

Third Exodus Assembly

# Worship Under The Seventh Seal

Pastor Vinworth Dayal

16<sup>th</sup> April, 2011

## WORSHIP UNDER THE SEVENTH SEAL

Pastor Vinworth Dayal

Saturday, 16<sup>th</sup> April, 2011.

*For soon I know*

*we will be with him on high*

Amen. It's going to be that way one of these days. All of a sudden you feel something all over you the prophet says; and then this mortal put on immortality. That Theophany move down and pick you up. Move within you and began to travel at the speed of thought. What a great thing! Between thirty to forty days he says. We'll be here on the face of the earth then we'll be gone. The world wouldn't know what is happening, but just like when they rose, Matthew 27, they were appearing to people in the Holy City; and the holy city is Jerusalem, heavenly Jerusalem, city of the living God, the Bride, the Lamb's wife; and just like the rest of the dead live not for a thousand years, so the dead in sins and trespasses here would be unaware of what is happening. Amen! What a great time friends.

This would be sudden like that tsunami came. It would be faster than when the angels came he says. Before he could bat his eye, he saw it like a little speck coming from eternity, and they swept down and pick him up, amen! In the presence of the supernatural fire, the supernatural cloud, and they begin to speak to him. Go back East and open the Seven Seals for God. He had those things for hundreds of thousands of times. He says, "Every time that angel draws near I feel like I want to die." Could you imagine what it would be like for you and me? If he had it from a little boy 'till he died and then when that angel come near, he like he wants to get a heart attack. He says, "Heavenly places is a fearful thing." He says, "What we have here in church is joy. That is like bubble dancing. You get happy. You get full of joy." The presence of angelic beings standing there. That's a different thing. Then that ain't the movies. To see a man step out of the ball of fire standing there, a eternal being looking like a man but not flesh and blood; looking like he's wearing clothes but not this kind of clothes. He says, "There was so much power in him. He look like if he spake

the whole world would turn over. He was privileged to be that close to these heavenly ones. Amen.

God would hold our sight but he say you feel the influence of them. He says, "What make you feel to scream and shout sometimes." He say, "You are bumping into them angels right here, but because your mind does be in Abel country, we in church." The most we can relate too I feel charge; or I get some goose bumps. Unless you really have revelation then your mind would understand is angelic beings. Outside of that you said I felt nice in service. I felt blessed; but it's far more than that. It's a parallel universe. It's another world right here; and this little place here, it's a gateway. You could believe it or don't believe it. It's a gateway. They only have few of them on the earth. This is one of them. Blessed be His name.

That is what happened to Jacob. He says, "*Surely the presence of the Lord is in this place.*" This is none other than the house of the Lord. This is the gate to heaven he says: The gate to heaven. He went many places but he didn't call other places the gate to heaven. He said here must be a gate to heaven. God could reveal that to His sons, about gates to heaven? If He was a deceiver, in the old nature, how much God could reveal if he represented the hundred and forty four thousand who's to meet the angel after us? Because we go before them. Hallelujah. Asenath is dismissed to the palace then he makes himself brothers. How much more he would reveal to us a gateway? Amen.

You walk in this place. You say I enjoy the feeling. It feels nice around here. That's a perception. When you go a little deeper than that, you recognize the Holy Ghost follows the church. Where she is, he is. The angel of God encamp round about them. That's right. It's a great thing when he can quicken us and raise us up into heavenly places. When we speak of heavenly places, we don't talk about feeling nice now. We talk about the believers' position in Christ revealed by the Holy Spirit. Birth was connected to the placing. If you have a new birth, that connects to something, a Theophany, part of the heavenly city, a position in the economy of God. That's right.

May God make these things real to all of us. If he does, you'll start to get faith for rapturing grace. You walk with a faith here, but when these things start to be reveal, it's another level of faith.

*These divinely revealed mystery truths will literally turn the heart of the children back.* That's why we need him, that measure; but that's why he promised for this day. Ask for it. Believe it. Expect to receive it even as we go for prayer now.

Gracious Father, we bow our hearts in Your presence. We look to You tonight, the author and finisher of our faith. We depend upon You. We rely upon You. We acknowledge You in our presence. Without You, we can do nothing, because we are dealing with divine things, the Word of God. Only the Holy Spirit can reveal it; and we are expecting God to receive something more than just reading about it Father. Literacy means we can read it, but to receive revelation that's not education. That's the operation of the Holy Ghost. That's something spiritual. That would take the Holy Ghost himself to go into operation with intent and purpose, with intent and purpose, that we can receive something from you Lord. May you grant it Father.

Speak to us out of thy Word. We come tonight to enter a little deeper in these great things you are leading our souls to see and recognize. May you grant it Lord I pray in the name of Jesus Christ. You meet every need. Bless all your children. Undertake for them all throughout this region. May you help us and may you prepared our hearts, so when we come to your table tonight, we can come Lord in the right spirit to enter into this ordinance, that was divinely ordained by you that it might bring us into a closer fellowship around your great redemptive work. So let it be tonight. We ask it for Your glory and for Your honor. In the name of Jesus Christ, amen.

Praise His wonderful name. I don't know maybe sound engineers like the singing more that the preaching. Somehow eight, ten of them could stand up here and sing normal.

Let's turn our Bibles the Book of Revelation Chapter 5 and 15 also. I want to read two places to begin. Starting from Revelation 5 verse 7, and then Revelation 15.

I want to take for a little title tonight *Worship under the Seventh Seal*. I have been speaking on *Music and the Supernatural*, and we want to go in a little deeper tonight. I trust that you were able to catch some of the things the Holy Spirit had been breaking to us here. That it will bring you to a closer fellowship, and a clearer understanding of how to relate and work

with the spirit; because that's what these things will achieve if you see it right. A way to be perceptive to the spirit. A way to get in the spirit. Not your spirit, but get in God's spirit. Amen.

The prophet was in his spirit when he say if wasn't for Jehoshaphat I wouldn't even look at you. Say why don't you go to your mother and father God. He was in his spirit and then to get in God spirit, he say bring me a minstrel. As he begin play, he begin to move into a channel because that music was drawing the Holy Spirit, and taking him out of his spirit; and he understood the music can help him to move from here to there because he knew David had made these discoveries; and it became some thing instituted in the worship.

You see that's why there's a natural church and there's a spiritual church. In the natural church, it's like the grain of corn that science make - so much amount of calcium here, so much amount of calcium there. Everything that this one has, this one has. He say, "Well put the two in the ground, only one is going to come back up. That is the one God made." So this is the thing. One has God's life because God design it so. The other one man make it, but man cannot give it the life that this one have. You catch that. God only works in certain thing with the elect. Others, the rain could fall on the just and the unjust, because certain things is only for the elect. That's why he says, "This will not be impersonated." People do what they want. Hallelujah. This is the grace of God.

Revelation 5 verse7, this is the thing that all creation waited for. This is the thing that all the sons of God had waited for. It took Seven Church Ages for them to be manifested on the earth; and then the hour was going to come the Lamb who did the purchase work, and sent back the Holy Spirit on the day of Pentecost as a seal unto the day of redemption, the earnest of the inheritance, then the time will come for the redemption of the purchase possession; to claim the ones that was purchased, amen. So now He's going to take this Book.

Taking this Book is a new season because He had to wait until the names in the book was manifested in the earth, because in the time of the mediatorial work, He's a Lamb interceding for them. He's a beast interceding for them; but then at the end of the mediatorial work, He's to come and take the Book now and reveal what He did and how He did it; and that was going to take place in

the days of the voice of The Seventh Angel. That's why the mysteries were not going to be made known until in the days of the voice of The Seventh Angel, He not them, He not she. *He shall begin to sound. The mystery would be finished.* The angels had come. Seven Thunders was going to be made known in his time. And here is the Lamb that took the Book.

*And he came and took the book out of the right hand of him that sat upon the throne.*

*And when he had taken the book, the four beasts and four and twenty elders fell down before the Lamb, having everyone of them harps,*

Now the first time you see harps, that was invented in Genesis; but these is before Genesis. You see when you see something in Heaven; it means that's where it originate first. Things don't originate on earth and you does carry it to heaven. If you come from heaven, you go back to heaven. If you come from God, you go back to God, because that mean you eternal It's not a thing temporal and is earthly, amen.

*Having everyone of them harps, and golden vials full of odours, which are the prayers of saints.*

*And they sung a new song,*

They couldn't sing the song until the Lion take the Book and open it. This was songs not for the purchased work or the mediatorial work time. This was songs under the claiming work time when Jesus came to do the purchase work. They singing the songs of David, but David prophesied of one to come God promised in the Garden of Eden, and he fulfilled those things. Then under the mediatorial work, John Wesley, Charles Wesley, Luther, Fanny Crosby, William Cowper, Eddie Pruitt, song writers down through the age. Writing in that time looking back at Calvary; looking forward to the coming; but how He's coming and when He's coming is a mystery. Hallelujah! All Heaven is silent about this. But when that Seventh angel begin to sound and open the mystery of His coming, the rapture is a revelation only for the Bride. Then there's a new singing coming out, there's a new worship coming out.

*And the sung a new song, saying, Thou art worthy to take the book,*

This is prophesy. They could sing about it before it happen because it is being revealed; but where it happen, you could say He opened it by a prophet who was in Jeffersonville, who the angels met on Sunset Mountain. You understanding? *In 63 the angels came with the will and show me my name*; but you couldn't sing that before. You can sing *the deed has come and can't you hear your Theophany calling*. You can sing that now. *It's about home time*.

*Art worthy to take the book and open the seals thereof:*

*for thou wast slain, and hast redeemed us to God by thy blood out of every kindred, and tongue, and people, and nation;*

*And has made us unto our God Kings and priests: and we shall reign on the earth.*

Because they had to wait there. They had to wait there until the Lamb take this Book. That's the title deed. Then He had to had to give it back to the living descendants. There's a people on earth tonight have that Book. Many have things in a printed form. They have the Vials. They have the Seven Seals. Even unbelievers have the Seven Seals. Even the Catholic Church have the Seven Seals. Denomination have the Seven Seals. So it not meaning that. The revelation is in that. It take the Holy Spirit to put that in the heart of the Bride. Everybody had the Bible and it say a virgin shall conceive, but only Mary had the testimony. Hallelujah! So is not having the Book or knowledge of the prophecy. It's the testimony: the testimony of Jesus. This is very in details. Its thing that to hold very clear. When it's clearly reveal to you, you are not the same person. You get to find out you not the son of Charles and Ella Branham. When you know these things, then you start to live. It's not a realization.

*And we shall reign on the earth.*

Revelation 15

*And I saw another sign in heaven, great and marvelous, seven angels having the seven last plagues; for in them is filled up the wrath of God.*

*And I saw as it were a sea of glass mingled with fire: and them that had gotten the victory over the beast, and over his image, and over his mark, and*

*over the number of his name, stand on the sea of glass, having the harps of God.*

*And they sing the song of Moses the servant of God, and the song of the Lamb,*

Something is happening here. Both places: In Revelation 5 under your Seven Seal, the Bride; Revelation 15 under the Seven Trumpet, the hundred and forty four thousand; the elected Bride and the elected Jews. Both when this mystery is being revealed. The Mighty Angel come down here with the open Book; reveal the names and deliver the names in the Book. Then the Mighty Angel come down. In that day shall Michael stand and deliver the names. These is the ones singing. These is the ones having the victory; and their name is written in their forehead. Hallelujah! And they worshipping the same one that these worship over here. Over here is Ruth. Over there is Naomi. Both see Boaz. Both related to him. Both know he's the Lamb. He's the Kinsman redeemer. He paid the redemption price. Hallelujah. He's the same; he redeem them out of every nation, kindred, and tribe. These is Israel. Amen. Twelve tribes. Twelve thousand in each tribe. Glory!

Watch the song they singing. Over here they ain't singing the songs of Moses, but these singing the song of Moses. These over there overcome the beast too, overcome the age. It is reveal to us. We know what it is, but the Jews is to go in a covenant with Rome for the money; but the elected in that nation, a hundred and forty four thousand, they called and sealed. Just like these are called and sealed. Hallelujah! Then you could tell me in this hour and for them in the last half of seventieth week, then it don't have worship? It don't have singing? It's written in the Book for both of them, in the season, when the redemption is being revealed between intercession and judgment. Hallelujah!

Three prophets: one for the Gentile before rapture, two to the Jews after the rapture. Gentile prophet like Eleazar called the Bride out. Jewish prophets call that hundred and forty four thousand out; and in that prophet's messages is releasing a stimulation of revelation, is releasing the Holy Ghost. These are the only born again people in the age, Jew and Gentile. Nobody else get the Holy Ghost for a new birth. The rest goes in the tribulation. They will not be in the Millennium; but the hundred and forty four thousand

and the Bride will be in the Millennium. Hallelujah! *Are you looking for him? Are you looking for him?* Hallelujah!

*Saying, Great and marvelous are thy works,  
Lord God Almighty;*

They not talking about three persons in one God. Lord God Almighty. That's the Song of the Lamb. They singing the song of the Lamb. Lord God Almighty! Now they know is not a bullock. Now they know is not a goat. Now they know is not a little lamb. They meet the real Lamb. Their fathers had rejected that Lamb. Elijah had introduced the Lamb. Hallelujah! Their father call him Beelzebub, and they was scattered in the earth; but now under the Seventh Trumpet, after they being rushed back in their homeland, and the prophets came and open that Seventh Trumpet, and show them the beast, show them the image, show them the number, show them the deception. Oh my! They are singing.

The song of Moses is Exodus 15 when Moses sang the song. What did Moses sing? He saw every enemy dead in the Red Sea floating, destroyed; hallelujah! After he had call them out of Egyptians hand. Elijah call them out of Jezebel hands. Moses call them out of Egyptian hands. Elijah shut the heavens for three and a half years. Moses turn the water into blood. They are coming back. Hallelujah. And they will believe in their God; and they will believe His prophets; so shall they prosper; so shall they be established. Then if that is going to happen to them and them is not the Bride. The Bride is bone of His bone and flesh of His flesh. Hallelujah! The Bride is bone of His bone and flesh of His flesh. What that ought to do to you and me! *If we weren't meant to be Bride, we wouldn't hear these secret things.*

*Just and true are thy ways, thou Kings of  
saints.*

*Who shall not fear thee, O Lord, and glorify thy  
name?*

Who shall not fear Him tonight and glorify His name? His name is not Baptist. His name is not Methodist. His name is not Jehovah witness. The ones who have His name is written in their forehead by birth. Is the same name He has on His thigh. Glory! Glory!

*For thou only art holy: for all nations shall come and worship  
before thee; for thy judgments are made manifest.*

May the Lord bless the reading of His Word. You may have your seat. ***Worship under the Seventh Seal.***

The time of worship when the Lamb took the Book. Now did you notice they were worshipping the Lamb? They were worshipping the Lamb. Cain did not worship the Lamb. People with man made religion do not worship the Lamb. To worship the Lamb, you must have oil and wine. Oil is the Holy Spirit. Wine is the revelation of the Word that gives stimulation; and to get the wine, you have to have the oil. You understand that? Because without the Holy Ghost, you can't understand the revelation. You can't receive the revelation; because you in a natural man listening to a teacher on the outside, an flesh and blood cannot reveal it. You have to have the Holy Ghost on the inside, with the inside teacher in you teaching, with the Holy Ghost in you giving you the understanding. Hallelujah! What the outside teacher is teaching. Hallelujah! Then your water begin to turn into wine. What you know as letter, begin to get revelation. What you trying to study in Hebrew and Greek becomes the *unveiling of God* by revelation, with predestinated experience in your life; and God plan the believers life to bring you into this.

If you look into the Bible and you see the mystery of Ruth, and you see the mystery of Naomi, if you see the mystery of Rebekah, if you see the mystery of Jacob, it is very clear. Rebekah is the Bride appointed unto Isaac. The angel of the Lord met the servant at evening time to find her. She was found by prayer and leadership of the angel. That's right. Jacob's coming back, the angel intercept him at Peniel, at the dawning of the day; and at day break, hallelujah! When the new day was coming on, hallelujah! And so it is in this hour when you see the Bride like Rebekah chosen by Eleazar. You see Jacob returning back to the land of his fathers with his wealth. Hallelujah! What he get among the Gentiles, from Laban down in Syria; but he's going back; but in going back, the God who's giving him the dreams, the God who put in his heart to make him homesick to return back to the land where God, in the only place where God will bless the Jew in the covenant promises, because their covenant is in that land. That's right. Our covenant is in the Word, hallelujah! Because we have a spiritual land. They have a natural land. Amen. Glory! So we see these things; and as we look at it, you have seen how this unfolds;

and as it unfolds, it becomes very interesting for us, because we are seeing look at the way God planned these things, and it thrills our hearts to see that because when you see it in the Word and God can come into certain experiences, because if something in the Word is written pertaining to you, nobody else can't fulfill it.

It wasn't by accident Mary had a visitation. In God's mind, she was the chosen vessel before the foundation of the world, just like John the Baptist chosen to introduce the Messiah; so they can't be on the earth and don't get their visitation, because God is only coming to those who he ordain for it. That's why the Holy Ghost hunts out the predestinated first. *It is the rising of the Son.* The quickening power is coming for the seed with life in it. That's why when you see what Israel is to go through that those elected ones will be looking for those things; and those things will be interpreted in them, and that is not just true for them alone. That is true for us also. You get that? That's why now is a hour you have to be seeing you walking in the Word. You have to be convinced the Word is coming to pass because there is many other things have to be interpreted in their lives before they come to the ones specifically there, just like the Seventh Angel.

Before that Mighty Angel was given the open Book and reveal the mysteries, he being told from a little boy, a work for you when you get older. His life is being preserved. He tried to kill himself twice. God preserving the gift. Then God had to come to him to show him the things he have to do, the signs to get the people attention before the message come. A servant at supper time going out to call the halt, the lame, the main and the blind.

Israel in the home land because Naomi is there and Ruth have to be here. Otherwise Boaz has no wife. He have no family. But the prophesy to marriage of the Lamb and the wife had to be Gentile not Jew. Oh thank you Jesus!

You really can't serve God and worship God is this hour without really seeing the Word being interpreted in you. That's what true worship is; not seeing it in somebody else, in you. You might get momentarily influenced by somebody else's stimulation, but you have to have your own water turn to wine inside of you. Job says, "*I know My redeemer.*" Job could have said I know Our redeemer. I know The redeemer liveth. No. No. No. I know my,

my, my, my, my, my. He was experiencing present tense redemption. Isn't that something?

So we are seeing here. Now when does the Book open? After denominational ages are run out? When the Seventh Angel is in the earth? Has he come with power? Has he gone forty five years? Has the Book been opened forty eight years? Correct. Then if that is so, then these things is happening to people. These things is happening to people. You not looking for this to come. This is what your election and calling has been. The message will fall into the hands of the predestinated. The message didn't end up in your hand by chance. The message is directed to you. God made a way because the sperm have to pass this egg, pass that egg, pass this egg to the right egg to unite with. So the Lord by pass a lot of eggs to get to you; and then the faith finds its bedding ground to see the promise found a place to grow. A living organism started in you. A baby started to form in you. You ain't just the Bride. You is the pregnated Bride. Hallelujah! Something kicking up inside of you. *You travailing in birth and pain to be delivered* while your earth is groaning from his son that you going to give birth too. The earth groaning for the manifestation of the sons; but an ordained elected Bride, that son Christ, Christ who shall rule all nations. Not you ruling all nations. Christ in you ruling all nations. Oh thank you Lord.

Because this is you; without Christ in you, you ain't ruling no nation. You can't rule your own self when you telling that tongue stop gossiping, that rebellious tongue saying who you talking to? Because your members warring with one another; but when Christ come in by a new birth, oh my, it's a different thing. *Then it's not I that live but Christ that liveth in me, and the life I live now I live by the faith of the Son of God.* It's that Christ: That man child. You ain't bringing forth a girl child; but a man child. Jesus faith, Jesus virtue, Jesus knowledge, Jesus temperance, Jesus patience. *He that is in you. In that day, you will know as I was in the Father and the Father in me so I in you and you in me.* Isn't that something? Under the Seven Seal, under the Seven Trumpet.

We under the Seven Seal now. Are we under the Seven Seal? How can we not be under the Seven Seal? Is the rapture a revelation? Is this body quickened and brought subject to the Word in you; is moving into glorification; is already in a raptured

condition, because your soul have to be changed first before your body could be changed; and your soul in your body have to be changed before you could change dimensions, and the rapture is changing dimensions.

No way to leave this world to go to the marriage supper. British Airways can't take you there. Caribbean Airlines can't take you there. American Airlines can't take you there. NASA can't take you there. But the chief astronaut, Revelation 10:1, who has dropped down and make you part of his space program in this hour and is spiritual scientist working by the chemicals of the Word: Seven Thunders. To bring this mortal to immortality: Spiritual scientists. Hallelujah! That's a great thing.

So when you see these things happening you start to feel what Enoch was feeling when he was walking with God well I in an hour where is in seven step now; and that eagle, the fourth living creature, the prophet chamber would step out to meet the comer because he is to usher in the comer into the presence of the king, where there is a empty coffer, where death is conquered, where everything of the first birth is gone. Hallelujah! You walking where Elijah walked; where Ahab and Jezebel, they planning to steal Naboth vineyard and he's coming down and they planning a persecution for him too, but he's getting instructions. Move from Gilgal. Move to Bethel. Move to Jericho. Get to Jordan. He's in communication with the unseen world. He have a receiving set in that hour tuned in. He is so aligned to that other dimension, where the transporters is angels; will come for and pick him up to take him where he was going. You'll be walking there. You'll be walking there.

How would we walk there if he didn't open those things to us? Is because he opened those things to us our soul has moved up to another place. Our thinking start to change from the way they think in Satan Eden, eating from the tree of knowledge of good and evil; the tree that everyone in this Eden feeds from; a tree of science and education, and civilization.

But when that one stood with the Book in His hands: the tree of life, the branch, and the voice say, "Go and take the book, take the fruit, take the teaching for this season take the mystery." There is no more cherubim. Cherubim is pushing you to the tree, because the four cherubims, they live out them ages; and then now they

say,” Come and see now. Come and see because the Book is about to be opened after seven ages, after denominational ages, run out.” Oh my! That is grace. That’s grace. You can walk with God.

I was saying here was a gateway. I hope you are getting more convinced it is a gateway. Supernatural beings hang around here. People have receiving set. I having a voice to say all what come to me. I don’t have enough voice to say all what’s coming to me; but even that is ordained of God. With more voice than this, I’ll be running pass some of you in a flash. You would hardly get it but the voice slow down the speed a little bit.

But it’s strange we talking about *music and the supernatural* that brings some worship, an inspired worship, of the Lamb with the mysteries of the Open Book under the Seventh Seal; a people in the only provided place of worship, who is part of the house where God dwells and where He is worshipped it sounds like a sentence but for those who have by grace being lifted a little higher, I can’t even tell you the word and the sentence of the word is connected in that inspired, constructed, sentence from the Holy Spirit. That’s saying as it’s given, that’s saying it as it is given. Where it breaking from, where you seeing it from, because in saying it that way too much messages and scripture is connected by scripture to bring the picture out what this worship under the Seven Seal; because this worship, music is connected to it. Prophecy is connected to it. Healing is connected to it. The house being filled with glory is connected to it. The atonement, the Lamb that was slain is connected to it. That is what I preached to you last night. That is what I preached to you last night. They prophesy with the harp. He played in that supernatural spirit and impart healing. Healing and prophesy and vision. He says, “This here, this whole valley, all they want is right here: Intelligence of God.”

Then Solomon, the house that was built on real foundation in Moriah, when Abraham, God, a type of God, a little Elohim, offered up his son; the mystery of the father becoming flesh; obedient to the will of the father: That great revelation. The son of David, Solomon, who is also Isaac, because Isaac and Solomon is a type of Jesus. One is for the sacrificial work. One is the building the house; and then Isaac come back and married the Bride after the house is built. He take Seven Church Ages, seven years. They cut out all the stone, all the lumber previously marked out by a

design, by a pattern, and they come together. It was silence. Hallelujah! That's right.

And it swing back to Solomon after he get the bride because Genesis 24 Isaac marry the Bride. Genesis 22 Isaac on Calvary. Genesis 24 at the end of the Seventh Age. Genesis 23 Sarah died. Heavenly Jerusalem. Seven ages. Rebekah is the Bride on the earth. Glory! Then he go back to Solomon. He was sitting on the throne. Solomon coming to the throne with Bathsheba is receiving the revelation from the earthen gift of God that Adonijah trying to steal the throne; a false king want to take the throne; but the blessed and only Potentate is being revealed by David, who the son is, that will sit on that throne.

I remember 1984 laying on the couch a voice come through the lattice and says, "Adonijah! Adonijah!" I preach there out of Kings 1 and 2, 1 to 4. How Adonijah tried to steal the throne. That's right. Bathsheba, the bride, and Zadon, the priest, and Nathan the prophet; and the mystery of prophet, priest, and king in the Bride; and when the false king go to take the throne, God under the Seventh Seal and under the Seven Trumpet, an elected people receives the revelation of their name in the Book. Because that same angel that comes down in Daniel 12 when there is two prophets on the earth, is the same angel in Revelation 10, that comes down when the Gentile prophet is on the earth at the end of the Seventh Age we have gone through all these things already.

We are discovering our name. They are discovering their names. But Revelation 7 tells you they are sealed in their forehead. Revelation 14 tells you they are on Mount Zion, the Lamb, and the names is in their forehead; and their Seven Trumpet is parallel with our Seven Seal. The Lamb reveal the name to us.

Remember Naomi? She say, "Girl where you went? You didn't steal this, did you?" Said, "No I met a man. I never met a man like that." I was listening to the life story of the Chief Reaper and he was praying for a few people in the field, in the heat of the harvest; and after a while he tells me, as he pointed out in the West, he say, "*Is this the sign of the end?*" I didn't even know what to think, and I noticed this great one who born in Bethlehem , who is in the tribe of Judah, he came with such swiftness. He didn't go to the rest. He come straight to the great Chief Reaper. Hallelujah! And I can over hear him asking: who is this damsel? And the way he look at

me round the corner of his eye, like he turn his microscopic lens on with that eagle eye, like he could see right through me even though he was not looking directly at me.

Naomi couldn't stand the suspense any longer. Yes, that's nice testimony girl, but what is his name. I don't know if I am pronouncing the Hebrew right. Say it out anyway. Boaz. Oh my! Naomi start to rejoice. Girl! You know who that is? That is our kinsman! So watch. Things are going to be revealed under the Seven Trumpet, under the Seven Seal, for a people 'cause he's doing this. He's doing this.

The greatest thing is worship. He has to be revealed. Then when she was in the field, he said, "The mighty Boaz is over there at the table." She sit there and he put her at the table. He says, "You on the table. Speak up honey." She get kind of blush he call her honey. I wonder if he making an advance towards me or something. Honey?

In our customs table speaks of fellowship. We doesn't fellowship. He says, "Ah." And then the girls came with parch corn. He says, "This is a special thing for us at the time of the year." He says, "You know what this is?" This is parch corn. He says, "I don't mean that. You know history for that? Why is it burnt in the oven? What is the corn? Why did it go through the fire? And then they put it in the vinegar. Strong wine! Real strong wine! Parch corn and vinegar and then they put the whole wheat." He says, "You can dip this in the vinegar." Bread and wine? Parched corn?

He's the corn of wheat who went through the fiery trials' sufferings for us. He's the wheat that being ground into powder to make it to a loaf of bread that had to be broken; and the vinegar, and the wine ferment, and strong; not like the table wine that we have to make little toast and these things. And she's catching the mysteries of redemption from the kinsman, who is going to go through that mystery for her, so she could be redeemed and come to marriage to rebuild the house of a name that was going extinct.

What we seeing is what produces the worship. They saw the Lamb taking the Book. Now when we saw the Book being taken in this day. We didn't see a bloody man standing man standing, preaching but we have a understanding from the scripture that this one did the purchase work, is now revealing what He did, how He

did it and what it achieved; and so they begin to sing *thou has redeemed us by back by the blood*. How we can sing that. We have had experiences in going to the pool. You can't go in the pool if you didn't see the body broken and the blood shed. You can't go in the pool if you didn't see the kinsman paying the price; because that is what your identification is. You understand?

So when we hearing what we hearing now in this age, with the light upon the Word, it is so real why he had to die for us; because the Book he has opened. We are finding our name now in that Book. We are finding out the mystery of our life before we was conceived in our mother womb, and we are finding the mystery of the slain Lamb before Calvary. We are finding we was chosen back there and the Lamb was slain back there; and we start to find the purpose why He doing it so, what is the reason and why He put us in the last age and why we don't have to go to the grave. So our worship here now is not hallelujah, hallelujah, hallelujah. This kind of worship come with a heart full of perfect faith. People understanding their position. People knowing there is no one great in the entire universe as Papa. Glory! We are finding out we are part of the royal family. We finding out such things, when we see how important worship is to Him; and to manifest His redemptive blessing, it is only true worshipers who does manifest those things.

That's why Moses could speak into existence. That is why Elijah open heaven and close heaven. That is why Bro. Branham could speak into existence and speak out of existence. You find out they had oil and wine. These weren't people just full of aerobics and no revelation. This is a people that walk in the plan of God. They have revelation so to them everything you do, their entire life was a life consecrated from the altar of God; a burn offering; a sweet smelling savor of Christ in them under the Seventh Seal. They know what the house is. They know what the sacrifice in the house is. They know the priesthood of the house. They know seven piece of furniture in the house. They know the provided way of approach in the house. They know to be a priest is by hereditary. They had to be in the loins to be a king. They know they had to be in the loins by hereditary, and so they singing *he redeemed us back as priest and king*. This is people who know the divine hereditary. This is people who could declare their pedigree.

That's why that canary, every morning, when it's so dark, he see a morning star come out there. He in that kingdom represents somebody who understanding that's the coming of Elijah. That is the forerunner and he expecting to see the risen sun after him; and when he see the rising of the sun, he's seeing the resurrection. He's seeing the Easter Seal and he start to sing, and he puts his chest, and the robin Start to sing. Hallelujah! And all of them start to sing. Why? They see that place so dark, but they see the power of the risen sun bringing a new day, where there is not night, and they does do that every day and God plan that every morning will break that way. Since He made a morning start and since he made a sun, it was doing that before he even come die and raise.

And the birds living in God provided way was made to know this is your clock, so you understand *what time it is Sir's*; and at the breaking of the new day, it become a worship time. It become a worship time because in the Bible Genesis 1 it was dark, but then the Spirit of God move and say let there be light. Morning star and waving sun bring on a new day, and God began to speak and nature began to respond to God; and every one of them was a name in the Book because the light and the power in that sun was quickening them seeds in the darkness and bringing then into manifestation. (Bro. Vin sings *the Bible open with the Seven Seal*) And here we are finding the Lamb step forward. They coming from the moon to the sun.

In the ages, he was Son of God, but when they put him out of the church, *all man has forsaking me, present stage of my ministry, the shuck pull back pushing see out*; then he's being revealed as the Son of man at end of the age; the wheat age, the Bride age, in the image; but in dominion. Hallelujah!

I am showing you nature in the Church Age in the shadow and the type in the Book of Revelation. I'm showing you, not just talking. I'm proving it in the places. Is man reveal in the births? Did God put dove and eagle in there? Is man revealed in the trees? Is He Rose of Sharon and Lily of the valley and then He come in there. Is man like a tree planted by the rivers of water? Is man revealed in the stars? That's right. So shall thy seed be He tell Abraham. He had seven stars in his right hand, and we are some who stood with Branham and Orion. Are you one of them? Are

you one of them? Then we talking about the worship here. This is the time of worship. Know your time.

How many remember Nehemiah 8? They start to cry when Ezra was reading the Book. He say, "Stop that right now." He say, "Start to rejoice. We are at the end of the harvest. Time for Feast of the Tabernacles. We are about to change dwelling places." Hallelujah! They were coming with the correct attitude to worship because they didn't know what time it was. Then what was the prophet doing? Showing us what was the time to worship the Lamb. Who introduce the Lamb? Elijah, when he promised at the end of the Seventh Age. What did the angel say in the river? *As John was sent to forerun the first coming, you will forerun the second coming.* Who did John introduce? The Lamb of God. Then they went into *Jezebel religion*. Elijah begin to come at evening time to restore back the original documents, to bring us out of Jezebel religion. Go Beyond the camp. Hallelujah! Bearing the reproach and identified with the Son of man at the end of the age. That's the perfection in the message. That's the time.

If that's the time how we know if that is going to work here? Is so when people in Satan economy and that's what I preach there last night, too much of Satan Eden get in their mind. They console their self they ain't drinking, they ain't smoking, they ain't painting. They say, "Well I is a Christian." But they adapt to so many of the world ways better than God ways, and that is when evidence of the lack of the Holy Spirit.

How many does know when your work day done? You does know when your day done? Do you know if you going to work late? And do you know if you working overtime? And when you going to school, and you waiting for that school bell to ring, so classes could dismiss, and you packing bag inside, and you getting ready to go through the door; if you know man time friend.

How many does know their birthday and your anniversary? You know God time and seasons? I preach that for you recently. *I have no need to write to you of the times and the seasons, because the day of the Lord cometh like a thief in the night.* You hear how he talk that to a church? To a church he had established them. I have no need to go back that over with you. To all that we nail that down. We does behave like the prophet ain't nail it down and that it not nail down in here too.

Then if you know your time, and now is time to worship God; how many know when lunch time come? You does even have signs in you body telling you its lunch time, and you look at your clock, because the clock matching the pain you feeling in your body. You get up in the morning and you ain't see no breakfast. You disappointed because that's a event you look forward too. Is the only time that when you step out in the kitchen and see nothing on the stove you say what going on here today? You come home in the evening and you see a bottle of coke and some crix. You disappointed. You want to argue what time it is, and what should be allotted for that time, and the spiritual food in that time and season, that you suppose to eat again. Laugh at yourself good. Take a good laugh at yourself.

People does know all these times, and the time and seasoned Word. How come the soul don't have the hunger? Don't have the expectation? How come in the body have the hunger and thirst? But David was talking about another thirst. *As the hart panteth after the water brook so thirsteth my soul for the living God*, because this is a season for the living God. This is the living God season. When you seeing you coming up short tonight, come with greater purpose here, because it showing a lack of fellowship with His table. This table is to keep you in remembrance. He have a time and season too, because that feast of the Passover don't come at the time of Pentecost. It couldn't come at the time of Tabernacles. It had its own fixed season. You get that?

*He say I want to prove to you at the end of the Pentecostal age we are to expect a messenger who will come and open the whole secret from the Bible to gather the bride together, to have faith for rapturing grace.* He's proving it. At this time we should be ready for this promise, and when he saw the angels, is this the time when those hidden secret things that light never shone on is going to be given to the church? This is what He told me in the river. *Your message, not your healing, your message will forerun the second coming.* He said we had the signs, the voice of the signs. He said the Seventh angel is the messenger of the Seven Seal. The people who see him again, who receiving him, who receive the Holy Spirit; his message was to lose because the evening message will lose the Holy Ghost that was bound through the church ages by

denominationalism, will be loosed. Why? Because the Word, the sacrifice, the Word is the sacrifice.

The Word is the sacrifice. Christ is the Word. Christ is the Lamb. Christ is the sacrifice. It was rightly divided and set in order. Then when we come, we come into Jezebel religion; we coming back to the old time religion that the Old Testament Paul, with the pillar of fire, and brought all the doctrine that was Moses. Moses is the Old Testament Paul. Paul is the New Testament Moses. Then Ephesian parallel Joshua. Ephesian is the Joshua of the New Testament. Joshua is the Ephesians of the Old Testament. See you have to be flexible in the Word.

But I'm talking about worship. I am talking about **worship under the Seventh Seal**. I'm showing you what is happening under that Seventh Seal when that evening messenger comes. A prophet of the gentiles to call a Gentile Bride; then two prophets to the Jews under the Seven Trumpets that would turn them to the original Word. Their fathers didn't see it back there, but God promise them He would make an end of sin. He would finish the transgression. Hallelujah! He would open the vision and the prophesy. He will anoint the most Holy, the six fold purpose of Gabriel.

We take them two scriptures let's go to another scripture in Revelation to show you there was other worshippers with that other music in another place of worship. A worship that is not accepted. In vain do these worship me because they don't have Spirit and they don't have truth. Under the Seven Seal, the Spirit comes. The great seal, the Easter seal, the baptism of the Holy Spirit; the coming of the Holy Spirit to be revealed in human flesh as The Son of Man.

We have a ministry with the anointing of Moses, the anointing of Elijah, and Christ. Moses, Elijah and Christ. Like Moses preach the Third Exodus ... Pillar of Fire. That's right. *Why cry, speak? Token*. Showing two signs to confirm his commission. Like Moses, went up into the mountain, into the cloud, came back with the Word. Like Moses, the impersonators rise up trying to impersonate him. Like Elijah, take us out of Jezebel system, repair the altar at the evening sacrifice, turn the hearts of the children back to the faith of the fathers. Hallelujah! He's the Spirit and His mantle. Glory! That Jesus, the young Rabbi, going forth to heal the sick,

discerning the hearts, speaking in parables as the Son of God. Never a man spake like this man. That's right! Opening the scriptures: Matthew 13, Seven Church Ages; Matthew 24, Seven Seals. They are going to have the same over there. They will have the same thing. The Jews will have the same thing - Elijah, Moses and Christ. That's right. Can you see now?

Now look at this. Revelation 13. Save a little time. We have to come to the table. I want to read from verse 3. He is seeing the beast coming out the sea like a leopard, a bear, a lion; a composite beast, a monster; and there is nothing like that in nature. Verse 3.

*And I saw one of his heads as it were wounded to death; and his deadly wound was healed:*

And we know that is when it come from Pagan Rome to Papal Rome. Rome was going out of existence as a political empire, and in the Pergamos age, it rose up as a spiritual empire and it has conquered more as Papal Rome by changing the outward texture; but is still pagan as pagan as can be. By trying to project that they are Christian, but is really paganism. That is why the prophet preach *Christianity versus Idolatry, Impersonation of Christianity, Why we are not a Denomination, Why I Am Against Organize Religion, Tower of Babel*. That's right. Uncover *Jezebel religion, hybrid religion* showing her and her daughters; breaking the power of that influence around our lives. A thinking man's filter, so we could recognize our day and our message.

Come with a false worship, but the false worship is so classical. It looks so sacred, so reverent, so pious. You stick out that tongue to get that wafer. Then Genuflect like this ... You going in there you cross yourself. You pull out your beads and you stand in the presence of *father*. You see.

Now we realize we were bewitched by her sorcery, and she put that superstition over us and say I confirm. I had my first communion. I had my second communion, well tonight we would have real communion. Worship. Just worship. You talk about music. You ever hear the choir sing. You ever hear the Vatican choir sing? No boogie woogie. They have no boogie woogie; some highly classical sounding so sacred; and everybody in there robes and the choir so well trained, but it's still the devil, still false worship; so false worship is not just boogie woogie. It have classical business too. See you have to come in the spirit of truth.

You have to know the time and season. And you can't be in the Feast of Pentecost with the wrong sacrifice, and you can't say you keep the peace offering and you in the wrong things; and your sin offering and your trespass offering, you have to know each one.

You see God instruct us how to worship him; not just how we feel. It don't matter what you feel. You have to check it back with the Word, because you couldn't go in a next city and carry that sacrifice. In the gate on ... day when all Jerusalem come three times a year. They had to preach specified things. *God only provided place of worship*, God chosen place. At the end of the age, only a little group of the true seed and the hundred and forty four thousand come into this, because only them getting the Spirit. The rest have no Spirit. Foolish virgin sitting down in the message no Spirit. They in the aerobics. Shake your brother hand. Shake your sister. Stand to your feet. Bow your heads. They know all instructions. If they was in the spirit, they know nothing now after you pray. They be driving and praying. They in God presence all the time, because they enter into the Holies by the Blood. They understand that. They are His ministers in His presence, the royal priesthood. They have no strange fire. They have the mystery of cedar wood, and hyssop, and scarlet, and the turtle dove. That is their everyday life. That is why on a hunting trip he can touch Donovan? What is this Donovan? Cancer gone. Then Bro. Mark Hews, Bro. Branham do you see visions out here? He thought it's a platform performance. He thought the angel does only be in the church building. He say, But I come out here to rest. He said, "I am sorry to bother you Brother Branham." And the prophet was walking away and he turned around. He said, "By the way is your mother a heavy set woman? She has tumors on her face, and she ask you if you see me, ask me to pray for her? And that sunglasses you wearing there brother, that is not for the sun. The doctors find them cataract eat into your eye. Is that right?" Oh yes Brother Branham! Yes!

He says, "You are healed and your mother is healed also" On the trip! Hunting trip! What is that? Sons of God coming into manifestation between the second woe and the third woe: In the Book of Mark. That's what we're talking about; not just in church alone.

He is here with you tonight. When you leave, He goes with you. He go with you in the supermarket tomorrow. He go to school with you. He will be with you on your job. Hallelujah! He knows. *Lo, I am with you always.* I'll never leave you nor forsake you. I don't come because you good or bad. I don't come because you good or you bad. I come because you are part of Me. You magnetize to Me and I magnetize to you. In this world you may look like you faulting, but in that world I am king Theophany and you have a Theophany there. We in a world there that have no falling, it have no mistake; but while you in the flesh I will come to you; you need me to come to you. I'll be close to you. I'm interested in you. I am helping you. Oh yes!

Don't worry up yourself. You align yourself. Not worry up yourself, align your soul with God. Think through the scripture. When He call you under this message, He sought you, if you really are a true worshipper. You have the potential to be a true worshipper because He's only seeking sons and daughters. He's gathering His eagles. The Shout was to gather the Bride all over the earth. Is not always who make the most noise or who make the less noise; is not about decibels or Jezebel. (Bro. Vin laughs.) It's about heart condition. It's about consciousness. What is more important is whether you suppose to know it and you don't know it. When the time to apply that blood an you don't do it. When the time to slain that Lamb and you don't slain it, when it's time to burn that incense and you don't do it; that is why Ezra waited until the time of the evening sacrifice. That is why Elijah waited until the time of the evening sacrifice. That is why the Angel come to Zachariah at the time of the evening sacrifice. That is why the angel come to Cornelius at the ninth hour, at the time of the evening sacrifice when he was praying; when Zachariah praying. That's why Peter and John went out to pray at midnight hour, the time for the evening sacrifice. They could say *silver and gold have I none, but such as I have*; because their mind was aligned with the plan of God. That's why Daniel pray three times a day, and he open the window towards Jerusalem. That's why Jonah in the belly of the fish turn towards the temple of the Lord. You understand?

Whether it is the belly of the fish like Jonah, or like Daniel in Babylon, it don't care where you are. Your soul align with heaven, with God pattern, because you understand worship is not aerobics.

It's not just noise. It's a soul and a mind enlightened through the connection of a supernatural world. You working with Spirit: The Holy Spirit. It's not a kind of self meditation. No, is communion with the Spirit from the spirit world through a provided way revealed in the Bible. You have to start to realize Christianity ... Holy Spirit: The Holy Spirit is the Angel of the Lord. The Angel of the Lord from Melchisedec, is God with a Theophany; Christ, who comes risen with His people, who could make himself visible or stay invisible.

Moses endure because he saw Him who is invisible. Faith looks to the unseen. It comes just like you feel the wind, but you don't see it; but the trees behavior, is like the wind have the leaves rustles; and the tree can't see the wind but she all charge up animating. Why? She's filled: A mighty rushing wind. Well the same way you, when He moves into you. Take over your being and start to speak and reveal, and you start to pray. You start to operate. You feel the surge and the reason that wire could feel that is because it wired to that power; and when that power is turned on, that wire feel the current coming through; and the wire can't show you it have a fire moving through you, but if you screwing out a bulb while that surge is in him, you would see the power in him being manifested visible where the optic nerve could catch it. And so you plug into the Word friends and in a live socket: One for the season, one that relate to the Bride, your healing, your deliverance, your filling, your relationship, your prayer, your overcoming, your strength, your gift moving you; and you know God and man being united. Deity and humanity making a super sign. So let's read and change the service over to the Lord Supper

*...and all the world wondered after the beast.*

*And they worshipped the dragon which gave power unto the beast: And they worshipped the beast,*

All the world? All the world? Wondered after the beast. Worshipping the dragon.

*...and they worshipped the beast, saying, Who is like unto the beast?*

Not some of the world, all the world; but these in Revelation 15, it say, "*they overcome the beast, and the image, and the mark, and the number; and they were singing the song of Moses and the*

*Lamb.*” They was worshipping the Lamb and those in heaven when the Lamb pull the Seals on the Book, it had nothing about no beast in their song. They were paying no honor and glory to the beast. The beast is the head of the World Council of Churches. The beast is Lucifer and the World Council of Churches is the false bride; the last branch, the head of the true Bride. One is blasphemous names. One is the only provided place where he place his name.

Out of the mouth of the beast come three unclean spirit like frogs. Out of the mouth of Christ, the Mighty Angel, the Lamb, come Seven Thunders. These who worshipping the Lord, they know how to worship the Lamb. This is the end time revelation in this hour. From Revelation 3:20, where they reject Him, all the way to Revelation 19; that’s right; is already in the process of fulfillment for this hour, because 3:20 is Christ rejected; 3:21 He is seated on His own throne, as He had overcome and sit on the Father’s throne. And between His rejection and His coming to power, is all what you see in 4 to 19 is happening now.

Because Revelation 20:

*blessed and Holy is he who are part of the first resurrection and the master’s already come and gather the living bride to go and raise up those in the first resurrection; and you alive, though you are a part of the first resurrection. You see the perfection in the Word?*

*And there was given unto him (verse 5) a mouth speaking great things and blasphemies; and power was given unto him to continue forty and two months.*

*And he opened his mouth in blasphemy against God, to blaspheme his name, and his tabernacle, and them that dwell in heaven.*

*And it was given unto him to make war with the saints, and to overcome them: and power was given him overall kindred, and tongues, and nations*

*And all that dwell upon the earth shall worship him, whose names are not written in the book of life of the Lamb slain from the foundation of the world.*

*And Michael shall deliver those names that are found written in the book.*

If you can't find your name in the book, guarantee you will worship the beast. You have to fulfill that prophesy. If you find your name in that Book, you know the Lamb redeemed you. You know the Lamb died for you. You know the Lamb have sent back the Holy Spirit through the opening of the Word; losing that Holy Spirit. That quickening power is coming across the earth to find you. This is the time of worship. Revelation 13 is a chapter on worship. Look at verse 12.

*And he exerciseth all the power of the first beast before him,*

This is the second beast that come out the earth

*And causeth the earth and them which dwell therein to worship the first beast, whose deadly wound was healed.*

Verse 15

*And he had power to give life unto the image of the beast, that the image of the beast should both speak, and cause that as many as would not worship the image of the beast should be killed.*

*And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads:*

*And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name.*

But that group in Revelation 15 overcome the mark. Have you overcome the mark? You have power to create. You have power to multiply the fish. You have cake that could give you strength for forty days? Was bread and fish multiplied by Elijah? Was it multiplied by Jesus? Did Elijah eat that cake and it give him strength for forty days, before his translation, when Jezebel was trying to persecute him? This third pull will make you overcome the mark. God is putting the faith in you now.

When you want to worship Him? When He multiply the bread and fish? You walking with Him now. You walking with Him now. You recognizing He's called you. When you see Elijah, you seeing yourself. When you see Jezebel and Ahab what they doing, you know what coming; but you know where you going. When you see Enoch, you know where you going. That's right.

This whole chapter is worship, but we find out this is the whole world who refuse to walk in the evening light. They worshipping the beast. They want the economics of the world. They want to be able to buy and sell. They like to wear nice clothes. They like nice shoes more that God. But what did Jesus say? *Think no thought on what you going to wear. Consider the lily of the field how they neither toil nor spin. Solomon in all his glory was not arrayed like one of them. Consider the birds. They neither sew nor gather in barns. God feed every one of them.*

What is the mystery the lily have and what is the mystery the birds have? They living in God provided way. They living in God provided way. But man does see a way that is right but the end is death, but *there is only one way provided by God.* They live under the leadership of the Spirit. As many that are lead by the Spirit. What did the Angel do? Take them out of Egypt. The super power, where everything in the super power, bring them in the wilderness; and after the super power collapse; in the wilderness, what was happening? Water come out the rock. Manna come down from heaven. It didn't need no hospital. The brass serpent, everybody getting heal. You operate faith because Jehovah Rapha was there. Jehovah Jireh was there. Jehovah Raah was there. Jehovah Shalom was there. Jehovah Tsidkenu was there.

In the time of Elijah, when Ahab looking for grass and can't find grass, and famine hit the land, no dew for three and a half years, Elijah by the brook. Food morning, noon, and night: Three meals a day. Why? Living in God provided way. Living in God provided way. That is what is coming back, that has come back: That supernatural economy. We have received a kingdom. We have received a kingdom.

The sad part of this is too many people have under value it. They feel more secure when they collect that pay, when they collect that pay from the system; but one day God said, "In Deuteronomy 8, *I'll bring them out on eagle wings, bring you through the wilderness, as a father carry a son to teach you, man don't live by bread alone.* Man live by every Word of God. What is this message teaching us? How to live by the Word. You have no squirrels. You have no game. What you going to do? You have no grocery here. What you going to do? God teaching him so he could tell us us what is coming for us.

He say, “Stand to your feet. You is a attribute of mine. You is a little one to me. You born from me. You is a son. You obedient to the training. I had to trust in you, but the rod didn’t kill you, but it drive the foolishness out of you. Now you become a man. Now you could speak; stand and speak.” He said, “Look a squirrel come out there.” Then one come out from there. Did they come? Did they come? God is showing him look what coming in Revelation 1:13; but look when the enemy make a flood look what happened when I have him in that but he had to worship me. Hallelujah! Because they was worshipping him that they overcome. They had a victory day, a victory day like Moses had at the Red Sea.

Are you having a victory? What goes forth first? The singers. Then what comes after? The word. Then what come after? Then what come after? The fighters. Then what comes after? The victory. The dance. Hallelujah! God’s order. God’s order!

These under the Fourth Seal didn’t they get taken up away in the mysteries of the Seven Seal. It wasn’t reveal to them but the rapture is a revelation. Under the Seven Seal John took the Book and eat it and all the mysteries in the Book: how to worship Him, how to approach Him, how to communicate with Him, how to contact Him, what’s His name. Where He dwells, what’s your relationship with Him, what’s His plan for you, so you could live in His provided way. To live in His provided way. Oh my!

Revelation 18. The musicians will come for me as we all stand.  
Verse 4

*And I heard another voice from heaven, saying,  
come out of her, my people,*

This is God through the mouth of the messenger who was against organized religion, calling a people out in a Exodus here; a total separation from all unbelief. My people! Who is He calling out? My people.

*That ye be not partakers of her sins and that ye  
receive not of her plagues.*

You partake of her sins. You expect to receive of her plagues. Because if you taking from her, you in false union

*For her sins have reached unto heaven, and God  
hath remembered her iniquities.*

*Reward her even as she rewarded you,*

You know what you reading there? *Behold I come quickly and my reward is with me to give to every man according to his works.* What you reading there is the pronouncement of the judge. Her sins is gone up to heaven. Her judgment is coming. All the plagues coming on one day. He defining the sentence. She has been under judicial examination. He measure her sins like He measure the US debt. He say, "It go pass the moon. If you stack it up in hundred dollars bills, it will go pass the noon." Ahab debt and Jezebel sin reach up to heaven.

*Reward her even as she reward you, and double unto her double according to her works:(that is the law in Exodus that we took, time past) in the cup which she hath filled fill,fill to her double.*

*How much she hath glorified herself, and lived deliciously, so much torment and sorrow give her: for she saith in her heart, I sit a queen, and am no widow, and shall see no sorrow.*

This is the mother of all the abominations in the earth. Everything come out of this woman in Rome. All the rock music, all the perversion, because the beast that carryeth this woman, the dragon with seven heads and ten horns, the scarlet color beast, who have all the music in him in the day he was created; and then he come and he invent things on the earth. He find a way through science to pervert what was in heaven and bring it on the earth. We getting into Genesis now. You see in Revelation, Revelation to Genesis will produce. I in the harvest here, but tomorrow we go back on the seal and we will find in the Seal how he come, because when he went in the ark, only the worshippers in spirit and truth went in the ark. The rest perished. They fell into hybridization. In the ark was the only provided place. That was the mystery of Christ- one door, three stages, three storey, pitched within and without. Showers of rain from a mysterious cloud. A cloud that brought judgment to the world, but the rain from the cloud brought redemption for those in the ark. They went into the new world. They was on the last mountain before they went into the other country. They came back and they reign as kings and priest on the earth. The earth was in birth pains groaning between the second woe and the third woe. God drop in there a prophet before the great and dreadful day of the Lord, and God open a mystery and take

man who was born from the first Adam and shut up in a world of chaos and death, to take them out above the judgment and bring them back to repopulate the new world.

As it was in the days a Noah; one man, a prophet, God come too and reveal to him the final birth pain, the third woe, the end of all flesh was coming to take him off the earth from the science civilization and Noah and his group; who came back in the millennium? Those who went in with the prophet. He says, "Those who went in with the prophet came back. Come back with dominion." They was singing *thou hast redeemed us by thy blood*. Here we are, out of every kindred, nation, tongue and tribe, because Ham, Shem, and Japheth is them three peoples that repopulate the whole world. Every nation was in them in potential. My! Noah was Christ: Comfort and rest; that is what his name means. So great

*Therefore shall her plagues come in one day,  
(verse 8) death, and mourning, and famine; and she  
shall be utterly burned with fire: for strong is the  
Lord that judgeth her.*

Drop down to verse 20:

*Rejoice over her, thou heaven, and ye holy  
apostles and prophets;*

Hear God. *Rejoice over her thou heaven*. Revelation 13 he was doing what? Blaspheming against them who dwell in heaven. Let me ask you. It have people who dwell in heaven right now? It got Seven Church Ages of overcomers there? Under seven messengers? Thought you went to sleep.

*And ye holy apostles and prophets; for God hath  
avenged you on her.*

*And a mighty angel took up a stone like a great  
millstone, and cast it into the sea, saying, Thus with  
violence shall that great city Babylon be thrown  
down, and shall be found no more at all.*

*And the voice of harpers, and musicians, and of  
pipers.*

That don't mean the drug men. That's flutist. That is flutist. But they does be on drugs too; cause Jezebel dealing with Pharmacia: sorcery. Pharmacia is drugs.

*And trumpeters, shall be heard no more at all in thee; and no craftsman, of whatsoever craft he be, Making all kinds of product for merchandise because that's the city of traffic, merchandise, commerce, and trade Of whatsoever craft he be, shall be found any more in thee; and the sound of a millstone shall be heard no more at all in thee;*

No more industries. No more manufacturing; always the way of life in the science civilization which she has built up in this Satan Eden. All the music, all the false worship. Music from the underworld that they pervert off of the music from the upper world. Two Edens: God's Eden, the faith civilization, above; and Satan's Eden, the science civilization beneath. You understanding? In the science civilization, they worshiping the beast. In the faith civilization, they worshipping the Lamb. Here is blasphemous names. Lodges. Lodges. He say, "Don't call them churches is a lodge." But in heaven in spirit and truth. They knew the Lamb was slain. That's why they in heavenly places. That's why they in a Theophany. *I prepared a place for you that where I am there you be also.*

He had went to the cross so the body could be broken and that blood should be shed by a new and living way. Man was shut out of the holiest. Can't you come back into the holiest and stand in the presence in union once again? Hallelujah! Because in that presence it have no death. A dead rot come back to life. The manna still fresh. It can't contaminate. Represented that seventh dimension where God is, where Adam use to stand in the garden: in God presence. That's why the veil was four cherubim blocking the tree. In the tabernacle they had the four cherubim weaved on the veil looking back at the tree in the garden; but those four cherubim was when the seal breaking to release the blessing of the tree to give us access to the tree of life. Hallelujah! Go and take now and eat and live forever. Hallelujah! Until they was worshipping. They was singing the songs of redemption. Worthy is the Lamb. Worthy is the Lamb. Hallelujah! We going to sing it in a while. Thou art worthy. Hallelujah.

*And the light of the candle shall shine no more at all in thee; and the voice of the bridegroom and of the bride shall be heard no more at all in thee for*

*thy merchants were the great men of the earth; for  
by thy sorceries were all nation deceived.*

That's what I'm telling you. This Word has to be wrong for you to feel you could live in this world, and engage and involve in the things you do and be part of this world and be the same. You can't. That is why I am saying, many, their thinking slow because of society's impact and influence on your mind. You does be talking reasoning. You does be talking without faith, and they do not why they cannot speak with faith. They does have fear; but when they see a doctor in the office, they feel something could happen because God not close to them. They believe he exists. Give them that. They believe he send a prophet. Give them that. But they not in communication with him. They not under His influence. They not anointed by Him. So they have a fear. They trying to be safe and cagey because they ain't break out the humanistic realm. They afraid they lost this. They afraid they lose that, because they don't really believe the end is here. They ain't ready to give up them things yet; but He will bring you to that place. If love don't do it, State of Emergency. State of Emergency will do it. Look what it take to make them Japanese pray again. Look how quick it does disappear. Look how quick a man life labour does disappear. Look how when that come the wrath of God don't respect rich or poor. The rich man howling like the poor man. The tsunami has no respect for nobody. The earthquake have no respect for nobody. They only thing could save you is whether you under the blood or not under the blood.

If you under the blood, like the cows and the birds, you does get early transmission. It doesn't wait for the impact. It does move away from the wall; and that warming alarms system is more early than the one man build, because the one who does sending the earthquake does send that one. That's why in 2004 they meet all them big shot going on sex tourism. They lying all over the place dead. Corpse bloated. They could hardly find a dog. They could hardly find other animals. They went to the high ground long before. They get their transmission severe judgment coming and they move.

How does the ducks fly away before winter? They live in God provided way. Now we getting somewhere. To worship him in spirit and truth you have to be living in God's provided way. You

see how without education? Can't be educated. It's not a figure out thing. It not trying to be smart with God. Is you surrender to him or not. That's why Elijah says, "*Choose ye this day who you will serve. If God be God serve him. If God be god serve him.*"

*And in her was found the blood of prophets, and of saints, and all that were slain upon the earth.*

In her, the one who ruling the earth right now, the one who have such a control that people don't understand how strong that control is, because she behind the sins; but all the musicians. Isn't that strange? Why did he specify the voice of the harpers, the musicians, the pipers, the trumpeters and all these things? The music is put here in the science civilization that is destroyed under the judgment of God. When you go to the science civilization, in Genesis, you find it there destroyed the same way. You find the craftsmen and the industries here. You find he change the world from agriculture to industrial to information. You find the one who have all the blood inside of them here. You find the one who filled the earth with violence over there. You find the one who use violence on the earth, that Mighty Angel take that stone cast it into the sea and say, "Thus with violence shall the great city Babylon be thrown down, and shall be found no more at all." She ain't getting burn alone you know. She going under the sea too. It would be worst than the last day of Pompeii. What a time friends. What a time.

Let us pray and then we'll worship Him under singing and come to His table

Gracious Father we are bringing this preaching part of this service to a close. We have being instructed. You have directed our thoughts into the scripture. We have seen in the end time the whole world going into a worship of the beast, all whose name were not written in the Lambs Book of Life before the foundation of the world. They never received the Seal of God, but they had the mark of the beast. But we found those who had received the Seal of God; they found their names in the Book and they were worshipping the Lamb, and we realize Father before we are taken off the earth we must have that Seal of God. We must be walking in that place, in that only provided place, where we know we are part of the house. We are part of the economy of God where the Lamb is worshipped and the Lamb alone. Hallelujah!

We look in the world today. We see the wheat is very, very few. The earth is filled with the tares and all the tares are gathered, bundled in the ecumenical move. They rejected the Son of Man and they exalted the man of sin. He has become the head of the false bride. There is an invisible union, a uniting time, for the false bride and the bridegroom, the deceiver, that serpent, that devil, that dragon, that false prophet, that beast; the beast of the beginning and the beast at the end through the trail of the serpent who build this Satan Eden; the *god of this evil age*, the most worshipped person on the earth today. The multitudes worship him. They worship his science. They worship his fashion. They worship his movies. They worship his sports. Everything in his economy. He have made a Eden where they live by knowledge, by earthly wisdom.

But you have a civilization where they live by faith; with wisdom verse faith. The greatest battle ever fought. The clash of civilizations, the science civilization and the faith civilization; is a great clashing that is taking place; the powers from above and the powers from beneath. Hell following death, but heaven following life. Michael and Lucifer on the battlegrounds again.

Oh God we see the music from heaven. We see the order from heaven that was in Jerusalem that was ordained by Moses and David and Solomon. Oh God we see how it was; but then the Babylonian power seduce the church to give over, destroy the true religion; but there is to be a restoration at the end of the seventh decade, when Jerusalem will rise again. You call your people out of Babylon. You bring them back into the land of their Fathers, to set up the worship again, the temple worship; and you promised you will fill the house with glory; and the glory of the latter house is to be greater that the glory of the former house; and we realize we are in this hour.

We see the Ezras. We see the Nehemiahs we see the Zachariahs. We see the Zerubbabel and the Joshua. We see the Haggai. Oh God. We saw the end time Daniel at the end of the seventh decade, when the Mighty Angel descended at the time of the evening sacrifice. We see the hand writing on the wall and Babylon is fallen, is fallen. We see the kings in the East rising. We know Babylon destruction is at hand.

But here Father, a remnant, you call out. You brought them back. Oh God we are glad to be numbered. Hallelujah! We see the burden that Daniel had for the restoration of Jerusalem. We see the burden Nehemiah had when he heard that the church it wasn't fortified, the walls were broken down. Many stones was still in the rubbish. We saw how he worked. We saw the Ezras coming down to establish the truth, separating them from hybridization. We see the prayer and the worship at the time of the evening sacrifice. Lord make it real to us what the true worship is under the Seventh Seal.

We see how they worship under the forth seal when religion, politics, and demon power is being united to bring in the beast and his kingdom; under the six seal where they can't buy or sell; but we see the Bride. We see the elect of God. Like those true ones, they found their name in the Book. Many couldn't find their name in the Book. Many priest couldn't find their name in the Book. Many couldn't eat from the holy things. They couldn't declare their pedigree. They put them aside. But those who found their name, they enter into Jerusalem. They enter into service. Hallelujah. Thank you Jesus!

We know that these things are faithful and true. May tonight and this night, that we come to keep this feast, our hearts and minds be in such a attitude, such sensitiveness to your nearness, to your reality. This reality that has being identified by the opening of your Word, by the divine revelation, the unction, and the utterance to make Christ unveiled, see Him in plain view. See the hour. See the worship. The true worshippers singing the true songs, playing the true music, where the prophecy and healing and filling of; while the sacrifice is being offered is to make the atonement; redemption and standing with dominion on the earth again. All of this was in the worship. This was what they were singing. This is what they were in anticipation and its happening Father, because this is how dealt with us. May we recognize you are fulfilling these things in us.

Truly we are nobody. We are nothing. We are the debased things of the world, the weak things, the things that are nought. You said considering your calling brethren. Not the noble of this world, not the high class. That is for the science civilization; but

those who can walk by faith, these are the overcomers. These are the redeemed.

May they catch this tonight. May the Holy Ghost fill them when they come to the table, with the bread and the wine. May you fill them. May they worship understanding what the bread and wine is, as it ministers to us; the *articles of redemption*. *Truly the Lamb become more worthy to us. Oh Lamb of God, sweet Lamb of God, how we love the Lamb of God.* Prepared our hearts now as we would come to the table; in the name of Jesus Christ, amen.

Let us sing softly - oh Lamb of God, sweet Lamb of God, as we get ready to; hallelujah.
