Mission Updates March 2014

Hebrews 13:08 Jesus Christ is the same yesterday and today and forever.

Dear and Beloved Believers in JESUS,

Christian greetings and love in the most precious and wonderful Name of our Lord and saviour Jesus Christ!

I am very privileged to writing you again about the mission updates and what Holy Spirit is doing across Pakistan. We greatly amaze to see how the Holy Spirit is working through the Message of hour and revealing the end time exact truth among all predestinated seed. Denominational people and ministers are hearing this midnight cry before the second coming of our Lord Jesus Christ. Some of them are accepting the message of rapture and lot of people are disturbed by the message of the hour, but we are looking great stimulation among believers first time in Pakistan since the message of the hour introduced in this Islamic country four and half decade ago. We are very grateful to our Lord Jesus Christ and you too for your precious prayers and generous support for the message of eternal life in this country.

Report from Karachi City:

We had one day minister's seminar on 23 March 2014, where we invited message believer's pastors and denominational pastors. We arranged for 100 people at Pak Tabernacle Assembly, We had two sessions in first session pastor Javed Barkat (from Quetta city) preached about "was it an apple?" When he finished his message some denominational pastors asked questions by the grace of God pastor Javed Barkat gave them wonderful answers and said them you will get more answers of your questions in detail in next session.

We started next session after tea break brother Iqbal Niamat sang a song and then he invited me for the next session. First of all I told ministers what Brother Branham said about original sin and I believe 100%, if you have any question please come forward and record your questions after that I took text from Genesis 3 and preached about "original sin". I gave them many quotes of Brother Branham and many examples after three hours I finished my message and asked ministers do you have any other question? No question overall. Praise and glory to Lord Jesus Christ! By the grace of God we got very good feedback and many ministers expressed their interest to know about the super natural ministry of Brother Branham. End of the seminar we served the food among attendees and after meal we distributed the books and MP3 Cds of Brother Branham's messages. Praise the Lord for message of exact truth!

Report from Lahore City:

Pastor Akram Roshan arranged one day seminar at his church in Lahore city on the topic of “first four seals of Revelation”. He invited many ministers across Lahore city and he invited Pastor Walter Masih from Lahore city as guest speaker. Pastor Akram told us some new denominational pastors join us and they came first time at message church after hearing the message of hour through cds. They expressed their views about message of the hour and they said we got lot of blessings and we want to know more about revelations. Then pastor Akram gave them books of Brother Branham for their self study. Pastor Akram and his team are working hard in Lahore city because their vision is to spread the message of the hour everywhere in Lahore City and Punjab province; by the grace of God they are achieving their ambition and goals. Please keep them in your personal prayers that Lord open doors for them as they desire to reach unsaved souls.

Pastor Mushtaq called me from Islamabad and shared he started ministry in new City Talagang. He further told me in twice a month I went there because it is about 200 kilometer traveling from Islamabad Talagang. Thanks and glory to God there is predestinated seed because some people are welcoming message of hour in that city. He requested believers for prayers to his ministry and family and the work of the God in Talagang city.

Denominational Pastor accepted the message:

Pastor Nasir Jamal called me and made an appointment to visit our office in Karachi. After few days he came to our office and he said to me” I have been working with CCCI denomination since 15 years”. Few months ago I got the books of Brother Branham when I was in Lahore city and I was studying them and discussing with my wife about Brother

Branham’s ministry and when I study serpent’s seed book. I trembled after reading this book I shared with my wife about this book then we pray together. We study again and again this title, my wife is Bachelor of Science but thanks God He opened our mind and revealed the hidden mystery. We know about this truth but now we believe. After a while I started search more about this message and went to see Pastor Akram Roshan and pastor Nadeem in Lahore city. Actually I got those books from them, they told me many things about end time message and told me if you want know more about this ministry go to Karachi city and fellowship with brother Shamoan Yaqoob.

He said I bought a ticket of train and after 24 hours traveling reached Karachi city. Please teach me more and more about the End time Message, then I shared with him about supernatural ministry of Brother Branham and the prophet of Malachi 4. He has been fellowshipping with me for two weeks and studying the message of the hour. He was very good Christian singer, poet and preacher but he confessed when I come in message I am zero. Hallelujah and glory to God! Now he is working with us in Karachi city and distributing the message’s books, cds and sharing his testimony among many denominational Christians. Blessed be the Name of our God!

We are very thankful and appreciate to each one of you for your kindness, love, burden, precious prayers and support for the message of eternal life in this Muslim country.

May God richly, abundantly and exceedingly bless you, your precious ministry and reward you for your labor and tireless efforts for His kingdom. Kind best regards and Christian love to all the saints in Jesus Christ.

Yours brother in JESUS,
Brother Shamoan Yaqoob,
Pak Tabernacle Assembly.
