

# PAK TABERNACLE ASSEMBLY

Heb 13:8 Jesus Christ the same yesterday, and to day, and for ever. Mission update August 2013

Dear and beloved Believers in Christ JESUS,

Christian greetings and love in the most precious and wonderful name of our Lord and savior Jesus Christ!

Praise and glory to the Lord Jesus Christ for his amazing and wonderful grace upon His children and we are mightily thankful to our redeemer Lord Jesus Christ who is preparing and perfecting us for the rapture through the message of the hour delivered by the prophet William Marrion Branham.

## Brother Branham said:

As Moses brought out those children of Israel; and they listened and got all confused with that great nation up there. Now, Israel was interdenominational. It had no land, had no home. It was going to a home. We have no church. We're no...We'- we're going to a Church, the Church of the First born, the Church that's in Glory; not the church that's on earth, by a man. The Church that's in Glory, the called-out ones, predestinated to Eternal Life, see, going to their Home.

## Report from Karachi City:

We had wonderful Family meeting on 11<sup>th</sup> August 2013 at Pak Tabernacle assembly and many couples came across Karachi City to attend this service. After wonderful and blessed worship Brother Iqbal Niamat invited me to sharing the Word of God. I took my text from Col 3:18 and shared about family. I shared them many quotes of Brother Branham about husband and wife and gave them many examples from the Holy Bible. After 2 hours of preaching people got too many blessings and they still wanted to listen and know more.

An old woman came to me and said I came to your church first time and I am very glad by the ministry of the Word and I want to learn more about truth of Holy Bible. She told me I am an evangelist and preaching among the people but I said her you are going wrong direction there is no woman

Evangelist in entire Bible so I think you need the more guidance of the Holy Ghost. Then we gave her books of Brother Branham for her right direction and guidance.

Thanks God for the message of hour for bringing the people in right direction relationship with Christ Jesus.

There was one young sister shared her testimony with us and said I heard the message and it touched my soul and I found I done sin and want to repent now. She said I got separation from my husband and want divorce but when I listen this message so I felt I did wrong and I repented now and confess I did sin, so I will go to my husband and tell him please forgive me because I was wrong. So by the grace of God now she is attending all services at Pak Tabernacle regularly for her spiritual growth and strengthens her personal relationship with Lord Jesus Christ. Praise and glory to the Lord! Amen

# DISTRIBUTE 850 BOOKS IN ONE DAY SEMINAR

**JOHN 8:32** And ye shall know the truth, and the truth shall make you free.

We astonished when we saw how hungry and thirsty the souls are for the Truth of the Gospel.

14<sup>th</sup> August is an independence day of Pakistan there is a public holiday across Pakistan. In the month of July 2013 when I was visiting one of our Brother's house there I met Pastor Shamsad Inayat and Pastor Shahbaz. They said to me we are organizing one day seminar on 14<sup>th</sup> August 2013 please come to our seminar with your team. I said okay but after some day we called to organizer of seminar and ask permission for the books stall, by the grace of God we got permission for books stall. We reached there with our seven team members and paid entry fees for seven people and put our books stall with the entrance. So when anybody enters the facility must see the books of Brother Branham. When first session was started we requested to meeting presider for an announcement of Brother Branham's books available free of cost at the stall. He announced there is the books stall from Voice of God recordings where you can get free books of Brother Branham. When first session was finished they announced for tea break then many people came to our books stall for the Message of hour. We privileged to distribute 450 books of our Prophet Brother William Branham only in the tea break time. Glory and praise to His blessed name. After tea break I sent two brothers to our office to get 400 more books because many people couldn't get the books and they are requesting for the Message of hour. After the last session those people came to our book stall, who didn't get Message books, by the grace of God we distributed 850 books in one day seminar among almost 700 people.( 99% denominational people). There were Bishops, Pastors, Evangelists, Elders, Deacons, advocates and many young brothers and sisters get to gather for this seminar. One old pastor came to me after received the books and told me I came from another city named Sialkot in Punjab province, I want more books for my church and how can I get more material? Then I told him you can give your to contact details to Voice of God recordings for more material of Brother Branham. When we were closing our stall then one pastor came to us and said please give me books because these are

very attractive and best quality books, I saw in hands of many people please give me some too. Then I gave him three books from my own bag which I kept myself then I gave him my visiting card and asked him to visit our Voice of God recordings office for more material. We are very blessed and happy because our Lord is using us for this end time message of restoration in this Islamic country of Pakistan. Blessed be the Name of LORD!
