Excerpt:

Sometimes you don't understand what is happening to you. It seems like when the Word comes forth, the Fire proceeds out of the mouth – Holy Fire, to do what? Consume your cosmos, burn that old nature out, push your pyramid up, (hallelujah!) throw you into all kinds of convulsions. The Word rocks you and shakes you. He might rock you and shake you a while; He might burn you a little bit, (amen!) but He is making you put back on your Eden beauty. Amen. But what is happening? Your skies are becoming blue again. Your water is becoming clean again. Your atmosphere is becoming Heavenly again. *(Page 18)*

*The Baptism With The Holy Ghost And With Fire On
The Eighth Day*

BRO. VIN A. DAYAL

Certainly happy to be in His House tonight (amen), and we're certainly anticipating another great blessing from His Presence. I trust that you were able to rest a little bit over the couple of days that we had, and that you have come prepared to really study in His Word one more time, because we have designated these services for teaching. And as we begin tonight, we are hoping to continue on for the next couple of days with the same subject. So I would encourage you to bring your pencils and pieces of paper as we study in His Word.

It is so important that in this Hour, we know by Divine revelation from the Word of God what is taking place. Amen. We want to look in on this Message of Redemption, this great Seventh Seal that has been revealed to the Bride to give us faith to leave this world. There is an appointed day when the Bride will leave here. He is going to take Her away from this world. He's going to come that where He is, we will be there also. And He has sent this Message to prepare us, to give us the faith sufficient to go because it is going to take a Rapturing faith, and faith comes by hearing and hearing by the Word.

And the Prophet said, preaching catches the sinner and brings him under condemnation, but teaching places the believer positionally, shows him what he is in Christ. [*Ephesians Parallels Joshua* - 1960-0515E, para. 4 - Ed.] And that is why we have designated these services, so we can really come and study His Word. And I believe the Bride loves the Word (amen) because He is the Word

and She is part of the Word. And She and He are becoming one in this Hour, becoming one with the Word. And as we feed upon the Word and are formed into the Word image, It will change this body. Amen.

How many have a special need tonight? Amen. Let us pray. Hold that need in your heart and believe Him. "He is faithful Who promised." [Hebrews 10:23 -Ed.]

Almighty God, how we thank You, Father, for another opportunity that we can come and assemble ourselves together in Your great, Divine Presence. And Lord, we are reminded that it took the shedding of Your Blood to make a way for us to come, Lord. There was nothing else that could make a way. There was nothing else that could breach that chasm that separated us from You, Lord. But You loved us so much; Lord, You came down and You made a way and You gave us an invitation and You gave us the assurance that when we come and make our request known with joy, when we ask according to Your Divine will, we can have the confidence that we have the petition that we desire of You.

And Father, many have lifted their hands tonight indicating that they have a special request. And Lord, You promised You shall supply our needs according to Your riches. I believe, Father, that everyone who lifted their hands tonight, oh God, they are only asking for something that would help them serve You a little better. So I pray tonight, dear God, that You will pour out Your Holy Spirit amongst us. Lord, You will give faith in every heart; You will meet every need.

And Lord, that common need that we have – the Word of God – a clear understanding, Lord, a true revelation; quicken It to us tonight, Lord. Let the great Teacher, the Holy Spirit—Lord, You said, "He will come and lead us and guide us into all Truth." [St. John 16:13 -Ed.] He will bring back Things to remembrance. He will teach us all Things. He will show us Things to come. We look unto Him tonight. Break the Bread of Life to us, Lord.

Feed our hungry hearts. Give us faith sufficient for this Hour.

Bless each and every one, from the greatest to the least. If there be a stranger or visitor in our gates, we pray that You will touch them in a special way. Oh God, You will give them a great hope in their heart, that hope which we have, that when You appear, we shall be like You, Father. Grant these things, we pray tonight.

We commit ourselves into Your hands, asking Your Divine leadership and direction, Lord, in all that we undertake to say and do, praying that it will bring glory and honor to Your Name and assistance to Your people. Bless us together, Father; in the Name of Jesus Christ we pray and ask these things. Amen.

I would like to invite your attention to the Book of 2nd Peter, chapter 3 and also the Book of Revelation, chapter 21. We're going to try to keep the same trend: go directly into our subject, teach you about an hour and a half, and then close. So during that time, you be in prayer and have expectation in your hearts for a faith that God has given unto you. Amen. Let the Holy Spirit have Its free course in the Word. And if you don't have a Bible, you follow with somebody next to you because what we want to say would be from the Word of God. Amen. We're going to begin reading from verse 1 of 2nd Peter, chapter 3.

¹ This second epistle, beloved, I now write unto you; in both [of] which I stir up your pure minds by way of remembrance:

² That ye may be mindful of the words which were spoken before by the holy prophets, and of the commandment of us the apostles of the Lord and Savior:

³ Knowing this first, that there shall come in the last days scoffers, walking after their own lusts,

⁴ And saying, Where is the promise of his coming? for since the fathers fell asleep, all

things continue as they were from the beginning of the creation.

⁵ For [by] this they willingly are ignorant of, that by the word of God the heavens were of old, and the earth standing out of the water and in the water:

⁶ [By which] the world that then was, being overflowed with water, perished:

Notice that is one stage of the world. He was talking about the world that then was, being overflowed with water. That was one stage of the world. Then here is another stage.

⁷ But the heavens and the earth, which are now, by the same word are kept in store, reserved unto fire against the day of judgment and perdition of ungodly men.

[Amen.]

⁸ But, beloved, be not ignorant of this one thing, that one day is with the Lord as a thousand years, and a thousand years as one day.

⁹ The Lord is not slack concerning his promise, as some men count slackness; but is longsuffering [towards us], not willing that any should perish, but that all should come to repentance.

¹⁰ But the day of the Lord will come as a thief in the night; in...which the heavens shall pass away with a great noise, and the elements shall melt with fervent heat, the earth also and the works that are [in it] shall be burned up.

Amen. Here is another stage – the fire that is going to come to burn up the earth. Notice this. Peter was talking about the world that then was, that was overflowed with water in the days of Noah; then the heavens and the earth that are now; then the earth and

the heavens that are to be burnt up (amen) – different stages.

And Peter, he lived in that dispensation between the Blood of Christ being poured on the earth and the heavens and earth being burnt with fire. He was a witness of the Blood being poured on the earth. He had read in the Scripture and he had a revelation of the earth being baptized with water. He was a witness of the Blood of Christ being poured on the earth. He had a revelation that the same earth that was baptized with water and the Blood of Christ was poured upon it; was going to be burned with fire because Malachi 4:5 speaks of the earth to be burned. Amen. And then he also had a revelation – As we read, we're going to see it here.

Verse 11:

¹¹ Seeing then that all these things shall be dissolved, what manner of persons ought ye to be in all holy [living] and godliness,

¹² Looking for and hasting unto the coming of the day of God, [in which] the heavens being on fire shall be dissolved, and the elements shall melt with fervent heat?

¹³ Nevertheless we, according to his promise, look for new heavens and a new earth, [in which] dwelleth righteousness.

So here, he is looking now for another stage: a new heaven and a new earth. The world that was overflowed with water, then he witnessed the Blood of Christ being poured on the earth, then he saw the heavens and earth being burnt with fire. And after that baptism of Fire, then he saw a new heaven and a new earth. Amen. What a revelation he had, seeing the same earth going through all these different stages. Amen.

He said:

¹⁴ Wherefore, beloved, seeing that ye look for such things, be diligent that ye may be

found of him in peace, without spot, and blameless.

Amen. Revelation 21—Revelation 20 is the Millennium and the White Throne Judgment. And Revelation 21 is a period after the Millennium, after the seven thousandth year. Amen. Glory. So let us see what is going to happen after this Seventh Day, after this Seven thousandth year. Amen. And John was writing and he said:

¹ And I saw a new heaven and a new earth: for the first heaven and the first earth were passed away; and there was no more sea.

What a tremendous vision. He saw it. He didn't see the earth being baptized with water. He is not talking about the earth with the Blood of Christ being poured upon it. He didn't talk about the earth today, with hell being created upon it and all this filth upon the earth. He said: *I saw a new heaven and a new earth.* Amen. And John represented the Bride. Amen.

Verse 2:

² And I John saw the holy city, new Jerusalem, coming down from God out of heaven, prepared as a bride adorned for her husband.

He didn't just see a new heaven and a new earth. He even saw a New City coming down in the new heaven and the new earth. Amen.

³ And I heard a great voice out of heaven saying, Behold, the tabernacle of God is with men, and he will dwell with them, and they shall be his people, and God himself shall be with them, and be their God.

⁴ And God shall wipe away all tears from their eyes; and there shall be no more death, neither sorrow, nor crying, neither shall there be any more pain: for the former things are passed away.

⁵ And he that sat upon the throne said, Behold, I [will] make all things new. And he said unto me, Write: for these words are true and faithful.

Let us pray one more time.

Almighty God, how we thank You for the opening of this great Book of Redemption, this Message of the Seven Seals, these Seven Thunders that have uttered their Voices in this Day to reveal unto us what was sealed up in the Book. Lord, God, You have gathered us together by these Voices and It's preparing us for great translation faith. Let the Spirit speak tonight. Let those Seven Thunders utter their Voices again. Let great inspiration strike our hearts. Let the revelation be made plain. Bring understanding in the hearts of Your children. Lift the Church up in the Power of God. Pour out Your Holy Spirit again, Lord. In the Name of Jesus Christ we look unto You for what we ask, in Jesus' Name we pray, amen.

Amen. God bless you. You may have your seats. Just settle in by the grace of God tonight. Very early – we're going to leave early. All those who have to get the bus will get the bus on time and even though you don't get the bus, He could translate you home. Amen. After all, if we're receiving Rapturing faith from the Message, we could use it sometimes (amen) when we have need of it. God didn't give it to us just to have it, but so that we could use it when the situation arises. Amen.

So we want to begin tonight with this first message. We're going to continue on in it. And I want to take for a title, **"I SEE A NEW HEAVEN AND A NEW EARTH."** Since the Seventh Seal opened and God anointed my eyes to see it, I can't help but keep seeing that new heaven and that new earth, that full complete redemption. There was not a further stage for the earth after what is recorded in Revelation 21. That was the complete redemption: a new heaven and a new earth. It did not have to go through any more stages.

If we look at the earth tonight in its present condition, we see it needs to get a baptism of Fire. God cannot come down and dwell on this earth in this present condition, though it's been baptized with water, though it's been sanctified with the Blood of Jesus Christ. God cannot come down and live in it until He put some fire upon it. Hallelujah! The same way God cannot come down; God will not come down and live in a person if they're only baptized with water. Amen! Hallelujah! It's after that baptism of Fire, God will take up His residence. Amen. Hallelujah.

So we are seeing here the full, complete Plan of Redemption: how this earth has come through its different stages since it fell with man and has been delivered into the bondage of corruption and it has been groaning. It's groaning, tonight. But in that Faith Civilization, it wasn't groaning. Hallelujah!

Oh, the earth was in its beauty! Her rivers were pure. Her atmosphere was clean. Hallelujah! Glory. Her shape was perfect. She was not deformed. She had on her Eden beauty. God looked at it and said, "It is good." [Genesis 1 -Ed.] Hallelujah! Glory. But today, all her rivers are polluted. All her trees are cut down. All her atmosphere is polluted. She has all kinds of devils in her atmosphere. Amen! All her ground has been busted up. Her shape has been deformed by man's science and his civilization has deformed her. Amen. All her molecules have been rearranged. She is a monstrosity today. Amen!

But we see here in the Bible, in Revelation 21, the old things were passed away; all things are become new. Hallelujah! What caused it? A baptism of Fire. Because Peter and John, both of them were speaking about the same earth, looking at her going through her stages of redemption until she was fully, completely redeemed. And Peter spoke it and John spoke it: *I see a new heaven and a new earth!* They had to give

witness. They had to give testimony (hallelujah!) of what they saw. Hallelujah. Oh, it's tremendous.

And we're going to take for our subject ***"The Baptism With The Holy Ghost And With Fire On The Eighth Day."*** Amen. Hallelujah. And we're taking this inspiration out of the message, *The Future Home Of The Heavenly Bridegroom And The Earthly Bride*. [1964-0802 -Ed.] Amen. And we see in this message—Bro. Billy Paul gave a testimony. He said that when Bro. Branham had preached *The Future Home* and he was leaving the platform—Bro. Billy Paul was taking him off, the service had been finished. The Prophet had preached long; lots of virtue went out of him, and he was leaving the service. He turned to his son and he said, "Paul, did you understand what I preached this morning?" Oh, he said that he had sat there that morning and he was so enjoying this great vision being brought from the Word about that new Future Home. So when the Prophet asked him, "Did you understand what I preached this morning, Paul?"

He said, "Yes, Dad." The Prophet looked at him again. He said, "How the Prophet could look at you with those Eagle's eyes."

He said, "Did you really understand, Paul?"

He said, "No, sir." Amen. And then he said, "The Prophet did this." [Bro. Branham indicates how many understood -Ed.]

He said, "Not so many understood what I preached this morning," when he preached that message.

Because all you have to do is take the *Questions And Answers* – the four services of *Questions And Answers* on August 23rd and August 30th 1964, because those services had followed *The Future Home*, and you see the questions in people's hearts. They wanted to go and live close to the tabernacle. They thought the Millennium had already started.

Bro. Branham in preaching gave an illustration showing the size of the City. And he said, it's going to

be fifteen hundred miles this way, fifteen hundred miles that way, fifteen hundred miles this way and he began to relate It to the North American continent and began to show them what size of space It will occupy. But the people were in such a carnal realm, that they thought he meant that you have to come and live within that distance of the tabernacle. So they were asking these questions. They were selling their homes. They were doing all sorts of things because they didn't get a revelation.

But when the Prophet was teaching on *Future Home*, he wasn't just speaking of something to come after the next thousand years, you know, way past the Millennium. Oh sure, we know the new heaven and the new earth will be after the Millennium and he was speaking of that in a measure. But what he was really bringing to us was to see something that was happening presently. He wasn't trying to take our eyes off of what was happening now and praising God for something to come. But rather he wanted to bring us to a true and clear understanding of what was presently happening in the economy of God. Amen. And the revelation of what he wanted us to see, it laid in the natural form in a type. So he began to show to us that God had only one Plan of Redemption. And the same Plan of Redemption that He uses to redeem the man, He redeems the earth by the same plan. Hallelujah!

And he said, "If I could only get one thing to you," while he was preaching the message, "is to see the Plan of Redemption." He said, "That is what I'm trying to bring to you – that man is part of the earth, and the earth is God's attribute." The earth was in God's thinking before God spoke it into existence, because God spoke the Word and the Word materialized and formed the earth. And a word is a thought expressed.

So where was the earth before it was expressed? It was in God's thoughts, and God thoughts are His attributes. Amen. And then man's body is part of the

same earth, and man's soul is God's attribute that was in the Mind of God also. Hallelujah! So he wanted to show to us, that all God's redeemable attributes, God had a plan to bring them back. And that Plan of Redemption was the same for the earth and for the man, which is the Title Deed of Redemption to man and his Inheritance. The Prophet was unfolding that Mystery showing unto us how this is coming back. Amen.

Now in the Word of God, there are many things that show redemption for man, and there are many things that show redemption for the earth. Amen. You go back to the Book of Leviticus, to the Book of Ruth, to the Book of Jeremiah where Bro. Branham took to preach *The Breach* to show that this Seven Seals is redemption (amen), and what fell in the beginning were Adam and Eve and the Eden (amen), and God is bringing man and his Inheritance back, so that the meek will inherit the earth again. [The Breach Between The Seven Church Ages And The Seven Seals 1963-0317E -Ed.] Hallelujah! It's redemption.

So there are many things in this Book of Redemption that shows redemption for the man and shows redemption for the earth. And since it is one Plan of Redemption, God put It in a mystery. Some of the things may not be clearly brought out that pertains to the redemption of the man. And to understand it, you will have to look at the redemption of the earth, because it is locked up in the redemption of the earth. And then some of the things for the redemption of the earth may not be clearly brought out because it is locked up in the redemption of the man. So when you put the two together, you see the full, complete plan because both of them are going through the same process. Amen.

So the Prophet, to bring out this Mystery of the true teaching of the baptism of the Holy Ghost, he went to the Plan of Redemption of the earth and showed that the earth is God's attribute. It was expressed. It was in perfection. It fell. It went through the stages of

redemption and it came back to a new earth. It put on the Eden beauty again. Hallelujah! And he knew that that is the exact process the man would have to go through. So on the message *The Future Home*, he was bringing that out to us so that we could see in another way, the trueness of what the understanding is according to the Bible, according to the Plan of Redemption; what the baptism of the Holy Ghost is, what It does when It comes (hallelujah!) and what condition It brings the man into. Hallelujah!

So as we look at it, it could give us great expectation, great hope if we know that the same God Who is unchanging is bringing us through the same process. Hallelujah! Then we will be able to understand what God is taking us through. Amen.

So Peter and John in 2nd Peter, chapter 3 and Revelation 21, they were both giving witness that they saw a new heaven and a new earth. They had seen the earth receive a baptism of Fire and being loosed completely from the grip of the devil. Hallelujah! The earth right now is in Satan's grip. The curse that came from the fall, that nature is still in the earth. We see the thorns and the thistles when God cursed the earth in the beginning. And we see the earth had been baptized with water, sprinkled with the Blood of Jesus. But yet that nature of the curse is killing the earth and the earth is still under the grip of the devil.

There are all kinds of storms, all kinds of earthquakes (amen); all kinds of confusion, all kinds of politics, all kinds of false religion killing the earth though it was baptized with water and sanctified with Blood. Why? Because the nature of the curse is still there, because water and Blood cannot move the curse. It's going to take the Holy Ghost and Fire. It will take the Fire of God to burn that thing out (hallelujah!) because they never said, "I see a new heaven and a new earth," after the baptism of water. They never said, "I see a new heaven and a new earth," after He sprinkled it with the

Blood. But they said, "I see a new heaven and a new earth," after that baptism of Fire! Amen. Hallelujah. Glory.

They had seen it. And that's what I'm saying tonight, "I see." You have to give your own testimony. This is testimony time. Amen. The testimony of Jesus is the Spirit of prophecy. When the Seventh Seal opened, what did you see? Amen. Some people, all they can see is a new house or a new car, or a new pair of shoes, or a new hair style (amen); some new fashion. But he said, "I see a new heaven and a new earth!" Hallelujah! Glory! It's what you're looking at tonight. Amen! My.

They saw a baptism of Fire coming out of the sky, coming out of Heaven (amen), that was going to rock and shake this sin cursed earth, that was going to burn up every thorn and thistle, (amen!) that was going to burn out all pollution; burn out all politics. When that Fire is finished burning, there will never be one more dark sky. There will never be any more devils in your atmosphere. Hallelujah! Your water will be pure and clear as crystal. Your water won't be polluted any more. Amen. You say, "What are you talking about?" You are a type of this same earth. Hallelujah!

Look at some people tonight. They haven't received the Fire yet and look at their atmosphere – all kinds of spirits are in their atmosphere; all kinds of lustful demons are in their atmosphere. Look at their skies. Their skies are black – dark, and they are always gloomy. Amen! But it's time to let the Son shine in. Hallelujah! Some of them are so angry. Amen. All kinds of storms and tempests, always, you know, violent; want to tear up and break up. They need some Fire tonight (amen), to burn that thing out. Amen! Hallelujah!

Oh, they might be baptized with water. You know when the earth was baptized with water, it washed away all the cosmos. The earth was full of cosmos before that prophet came. God sent a prophet before the water.

God sent a prophet before the Blood, and God sent a Prophet before the Fire. Amen! Hallelujah. And we saw when Noah came, he was going to perform the baptism. Amen. He stood there preaching his message of baptism, calling for repentance. Amen. And what did God do with the earth? With the flood, He washed away all the world.

Cain's children, they had cut down the trees, dug up the earth, pulled up all the minerals out of it. Amen. They spewed all kinds of toxic waste in the atmosphere. They polluted all the rivers. Amen. And the earth was in a hideous condition. Amen.

Just like many of us, when we come to be baptized – some of the sisters with all their big hairstyles, paint on their faces, wearing a man's apparel, with their hair all chopped up; full of cosmos but the water baptism washed that away. Amen. It washed it off the earth (amen), this earth. [Bro. Vin indicates the body –Ed.] Amen. Then you had to come and sit under the Word and the Blood began to be sprinkled upon you to clean you up.

But look at the earth. After it was baptized, what happened? All kinds of civilization started up on it again, more cosmos. You see a lot of people like that. Oh, they get baptized, look clean and nice for a little while (amen), but then you see the cosmos starts coming back. Amen. By the time Jesus came with the Blood, it was in a condition again. All kinds of Roman spirits were all over the place. Amen. They had the earth in a hideous condition. Amen. Sometimes it's just the grace of God that God has to give Ministers, when they see all that cosmos coming back upon people who have been baptized. Amen! Hallelujah.

And we see the earth coming along, but look at the condition of it today. Amen. If God doesn't give this earth a baptism of Fire at the rate that it is going at; could you imagine what it's going to be in the next twenty years if God lets it tarry that long? Look at the filth. Look at the corruption. The whole earth is falling

apart. Look at the atmosphere – so polluted, filth everywhere, hideous! Amen! But we have a hope (amen) that God is not going to let it go like that. Amen. Hallelujah.

And we noticed something. John and Peter, they saw this Holy Fire coming down from Heaven and they saw the earth being delivered from the bondage of corruption. Not only that, she was putting on her Eden beauty again just like she was before the fall, before the curse – no sorrow, no death, no pain, (hallelujah!) no more crying. Amen! Hallelujah.

Look at Jesus; when He was on the earth (amen), He wept for Lazarus. He cried for Jerusalem. He was in agony, in pain on the cross in Gethsemane. Amen. He was full of sorrow; a Man of sorrows and acquainted with grief. He died on the cross: sorrow, pain, death, crying. All of our sins were upon Him (hallelujah!) just like the earth, this very earth; earth that came by the Spoken Word of God. But on the Resurrection morning under the Easter Seal, under the Seventh Seal, on the Eighth Day, on the morrow after the Sabbath, out of Heaven came the Fire of God, the Pillar of Fire, another Mighty Angel, (amen) broke the Seal and quickened the Body back to life. And when that Body rose, there was no more crying, no more sorrow, no more pain, no more death. Hallelujah! It was a perfect, glorified Body (hallelujah!) showing in a type what is going to happen to His Body – His Bride, His Earth that He created by the Spoken Word. Hallelujah! Oh my, it's a tremendous thing. Amen.

God put it in the Bible in a shadow, in a type. And the spiritual mind of a Prophet, who was sent to bring forth the Plan of Redemption that was sealed up in the Book with Seven Seals; he began to look and see that plan and began to bring the Good News to the Church (amen) because he had seen it.

He had seen the new heaven. He had seen the new earth. He had seen the New City. He crossed over

beyond the Curtain of Time and he saw the whole City that was being prepared. Hallelujah! He saw many mansions in His Father's House. Hallelujah! Jesus said: *In my Father's house are many mansions*. [St. John 14:2 -Ed.] All those mansions make up the City, but that City is going to come down in the earth. It will not come down before the new earth. It will not come in this old earth, but it will come in this new earth after the baptism of Fire; after that baptism of Fire takes away all corruption, takes away all pain, takes away all sorrow; after it burns out all the filth; after it takes away the nature that came by the fall. There is still a law of sin in this body (amen! Hallelujah!), but when this earth is changed... [Bro. Vin indicates the body -Ed.] And this earth is going to change only after the heaven changes: a new soul (hallelujah!); a new heaven and a new earth, and a New City, that theophany coming down on this new earth. Hallelujah!

What a vision (amen) that Peter had, that John had. And the Prophet who was the eyes, the seer, had looked in the Book when that Light shone on the Word (hallelujah!) that Light never shone on before, and it brought the Mystery out and he showed it to us. And he showed us the Church, how She had come through those stages.

We had water in Luther. We had Blood in Wesley. The Church received a portion of the Holy Spirit at Pentecost, turned it Heavenly in the Seventh Age; just like the earth will have in the Seventh Day, in the Millennium. But that is still not the new heaven and the new earth. Hallelujah! But when it gets the full baptism (amen) after the Seventh Age is run out, after the Seventh Day is run out; then Holy Fire is going to come and bring a full, complete redemption. There will never be another stage. Hallelujah!

You may say tonight, "Brother, what do you mean? Do you mean right under this Message, which had come after the Seventh Age ran out – Revelation 10; Holy Fire

came out of Heaven to bring a full, complete redemption, that under this Message we are going to have a full redeemed body? Are we going to get our new earth under this Message?" My brother, my sister; that is exactly the Truth. There is not another Message. There is not another stage. Under this Message, we already got a new heaven and we're going to have a new earth. Hallelujah! Glory be to God! And under this Message, our mansion is going to come down in this earth. Hallelujah! Glory! Amen.

That is my vision. That's the vision I'm seeing under that Seventh Seal, because that Seventh Seal is the Seal of Redemption. And under that Seventh Seal, I'm seeing I'm going to have a new body. At the last Trumpet, this mortal shall put on immortality. Paul said, "We groan right now." [2nd Corinthians 5:2 - Ed.] We groan in these bodies: you get a headache still, you get a backache still, you're groaning but, brother, at the last Trumpet (hallelujah!) this mortal will put on immortality.

Right now, you see your children, you see the condition of the world and you weep and you cry. Amen. You are in agony and in sorrow when you see filth coming and taking over the Church. Amen! Hallelujah! But in that body, there will be no more sorrow, no more tears; no more pain. Hallelujah. Oh, what a time it's going to be! Amen.

They had seen it. They had seen the deliverance that the earth was going to experience. I could imagine, under the vision, as they saw the earth being burned with that Holy Fire, devils were being consumed; a pyramid was being pushed up in that earth. In this earth, [Bro. Vin indicates the body -Ed.] a pyramid is pushing up: faith, virtue and knowledge (hallelujah! Glory) that Christ Himself, the Headstone, the Lamb will come and cap off that pyramid. In Him is Life and His Life is the Light of men. Amen. And a City built on a hill cannot be hid. His Light will be seen around this world - every nation, kindred, tongue and tribe.

In the Third Pull, in the resurrection; they will see His Light. Hallelujah! Glory! The City will not be hid. There will be a redeemed Bride. Hallelujah! Glory. Oh, what a vision! And they were looking at it, and at first maybe they couldn't understand what they were seeing, but then under the inspiration of the vision, they began to recognize that it's the earth that was so filthy.

Under the Fourth Seal had so much bloodshed. Under the Second Seal had so much deception. Under the First Seal had so much darkness – religious darkness, and famine under the Third Seal. There was a holocaust under the Fifth Seal. Amen! Glory. It is the same earth under that Seventh Seal being completely redeemed; (hallelujah!) she was putting on her Eden beauty again. What about when this Bride begins to put on her Eden beauty again? What about when this Bride begins to go through a full, complete deliverance? Amen!

Sometimes you don't understand what is happening to you. It seems like when the Word comes forth, the Fire proceeds out of the mouth – Holy Fire, to do what? Consume your cosmos, burn that old nature out, push your pyramid up, (hallelujah!) throw you into all kinds of convulsions. The Word rocks you and shakes you. He might rock you and shake you a while; He might burn you a little bit, (amen!) but He is making you put back on your Eden beauty. Amen. But what is happening? Your skies are becoming blue again. Your water is becoming clean again. Your atmosphere is becoming Heavenly again. Hallelujah. Hallelujah!

That is why I love this Message, because Revelation 10, the Seventh Seal... After the Seventh Age was finished, then came the Pillar of Fire out of Heaven on the Eighth Day to bring a full redemption, full deliverance; to push a pyramid up in a Bride, in redeemed earth, that God Himself will come down and crown that life with His Glory. Amen. Hallelujah.

Oh my, what a vision! I'm seeing that same vision. I'm seeing I'm going to have a new heaven and a new earth. I'm walking into it. Amen. He is showing it to us, so we can walk into it. Amen. He is showing you that you're going to be completely redeemed. He is showing you that He is going to loose you from the grip of the enemy.

He may always have your skies black. For years you might be coming to church with black skies, all kinds of contrary winds. Amen. Hallelujah. For years you might be parched and dry like a desert, full of stickers. You're only sticking this one and sticking this one; causing all kinds of trouble in the Church. Amen. But this is the Hour when that baptism of Fire begins to burn in your soul. *Burn, burn, Holy Spirit, burn in me, set my soul on fire. Fill me with the Holy Ghost.* Amen!

When God begins to burn inside of you under that baptism of Fire, the desert will bloom again. Hallelujah! "Those cactus," the Prophet said, "they are really leaves, but they don't have any water so they roll up tight, tight, tight, and they get so sharp. And some are jumping cactus, they jump on you if you only go near to them."

Sometimes you see some people like that. Brother, they jump on you if you only go too close to them. They begin to stick and stick and stick, and they're dry and parched. They sit down there irritable; full of dark skies and their atmosphere is polluted. Oh brother, you can't even get a little shade from under them. Amen. They have no leaves. They only have stickers. He said, "But under that baptism of Fire, those stickers are going to unfurl back into leaves." Oh my!

What some people need is the Holy Ghost and Fire. Hallelujah. What they need is to yield and submit themselves to the Message. Because I want to show you, as we begin this series of services this week, that this Message – Revelation 10, is the Baptism of the Holy Ghost and Fire; (hallelujah!) this Message has come to burn and burn and burn in you, from baptism to

baptism until it pushes up a pyramid in you; until It brings you to a new heaven and a new earth, (hallelujah!) until you put back on your Eden beauty; (hallelujah!) and that this is what the Prophet was preaching on *The Future Home*: showing us where this baptism of Fire comes; where it comes out of Heaven, to show us where it is placed in the Scripture. Then he wanted us to see when the baptism of Fire comes – at what time. Then he wanted us to see also, what It does when It comes. And he wanted us to see again, what follows this baptism of Fire. Amen.

So when he opened up *The Future Home*, it wasn't just to tell us about something way down the road after the thousand years. He was taking the Plan of Redemption for the earth, but revealing to us the Church, the Bride, where we were and what was happening; that his Message was coming after the Seventh Age had run out. It was coming out of Heaven. It was Holy Fire to bring a total annihilation of sin to loose us completely from the grip of Satan, to deliver us from the bondage of corruption. Hallelujah!

He said these Seven Thunders that are going to rock and blast this sin, cursed world, that are going to shake the Bride (amen), they will be something that will change these old bodies; give you a new earth, give you a full deliverance, give you a full redemption. But those Seven Thunders come after denominational Ages.

When the Seven Church Ages are run out, the next announcement will come out of Heaven. Hallelujah! God, Who is a consuming Fire – the Pillar of Fire, is going to return. Hallelujah! Coming for what? To have a feast that is kept with Fire; a Holy Convocation in that Eighth Day to bring a new creation, to bring a brand new man (old things are passed away, hallelujah!) to bring forth a Bride that will march up into Glory. Hallelujah! Glory! My!

And he took this Plan of Redemption for the earth and began to reveal and show that God is doing the

same thing with the earth. Same thing He is doing with the earth, is the same thing He is doing with man. Amen. Because that seventh day, that seventh feast, it is a type of the Seventh Age. Amen. And John saw it coming down after the Millennium (amen), after the Seventh Day, after the Seventh thousandth year. Amen. And it is going to burn until it brings a new heaven and a new earth completely loosed. Amen. My! Glory.

And when Bro. Branham began to open up this Mystery, he began to show to us, there was a specific time when that Fire comes out of Heaven on the earth to bring it into a new earth; showing that there is going to be a specific time that that baptism is going to come out of Heaven to bring a new body for us. Amen. And he wanted to show to us what It does to the earth when It comes; how all the deserts are going to bloom again – places that are dry and parched, all the dark skies, all the polluted atmosphere, all that nature and curse that came from the fall; showing that when that Holy Ghost comes upon a man in this Age...

You see a lot of people today, they say, “I have been baptized with the Holy Ghost,” and they have all kinds of funny atmospheres. They have all kinds of politics, all kinds of corruption. Amen. The Fire of God has to burn that out. Amen. They have all kinds of polluted rivers. You drink of that water; you get contaminated. They have all kinds of contrary winds (amen), all kinds of dark, angry skies. How could they have that baptism of Fire and all those things are still around? No, sir!

On the Eighth Day, when that Fire comes out of Heaven, It burns that out and pushes up a pyramid (hallelujah!) in your earth. Amen. There is a pyramid in this earth right now being pushed up. Hallelujah! Glory. See? And then he shows us that after the earth was completely loosed from the grip of the enemy, what followed that baptism of Fire. Look at the condition – new heaven, new earth, no more sorrow, no more pain,

no more yesterday, no more tomorrow, no more weariness, no more tired, no more gloom, no more depression, no more frustration, no more anger. Amen! It's all gone. Oh, what a Day that will be! We are walking into it tonight. Just let that Fire keep burning.

When that Holy Fire comes and begins to rock you and shake you (hallelujah!) burn up all that cosmos on your earth, it wouldn't have any more Los Angeles. It wouldn't have any more Tegucigalpa. It wouldn't have that. The Fire will burn that out. Amen. And in your earth, you may have a little Los Angeles, some little thing you get from a fashion magazine; some little thing you picked up from television. You, maybe, want to cut up all your trees. Amen. Hallelujah! You may want to pervert the earth; put all kinds of chemicals inside the earth. Amen. You may want to make this earth high and some places low.

That is what man is doing today. They give it all kinds of scientific names. They call it calisthenics, aerobics. [Rhythmical exercises -Ed.] Amen. What are all these things for? To develop their earth. And then Max Factor with all kinds of chemicals to put in the earth. [Producer of a popular brand of cosmetics -Ed.] Amen! But brother, what you really need to put on your Eden beauty – you don't need that; you need a baptism of Fire (hallelujah!) to loose you. Amen.

That baptism of Fire, It looses the earth from the bondage of corruption. It purges out all the filth and pollution. How could you be in this Message, full of filth and pollution and say you're in the Bride, and no pyramid is being pushed up in your earth? You are deceived. Because on the Eighth Day, when that Fire comes out of Heaven, It's going to purge all filth. Amen! You can't live around the church with all kinds of abominations and pollutions. You might be part of Satan's Eden, but God is going to burn that thing out. Amen! Because when God's Bride puts back on her

Eden beauty, She won't have any of those things any more. Amen.

Today you see man continually tampering with nature, trying to improve on God's creation. Amen. See? They destroy the earth that we live in. All of those beauty parlors that those women go to to get deformed (amen), because they're going to chop down all your trees inside of there – all your hair. Amen. In the fashion shop, they strip you naked. In the hospitals, they are changing the sex of the people: all kinds of weird operations (amen!) deforming the earth, corrupting the earth. Hallelujah! Amen. The same way they do with the natural earth, they're doing with this earth. And the same way Holy Fire will purge this earth, He will purge the other earth, because it's the same Plan of Redemption. Amen. My!

With all their false religions, they pollute the people's souls; pollute the heaven, until the heaven is filled with the prince of the power of the air. Amen. All kinds of fowls of the air are in the atmosphere. All kinds of different devils are in the heaven. Amen.

When Adam was in Eden, let me tell you, it didn't have that in his atmosphere. And in that new heaven and new earth, every one of those devils will be burnt out. Amen.

What some of you need to do tonight is to cry out to God and say, "Lord, burn up all of those devils in my atmosphere." All of those lustful devils, all those jealous devils, all of those devils of criticism and malice that have you in a strange atmosphere (amen), let that Holy Fire burn that out tonight. Amen.

If It throws you into convulsions tonight, if It rocks you and shakes you; those volcanoes are going to spew out that lava (amen) – blow those flues of reasoning and imaginations out, (amen!) purge it out; put you in an atmosphere of Perfect Faith. That is the kind of atmosphere: an atmosphere of Divine Love and the Power of God. Amen. That is the Eden beauty that

we're talking about. Amen! Hallelujah! When a man lives in that Eden beauty, when a man walks in that Divine atmosphere of Divine Love of the power of God, what do you think is happening? He is back there with his Eden beauty again.

Look at the Prophet speaking to the hornets, "Oh, creatures of God, go back in your nest." Speaking to the bull (amen), speaking to the storm, speaking to the sinners in the service, "I forgive you," (amen!) a man with his Eden beauty. What had happened? He had been baptized with Fire – Holy Fire. A pyramid was pushed up inside his earth, and God, the Lamb, was the Light in his City. His Light was seen around the world. They saw his Light in Germany. They saw his Light in India. They saw his Light in Africa. They saw his Light around the world. Hallelujah! Glory. Amen!

No politics – the Ministers tried to get him into politics, but Holy Fire had burned out all those politics. Oral Roberts and Billy Graham were lusting after the world: made a reputation, made a name for themselves. Amen! He wasn't interested in that. He just wanted Holy Fire to keep on burning. Amen! Glory! Amen. Glory.

He walked and lived with that Eden beauty. Don't you want to live there tonight? Isn't that the place you want to walk in tonight? This very Message, this Holy Fire, this Seventh Seal (amen!) has come to burn inside of us, until we put on a new heaven and a new earth. Amen.

Some of you might have already gotten your water baptism; the Blood might be sprinkled on some of you, but why don't you let that Fire move into your soul and begin to burn? There are some right now, who are under that Fire as it burns, as it burns; burning all that self out, all pride and ambition; bringing in humility, bringing in faith, and virtue, and knowledge, and temperance, pushing up a pyramid. They already see where they're heading – new heaven and a new earth.

Hallelujah! The vision is breaking upon them. Amen. Hallelujah. They understand the grace of God (amen), what God is doing for them. Amen.

I'm going to close here. We're going to pick it up tomorrow, (amen) and continue, because I want you to see the Hour that we are living in. Amen. Bro. Branham took this message, *Future Home* to show to us where this baptism of Fire, in the Plan of Redemption for man: where it comes (amen), what it does when it comes, what follows that baptism of Fire. And he took the Plan of Redemption for the earth and he shows us, it comes at a specific time after the Seven thousandth year, after the Seventh Day: a type of the Seventh Age. And he shows us what it does when it comes, and he shows us what to expect; the condition it is going to bring us into. And he shows us what is going to follow it when it comes for the earth. And he shows us what is going to follow for us when it comes: a new body, a theophany coming down in this new earth. Amen.

And John said, "I see a new heaven and a new earth." Do you see it tonight? When the Plan of Redemption is being revealed to you, the plan for man – same plan for the earth – but when you look at yourself, do you see you walking into a new earth; a new body? Amen.

Three things happen (amen) when that baptism of Fire comes out of Heaven on the Eighth Day. Under the Shout (amen) is a new heaven. Under the Voice: a pyramid is being pushed up (amen) from the earth. And then at the last Trumpet: a new earth (amen) – this mortal will put on immortality, this corruption will put on incorruption. And this great Seventh Seal, this great thing that is happening, what we're in right now...

Sometimes we say, "Oh, the Word is too hard. The Pastor is making too many demands in my life." It is the devil trying to confuse your mind. It is those spirits in your atmosphere screaming out for help because they know that Fire is going to burn them clean out of your atmosphere. They want you to get away from that Fire.

But if you stay in that channel where that Fire is burning, It is going to bring you into a full, complete redemption. Amen.

As we come in the next few nights (amen), we're going to take the three stages, how the earth... You see, if we don't separate those three things: the church, the earth, and the individual, we could get confused, because the earth has already gotten its baptism of water. The earth was already sprinkled with Blood, but the earth hasn't become Heavenly yet. The earth hasn't been born again yet. Amen. It only has water and Blood.

But the Church has come through the water already, the entire Body, the Church. They have come through the Blood in Wesley. They have been turned Heavenly (amen) at Pentecost (amen) in the Pentecostal Age, but the Church is going to receive a full Adoption, full redemption of the Body in this Hour.

And then the individual – some individuals are just justified. Some are now getting sprinkled with the Blood. Some already have a New Birth, and that pyramid is being pushed up adding Word upon Word until they receive the new body.

Look at Abraham; Abraham came through the water: Genesis 12. Abraham represented Luther in Genesis 12. Genesis 15: Abraham came through the blood. Genesis 17: Abraham had received the Holy Ghost. Genesis 18: the Lord Himself appeared. The Pillar of Fire came to do what? Bring a new body, a new earth. Hallelujah! Oh my!

It is so tremendous, as we look in the Word and we see how God is bringing us. I trust you see it tonight – a new heaven and a new earth, and the baptism of Fire, Holy Fire that comes out of Heaven on the Eighth Day to completely loose you from every grip of Satan. If he is gripping you with a grudge, if he is gripping you with dark skies, contrary winds, polluted water; (amen!) that baptism of Fire could loose you completely from all these things tonight. Amen! Because under the Eighth

Day, there was going to be no—sorrow is going to be wiped away; pain is going to be wiped away.

Let me tell you, sixty-eight million died in the Dark Ages – a lot of pain and sorrow and death. But under the Eighth Day, in this Day, sorrow is being wiped away; pain is being wiped away. Death shall be wiped away. Hallelujah! This Bride, we who are alive and remain until the coming of Holy Fire – Holy Fire Himself shall descend from Heaven, upon a Bride (hallelujah!) to bring a new earth and a new heaven (hallelujah); completely deliver Her from the bondage of all corruptions. Oh, glory be to God! Amen.

So we must see the time that we are living in: the Eighth Day. We must see what God is working to achieve – full, complete redemption. We must see what our Message is. The Message we have received in this Hour – Revelation 10; we must see what it is. It is the Baptism of Holy Fire. Amen! Even things that came through the Pentecostal Age, though they had a measure of Fire, will not go in into this Eighth Day. Amen. Yes, sir.

Sin will go through the Millennium, but it will not go into the new heaven and the new earth. That Holy Fire that comes down after the Seventh Day is going to burn it out. And a lot of people come in the Message with their Pentecostal hangovers, their Pentecostal traditions, their Methodist traditions, their Catholic traditions but this Holy Fire, this Message of the Hour burns it out; annihilates it! Amen! Glory! It will not be in this Bride. She will be without spot and without wrinkle. Amen.

We must see what our lives will become – fully redeemed attributes completely loosed from Satan's grip. Amen. And we must see, most of all, it is happening right now, that we are caught up because this is the Day we are living in, this Bride Age, Revelation 10; under this very Message, not another message; there is no more.

Under this Message, we have come through water, we have come through Blood; we have received a birth, and we get a new heaven and a new earth. Under this Message, we are putting on our Eden beauty again. Hallelujah! It's all happening under the Seventh Seal – full, complete redemption – because that Seventh Seal, Revelation 10, it's not the sixth day, it's not the seventh day; it is the Eighth Day. Hallelujah. It comes after the Seven Church Ages run out. Amen.

The Seventh Seal is Redemption. The Seventh Seal is the baptism of Fire. The Seventh Seal brings a new body because under that Seventh Seal is a Shout, a new heaven; the Voice pushes that pyramid up, amen; and the Trump, a new earth. Hallelujah! And a New City is coming in that new earth, fully, completely redeemed. Amen.

Oh, my brother and my sister, we should be thankful. The Hour is here, He is taking away all sorrows, He is taking away all pain; He is taking away all sickness. It is all happening under this Message. You just stay faithful to this Message. Stay walking in It. Amen. As I said, It may throw you into convulsions; It may rock you and shake you (amen) but It's bringing you into a full redemption. Amen.

Do you love Him? Do you appreciate Him? Do you see what He is doing for you? Do you understand it? Pray for revelation. Let the Holy Ghost burn in your soul. May these next few nights bring baptism after baptism (hallelujah!) that we could walk out of here with Eden beauty: perfect love, perfect faith, dominion; (hallelujah!) no malice, no guile, no jealousy, no anger, no critical spirit, no lustful demons, no pollutions – Eden beauty. Hallelujah! Glory be to God!

Let us all stand. Amen. Let us bow our heads and close our eyes.

Father, we thank You for Your Presence, for Your Word; for what You are doing, Lord. Words cannot express Your goodness and Your mercy unto us, Your

people. But Lord, we confess and we acknowledge as we stand in Your Presence that we love You, Lord. How we appreciate You! We will bless You, always. Your praise shall be continually in our lips. As David said, "I will bless the Lord with all my soul, and with all that is within me, I will bless His holy Name."

May You continue Father, to unfold, to reveal, to make plain, to inspire these great Things to every heart, oh God. We commit the people and this portion of the message that has been spoken tonight into Your hands. May You deal with every one as You see fit, Father. We thank You for Your Presence and Your assistance tonight, in Jesus' precious Name. Amen.

Amen. God richly bless you. I will give the service back to the Pastor. Amen.
