Mission update January 2013

Dear and precious
Believers in JESUS,
Warmest Christian greetings in the
most wonderful and precious name of our
saviour LORD JESUS CHRIST!

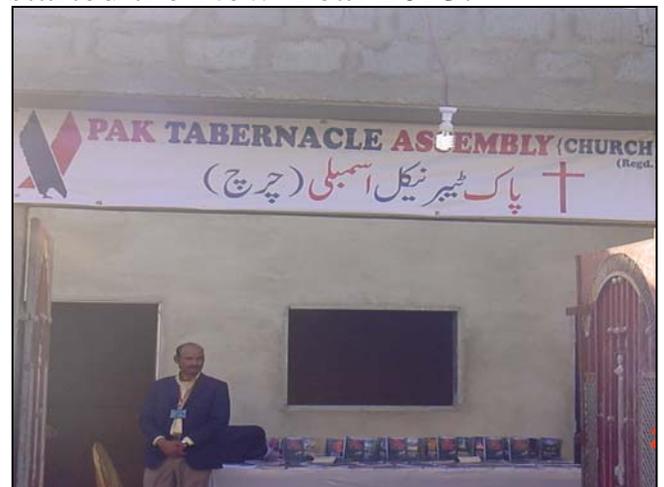

Prophet said: How many, wonder, we're thinking of just now, of great man, great servants, who God has used, and finally comes to a place till they don't even have that time off to pray no more. It's always social visits, visit somebody, and go out to dinner. And the time that they should be spending with God, alone, alone in preparing to come out in the sweetness of the Spirit, before the congregation, they're out somewhere with some entertainments. You can't serve God and man at the same time. God's servant should be an isolated person, to Him only. If we could only let the people see it.

Influence 63-11 30 B:

Happy New Year 2013 with best wishes and thanks God for His amazing grace because He has granted another year for His ministry in His vineyard. We hope that is for prosperity and propagation of end time message in 2013. We will achieve those areas which we couldn't reach last year by the grace of God with the Message of restoration for the predestinated seed in Pakistan.

We had a New Year service in midnight more than hundred people get to gather at Pak Tabernacle Brother Iqbal Niamat led us in worship with beautiful psalms and then he invited me to share the Word of God. I took text from Luke 13:1-9 and told to congregation about the fruits of the Holy Spirit, and then I shared many quotes of Brother Branham after the message. We spent some time in pray and by this way we started the New Year 2013.

On 1st January 2013 Evening, we had a great service at first message church building (under construction) in biggest city Karachi there were more than four hundreds people get to gather and 15 ministers, it was opening service for the new church building. Thanks God for Urdu speaking bride in Karachi for this first message church building by the grace of God. People will come from all around the Karachi and listen the message of the hour. (Karachi is the city of almost 25 million habitants) Brother Ejaz was leading the songs service. Some more brothers and sisters sang thanks giving songs and children also perfumed tablo. We enjoyed and blessed by this session of service. After that Brother Ejaz called me for preaching the message of the hour. So I shared the Word of God from 1Ch 13:1 my topic was The Ark of covenant.

I shared this message from the book of prophet “Trying to do God a service without being the will of God”. I shared to congregation that prophet said: “If you don’t see Jesus in every verse of the Bible then you must read the Bible again.”

I shared this message about an hour and when I finished the message then I asked to people how many accept to Lord Jesus as their saviour? By the grace of God 30 people raised their hands, left their sins, repented and got new life at new church on New Year.

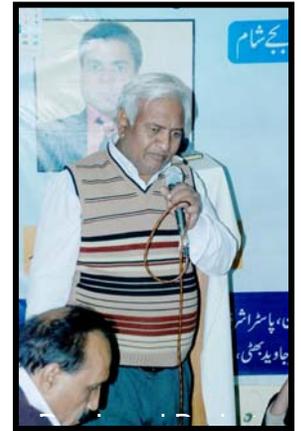

After the service we distributed 200 hundred “The Token” books of Prophet William Branham. People asked more books they gave their Phone numbers and addresses and requested for sending more material of Brother Branham. Thanks God for this revival in Karachi City in the beginning of the Year 2013. Praise and glory to Lord Jesus Christ.

Report from Lahore city Church

Pastor Javed Barkat from Quetta city he went Lahore city for the assistance of Pastor Akram Roshan who is new pastor in the message.

He has many church members and often denominational pastors and evangelists visiting him with questions about the ministry of Prophet William Branham. Pastor Akram called to Pastor Javed Barkat and told the situation of Lahore Church, he further said to him some brothers left my church because some confusions please come to Lahore for my assistance and restoration of the brothers. So Brother Javed went to Lahore and stayed there for one month. He told me during this visit God used him mightily with miracles. He met brothers who were not coming church and gave answers of their questions, remove their confusions and taught them about the end time message by the grace of God those brothers restored by the message of restoration. Thanks God for the Message of hour then he visited many denominational ministers around the Lahore City and introduced the Message of God and gave them the books of Prophet William Branham. He did great job and got so many testimonies. Glory and honor to God for His great, wonderful and amazing grace upon His children. Amen and Amen.

Brother Patrus's Testimony

Brother Patrus came on Friday healing service at Pak Tabernacle and before the message he said I want to share my testimony. He said: brothers and sisters when I was at my home I had too much headache and I was feeling that I will die today night and satan said me go to hospital you can't attend service but Holy spirit said don't afraid and go to church when I came church but headache still tormenting me. I continually praying and before the message Brother Ejaz called me to pray for the Word of God but during the prayer God healed me, pain was gone from the bottom. He healed me when I followed the guidance of the Holy Spirit then I shared testimony to people for His glory and honor.
