Excerpts.

We are still, (as I said) trying to capitalize on every opportunity that we can; and that is why, you know – to move on from where we are at, to ascend up a little higher, we know it is always a battle, always making ourselves available. Because sometimes, the enemy sees you progressing, like in the Book of Joshua. And brother, Joshua 10, I think it is, all those kings, principalities and powers began to unite to come, and then God reminded Joshua of the commission. God didn't have to give him a new commission and do any big set of things. God just had to remind him of the commission. See, that is all God did, just reminded him of the commission. When he remembered the commission, God said, "Now, go up." He said, "I have delivered them into your hands." And what was it? He was trying to get his people placed.

And that is my burden down through these years, trying to see a Church placed positionally; to know who they are; what they are; what they ought to be in this Hour; how to stand; how to keep what you have; refuse to be shaken from your place and then learn to fight. Not play around with the enemy. Learn to fight and take what God has given you. To be rugged—rugged faith. Not people whimpering on the baby bottle – today you are up, tomorrow you are down. No, no, no! You tie to the Word and stand there. After having done all to stand, stand! And you know, after a while, it sinks in. It sinks in. You know, people are going to catch the Vision and catch the faith and we are thankful for that. [Page 28]

[#573 - Songs That Live -Ed.]

...To reveal Himself more privately.

Here we are in perfect step, tonight. Let's just worship Him.

*Here we are in perfect step,
In the promises of God.*

*Oh, that Angel with the swept-back wings,
He's the One...*

He's the One that means the most.

Hallelujah. That is none other than the Lord Jesus Christ tonight, (amen) this Great, Mighty One that came down in Revelation 10. John said, "And I saw another mighty Angel descend from Heaven." [Revelation 10:1 -Ed.] This One came with an opened Book. This One called for a people to come and eat that Book. This One is giving back something to the Church, amen, that was promised.

That is where we are standing tonight. That is why we can sing. That is why we can worship Him. Amen. Let us just sort of step this up a little, by the grace of God tonight. Are you happy to be in His house tonight? Did you come to worship Him? Did you come to praise Him? The Bible said, "Enter His courts with praise; come into His gates with thanksgiving." Amen. Glory be to God in the Highest. Amen.

Draw me deeper into His Word of Truth. Do you desire to go a little deeper tonight? Are you willing to pay the price to go a little deeper tonight? Did you come determined to enter in? Amen. Let us just get right in

the Spirit. John said, "I was in the Spirit on the Lord's Day." Amen. Blessed be His wonderful Name. Paul said, "When you sing, sing in the Spirit, sing with the understanding. When you pray, pray in the Spirit." Worship God in Spirit and Truth. The Father seeketh such, tonight. Let us lift our hands and give Him thanks tonight, in the house of God. "I will lift up Holy hands," the Bible said.

Almighty God, we thank You, Father. We have come into Your great courts this evening, with thanksgiving, Lord, with praise, bringing honor and glory unto the great King of Kings, and the Lord of Lords. Father, we rejoice to be in Your Presence, this evening.

Oh God, You have made us glad, Father, that, oh God, we can come and gather together like this, dear God, this evening. We can come for a time of prayer, a time of communion, a time of fellowship, oh God. What greater thing do we have, than to walk with You, Lord, to be in Your company, to be in Your Presence, this evening?

Oh God, You said, "Enter Your courts with praise, enter Your gates with thanksgiving," this evening. That is the attitude of approach that we have come in, this evening, knowing that, "Praise waiteth for Thee in Zion, oh God," for blessed are they who You have called to approach unto You, this evening. We give You glory, Father. We give You thanks, this evening. Blessed be Your wonderful Name.

We rejoice to be in Your Presence. Hasten the footsteps of those who are on their way, dear God. Take full control in this meeting tonight. Come close to us, Lord. Deliver the sick and the captive, oh God. Father, open up Your Word; give unction to pray, Father, that we could enter into the Holy of Holies tonight. Oh God, may You grant it, in the Name of Jesus Christ. We thank You, Lord. We believe that we have received what we asked for. For we ask it, in the Almighty Name of Jesus Christ, tonight.

Hallelujah! Glory be to God in the Highest. Thank You, Lord. Hallelujah!

[#319 - Songs That Live -Ed.]

...That I may know Your heart.

Draw me from fear...

Draw me from fear, into faithfulness,

Oh, thank You, Lord. And lead me along...

Lead me along Your way;

Draw me from sin, tonight, so we may feel that Power, amen.

Oh, that I might be...

That I might be a living praise.

Chorus

Draw me deeper, deeper

Into Your Word of Truth,

Deeper and deeper,

To prove my love for You,

Deeper, deeper to the place where You are;

Draw me deeper, and deeper,

That I may know Your heart.

Oh, draw me from hate...

Draw me from hate into charity.

Charity never fails, tonight.

From restlessness into Your peace.

Draw me from anger into gentleness,

Till every storm in my life shall cease.

Oh, you pray that prayer tonight; you ask Him.

...deeper,

Into Your Word of Truth,

Deeper and deeper

To prove my love for You,

Deeper, deeper to the place where You are;

Draw me deeper, and deeper,

That I may know Your heart.

Oh my, sing it again. Draw me deeper.
...deeper, deeper
Into Your Word of Truth,
Deeper and deeper
To prove my love for You,
Deeper, deeper to the place where You are;
Draw me deeper, and deeper,
Oh, that I may know, tonight.

Oh, let the sisters sing:
Draw me from fear into faithfulness.
Lead me along Your Way, tonight, Jesus.
Draw me from sin into Your holiness,
That I, that I might be a living praise.

Oh, let us lift our hands and sing it tonight.
... deeper, deeper
Into Your Word of Truth,
Deeper and deeper
To prove my love for You,
Deeper, deeper to the place where You are;
Draw me deeper, and deeper,
That I may know Your heart.

Oh, draw me from hate tonight. Everyone, sing and worship Him.

...into charity,
From restlessness into Your peace;
Draw me from anger, tonight,
Till every storm in my life shall cease.

Draw me deeper, deeper
Into Your Word of Truth,
Deeper and deeper
To prove my love for You,
Deeper, deeper to the place where You are;

*Draw me deeper, and deeper,
That I may know Your heart.*

Hallelujah. Thank You, Jesus. Blessed be Your wonderful Name, tonight. Hallelujah. Amen. Let us just sing one more.

*Lord, prepare me to be a sanctuary,
Pure and Holy, tried and true.*

That is God's plan for this Age; A Living Tabernacle of the Living God. What house will you build Me, amen, that God might have a dwelling place; that the Almighty God will stretch the tent of His humanity one more time: that He will dwell in His people? Amen? Oh, Lord, prepare me.

[[#306 - Songs That Live -Ed.](#)]

*Lord, prepare me to be a sanctuary,
Pure and Holy, tried and true;
With thanksgiving, I'll be a living
sanctuary for you.*

Oh, sing it again.

Lord, prepare me, tonight.

Work on me tonight, Jesus, amen. I came that you might take me in Your hands and build me up, amen, that I might be this Living Tabernacle tonight.

*... with thanksgiving, I'll be a living
sanctuary for you.*

Oh, sing it again. Lord, prepare me, tonight.

Lord, prepare me...

I came with that desire in my heart, amen. I came determined to press in tonight.

*Pure and Holy, tried and true;
With thanksgiving...*

Oh, I'll be a living, tonight...

*..I'll be a living
sanctuary for You.*

Oh, it is You Lord..
It is You Lord, Who came and saved
Oh, the heart and soul...
...soul of every man;
It is You, Lord...
It is You Lord...

*Who knows my weakness, tonight,
Give me strength, tonight.*

Oh, you ask with faith and expect to receive tonight.
Hallelujah! God is a prayer-answering God tonight,
amen.

Pure and holy, tried and true;
He will always hear a sincere prayer, tonight. Amen.
...I'll be a living sanctuary for You.

Oh, lead me on.
Lead me on, Lord
From temptation,
Purify me from within;
Fill my heart, tonight,
Fill my heart
With Your Holy Spirit,
Oh, if you believe, take away all of my sin.
Oh, God.

Lord, prepare me to be a sanctuary,
Pure and Holy, tried and true;
With thanksgiving,
Oh, I'll be a living, tonight,
...sanctuary for You.

Oh, let the brothers sing: Lead me on, Lord, from
temptation.

Lead me on Lord, from temptation,
Oh and purify me...

...from within;

Oh, and fill my heart, tonight. I came hungering and thirsting.

With Your Holy Spirit.

Take away all of my sin, tonight.

Lord, prepare me to be a sanctuary,

Pure and Holy, tried and true;

With thanksgiving,

I'll be a living sanctuary...

...sanctuary for You.

Oh, one more time. Lord, prepare me, tonight. Oh, thank You, Jesus. Oh, You are the great, wise Masterbuilder tonight.

...tried and true;

With thanksgiving, I'll be a living sanctuary for You.

Thank You, Jesus. Hallelujah! Glory be to God in the Highest. Thank You, Jesus. Thank You, Lord. Thank You, Jesus. Amen. You may have your seat tonight.

I want to welcome everyone in the house of God tonight, to service. Amen. I trust that you all get settled in, by the grace of God, and just enter right into His Presence. It is such a blessed privilege and opportunity we have, to come and gather together.

You know tonight is prayer service night, and you know the value of the access that God has given unto us. As our brother was singing that little song tonight, [#458 - Songs That Live -Ed.] I was just thinking – I said, “I wonder if...” I know it is an old song in the hymn book, and I said, “But it is not so much an old song; it is what the song is saying.” Amen, “*Lo, He is the Mighty Conqueror, for He rent the veil in two.*” And if that is not the Message of the Hour; the Mighty God unveiled before us, the Mighty Conqueror standing unconquered by tradition. That is the song the Prophet was singing when he preached that great Message, when God ripped

the Seals off of Himself and brought Himself into plain view; to let sons and daughters of God in this Age, know that we can come into the Presence of God; not come through the door of a church – come in the Presence of God. That means something. Amen.

When God has come down in this Day; when God identified Himself by Scripture – not just us saying, “God came down,” God identified Himself by Scripture: “This Day is this Scripture,” that said, “The Mighty Angel shall descend from Heaven,” God Himself coming down, is fulfilled; when God confirms that, then that is far beyond what we can even imagine; to have this great and blessed thing.

It is so wonderful to know as a believing people, in a time like this, we can come, and when we come and gather, we know the purpose of our gathering. The only reason I am here tonight, is because God opened the Seven Seals. I am not here because I want to start a church and I have ambition to preach and start a church. I am here because God has come down and is gathering His Redeemed subjects together. I am here because God took my amnesia away, to let me see I am part of His Plan for the Age. Amen. And I trust that that is why you are here. That you too have heard from your theophany. We heard from man; I heard from my mummy, I heard from my daddy, I heard from my brothers and sisters; but never a man has ever spoken a Word that said, “You have heard from your theophany.” But, a Prophet in this Day could make a statement like that. He said, “You have heard from your theophany!” Amen. A man who went beyond the curtain of time; a man who said, “I saw you over there. I saw the Bride over there. I saw everyone that is under my Message, in this Day, I saw them there.”

I tell you, that makes the difference. That is not how you feel; that is not the size of the church; that is not whether the rain is falling or the sun is shining; whether the night is cold; whether you have food on your table;

whether you have clothes on your back; that doesn't mean anything, amen! Brother, when you heard the Almighty God has come down, amen, in this Day, to gather those people and all those theophanies are here; and a Prophet could tell us – he said, “Do you know why you feel to shout? You are bumping into those Angels.” Well, if you are not bumping into anything, then what are you going to do? Amen. You bump into your chair, you bounce your foot...

Brother, I tell you. I was taking a bath today, and climbing into the bathroom, I stomped my toe. You talk about pain. My! I held that toe for a while, amen. You think, if you can feel that kind of pain when you bump your toe – it registers that you bumped into something, amen. Brother, that old negative thing, this old pest house began to cringe in pain. But, when you bump into them—something unseen, when you bump into those theophanies, when my soul bumps into that theophany, that does something, amen. No wonder I get goose pimples, amen. I get goosebumps. Hallelujah!

Long ago, I would have just said, “Whoo, I felt a chill.” But now I know what I feel. I know Who I feel. I know why I feel what I feel. Hallelujah! Glory! Because God wanted me to know what is here twenty feet from me. God wanted me to know Heaven is not a million miles away. God wanted me to know Heaven is in another dimension, right here. Because God wanted us to know that we are in His Presence.

He said, “It is not God bringing down the Angels. It was like in 2nd Kings,” he said. Elisha prayed, “Lord, open the boy’s eyes.” [2nd Kings - 6:17 -Ed.] When his eyes were opened, he saw Angels and chariots of fire all round about him. Is that right? He said, “God did not bring the Angels down; God changed the boy’s ‘seeing’. The thing was already there.”

And so, when he went beyond the curtain of time, he said, “But I am right here; that is my body right there. If I had not come here, I would have still been thinking

I'm travelling a million miles past the galaxies, to go into Heaven. But, I'm still in my bedroom right here, in another world, where there is no sin, no yesterday, no tomorrow, no fear, no doubt, where Perfect Love is." Do you believe that? Do you really believe that? [Congregation says, "Amen!" –Ed.] He had an inheritance there; incorruptible and undefiled and fadeth not away.

Just like Joshua and they crossed over in Canaan, he crossed over into that Land; because there is a Land beyond the river. Did you get that? That is what it was. That is why he came back and preached, *Adoption*. That is why he came back and preached *Ephesians*. Amen. That is why he came back and began to tell us, we are going somewhere; a placing. He understood that when he went there. It never left him.

Do you know the great thing about it? When he came back, he wasn't just trying – like these people, writing books and saying, "I had an out of body experience. I had this kind of experience. I think I was in Heaven one time." No, no. He went back to Scripture and he started to open the Mysteries, and started to show to us, where that is the plan of God; where that is a reality.

Those people don't go to the Scripture. They say, "I kind of thought I was here or there." He went back and he said, "Abraham was gathered to his people. Jacob was gathered to his people." Amen. "Jesus is a little higher up." Glory to God! Those souls were under the Altar; not a martyr's altar – an Altar where they changed and came back young—could never grow old again; an inheritance that we are going to; a placing that we are going to. He was still a Prophet when he went there. They have need of prophets there. You think prophets are a thing on this side? Prophets are a thing on that side too. Moses was still a prophet there. Samuel was still a prophet there. Glory! Elijah was still a prophet there. Is that the Bible? Heaven is not the place your mother used to tell you about. Amen. No. Not until this Day, a man went to Heaven and came back; then we

knew what Heaven is. Hallelujah! I feel good already, amen. Glory be to God in the Highest! An inheritance.

He said, "Do you know something? All I got there— went into, was a body. Because I had life here, I can go to a body there." Did you get that? "And what I am here, whether my body is old and I had lost some of my hair, I went and I saw my hair was waiting there for me, and I realized that you don't lose anything." Hallelujah! Once God gave it to you, it is not lost! Amen. Glory! God doesn't dwell in the temporal. God dwells in the Eternal.

The thing I love about that is – he said, "I saw Hope, and I watched her coming among the millions, and I saw her coming to me." He said, "My goodness, she still has that brown hair. She is still a brunette and she still has those brown eyes." Think of it! Yet her body had turned back to dust in the earth.

As I always say, "Which was first; the body or that theophany?" That body came by sex, but that theophany was the Word. That body died and went to the grave, but that theophany cannot die. Glory! But that body was made to reflect what was there. Tonight you are reflecting something; you are reflecting somewhere. That is why you are not in those Seventh Day Adventists' 'soul-sleeping' business; it is not those Hindu's 'reincarnation' business; it is not those Muslim's 'hereafter'; it is not those Jehovah's Witnesses' 'you're breathing the breath of air'. No, sir. It is the revelation that you were the Word before you became flesh. You bypassed that Word (amen) and you came from thought to flesh, but the Holy Ghost knew you and He brought you under this Message. He is taking you there; "In My Father's House are many mansions, many theophanies, and I'm taking you there." Hallelujah! Glory! "I'm taking you there." That is where you are going. You are on your road tonight. You are travelling. "The Angel of God, in Whom My Name is, He will bring you into the place I have prepared for you."

That is why sons and daughters of God, born by the Holy Spirit, growing up into the Headstone; the Intelligence comes down in the mind Age, their eyes are anointed to recognize the mystery – what part of the Word they are. They have the Mind of Christ. Whether they walk in those doors, walk in the doors of their house, walk in doors in the office, they know they are walking in the Presence of Almighty God. Amen! They are living in the Presence of God! Oh, hallelujah!

You talk about the Rapture! It is not something to come, it is happening. The Rapture is a mystery unfolding, and Seven Thunders that opened the Seventh Seal, catching the Bride and showing Her how to prepare for Rapturing Faith. Oh hallelujah! Hallelujah! No wonder the Devil is howling! No wonder the Devil is criticizing. No wonder, but they can't stop it. Amen. You can't stop God. You can't stop the Pillar of Fire. Hallelujah! *“Sing ya ba hamba yo thina ku lomhlaba.”* [#654 - Songs That Live -Ed.] “We are not of this world! We are going out of here! We are pilgrims, we are strangers!” Hallelujah! Glory be to God in the Highest!

I tell you, you heard from your theophany. I tell you, you are bumping into your Angel, tonight. Oh, hallelujah! Glory be to God in the Highest! That is why David said, “I was glad when they said, let us go into the house of the Lord.”

A man, or some maniac might bump into you with his motor car, but when you come into the house of the Lord, you bump into Angels. Angels bump into you, purposely. Amen. Do you think the Angels don't see that you are coming to bump into them? Do you think the Angels should move aside and let you pass? No, they want you to touch something Heavenly. They want you to connect with the Supernatural, because you are candidates for the unseen world! You associate with the unseen world and are a candidate for the Supernatural; because you are a Heavenly Being! You came from God!

That is why denomination, church organizations, man-made programs, can't satisfy the Elect. But, when they see their names in the Book; when they walk in the Mystery; when their faith gets anointed in their hearts; when they recognize their position in the Word, it does something to them. Then they walk where the apostles walked! They walk where the patriarchs walked. You say, "Is that right?" We are the City; they are the Wall. We are the City; they are the Wall. Hallelujah! We walk in the things they only saw afar off. Hallelujah! Glory be to God. Thank You, Jesus.

They were only made to reflect what was coming. They were not the substance; they were the shadow! That is why they couldn't be the City. They had to be the Wall. Hallelujah! Glory! Because the City is the feminish Spirit that was in Him, that had to be taken out, to become wife to Him in this Hour; to become Him expressed. Oh, thank You, Jesus.

Oh, I tell you, give Him glory tonight. Because He is a Mighty God, He is my Rock, He is my Sword, He is my Shield; He is my Buckler. Amen. He is the Captain of my Salvation, He is my Hiding Place. He is the Rod of Israel, He is the Great Shepherd. Hallelujah! He is my Prophet, Priest and King. Thank You, Jesus. Oh, hallelujah! Hallelujah! Oh, we give You praise, we glorify You, Lord. Hallelujah! [Bro. Vin and congregation worship -Ed.] Hallelujah. Oh glory.

My. It is in times like these, the sick gets healed, amen, the captives are delivered. It is in a time like this, He puts strength into you, to push you back into the battle, amen, and make you stand flat-footed. You are not running, going anywhere; you are standing there, tied to your tiepost! That is when you pray, "May I learn to grip that sword tight, hold it close and cut my way to a clean fresh drink for my King; my Rejected King." Amen. Glory! Thank You, Jesus. Thank You, Lord. My, it is real to believers. Glory.

To think I was going to make some announcements, but the Holy Spirit made an announcement inside of here. He said, "That Angel brings the next announcement." Hallelujah! A Divine Announcement. Glory be to God in the Highest. I tell you, you can't plan anything for God. You just have to follow by the Holy Spirit, whatever way God will lead you, always sensitive, always ready, always alert, amen; always ready to yield and make yourself available, because, brother, omnipotence, omniscience is all around us. Oh my. That is why he said, "She is going to be a Super Race, a Super Church. She will be an Invincible Army." Amen. "God in His people, that's the Super Sign." Oh, yes. These things are realities. Amen. These things are realities. Glory be to God in the Highest.

People are being robed now; being robed now for the faith civilization, amen. Glory! This Robe is so snowy-white, it fits me just right. I tell you, 'tailor-made' they call it, tailor-made; measured to fit. Glory be to God in the Highest. The same Man who measured the Temple (amen) with a measuring reed, the same Man who measured the City, measures everything by His Word. Glory be to God in the Highest. Yes, sir. Thank You, Lord. Hallelujah. He is real. He is real.

See, that is what *Invisible Union* is; *Uniting Time And Sign*. It is not a thought. It is not a message. It is not a sermon. It is a reality! It is an experience! "That day you will know, I in you and you in Me." [John 14:20 -Ed.] Because that is His plan. He hid Himself for Seven Church Ages, but at the end of the Age, He said, "It is too much to bear. I'm not going to hide any longer." And then ripped the veil off of Himself and brought Himself into view for His children. He said, "Take a good look at who your Papa is. (Amen) See how omnipotent your Papa is." Glory be to God in the Highest! Know your God is greater than any denomination, any interpretation of man, amen! Your God is the "I Am God, the Living God." Not some historical god. Glory be to God.

That is what the Prophet introduced to us. That is what he married us to, amen! Are you married tonight? Do you know you are married? Do you know you have a husband? Do you know you are a wife? Hallelujah! Glory. Some people don't know, but some people know. Some people know – they are so sure, they know.

You don't doubt that you are married to your husband. You see him with physical eyes. You had a physical marriage to him, amen. You know his habits. You live with him. He puts seed inside of you, amen. Brother, you are married to him. You love him and he loves you. And that is all natural. That is all of the five senses.

But, there is a greater marriage than that. You are married to the Word. You are married to the perfect Son of God. Hallelujah! The expressed image of the Invisible God, you are married to Him. And you know you are a pregnated wife, you received His Seed, amen! You are bringing forth fruit unto Him. The way your body knows the next one, your soul knows this One; because that soul is the bedding ground to receive His Seed – the Seed of His promised Word, the Mystery for your Age.

Does that sound like the Bible? That doesn't sound strange to you, does it? Does that bring joy to your heart? Does that sound like music? Does it have a melody of Love Divine in that? That isn't any fable, that isn't any man's idea! That is the unadulterated Word of Almighty God.

Why does God do things like that? Because God wants you to know these things by reality. God wants you to know that it is real. It is not 'make belief'. It is not someone's idea of a thing. Christ, being revealed personally to you, the individual, and you become a pregnated child of God, bearing His Name, His Life, His preeminence. Did He say it? Go and read *Christ Is The Mystery Of God Revealed*, [1963-0728 -Ed.] if it is strange to you. That is what it said. "Take no thought what you are going to say. You just walk under My Headship. You just be a prisoner, bound in the chains and the fetters

of My grace.” That is why I love Him. He is full of surprises. He likes to excite me. He likes to let me know He is always around. Amen.

I was leaving home today, this morning, I had my little boy, Daniel. I said, “Danny, boy.” He was looking for his belt; he was pulling up his pants; just pulling up the pants, you know. He was looking all over for a belt, and couldn’t find a belt. I said, “Do you see the problem with you?” I said, “Have you ever seen me looking for my belt?” I said, “I know where my belt is all the time.” I said, “You must learn to put your things where they are supposed to be.” But then I felt sorry for him, having to pull up his pants. I said, “Jonah, find his belt for him, man. You see the poor boy has to be, you know, every two steps he makes, he has to pull up his pants, like that.” See? So, I said, “Daddy loves you, you know.” So I held him close and gave him a little hug; because I’m so in and out of the house these days, that he barely gets to see me, and we barely get to chat. But I want to kind of keep the connection, even though I’m quite up here and he is down here. But I want to keep something in his heart for him to go with, that when he sees me, he feels happy, when he sees me coming through the gate or something. See?

If we, as earthly parents, who are evil, and know how to do nice things like that, and see the necessity, and would come down from all our great responsibility of running the whole house, brother, to let our little boy know, amen, that he is part of me, he is my attribute, he is connected with me; and if he needs anything, “Just say, son. You just say!” Amen. Glory be to God! How much more our Heavenly Father?

If you as earthly parents, amen, can think those thoughts—and why do you think that you think those thoughts? Because God is pushing you into the revelation. God is pushing you, because He knows I’m going to think of it spiritually. He knows He is going to make me become conscious of what I’m doing to him,

so He could reflect to me, “That is what I am doing to you.” See? Because He designed our lives, amen, and He made all the things we do here, reflect something from somewhere. This world is only a shadow. The things that are seen were given to understand the things that are not seen.” [Romans 1:20 -Ed.] How many know that is the Bible? See?

It is not hard to walk with faith everyday. That is where God wants us to walk. That is why it is a channel He opened to us, and everything comes alive, and God is here all the time. He never went anywhere, never came from anywhere, filled all space and time. My! That is why you don't have to holler. You just say, “Jesus.” Just call Him on the scene and watch Him go into action. Because in your heart, you have a control tower. You have a receiving set. You can send out signals to Him, amen. You can email Him. You came to email Him tonight. Hallelujah! You have access to Him. Amen. Do you think He doesn't know how to contact you too? He knows how to access you. Glory be to God. Pops up on your screen, and you see it saying, “God is talking to you.” You check your mailbox. Glory be to God in the Highest. Father, talking to you.

He said, “Moses was catching God's thoughts; he took up dust and threw it in the air and it turned into flies.” He was thinking God's thoughts. When he spoke, it became God's Word. But God put His thought into Moses' heart and gave Moses faith to know that is not the other place where the Devil jumps in. That is the private line. For the Devil to get in that line, he has to be justified, sanctified and filled with the Holy Ghost. That is why He comes in your mind, but can't get inside of there. That line is the, 'I in you', where He speaks through the voice of the inner man; that still small, voice in the inside of the inside, where the Voice of the Blood speaks from the Mercy Seat, where the Shekinah Glory between the wings of the Cherubim, where the Ark is—where the Testimony is in the Ark. Only He and you

know that number; only you and Him alone. Don't give that out to anybody else.

I tell you, I love this Papa God, amen. Such a precious, precious God to us. Oh my. I just can't contain Him, I'm just overwhelmed. He overwhelms me all the time, more so in these latter times of my life, and my ministry. He overwhelms me. I'm just so happy for that. In my heart, I say, "*I don't know why Jesus loves me.*" See? Just lets us know it. That gives us assurance, right?

The Bible said, "Husbands, love your wives." Do you believe God will tell people something, that He doesn't live? Is that right? Aren't you the Wife of God? Why do you think She is not going through the tribulation? Nobody can beat up His Wife. Oh my. Glory be to God in the Highest. Oh my. See, that is why the Wife is so happy. He just 'busies' [occupy -Ed.] Himself over Her.

Do you know how long He waited for this? Since He showed His loneliness in Adam, when He said, "It is not good for the man to be alone." [Genesis 2:18 -Ed.] Since Abraham looked at Isaac and said, "Time for me to get a wife for this boy." Since Boaz was asking the reaper, "What about that girl? What about that girl? Who is she? Tell me about her again. Tell me something else about her." And the reaper said, "But why is he lingering here so? He is staying long, long, long."

He said, "The Power was still packing me in the room after the vision. It opened the Book, came back to the Scripture; opened the Book, He was still in the room, still packing me." Hanging around, hanging around so much. Just the way He is, right? Just the way He is.

See, a wife has to learn how to, you know, release herself and relax herself in her husband's presence. You know, I had just gotten married, and I found—(I hope my wife doesn't hear this. Nobody, don't tell her about it, okay? I'm going to talk a secret here tonight.)

Well, she was never married before, so what do you expect? She didn't know how to behave to a husband.

She is a younger girl than me too. See? So, sometimes, it's like, "Hey, I'm looking for some response, man." But then after, you know, sometimes you are kind of bashful in your own self, because you know, you want a certain kind of response, but then you have to—how is she going to know what the response is, if she doesn't know you? So then, you have to let yourself out too.

Do you see how nice revelation is? Do you see how good revelation is for the Bride, when He reveals Himself to Her? Then He said... You see, that is why he had to come and preach *Church Order* [1963-1226 -Ed.] and *Attitude Of Approach* [1955-0123A - The Approach To God -Ed.] and all these different things, so She will know what He likes; how to approach Him to get response from Him, to get Him to react to Her faith.

He said, "Look at the Shunammite woman. Look at the Syrophenician woman. Look at Martha over here."

What is He doing? He is showing Her what kind of response He wants, regardless of what the circumstances are.

He said, "Look at David; when you come into His courts with praise, how to approach. Look at the high priest, when he comes in." He said, "God was listening, when He heard the bell of the pomegranate, the priest was coming in the approach, He was getting ready." Like when Jacob heard Joseph was coming, he sat up straight in the bed. Amen. He got ready for an audience with him.

So that is why He reveals little things to us, because, you see, it is the husband trying to tell the wife, you know, "This is who I am. So if you come this way, I could always respond to you. But, you are coming with your face long, and you can't praise Me and everything. You can't praise Me in the bad times and, you know, you are always complaining and you are looking at this earthly thing here." He says, "You can't get any response from Me. But when you could bow your head and worship Me," amen, and know "He never failed me yet, He never

failed me yet,” and talk positively, brother, you will get Him to come down on the scene, amen!

That was why He saw them wearing themselves out in the boat, and looked out from the side of His eye. The Prophet said, “He wasn’t asleep. He was kind of waiting for them to come and wake Him up, instead of trying to bail out all that water and taking things into their own hands.” They were wasting their time from the time they tried to use human energy, because it was He who let that storm come, to let them see the value of having Him in that boat.

I heard that. Did you hear that too? I heard it myself just like you! Oh, thank You, Jesus!

What did the Prophet say? “Talk about Him,” and what happens? [Congregation says, “He comes.” –Ed.] “He comes. And when He comes, something good always happens.” If you are sensitive to what He is going to do, you will start to put up those prayers right now, in your heart, all over the building. Instead of waiting to come to some altar, you could put up those prayers. You will be sending back those signals to Him. Amen! Glory! That is how wonderful He is. That is what He means to us.

That is why He is everything. That is why we put Him first. That is why we make Him the center of our lives, center of everything that we do. We trust Him and we take Him at His Word. Then we start to understand the importance of revelation, because when you don’t know the Word, you don’t know how to please Him in different situations; you don’t know how to read into those things. But when you know Him, then you know, He fixed everything. There is nothing by chance. He even made like He was going on further, because he wanted that response, when they said, “No, no, no. Stay here.” He taught them how to react to get His response. Did you get that? I just love that tonight.

I like services like this. I like the kind when you talk about Him, He comes. Not some intellectual business. To talk about a God Who you worship and live and you

serve. A God that comes down and picks you up and plants you in the Word! “Blessed is the man who walketh not in the counsel of the ungodly; he shall be like a tree,” (not stuck in) “planted by the rivers of water.” Glory! Because, “*A good man out of the good treasure of his heart bringeth forth good things: but an evil man out of the evil treasure in his heart could only bring forth evil things.*” [Matthew 12:35 -Ed.] Because, “Every tree is known by his fruit.” So wonderful.

What kind of fruit are you bearing? What kind of teaching do you have? What kind of fruit for the season? What season is it? Oh my. Exact, exact, exact.

See, where people are trying to put the Word and say, “People are not there,” let me tell you, people are there. If people are not there, then we have come back to magic. Everybody doesn’t ripen at the same time, but when you ripen and you begin to ripen, you are going to find the things that are yours. When you see what is yours, you don’t stand up and say, “Is that mine? Is that mine? And be afraid to go... You go and take what is yours. And you tell the Devil, “You are no threat to me. You are not going to bluff me out of this; this is mine!”

Do you know why? You say, “The Blood of my Lord was shed for this. His Holy Spirit came down and put me to this and you are going to bluff me with a bow and no arrow, and make me walk away from this?” You said, “You have got to be crazy, Devil. And as a matter of fact, I know you are crazy, because are you coming against the Word? Don’t you know She is Him revealed? Do you want a second flogging? Don’t you know we are prophesied to bruise you under our feet?” Hallelujah! “After He revealed from Eve all the way to Mary, the feminish Spirit, are you going to come now and try to bluff that? Can’t you see I know who I am? Can’t you see that the thing you are trying to hide, He gave it? Can’t you see we have the answer to the Devil’s question? Because you could only bluff people, who don’t know who they are.”

You are walking around with the identification, you have a driver's license, and insurance in your car and if the police is checking for license and insurance, and you are trembling and the car is running off the road, because you got scared, and you have enough time to see it isn't expired? What is it that's frightening you? What is it that's frightening you? The only way for you to get frightened, is that you have to be reading what you have wrong. You say, "I have a license, but it has expired! It's expired! It is the year 2005 and mine is only marked up to 2000, December." See? Could you imagine that? No, no, no.

That was why Billy Graham ran. He only has an emptying-out message. He doesn't even know who he is. That is why the Prophet stood up when the maniac was coming; he knew who he was. See? Depends on what you know. That is why they were sad, on the road to Emmaus, because they didn't know. That is why He said, "O fools, and slow of heart." When He opened their understanding, they started to tell people about it. So even though there was a season where they didn't know, when He opened the Scriptures and opened their understanding, they knew; because they had something that could turn on.

If you have something that can turn on, it has to be on now. Because down through these years, He has been turning it on! What He did for them there for six hours, He did for you for over twenty years. Think of it. He made Himself known in the breaking of the Bread. That is what this church is built on. It is not just a Scripture. That is what He did!

Could you imagine, He said that He was going to do that, May 16th, 1976, and then for twenty-four years after, never failed to do that, even until tonight here? Do you see what we are talking about? And human minds just say, "What's next? What's next?"

He says, "What's next?" You have a puny mind—more, more, more. What's next?

After you'll say, "Just speak, Lord. I'm not questioning anymore. Just speak." My, that is God. That is what He is; that is what He does.

We have Sis. Claudette and Sis. Michelle there. They were here Wednesday night. I just got a glimpse of one, and after the service I saw Claudette. Both of them are here tonight still, so we want them to really feel welcomed. We appreciate having them here in the house of God, amen. [Congregation gives God a hand of praise. -Ed.] Two precious saints, called out, redeemed, (amen) out of the sister isle of Tobago. Amen. That is very, very wonderful and we certainly thank God for them. They just love to be over here and God gave them a little space, and then we just love to be over there with them as well. So, we have a little season coming up here, where we are looking forward to being with them.

You know, when we had the little 'follow up' for the church – the believers in Grenada recently, and we went there, about forty of us; and we sort of tried to put a little stir in the waters, trouble the waters a little bit for the saints there. And we had such a tremendous time and that just moved so good, you know, it just kind of gave a little witness. Well, that is appropriate, to do that, because that is why Paul said, "Let us go back and see how the saints are doing, that we preached the Word amongst." And these little trees that have been planted and growing up, and you know, God gave you a way, because they are God's cultivated field. They are God's building, the Bible said. [1st Corinthians 3:9 -Ed.] Did the Bible say that? And we are certainly desirous of doing that.

We have been trying to acquire some accommodation and that is why we couldn't—we didn't have enough information to present anything. We have Bro. Monty on that side, who is these girls' dad, to check back and forth with some of the places that we have been sourcing; that he could look them over personally and 'okay' them, so that they would be appropriate for us to make the visit. Today we have most of it kind of sealed

up. We already held some seats on two airlines. We are holding that also because, you know, Tobago is much cheaper than going to Grenada, and we have a kind of good history with Tobago since 1986, you know. *Your Enemy Is Still Dead.* [1988-0920 -Ed.]

Have you ever seen a dead enemy trying to jump up and make a lot of noise? Satan wants to prove to people that he isn't dead. He is trying to prove it to the wrong set of people. Because he and his subjects of this world—Jesus even said, “While they live in pleasure, they are dead.” So walking around saying, “Look, I'm not dead! I'm not dead!” “You are not dead? What is the mystery between the Gentile Prophet and the Jewish prophets? I'll tell you if you are dead or not dead. What did God do from 1965 to the year 2000? I'll tell you if you got quickened or if you didn't get quickened. Don't give me any historical God, because He is not 'I was'.

You see—that is not for you; you are not dead. I'm talking to the living here tonight. I'm talking about the dead. I'm trying to show you how people are dead and they don't know they are dead, or they don't think they are dead; but they don't know what life is.

The dates we had in mind, that we are trying to work with, are the 7th to the 9th, which is July; Friday, Saturday and Sunday; 7th, 8th and 9th. What we have so far – I'm going to tell you what we have. If you can make it this time, praise God. You know, what I liked the last time in Grenada, it was – we had some mothers: Sis. Doreen and Sis. Cruickshank and they, you know, and to see how they took some of these young girls under their arms, and talked with them, and fellowshiped with them. Then we had different saints that went, that God used in different ways and it was such a tremendous time, especially to see how the saints are coming along in Grenada; it is very wonderful. Within the last couple weeks, we had the two visits with the soldiers.

Sometimes, so much happens around the church that people don't know. We had a new school opening up for us also, which, when the new school term begins, we will be adding another school, further school. So that will be Barataria Junior Secondary. Then we used to have Marabella. We went through Pleasantville, St. Madeline and then Mount Hope. All these are schools where every week these brothers go and speak the Word. Then we have a few people in the prisons that we write, we send books to, and we visit as well.

Then also, we have these saints out there that we are trying to go... We have a little committee with Bro. Bishop there, who are printing the books. Sometimes you don't even know all of this is being done until the book comes out and they tell you they have the books ready. But they have been—these saints sit there, transcribe the tape by hand, and then put it into type-setting, everything, format it for a book. They have the proofreaders who proofread, and all this is being done and you—we haven't talked about the people who do the maintenance work; taking care of the building, internal maintenance, external maintenance, you know. Then the Sunday School Teachers, the Librarians; it is a very active Body, and we are certainly desiring to see more and more workers raised up, because we believe that it is not just about coming and saying you are coming to church. We believe the thing is about you being around; you being involved; you seeing what is happening; you get under the burden, you begin to feel what is taking place.

We so appreciate when we see people can catch the Vision and share in the burden of the Vision. Because if you remember a couple of years ago, when we took the little message *United Under One Headship And By One Language* [[1999-0117 -Ed.](#)] and these things, *The Unity Of The One God In The One Church* and *The Vision And The Commitment*; [[1999-0103 -Ed.](#)] all these things are not just some past things. That is what we are working with

and that is what is happening. Right now, we also have been seeing some people in the assembly who have connections in St. Vincent, because we have – (not just here, but also in Grenada), we have saints who have connections in St. Vincent. We are certainly looking forward to going there as well because, you know, God measured the land.

God told Abraham the boundaries. When Joshua and they went in with that commission, they knew their boundaries. They knew where Rahab was then. They knew where the Elect was to be placed. They knew everything, because God doesn't raise up a people to do a Work and they don't know it. God reveals what is to be done, God reveals why He put you where He put you; what resources He gave you; how to use it; where it should be used; where is the sphere the Work must take place. That is why we went forth in the campaign in Tobago; there it was. We went forth in the Grenada campaign; there it was. We went forth in the schools; there it was. See?

I think sometimes to our own detriment, we don't speak of these things often. So sometimes people come in, and they don't know half of what is taking place; because sometimes individually, on an individual level, some people are so stereotyped, they just come in and go out. They kind of just time themselves, head for their cars, and take off. So somebody outside meets them and says, "I heard you all are doing so and so."

They say, "No, we don't know about that. We don't know anything about that."

And they will deny things that are happening right here, that they are not a part of, not interested or involved in, and don't know what is happening. That is why sometimes, it is very good to tell you some of what is happening, what is being done. So you will know it.

Then recently, I felt my opportunities were running out, because the Bible said, "Redeem the time," [Ephesians 5:16 -Ed.] which is, to buy up the opportunities. I found

that we were kind of moving slowly; not that God is moving slowly, but we are moving slowly. Because sometimes you see things to be done, you just sort of... You know, the flesh has a way, it kind of waits for convenience. But sometimes you have to move and do the thing, while the door of opportunity is open. Like Paul said, "There is a door opened, but there are adversaries." What am I going to do? I have to fight my adversaries, because it is God who opened the door; but Satan now is trying to shut that door. But even though God said, "Behold, I set a door before thee, and no man can shut it," [Revelation 3:8 -Ed.] they can still try to keep you out of an open door. That is why he said, "Satan hindered me." He said, "But we are not ignorant of the devices of the enemy." We know he is going to do those things, so sometimes we have to go into overdrive, pull up all the stops and try to slug it out, and let him know we are not going to sit here and just get bound up and tied up. We have a job to do.

That is why when Joshua was fighting the battle, and the enemy was on the run, and the sun was going down, he didn't say, "Oh gosh! We should have gotten up about 4 a.m! We got up at 8 a.m." No, no, no. He said, "What?" He said, "I'm not coming back here tomorrow with this." He said, "Sun, stand still. Moon, hold your place!" He went into overdrive and God fixed it like that. See, but it takes faith to do those things; takes staying with the Vision; staying under the effects of the Vision.

It is good to see how we have some young men here. I watched them coming up in the church and serious in the Word, catching the Vision. When they fellowship, they fellowship on the Scriptures. They are involved in the things of God. When you see that, that is a great thing; that is an inspiring thing. And I, you know, I admire that, to know that they are catching, they are believing, and they are seeking out these things by the grace of God, and God is making it their own, personally, by making it real to them. That adds to the

church in strength, spiritual strength, because the body is fitly joined and compacted together, by the measure that every joint supplieth. So, when God is working in them, then they get an increase, and when they get an increase, then they come out with a greater faith, and then you see the Presence of God coming that much closer, when you see they learn to hold that place. See?

We are still, (as I said) trying to capitalize on every opportunity that we can; and that is why, you know – to move on from where we are at, to ascend up a little higher, we know it is always a battle, always making ourselves available. Because sometimes, the enemy sees you progressing, like in the Book of Joshua. And brother, Joshua 10, I think it is, all those kings, principalities and powers began to unite to come, and then God reminded Joshua of the commission. God didn't have to give him a new commission and do any big set of things. God just had to remind him of the commission. See, that is all God did, just reminded him of the commission. When he remembered the commission, God said, "Now, go up." He said, "I have delivered them into your hands." And what was it? He was trying to get his people placed.

And that is my burden down through these years, trying to see a Church placed positionally; to know who they are; what they are; what they ought to be in this Hour; how to stand; how to keep what you have; refuse to be shaken from your place and then learn to fight. Not play around with the enemy. Learn to fight and take what God has given you. To be rugged—rugged faith. Not people whimpering on the baby bottle – today you are up, tomorrow you are down. No, no, no! You tie to the Word and stand there. After having done all to stand, stand! And you know, after a while, it sinks in. It sinks in. You know, people are going to catch the Vision and catch the faith and we are thankful for that.

It is a blessing for you to know – you keep plugged in, right in the Word. Don't get detoured, don't lose your

focus. You see, the thing is, when you are a servant and you love your Master, and you understand why He called you, you get so taken up with your Master...

If my wife, whom I love, and my children, whom I love, can't keep me, and I'm trying to press daily and sometimes I think I neglect them, yet, the pull for me sometimes, if I feel I have something to do for the Lord, I don't let them hinder me. Do you think I'm going to let some critic, some person decide (who's not doing anything for God) hinder me? No, sir.

I mean, if these Things are not real to me, then I can get distracted. But if I believe that, if I don't stand to interpret these Things, who will interpret it? God didn't tell me all who are in the Bride and who has to be there. I don't know everybody in the Bride. But I know when He says, "This is 'Bride time', I want to be like Caleb; I want mine. He said, "This is possession time;" I want mine! If I see seven tribes being slack to go up and possess theirs, and they are loitering around and there remaineth much land to be possessed, and they are arguing, "Do you think they could take the land, different things?" I'm not going to wait there. I want to say, "I am strong this day for war!" And that is not war to war with people. That is war to possess what is mine. War to take what—war to finish my commission and go on to my objective.

That is my focus. That is my burden. That is my drive. That is my Vision. That is my joy. And I have joy. That is why I have strength; I have joy. I always say behind this pulpit, and you have heard me say it over the years, "Get somebody happier than me." God tested me and I'm still happy tonight. I have stimulation. I realized when you have stimulation of revelation, you don't bother with people.

You are telling me it is not an apple. You are trying to show me some plastic apple, and telling me that it is a real apple, and I ate this and juice came out of the apple? Do you think you will get me to put down this

and eat that piece of plastic? You are making a joke. Look at how this has me behaving.

The more I see this, I see Adoption; I see Adoption; Placing! The son had been tried and tested with everything the Devil could throw! But the Father wants him to put his name on the check, just like the Father's Own; Angels taking report! I said, "Make sure you tell my Father how you saw me acting, okay? You tell my Papa, okay? Don't give any wrong report there, you know." I said, "You tell my Papa that you can see down in my heart, how I'm standing here." They have to go and tell my Papa that. See? You talk about a man that knows his place. Those Angels said, "Father, that boy is You." They said, "Like You reproduced Yourself in that boy or what?"

Father said, "Get next to yourselves, Angels. Don't you know that was the plan? That was always the plan, to bring forth more like Myself. Didn't you realize that was the plan?"

They said, "Do you know something? He reminds us of the one we took home on December 24th, 1965." See? Praise God. My, my, my.

I feel so good. I like to be in a church with believers. Amen. You know that. You know I like to be around believers. Anybody who knows me, knows I like to talk about the Word. I like to talk about the faith in the Word, what the Word can do. I know over the years, I didn't have time, maybe I put too much emphasis on this, but who knows? I think that is what I was supposed to do. Sometimes I feel like I didn't talk about Him enough; exalt Him a little bit.

So what we have; let me tell you quickly about what we have, so we can have a little time for ourselves afterwards. So let me give you this report quickly here. This is what Bro. Errol has been going through in the office there, trying to put this together. We came up with a fantastic—We are still trying to figure out how we will check it; we had Bro. Monty check it, and we checked it

back ourselves, and the people said “That is the deal.” It is a guesthouse called Coral Reef Guesthouse, and reservations have been made for forty people, with the unbelievable price of sixty dollars nightly, per adult. The place has a private bath, ceiling fan or air-conditioning, kitchenette, a balcony and patio, room service, restaurant and laundry service. So that is sixty dollars a night.

Then that room can take about four people in the room, or even three people in the room, so you know we are talking about, you are staying for about twenty dollars a night. I said, “No, that price is wrong.” I said, “Call them back and find out if linens and towels and these things are included.”

They said, “Yes, they are included.”

So then we said, “No, no, no. This isn’t sounding good.” We told Bro. Monty, “You go and check it out personally and tell us.” I said, “Is this some apartment building, filled with concrete and some little cubicles or something?”

He said, “These are big, spacious rooms.” I heard Bro. Errol last night on the phone, and he said, “Is this good for our people; for what we will want for our people?”

He said, “They will be very happy here; it is comfortable, it is very spacious.” So that is that.

Then we will have to get some ground transport, which we will have to find out how much is necessary, and then we will know how we are going to break it up amongst ourselves for those who would be going. Also—well everybody knows airfare is three hundred dollars return. Then they have the boat as well, so if some people want to go on the boat, it is up to them. We can make boat arrangements for you, but if you could make it yourself, it might be easier – you would know. Because I guess, boat people would be people who are experienced on the boat. I don’t think people who have never traveled on the boat would get seasick and vomit all over the place, and you know, all kinds of things. You

know they have cold nights sometimes, and about five hours across that choppy bocas. If you would want to do that, I mean, if you are adventurous and you have a good stomach, fine. But you know, if you want to go and that is the way for you to go, then be rugged; take the bull by the horns and do it.

They have twenty seats each, on BWIA [British West Indies Airways Limited -Ed.] and on Air Caribbean. The Air Caribbean seats are already confirmed, but the BWIA seats, the twenty seats, we will know maybe in a couple days, if we have all those seats.

So far we have twenty seats, and we have the rooms for accommodation, for forty. We didn't want to go beyond forty people, because you know the meeting is designed to be a blessing to the saints over there. Since we have been kind of talking to some of those soldiers – and I understand one of them was in the service on Sunday, and then another couple was supposed to come and it just didn't work out; they had some other engagement, so they didn't make it out. But in a meeting like this, you know, we try to create a little – make a little pull for some fish that might be there, waiting to be caught. So the meeting is along that kind of line.

So the people who want to go, are people who want to go out and testify, and witness, and hang around after the service, and meet strangers, and talk to them. Maybe go out there and invite somebody; people like that. I don't think you are going to go and sit there, and sit and watch me preach in Tobago. I don't think anybody is going for that. I think they are going because we want some growth in the church, spiritually, and even see God bring in some more souls. We don't believe it is a barren woman. We believe it is a fruitful woman, and we believe there is a spiritual multiplication. Babies are supposed to be born, if there is life there. So that is what we are desiring. We don't believe that God has

called all as yet, and we believe that there might still be some.

Then, it will be a good lift for the church itself, the local church over there. I think the last time we were there, at least for myself preaching, it was when we were there last year in that Jerusalem series; and it was breaking here and we went there. Maybe this might be a good time with this inspiration too, while it is breaking, to share with them, and that it could be something that could give the church a lift, that would be of benefit.

So I know some of the families, and then some of the individual people, some of the singers, and different ones who may want to go, it is a good opportunity. It is a very low cost. We would give you the whole package. To go to Tobago, you don't need any passport, you don't need any departure tax. It is a domestic flight. You are still considered to be in Trinidad.

So you are still better than Grenada. After you get your room in Grenada, you still have to get departure tax, going and coming, and that adds up your cost and different things. This is very economical. You don't have much time. If you are interested in doing that, you will have to see Bro. Errol tonight and Sunday morning; because as I said, the twenty seats are already confirmed and there are twenty that we believe would be confirmed, because God has already given us the accommodation for forty people.

We have a venue in Rovanel's, where we are going to have the services. We have a conference room that we were able to get there, at a very good price. We would be having the—we tried to arrange to use the place for lunch on Sunday, because we will have service Friday, and no service Saturday. We will do the same thing like what we did in Grenada; create a time for fellowship so we don't go and get all preaching and we don't get time to spend with the people. So we will be able to spend

time, fellowship, move around a little bit, and be able to mingle with the saints there.

Then Sunday, well, we have two services, so we will do the same thing like in Grenada. We didn't have any long services. We just had it abruptly; Friday, then free time on Saturday. Then two short services on Sunday, so we will just keep the atmosphere nice and keep the services designed for the purpose and the objective that we are trying to achieve through these meetings.

Because remember the objective behind these meetings is to stir the church a little bit, to sort of revive them, to keep them revived. Then also to see if we can catch those fishes that are yet to be caught; and it would be a meeting where they can invite people and so on, and we can have strangers, visitors that we would encourage to be there.

This place also has kitchenettes, I think, in seven rooms that are available to us. Then there are three big kitchens that are available. So what can be done, like what we did the last time, we had a couple sisters who can get together or couple brothers who cook as well, and the little team that prepares meals can do something; then we would be able to bypass having to find a place to eat and stuff. We would be able to cook our own food, save our costs, because we tried to even get some tables and chairs to use while we have the conference room there, and they wanted to bring up the cost. We tried to bypass that and we said, "No, we are not interested." When we checked back this place, they had kitchens available, so that means all the food can be cooked. We will be able to have it privately. We will get a little location where we can have it, or go back in your rooms, and share it, or we will arrange a facility right there where we are staying, by the grace of God.

We will have the two services Sunday. We will have three services; 7th and 9th, Friday; Sunday morning and Sunday afternoon; Friday 7 pm, Sunday 10 a.m. and Sunday evening 4 p.m. So those are the services.

Three hundred dollars return, sixty dollars per room, and you don't have to be cramped at that kind of price. You don't have to be cramped. Instead of trying to go four in a room, I think you can go three. It will be more comfortable. You can bounce around in the room and so on; it will be easier to get by.

Then we will just work out the maxi taxis and the couple private cars that we will get for the transport, to transport the people. Maybe two maxis might just be sufficient; if we get two fifteen-seaters, that will be fine, to transport most of the people. I know some of you want to take your cars. You can take your own car if you want. If you go and you feel that way, you want to see a little part of the place Saturday also, it is up to you. You have the opportunity to be involved in the service of the Lord, to do something that could be of benefit to the work over there, in a way of giving some of your spiritual support. It would be a little time of relaxation and enjoyment for you, using your time constructively in the service of the Lord.

So, as we said, if you are interested, you just see Bro. Errol Pereira, and he will know to make your booking and so on. We will have it, like we did the last time; everything will be posted, so you will get your deadline. We will put up all the information and that means you keep in touch with the board. Even though you don't hear an announcement, (sometimes an announcement might not be convenient) we will try to give you all the announcements from the desk, but the thing is, you keep in touch with the board, so you can keep updated on how many seats are confirmed, who is going to go with whom; the same way we did the last time. Some of you have your friends that you want to stay with; three get together and say, well, "The three of us are going to stay in a room. We are going to buy our stuff." So like we did the last time, carry one box; it makes it easy for you. Rather than three people, have three different sets of baggage and your food stuff, you just have your one

thing like we did the last time, worked smooth and nice. It was very appropriate and very efficient and the time was enjoyable and we had good success. We came back and everybody was testifying there.

I believe we will even have a greater time here, because I think we are in a season when God is giving us something fresh in the Word. It is always nice when you go and there is something that you can have some enthusiasm about, and you can see God just lift the hearts of the saints and even win a few souls, by the grace of God. We are certainly trusting that people will be little workers, and invite people and tell people about the meetings, and do the part that you can do for the success of the meeting, by the grace of God.

So saints requiring transport to Piarco International Airport on... The departure times that we have are: Air Caribbean – Friday 6 a.m. Because you know when we are having a meeting like that, we don't want to be running, shuttling people on Friday evening, and then you have people constantly coming in the meeting, and people constantly fixing people. That kills your whole meeting, especially when you have one meeting that Friday and two on Sunday. That means you are being made aware in advance if you are going to go, you will work out your time frame, you are going to try to leave early, you are going to try to take the day off or whatever it is; because it is for the Kingdom of God, for the service of God.

If you want to go, you want to go as an asset. You don't want to go to be a liability, you don't want to go to hinder and disrupt. Because somebody may say, "I might be the only person who might do that," and you don't know that ten other people are thinking the same thought as you. So then you get there, ten people are trying to rush in on Friday evening, and then now, somebody who is supposed to be on duty in the meeting, is running back and forth, sweating, trying to get people from the airport to bring them to the church and get

them there; and you come in there and you have your bags and baggage, and have people climbing over bags and stuff. We want to avoid that type of thing. Because we want to go – when we go, we have time for the service, we have time for the people we are going to be with, we have time to be around strangers who might be invited, to witness, to carry some books and different things that we can do, to make it a real success by the grace of God.

The Hour is late, the Church has a commission. We are in the region where God has placed us, where a Church is established. There is a local assembly, there are ministers that go there every week to preach, so it is a place that we can point people to. They can know there is a service there, people can know services are being kept, people can know that that's a church already existing there and that they can make it their home church and such, if they desire something more from the Lord, by the grace of God. So that is that.

If there is somebody with a question, maybe something I didn't say, you can put your hand up and find out. If not, we can just shift over. I'll keep you abreast on Sunday. Use the opportunity tonight to see Bro. Errol, if you are interested in going, by the grace of God.

So may God bless you. I think that's great. Let us just stand to our feet. Oh, thank You, Jesus.

Got any rivers you think are uncrossable?

Got any mountains you can't tunnel through?

God specializes in things thought impossible.

And He will do what no other power can do.

Do you love Him tonight? Are you going to be a real soldier in the battlefield? Are you going to buckle up that armor a little tighter tonight? Then one of the great things of the soldiers, is to have a fresh supply of the Holy Spirit, the Dynamics that cause them to function. Like Bro. Sammy says, "Uction to function," and that's what we want tonight.

Use the little time while your heart and mind are saturated under the endeavor of trying to see the little church there pick up some momentum, give it a good shot in the arm as it were, charge of faith. We all need a charge of faith as an individual, as a church, as a family. We all can do with that by the grace of God and our God is more than able tonight. He promised and He keeps His promises.

Let's do everything we can. Christianity is everyday rugged living for Christ, out on the battlefield, making converts. The Message is urgent, facing the responsibility and going with the Message; running with the Message. Not running from the Presence of the Lord, away from carrying the Message; but running with the Message. "Move back! We have the King's Sceptre." Amen.

Sis. Sarah La Borde is requesting prayer for her seven-year-old cousin. A young girl for her little cousin, seven-year-old cousin, whose body is covered with rashes and was recently warded in the hospital. This is something very minor. He said, "I cast out devils by My finger." Amen.

Got any rivers you think are uncrossable? Got any mountains tonight? And some of you who are built up in the faith, some of you who know the Lord, some of you who are Holy Ghost filled people; who God, down through these years have anchored your faith, shown your position in the Word, you know where you stand as an individual, you walk with God every day; why don't you just release that great faith tonight here in the church. Let that create such an atmosphere and let those prayers ascend, like the incense used to go off the incense altar, at the time of the evening sacrifice.

Remember in the Book of Ezra? He knew it was no good trying to wear himself out during the day. He waited until it was evening time, and at the time he began to offer the evening sacrifice, he began to pray, so

the prayers could go up through the blood of that sacrifice, so it could be accepted.

The Angel was at the incense altar when Zacharias' lot was to burn the incense, and He said, "Zacharias, thy prayer is heard."

Think of it, how God works in harmony with His plan. Then He teaches His people His plan and how to approach Him as a Royal Priesthood, who have access to Him. Then things happen, because they are in harmony with Him. Then it does not matter how great the situation is. It means that you are lined up with God's Word and God's Spirit is in harmony with you. That is what counts. When that takes place, no circumstances are big enough. That is when God says, "Is there anything too hard for the Lord? With God, there is nothing impossible." Do you know why? It is a finished work, already finished.

So let's just enter in there and put some real prayer here tonight, right here in this channel, this great work. And not just for them, but for us too; to see what God is doing in this Hour, friends; to see where we are standing. I believe it is a great time for believers to believe and expect to receive from God. Ask God to build your expectation. Sometimes you hear the Word and you feel like your expectation can't rise. Say, "Lord, reveal to me so I could expect, like Simeon, expecting to see You." You get what you expect.

[#193 - Songs That Live -Ed.]

...you think are uncrossable?

Got any mountains...

Got any mountains...

You can't tunnel through, tonight? Oh my! Look how big God is. What a great God we serve.

God specializes, tonight.

In things thought impossible.

If Satan is trying to put a stronghold on your mind, pull him down tonight, and confess what God says, and watch Him do what no other power can do. His promises

are sure. He's the God of the amen, the God of the unfailing promise.

Oh, let's lift our hands as we sing that with faith one more time. With your faith focused and that obstacle, that thing that seems to retard you and handicap you, paralyzing you at times, that thing that seems to block your way tonight; it is not impossible. It has to move. Thou mountain will become a plain before Zerubbabel. Not by might, nor by power, but by My Spirit, saith the Lord. Oh my. God, God specializes in things thought impossible.

...in things...

Abraham staggered not through unbelief. He believed in hope against hope, calling things that were not as though they were. His faith didn't take circumstance into consideration, because faith had found its bedding ground. The seed of promise found a place to grow.

One more time. Let your incense go up off the incense altar in your tabernacle tonight. That is the prayers. They used to mix that incense. A sweet fragrance went up with it. The effectual, fervent prayer of a righteous people availeth much. God imputing His righteousness and making them righteous. God giving them the merits of His sacrifice, that they can stand and plead the promise tonight, as heirs of God, heirs of the promises.

Oh God, we believe with all our hearts. We thank You for sure promises. We thank You for confidence.

He is able. Let's sing it.

[#597 - Songs That Live -Ed.]

He is able, more than able,

To accomplish what concerns me today.

Could you confess that tonight? My God is able. My God shall supply all of my needs according to His riches in glory.

...anything that comes my way,

He is able, more than able,

To do much more than I could ever dream,

He is able...

Oh, Jesus is able tonight.

...more than able

To make me what He wants me to be.

To make me what He wants me to be.

The Bible said, "Believe with your heart and confess with your mouth and you shall never be ashamed." Confess that tonight. Not just able, but more than able. Believe that tonight as you confess it. He'll take care of it for you. He said, "Cast your cares upon Me because I careth for you." Lay your burden down tonight. Trust Him tonight. Take Him at His Word. He said, "Believest thou that I can do this? Then be it unto you according to your faith."

...more than able,

Just say, "Lord, drop the faith in my heart tonight. Drop that faith in my heart, that I can take a grip upon Your Word, Father."

My God is able, more than able,

To make me what He wants me to be.

Oh, let's just enter right here into prayer. Focused, concentrated tonight, knowing the effectual, fervent prayer of a righteous man, a righteous woman, availeth much. His ear is attentive. He has lifted our spirit, our souls up into a channel. He has set us upon the rock of His unfailing Word of promise. He has made Himself accessible to us. He invites us to come with boldness before the Throne of grace. He assures us that we shall obtain mercy; that we shall find grace to help us in this time of need. He tells us, that He is the High Priest who can be touched with the feeling of our infirmities. He tells us, "Ask what you will; ask anything in My Name." He said, "When you pray, believe that you have received what you asked for and you shall have it." [Mark 11:24 -Ed.] He said, "Prove Me and try Me." Take Him at His Word tonight. Confess what His Word says, say the same thing. Come with prayer, thanksgiving and praise. Mix it up together tonight and let it come up as a sweet

smelling savor before Him. Show your gratitude to Him tonight. Glorify Him for His greatness, for He is the Omnipotent God, the Unfailing God tonight.

He is a God rich in mercy, rich in love, tonight. He is a God that cares, treats each request individually, attentively; as a special thing. He gives personal attention to every individual. You are not a stranger. He gave you His restored favor. He has broken the middle wall of partition, that He might make of twain, one; that He might bring you back into His favor, into fellowship with Him, thereby making peace, that God and man can feast together on Christ. He gave you the right shoulder and the breast; His Strength and Power to feed on. That was the God who took the man part of the sacrifice, when He tore the Lamb in two and sent back the God part to you.

Let us worship Him tonight and find out how faithful He is. Thank You, Jesus. Glory and praise be unto Your mighty Name, tonight. What a great God You are, what a mighty God we serve. Hallelujah, hallelujah, hallelujah. Thank You, Jesus. [Bro. Vin and the church enters into prayer -Ed.]

Amen. Thank You, Jesus. Let us just open to Psalm 61. Thank You, Jesus. Hallelujah. Thank You, Lord. Thank You, Father. Thank You, Lord. Let us just read together.

¹ Hear my cry, O God; attend unto my prayer.

² From the end of the earth will I cry unto thee, when my heart is overwhelmed: lead me to the rock that is higher than I.

³ For thou hast been a shelter for me, and a strong tower from the enemy.

⁴ I will abide in thy tabernacle for ever: I will trust in the [shelter] of thy wings. Selah.

⁵ For thou, O God, hast heard my vows: thou hast given me the heritage of those that fear thy name.

6 Thou wilt prolong the king's life: and his years as many generations.

7 He shall abide before God for ever: O prepare mercy and truth, which may preserve him:

8 So will I sing praise unto thy name for ever, that I may daily perform my vows.

Let us continue to read.

[Psalm Chapter 62 -Ed.]

1 Truly my soul waiteth upon God: from him cometh my salvation.

2 He only is my rock and my salvation; he is my defence; I shall not be greatly moved.

3 How long will ye imagine mischief against a man? ye shall be slain all of you: as a bowing wall shall ye be, and as a tottering fence.

4 They only consult to cast him down from his excellency: they delight in lies: they bless with their mouth, but they curse inwardly. Selah.

5 My soul, wait thou only upon God; for my expectation is from him.

6 He only is my rock and my salvation: he is my defence; I shall not be moved.

7 In God is my salvation and my glory: the rock of my strength, and my refuge, is in God.

8 Trust in him at all times; ye people, pour out your heart before him: God is a refuge for us. Selah.

9 Surely men of low degree are vanity, and men of high degree are a lie: to be laid in the balance, they are altogether lighter than vanity.

10 Trust not in oppression, and become not vain in robbery: if riches increase, set not your heart upon them.

¹¹ God hath spoken once; twice have I heard this; that power belongeth unto God.

¹² Also unto thee, O Lord, belongeth mercy: for thou renderest to every man according to his work.

Let us lift our hands and praise Him. Father, Thy Word is true. We bow in Your Presence. We confess the Truth of Thy Word, before Thy great, mighty, Holy Presence, tonight. We are Thy people and the sheep of Your pasture. May we ever be an obedient people unto Thee, oh God, that will be humble to walk in all Thy will and to do it, Father, that Thy Name might be lifted up forever. Grant it, Lord, is our prayer and our desire, in the Name of Jesus Christ. Amen.

Let us just sing: *Hear my prayer, oh God. From the ends of the earth will I cry. Your peace will lead me to the rock that is higher than I.* [Bro Vin addresses the musicians -Ed.] No, no, the next one: Hear my prayer, oh Lord. The one we sing, the other one.

[#788 - Songs That Live -Ed.]

*...oh Lord,
...ends of the earth I cry,
Your peace...
to the rock that is higher than I*

*For You have been my strength in time of trouble,
A tower above my enemies,
And Lord, I will abide with You forever,
In the shelter of Your wings.*

Oh, sing it again: Hear my cry...
*...my prayer, oh Lord,
As it came up to Him tonight.
...ends of the earth I cry,
...higher than I.*

*For You have been my strength
in time of trouble,*

*A tower above my enemies,
And Lord, I will abide with You forever,
In the shelter of Your wings.*

Oh, for You have been my strength.
...my strength in time of trouble,
Oh, He's the One that keeps us.
...above

He is our refuge, He is our strength, He is our
shelter tonight; our strong tower.
*And Lord, I will abide with You forever,
In the shelter of Your wings.*

Oh, come on sisters. Hear my prayer tonight. He is a
prayer-answering God. Isn't He? His ear is attentive.
Hallelujah.

Oh, everyone now...

*For You have been my strength
in time of trouble,
A tower above my enemies,
And Lord, I will abide with You forever,
In the shelter of your wings.*

Oh, for You have been my strength.
...in time of trouble,
A tower above my enemies,
And Lord, I will abide with You forever,
In the shelter of Your wings.

[[#787- Songs That Live -Ed.](#)]

*...closer drawn to Thee
Closer drawn to Thee
Lord the challenge is getting stronger
And the days...*

It is consecration time. God is looking for that Church who can finish this great commission, an Elected, called out Church, anointed and commissioned.

Closer drawn...

*A longing for a deeper fellowship
with You and me;*

Oh, you desire that tonight, until you are so filled with the Presence of God.

*A longing for a deeper fellowship
with You and me.*

I want to be closer...

...closer drawn to Thee

Hallelujah.

Closer drawn to Thee

Oh, Lord, the challenge is getting stronger

...is getting stronger

And the days are shorter

Lord, I need to see more of You in me

Closer drawn to Thee,

Is where I want to be.

Oh, my heart is longing, longing for a deeper fellowship, until the will of God becomes so clear, friends.

Closer drawn to Thee,

Is where I want to be,

A longing for a deeper fellowship,

With You and me.

I want to be closer drawn to Thee

If you desire that, that is what God wants to give you tonight, if your heart aches for it; hunger and thirst for it. The Bible said, "You shall be filled." It is God who makes the heart to hunger; it is God who makes the soul to thirst.

...Lord, I need more of You in me.

Let us bow our heads. I'd like to invite Bro. Glaude to come and pray and ask God's blessing and dismissal tonight.

[Bro. Anthony Glaude prays -Ed.]

Amen. You may have your seat. Let us just sing this little song:

*Teach me Thy way, oh Lord.
I will walk in Thy truth,
Unite my heart to fear Thy Name.*

*Oh yes, I will praise Thee, oh Lord,
My God, with all my heart.
Oh yes, I will glorify Thy Name,
Forevermore.*

May God bless you. May his peace be upon you as we go. Go with confidence. Go with joy in your heart. Bless you coming in, and bless you going out.

Let us come Sunday morning with great anticipation (amen) for a great mighty visitation as the days draw closer. As the Bride nears the Headstone, She will be the Super Race; She will be the Super Church; She will be in His very own image; Satan will be powerless before Her; She will become an invincible army. That is what He said. That is what He will bring to pass. That is the vision we are walking in. It cannot fail because God has spoken it! His Word cannot return unto Him void. It will accomplish the purpose where unto it was sent. Blessed be His wonderful Name.

Teach me Thy way, oh Lord.

Remember to see Bro. Errol Pereira, those of you interested in going, on Sunday as well.

[#786 - Songs That Live. -Ed.]

*Teach me Thy way, oh Lord
I will walk in Thy truth
Unite my heart...
...fear Thy Name*

*Teach me Thy way, oh Lord
I will walk in Thy truth...*
