FOREWORD

This is a sermon preached by Pastor Vin A. Dayal and is published through the freewill offerings of the members of the Third Exodus Assembly.

It is intended to edify the reader and make clear the Bride-Promises of God, which were revealed through the ministry of God's Prophet-Messenger, Bro William Marrion Branham, for the Elect in this Day. It is not meant to promote any special doctrine or person, save, the Lord Jesus Christ and His Divine Word.

The original video and audio recording can be accessed through our website www.thirdexodus.org

We pray the blessing of God upon each reader and may illumination by the Spirit of God be each one's special portion.

THE AWAKENED JESUS ON THE SCENE

*The Disciples That Awakened Jesus In The Hour Of
Crisis*

FRIDAY 20TH NOVEMBER, 1987
TEGUCIGALPA, HONDURAS

BRO. VIN A. DAYAL

Amen. Shall we bow our heads and close our eyes?

Heavenly Father, how thankful we are tonight, Lord, that we could be gathered together in Your Divine Presence to worship You, Lord. Father, we appreciate You being here amongst us and we are thankful for this time that You have appointed for us. Lord, seeing Your servants are gathered from different places, and came into this place with great expectation in their hearts, Lord. Lord, we want to center our hearts upon You. We place every spirit here under our control. We are determined tonight, Father, with the faith that You have given unto us, and You said it will not hinder us tonight, Lord, for we claim this spot of ground tonight. We claim all Scripture tonight, in the Name of Jesus Christ. Hallelujah!

Oh God, may You just take full control. May the great Holy Spirit, bring every mind in subjection to Your Word tonight. Lord, may You lead and direct us in the paths of service. We pray that You speak to us in a special way tonight, Father. We pray that the Word will go forth in power and demonstration of the Holy Spirit. We pray dear God that it will bring such a great faith in the hearts of Your people; faith sufficient for this Hour, Lord. We see a great darkness moving in. We see a great challenge rising. But Lord, we remember Your promise that when it gets dark, when it gets gloomy, that there is a Man here that can turn on the light,

(hallelujah!) the Chief Engineer amongst us, the great Holy Spirit.

Father, we commit everything in Your hands. We thank You for everyone that is here, and most of all Father, You are here amongst us. Get honor and glory tonight. May Your Word be established in every heart and may we be closer drawn to You, Father. Lord, we ask these things tonight in the precious Name of our Lord Jesus Christ, amen.

I greet you tonight in the precious Name of the Lord Jesus Christ. We are truly thankful to be here with you. We anticipate a real blessing. We are looking unto almighty God, the Giver of every good and perfect gift. Amen. [The sound system was giving some problems –Ed.] Seems like the devil is trying to hinder us tonight, but we know we already have the victory. Amen.

I am very happy to see many of my friends. I looked forward very much to this time and it's already taking place, and we know time passes by so quickly. Before it's too long we will all be saying goodbye again. But while we are gathered together here, we are just looking forward, that God will speak to each and every one of us, and that He will do something special amongst us, for each and every one of us that will cause us to long remember these days.

Amen. We are living in a great and tremendous Hour and many things that are happening at this present time, are only confirming to us what has already been spoken by God's Prophet and it serves to lift our expectation even in a greater way. I want to speak on some of these things tonight, that it may anoint our faith (amen) to wake up Jesus, (amen) call Him on the scene, and see Him go into action; see perfect faith master every circumstance; see God fulfill in this Hour what He has spoken. Amen. Praise His wonderful Name. We know we get what we expect.

I invite your attention tonight, to the Book of St. Mark chapter 4. We are going to begin reading from verse 35.

Just be relaxed. Don't get too tense and excited. Everything is under control. If God appointed this time for us, the devil may try what he wants, but the Angel of the Lord is in the camp, to take care of every obstacle, that the devil will try to put in our way. Amen.

Verse 35, St. Mark chapter 4:

³⁵ And the same day, when the even was come, he saith unto them, Let us pass over unto the other side.

³⁶ And when they had sent away the multitude, they took him even as he was in the ship. And there were also with him other little ships.

³⁷ And there arose a great storm of wind, and the waves beat into the ship, so that it was now full.

³⁸ And he was in the hinder part of the ship, asleep on a pillow: and they awake him, and say unto him, Master, carest thou not that we perish?

³⁹ And he arose...

Amen. He was asleep, they awoke Him, and He arose.

...and rebuked the wind, and said unto the sea, Peace, be still...

Amen. The Creator Himself, speaking to His creation; power over the elements. Amen.

...And the wind ceased, and there was a great calm.

⁴⁰ And he said unto them, Why are ye so fearful? how is it that ye have no faith?

⁴¹ And they feared exceedingly, and said one to another, What manner of man is this, that even the wind and the sea obey him?

Let us pray one more time.

Heavenly Father, speak to us tonight. Let the Word be like a guided missile. Let It be directed to the needy places of our hearts, tonight. May It bring a great awakening in our hearts, Lord. May It anoint our faith.

May It lift our expectation. May It place us positionally where we are in this Hour. Hallelujah! And Lord, let the Holy Spirit make it real and personalized, to every individual in this building here tonight. We commit everything into Your Hands and we thank You in advance for what You will do, for we pray and believe, and receive, in the Name of our Lord Jesus Christ, amen.

God bless you. You may have your seats. I want to take for a title tonight, a very crude title, but you know you find God in strange little things. I want to call it, **“THE AWAKENED JESUS ON THE SCENE.”** Amen.

Bro. Branham preached four times, “Go wake Jesus; call Him on the scene.” He was sleeping. He was taking a little rest between revivals. Amen. There was a time of great crisis that was going to come, that the disciples would have need to wake Him; that He will not be asleep anymore. He will not be lying dormant anymore, but He would awake. He would stand in the midst of every circumstance, in the midst of the disciples who had awakened Him. Amen.

So we want to call it, **“THE AWAKENED JESUS ON THE SCENE.”** And for a subject, **“The Disciples That Awakened Jesus In The Hour Of Crisis.”** Amen. I believe we are Jesus’ disciples. Amen. We have seen Elijah, the Prophet, (amen) who has come at the end of the New Testament and introduced the Messiah, just like John came at the end of the Old Testament and revealed the Headstone, the Lamb with seven horn and seven eyes. Amen. And when he revealed that Lamb, it brought an end to all substitute atonement. Amen. He revealed the Son of Man to the public. Amen. Then those disciples were following the Son of Man Who Elijah introduced. Amen!

And who are we following tonight? We are following the Son of Man Who Elijah revealed in this Hour. Amen. Hallelujah. We have seen Him do great, mighty things. He spoke to a dead fish: “Little fishy, Jesus Christ gives

you your life.” Who is that? Jehovah of the Old Testament, Jesus of the New Testament. Hallelujah! We saw Him speak to the storm: “Go back where you came from; let the sun shine for four days.” Who was that? The Word being revealed unto us by a Prophet at the end of the New Testament, showing that He is the same yesterday, and today and forever, as great as He ever was. Hallelujah! The same One in the first exodus that the prophet revealed when he spoke flies into existence is the same One in the Third Exodus when he spoke squirrels into existence. Amen. Hallelujah.

We saw Him being revealed and we are following Him tonight. Amen. But for these past twenty-two years, He’s been kind of quiet, kind of lying dormant and it confused many people. They saw Him doing such great things and it confused them and they wanted to see more of it. Amen. There were great, powerful miracles! It thrilled their hearts. It brought the Presence of God real. It anointed their faith.

But all of a sudden He decided to take a rest. Amen. He was kind of a little quiet for a little while. Amen. And while He lay quiet—He was still in the midst of them. He didn’t leave them. He was in the boat with them but just lying quiet; just wanted a little rest. There is another revival coming. When the Squeeze comes, watch the Third Pull then; it will shut the heavens. The Third Pull will be the thing that will start the Rapturing faith to the going away of the Church. Hallelujah! Jehovah’s Masterpiece standing on the earth, will speak and the Word will flash like lightning!

Did he say it? Did the Prophet say it? It’s going to happen! Amen. I believe it because the Prophet spoke it. THUS SAITH THE LORD, it must come to pass. But because we were impatient, we wanted to see it. It happened. It identified Its Presence amongst us. On *Look Away To Jesus* [1963-1229e, para. 62 -Ed.] pages 6 and 7, the Prophet said, he said:

[Friends, you know what it is; you know what it does. It has identified Its Presence in our midst.] *This will be the thing that, to my opinion ... that will start the rapturing faith [to] the going away [of the Church. It will do great things to you in your midst.]*

On *The Indictment* [1963-0707m, para. 62 -Ed.] page 62, he was crying out in his prayer. He said: [Oh God] *May there come forth a revival of the just, and a great power come among the church just before Its going. ... [And] ... that third pull that we know that will do great things for us in our midst.*

May I hold that King's Sword so tightly, and grip It so closely [Lord].

Give me courage to take the Sword of the Lord that You have put into my hand and march forward to the coming of the Lord! May I not be a crying, whimpering baby on the baby bottle, (amen) but may we be a man, matured, know our position, know what God says about us, and be able to rely upon what He said about us. Hallelujah. Amen.

And he spoke those things. It did great things in our midst. Hattie Wright was in our midst. Sis. Branham was in our midst. Amen. It was not out there in the world. It was in our midst. And it will do great things for us in our midst and then it will go to the lost. Hallelujah!

So he spoke it. Being a Prophet he was the eye and he saw the program of God in the Bible. He knew what Age he was in. He knew what the program of God was. He knew what to think. He knew what to put us under expectation of. He knew what our promise was for this Age. Hallelujah! He had the Mind of Christ. He revealed the entire program of God. He wasn't looking for anything outside the Bible. Amen. He said, "The reason God sends light it's because the eyes are there." You don't see with your feet. You don't see with the thighs. You don't see with your mouth. You see with your eyes.

So when God promised Malachi 4, He sent Evening Light and what do you turn on a light for? To reveal something. There was part of the Bible that light never shone upon. Amen. He said, "I read all man's writings. They spoke about the Ages. They spoke about the Seals. They spoke about the Trumpets. They spoke about Vials, but no man ever spoke about those Seven Thunders that were put in the Book for some purpose." Amen. Hallelujah!

And he saw when that Mighty Angel was coming down in Revelation 10 with the open Book that was sealed in Revelation 5, was now being opened at the end of the Seventh Age when that Seventh Angel was on the earth, that Messenger, heavenly Angel, will come down. Just like John was on the earth when Jesus came, so will the Seventh Angel be on the earth when Jesus comes because his ministry is to wind up the Old Testament and introduce the Messiah to the public. It would be redemption being revealed because in the Church Ages it was intercession. Amen. But the Seals are redemption. And redemption is bringing us back to where we fell from. Hallelujah! No wonder it wasn't a strange thing when he spoke things into existence. That is what we fell from. Hallelujah. No wonder he could have power over the elements.

Adam was given dominion over the fish, the creation. He forfeited the Title Deed. Satan couldn't take it. Everything went back to God, the original Owner Who held it in His hand. No man was worthy to take it. Not until the end of the Seventh Age, a Lamb came forth to take the Book. Amen! And the Lamb took the Book. Is that correct? Did the Bible say the Lamb took it? Amen. The Lamb took the Book! Adam didn't have it anymore. God didn't have it anymore. The Lamb had it. Then in Revelation 10, a Mighty Angel is coming down from Heaven with the Book (amen) so Adam doesn't have it anymore. God doesn't have it anymore. The Lamb doesn't have it anymore. An Angel has it. It's not the

Book changing hands. It's the One Who was holding the Book changing forms. Hallelujah! God en morphe.

Then He came down with that Book between the Sixth and Seventh Trumpets in the days of the Voice of the Seventh Angel. Hitler and Eichmann are the Sixth Trumpet. Moses and Elijah are the Seventh Trumpet. And somewhere between that time, the heavenly Angel will come to the earthly Angel (amen) and when He comes down with that Book, Revelation 10:8-11; Revelation 10:7 was a Gentile Prophet before the Rapture. Is that correct? Revelation 11:3 are two Jewish prophets after the Rapture. Does the Bible say that? Amen.

Revelation 10:7, that Prophet went off the scene in 1965. Revelation 11:3 – two Jewish prophets are yet to come. And from 1966 to 1987, it's a mystery between Revelation 10:7 and Revelation 11:3 – between the Gentile Prophet and the Jewish prophets. And that Book that the Angel had that Adam forfeited, which gave Adam dominion over the earth, made him an amateur God, (hallelujah!) that Book went back into human flesh between the Gentile Prophet and the Jewish prophets – somewhere between 1966 and until Moses and Elijah comes.

So Adam doesn't have the Book anymore. God doesn't have the Book. The Lamb doesn't have the Book. The Angel doesn't have the Book. The Book is inside of John! Hallelujah! And John represented the Bride. Hallelujah! Do you have a revelation? Over the last few years what you have been feeding upon and as you feed upon the Word, what did he say in *Who Is This Melchisedec?* [1965-0221e -Ed.] You are being formed into the Word image. Is that the image God made man in, in the beginning? Was that the image God made Adam in, when he came from thought, to Word and to flesh? But you and me, we came from thought to flesh. Because of the first birth we bypassed the Word. Amen. But now we are growing up into the image of the Word.

When that Seed is quickened, transforming Power in the Seed is changing you from glory unto glory bringing you back into the original image of Jesus Christ that Adam was in, because the first Adam fell. He was a corn of wheat. Then he went in the ground. And that life came up through the carriers of the prophets, but it came back into Jesus and Jesus, He preached a Wheat Age. He called Himself the Son of Man. Except a corn of wheat falls in the ground and dies. Paul called Him the Feast of the Firstfruits. Amen. He is the One Who said, "When you see Me, you see the Father." He was the expressed image of the invisible God. Hallelujah!

So here He was, the Son of Man, the Word that we bypassed (amen) and we have been formed back into the same image. We must be life of His Life, faith of His faith, virtue of His virtue, (amen) spirit of His Spirit, works of His works. Amen. All that He is we are! Amen. And in this Hour between that Gentile Prophet and the Jewish prophets, there is to be a Super Church, a Super Race. Did he say it? And as She nears the Headstone She will be, what? In His Own image in order to be united with Him.

Amen. So that is why we are anticipating this promise of the Third Pull, because Michelangelo could only smite that masterpiece when it was the expressed image that he had in his mind, amen; when he saw it expressed before him. And God when He saw that Prophet; when He saw His Own faith, His Own virtue, His Own knowledge; when He saw His Own character, then the Power could come to it. He said, "Speak," and he could speak. Amen! Do you think He will make His Bride speak under different conditions? Not the unchanging God. Amen! She would have to be transformed by the same Power of transformation that lies in that soul, that Word Seed, and transform it into the Word image, then we could go to the Word Body. Amen.

And that is why in this Hour there would be a people, who will look into the Mirror and they will not see through a glass darkly. They will see face-to-face. They will behold the Glory of the Lord as in a Mirror of the Word and they will know that they have been changed these past twenty-two years into the same image, because the Seventh Seal brought back the Grain, the Word in its entirety and the Life in its entirety just as it was before the fall. And when that vision breaks to us, we see a vision of ourselves perfect and we walk step-by-step into it. Amen. Hallelujah! And then we stand there knowing as we were known. Knowing what? As I was in the Father and the Father in Me, so I in you and you in Me. When? When will it happen? In this Day. Hallelujah! When that Angel comes down and opens that Book and reveals that your name was in that Book! Hallelujah! Amen. Glory be to God.

So that is our promise. It's going to happen. So the Prophet could say it because He sees it in the Word. When the Squeeze comes, watch the Third Pull. And to have that Third Pull there must be a people in speaking condition; not babies. Babies are going to cry when they see the World Council. When they see all those demon powers, they're going to cry. But men: born sons, filled sons, anointed and commissioned sons, will speak in the revelation of their faith. Amen! Glory be to God. Amen. That revelation being preached to us, the Son in Its full strength has been baking the greenness out of us and drying up all the wetness out of us.

And in 1987 when we see Wall Street crashing, when we see California sinking, when we see the World Council tightening up, (amen!) there is going to be a people who will not cry, but who have been matured; come into a perfect faith. But when I became a man, I put away childish things. I used to think as a child, little childish thoughts, little thoughts that you get off of the milk, (amen!) the sincere milk, and you are still tossed to and fro by every wind of doctrine; run from

this group to that group. But when you become a man, (amen! Hallelujah!) when you grow up into Christ, He is your Head, (amen) and that Head were those Seven Thunders that those Angels formed. Look at *Life Magazine*.

That mysterious White Rock, that Seventh Seal that Light never shone upon. And when you come into that place and God reveals to you, He chose you before the foundation of the world; no man could put you out; no man could bring you in. It was put in, in the Mind of God back in eternity. Hallelujah! Amen. He predestinated you. Hallelujah. Amen. And He has come to you and has made known to you what part of the Word you are, and revealed to you the mystery of your name that is sealed in this Bible that you could know yourself the way God was thinking about you and you can understand the purpose why God put you in this Hour. Hallelujah. Amen.

So two great outstanding things that I believe that happened in this year, and its coming events casting their shadows before them, and both took place in America, and America is not just a mass of land geographically... [Blank spot on tape -Ed.] ...that it will take place amongst us. But these vile, old, marred bodies will be changed faster than the Angels came. Hallelujah! Before he could bat his eyes, Seven Angels caught him up. He said, "You will be changed *faster* than those Angels came." Amen.

And those two great things that happened this year, and 1987, (we're in November,) it's fading out and 1988 is getting ready to be ushered in. We're in a great prophetic Hour. A lot of things are happening. We could look on the political scene. We could look in the religious realm. We can also see amongst us in the spiritual realm, and we could gather up all the background together and see the spiritual application of the Hour that we are living in. Amen!

And one of the major outstanding things that took place this year, in the first half of the year, took place in the religious realm and it was the breaking of that power of those televangelists, (amen) on the television; Jim Baker and that PTL business. And it got worldwide coverage, and it was tied into a lot of politics. And Jezebel as usual, who is very good at keeping herself out of the picture, while she works through her ordained channels to accomplish her means, (amen) because we know Jezebel is the one, that beautiful woman who rose in America; cruel in her heart. Amen. And since 1960 when she got seated in the White House, they are in control of the United States. It didn't slip back out of their hand because they worked from 1776 when the Pilgrim Fathers established those colonies, and until 1960 they had their first Catholic President. And the Prophet said, "Look how she wormed her way in (amen) until finally she got there."

And the second thing that happened is the crashing of Wall Street. One in the economic realm, one in the realm of politics. Amen. And I want to look at these two horns of that lamb, that beast that comes out of the earth, because remember the Miss U.S.A. church was the Pentecostals; because Luther was Germany, Wesley was England and America had the Pentecostals. Amen. It was coming from east to west. And the Prophet in the vision saw the Miss U.S.A. church. He said, "If I ever saw a bunch of devils it was them; dancing to rock and roll music, going down, going down to hell. But the Bride was coming from around the world marching going up *Onward Christian Soldiers*." Amen.

So in the Pentecostal realm, which was the last revival before the Prophet came on the scene. Amen. And we saw that the Pentecostals rejected his Message. We saw what they had come to. Amen! And then with the crashing of Wall Street, that threw the whole world into a panic, because that lamb, that beast that came out of the earth, had two horns – political power and

ecclesiastical power. Amen. And then that lamb spoke with the voice of the dragon.

Now we are in the Hour when they even got the law recently for biotechnology. Amen. They're bringing forth their own type of animals that they want. And this lamb will speak with the voice of the dragon, because that very dragon will break those two powers. Amen. The very spirit that will be working through that vehicle (amen) would be a Roman spirit (amen!) that is always against this Church. Amen. And notice, we see it is Rome behind these things because it was told to us by a Prophet. Amen. And we see these things are happening. The religious side of America and then the financial side of America, and those two things came before our eyes in this year. Amen.

And we find out, out of Revelation 13, according to the Bible it's going to come to a world financial crisis, a global recession. Amen. That is the term the economists call it right now. They're seeing it in the making. Amen! And we are beginning to see the beginning of a worldwide financial collapse. It's already in the making. But it is a trap.

Let me read what the Prophet said. On the message *Testimony*, [1963-1128m, para. 20-21 -Ed.] in Shreveport, page 4, he was speaking here. He said:

Like I was trying to say last night, the world coming to a place it's falling apart...

Amen. It fell apart in the time of Noah. It fell apart in the time of Jesus. It's falling apart again – in the beginning of the Bible, in the middle of the Bible and in the end of the Bible. And the Prophet who had to identify to us from the Scriptures where we were placed and knew where his ministry came, he said, "The world is again falling apart!" Don't be confirmed to this world; it's falling apart. Be transformed by the renewing of your mind.

Those Seven Seals opened up to show us we are at the climax of Satan's Eden. Satan has had great

success of carrying out his threat. Satan had a plan in the back-part of his mind (hallelujah!) and he deceived one-third of the angels with that plan. Amen. He had five 'I wills': I will ascend to the Throne of the Most High; I will be like the Most High. Five things he had (amen) and when he tried to bring that plan to pass, he got kicked out of Heaven. Amen!

But he dropped down on the earth, still determined that if he can't have it in Heaven, he's going to have it in the earth. Amen. And we found out that Isaiah the prophet speaking in vision that God was showing him how Lucifer was cast down. Amen. Eight hundred years after the apostle Paul, another prophet, saw him sitting in the temple as God, being worshipped as God. Amen! And the Prophet said he has had great success in carrying out his threat.

Revelation 13, John saw that all those names that were not written in the Lamb's Book of Life, all those names that were not revealed when the Seventh Angel was sounding those names, all those who didn't hear their names when they were being revealed under those Seals, (hallelujah!) all who didn't come forth when he called the names out of denominational graves saying, "Lazarus, come forth." Amen. If he had said, "Come forth," every Baptist, every Methodist, every Pentecostal would be in this Message. Amen! But he said, "Lazarus, you come forth!" Amen! He called the name, because the other names were in the other section of the Book (hallelujah!) and those names will be revealed at the second resurrection. But before the first resurrection he's revealing the names in the Lamb's section, because the rest of the dead lived not for a thousand years. Amen! Hallelujah! So the names are being revealed now, and all those names (amen) that are not in the Lamb's Book of Life. Hallelujah!

Malachi 4, Revelation 10:7, that was a name at the end of the New Testament. At the end of the Seventh Age, a one-man Scripture, a Gentile Prophet before the

Rapture. That is not your name. That's the Prophet's name: "Behold I send you Elijah, and he;" 'he' is personal pronoun, singular; not twain, one-man Scripture. Hallelujah.

And Moses, Elijah, are other names who are to be manifested in the Tribulation Period. Amen. But there is a little group of names, hallelujah, because remember all the other Ages are in the grave. Those names were called by the messenger of each Age and they are sealed unto the day of redemption. They had responded to that Message. But when the Seventh Angel is speaking at the end of the Seventh Age, the only names to be called are those mysteries – those names between the Gentile Prophet and the Jewish prophets. Amen! So there must be a people who will recognize they are that part of the Word. They will recognize what part of the Bridegroom they are – the part between the Gentile Prophet and Jewish prophets. Amen. And all the other names will worship the Beast. Amen!

So Lucifer was successful in carrying out his threat and this is the Hour he is getting ready to be enthroned as God. What about all this collapse of Wall Street? So the man of sin, the Beast, Satan could be enthroned and Satan's superman could begin to ride. Amen! But before that time, between the gathering of the tares and the revealing of the antichrist, the Rapture does take place. Hallelujah! There will be a Shout, a Voice and a Trump – a threefold mystery unfolds. One fold was a Prophet, a Shout – two signs; one, a little group of the true Seed and the last fold, Moses and Elijah, who will call out 144,000 from the covenant between Rome and the Jews.

So we see the Gentile Prophet. We see the time pass. It's gone into history. Amen. And we see the stage getting ready for Satan's superman. Amen. It's a dark Hour. And during that time there must be some people who will be gathered together and given Supernatural strength. They will be ripened out. What they have will

be baked into reality. They will recognize their position in the Word, the way the Prophet recognized his position in the Word. They will take the Word and make it operate.

Satan knew the Bible as good as Jesus, but he couldn't make It work. Amen. But Jesus had faith in the knowledge that He was the predestinated Word and He preached the mystery of Himself out of the Bible: "A Greater than Solomon is here. A Greater than Jonah is here." Amen! He was revealing Himself. He took the Law and the Psalms and the prophets, and all things concerning Himself and proved He was the Principal Theme of the entire Bible. Amen!

So when we have perfect faith, like the Prophet had perfect faith, he took the Bible and he revealed a Greater than Eliezer is here; a Greater than Joshua is here; Greater than Moses is here; Greater than Solomon is here. Hallelujah! So there must be a people who is going to take that Word and prove a Greater than Paul is here! A Greater than Esther is here! A Greater than Ruth is here! A Greater than Rahab is here! A Greater than Rebekah is here. Hallelujah!

There will be a people who will recognize their names are in the Book. They are part of that mystery. They will have faith in the knowledge that they are the Word, that they are that Super Church, they are that Bride that the Prophet saw in the vision; a little group of people that will think it not robbery to be equal with God, because the two were to become one. Hallelujah! She will know it is He in Her, fulfilling His Own Word that He left for this time. Amen. She will know greater is He that is in Her (hallelujah!) than he that is in the world. What will do it? Wait until those Seven Thunders utter its voices to the little group. That's the reason they holler and don't get anything. But when those Seven Thunders reveal that Name and show them they are part of that Name, they are part of that mystery, when that Angel comes down, writes that

Name in the forehead (hallelujah!) and they stand together with Him, what a Super Church. Amen.

We saw God in His creation (amen) when we see the sun. We see Son of Man, Son of God and Son of David. When we see the morning star, we see the ministry that introduces the coming Son. Amen. When we see the moon, we see the Bride reflecting the Son-light. God in His creation. When we see the eagle, we see Jehovah-Prophet. When we see the lion, we see Jehovah-King. When we see the dove, we see Jehovah, the Holy Spirit. God in creation.

Then we see God in His Word. *The Unveiling Of God*, [1964-0614m -Ed.] *The Token, Christ The Mystery Of God Revealed*, [1963-0728 -Ed.] *The Masterpiece* [1964-0705 -Ed.] – God in His Word. Hallelujah! Then we saw God is His son: “Let there be a squirrel. Storm, go back where you come from; sun, shine out for four days. Little fishy, Jesus Christ gives you back your life.” What was that? God in His son. But the last one was, “Let us see God in His people!” Hallelujah! There will be a Super Church. There will be a Super Race. Amen. When a True Branch comes forth from the Root, it will write another Book of Acts, because Christ in the True Church is a continuation of the Book of Acts. Did the Prophet say that? Amen. Hallelujah.

So we are in an Hour and we know our promise, and we have been brought under expectation, and our names have been called, and we received a revelation showing us what part of the Word we are. It has brought us under expectation for the interpretation of all that was spoken by the Prophet concerning us. Amen! We saw part of it being fulfilled; that is why we say we are Bride, but there is more of it to be fulfilled to vindicate our claims. Hallelujah! If Truth is revealed, then Truth must be vindicated. The Gospel came not in Word only but in Power and demonstrations. We have had churches, churches, brides, brides, but there is going to come a real One with the dynamics and the

mechanics (hallelujah!) that will prove He is the same yesterday, and today and forever. Amen!

So it's a great time for us. And here we see the stage being set: recession, devaluation, unemployment, inflation, it's shaking many minds, turns the financial world into chaos. All the financial machinery with a big carbon lock inside of it. Amen. They can't stabilize the dollar anymore. That doesn't spell darkness for us. No! That shows we are nearing that Hour. We will multiply the bread and fishes - Jehovah-Jireh! Amen! Hallelujah! Hallelujah! Amen!

That's what we are promised. There must have a storm first to have power over the elements. There must be a dead fish first to have a resurrection. So don't be gloomy when something looks like it is going wrong. Nothing is going wrong for the Bride. Hallelujah! Everything is in step. Nothing is out of cater. It is the devil trying to confuse you, trying to punch a hole in your filter; trying to pull you down in the realm of reasoning. Amen!

All those voices are saying, "Where is that Third Pull ministry going to come from? Where is food going to come from to put on our table? Where are clothes going to come from to put on our children's backs? It was the same voice that was speaking to the Prophet and saying, "Bro. Branham, I can see for miles around. The grass is four feet [inches -Ed.] high. But where is a nine foot grizzly bear going to come from?" While he was way up in the high mountain amidst the great tall pine trees, he didn't know. He could have put it there, because a nine foot bear could be hiding anywhere. Brother and he started walking down to the place where the brothers were.

He said, "Bro. Branham I can see where the brothers are over there. But where is that bear going to come from?"

Hallelujah. Amen.

Bro. Branham said, "Are you doubting, Bud?" He said, "I am seeing the promise."

Amen! What are you seeing tonight? When you look, what do you see? Amen! Are you seeing the Promiser Who is able to fulfill His promise? Do you know that you are the heirs of the promise? Hallelujah! Why are you doubting? Amen. Jehovah-Jireh is able to create a bear and put it there. Amen! Jehovah-Jireh, (amen) He fed the multitude regardless of the circumstances.

St. John 6, He was going to the Feast of the Passover, the public crucifixion (amen) where the Lamb was to be killed. There was a great recession. The offerings were low. The multitude was big and they couldn't carry out the administration as they liked. Amen. They didn't have any food to feed the people, and Jesus, the Anointed Word, that Elijah, that John introduced, had done certain specific things, to reveal to them that all they had need of was in the Anointed Word. He did not have to walk with a set of bread. He didn't have to walk with a bag of money. Amen! The source to produce it was locked up in the Son of Man, in the Word that Elijah revealed. Amen! Hallelujah!

And He asked them the question, He said, "Do you have any food to feed the people?"

Oh my, the deacons ran quickly. They couldn't find anything. They checked the treasury. The funds were low in the treasury.

They said, "All we have is two hundred pence. It's not enough to feed all the people."

But the Bible said, He was testing them (hallelujah) knowing what He was going to do. Hallelujah. Is He the same yesterday, today and forever? Amen. Are we the believers following the Son of Man that Elijah revealed, just like they were the believers following the Son of Man that Elijah revealed? Are we coming to the public crucifixion? Amen! Are we coming down to that time? Is there a recession upon us? Amen! I wonder if He will do things again to whom He promised a Spoken

Word ministry; who He promised something to meet the challenge of the Hour, after it has already identified His Presence among you. I wonder if He would bring conditions to test you to see what your state is. Amen.

Don't be gloomy. Don't be confused. It's going right. God is fixing to fulfill His promise. He is right there. He was quiet all these years. Amen. "Let Me take a rest until Wall Street begins to crash, until the World Council begins to tighten and when the crisis comes and they want to close you down and you begin to get laid off your job, and money is hard to come by, don't be frustrated. Don't think about backsliding. Don't get pushed into the world!" No, sir! Amen. Go and wake Jesus. Hallelujah! Call Him on the scene. Amen. Hallelujah.

Now Bro. Branham had noticed the great healing revival that lit fires around the world had come to an end and many of the Ministers were confused and troubled. Amen. He spoke many places in the message (I don't want to go and read them tonight) where the Ministers came to him very troubled.

They said, "Bro. Branham, like there is dullness in the church. People don't seem to have the burden like they used to. What is happening? The all night prayer meetings, all these things?"

Amen.

He said, "The revival is over." Amen. He said, "We are feasting on the scraps of the revival now." Amen.

If you notice in St. Mark chapter 3, he had a great healing revival and in St. Mark chapter 4 He begins to speak. Amen. He talked about the parables, the parable of the lamp. He spoke of the mustard seed. He spoke of the sower and the seed; great mysteries that follow that healing revival. A lot of deep, deep things the Prophet said. Amen! And he was tired now about 1965, December 24th. Oh yeah, he was tired. He wanted to take a little rest. Amen.

He had already spoken on *Look Away to Jesus* [1963-1229e -Ed.] that it was going to get dark and gloomy, and on the *Seals* about the money proposition, how Wall Street was going to crash, Rome will control the economics of the world; and he spoke about it before. He knew it was going to happen. But he told us the great things you see it's going to come back. It is going to be there in that Hour. He said, "But you will have a little quieting time," (amen) and that quieting time confused many people. So the Prophet who was the eye, he looked in the Bible and he found a place in the Bible, to bring to our understanding the quieting time between the revival and how the Hour of crisis is going to come in upon us. But in that Hour it will dawn upon the disciples of the Revealed Word to wake Him up. He hasn't left. He is right there, but taking a rest. Amen.

And here this year we see these things happening, showing us the crisis and the darkness to bring on the Squeeze when this Ministry of the Spoken Word was promised (amen) to come into operation. We see we are moving into that Time. Amen. And it's a dark Hour. And here all the political analysts they are baffled about the sudden collapse of Wall Street and they are trying to pinpoint the cause of the crash and they are unable to come up with the cause (amen) because they are blind to the fact that the city is seated on seven hills, Mystery Babylon, she is the one behind the scene, who has drunken the kings of the earth, is causing all the confusion. Amen. They don't understand it.

But you see they can't identify the cause. But let us see if the Prophet did identify the cause. And he identified the cause even before we saw the effects. They have all the effects and they can't pinpoint the cause. And hear what the Prophet says:

[Testimony continued -Ed.] ...*the world coming to a place it's falling apart politically, socially, economically.*

You say, "Economics? More money."

Yes, but where's it coming from? We're borrowed on taxes that'll be paid forty years from today. [Amen.] She's broke. [Amen.] She's bankrupt, the nation... [he said,] ...not this nation, [alone] but all of them. And there's no way [of] ever getting it back. [Get it now.] And it's a trap set exactly to swing this nation into something.

Hallelujah! So I am saying the trap has been sprung and we are entering into the Hour of Temptation, which shall come upon all the world, to try them that dwell on the earth. Watch and you will see, next it's going to come the unionizing of labor. It is going to increase with greater rapidity. Amen.

And here he says: *Well, who's got the wealth of the world? Rome holds it. And whenever we do, when we get broke, instead of these big merchants tobacco, whiskey, and so forth, ... have to get the money; what we'll have to do, either change the currency or borrow the money. And when they do, it's the birthright sold right back, exactly, just as perfect, and just what the Scripture says about it.*

So don't bother with them with all their explanations in *Time* and *Life Magazine* and *The Economist*. Don't bother with that. Listen to THUS SAITH THE LORD from a Prophet. Amen!

On the *First Seal* [1963-0318, para. 166-168 -Ed.] when he opened that *First Seal*, he saw something. And right here in the *First Seal*, he said: *...what will happen to the United States on this money situation.*

I know that you get a lot of your money from the United States. I know that the Roman Catholic people controls all these things and I know who is the power behind America. Amen. Now watch.

The gold is all housed up, and the Jews holds the bond. It's going to be Rome.

Now, watch.

I am trying to bring to you the crisis that is coming on and why we need to wake up Jesus now; why we need to call Him on the scene. That is my inspiration

for these services that it will dawn upon you – He was here all the time. Amen! He wants you to wake Him up. He wants you to call Him into action. Amen. And may it dawn upon you in these services as you see where we are at and you will go with Jesus, first in your life, then in the churches, wake Him up, because I am speaking tonight about **The Awakened Jesus**; not the sleeping Jesus between revivals, the awakened Jesus in the Hour of crisis (hallelujah!) getting ready to speak.

They were crying in the boat. But He arose on the scene to speak! Hallelujah! Oh my! You think about it tonight. The disciples around the revealed Word that is awakened, the Headstone that Elijah introduced, Jehovah's masterpiece is fixing to speak those Seven Thunders to say, "Peace be still." Amen! The Voice of the Archangel to speak (amen! Glory be to God) in an Hour of crisis!

But first when they came to the end of their human ability in the midst of the crisis, when all hope of survival was gone, when they came to the end of their human ability, their oars were broken, the tools of their work. Amen. The sudden change of the conditions in the environment where they were speaking about Jesus, serving Him, testifying about Him, about the past revival, (amen) it changed suddenly. Wall Street crashed suddenly. They were all the Pentecostals. It burst suddenly and they felt pressured (amen) to get into the World Council.

And those two horns, civil and ecclesiastical powers, (amen) that lamb in that nation, it's the spirit of Rome working through them to accomplish the goals to bring a pressure to make you lose your job. Except you become part of the system, you can't buy or sell. Your children can't go to the schools. Amen. It brings a pressure upon you. You can't carry on this church here; they bring a pressure. But in that Hour when it gets dark (amen!) it was supposed to dawn upon them.

He was taking a rest. There was a reason while He was there things got kind of quiet. Nothing was wrong. A lot of people thought something was wrong, but the Prophet brought out a mystery of 'the rest' between the two revivals. And in the Hour of crisis when they had to wake Him up, He was as great as He ever was. Hallelujah! Same One. He said, "Let there be a squirrel." He said, "Little fishy, Jesus Christ gives you back your life." He said, "Sis. Hattie Wright, receive your boys in the Name of Jesus Christ." He spoke the tumor out of existence two thousand miles away. Amen. That same One is to come on the scene to do great things for us in our midst. But we need to recognize, He is present and they moved to wake Him up. Amen.

Oh, may it strike our heart our hearts tonight in this meeting. Something dawning upon us. Nothing is wrong. He has gone, right. He knew this Hour was coming. He told us about it. Hallelujah! It's only the devil trying to make you doubt! But that Prophet, that seer, knew the program God. He saw the quieting time. He saw the time the disciples will wake Him up. He saw the time Jesus would go into action again. Hallelujah! And He was telling us, "Go and wake Him! Go and wake Him! Call Him on the scene." And people thought He was telling stories, but it dawned upon some disciples and they were waking Him up. Hallelujah! He woke them up and now they were waking Him up. Amen. My!

So Bro. Branham was speaking about the money situation. Amen. He said: *This nation is going to be busted, and the rest of the world that's on the gold standard is busted. You know that. [Amen.] ... There's only one thing can happen. That's to call in the currency and pay off the bonds; and we can't do it. Wall Street owns them, and Wall Street's controlled by the Jews; the rest of it's in the Vatican... [amen] ...and the Jews has*

got the rest of it in Wall Street with the commerce of the world.

Amen. And he goes on speaking there. You know most of these things, but I'm just stirring you up by putting you in remembrance, because the Hour is here we need to be reminded it's exactly what the Prophet spoke. Amen. That is for them, the world, but for us, you wake Him up now. Amen! You call Him on the scene. Amen. He knew where the money was to pay the bills. Amen. He provided a ram for Abraham. He sent food for Elijah by the birds. He multiplied the widow's oil and the meal. He made Elijah go in the strength of one cake for forty days. Bro. Branham said, "What kind of vitamins that had?" Amen! Hallelujah! He provided for two million people in the first exodus. Not one of them was employed, not one of them was drawing a salary, but He provided for them in the first exodus under the blood of bulls and goats. What about in the Third Exodus? Hallelujah! Oh my! Greater is He that is in the Bride than he that is in Wall Street; than he that is in the Vatican. Amen! Hallelujah!

The Seven Church Ages [Resume Of The Ages - Church Age book Cpt. 10, para. 376 -Ed.] he said: *Rome is not going it alone. Her daughters are right with her and she will take over absolute authority by the World Council of Churches.*

And while the Prophet saw it in the Word, he said: *This may seem far fetched to some but actually it is very plain for all to see because right now the churches are controlling politics and at the opportune time... [I wonder when is the opportune time?] ...will manifest exactly how great is that control. This ecumenical move will end up with Rome at the head even though the people... [all these political and financial economists] ...did not envision it that way.*

Amen! So what is happening to Wall Street? The love for money is the root of all evil. Amen. Way back in 1963 the Prophet told us America was busted, was

broke (amen) and on *Look Away To Jesus* he was speaking there. Now watch something. If the trap is sprung, then we are fixing to enter into the Hour of Temptation. But He promised, I will keep thee from the Hour of Temptation which shall come upon all the earth.

Seven Church Ages, he was speaking here about the Hour of Temptation, what it was. Amen. [Philadelphian Church Age - Church Age Book Cpt. 8, para. 313 -Ed.] He says: *The temptation will come as follows. The ecumenical move that has started on what seems such a beautiful and blessed principle (fulfilling Christ's prayer that we all might be one) becomes so strong politically...*

The Hour is here, the opportune time when they will exercise how great that control is. Amen.

...that she bears pressure upon the government to cause all to join with her either directly or through adherence to principles enacted into law so that no people will be recognized as actual churches unless under direct or indirect domination of this council.

When the press comes down, watch that Third Pull then. Remember the Squeeze is going to be an economic Squeeze because the church will be controlling the politics. They have the wealth of the world. They will be putting pressure on the government to revise the religious acts, bring in new laws (amen), so if anyone wants to have the rights to function as a religious body they would have to be part of the system. Amen.

So he says: *Little groups will lose charters, privileges, ... until they lose all property and spiritual rights with the people.*

Amen. Then he goes on to speak about the image of the Beast and that monster of Satan that defiles and deceives the whole world.

And he says: *In the meantime, Rome has acquired nearly all the supplies of gold. The Jews have the bonds and all the paper. At the right time, the harlot will destroy*

the present day money system by calling in all the paper, and demanding gold. With no gold, the system falls. The Jews will be trapped...

Wall Street is controlled by the Jews. It's crashing! Only one people could bring a crash on Wall Street but the political scientists, they cannot diagnose the cause. But a Prophet with the spiritual mind of a Prophet, was uncovering the mystery in the Word that the Church could be posted (amen) to recognize how far advanced we are. Amen.

...and the harlot church will take over the whole world.

Amen. So I just want to finish out quickly now. So it was in this dark Hour, in a time of crisis that has come suddenly upon the people, but in that Hour, inspiration, a wave of inspiration, seems to dawn upon believers. Something in their hearts begin to tell them, He is as great as He ever was. Hallelujah! Something begins to pulsate inside of them, pushing upon them, "Go, wake Jesus. He could handle the situation." That Anointed Word in you, He can meet the challenge of the Hour. He could multiply your bread and fish. He could find the money to pay your bills. He could make you go on the strength of one cake for forty days. He could translate you and give you the true transportation. Hallelujah! He is going to do it because He promised to do it one more time, one more time, in that interval, that conjunction, somewhere between the ending of the first revival and before the next revival, before He was actually awakened by the disciples from His rest. And they couldn't wake Him before the crisis came. Hallelujah!

Many tried to jerk something into manifestation without the crisis. They had some little test in their home, but that wasn't the Squeeze he talked about. It will not be used until that time comes. But when the Squeeze comes watch the Third Pull then. Oh my!

You see, until that time our battle was wisdom versus faith. Amen! It was spiritual warfare and God was

anointing us with revelation to keep the Bride marching in step: "Stay in line! Stay in line!" Amen. When all kinds of wind came to blow Her off the path, (amen) when all kinds of strange teaching arose, there were some shepherds, Ephesians 4:11, the gifts in the Body working the dynamics in a measure, while the Headstone was coming down, while they were being formed into the Word image. Amen!

You see even Satan could only come with powers of deception. He couldn't bring political power. It wasn't given into his hands yet. But the Hour is coming, he is going to have political power. He is going to revive the religious acts to pass new laws so he could bring pressure. When that challenge comes, then watch the Spoken Word. When he changes and comes with violence, you see because his two-pronged attack was deception then attempted destruction. So he tried to deceive us misplacing, mislocating, and misinterpreting the Word, trying to bring a different revelation to what was already given by the Prophet. And the True Bride withstood the antichrist spirit, in the framework of the Message. Amen. But the Hour is coming when Satan is going to bring political power, and when he comes to destroy you, then watch in that time there will be something else to meet that challenge.

So we had the opening of the Word and we wanted to see the Spoken Word. But he said, the Spoken Word will be used when the Squeeze comes. Right now I will give you revelation, spiritually revealed Truth, that the gates of hell cannot prevail against. Amen! Hallelujah.

So it has been a great time! And after twenty-two years of all kinds of interpretations, the true Bride recognizing what part of the Word She is, seeing Her name in the Book, (hallelujah!) anointed with prevailing power of that revelation, has overcome every spirit. Tempted on all points, but yet without sin. Amen! Now She is ready for a Mount Zion showdown. There was a Mount Carmel – that was false prophets. There was a

Mount Transfiguration – that was adoption. Then there was a Mount Zion. Amen.

We had our Mount Carmel. Amen! We had our Mount Transfiguration. We are caught up into it now. It is going on. There are some who know who they are, who have matured. The Father could trust them. Amen! Hallelujah. They could take the Word and hand It there. The devil cannot deceive them, because they can tie that Word into a place and squeeze Satan out. They have faith in the knowledge of who they are – that mystery between the Gentile Prophet and the Jewish prophets. Now it's time for Mount Zion. Amen.

So those disciples, they were moving in the right direction heading into the other side. Is that correct? They were going to another revival. Legion was over there among all that dead in the cemetery, or seminary. Amen. He was among all that dead bound in chains. They blew his mind with all kinds of interpretations, (amen!) spiritual insanity. But the Mind for the Age, in the Age of the mind, the Headstone Himself was in the midst of the disciples. Hallelujah! The Seventh Seal, Jesus, (hallelujah) the Messiah, was right amongst them resting, (amen) and they were heading right in that direction. Amen.

And they were testifying. They were blessing each other and anointing each other with their testimonies of what they had seen and heard. They had forsaken everything to follow that Word that the prophet had revealed to them. Amen. And they longed to see Him in action again. Amen. But the crisis moved in suddenly and when that crisis came He had to be awakened. And it's a crucial Hour that has come upon us. The crisis time has arrived. The Word must be awakened now or else all in the ship will perish; little fellowships following the Son of Man journeying into the other revival, (amen), moving into a great crisis. The winds began to blow contrary. The skies began to get dark. Amen. The tools of their occupation began to

become unworkable in that environment that had changed suddenly. It became very difficult for skilful men to operate in a trade they had known. Amen. Experienced men were under those circumstances. Amen! How else could you operate in this Hour? They were brought into a situation where all that they could do was depend upon the Word that was in their midst. Hallelujah! He brought them to that place!

Is it He tonight, my brother, my sister, that is bringing us to that place? Hallelujah! He told us it was going to come, when the press comes down, until you are all pressed out. When your oars break, and you try to mend it back, and you hope the wind changes, and you try unorthodox methods (amen!) and you are calling for help from your brothers and sisters and it doesn't work, and you begin to panic, and fear begins to take you over, and you begin to get confused and depressed and don't know where to turn, because you forget, "Go wake, Jesus." Hallelujah! He's right there (amen) resting till this time. Amen. My.

**When did the crisis come? Between revivals. When did they wake Him up? When the crisis came. When did the revival cool off and He entered into the rest, the quieting time? After the first revival and the teaching of all those mysterious things. Amen. In that dark Hour, all hopes for survival: don't know how to make a living; don't have any rights to operate. They were sailing those treacherous waters with trouble all around them, but something happened and they broke into a channel of inspiration. They begin to get a perfect realization of the One in their midst and they were no longer blinded from Him by the circumstances that were threatening their security. It was the circumstances that were blinding them from Him. But inspiration came and they broke through that sound barrier. What sight was seeing and what the ears were hearing, they broke through it to recognize Jehovah-Jireh. Amen. Amen. Then the circumstances just seemed to fade away and

they were now into a realm, where their hearts were pulsating with great faith and expectation to see Him rise on the scene again.

Is it that way tonight that they began to rise into a realm? Do you have a painful desire, thirsting to see the Living God? Not a historical God, the Living God! To see His Glory and His Power in the sanctuary right in your midst doing great things for you. Amen. Hallelujah.

He lay quiet in the ship and He let the winds and the water break up the sails and break up the oars and render them helpless. Amen. He made them devalue the dollar and lay some of you off and let your children go through persecution in school. And He lay resting in the midst of all the adverse circumstances. Amen! Glory be to God. Amen. He waited until they came to the end of their human ability. He never even made a move. They became perfectly weak. Amen. He wanted them to awake Him. He wants you tonight to call Him on the scene, to go into action; the awakened Christ standing in the midst of His disciples, in the midst of all adverse circumstances.

Look at the brothers in Nicaragua. Look at the brothers in El Salvador. Adverse circumstances almost rendering them helpless and He lays at rest. Amen! Oh my! They tried everything they could, all their experience, all their knowledge, all that they had learnt, everything that they knew about how to make a living, and they were rendered helpless in that crisis. Only one thing could meet the challenge – the Word that the Prophet had revealed, the Word that had called them out, the Word that they were following; the Word that gave them a promise – when the Squeeze comes watch the Third Pull then. Amen.

The Headstone was fixing to speak now. Jehovah's Masterpiece, (amen) those Seven Thunders were fixing to utter their voices, to display the power over the elements and show the dominion that the Title Deed

gave Adam, hallelujah; the same Title Deed they have in earthen vessels. Amen. It dawned upon them – perfect faith could master every circumstance. Amen.

We have to awake Him (amen) and call Him on the scene to go into action in this Hour of crisis. God had a purpose over these years (amen) for a quiet time. Amen. A lot of virtue had left Him. The Message went around the world seven times, amen; healed thousands upon thousands; millions of souls into the Kingdom. But then what happened? He took a little rest. “Don’t awake Me until the crisis comes. When you see Wall Street begins to crash, California begins to shake, the generation that sees Israel in their homeland begins to run out, His unfailing Words of promise, (hallelujah!) when the Squeeze comes, watch that Third Pull then. Oh my!

It dawned upon them. A revelation began to wake them up to wake Jesus up. Amen. Hallelujah. He is right there in their midst as great as He ever was. Has He lost the power to create squirrels; to raise a little fish; to give you your wayward children; to speak tumors out of existence? Amen. He hasn’t lost it. It must be here. It will be used. Hallelujah. It will not be impersonated because it is only for those who have become the Word. And how could you become the Word if you weren’t a thought, because a word is a thought expressed. Amen.

Then why is He revealing all these things to us? Is it for it to dawn upon us to wake Him up? Take your eyes tonight off of the circumstances. Amen. Don’t even think about it. Don’t be intimidated by it. Look at the Word, as great as He ever was. Hallelujah! He wants you to call Him on the scene. Amen. I could see Him tonight, **The Awakened Jesus On The Scene**. The disciples who received inspiration from that Seventh Seal (amen), to operate the Word and make it work. Amen. Glory be to God!

Let us all stand to our feet. We are in that Hour, friends. The Hour of crisis is here. Amen. The Prophet

said, they were something like us today, those disciples out there on that ship that night, after the revival were feasting on the results. And now maybe between revivals now we are looking for another stir. There has got to be something happening now that would gather the Church together. Seven Thunders will utter its voices and gather the Church together, call them out of blasphemous names into the place where He has placed His Name. There He meets with the believer, under the Blood of Jesus Christ where they are greater than Moses under the blood of bulls and goats. Think about it. Amen.

There would have to be some kind of press. God always does it that way to run His people together. I believe it is already being formed. He didn't even see the stock market collapse, but we have seen it (amen) and we are waiting for that to happen, and we are living on the results of the great revival we have just passed, and He is resting. And now Jesus had completed that Day and was resting from the works He had done that Day, resting for the greater work to begin tomorrow. Amen. And the crisis is here. May it dawn upon us tonight to wake Him up! You say, "How do we wake Him up?" By believing His Word. Amen! You hear It, you recognize It to be the Truth, then you go to acting upon It and watch it happen. Let us bow our heads and close our eyes.

Our gracious, heavenly Father, we thank You for Your great Presence that is here all in the building moving back and forth, waves of inspiration anointing the hearts of the Elect, quickening their minds to Your promise, quickening their lives to the Age. Oh God, this great Quickening Power, the quickening influence of the Word, raising the people into a higher level of faith, oh God, to take the Word and hide It in their hearts that they will not sin against Thee. May they anoint it tonight! May they plead the promise! May it become effective! Oh God, Your Prophet said they didn't have to

go and say, "Jesus, Jesus, Jesus." They only had to mention Your Name, "Jesus." You weren't even sleeping. You were waiting for them to call You on the scene.

Father, we see the darkness. We see the crisis. We see it moving in, Lord. May it dawn upon us tonight! May we wake You up Lord, that the awakened Jesus could stand in our midst ready to go into action, in speaking conditions to master every circumstances showing that You are as great as You ever were (hallelujah), the Anointed Messiah.

We thank You for the liberty of the Holy Spirit and the unction that You gave to speak Your Word. May It cause the people, Lord, to break through all unbelief, break through the sin barrier; spiritual astronauts moving into that realm where all things are possible. Hallelujah! Oh grant it tonight, Father.

We look forward in the coming services that You would move in a mighty way amongst us, and You would cause us to recognize Your great Presence and You would reveal Your will more perfectly unto us and perfect what is lacking in our faith. Grant it, Father. We ask it tonight in the Name of Jesus Christ. Bless each and every one. We commit them into Your hands, amen and amen.

God richly bless you as I turn the service back to our brother. Amen.
