there by God's grace tonight. And we certainly thank God for—we'll just try to take a little teaching, take our time, work our way through and just try to catch the points. And I was studying this and I left half of my little quotes I had at home, and then I realized I didn't have it in the room, so I said: Lord, the devil really didn't want me to use those things against him, but nevertheless...

¹ And the fifth angel sounded, and I saw a star fall from heaven unto the earth: and to him was given the key of the bottomless pit.

So this star is not a meteorite in the solar heaven because this star that fell from Heaven is a, *him*. And to *him*, this star that fell, was given the key to the bottomless pit. And that is not a natural key like you have for your natural door or for your car because the bottomless pit is not a physical place. There are all kinds of keys: there is a key to mathematics, there is a key to music, there is a key to knowledge; there is a key to science. Knowledge itself is a key; it can open up a way to you to many things. So, he was given a key here to the bottomless pit. Let's see what he did with the key now.

²And he opened the bottomless pit...

Well, if he had a key, he used it. It was shut up, that is why he was given the key and when he got a hold of the key, he could open what was shut up. And if you see what was shut up, then you can see why it was shut up.

...and there arose a smoke out of the pit, as the smoke of a great furnace; and the sun and the air were darkened by reason of the smoke of the pit.

³ And there came out of the smoke locusts upon the earth: and unto them was given power, as the scorpions of the earth have power.

So right away we see, what was shut up were some locusts. And we want to see a little more of these locusts that were shut up. And if that key wasn't given, that place couldn't be opened. If that place wasn't opened, those locusts that were shut up couldn't come out. But if God gives a key, He could give it by permission because God has a permissive will and God has a perfect will.

God gave many people things by permission. God gave Balaam privilege to go and do what he did. Jesus told Judas, "Do what you must do quickly." The devils wanted permission to go in the swine and God said, "Okay, go inside of them." He could permit; He could give to them what they asked for. So notice this now.

⁴ And it was commanded them...

So, even though they were allowed to come out, yet a restriction was put upon them. Do you see that?

...it was commanded them that they should not hurt the grass of the earth, neither any green thing, neither any tree...

That is what the natural locusts do. See? That is what the natural locusts do.

...but only those men which have not the seal of God in their foreheads.

So, that means now, these creatures that came out here, a restriction was put out upon them. They were let loose by a fallen star who was given a key and he used that key. And now when he came out with them, when he loosed these locusts, a restriction was given unto them.

⁵ And to them it was given that they should not kill them, but that they should be tormented five months: and their torment was as the torment of a scorpion, when he striketh a man.

⁶ And in those days shall men seek death, and shall not find it; and shall desire to die, and death shall flee from them.

So these were some tormentors that came out. And the word *devil* means *a tormentor*. Alright? Because they were shut up in that bottomless pit.

⁷ And the shapes of the locusts were like unto horses prepared unto battle; and on their heads were as it were crowns like gold, and their faces were as the faces of men.

So these are not insects now. We realize it is not insects because they had to have intelligence not to hurt men who had the Seal of God which is the Holy Spirit. They had to know men who are in God's Kingdom... Do demons know children of God? Did they know Paul? Did they know Jesus? Did they know the sons of Sceva too? So they could hurt them but they couldn't hurt Paul. Do you see what I mean? Alright, now watch. Watch the Scripture good.

⁸ And they had hair as the hair of women, and their teeth were as the teeth of lions.

⁹ And they had breastplates, as it were breastplates of iron; and the sound of their wings was as the sound of chariots of many horses running to battle.

10 And they had tails like unto scorpions, and there were stings in their tails: and their power was to hurt men five months.

11 And they had a king over them, which is the angel of the bottomless pit...

So these locusts had a king now and this king was an angel.

...whose name in the Hebrew tongue is Abaddon... [and that means the destroyer] ...but in the Greek tongue hath his name Apollyon.

Which is the same thing; he is the destroyer. One gave it in the Hebrew tongue and one gave it in the Greek tongue.

12 One woe is past; and, behold, there come two woes more hereafter.

Let's read a little more.

13 And the sixth angel sounded, and I heard a voice from the four horns of the golden altar which is before God,

14 Saying to the sixth angel which had the trumpet, Loose the four angels which are bound in the great river Euphrates.

15 And the four angels were loosed, which were prepared for an hour, and a day, and a month, and a year, for to slay the third part of men.

16 And the number of the army of the horsemen were two hundred thousand thousand: and I heard the number of them.

Amen? Let me just read on a little more.

17 And thus I saw the horses in the vision, and them that sat on them, having breastplates of fire, and of jacinth, and brimstone: and the heads of the horses were as the heads of lions; and out of their mouths [were] issued fire and smoke and brimstone.

18 By these three was the third part of men killed, by the fire, and by the smoke, and by the brimstone...

One-third part of the men were killed by these three things: fire—and you who know the Message, know that was dealing with World War II, the Jews, because they cremated them. They gassed them in the gas chamber and then they shot them with bullets. When they had no more bullets, then they used the gas chamber, then they cremated them. So by these three: fire, smoke and brimstone was the third part of the men killed.

...by the fire, and by the smoke, and by the brimstone, which issued out of their mouths.

19 For their power is in their mouth, and in their tails: for their tails were like unto serpents, and had heads, and with them they do hurt.

20 And the rest of the men which were not killed by these plagues yet repented not of the works of their hands, that they should not worship devils, and idols of gold, and silver, and brass, and stone, and of wood: which neither can see, nor hear, nor walk:

21 Neither repented they of their murders, nor of their sorceries, nor of their fornication, nor of their thefts.

Let's pray.

Father, these things no doubt in a congregation like this, if we have not been taught or have not taken time to study the Word and know what has been spoken by the Message of the Hour concerning these things, surely we will not be able to make much progress here tonight; we will not be able to get too far. We don't desire just to get far for the sake of receiving knowledge but Lord, that we might understand something about the things that we believe You are making known to us that we might be able to be fortified to withstand in this evil Day.

So Lord, may You take Your Word, though It may seem so mysterious, and break It down that It might be so simple that the least among us will be able to grasp and understand and bring these things into everyday living for us, that Lord Jesus, it might profit us and benefit us, making us ready for Your Coming. Grant it we pray. We ask it in Jesus' Name, amen.

God bless you. You may have your seat. It looks like prophecy, which it is, but I am not wanting to spend my time too much on prophecy, as much as I will like to spend my time more on Demonology. Because the Book of Revelation is a Book of prophecy and this is prophecy in symbol form. And when you have prophecy in symbol form, it is different to when somebody says, "In the last days there shall be earthquakes, and nation against nation, and earthquakes in divers places, and famine and pestilence, and men's heart failing for fear, and many false christs shall arise and deceive many." That is prophecy but that prophecy doesn't need any explanation because it is straightforward.

But when he says, "And in the last days there shall be a woman on a scarlet colored beast and the beast has seven heads and ten horns and that woman was drunk with the blood of the saints and martyrs of Jesus," that needs an explanation. That needs now, the gift of wisdom to explain who the woman is, what the scarlet beast means; what the seven heads on the beast means and all these things. And that is what is called an apocalypse.

Apocalyptic revelation is something that... Like in the Book of Daniel especially and Ezekiel and the Book of Revelation, you find many of the prophecies coming in symbol form. In the Book of Daniel, you saw a beast rise out of the sea and it had a head like a leopard and it had feet like a bear and it had different things like that. It had to be revealed. He saw a great colossus that Nebuchadnezzar dreamt about: a head of gold and

chest of silver and thighs of brass. The king couldn't even remember it much more understand it.

When God gives prophecy like that, He has a purpose for doing it because He wants to keep His secret hidden. He is going to give the revelation only to whosoever He will. Because that revelation is going to help those to whom He gave it to, to understand the Day and give them discernment of what is happening on the earth.

If we didn't have revelation in this Hour as to the Day we are living in, as to the World Council of Churches – the image of the Beast, as to the Beast – Rome, as to all these things in the last days – the seven stars in the right hand and the messengers and so on; if we didn't have these things, we would have been just like the organizations. We might have thought it was a computer. We would have gotten excited when we see 666 on toothpaste and all kinds of different things – the light bill, and start to talk all kinds of things about the Beast and the mark of the Beast and all these kinds of things because we wouldn't know what it was.

But because there was one who was sent to reveal: In the days of the voice of the Seventh Angel when he begins to sound the Mystery shall be finished; that Prophet is going to be a revelation-Prophet. [Revelation 10:7 –Ed.] He's not coming to reform like Luther, Wesley or Pentecost which was a reformer Age. Our Protestant religions from the Anglicans to the Pentecostals are reformation – Protestantism. They protested the Catholic Church.

So for over four hundred years we have had reformation, the spirit of man; wisdom going forth. But there was promised an Eagle anointing to come in the end, where a Prophet will come in before the Judgment to be a sign that... A prophet is always a sign of coming judgment, like Noah was to the antediluvian world; like John was to Israel before God scattered them into all the world. Like in the last days before God destroyed the earth with water, a prophet came. Before God

dropped His Blood on the earth, a prophet came. Before God burns the earth with fire, a Prophet came. At every great junction of time, He sent a prophet, a revealer.

Nobody knew who the Messiah was but John could say, "Behold the Lamb of God." One that the revelation can come to when the people are confused with manmade systems: Sadducee and Pharisee and Sanhedrin and politics and all kinds of different things, a man can rise up in the Spirit anointed to catch the Word, bring it to the people and say, "Here It is! This is the Light. Behold It! Walk in It!"

What a privileged people we are in this Hour to know that we walk in the Light. Why are we so privileged? We can see where we are going and we have fellowship with God. If you walk in the Light, you have fellowship with God, you have a cleansing from your sin too: and the Blood of His Son cleanseth you from all sin. [1st John 1:7 – Ed.] And the Word is a Lamp unto your feet and a Light unto your pathway. [Psalms 119:105 –Ed.] Light brings so many things to believers. No wonder It says we are children of Light. [1st Thessalonians 5:5 –Ed.]

And, before I go too far explaining this, this whole Book of Revelation which is in symbol form, there had to be one with revelation gifts: wisdom and knowledge and discernment, if he is sent to reveal. How could you reveal without Light? It takes Light to reveal what is going on. Once there is darkness you can't see anything. But if there is a man that can turn on a light, you'll see something. And that is why he came and he began to bring the Light to the people. And what is Light makes manifest; whatever is Light can reprove. [Ephesians 5:13 –Ed.]

You say, "Oh, we have great Light." And people are not being corrected? People are not seeing their sin? People are not seeing their folly? People are not seeing

where they are going? You'll question whether you have sight or whether that is Light, because if you have sight, you will see what the Light is sent to do. And if it is Light, it does a certain work when it is Light.

And so, God was sending a Prophet not to reform but to reveal. And he said, "Many are going to misunderstand this last-Day Messenger because of the way they are taught the Scriptures." Because he was going to take the Scriptures now and show the one goal and one purpose that the Scriptures have. He was going to be able to rightly divide It and put It together that we could see the plan of God.

Because the Bible was a Book that was sealed. Why was it sealed? It contained a secret. "Seal it up, Daniel! Go to thy place! It will be revealed in the End Time. It is not for your day." Amen. "Seal it up, John! It is not for your time, but in the days of the voice of the Seventh Angel; I will have a Prophet there! I will put one there, gifted, to catch that; to reveal that! I will send down an Anointing upon the earth, the very Anointing that was upon Me (in the measure) to come and open up these Things."

Who opened those Seals? Christ. Who were those Seals? Christ. What did those Seals do? Reveal Christ – God in human flesh like a man, like it was in the days of Sodom when He came walking and Abraham called Him, Elohim. Is that right? God in human flesh (oh, it is wonderful) was going to reveal; revelation gifts: to reveal, to open up. When the Spirit takes the Word and begins to rend that veil that hid the Word; to do what? So the Word could be exposed, so the Word can be accessible; man can have access to the Word again!

What was that Word? The Tree of Life that man wanted to put their hand and take and God put a seal, put cherubims to guard the way, lest man could take. But the hour was going to come when the veil was taken off. He said, "Go and take the Book now that's in the hand of the Angel and eat It." Amen. "Stretch forth

your hand and take the Fruit and eat It. What is the Fruit? The teaching for the Hour, the very Word, the Fruit hanging from the Tree of Life. You can eat the Word. What will that Word do? You are what you eat; It will bring you back like God, is what It will do. Amen!

So, there was one who held the Sword in his hand. He said, "You have the King's Sword." The hand speaks of authority but the Sword proceeds from the mouth. What was that Word doing? The way he was speaking It—because He was anointed to speak It a certain way. God said, "I will give you a mouth. I will give you wisdom." Is that right?

You don't have to take any thought, any seminary thought, what you're going to say. The Holy Ghost will speak through you in that Hour! The Spirit and the Bride will say, "Come." She will say exactly what the Prophet said because the same Anointing will come back, like what was on Jesus came back in the Alpha. Is that right? "I am *with* you but I will be *in* you." Amen. Glory! "I will come and manifest Myself unto you." God Who was *with* us, now coming *in* us; God Who was in one man, now coming in a many-membered Body.

And Peter knew He was tabernacling Deity. And Paul full of the Holy Ghost shook the snake in the fire. Oh my! You see people tonight, brother, that snake holds on to them sucking their life out, dying and they are fighting up; and they come and sit in the Presence of God and the Fire is there, the Fire of the Holy Ghost. All you need to do is shake that thing off, amen, and go about your business. Amen! Glory!

Stephen, full of the Holy Ghost, he knew he was tabernacling Deity. He was full of faith and power, did signs and wonders and miracles and they couldn't resist him by the wisdom with which he spake. Is that the Bible? Oh my! They knew that they had the Holy Ghost. They knew it was God. They were tabernacling Deity – tabernacling Deity.

That is what the Spirit and the Bride is. “I, Jesus have sent My Angel to testify these things in the churches,” and He did. From Catholics, right down to the Pentecostals, He testified it.

He even testified to Satan. He said, “Satan, you are holding this woman captive here,” he said, “by virtue of a commission ministered to me (amen) from an Angel sent from the Presence of Almighty God, Who told me if I get the people to believe me, no devil could stand before me; Satan, I command you, get out of this person!” Amen. Oh, he had to go. Is that right?

For He said, “I give you power and you can bind the worst of him or any of them! Bind it in a knot, that big mamba.” Is that right? Oh my! Sure. He knew his commission, friends.

The Bible says that it’s an Angel, in Revelation 20, that bound the devil in a knot. Sure! So, it is an Angel that stood in the face—in the sun, saying—calling the fowls, “Come to the feast of the great God!” It was an Angel standing there. This is a strong and mighty Angel, proclaiming with a loud Voice, “Who is worthy to take the Book!” Amen. Oh, my. What an Angel! It was an Angel who cried with a loud Voice, saying, “Come out of her, My people!” echoing what the Heavenly Angel was saying in Heaven.

Can we realize, what was among us, friends? Can we realize what was identified from the Bible, in this Hour? Do we realize what we have been sitting down under? We’re in the midst of this great Book of Revelation, in this very Hour, but when we look around, we see people from Trinidad, the PNM [People’s National Movement -Ed.] and the UNC [United National Congress -Ed.], and the Junior Sec. [Secondary School -Ed.], and maxi taxi, and you know, denominations. That is what we see, without revelation. But with revelation... Oh, my! When we look there, we see the different sections of the Book being manifested. Amen! We see the little Bride (amen) recognizing Her

place under Her Messenger, becoming the final Voice to the final Age.

You might say, “Oh, it’s Bro. This, and Sis. That, and that little group up there, and this little group over here.” No, sir! That is the little Church, the little faith Woman dressed in the beautiful gown of the promised Word! Hallelujah! Lady Jesus Christ with the wedding band, the marriage certificate and the Name written in Her forehead, revealed in those Seven Thunders! Oh, my!

It’s when you look, what do you see? But it takes the revelation of the Word to anoint your eyes that when you look, you see through the eyes of the Word. And when you look through the eyes of the Word, these modern events are no longer obscured; they are being made clear by the vindicated prophecies. Is that what he said? “Modern events being made clear!” It was dark all the time! Glory!

But what concerns the prophecy? What was the attraction? Prophecy is becoming history. This Day is the Scripture fulfilled. Oh, my! What an Hour! The true Church sitting there, coming and gathering together like this. Did we come to a Wednesday night’s service – Tuesday night’s service? No. Where two or three are gathered together in My Name... [Matthew 18:20 –Ed.] We are not forsaking the assembling of ourselves. [Hebrews 10:25 –Ed.] We are in obedience to the Holy Spirit! Amen!

We come here in anticipation, in one mind and one accord. We come here, prayed up. Angelic beings, ministering to them who are the heirs of salvation! [Hebrews 1:14 –Ed.] Glory! Came through in the song ministry; anointed the people with joy in their hearts; put their spirit into worship. Come in to the preaching; get inside of there and begin to give faith, and anoint eyes and take the scales off of their eyes! Amen! Can we recognize Angelic beings? Amen. Oh, looking to the Unseen (glory!) and recognizing that we are in a setting

of prophecy; we are in the setting of the Scriptures being fulfilled. The Presence of God is not unrecognized. God is not being misunderstood. He might be to the Pentecostal world, but to the little Lady (hallelujah!), whose eyes have become anointed, She can recognize Her Day and recognize Her Message. Oh, glory! True sign, but not overlooked. We know where he is pointing to. Amen! Glory! The last junction before the Millennium; it's time for the Church to be raptured. Amen!

Watch a Message go out and catch that Elect Lady: begin to pull Her, bring Her to a relationship with Jesus Christ, cut away all formality, cut away all churchianity, wash away all denominational filth, filter our thinking, give us a Holy Man's taste (hallelujah!), bring us into a place where God can work inside of us; make us a channel of communication for inspiration. You say, "Lord, I want to be a Bible Christian! Lord, I want to be a real Christian! I want the Holy Ghost to work through me!" Amen. Glory!

Oh, my! What a picture here! Sometimes, you read a picture like that, Revelation 9, and you will never associate that with the demons who were with Legion, but It is revealing demon power. It is revealing an opening up of a dimension. It is revealing a knowledge that man didn't have access to, being made available. And with that knowledge, you can break into God's Laboratory. Amen!

They started to darken the sky, darken the sun (amen), destroying everything round about! Plagues – powerful demons, but yet, there is One Who has control over every demon (hallelujah!), Who permits them many of times. Like that devil said, "Let me go and deceive them."

He said "Alright, go ahead. You will go and prevail also." 2nd Chronicles 18, 1st Kings 22; we had it. "Go and do so; you shall prevail."

I could never read those Things and just let them go. Something down in my eagle soul wants to know more about God, wants to understand more about the Supernatural, because my God is the invisible God (hallelujah!) and He created worlds seen and unseen.

I've lived so long in this world that is seen. God gave me chances to travel around this world that is seen, but how I want to get in the Unseen. How I want to live more in the Unseen. Because the things that are not seen are Eternal! And the things that are seen are temporal! The Bible says: We walk not by sight; we walk by faith. [2nd Corinthians 5:7 -Ed.] Hallelujah! Glory! That is where I want to live, like Daniel. Hallelujah! I need revelation now. I see something in the Word but there is so much more; oh, that Gabriel could come! Hallelujah!

You say, "Has Gabriel come to you?"

Sure! He came to Daniel, He came to Mary – a brother and a sister. Is that right? Daniel was a type of the Bride, brother, in the beginning of the Gentile kingdom, typing a people at the end of Gentile dispensation. He was in the head of gold; we are in the toes of iron and clay. Mary was a little virgin, who brought forth the Messiah. Is that right? Sure! Gabriel came to them. Can't Gabriel come to us? You're making a joke. Amen. Hallelujah!

What would Gabriel do when He comes? Oh, He announced the first Coming; wouldn't He announce the second Coming? Amen! Oh, my! This great Secret under the Seventh Seal; we say we know It. We say we see our names in the Lamb's Book. How would you know that and you haven't met Gabriel? Hallelujah! If you know It, then you better get It from Gabriel. Glory!

The Prophet said, "Gabriel will announced that second Coming." He said, "When something major happens, watch, Gabriel comes." He said, "He's an Archangel." Well, I'm not going to question him. Amen.

The Bible says: *Michael the Archangel*. There is only one time that they mentioned that the Archangel was Michael. [Jude 1:9 –Ed.] But watch something, friends. Gabriel said, “My Words will be fulfilled in the season.” That Angel taught a prophet, doctrine. I know another Angel that taught a Prophet, doctrine, too. Sure.

Friends, let me tell you, you watch and see God. We’re talking about God. You see, in our little... The reason is: this Bible... Let me tell you something: This Bible that we have here, this Book that we’re holding on to has been opened and It reveals one Person: Jesus Christ.

He was the Angel that met Moses. He was the One that met Gideon. He was the One Who came to Samson’s parents. He was the One Jacob wrestle with. Is that right? He was the One that came to Paul in the boat. Yes, Sir! He was the One Who delivered Peter from prison. One time He came like a Rainbow; another time He came like a Dove; another time He came like a Man. Amen! Brother, He took any form. He came as a Whirlwind to Job and said, “Gird up your loins; let me talk to you, Job.” Yes, sir. Amen.

He’s God, friends, en morphe; this great God of the Bible. Every form He took in this Bible, every way He revealed Himself in this Bible, He has revealed Himself in this Day. Because this Message unveils Him; no other message was ordained to unveil Him but this Message. The Book of Revelation is the complete revelation of Himself, and that Book was not opened until this Day. And that Book was the last Message of the Messenger to open the Book of Revelation and bring those Secrets out, all those things that were in symbols here, prophecies for the last days to show us where we are living, to show us what is happening around us.

And that is the reason – Get this thought here. That is the reason many look outside and it seems like the Hour is not as late as they think, because they are looking at it with natural understanding. The only way

you can understand what you are looking at there, is when this Word here that Seven Seals has opened, anoints your eyes and you see Things now, through the eyes of the Word.

Let me give you a little illustration on that. Years ago, when I came in the Message and, you know, I will talk about my salvation. I'd say, "Yes, now I was seeking God. At a certain time in my life, I got really hungry for the Lord and, you know, I was going to Tibet and I was going to Santa Cruz. And my cousin had come to the Message and he gave me some books and I heard a tape, and so on. And then, the Lord called me and I became a Christian since that time." Then I went along for a few years.

And then the same testimony, it became different. It was no longer like: I was seeking God. I began to see now that I was one of those names (see?) predestined in this Age, and the Holy Spirit had to come to hunt me out and find me. And like the great mama eagle, He flew over there and found me and it just brought me to Light; I was already who I was. See? And then He showed me what part of the Word I am. Amen.

Now it's the same experience, but now, it just comes up a little higher in God. See? You begin to look at it now through the eyes of the Word. You begin to place it in the Scriptures now. See? You begin to see your name in the Scriptures. See?

Now, if you stay in the mentality of: "Well, you know, I got saved and I'm going to this church now," and that's your testimony, you could stay right there. You might be sincere, but you will be powerless, because faith is recognizing your position. Faith is knowing what God has made you. And then you begin to see, that, because of the soul in me, because of that attribute in me, I am eternal like God is eternal. God was not complete without me. See? You begin to see that you are part of the Word by predestination. You didn't choose Him, He chose you. You weren't seeking Him; it's He sought you.

See? It takes on a different meaning now. You begin to see the sovereignty of God in your life.

Now, watch something. We just changed to move on a little further.

So, this Scripture here... As we said, we don't want to look too much at prophecy right now, but we're looking, a little bit, at **DEMONOLOGY**. Because last week, in speaking on this *Demonology*, I took 2nd Chronicles 18, just before the great battle; the third battle really, it was. And I tried not to go in those details because I knew that if I went into those details, I would kind of confuse many people are who are not taught in the Word, and it will not benefit us just to go into that, right now.

But Ahab had three battles, and when those demons came into them, it was between the second battle and the third battle, because those three battles type those three great wars. And we are living between the second war and third war. And it is between this time that Hell is being created on the earth. See, it is between this time.

It is between this time, a Prophet rises up like Elijah, to turn the hearts of the children back. It is between this time, a Prophet brings judgment on America and on the Vatican – on Ahab and Jezebel. It is between this time. See?

So all those things there, was a type back there. But we want to get the aspect of demonology, because we want to learn something about these forces that we fight daily, even though some of us are not conscious of the battle and the warfare that we are up against. As long as the devil can hold your mind in a natural realm to see a brother or a sister, or the neighbor, or this person, this unbeliever and this and that, then he'll hold you in the realm of flesh and you'll just get vex with people. And if you can't just raise up above that realm, from flesh to spirit, you will never make progress either. It will be just like the person who is saying, "Well, you

know, I'm trying to serve God and I hope I make it, yes. And I don't know..." That is not the Bride. The Bride...

He has come to the Bride to quicken Her to recognize what part of the Word She is; rub the make-belief out of Her; give Her a tie post, tie Her soul to the Word; let Her see what part of the Word She is. She knows who She is. See? And that is how She walks in faith.

But if we walk the other way, "Well, I'm hoping that I make it. Well, I don't know. Today, I'm feeling up, so maybe like I'm going good. Last week, I was feeling so down, I thought I was a Serpent seed and I nearly give up on God, yes. It's a good thing a brother came and looked me up and kind of encouraged me and brought me out to service, yes." See? That is that other thing.

So, when God lifts us up then, and we begin to see Things in another realm, you begin to realize now, people are motivated by spirit. Satan is being given greater access, all the time, to people who keep disobeying the Word. Because when you hear the Word, you either come closer to God or you go further away from God.

What does it mean 'you go further away' or what does it mean 'you become closer'? If you're obeying the Word, the Word is going to break that spirit that is trying to hold you back from where you're called unto, and the Word is going to give you the strength to come there. If you're disobeying the Word, then the Word can't get to you and that devil's power gets stronger upon you, so he is going to keep pulling you back to where he wants to take you.

So we took 2nd Chronicles 18 and I was showing you how devils desire to be incarnate; because unless they are incarnate, they are powerless. And I said, learn that first thing about demon power: they are almost powerless unless they have a body. They are intelligent beings and they have confidence in their ability.

So, when you're dealing with a demon, you're not dealing with some breeze. If you're praying for the sick,

it is not like you're trying to imagine in your mind, like how people long ago, when they're praying to Jesus, they're trying to see Him on a... They ask you, "When you're praying, how do you see Him: on a Throne with His hands out, and you have a picture of a painting, you know, where He's like that and He's looking down at you, solemnly or something. What do you...?" You know people do that.

But when you pray, you have to pray according to the Word, according to the promise, according to the covenant, according to the finished work; according to the standing that God gave you as a believer, through what He did on Calvary; according to the faith that God gave you to believe, that is what you're praying with! If you stand there and you're trying to visualize something, you're in in imagination. See? You are trying now, to come through a channel of emotion.

But when you look in the Word, you say, "Lord..." You look at Calvary and you don't look and see a man dying on the Cross; you see Jesus: unto this end was He born; for this cause came He into the world. [John 18:37 -Ed.] He was slain before the foundation of the world. That was the very Lamb at Calvary. Down through the Bible, It shows you all that *that* Lamb achieved for us. Then you are receiving grace to recognize that, that work has a value that can be applied to you. Then you come and identify yourself there by faith, taking your stand there and accepting It and receiving It (amen) – by faith.

So, here we see, that devil said, "Let me go down in them. I will get them to believe a lie. I will bring them to the battle."

And God said, "Yes, I believe you will do it. Go on." And we found that God talked with this devil. We found that God saw that the devil knew the power he had to deceive.

Didn't a Prophet say, "You can never underestimate the power of the enemy to deceive"? Sure. Because he

saw, the devil took men who came out of Bible School, who learnt theology, Hebrew and Greek and everything else, and then went and talked about some blood that came out some woman's hand; talked about some oil or something and got excited over it. And he realized: Look at this man: born in Christianity, grew up in Christianity; he went to Bible School and came up to be a minister; had a church, had a great campaign, great following and look where this man has ended up. He got detoured from the Scripture and went right into paganism and unbelief.

Now watch. Then with the next thing we found out from Mark chapter 5, reading about Legion – also in Luke 8 we took and Matthew 8 – and we found out that those devils, they hunted a body when they were cast out. They said, “Let us go in those swine,” and we found that God permitted them. God, in Jesus, permitted them.

He said, “Go ahead,” because they were pleading and begging Him not to cast them into the deep, into the abyss, into the pit where these are being loosed from; into that prison where Satan will be bound for a thousand years, in the bottomless pit, shut up inside of there in a dimension; a dimensional prison.

Now watch. People face these devils every day. They're being oppressed. Sometimes, they get tired. Sometimes, they are discouraged. Sometimes they try to rise up in faith and unbelief is in their mind; sometimes fear, and they're taking it to be something in their body. They feel that it's something natural, and they don't realize it is a power there. But their soul haven't come into the Presence of God by sufficient revelation, where they can get ahold of God through the Word, to have a sensitiveness to know, “That is the devil in his craftiness, trying to create a wall of unbelief to shut me in. And if he could put a damper upon me before I can really get in the Spirit of God, he would have me beaten.”

But you don't know the strategy, because you can only receive a knowledge of his devices by the Word. You can't read a magazine and get it. You can't read the newspaper and get it. You can't read the *Reader's Digest* and get it. You can't import for some mystical religion and get it. The only knowledge you have of it, is in the Bible!

And watch how powerful that devil is. That devil, today, makes people feel, there is no devil. That devil makes people feel that they are atheists and make them believe there is no God. That devil makes people believe that denomination is the right thing, they could serve God that way, and blinds them from the Truth. He's so powerful, friend.

You see, the whole thing is: many times, people; the reason they overlook it and just ride over the top of it, is because they don't realize what that really is. Because we found out too, that *that* devil recognizes Authority. He doesn't move for any and everybody. The devil understands that you have to be commissioned. The devil understands that God doesn't send out people except they've met the Pillar of Fire. The devil... Remember he was the Chief Angel up There; he knows about the Kingdom of God.

That is why he said, "I know Paul and I know Jesus; who are you?" And the tone he asks that "Who are you?" with, in other words, "I'm checking your papers; come with your credentials. Take your credentials out! I've stopped you! Halt, red light, road block; not one step further! Take out your license! Take out your insurance!"

When the man starts to fumble, you know what happened already – licks! Then all the devils jumped on him and stripped him naked; seven of them had him running out of town. It shows you something about the devil. He's not going to be bluffed. He's not going to be bluffed. But when he has to leave, he knows he has to leave.

Like the Prophet said in a message, while casting out a demon, he said, "I'm sorry," he told the congregation; he said, "I'm sorry. I didn't mean to shout so much. I don't want to deafen you," he said, "but some of these devils here, you have to throw them out." [Bro. Vin and congregation laugh -Ed.] He said, "It's like a man, you come into the house and you tell him, 'Look, it's time to leave. Out! Take up your bag and move!'" He said, "They take off. But there are some of them that say, 'Could you throw me out? Come then.'" He said, "Many times, I stand in the prayer line and that devil is standing there, viciously daring me."

Because remember, like Legion, they could burst chains and everything else. Do you remember that demon said; he said, "Who will bow at your feet?" And that devil, in that man, who broke up a few preachers already, brother, he was coming to finish him off.

And when he heard him saying, "You will bow at my feet."

He said, "I will let you know whose feet I will bow at!" And he was winding up the hand to hit him, but he didn't know that there was a greater One there. See? Oh, my! He didn't see Him yet, because the devil doesn't know everything either. The devil can only be at one place at one time. He is not omnipresent. He's not omniscient. God is omnipresent and omniscient. God knows all things.

That is why the Prophet said, "If God reveals something to you in your heart; keep it. Don't go and talk to everybody, sometimes. You just let the secret out and the devil will create havoc for you." But some people, they talk so much; they have no discipline. And then they're not really trained to know the devil. And half of the time when they try to do something, it is almost fruitless. Do you know why? No discernment.

Let me tell you; Christianity is not a nice, pious feeling. Christianity is revelation to deal with the opposition. Sure. People think Christianity is going

around doing nice work; making people feel nice, sweeten everybody, patting everybody on the back. No, sir!

Watch another thing we found out: that devil... There are kindred spirits. In Matthew 12, we found that he walks in dry places, then he goes and gets seven others worse than him! They're in degrees of being bad, you know. There's the real violent type. There's the pious type. There's the intellectual type. There's the dressing type. There's the flashy type. There's the lying type. There are all different kinds. See?

Now—but when you look and see, he said, “They call upon one another for help.” There's a quote that I wanted to read here for you: A message called *Manifestation Of Spirit*, 1951. [1951-0717 - Para. 60-62 -Ed.] A sister came in the prayer line there, and she walked up to him in the prayer line. He said:

How do you do, sister. Our Master is lovely, isn't He...? [He said] *Now, I do not know at this time what's wrong with you. But you are a believer.* [And then all of a sudden, he said] *And there is something out in the audience pulling the same way.* [He said] *Now, it's a kindred spirit.* [It's like, he said] *you've heard, “Birds of a feather...” See, [he said,] they go together. And demon power, demonology ... works the same manner.*

It works in the same manner. Birds of a feather, certain types of demons... Now, you get a rum devil, a cigarette devil, a gambling devil and a fete devil, brother, they are together. And then an adultery devil teams up with them afterwards, too. Oh, sure! You watch that.

He said, “Birds of a feather flock together.” So, he said now, that's the way demonology works. He was explaining it to the woman, here. She was coming to him, and as he went to minister to her, he felt another demon pulling from the congregation, because this devil already recognized Authority. And this devil now, began to sense the Presence that casted them out of Heaven, was the same Presence on this man.

Now, we went into the Word and showed you how intelligent these demons are. And we were taking this: they said, "Don't cast us into the deep. Have You come to torment us before it's time?"

Remember the Bible says: Satan has come down and is full of wrath, because he knows he has but yet a short time? What knowledge does he have about the time being short? Do you mean that Satan knows about dispensations? Do you mean that Satan knows after Moses and Elijah, what is going to happen afterwards: Armageddon and the Millennium, and then the White Throne Judgment? Do you mean that Satan knows that? Exactly right. He's a theologian. He knows this Word better than all of us, the Prophet said. But he can't make It work. Amen. It takes the Life to make It work.

He said: *Now, just a moment...*

He said: *You're my sister. You're suffering,... We're strangers, aren't we?*

Now, just a moment. ... someone setting right in there with the same thing you have.

See, it's a... He said: *Would you turn this way just a moment.* And he turns the sister; he said: *No, this way.*

She was turning wrong, so he turned her the right way, where he wanted her.

He said: *You look to me, just turn this [way]. I want to talk to you just a moment, kinda get my back to the case, ... because it bothers me. I can't see what it is, and it's pulling. It's a kindred...*

He said: *Here's what it is.*

And then he started to explain to her, something about spirits, so he could keep her faith building up, because she didn't know what he was talking about. She wasn't trained in demonology. She was a sister, sick and wanted healing. But he, in that realm now, was conscious that there was another demon calling on this demon for help, because this demon didn't want to leave this person. And if he could have gotten this

woman upset here and created an unbelief, she was going to walk off the platform, sick. Even though it leaves her...

He said, "Now, I could keep it away because the Angel told me nothing will stand before me." He said, "So now, with my faith, I can stand and drive it [send it away], but by the time you walk away from here, before you make three steps, it's back on you if you don't have faith."

That is why Jesus said, "Go and sin no more. Go and disbelieve no more, lest a worse thing happen to you."

He said, "I'm tired of seeing them. The woman is blind, then her eyes are opened; before she would make two or three steps, she's blind again." He said, "I'll cast it out again; she's blind again." He said, "I just pronounced the blessing and left her; let her go." Because he realized right away, that demon recognized he had legal rights, there was something there. And God was not giving him the vision of it, to go down in the history. See? Maybe her time was not yet. Maybe she had a six inches too, which had to run out for a certain time, before certain things could happen for her. See?

See, it's something else when we get in the place, friends, where we get into something real. That is why he said, "When you're coming to deal with spirits, it is not like just a nice, little feeling, now. We're talking about faith bringing us into a realm, where you see people around you; you see the spirit that motivates them. Their speech (like the woman told Peter) betrays them; the very tone, the very way they say it, the fear in it. Sometimes, the aggression and different things, it reveals right there what spirit is there.

So, that is why, you see, people... You get around somebody that the Word is inside of them and that Word is anointed, it is different.

Look. He said: *...you are suffering.* He told the woman, he said: *...you are suffering. And in you is a*

spirit of sickness or something. And whatever it is, it knows that if I can get you to believe, it's got to leave you...

You see when you're coming to be prayed for; understand that. You see where there is a sickness in you or there is a fear, or there is a complex, or there is an attitude, or there is a habit that you can't be broken from, know that it's a spirit. And know, that spirit there will always want to create a distortion in your mind. And if he could use something in your surroundings to hold you from getting into the realm of faith and believing the gift that you are approaching—because when you're coming, you just can't see a man. You better have faith and confidence that, that's a man of God; a man of God to help you, a man of God that is commissioned by God, that God will hear his prayer; and you've come with the respects, with the right attitude, with the right approach. And let me tell you: if you come that way, you could never go back the same way.

But if you come and you don't even believe to begin with, that it's an angel of sickness inside of you, a demon spirit that has broken down your health; that God said, "Above all things, you should prosper in health," but sickness is an interruption of health, and something had come into your system, into your life and begin to disrupt your health. And maybe it could be something that you have done, you were deceived into doing and then that threw you out of alignment with God. Remember, Eve?

Why did the Holy Veil leave them? Because she was deceived by believing the devil's lie. It threw her out of alignment with God. They were naked. They ran to make something and when the Presence of God came, they couldn't face It. Why? Something had come in there and broke that union, that Holy union between them and God. See? It took blood now and a lamb being slain, blood being shed to atone for that, so God's

Presence could start to draw near. It took atonement. It took propitiation.

In other words, that question had to be—the sin question had to be dealt with now, before reconciliation could take place, because there is enmity. Sin brings enmity. See? So, there had to be something to bring peace; remove the enmity and bring peace. And peace brings reconciliation. Exactly.

You do that in the home with your children. You have two children fighting or something and you say, “Okay, come on, confess this thing. You all shake hands, hug each other; make it up.” What did you do, now? You’re bringing peace and reconciliation, but first, you want forgiveness: as a parent. Well, God operates the same way, friend. See, in the natural principle, you could break into it and see it.

He said: *...you are suffering. And in you is a spirit of sickness or something. And whatever it is, it knows that if I can get you to believe, it's got to leave you...*

What about if there is a spirit of doubt on a church? What if there is a spirit of fear in a church? The Prophet said, “The greatest plague I find in the world is, fear, among Christians.” They’re always afraid this is not going happen. They’re always afraid God will not keep His Word. They’re always afraid that something will happen to them. They’re always afraid of disappointment. They’re always afraid of something here.

He said, “Why should they have fear?” He said “He that feareth is not yet made perfect in love.” Perfect love casteth out all fear. Love brings faith. [1st John 4:18 -Ed.] Faith works by love. [Galatians 5:6 -Ed.] And herein is the love of God, not that you love God; but that He first loved you and gave Himself to be the propitiation for your sin! [1st John 4:10 -Ed.]

He did a work to bring you into fellowship with Him again. And you have to have faith there. You have to see God’s love expressed to you and you have to accept

it. God so loved the world that He gave His only begotten Son. Whosoever believeth on Him should not perish. [John 3:16 -Ed.] See? But if you can't see it and you can't relate to it on the basis that God is bringing it to you, that devil is going to stay right there.

So look. So he is telling her now, he says: ... *that's the reason it fights so. If I can get you to believe me...*

And a minister coming into a church... What did the Angel tell the Prophet? "Get them to believe you." And he told them, "You believed me when I came saying, THUS SAITH THE LORD you're going to be well. But when I told you THUS SAITH THE LORD your baptism is wrong; when I told you THUS SAITH THE LORD your revelation of the Godhead is wrong; when I told you THUS SAITH THE LORD Eve didn't eat an apple, it was the Serpent seed," he said, "then you couldn't receive It." See?

He said, "When I corrected you on your doctrine, you couldn't accept it." He said, "As long as I come and pray for the sick right there, you love that." He said, "But it is the same God Who tells you this; tells you that!" The same Angel that is performing miracles is revealing Truth.

He could have only dealt with the demonology in the body but when he came to the demonology in the soul—well, there are demons in the soul, as well as there are demons in the body. They come in the body in the form of tuberculosis, cataracts, cancer (see?), different things, arthritis; different things like that. And it comes in the soul as lust, as fear, as doubt, as anger, lasciviousness, uncleanness. It comes like that in the soul too! It's a devil!

Jesus cast seven of them out from Mary Magdalene. Not one was in the body, they were in the soul. See? You don't believe with your body. Your body is see, taste, hear, smell and touch. You believe with your soul. Do you see where the experience has to be? Do you see it, friends? I trust you can see it.

Now hear the thought, I'm bringing. When those demons leave, they hunt for a body. What about 200 million demons? When they came out of the bottomless pit, they didn't come out with bodies. They were loose as demons and before they can have a body, a demon must be permitted to go to a body. And God has ground... God will not permit a demon to go to a human body, except in that human being is a spirit that is irreverent; that is disrespectful to God's Word, that is disobedient, that has rejected God's Word. Then if it rejects God's Word, then it could no longer be covered by the Blood that it rejects. The soul that sinneth, it shall surely die. [Ezekiel 18:20 -Ed.]

So if a person rejects that Word, then what happens? Then they are permitted now, because they rejected God from coming in. How does God come in? First by the Word, then the Spirit comes upon that Word! Is that right? Sure. Well, if they reject God from coming in, then Satan is going to have access to them.

I'm going to get it for you in a little bit. We have a couple of minutes before we close.

So he says – tells the woman on the platform; he said:

... you are suffering. ... in you is a spirit of sickness ... whatever it is, it knows...if I can get you to believe, it's got to leave you (You, see?),...

That is on an individual level. I'll show you in the church level they didn't believe him either. Now watch. Think of it. Let it soak in a little bit.

He says: *...that's the reason it fights so...* Because the commission is: Get the people to believe you. Because they have to believe before they could receive. And when they receive that Word, they are receiving the very Seed of God that will bring forth of its kind. And the devil can't battle with that Word.

When they receive that Word and God comes in there, do you know what is going to happen there? Do you know what is going to happen? Then if Satan is going to come, God is inside of there to deal with the devil who

is trying to get in; the strong man of faith can shoo that devil away, shoo him out of your mind. He's trying to bring those lustful thoughts; like Abraham, you're casting those vultures off your sacrifice, "Satan, I rebuke you; you are an offence to me!" You could keep it off.

But if the devil comes there and there is nothing inside of there; after a while you say, "Boy, I'm going out of my mind, yes. I feel like I will go off, yes!"

The devil... Like I was reading the other day, where a man came on the platform; Bro. Branham looked at him, he said, "Now this is very serious." He said, "Young man," he said, "you have serious troubles." He said, "The devil was trying to make you feel that you have crossed the line and that there was no hope for you. And after you accepted that, then the next step, he was trying to get you to commit suicide."

And after the Prophet cast out the devil, he said, "It was like great clouds, dark clouds coming to my face." He said, "Well, I saw what was happening to the young man." He said, "Come here," he said, "let me cast that thing away from you." See?

That man, (if the devil has to make him accept that) he has to know something about the Scripture, to know about crossing the line, and when a man commits the unpardonable sin, and these things. You understand what I am saying? But because, maybe that man never had his security anchored down, he never got his fears taken out, never had a basis for his faith, then Satan started to use circumstances, messed up his mind and was pushing the man over the edge; until the Prophet told him, he said, "In a few days you would've committed suicide (and died) if that thing wasn't removed from you."

Oh, friends, let me tell you, as I say, "We deal with this every day." And in this Hour it's closing in on us. The pressure is closing in more and more. And that is why God and the fellowship with the Holy Spirit has to

become so real in the heart of the believer: where you eat this Word, you drink this Word, you're in the Presence of God; there is a reality about it! Amen. Oh my, why? Because another Spirit has possessed you, another Spirit is so real in your life, another Spirit is bearing Its own fruit through you; It's identifying the Life that lives in you, in the Bible and keeping your faith anointed so that you know, it is God that dwells in you. In that day, you will know I in you and you in Me. [John 14:20 -Ed.] And greater is He in you, than he that is in the world. [1st John 4:4 -Ed.]

Brother, that devil can get in there and keep showing you your faults, and keep showing your shortcomings, and keep showing you your state, and you can't get your standing bolted down. And he's going to start to make you judge yourself by your own works and then he's going to push you into frustration – and you're trying to do this, and you're trying to do that and you trying to—without getting you to accept God's Word. You receive It in your heart knowing the ability is in the Word! Take the Word in.

But if Satan is making you into an Armenian... He says, "Then he has you trying to be a legalist and go on works and he has you torn up all the time."

Oh, you're flusterated, why? Because the day you're not going good, you lose everything. And the day, when you start to go good, you start to feel happy. And when you start to feel happy, Satan comes and bursts your bubble and you get disappointed with something, and you skate right back down the greasy pole. No, no! God doesn't want that.

Set your wings like an eagle, amen! You know how to use the air currents to take you up; not flap, flap, flap, flap, flap. No! He said, "The eagle knew how to set its wings and just use the current to take it higher and higher. Before you knew it, he looked, it was a little speck out there. Amen.

So this spirit that was in that woman there, fighting, pulling because that demon recognized Authority. It was going to be cast out, but it didn't want to leave because the demon knew he was helpless without a body. And he knew, that Power there is true Authority; Divine Authority. It is a man standing on the Scripture. It is a man who knows the devil; and a man, by a Divine gift, who could even uncover the devil though he hid from the doctors.

You hear certain... Bro. Branham comes in the prayer line, he says, "Satan, you think you're sly. You hid from that doctor's knife a few times." He says, "Lady, you had about three operations and the doctors couldn't get this thing right." He said, "Because why? They're dealing with the growth and there is a devil inside of there." And he said, "You hid from the doctor's knife but you can't hide from the Holy Ghost. Come out of the woman!" Amen!

Brother, let me tell you something. Could you imagine that doctor; he could plaster his wall with certificates and degrees. And that devil inside of there, sits down in that woman; she goes to the doctor; that devil isn't even jumping up. You think that devil is feeling a power there and authority to cast him out? He says, "You all, cut." He is on a couch inside of there, he's laid back. See? He says, "If you all cut it off, I will move to a next part of the body. You move me out of the drawing room, I'll go to the bedroom. You move me from the front porch, I go to the back porch." Exactly – can't touch him.

But that devil inside of there, when it comes before the platform, he knows if they are true believers there: Where two or three are gathered together in My Name... What you bind on earth is bound in Heaven, what you loose in earth is loose in Heaven! If two shall agree upon touching anything... [Matthew 18:18-20 -Ed.] Let me tell you, the devil knows those Scriptures, friends, better than the Church.

We ought to recognize, even when you have need of something from God... Do you think, you will know all what the Word says and go out there and trust in something and depend on something out there? It means, you don't even understand sickness is of the devil yet. It means, your mind is trapped with medical science bringing a set of highfalutin words and terminology and ties up everything and makes you feel that it is not demon power. Until sometimes, you wonder if the Prophet is right.

Then you wonder if: "Maybe, that is the old language (they translated the Bible) when they said the dumb spirit. It can't have a dumb spirit that makes the man dumb; no, it is the nerves or something. The man's vocal cords died or it is the nerves in the man's eardrum that died."

The Prophet said, "Well, why didn't all over die? Why only there?" He said, "Look when Jesus casted out, He said, 'You deaf spirit and you dumb spirit, come out.'"

When will the Church begin to rise to the place to realize that demonology in the physical realm, there? That demon he never moves. He never gets intimidated when he hears "Operation". When he hears "Purge", he doesn't get intimidated with that. But when he hears "Prayer", when he hears somebody say, "Mark 16", when he hears somebody say, "It is a finished work on the Cross"; when he hears somebody say, "By Your stripes I am healed"; when he hears somebody say, "He was wounded for our transgressions, bruised for our iniquities"; when he hears somebody start to go in that gear, the devil realizes, "They are not being sold for all my garbage I tried to pollute their mind with. It's like they have a filter! They're just filtering out that and they're coming through with the Sword!" Amen! The devil starts to go back because he knows, there are people that recognize there is demon power inside of there! That is where, we need to wake up, friends.

So he says:

... whatever it is, it knows ... if I can get you to believe, it's got to leave you ... that's the reason it fights so. That's what makes it such a pull. And it's got a kindred spirit out there pulling the same way for help ..., for he knows that he's troubled...

And then he sees the Pillar of Fire come in there and he says: *...for you're already healed.*

And he tells her: *You had a female trouble, didn't you. You're healed. That's right ... your faith has saved you, sister.*

And he looked out into the congregation and he saw the next place where the same kind of demon was, and he said:

And lady, you setting on the end there; didn't you have a female trouble, setting right there then? He said: Stand up on your feet just a minute. You're healed too, sister. God bless you;

And then he said: *The woman had an abscess on the ovary. Now, everyone [he said] be real reverent. Believe with all your heart. God will bring it to pass.*

While I was talking to that woman, [he said] a strange...

Then he's telling this woman here: *While I was talking to that woman, [he said] a strange feeling was taking place in you, wasn't it, lady. See, that's just what it was. It was coming. I couldn't see just where it was.*

It was coming from God. He said:

It was coming. I couldn't see just where it was. And I seen the Light, the Angel of God go hang over that woman. And when I spoke to her, it come down over her like that right then. And just as soon as I [said that] to you, [he said] a warm welcome feeling struck you. Is that right? [He said:] That's when the Angel of God blessed you...

Now there, he was standing there in the meeting. Now, those demons he was dealing with there were part of the same host; some were in prison. You see like how they have the drug trade right now; some big ones are

in prison, right? But they have some loose still. And the ones that are loose are trying to carry out the same work because the thing is only kind of halfway paralyzed, a little bit. And then if they could even try to free the ones in prison, they would try to free those too. That is why they put all that security around those inside of there.

But watch. When those come out from there and they're let loose again, if it is the same kind of demons, when they come back out, they do the same thing. In other words, they're just bound by civil laws right now. The demon didn't leave. It's just that the demon is bound, where it can't operate freely as before it was put in prison. Well friends, when you're dealing with demon-power here, here was all these demons let loose.

Let's read a Scripture with this, Revelation 6:7 and 8. Just a couple minutes and we are finished. I don't want to keep you long. Revelation 6: 7 and 8. Because—I know you know Revelation 1 and 2 is that white horse rider; 3 and 4 the red horse, 5 and 6 the black horse, and Revelation 6: 7 and 8 is this pale horse here, where the three powers are being united. Now, that is demon power, because it is unfolding the Mystery of Satan and his activities, in the different realms that he is operating in.

Verse 7:

⁷ And when he had opened the fourth seal, I heard the voice of the fourth living creature say, Come and see.

⁸ And I looked, and behold a pale horse: and his name that sat on him was Death, and Hell followed with him. ...to kill with sword, and with hunger, and with death, and with the beasts of the earth.

Now watch this closely here. The first time now, this rider is being named; he is Death. There were two trees back in the Garden of Eden. Now, God, under this Eagle Message is going to uncover this thing. The revelation

is going to come to make this person known. He is Death. And watch something: Hell is following him. John is seeing, in that Fourth Seal...

Now, to put it in time, for you: That red horse... We have this chart here, okay. That white horse, rather, in the first Age; when it went forth, a Lion spirit went to combat it, because it was an antichrist spirit. And Paul, Irenaeus and Martin were that Lion Spirit combating that thing. Because the white horse, it went forth with a bow and no arrow, and then a crown was given unto it. See? And then, when a crown was given unto it, it went forth conquering and to conquer.

Then the Bible said when the Second Seal was opened, then a red horse. And then, that red horse which was the Age of martyrdom. And then Columba, in the Dark Ages: an Ox anointing went forth that was anointing the Church to die for their faith.

Then when the Third Seal was opened, there was a black horse. And then that was the reformation Age, where a Man spirit went forth with Martin, Luther, Wesley and Pentecost.

And then the Fourth Seal is at the end of the Pentecostal Age, in other words, it is this Age. Now when the Seal for this Age is opened—now get back to my original thought. When you look outside, the reason you only see Trinidadians and things out in the streets and you don't see Scripture is being filled, is because you don't realize, this Word is being fulfilled out there.

This Eagle Spirit is somewhere on people out there and this other spirit is on people out there. Heaven is following Life out there and Hell is following Death out there. While that group is riding, there is another group riding. Life and Death are out there. Now, as I said, putting it in those terms now, we bring the Word right here.

Leaving the Word out, then it is: "Hey boy, I'm going up to a service up in Abel, right." Or, "I am trying to go down to Cedros," or something, or "I'm going up to

Princes Town.” Or “Haven’t you heard that brother is in the church? That Minister is so and so.” That is Trinidad. But when you get in the Word, friend, you realize, the powers that are influencing this Age, this generation.

Here it says, “Hell is following Death.” The rider, the leader of this army is Death; and that army is Hell! But Hell is personified and Death is personified. In other words: it is in flesh out there, because the Seal is revealing what is on the earth.

The Ox Spirit was when they were killing Christians! The antichrist spirit was when men were preaching another Gospel different to what Paul was preaching. When they were... Then when the spirit was crowned was when – Pergamos: church and state married together. Religion and politics and the Catholic church at Nicaea Rome started to come forth.

So when it came to the Fourth Seal, Hell and death; that is the prophecy right there of Hell being created on the earth! Now if Hell is coming here, Satan is bringing his kingdom to flesh, whose flesh is it coming in? You know we use the saying lightly. “Hell is being created upon the earth. In the last days, Hell is on the earth.” Do we see it? Do we withstand it? Are we fortified against it? Can we identify it? Do we have the spirit to combat it and keep it off of us? Because—remember Heaven is come down too. Remember the Word is in flesh.

Watch, I read to you in Revelation 9; those demons came out. Look at the kind of demons they were. They were loosed first in that war and now, they are loose in the ecclesiastical realm.

I hate to just make the statements because I know so many people quote the statements, but they have no Light behind the statements when they use the Word. And that is why I am trying to bring this **Demonology**. If you are not catching what I am saying, you’ll think I’m talking about Divine healing on the platform. They

are demons. They were angels who were cast out with Lucifer; the ones on the platform. The ones on the platform are the ones the Word revealed. It is not two sets of demons. He was meeting them. He even went to see the Pope.

Here was the true Prophet going into the Vatican, and here was the false prophet with the triple crown. Here was Revelation 10, who the Mighty Angel had come down to, with that commission, walking into the Vatican, to the seat – where Satan’s seat is. You understand what I am saying? He knew he was the true Prophet. He knew he spoke things into existence. He knew Who he was commissioned by, because he knew his place was in the Bible. And he knew who that man was, inside of there too. But there was something about Wyatt Earp just wants to see Jessie James. [Wyatt Earp, the sheriff and Jessie James, the outlaw –Ed.] Sure.

You see, they were two leading figures in the Day. Here is Pope John XXIII who said “That we all may be one!” and loosed that spirit. He took Jesus’ prayer. And here was this one saying “Not that kind of one! When you see Me, you see the Father. That kind of One!” Here were two men preaching Oneness: one was bringing Nimrod’s revelation of oneness; and here was one who was in Holy union with God, standing there.

And when he walked into there, they said, “Do so... Take your shoes off.”

He said, “Okay, no problem.”

They said, “Cut the cuffs of your pants.”

He said, “No problem.”

They said “When you get in there, bow.”

He said “You have a problem.” He said, “No man deserves that, only Jesus Christ.” No, true prophet... The Spirit in him was the Spirit of God. See?

Then that Prophet came back out and took the Bible and started to show when that spirit started. He traced that spirit, when he started to break those Seals. One by one, he was breaking them and showed where Satan,

when he was cast down from Heaven, all the way until he becomes incarnate, in the last days. He said “I met those demons on the platform many times.” See?

And then he looked out there, in vision and God showed him Hitler. [Adolf Hitler - leader of the Nazi Party, Germany -Ed.] God showed him Mussolini. [Benito Mussolini: Fascist - Prime Minister of Italy -Ed.] God showed him Stalin [Joseph Stalin: Communist - Political Leader of the Soviet Union -Ed.] God showed him the ‘isms’ out there. He saw those demons. He saw Eisenhower. [Dwight D. Eisenhower: Capitalist - 34th President of the United States -Ed.] Those four demons were bound in the Euphrates River, four of them, four isms. See?

We know three and we quote three: Fascism, Nazism, Communism, but then there was Capitalism. America was four nations. Watch the seven visions. Three were those nations in the world, and the last four visions were America. He said “Roosevelt was a dictator.” He said, “He was the rascal of them all.” If you take up any history and read, Roosevelt was a man exalted. In the depression now, he steered America through the depression. A Prophet comes, seeing the spirit behind there, he said “He is the one who threw the world into war. He was the rascal. He took England’s fight and brought it to us, when we had no place in that thing.” See?

And when he preached *Invasion Of The United States* [1954-0509 -Ed.] he was showing what was happening in the U.S.A. – the overthrow of the American government and the Catholic Church coming in – when he preached *Jezebel Religion* [1961-0319 -Ed.] and *Hybrid Religion*, and these things. Why? Because he wasn’t just driving around in the States there and being caught up with all these things. He was seeing where the spirit was. He was seeing where it was moving.

He said “Look at those two spirits growing. Moses growing here and Ramses growing here – two spirits growing – one through political power, one through

spiritual power.” Read *The Third Exodus*. [1963-0630 – Ed.] Read some of these messages and see. See? I hate to jump it but we could pick it up another time and maybe spend more time on it.

But to show you, friend; that power that was growing, where is it growing? He is off the scene; the Prophet is not here. But that same power that is growing will come to close down churches like these. And you know something; the Power that was creating squirrels in him and speaking to the storm, that Power will be in a people to multiple bread and fish, when they close down these churches.

I don't know if this is factual or true, but one of the ministers was quoting it in the Ministers' Meetings. I was sitting down with some ministers on Saturday and a brother was saying, that one of his relatives in the United States called him up, right after they had seen it on cable television in United States, that the Branham movement is under national investigation by the U.S. government; that it is a cult. Did you hear that? [Someone responds to Bro. Vin –Ed.] Yes, okay. You could imagine, friends.

I remember some years ago, I preached a message, right here from this pulpit (right here) on *The Mischief Of Haman* [1987-0217 –Ed.], on the Book of Esther and these things, to show the deceit that is working. And there were ten things that they were identifying as a cult, and I remember I read them right here, showing you that we had every one of them. And if that is so, friends, then we, sitting here... It's not going to be men, the Bible says, it's going to be demon power.

He said, “They're going to hunt this Church down. That persecuted, hunted group, after a short powerful demonstration will go to be with Jesus Christ. They, the church and state are going to come together again – religion and politics. See? And we were just sitting down here a few days ago, talking, right here, about how some of these things are going to come.

Now watch. Oh, it just makes me feel so good here, to impress this upon your heart so that you can see the Hour; that God wants to just wake us up, open our hearts to a place. Empty out everything, friends, that the Holy Spirit could bring such a blast from Heaven; the Spirit of God could equip a people, anoint a people in such a way, that they would be like Peter and them in Acts 4 when they tried to beat them, intimidate them, break their spirit and everything. They got back together and said, “Why do the heathens rage and the people imagine vain things.” [Psalms 2:1 -Ed.]

They were filled with the Holy Spirit. They had joy that they could suffer persecution. They stood up there and gave such witness when they locked them in prison. The Angel of God came; opened the prison doors; took them out. Watch. The Prophet said, “There is going to be... God is going to bring the Church back to the very same place.”

Let me try to just bring it to a close here and... I had asked you to turn to a Scripture, right? Okay, I read it. And one more, I want to read, just Revelation 19 and I am going to close. I'll read a couple verses there. So I will leave it to you. You can study it and we will pick it back up next week; when I come back again another time, we can look at it further.

This demonology is interesting; I tell you. It opens your eyes and lets you see your attitude, your frame of mind; your atmosphere in dealing with things that you see there. When you see something and you could identify it, you could recognize it; you have the attitude to deal with it. If you see something there; you cannot make out what it is, you don't know what it is, you can't identify it then you could pass it off as anything.

And that is why many times, the results, friend—when the Prophet stood there, and the people came, he knew whether it was demonology in the natural realm or it was demonology in the soul. He knew what it was. Then he was so in tune with God that the Spirit could

work through him to bring whatever it was. And when that gift began to operate, it was something else by itself too.

Look at Revelation 19, verse 17. We can read from there, because verses 11 to 16 tell you about another army here. Revelation 9 was talking about one army: two hundred million horsemen and their king was the angel of the bottomless pit. Here's another army; verses 11 to 16 tell you that. Christ and the armies of Heaven doth follow Him, and these armies were clothed with fine linen; they were on white horses too. Watch these on a pale horse; watch these on white horses here. Watch Life and Death coming together. Verse 17 says;

17 And I saw an angel standing in the sun; and he cried with a loud voice, saying to all the fowls that fly in the midst of heaven, Come and gather yourselves together unto the supper of the great God;

18 That you may eat the flesh of kings, and the flesh of captains, and the flesh of mighty men, and the flesh of horses, and of them that sit on them, and the flesh of all men, both free and bond, both small and great.

19 And I saw the beast... [Satan incarnated. Watch it here.] ... and the kings of the earth...

Watch all the rulers of the darkness of this world: Prince of Persia, prince of this one, prince of this one. Like in the Book of Daniel; .kings of the earth. Watch them.

... and their armies, gathered together to make war against him that sat on the horse, and against his army.

And the Prophet said, "The battle that started in Heaven ends up on the earth in the form of Armageddon." Armageddon is World War III.

So my point I'm trying to bring here, the thought I'm trying to bring to your attention is showing you: in studying demonology, everywhere it records demons in the Bible. They were trying to get down into those people to prophecy in the religious realm.

We picked them up when they left a human body, when they were cast out, they walked in dry places. They cooperated with other demons to get themselves back into the house because they know they're powerless without a body. They recognize Authority, they will not go out just like that. They call on one another for help, trying to create unbelief.

I didn't have time to read tonight, but I referred to you many times how Jesus couldn't do a miracle in a certain place; He had to carry the man out of the city. He had to put the people out of Jairus' house. Why? Because when the demons build up a chain of unbelief and is holding the person in that unbelief, they can't come out. God has to get them away, to where He could work with them. That is why He said, "Believe on them whom God has sent." [John 6:29 -Ed.]

Sometimes a man is in a state where he can't even believe. He wants to believe but he has more emotion than faith, because faith is going to be based on the finished work.

Faith is going to say, "Lord, You died for this. Lord, You shed Your Blood for this. And Lord, You know I believe It and I thank You for It, and I am standing upon Your Word because I know You are faithful and true. And I believe that, that is Your servant there and I'm receiving the Word that is spoken, because It is the Bible and my spirit bears witness to It, Lord." You're standing there and that devil can't move; it has to leave.

But if you stand up there, kind of confused, "I wonder if It is right? Maybe, I will not get healed today; maybe it might be next week? I'm not sure because I was reading the other day..."

And if your mind is in that state, you're not going to get anything. See? Because you're not even conscious that state of mind, is the enemy having your spirit unsettled, where you can't get locked into the channel to come into union with the Spirit of God, where a chain of faith could be built up. Because it is faith and unbelief.

That is why Jesus said—He perceived their thought. That is why the gift was sent not to heal people, but to lift their faith. He said “Lady, this and this.” That never healed them. That only helped to build their faith and then they could receive their healing. You see how God had to do...? That spirit was calling upon the other spirit for help.

Now, friends, look. Then I am saying: when these demons came out, they needed bodies. And here in Revelation 19 and Revelation 6, they were no longer demons looking like locusts and this and that; they were in bodies. The Beast wasn't Lucifer standing up there with the horns and the forked tail. The Beast was Satan, in a man, standing there. The kings of the earth were all these principalities and powers and spiritual wickedness in high places that Paul explained in Ephesians 6; all the rank and file of the devil's kingdom. And then all the armies, all the forces of darkness were now in a realm of flesh.

The battle that started in Heaven was an angelic battle in the realm of spirit, but Armageddon is in the realm of flesh. Why? Because Satan said, “I will be like God. I will be worshipped like God.” Satan always wanted to live in man like God lived in men.

But Satan couldn't create a body and go and live in it, so he had to find a way to get into the human race. So he manipulated the genetic code back in Genesis by getting Satan – the sperm from the Serpent's loins and brought it into Eve's womb, where he knew that that blood would have mixed with this egg. And when he produced a body, he could step into it.

Now let me ask you a question; Do you honestly feel that these people who are doing all these kind of different things, like taking this man's sperm – and putting a woman's egg in a bank and hatch it out and things, that God comes down and lives in it? Do you honestly think that? No. God doesn't bring things that way. That is artificial. That is man's wisdom; he broke into God's laboratory.

Satan used a... he stole that sperm from the Serpent's loins through subtlety. Getting Eve to believe his lie, he brought her under the influence, as we were saying; brought her into a sex act. And in that sex act, that sperm went there and a body was formed, which was Cain. And Cain was what? The false prophet, with the false doctrine. The Serpent spoke the false doctrine; Cain came up with the false altar and the false church; and then it ended up in Nimrod who had the whole false system of Babylon. Sure!

You watch it: antichrist, false prophet, Beast. It just keeps going on. We don't have time to trace it tonight, but I thought I would have been... Well, in my own mind, I felt I could get all these things in one night, but it's impossible.

But to show you, friends; when a church—the Prophet said when the Pilgrim Holiness Church... And I want to bring a thought to you here. Let me put away these things, so you know I am through. When the Pilgrim Holiness Church had come out of the Lutheran Age and they stopped the drinking and the smoking; they started to wear long sleeves, took off their jewelry. They believed it was a sin to even wear jewelry.

The Prophet said, "You know what happened there? That spirit was cast out, then they cleaned up and then the house was swept and garnished."

Then God moved in the Pentecostal Age and then the Holy Spirit came. And all them with their long sleeves and all of them with their holier-than-thou and pious attitude, rejected the Holy Spirit. And then what

happened? He said “Look at the Pilgrim Holiness today, they’ve become seven times worse than they were before.” He said, “Look at the Pentecostal church when they came. And then what happened? The Word came and they refused to go that further step to come into the Word, and look where they are today.” He said, “Why? That spirit walked in dry places and it came right back around.”

Now the same way Satan incarnates. This is the Age of incarnation. This is the Age, God is becoming flesh in His Church. All that God was, He poured into Christ; all that Christ was He pours into the Church until She... He becomes Her, and She is Him revealed.

Satan comes the same way through three stages also: the white horse, the red horse and the black horse. And then what happens? He becomes her: the Catholic church and the whole Protestant church comes and bows to the Catholic church; give their support to the Catholic church, and they come into that kind of worship, controlled there. He said, “And watch, he becomes she also.”

If we had time to go... Sunday I will take it for you and show you, in the Book of Kings there were two women: a Gentile woman and Jezebel – two Gentile women, in the time of Elijah, when he repaired the altar at the evening sacrifice. One came into real faith and saw miracles. See? She saw God multiplied the food in her home. She received that prophet's message. She saw resurrection: the dead boy raised. Sure. She saw those things. And the other one was a pagan, who brought a persecution on the Truth and God fed her to the dogs afterwards.

It’s happening again, friends. You watch and see. What we are sitting under, this Message that God has sent through this Prophet in the last days; may God help us that we can re-examine this Message and re-examine our life, in the light of the Message and the Scriptures and see really, what God has spoken to us in

this Hour: where we are at, how late it is, how much Scripture is being fulfilled, how far advanced we are; how much demon power, because that demon power is right in the ranks of the Message.

Bro. Branham said, "Demonology?" He said, "Not out there; in the Message," he said, "right in the ranks, brother." He said, "The dove and the crow were in the same ark. Esau and Jacob were in the same womb of the same bride. Judas and Jesus were in the same tribe. Watch and see where it is going to come up. Cain and Abel were together back there." See? He said, "You watch and see it is going to come. In the last days, it will be twins. If it were possible even the very Elected would have been deceived."

Remember the Serpent didn't go to the female chimpanzee or the female gorilla. He went to Adam's wife. Remember the Nicolaitans didn't go to the Sadducees and Pharisees, they went to the second Adam's wife. And this last-Day Bride is put to the same test that the first two Brides were put to. And She'll have to prove She is a virtuous woman, She is a woman of faith, that She stays true to this Word.

Satan and his kingdom is becoming flesh. You know how he becomes flesh? The only way for God to allow those devils to possess people, is their attitude towards the Word, because decisions are made in the mind. Go back to *Greatest Battle Ever Fought* [1962-0311 -Ed.], see if you really understand what the greatest battle ever fought is. It's not in Heaven; it's in the mind!

And after it leaves the mind, it's going to Armageddon. Three battlegrounds: war that was in Heaven, now is in the human mind and will be in Armageddon. Satan... Michael and Lucifer will meet on the battlegrounds again, in the last days. But when it comes there, it's in flesh. God, in His army comes down in glorified bodies; Lucifer and his armies in hybrid bodies on the earth - one has atomic power; one has the Word. Sure! Star wars again: one third of the stars -

and the stars that didn't fall. He said, "They didn't keep their first estate."

Do you know this Messenger brought an estate? How many ministers have fallen from the estate of this Message and have become a fallen angel? How many angels stood in the pulpit, preaching the Message and are no longer preaching it, because they have become fallen angels? Lucifer, by his tale, pulled them down into Hell created on the earth today; trapped and entangled in the affairs of this life, in chains of darkness – the soul. See if we realize what is happening.

And God, by the baptism of the Holy Spirit; Invisible Union – God and man becoming one; Uniting Time – the Bride uniting with the Word; super Sign – God and man is one. See what the Prophet was talking about. See what is happening, friends. In that Day, you will recognize these things.

This is a tremendous time. If you have a desire in your heart to receive the Word, and you love the Word; and there's a faith being created in your heart, as you begin to see more of Christ, so that you can walk in Light and have fellowship with Him until you become like Him; you should be the happiest person tonight.

You may not be eating – have the most food on the table. You may not be wearing the best set of clothes, don't let that bother you. Amen! But if there is something in your heart moving towards that Word, you thank God that there is a desire for more of God, inside of there. The Holy Spirit can come to you.

If there is something in your soul warring and you find the world is attractive, and you're sitting down in here like the crow and you feel that there are no dead bodies inside of here to feed on, and you're getting sick with all this Grain that the dove is rejoicing over, and you wish you could get loosed out of the ark to go and fly around and start to eat some old, dead, bloated bodies, out there and feed on all the flesh that is outside

there, then let me tell you, you are a vulture and you will surely burn in Hell. Amen.

But if you feel it's just in your mind, say, "God break that power for me tonight." Amen. "Give me a holy man's taste."

You know I was reading, too, Bro. Branham was in the prayer line and he said... He was praying, he said, "Lord, I will be facing demon powers in a little while and they will want to come upon me and get upon me. And if they get a hold of me," he said, "then I will no longer be able to have services for You," he said, "because they will destroy me." He said, "So Lord, come and stand by me as You promised, and help me so I could help deliver Your children."

Oh, it's nothing to walk away with and boast, "Oh, we have this Power." No, friends, let me tell you, no. The Defense is Jesus Christ. He's our Shield and we have to stay in union with Him. But we have confidence because He is Faithful; He promised never to leave us nor forsake us.

And that is why, if you see there is anything inside of you that wants to disobey, anything in you that wants to rebel, anything in you that wants to just...you know, can't receive It – pray. And the God of all grace is there to hear a sincere prayer.

But this is the Hour, He wants to fill, He wants to bless, He wants to raise up. He wants to deliver! He is like that mother eagle, watching that coyote coming up in those bushes there. And He's watching His little eaglets there, playing, having a revival, a little jubilee, but He's watching that coyote coming there. He is fixing to flog him to death. He's watching that northerner coming there, too. Amen. He knows, brother, He can fly, before that northerner could even come. And He picks them up and takes them into Glory. So He's faithful. Don't have any doubt about that. Just trust in the Lord with all thine heart. Let us bow our heads for prayer.

Oh, precious, precious Father, Lord, we thank You tonight. God, hearing the reports, Lord, and knowing that these things are timely, Lord, from what You spoke through your Prophet, when You opened those Seven Seals. Dear God, seeing the Holy Spirit is directing us, Lord, even to this *Demonology* and in this discernment of spirits, Lord, and these things that the enemy is working in all his subtlety and craftiness. Hiding behind the political scenes, hiding behind the business scenes, hiding behind the religious scenes; setting his traps, oh God, everywhere like a mighty hunter, Lord, trying to trap and cage Your children. For You said it shall come upon the world like a snare; oh God, and so many will be taken unawares, but You promised Lord, that we will have eyesalve, that our eyes will be anointed, dear God.

Oh God, there is something inside of us, Lord, like those birds your Prophet talked about. Before the earthquake struck they flew out of the walls. The cows moved away from the shed, against the walls; Lord, the fish ceased to bite and everything else. Something in nature was telling them, Lord, judgment was fixing to strike.

Oh God, that little sheep out in the pasture, it couldn't see the lion but something had it a little nervous, Lord, warning it and an alarm was going off, telling him that danger was somewhere around. Oh God, so we feel tonight, Father; Lord, God, that we can sense, dear God, the evil, the forces of darkness that is sweeping across the earth [blank spot on tape -Ed.]... so many, but You said, "Rise and shine Thy Light has come." Oh God. *Morning stars together sing. Sons of God now shout for joy. Arise and shine, oh, thy Lord and King, comes full redemption now to bring.* [#469 - Songs That Live -Ed.]

Oh God, may we recognize the Hour, Father, as we see the Morning Star saying, "Good morning"; as we see the breaking of a New Day, oh God; as we see the Angel

of the covenant moving among the churches, revealing the Word, pulling the Elect out, breaking the influence of the enemy around their lives; setting them in order for the Rapture.

Oh God, may we recognize these things, Father. May we examine it. May we see it to be the Scriptures. May we see the time clock is striking the Hour. May, oh God, we see that Angel, standing there with His Hand lifted up, saying, "Time shall be no longer." Soon, he that is filthy will be filthy still; he that is righteousness will be righteousness still; he that is Holy will be Holy still.

Oh God, we see so many out in the world, naked like Legion was; all the long claws, growing their fingers nails, thinking it's fashion; where nobody had long nails in the Bible except Nebuchadnezzar when he was insane, dear God, and Jezebel painting her face: pagan devils, oh God. Yet today, it is fashionable to the people. They look at it (oh God) and they conform to the world and after the things of the world. But you said "Be ye transformed by the renewing of your mind. Don't be conformed to this world. It's Satan's Eden"

Oh, God, it is going to be burned and turned into ashes like Sodom and Gomorrah was. But dear God, You said "I will return according to the time of life." Hallelujah! You will come back around in a Second Cycle and You will give faith for Rapturing Grace. Sarah received strength to conceive seed and bring forth the promise, dear God. Father, we believe that this is that Hour. This is the time for the final quickening, Lord, and Your Holy Spirit is being so gracious to us; day after day and night after night, dear God, coming on the scene.

Oh, precious Jesus, open up the Word more and more. Open up our understanding, dear God. Let the Light shine in. Let that Light that has Transforming Power, change us, oh God, and ripen us. Let the sincerity and the sacredness come into our lives in such

a way; the mellowness, Lord, that when You look You can see a Church – ripened faith; matured Christians becoming Bread on Your Table, Father; walking in step, onward Christian soldiers, oh God, such a Bride lining up with Your Word in this Hour. God, may You grant it tonight.

We thank You, Father for this. We praise Your lovely Name. Oh God, may You fortify us. May we put on the whole armor of God that we might be found able to stand against the wiles of the devil in this evil Age; oh God, that we can resist the devil, knowing that he shall flee from us, Lord. Lord, I pray, where there is need for strength, may You pour out Your strength tonight. There is no prevailing power as the revelation of the Word, Father. May You send down the Holy Spirit. Lord, may the inside Teacher just bring understanding, bring faith, bring virtue and knowledge; oh God, bring a New Birth, where it is so greatly needed, oh God; Lord, that we can see a people being built upon the Rock, where the gates of Hell shall not prevail against Your Church. The oncoming storms can beat against that house, but we will stand, oh God.

If it is built on sand, it will be washed away. Great will be the fall, oh God, of that person, Father; of that home, of that church. But oh God, where the strong man of faith is there, He will shoo every devil away as sure as can be. May You grant it. May You bring us into a closer walk, we pray, tonight. May You help us, Lord; we so desire to please You.

Oh God, we desire to see all that You require us to do, that we can do it and do it sincerely. And when we've done it to the best of our ability, oh God and our love cannot project any further, Lord, then Your grace can come down and take over, oh God, that Your Holy Spirit can be the All-in-all. But Father, while there is something for us to let go and let God, may we do it, Father. May, oh God, while there is something that we can do, oh God, to call upon Your Name, God may we

do it, tonight. Grant it, Father, we pray, in the Name of Jesus Christ.

Lord, You know we love You. You know, oh God, that we are just desiring to walk in every Word. And Lord, even them who are not here tonight, who might be bound by the enemy, oh God; Satan might have tried to bluff them, deceived them, hold them in darkness, tried to turn their minds, oh God, in another channel where they can even fail to realize, how that devil is moving in upon them, trying to shave off everything, pluck out their spiritual eyesight. Even like studying out some of them, right now; like they told Delilah, "Find out where his strength lieth."

Like You told Peter that time, "Satan desires to have you, Simon. He wanted to sift you like wheat but I've prayed for you." Oh God, I pray for these tonight, Father; Satan is desiring to have them, oh God, but to take them and bend them out of shape and everything else, and lock them away in some prison; some snare that he has dug and set there for them. But oh God, may the Angel of God guide their feet, hold their hand, Lord; Lord, like You moved Jehoshaphat that time, when the assassin's arrow was zeroed to his heart, you shooed them away and you brought him back to safety.

I pray, dear God—You are the God Who ruleth in the affairs of man. You are the God, that not one flea can bat its eye but that You know about it; the very God Who has Power to bind that enemy in a knot. Father, I pray tonight, in the Name of Jesus Christ, standing here as the shepherd watching over these sheep tonight, oh God, knowing that, Father, it is not within them to lead their own selves, but oh God, You are the great Shepherd and Bishop of our souls, the blessed Holy Spirit Who comes to lead us and guide us, the Guide Who is given the commission so that we will not come up lost. We look to You, oh great Angel of the Covenant, that Lord, You will just work a work in such a way, Father; Lord, these realities could be burnt in our

hearts in such a way. Didn't You say in Your Word, "I'll write My laws in your hearts and in your minds (oh God) you will not sin against Me; your sins and your iniquity, I will not remember no more"? Oh God, then do it, Father.

You said You would give a new heart and a new spirit, and You will pour Your own Spirit. You didn't say about us doing anything; salvation is of the Lord. You are the Author and You are the Finisher. Just teach us to let go. Teach us how to cooperate with Your Word. Teach us, oh God, Father; Lord, not to get in the way, but just to be in obedience to follow the direction and the leading of Your Holy Spirit, so that we can just receive Your Word; take it into a heart of faith. Oh God, not just sympathize with It but just accept It, receive It, confess It, dear God; You can intercede upon our confession and we can see these realities, oh God, be made manifest in our lives. Grant it, tonight, we pray, in the Name of Jesus Christ.

Surely You said: "If you draw nigh unto Me, I'll draw nigh unto you." We are drawing nigh unto You tonight, Father, oh God approaching You with faith; believing that You are and You are a Rewarder of them who diligently seek You. Oh, You are a covenant-keeping God tonight. Great is Thy faithfulness. How we thank You. How we praise You, oh God. How we give glory and honor unto Thy great Name. Oh, blessed be Thy wonderful Name, Father. Blessed be the Name of the Lord Jesus Christ.

Oh God, where there is need for healing tonight; where there is need for deliverance tonight; may the Spirit drop faith. May dewdrops of faith, oh God, dewdrops of mercy, Lord, drop down from the wings of the great Angel of the Covenant. May we abide under Your wings, under Your shadow tonight, oh God! Hallelujah! You said, "The plague will not come nigh thee: the arrow that flieth by day and by night. Though one thousand will fall on one side and ten thousand on

the other side, oh God, He that keepeth Israel neither slumber nor sleep. As the mountains are around Jerusalem, so the Lord is around His people tonight. You are our Shield and our exceedingly great Reward. Oh God, we believe You tonight. We accept Your Word. We humble ourselves under Your mighty Hands.

Father, where they is not sufficient faith, I'm placing my faith there, for these, oh God. Where there are some who, have not learnt yet how to grasp that faith, oh God, let me stand. I'm standing on behalf of them tonight, oh God, holding my Token with unwavering faith. Lord, I believe You. I confess, oh God, Father, You are more than able to do the exceedingly, abundantly above all we can ask or think.

Oh God, have Thine own way tonight. Blessed be Your wonderful Name. Thank You, Jesus. Thank You, Lord. Glory, glory, glory be to God. Oh, just have faith. Just believe Him. Just trust Him. Just believe. If you believe the Word and you mix It with faith, say "Lord I believe It. I receive It." Amen. "I'm standing against that devil. I'm not going to walk in an unconscious mind. I'm not just going to take things for granted, oh God, and just live haphazardly. I realize that demon power is trying to confuse me; trying to rip my house apart and mess up my family. I'm going to be like a hen that gathers her brood. I'm going to bring my children close to me. (Amen.) I don't care what it is, I'm not going to let no barrier, no enmity, no hindrance... God, anoint me with Your love, let me just go after them like Abraham went after Lot; oh God, like Jesus left the Throne of Glory and went to the depths of Hell; oh God, like Abraham stood in the gap for Lot; like Moses threw himself in the breach, although they were rebellious and wayward and everything else."

Oh God, we want to see that kind of spirit inside of us, tonight. Oh, where we are lacking that, may You fill us up, oh Lord; Lord, so we could stand, we could see a real ministry of intercession, oh God. Our families can

be brought under the canopy of Your grace, under the umbrella of Your Word; under the shadow of Your wings Lord.

Oh, you believe it tonight. You receive it into your hearts tonight. You trust in the Lord and you know His Word is true and that He keeps His promises, friends.

You don't have to stand and be intimidated by the devil. You don't have to stand and be fearful, wondering whether God can deliver you or not. You don't have to accept any burden the devil wants to put on you and say, "You have to bear that for the rest of your life, and you can't come out of that." You just confess that God—He's your strong Man. He could bind that as the strong Man and spoil his goods.

Oh, glory be to God in the Highest! Thank You, Jesus. "If you get the people to believe you, nothing will stand before your prayer." Oh, you just believe. Believe on them whom God has sent. Even now, Jesus. Oh God, give me the attitude like the woman who reached out and touched. Give me the attitude like Martha (oh my!); like the thief hanging on the Cross who said, "Lord, remember me." Oh, a dying man was having faith in a dying Man. He saw every power of the enemy being broken. And when He saw that ransom price being paid, revelation struck his eyes, he knew it was more than a man dying there. He said "Lord, remember me when you come into Your Kingdom."

That's the attitude, friends. That's the attitude God wants. He always responds to that. He always does. He knows how helpless we are in our own self, that's why He stands for us. He is the Shepherd and we are the sheep. Glory be to God in the Highest! Thank You, Jesus. Thank You, Lord. Praise His wonderful, wonderful Name. Hallelujah. Thank You Jesus.

God is so good. Let's just sing that little song: *God Is So Good* [#459 - Songs That Live -Ed.]

God is so good,

You just worship Him tonight.

*... is so good,
God is so good,
He's so good to ...*

Will you receive His goodness? Receive His blessing tonight.

And I love him so.

Lift your hands and worship Him. Give Himself glory tonight. Let Him know you believe Him and you trust Him. Hallelujah. He'll take care of you just trust Him and you'll see. Hallelujah!

I love him so,

Oh, we love you tonight, Jesus. We worship You, Father.

I love him so,

He's so good,

He's so good...

... to me.

If you believe He's a prayer-answering God, you sing it with faith tonight. And believe for yourself now.

He answers prayer,

Whatever you have need of, tonight. Hallelujah!

He answers prayer,

Father, I rebuke every sickness, every oppression tonight. Every demon power that has tried to bind these people, Lord, I cast them away from your people, tonight. They confess that you are a prayer-answering God, and they believe You for deliverance tonight. In the Name of Jesus Christ, may You stand for them, Father. May you strengthen them, in this Hour.

Oh, God is so good,

God is so good,

I love him so,

And I love Him so,

Oh, for He answers prayer,

For He answers prayer,

Oh yes, He does tonight.

He's so good (hallelujah!) to me.

How great is our God,

How great is our God,

And how great is His Name tonight. Every devil must flee when we come in that Name.

... His Name,

Oh He's the greatest One, forever the same

He's the greatest One, forever the same...

Oh, He rolls back the water tonight. He can still make a way; open a way for you where there is no way. The devil might try to block you in, but watch God open a way and bring you through tonight; the great Shepherd guiding His sheep all the way to the promise. Hallelujah! Speak and go forward, amen! Thanks You, Jesus! Just put your trust in Him, tonight.

...and He said, "I will lead you..."

That what He says. Oh, will you put your trust in Him now?

...put your trust Him.

How great is our God. How great is His Word. His Word manifested, that's the interpretation of His Name.

How great is our God.

God richly bless you as you worship Him. May you leave with a deep satisfied feeling, that assurance, tonight. Hallelujah! You believe and don't doubt in your heart now. Say, "God, help my unbelief. Increase my faith," if you find you're lacking. Don't try to bluff it. God is faithful. He loves you. He died for you.
