The Lord is my strength

And my song

Oh, He has become...

He has become my salvation

He has become my salvation

The Lord is my strength and my song.

Oh, let's lift our hands and sing it one more time. Sing it to Him. He is my Light and my Strength and my Salvation. Though an host encamp round about me, in this I will be confident. The Lord is the Strength of my life. Hallelujah! He's our Refuge. He's our Fortress, tonight.

The Lord is my strength

And my song

Oh my, with all your heart - He has become...

He has become...

What a confession of faith, tonight, amen. In Mt. Zion there shall be deliverance. There shall be salvation. 'You shall know I, the Lord, am in your midst', hallelujah! 'I'll pour out those two rains on you.' *My strength and my song...*

Just give Him praise and honor and glory! Thank You, Jesus. Father, we thank You, tonight, with grateful hearts, dear God. We walk in this marvelous Light, knowing it brings us into deeper fellowship with You. Where we could walk, dear God, in close communion. Where we could be under the guiding influence of the Holy Spirit, where dear God, the way is being made clear to us. We could see the Bloody footprints marking out the path that we must tread. Oh God, we see the Scripture become alive, Your Word becoming a Lamp unto our feet and a Light unto our pathway.

We thank You, tonight dear God. How great is our God and greatly to be praised. We could enter Your courts with praise, we could come into Your gates with thanksgiving to offer the evening sacrifice unto You, dear God, to know dear God, that Lord, all prayers are being answered in this hour because Father, that sacrifice has been accepted. Hallelujah!

Prayer is now effective, oh God with speed, oh God, You have...doing that in this great hour, hallelujah! We thank You, Lord. We don't have to struggle. We thank You that we don't have to wonder, Father, because we know that is why You've come down. That's why You have put one foot on the land and one foot on the sea and take everything, oh God, under Your divine authority father. Oh God, You gave the title deed back to the living descendants at the end of this Laodicean Age, a called out people, Father, Your people, Your genes, oh God, that by and through them You will finish Your great work in this hour.

We thank You, Jesus. We praise Your mighty Name. Great is the Lord, and greatly to be praised. Hallelujah! We believe You promised it, Lord. We know You stand here as the Enforcer to enforce a rightful condition of restoration on this great Easter Seal, hallelujah! Oh God, showing Yourself alive by infallible proofs, speaking things pertaining to the Kingdom of God.

We thank You, Jesus. We praise Your mighty Name, tonight. Let this Name be glorified and be admired in all Your sons and Your daughters. May You fulfill the work of faith as You promised with great power, dear God. Hallelujah! We commit the service into Your hands. We commit Your people into Your mighty hands.

All throughout this region and across the face of the earth, where they are gathered together, Father, in anticipations, oh God in this time when the Former Rain and the Latter Rain is being poured out, Father. A rupturing faith through Seven Thunders, showing us how to prepare for great translation faith; gathering us back together and taking us up in this great Mystery of the Seventh Seal. The Rapture is a revelation only for the bride. Where like Enoch, Father, we are walking, like Elijah we are walking with the

consciousness, oh God that the hour had come, Father. Oh God and we have a testimony that pleases You before we are translated.

We ask in this zero hour, the great countdown. Hallelujah! Your Prophet counted it down, oh God, hallelujah, told us we are in the zero hour, hallelujah. The astronauts are pressurized to take a flight, oh God, into glory. What a place You are raising up Your church in this hour. Lead and direct us in this great Message of the hour. The things that need to be crystallized, the things that need to be revealed and made more plain to us, that oh God, we could walk with the confidence and the blessed assurance and the certainty, being certain of God! Knowing the certainty of those things which are most surely believed, hallelujah, amongst us! The vindicated, proven Word of God, our Absolute, to tie our souls to in this hour, Father, to give stability to Your church, to anchor the souls of Your people, to give them peace and rest, knowing that You are present amongst us, oh God, even as You said You would be. All glory and praise be unto Your mighty Name.

Let the Dove lead, we pray, Father. May You get glory. May Your Presence be felt. May every need among Your people be under Your divine consideration. Let faith, oh God, Lord, lift the expectation of Your people. We know we get what we expect, hallelujah! We are expecting You, Lord, to come on the scene. Heal the sick. Bind the broken heart. Set the captive free. Pour out Your Spirit. We are expecting these things. In the opening of the Word, there will be deliverance, hallelujah! In our midst tonight. Thank You, Jesus. Praise Your mighty Name. Hallelujah! Thank You, Lord. Glory be to God, amen.

We certainly thank God for His grace, tonight. I greet the church in the Name of the Lord Jesus. I invite your attention to the Book of Joel. I trust that you had a good week, amen, and your mind is in the place where it needs to be, tonight. You came focused, zeroed, amen. Blessed be His wonderful Name.

Joel, chapter 1: I want to take a little portion of 1, 2 and 3. **The Book of Joel, part 11:** this great series on **THE STARS' WARS.** I have a little subject tonight, **The Revealed Son of Man with the White Wig and the Open Book before the Golden Crown and the Sharp Sickle.** Amen.

So it's a very serious time that we are living in. We must have revelation in this hour because the church world is gone into darkness. The Bride is walking under the Headship of the Bridegroom. And the mind of the Bridegroom is coming down into the Bride. And that's what makes her the Final Voice. Amen, she is not just getting revelation. She is finishing up this great ministry of the Son of Man. It's a revealing. It's a fulfilling of the Word, amen. Not just coming to church but recognizing the elect is part of Jesus Christ and He is the Word. That makes her part of the Word, amen. What He is she is. This is the Mystery.

That is why we could have faith to be changed because we realize we are not just human beings on the human level. The Bible speaks of an elected people that is eternal as God is eternal. This is what God has opened, when He opened the family album. He showed His genes. He showed the names. He showed the age. He showed the promises. He showed their origin. He showed their destiny. That's why she is going to be super. Amen.

You were poor. You had amnesia but one day some men showed up at your door and they begin to ask you questions. They began to reveal to you, you had a great rich father that you never knew and he left an inheritance for you. And they began to show it to you. They showed you how much money there is in the bank. You decided to write a cheque to see if it's a joke they're making, or if it's real. You begin to find out the things are real. It changes your concept. It changes the way you live your life. Amen.

When you begin to see what you have, sometimes you get battles. Why you? Why this great blessing should happen to you? But then it has happened to you so you can't deny it. Aren't you glad He chose you? Do you feel chosen? (*Bro. Vin laughs*) Amen. It has to do something to you. Do you realize Who has chosen you? The Lord Jesus, Himself, amen, this is something special.

Joel 1, verse 14 and 15:

Sanctify ye a fast, call a solemn assembly, gather the elders and all the inhabitants of the land into the house of the Lord your God, and cry unto the Lord,

Alas for the day! For the day of the Lord is at hand, and as a destruction from the Almighty shall it come.

Amen, may the Lord bless the reading of His Word. You may have your seats.

I would like to read in chapter 2. This great Book of Joel is about the Day of the Lord. And that's what we want to draw your attention to tonight. Joel 2, verse 1. And we are going to pick the places I want to focus on. And I'm reading these things to establish; that the theme of this Book is about the Day of the Lord, as far as the time goes because it was prophetic. Joel was a prophet. The Word came to him. It was prophecy for the last days. All the things that he saw and spake, even what happened naturally in the land, all the locusts invasion, all of this made them aware, of what their future held, and how they would have to give account to God. But how God's great grace had made provision for His elected people!

Joel chapter 2, verse 1.

Blow ye the trumpet in Zion, and sound an alarm in my holy mountain: let all the inhabitants of the land tremble: for the day of the Lord cometh, for it is nigh at hand;

Now we know this Day of the Lord is a specific 'day' spoken of in the Bible. It's not a Saturday or Sunday. It's not a 24 hour day. It's a specific time when He is going to be revealed as Judge. Amen. And that was promised in the last days. Eagle was going to be revealed between Lamb and Lion. Son of Man was going to be revealed between Son of God and Son of David.

When we could bring this 'day' into focus, it will help us to understand more clearly, the things that we are seeing, the things that are happening. Giving these prophecies direct relevance to things that are happening on the earth, in the supernatural realm when the plague of locust came out in the realm of politics, in the realm of religion, where the sun and the moon became blacked out. Now remember all these things have already happened. Lack of understanding this, means you don't know exactly where you are

in the age. So you're not really zeroed and focused until you know. That's the difference.

You have a bunch of people in the Message. Some living their lives as though He is going to come today. And if He doesn't come today, they want to walk closer tomorrow. And then some, they settle to come to church, belong to a Message church, get involved in the program in the church and there is no real expectation. They don't even know if they have the Holy Ghost or if they need it. They are not concerned sometimes with these things. They still have their values and priorities mixed up in the world. That's why you could only know positionally where you are when the Word is opened up to you and you see the signs that mark the time to know where you are, what is promised, what is being fulfilled, what is to be fulfilled in the world among the nations, among the lukewarm church, among the Bride. Amen.

We don't have to fulfill Jezebel Scriptures. We don't have to fulfill the Scriptures concerning the ecumenical move. There are people on the earth to fulfill that right now. America is fulfilling what is spoken of her right now. Israel is fulfilling what is spoken of them right now. Rome is fulfilling what is spoken of her right now. Russia is fulfilling what is spoken of her right now. Amen! And the Bride is fulfilling what is spoken of her right now. And the foolish virgins are fulfilling what is spoken of them right now. All these people are spoken of in the Bible for this time.

The way the foolish virgins are living their lives right now, they are heading straight for the tribulation, though they know about a Prophet. Because the thing in their lives; the Holy Ghost never became a necessity. Amen. They just get caught in that lukewarm realm in church. So as time is running out, you don't even see desperation in them. It's when the door's closed and they find themselves in outer darkness then they get desperate. Because when He comes like a thief in the night and the Bridegroom takes those that were ready, they didn't have what it takes to get through that open door that was swinging shut. That's right.

Then the nations; United States – is somebody going to say they are not speaking with the voice of the dragon? Is somebody going to say that whole society has not changed into a military state,

police state? Is somebody going to say since 2001 they have not deceived the people and taken away all their rights from them? Is somebody going to deny that they are not the military arm of the Vatican? All those things are spoken of in the Bible concerning them. They are fulfilling it, friends, because they have the people in office and in position, anointed with the spirit to make them do that.

When the Soviet Union, de-communized, and Russia was weakened, somebody could say that they decided to de-communize too, when they had a man like Putin standing there and then Medvedev moving in there? Amen! Is somebody going to say that right now they are a weakened nation? It has to be a very ignorant person who is unconscious of what is happening in the last few years. Because not too recent they told America, 'You, with your economy in a mess want to dictate to us?' They told them, 'you put up that missile shield there; we'll nuke those two places, Poland and Czech.' That's right. They took the side with Iran.

Now remember, we went through all these things in the message **The Lord's Vengeance of His Temple**. Amen, and so, I'm showing you, all these nations, everybody is fulfilling their portion of the Word. And the same way your people don't see them fulfilling the Word, is why they can't see the Bride fulfilling the Word too. Amen!

But look at the Word that came down there the last service we were in, last Sunday. If you have the Holy Ghost, you realize how large a Word, God gave us there. You realize the magnitude of grace and light God put on the hour. Amen.

When you hear a Word like that and you're looking for a promise and you're believing you're called, and have been trained and being led by the Holy Spirit, something inside of you begins to strengthen you in the inner man, to see where God is moving the Bride.

From the coming of the Angel of the Lord in the days after the Prophet, every experience, what did it lead to? The Ministry of the Sword of the Lord in the hour of temptation, in the hour of that economic depression when those three locust powers were devouring the land.

Tell me, if that is not what God, since 1965, has to move the Bride into. That the Third Pull will not be used until the squeeze comes - the Spoken Word that is. Because we are in the Third Pull! There are three parts of the Third Pull: the opening of the Word, the Spoken Word and the preaching to the lost. That's right. And there is no way to go into the Rapture without coming to the squeeze. And when you come to the squeeze, that which had been thoroughly vindicated, indentified the Presence among you, this will be the thing that will start the rapturing faith to the going of the church. This is what makes it the Super Church, the Super Race. This is fire proceeding out of the mouth. A sharp sword proceeding out of the mouth!

How many knows what March 19th is? That's the Second Seal. How many knows what the Second Seal is? They who live by the sword will die by the sword because there is a people who will have the real sword. Sword in the Bible is military symbol. Today there are three weapons of mass destruction: chemical, biological and nuclear. That's their three pulls. Amen! The third pull, the greatest power, the greatest sword, is nuclear! Amen!

And the Bride has three pulls too! And the Third Pull is the Spoken Word! Hallelujah! Glory! How many knows it will be used? How many know that's why it was vindicated among us? You see what it is, you see what it does, but wait until that time when that catches up with this. When that spirit that was loosed, to gathered them denominations and form them in the image of the beast. And then the Holy Spirit was loosed to gather the Bride and form her in the image of the Word. And the masterpiece for the ministry of the masterpiece. And, when the image of the beast comes against the image of the Word; that's the Mt. Zion showdown. Michael and Lucifer standing there. Hallelujah! A spiritual Armageddon! Glory!

I'll show you tonight that where it comes for us, is the same place it comes for the Jews! That's right! So it's a time here we must understand. This Day of the Lord. Remember that day is dawned! We are the only age, out of all seven, that saw Jesus in a white wig. Hallelujah! They only saw it in vision. John saw it in vision! Daniel saw it in vision! Glory!

But in this day man looked up in the sky and photographed the thing. Hallelujah! He said, 'They photographed the vision I had'. How many know that vision was the coming of the Message; '**Sirs, is this, the Time?** Is this Seven Angels coming to give me my new commission? The healing revival never hit the spot! All these years, I waited for a Message.' The signs were only to get their attention. But there was to be a Voice of the sign and the Voice of the sign is Seven Thunders! Hallelujah! Christ Himself, descends from Heaven with a Shout! Amen! It will gather the Bride. It has gathered the Bride. And the Voice will be the Voice of the Archangel, Christ Himself. Same One. Just changing masks for another act – for another ride! Hallelujah!

That's why it's important we understand this continuity. Because if you are waiting for that, you're waiting for the Cloud to appear again in the sky. And you are waiting for somebody to take a picture and turn it to the right side again. And then you are waiting for the Son of Man to be revealed again between Son of God and Son of David. No, no, no, no, no! This has been pointed out to us, 'This day is this Scripture fulfilled.' Hallelujah!

Joel saw that day. Is this the day with the locust? Is this the day with the two rains? Is this the day when the Book is opened? Is this the day of the restoration? Then Joel saw all of that and he also saw the day of the Lord. And it is happening in the day of the Lord. Amen!

That's why in chapter 2, verse 1, he said

*Blow ye the trumpet in Zion. Sound an alarm in
my holy mountain*

...blowing that trumpet tonight.

*Let all the inhabitants of the land tremble for the
day of the Lord cometh for it is nigh at hand. A day
of darkness and of gloominess. A day of clouds and
of thick darkness as the morning spread upon the
mountains.*

That this day that was coming on was the breaking of the day. As the morning spread upon the mountains and the darkness and the gloominess is being pushed to one side, that goes upon the children of darkness. They, who put Him on the outside of the

church, that broke a new day. That broke a new day. This age went into total black out. Is that right? It went into total black out but the Son of Man opened the Scriptures. The Word was opened up after denominational ages run out.

The Seventh Seal Book opened the mystery of the coming of the Lord. That wasn't opened in the church age, because in the church age it was still the grain in the husk. But when the grain pulled back and pushed the grain out, we came into a wheat age. Then the call was 'Come out of her, my people! Flee denominations, you flee the plague!' Hallelujah! It was no more like under the Second Pull, 'Go back to your church. Shine your light and be a Christian'.

Because when they rejected Him as Son of God, amen, under that First and Second Pull, when they rejected Him because of those written mysteries, when they refused to change the baptism. When they refused to change their doctrine from three persons to one person. When they refused to step out of the organization, knowing that no organization ever had a revival; they only had a revival before they organized. And in every age the revival died when they organized. That's right,

That's why we have to make sure we remain Spirit led, hallelujah! When we hearing from God. When we receive the unfolding Word of God, walking in the unchanging continuity of God in His Word because any individual, who refuse to walk in Truth, will dry up.

That's why many churches are already dead and can't even have a praise. Everything about them is historical! 'God sent the Prophet.' They only know the Pillar of Fire in photograph. They only know the Cloud in photograph. But God proved it didn't stay in the sky. It started to appear to others, 'the world will not see Me, but you will see Me. I'll come to you; I'll manifest Myself to you.' And to prove that, the revelation will follow. The Presence will follow. And the Word will keep moving forward.

And the other things that are happening in the present tense, in the heavens, in the realm of technology and science, in the realm of the church, in the realm of politics, in the realm of the lukewarm church will be clear, will be clear to you. Hallelujah! Glory!

Because if you have it in the present tense, you see it where ever it's happening. And who could deny, He doesn't reveal what is happening, in the Heaven? He reveals it when it's in politics. He reveals it in technology, He reveals it in science. He reveals it in the lukewarm church. He's continually revealing it. Why? Because He reveals it in the unchanging continuity of the bride, amen!

It has to be so. Because when He pours out two rains, if you have a teaching rain and you get rain to make your teaching live in you and you're not struggling to live a Christian life, the faith the Word talks about comes out of you. The virtue the Word talks about you is coming out of you. The knowledge the Word talks about is coming out of you. The temperance the Word talks about coming out of you. Hallelujah! To prove, the planted Word is coming up in you. That you are not a barren tree, 'you're not barren or unfruitful in the knowledge of Jesus Christ.' You are a tree that's known by its fruit. You are a tree that's planted by rivers of water that's bringing forth your fruit in your season, between the Gentile prophet and the Jewish prophets in your season. Hallelujah! Glory! Your leaves didn't wither for thirty seven years. Your leaves can't wither. That's right! And your fruit always brings the teachings for the season. How do you get there without two rains? That's right!

It must come back to the teaching. It must prove the teaching is not intellectual. It must prove that the teaching is accompanied with testimony in the present tense. Then man is confronted with the same life moving on because it will bring up the further part of the Word. And how it could be denied, that the Second Fold Mystery is not made plain? Which man could have taught that after '65? Nobody knew it - nobody knew it. The Holy Ghost Who sealed it up, by the words of the Prophet, 'the world will not see Me, I will come to you'.

Commissioned shepherds have to find the Messiah where he is laying in the manger, Amen! Then gifted men who see the star, it will lead them to the babe – to the Man Child! It will lead them to the man child before Herod comes! Before Herod comes! Oh thank you Lord! Look at that. It's even coming out; it's even

coming out while we're speaking it. Before the great red dragon wants to devour it; get hidden communication, dreams, visions, prophesy; Why? Because 'I poured out My Spirit on you all, because I'm pouring it out upon you all because the Holy Ghost is raining down in your soul. In your earth.' And that rain's getting to the seed because you have a seed planted in your dirt.

You had good ground - you had good ground. You weren't stony. You weren't full of thorns and thistles, Amen! You sit down there and you allow your fallow ground to be broken up. When your big backhoe had to come and bust up your earth, you didn't leave the church and get vexed and say, 'I stop fellowshiping here. I can't take that man talking to me so.' Today you could rejoice amen because you're like a watered garden, hallelujah! You are like a watered garden. What is it? You're drinking in the rain - you're drinking in the rain.

And you don't have to fight up. It is the seed that's jumping inside of you. It's the seed that's pushing up in you. You are still dirt! You're still good Trinidad dirt on the outside, but inside, you have a gene of God! And you get the type of water given for your seed and your seed starts to come to life. A Baptist message couldn't bring it to life. A Pentecostal message couldn't bring it to life, but Second Fold of the Seventh Seal water, that could bring it to life. It's making you recognize your part.

You love the Prophet part but you longed to see your part. You used to look in the mirror and see nothing. But you had the Prophet picture on the wall, and you could watch him, but when you watch in the mirror it's blank. And you watched the Cloud, and you watch the Prophet and you're only collecting pictures of somebody else, not yourself. But one day you looked in the mirror, you were 'seeing through a glass dark.' You couldn't make out what you were seeing, but you begin to lay under the Word. You begin to rot and die out. And one morning you get up and you begin to say, 'oh my God, that's me! Oh my God that's me!'

I'm talking about the mirror of the Word. I'm talking about the Word mirror. Don't get lost. Don't say, 'I don't understand what he's talking about', the Word mirror I'm talking about. You'll read it over and over and can't see yourself in it, but one day you start

to see yourself. One day you start to understand yourself. You start to know your position. You start to know your power. You start to know your favor. Oh thank you Lord! Glory! Hallelujah! He says blow this trumpet; let the land tremble because this Day of the Lord is coming from negative to positive, Hallelujah! When you see the bride coming down to the final Voice.

What Voice is that? That is the Voice of the Supreme Judge. That is the Voice of many waters foaming out. That is not a message of mercy. No, this is eyes of a flame of fire. This is feet like brass. Hallelujah! That is showing you have a ministry to preach to the lost. When you see it gets like that, you know Noah is not in the world. You know he's not just shut-in in the ark on the ground. You know there have been some showers. And he in Christ, sealed in, begin to be raised up into a heavenly place. Glory!

And then a window opens, and from there he could begin to see the New World. And from there, he becomes reliant and dependant on the dove. He's fully surrendered to the will of God to be revealed in time and season by the real messenger, by the dove, Hallelujah! No man could tell him anything then. All he had to do was look up. He couldn't look to the right. He couldn't look to the left. He couldn't look beneath. He could only look up, hallelujah! His life came to a place. He had a messenger, a faithful messenger. A messenger who knew what he needed to go into the new world because he couldn't go back into the old world. Can you go back into the old world? You can't go back into the old world, no, no, no! Hallelujah! It's:

A day of darkness and of gloominess. A day of clouds and of thick darkness as the morning spread upon the mountains.

He's describing the locusts.

A great people and a strong;

You want to see them? You only have to look under your Fourth Seal. They are called 'hell following death'. In Ephesians 6, they are called the cosmos, the present evil age. They are described, the military organization; principalities, powers, the rulers of the darkness of this world, spiritual wickedness in high

places. They have accessed the power that's in the air, and they have darkened the air. Did you catch that? You catch that?

That's why what's coming through the air is pornography, lies, politics, false religion, every thing of Babylon and her kingdom. It's the mother of all abominations. She's drunken the nations with her filth. The revised Roman Empire. They control the networks. They control - The prince of the power of the air sits down there. He's called the beast of the bottomless pit. He's called Abaddon. He'll destroy your life. He's called Apollyon. He'll bring you down to destruction and ruin with his polluted air. He'll pollute your mind. He will darken your mind and make you a child of darkness. He'll make you dress like him. He'll make you think like him. He'll make you speak like him. He'll make you reflect the underworld.

That's where the world's getting their influence from,-radio and television and the Internet. That's where their advertisement is. That's what shapes your taste. That's what makes you a thinking man like the system. You take the modern fashion. You take the places of entertainment. You take the lifestyle that they're showing you and glorify sin. That is where they trap young men and young women. Like Eve they pull in that poison nicotine of the world because you don't have a thinking man filter to filter it out. They're not drawing on the Word. He punches a hole in that filter and they take in that cancer, and they become sick, spiritually sick. They look super as far as the world is concerned, 'Girl, you look real hot in those hot pants! Boy, you looked real macho when I see you in that party!' The world thinks they're looking super but they're like the rat in at the world's fair when they put the nicotine on the rat. And the cancer was eating out the rat. The inside of them is like that. That's right.

But God, in Mt. Zion, remember that is the only part of the harvest [that] is going to be kept. God preserved that, so they could be honored in the third feast, the great and final feast. He's the Author, and the Finisher. When He died on Calvary, He started the feast of the Passover. When He started with the work of redemption there, He is the Finisher. He has to end up with a people in a new body.

He has to end up with a people in a new body otherwise He failed to finish His job He started. So God keeps a people who will come into rapturing faith. God keeps a Message back for the last days, Seven Thunders for that people. And God keeps two rains to bring them to full restoration, Hallelujah! He will not go in the millennium without a bride in a glorified body. He will have a bride in the glorified body in the honeymoon. He had planned for it. The Third Feast brings that. And He is working to accomplish that right now, Amen!

That's why it must have preachers; it must have revelation to lift the church up. Lift it up out of the humanistic realm. Lift it up in the realm of revelation and vision. Lift it up into a rapturing faith. Faith is the victory that overcomes this cosmos, overcomes the principalities, overcomes the powers, overcomes the rulers of darkness, overcomes spiritual wickedness in high places! All those things will be under our feet! All those powers 'come put your feet upon the necks of these kings!' Hallelujah! He is doing that.

That's why He refuses to hold back the revelation in this hour. He is pushing upon you, 'Say it. He's opening it. Speak it. Don't be afraid. Be like Isaiah. Sometime you don't understand half of what you saying, but say it anyhow! It's a secure channel. Nothing could come in that is not the Bible.' Hallelujah! 'Have not I sent you? Watch the sword come out of your mouth. Watch, fire proceed under the Second Seal, March the 19th.' That's right.

It will slay that unbelief. It will circumcise. It will deliver. It will pull down every stronghold of the enemy in your life. It will cast Satan out of your life. Hallelujah! He is the Word, Whose Name is called the Word of God, will make war against the beast and the kings in your earth. He'll ride into your life on the white horse. Yes sir! He'll begin to slay everything of the world, movie idol, fashion idol, sport idol. He'll break up the cage. He'll cast down reasoning, imagination all these things. Amen! He'll come like a living fire inside of you.

I can feel He's doing that for some people, tonight. Receive it! Amen! He's not making war on the earth. He's redeeming the earth. He's going to make it a new heaven and a new earth. But He's making war against the powers in the earth. He's the Stone

cut out without hands. It's breaking up images in the earth. Hallelujah! When He's done with you, He will be a Pyramid in this new earth, passed you into another civilization.

You're going through a spiritual Armageddon. Oh I tell you! When a spiritual Armageddon will produce the kingdom of God in you, Hallelujah! You will pass an earth with a science civilization into an earth in a faith civilization. You, a redeemable attribute of God. You will have your own experience of the Lord's Day in your life personally. That's the day when the Lord starts to bring judgment, so He could deliver the earth completely from the grip of Satan for Himself. That's what He's doing with you. He is delivering you from the grip of every influence from the fifth dimension and causes you to pass from one condition of existence into another condition of existence. Raises you up under the baptism of the Holy Ghost and fire, amen! Passes you into a new condition! The eternal man, the man redeemed by the blood in the eternal church age, at the end of the Seven Seals.

Did He baptize you with water? Did your earth go under the water? Did the earth in Genesis, did it go under the water in the days of Noah? In the time of Jesus, did the earth get sprinkled on with Blood? Not animal blood, the Blood of all the Word. Hallelujah! The Lamb with seven horns and seven eyes, the Word Himself bleeding upon you - Did He bleed on you? Is your body part of the earth? Hallelujah! Did He turn you heavenly? Hallelujah! Glory! Raise you up under a baptism of fire and all the pull of the cosmos begin to move.

The only thing you have is Ham in your ark. You still have the law of sin in your flesh. You still have the law of sin in your flesh but you turned heavenly - you turned heavenly. Oh thank You Lord! Glory! Where do you think you're going? Where do you think you're moving into now? Are you moving back into water baptism? Are you moving back into sanctification? You are moving into a new heaven and a new earth. Old things are passed away but all things become new. That's right! Glory!

Oh God help me! Help me Jesus! This Day of the Lord. How many know that these things are promised in the Day of the Lord? Michael comes to judge and make war. Michael is judging and

making war. He sees the Vatican, He burns that down. Catholic influence in the earth He burns it down. America, Satan's Eden, Laodicea, under the Seventh Vision He burns that thing down. California, Hollywood, Los Angeles, all those movie idols, under the water, forty miles deep in a fault yonder! Hallelujah! Glory!

He's riding, oh yes! He's riding, riding into your heart, tonight, riding on His Word, with a sharp sword, fire proceeding out of His mouth. Seven Thunders, that's right! Glory!

Now remember now, their Seventh Trumpet is our Seventh Seal. Under the Seventh Seal, Seven Thunders comes out of a mouth. Under the Seventh Trumpet fire comes out of that mouth. That Seven Thunders and that fire is a sharp sword, amen, when He and His army's coming against the locust king and the locust army. Hallelujah! When He's smiting, delivering the earth, busting up Satan's Eden. Amen! That Satan Eden in your earth trying to keep you back from the millennium but next attraction coming soon, bridegroom and bride go for honeymoon! Yes! So he have to tear up Satan's Eden. He have to get rid of Satan's Eden.

Where's the Word coming from? Out of Heaven, Heaven was opened and the Word came out. Glory! Why? It's time for honeymoon – it's time for honeymoon! Oh thank you, Lord! Glory! What is Armageddon? Clean off the earth. Clean it off, amen.

Brother, when these nuclear weapons going down, down into your earth, it's bringing up all your lava, hallelujah! You might go through some cataclysmic changes. You might lose them violent eruptions. That old temper might burst that thing and go. All those old tornados, and temper tantrums, going. Brother, the lamb and the lion will lie down together. The bear will be gentle and the wolf will be tame. There will be peace in the valley. It is happening to you first. His Kingdom comes in you first. Then His Kingdom comes in the earth. Yes sir! By the same principle, the same Word, the same God does it in you as an individual and then does it in the earth! Because you are a redeemable attribute and the earth is a redeemable attribute!

Oh, let's give Him some praise! Let's praise this God amen! Yes sir! On March the 19th on the Second Seal, a sword, fire,

Seven Thunders, the Word coming out of Heaven. While that locust group is riding, He come riding on the scene. Oh My!

Have you ever seen in those old days, when those bad men hold up the town and have everybody under hostage, terrified in the town, but over the hill you see the Texas Ranger? He's coming riding and he's coming. The cavalry is coming and they begin to blow the trumpet and you see that army come riding in, you know those bad men have to go running.

You know demon powers have to go running because there is deliverance in mount Zion! There's no more bondage, no more uncleanness, in mount Zion there's deliverance! When that Trumpet was blown, it went up into Heaven. It went up into Heaven and the cavalry come, riding. Hallelujah! Oh my!

Tonight, if you're fighting up with something, if that thing's giving you trouble in your life tonight, let me tell you, let it go tonight! Let it go tonight! Satan cannot battle the Word, and He has anointed the Word to slay the enemy, to chop him out of your life, to cut you loose. Amen!

You start to claim it, confess it, and thank God for it because this is the Lord's Day. We are in the Lord's Day, and the Lord is here with Supreme Authority. The Supreme Judge Himself Who comes to Abraham, who come to Abraham 'Shall not the Judge of all the earth do right?' Where Abraham needed to go? Why did Abraham need that Supreme Judge to come? Because he was getting ready to go into a new body and Sodom was getting ready to be burned. The cosmos had to go, all the evil influence, all the perversion from the pit. Hallelujah! Glory! Had to go!

In the days of Noah when that cloud appeared twenty seven mile high and thirty miles wide, to wash off Cain's science civilization at the end of the age, Noah planted a former rain. He planted a teaching rain. He called them to repent. He blew the trumpet. Hallelujah! But they laughed him to scorn. But when that cloud appeared, it was going to have rain like they never knew. It wasn't going to be no nice soft mist on the earth. That rain was going to loose the earth from the grip of all Cain's civilization.

It was harvest time - it was harvest time. From the serpent seed being planted, God was separating the wheat from the tares.

Because two vines were in Eve's womb. In the wife of Adam who was the seed, had two vines. And Genesis four and five shows you two distinct lineages how it grows all the way to Genesis six. And God sent a prophet, Elijah, before the great and dreadful day of the Lord. And God smote the earth with a curse. Hallelujah! And God clean off the earth and brought it back to its pre-industrial state.

Harvest rain, harvest time, is always connected with judgment because that is when He burns the chaff with unquenchable fire. It's when He separates the wheat from the tares, 'Let them grow together I will separate them at harvest time'. Is that right? The Lord's Day has come. He's come down to separate, brother. Genesis 18, the appearing of the Judge at the end of the Pentecostal age. Is that right?

Genesis 17: his circumcision; breathe the 'H' in, New Name, hidden manna.

Genesis 18: God in a man like a prophet, the Judge of all the earth, from the cloud, the angels from Heaven, amen, it came unto the Son of Man, the Judge Himself. And He convened His court. He had come in Investigation. He had trial. That's right. He found the Sodomites guilty. That's right! And then He executed His righteous sentence. He poured out his censor of fire by volcanic eruption and turned the city in into ashes. The Gentile world. And turned Abraham and Sarah into youth by holy fire, hallelujah! He consumed their old age, amen. What a time!

'Go in the Book of Joel, I'll meet you there'. It's good to walk in God's time and season. He has something for everybody. You shall know I, the Lord, am in your midst and there shall be deliverance in Mt. Zion.' We're speaking about it and it's happening. He is sending Rain – He is sending Rain to bring up what is in your heart. I trust you had good seeds in your heart. I trust you didn't get sown with any other thing. When you recognize what is happening, pull your goose neck hoe out and start to weed, weed your garden. Weed your garden because if you get a shower and those weeds are in your garden, you are in trouble.

Drop down to verse 10, picking up the Day of the Lord in this Book of Joel. I want to show you what is happening. Speaking about this locust invasion. He said:

The earth shall quake before them; and the heavens shall tremble:

Have you ever felt your spirit get unsettled inside of you? And your flesh starts to go in convulsions when those locusts start to walk on you; when those locust start to get through your eye gates and get in your house? You find, your flesh, all of a sudden like it's gone in chaos. And your flesh wants to jump at this and jump at that and your flesh - you can't hold down your flesh. Your earth starts to quake. Yes, and your heaven, your spirit.

...the sun and the moon shall be dark, and the stars shall withdraw their shining.

Your earth's shaking? The Son Light that you are depending on to walk, it's not shining for you anymore because worldliness in your life has blocked the Son Light out. And the moon, the moon's not reflecting anything for you. You're coming to church service after service and saying, 'I'm not getting anything. I'm not getting anything.' Why? Because darkness, gross darkness begins to take control of your life, where your mind is, you're tuned in to the world. You're tuned in to the pleasures of the world. The darkness that comes out of the pit has brought your earth under gross darkness.

What blocks out the Son Light? The worldliness in the people, that's right. The earth becomes so worldly and so sinful; it came between the moon and the sun. And that dark earth blocked the Son Light out, threw the moon in darkness. I'm talking about **Shalom. Shalom** I'm talking about. Is that what he said happened? He says the harder I preach the worse they get. Jesus is the Light of the world. That is the Son, the Word, that's right.

The church went into darkness. The earth is in darkness. Now remember, the sun is the only light bearer. The moon doesn't have any light of its own. The stars have no light of their own. Those seven messengers were getting their Light from the Son. That's right! And in every age, because you see the Word is to deal with the earth, the Word.

But when sin heaps up in the earth like that, and the church comes under the power of the sin in the earth, the politics, the pleasure, the entertainment, they bring bunko parties and bingo in the church. They bring their worldly fashion in the church. And that is what happened so the church couldn't reflect anything anymore, because the world takes over the church, the influence of the world becomes stronger than the influence of the Word.

And when the influence of the world in your life becomes stronger in you than the influence of the Word, you have pushed Jesus out of your life. And the man of sin will begin to be exalted in your temple, and be worshipped as God. And you've become a Pentecostal talking about, when you get a little prosperity, 'God's blessing me.' But when God wants to wash you with the water of the word, you are not seeing 'God's blessing me'. When God starts to cut off the world and get you in rapturing condition, you not saying, 'God's blessing you'. Do you understand?

The individual in this age is doing the same thing the church collective did. Remember the collective church is a bunch of individuals. Do you understand? Your whole church world is made up of individuals collectively. And as each one walks into sin, the darkness out number the ones who is light in the church. That means more people are backsliding than believers who holding their position. For the church to have light - believers holding their place.

Seventy-five (75%) of Moody converts were backsliding. 80% of Wesley own was backsliding. But ninety-five (95%) of Finney's converts held on, the Prophet said. Billy Graham's converts were backsliding by the month, thirty thousand. But Paul's converts were going on. He gets one, he comes back, he finds thirty. You are understanding how that works in a church, right? I'm explaining that to you.

That's why the Word has to be like an epidemic in the church. Achoo! The Book of Joel, achoo, achoo, achoo! Everybody starts - an epidemic of revelation starts to move through the church. People start to get sensitized. An epidemic of joy and former rain and latter rain start to move through the church. And people start

to praise God and worship God. People start to come out with their corn and their oil and their wine.

But when you're seeing no corn, no oil, no wine, you go through row by row, by row, by row, you get ninety percent no corn, no oil, no wine, you're in trouble. That means locust invasion, conquering. That's right! You have to know your presence makes a difference. You have to know you come in here to make a difference. You're not coming here to become part of the darkness. You're coming here as light to help push out some darkness, push out some negative influence.

And everybody you get in contact with, you have a sure Word. You have an encouragement. You have a prayer. You have some spiritual support, amen. The body fitly joined and compacted together in the measure that every joint supplieth for the more effectual working. You could spot fear. You could spot worldliness. You say, 'Oh sister, don't go there, you're walking too close to the world, come on let's pray.' Amen! You say, 'Brother, you're too gloomy. Put a smile on your face. Start to thank God.' Amen! 'Your blessings are more than your troubles'. Amen! 'Go on in the positive!' Hallelujah! Say, 'Brother, oh my, you are a blessing to me,' amen, 'I was so encouraged', amen 'when I look at you I see the stand you take, it inspires me to take a stand too.' Compliment one another, amen!

Spread it in the church, Hallelujah! Push the darkness out. Glory! Let the light accumulate - let the light accumulate. You will see signs and wonders and miracles. The love of God moving among you, where you could eagle to eagle, take your brother's hand, take your sister's hand, you'll come to that dynamo of power moving in the people! One mind, one accord, yes! Hallelujah! You'll see a church start to get airborne.

You're seeing people's body language when they're coming down to service. They're going back out, when they greet each other, you see sparks. They're like live wires connecting, you see sparks! Oh brother, I tell you amen! Isn't that the kind of church we ought to be in this hour? How many, purpose to make a difference, tonight? That's it, that's it! Hang in there, press! Make

a difference! You can make a difference! You have it in you to make a difference. Yes! Glory! Oh thank you Lord!

Let the musicians come. We are out of time here. This is the night of your Second Seal amen. The Word, Michael with the sharp two edged sword, Oh my! The Day of the Lord, the Day of the Lord, what a time friends! What a time, what a time! Hallelujah! Strong is the Lord that executeth His Word.

*And the Lord shall utter his voice before his
army, for his camp is very great.*

Isn't the camp of the Lord great tonight? Oh my!

For he is strong that executeth his word,

Hallelujah!

*For the day of the Lord is great and very
terrible who can abide it?*

Look at Joel. He is seeing locusts. He is seeing Trumpets. He is seeing the darkness of the sun and the moon. He is seeing the church and its condition. He's calling for repentance and consecration. He's encouraging the people with a promise of a former and a latter rain. Telling them that these two rains will bring full restoration. He is seeing that there is a people who will come to the Third Feast. They will have the corn and the oil and the wine. He's talking about the Day of the Lord. He's talking about the woes and the Trumpets. He's talking about **Demonology** and **The Ministry of Angels**. What were those locusts? What do you think the Lord in Mt. Zion is? Hallelujah! Glory! He is seeing these things, amen.

Look how we went to the Book of Judges. Wasn't that amazing? From Joel we went to Revelation. We found the locust invasion. We found the rain, a day of clouds. Dark clouds come out of the pit, bright cloud come down from Heaven. Hell opened, Heaven opened, hallelujah, Glory! We found the Prophet messenger between the Sixth and Seventh Trumpets coming with two rains, hallelujah! We found that the people rejected His Voice in the days of the Voice of the Seventh Angel. They loved the signs but they didn't love the Voice. They didn't obey the Voice. He was the mouth piece of God, the Voice of God in the last days;

the Voice of the sign, the Voice with 'Thus saith the Lord', hallelujah. Amen, we found those things in Revelation.

But when we went to Judges, we found - look what we found in there. Everything in Joel and everything in Revelation, we find it in one scene. At harvest time, they come out like locusts without number and entered the land to devour it. Three powers, hallelujah, we found Seven Church Ages. We found the organization, man made organization, building dens and caves and strongholds, hallelujah, under the Armenian age, trying to save themselves by works in the time of the reformers; reformation not restoration.

Then we found at the turn of the twentieth century, 1906, God had given the increase. The Holy Ghost fell in Azusa Street, but in three years the locusts started to devour that too. We found those things, hallelujah!

But in 1909, a Prophet was born who was going to be sent out after the Sixth Trumpet. We found two woes after the Pentecostal age, after the increase, World War I and World War II. We found the great depression, economic depression in the land, at harvest time, glory! Naomi coming back in the home land after World War II to prove it was the beginning of barley harvest, harvest time, Amen! Glory! And she started to come back. Showers of former and latter rain. Mechanics and dynamics in the ministry of a Prophet between the Sixth and Seventh Trumpets. Went off the scene 1965, rejected, despised, forsaken, hated, dis-fellowshipped. But we found the Angel of the Lord had followed the Prophet's Message, hallelujah. **It is I, Be Not Afraid, 1976, It is I Be Not Afraid.** 'Then opened He their understanding', amen. By the time we come to Sunday, it will be the 21st. It will be the Fourth Seal.

March the 21st 1976, I stood up in Fran Street. Brother Carl and they came down. The car had turned over. And I preached the morning, the seed had never been sown, a false teaching went forth. I said 'We have to start over on a new foundation'. It caused a small disturbance. Brother Neville's mom got angry but that day, Sister Jean Nunez was baptized on that day, as a sign that we were starting over. The old thing was being washed away to move on in the newness of life. That was the Fourth Seal, the voice

of the fourth living creature. Eagle anointing to open the Bible, open the understanding.

May the 16th, **It is I, Be Not Afraid**, then opened their understanding, September the 19th 1976, 27A Colville Street, hallelujah! I don't have it written down. It's written down here! [Points to his heart] The 13th, 14th and 15th of May, 1977, **The Move is on**. It is still on tonight - It's still on tonight! We have the fruit to show it. Hallelujah! We receive the rains to produce it. It's not by might or by power but by His rain that He sends down, His former and latter rain. All hell came against it. 'But He was dumb before His shearers, He opened not his mouth. And David behaved himself wisely in all his ways, and the Lord was with him.' And Saul got scared. It won't produce bad behavior. That's right!

Then God says, 'go out in the region'. And where there was no church some Gentile warriors, a little Gideon group, hallelujah, began to blow the trumpet throughout the region and Tobago was gathered after them. And then Princes Town was gathered after them. And Cedros was gathered after them. And Tobago was gathered after them. And Grenada was gathered after them. And St. Vincent was gathered after them. And Dominica was gathered after them, hallelujah! And Barbados and St. Lucia, hallelujah!

Why? They were hearing a Trumpet sounding, showing a locust invasion in the land and gave a testimony that the Angel of the Lord has come back for the second ride. They heard about the Burnt offering. Lay down your head. Lay down your feet. Lay down your fat. Lay down your inwards. They heard about the Super Sign at harvest time, **End Time Sign Seed**, glory! Yes sir! 1979 back there 'Go to Sword Mountain – go to Sword Mountain.' On Sword Mountain – on Sword Mountain, prayer was offered. Go back next year 1981, **Dove Leading Eagle**, Dove Cove.

Go to Tobago 1986, there is a Mystery in **On the Wings of a Snow White Dove**. Open it up. You can say it. Amen! Go and speak it. Father, I pray let the Dove lead. Yes! I am walking you back in your history. I am walking you back the way you came. When he was coming to Jordon, he stopped two thirds of the

journey, he looked back and he watched the way he came. He watched the way he came.

And then we come down to Ephesians, amen! We come down to Ephesians. All last year, **Things That Are to be, The Ephesians**. And as you moved into 2010, **Stars Wars**; ‘Go in the book of Joel.’ Amen! Watch how you grew; see where your corn came from. See where your wine came from, see where your oil came from, see where your rains fell. Know it’s I in the midst of you. Know there is deliverance in your midst. Hallelujah! Glory!

Then that Word Sunday night, in the Book of Judges, you find the Trumpets. You find the woes. You find the rains. You find the locust. You find the ministry of the Sword of the Lord. You find the three powers at harvest time. You find the threshing between reaping and garnering. You find the hour of temptation where the ministry of the Sword of the Lord comes out. You find the dreams, angelic visitations, revelations, vision, prophecy, signs and wonders to that little group in the second ride. That’s right.

It’s nice when He comes back after and reveals what happened, so you could recognize it’s the Lord’s doing. It’s marvelous in our eyes. Look what he made out of nothing. Look what He formed out of clay. Look at His thoughts concerning a people. Praise His mighty Name. Don’t be afraid, I knew I wasn’t going to be able to get everything... I knew that ahead of time. Amen. Pick it up from tomorrow and go into a next octave. Amen.

But the thing we enjoy is His Presence. That’s right! That’s the wonderful thing. But as we go down into this Day of the Lord, I’ll show you that after the two signs went forth, the third one, he took the rock and threw it up and judgment started. As Moses was given two signs, you will be given two signs; and knowing that the signs, the people would rally for it but not the voices; because there were voices coming out under those signs. Under that second pull he said, ‘The same Holy Spirit that told you what your name is, what your sickness is, pronounce you with ‘thus saith the Lord’, is the same Holy Spirit that will tell you that your baptism is a false baptism’.

They loved the signs for the healing but they didn’t love the Voice that went with it. He said the same Angel that told me what

your sickness is, is the same Angel that told me these things in the Bible. This Angel of Rain, He will come to us as the Rain. This Angel will come clothed with a Cloud and a Rainbow. The Voice of Thunders, whose doctrine will fall like rain, the same Angel Who was performing miracles is now revealing Truth, teaching the Bible. 'Whenever He speaks to me, it is always the Bible', he says. He said, 'I am just one standing near. It was He - It was He - It was He. It was He in the cave. It was He in Houston Texas. It was He by the river. It was He Who gave me the visions to go to Arizona. It was He Who opened those Seven Seals'. He said, 'I was just one standing near. He just used my voice to say it. I am here to declare Him. The Angel of Rain; miracles, signs and wonders and the teaching of the Bible.

What a great things, friends; that has come forth in these last days. And when they turned that down, March the 27th 1964, God said, 'Take the rock and throw it up in the air'. He said, 'You have to do this to start it off'. And like a funnel, it came down, made three blasts, spoke three words. The men heard the blast, he said, 'I heard the words'. The men said, 'Brother Branham is this, what you were talking about? What does it mean?' He said, 'Ahh, God appears in whirlwinds'. He said, 'I didn't know if to tell them, but I went and prayed and God said, 'You can tell them'. "I said, It said 'Judgment striking west coast'." He said, 'Then watched the earthquake starting all down that west coast.' He said, 'Mercy has been spurned, judgment will start in the earth'. Just like when they turned down Moses, they wanted an Egyptian voice. They wanted the impersonators, Jannes and Jambres, reprobates concerning the faith. And God told Moses, 'Pour some water on dry land'. Now their land, the land of the birth of the Prophet will be filled with judgment. That's right.

Watch it today, all kinds of troubles, every kind of troubles. Last couple years was fires, earthquakes, floods, snow storms, bad harvests, economic troubles, more and more and more. The land has been filled with homosexuals, every state, same sex marriage sweeping the country, people given over to a reprobate mind. Country filled with obesity. The minds of the young children are gone, had it in the news this last week. They don't know anything

about Mathematics. They know nothing about Science. America is one of the lowest countries in some of those subjects. Drugs in the schools, maniacs, serial killers everywhere, that's right. Deceiving their own people, took away their rights under disguise of the war on terrorism.

People are losing millions of jobs and millions of homes. Since 2008, the subprime mortgage crisis. Sure! And it continues to spiral on. Why? The rock was thrown up. They rejected a Prophet like Moses. All those ministers came to challenge the Word. All man forsook him. Remember America is the Pentecostal age. That's where the Pentecostal church is. That's where they had the revival. In the United States. Remember the USA church was going down into hell, witchcraft, dancing to rock and roll music. See what all the Harry Potter and things did? See the new culture among the young people? That's right. It's gone.

Then 1965, he stood up there preaching, the priest handed him the Book. He was talking about how the page stuck in the Bible, then the Voice spoke out of Heaven audible, 'And he went into Nazareth to read. The priest gave him the Book to read.' He caught it. Jesus read the acceptable year and closed the Book. It was time for **The Day Of Vengeance**, April the 18th 1965.

After that in February the Holy Spirit said, 'You are looking at that picture the wrong way. Turn that Cloud to the right angle.' And he saw Christ, wigged. He said, 'Look His beard. Look His mouth. Look His face. The angels themselves were His wig'. That's right. And there He was. He said, 'That's what I saw in vision, 1960, when John Kennedy was elected. And He told me to go into the Book of Revelation. And when I came to chapter 1, I couldn't interpret, Jesus with a white wig, hair white like wool'. He said, 'I called up Jack Moore'. I said, 'Jack, what does that mean?' He said, 'Oh, Brother Branham, that's Jesus in His glorified condition.' He said, 'It didn't ring a bell, sounded good for a theologian.' He said, 'I began to pray and a vision broke'. It takes God to give vision on the Scripture. 'I saw the ancient judges, when they were going to convene court they put on that white wig'. That's what John saw. He was transported into the

future day. And when he turned that Cloud to the right angle, here it was.

God let him go blind, '63, '64 but during that time, God threw the rock up, made him throw the rock up; made the priest hand him the Book. When that came, he understood, he said, 'Look what He's showing unto us. Look the time we are in. The Supreme Judge, One like the Son of Man in the Lord's Day.' How that confused so many in the Message. I remember back in 1980 in Barataria, when I began to preach **Entering into the Seventh Fold Glory**, when God opened up that to me.

I remember the time also I went to Canada the first time, preached in Bro. Byskal's church. The church had a split over that very thing. He said, 'How could you say that?' He and Bro. Tom took me out for breakfast. He said, 'This caused a lot of disruption in the church and it looked like the church was broken.' And when I began to share the Word, he said, 'I will put up a board for you, tonight. Will you come and teach it in the church?' Came the next night and began to teach it. Amen. What a time friends.

So many accused me and said, 'Ah, you're preaching mercy is over, saying we're being judged now.' But when He came to Abraham as Judge, mercy wasn't over because Abraham pleaded Lot's case and got Lot and his family out. When I preached **Standing in the Gap - Intercessor in a Time of Judgment** - how you could stay the wrath of God. How a mediator must understand God's claims of justice and man's needs, that he could bring a sinful man and a holy God together.

The Lord's Day - the Lord's Day. That's why a lot of things have been happening. Many don't understand. But here we can see in the Book of Joel how they are gathering for Armageddon. How the locust invasion is moving, how the Former and Latter Rain is coming to bring the restoration. All those things, in Joel and Revelation. But then in Judges 6 and 7, both Joel and Revelation meet in Judges, in the days after the going of the Prophet and before the showdown.

What great things the Lord can show to us if we have spiritual discernment to hear His Voice, recognize His Presence, discern the Holy Spirit that is speaking. Searching the Scriptures, to see

whether these things are so, how the plan for the age is unfolding. But there is a Spirit among the Bride, opening the Scripture, opening our understanding, quickening the revelation, lifting the church up, amen.

We can see all these things. In the realm of politics, it's in the Trumpets. In the realm of the church that have rejected the Message, we can see the Vials. They are coming in to be incarnate with demon power, because rejection of the Word makes a way for the devils to become incarnate. Amen. And to see the Bride under these last showers, he said, 'When Abraham received his last shower, the angels left and he and Sarah were changed and the Sodomites were burned'.

When those last showers came in the days of Noah, the world was gone. The raven was loosed to feed upon the dead bodies. Eat them out of existence. But Noah and his group, those eagles, were shut up in the ark on the Seventh Mountain, before they went into the new world, being led by the Dove, being ministered to.

When Gideon got them last showers, Manasseh was gathered, Naphtali, Zebulun, they had the Sword and they rose to face the challenge. When the enemy was coming like a flood, God raised a standard. When he started he couldn't grasp the revelation, took him a while to break through his hindrances. But God was giving revelation upon revelation, to take the fears and doubts out of him that he would come to the place that God's will concerning him was going to be fulfilled. That's the elect friends.

He is driving fear from you, putting faith in you. He is perfecting what is lacking in your faith, so that you will not fail in this hour. That's right.

Let's sing *Speak and don't doubt*. I trust you appreciate being here, tonight. All through the Book of Joel, He is speaking about the Lord's Day.

Speak and don't doubt

Just believe in your heart

In your heart. Speak and don't doubt

Speak and don't doubt

Till His Word comes to pass...believe this, friends. Whatever thing you desire...

Whatever thing you desire in your soul

You just believe

That my Lord, He will perform

Oh, Joshua spake to the sun

And he said, sun stand still!

It's all because He knew

who He was

He knew who he was

Oh Bride, let us speak His Word. Under this Seventh Seal let that Sword, that fire come out of your mouth, tonight.

Having known who we are

Revelation 10:8...

...to 11 that's who we are

You believe it.

We have arrived

At that junction in his Word

Amen, we have arrived

Where something must give way

The faith of God

Oh, That is locked up in our hearts

We'll speak this very Word

We'll see his glory pass...Just like Moses saw It pass by the cleft of the rock.

Oh, Joshua spake to the sun...You could speak to the SON, tonight. You could stop the SON, greater than Joshua. Greater to stop the Creator than the creation.

It's all because he knew who he was

Bride let us speak His Word

Having known who we are

Revelation 10:8, that's the living descendants, the ones who are given back the title deed.

Our Prophet spoke and he believed

The Word

Our Prophet spoke and

squirrels did appear...I believe it.

God's redeemed church tonight - of which you are a part.

Has reached up to that sphere - taken up out of the humanistic realm. Take us into the realm of revelation and vision.

Inside that little room

Where the power cannot fail

Oh, Lift your hands and sing it

Joshua spake to the sun – in the Ephesians, a man in the Ephesians, a man that followed the exodus prophet and crossed over into that new land.

It's all because He knew... He came to that knowing under the voice of that Prophet.

Bride...Hallelujah!

Having known who we are - He has taken away your amnesia, shown you yourself in the family album.

Revelation 10:8 to 11 that's who we are.

Enter in there...tonight, would you? The royal priesthood could go in there.

Where the light went in that room...Go beyond the veil tonight.

Enter in there

Where the angel said he'll meet you

You'll come out whole

With your crutches in your hand

Leaping and praising God

For there's power in that room

Oh, Joshua spake to the sun

And he said, 'sun stand still!'

It's all because

He knew who He was

Oh Bride, tonight

Bride let us speak His Word

Having known who we are

Revelation 10:8 to 11 that's

who we are.

Hallelujah! It was back in Barataria in the early eighties. Our brother Wayne Cadogan was home on his back, he couldn't move. Afflicted, couldn't come to service, confined to the bed. He took up the Seven Seals Book and he was reading, in the Seventh Seal where the Prophet spoke about how that unknown language flew passed, made a cycle and came back around. And while he was reading that, something spoke to him and said, 'That's what is happening in the church. That Second Cycle is here'.

And when it struck him, he leapt off the bed, said, 'Majorie, Majorie! Look I was reading this!' And he flew up to church wanting to testify. And he began to testify and then he sang this song, *Speak and don't doubt. Revelation 10:8 to 11, that's who we are*. God confirming that to him, by experience, by revelation, by the confession of his faith. And He immortalized it with this song, that in 2010, I still remember the morning.

Those days I've been preaching in the church back from 1980. One by one, God was giving people the experience. Our Bro. John Simon, one of the early ones too, always testifies how the Angel of God passed through Penal that day. It was the days of consecration. And He came here like a ball of fire. He had his personal visitation, his personal revelation, his own rock confession that these sayings were faithful and true. Amen.

Because coming through that **Joshua's Commission** and those messages is being magnified in the sight of the people, amen.

When God filled that place with His holy smoke, those ministers ran out the building looking to see if somebody was setting a fire. I was preaching and watching it coming from behind, beginning to fill up the building and I didn't stop, I kept on preaching. And Sister Mary and Sister Phillips and all of them who were there testified of visitations in the meeting the Pillar of Fire appearing to many in that meeting.

We still stand here looking back at those times. Satan was so mad. Many of you who were in different churches, Satan put up his scarecrows. Made people feel some crazy thing was going on. I remember when Bro. Fredricks came from Laventille. And when Bro. Fredricks heard the Word he said, 'But they are preaching the

Word. They way we heard about this, I would think that it was some strange thing not even in the Message’.

But from the beginning this was as sane as sane can be. This was always on the Scripture and the Message. And that’s why it survived. It had no ambition. It didn’t try to break up churches. It didn’t present personality. It didn’t have funny things in it. And to this very hour, it is still direct on the Scripture and the Message. It is becoming clearer everyday.

Let’s sing the chorus again as we invite Bro. Kenneth Renwick to come and pray.

Joshua spake to the sun,
And he said
It’s all because
He knew who he was
Bride let us speak His Word
Having known who we are
Revelation 10:8 to 11,
that’s who we are

As our brother would go to pray, throughout the region, throughout the congregation here, have faith in God. You have a special need tonight; hold it in your heart. There is power in a praying church, *‘If two shall agree as upon touching anything’*. It’s not just his prayer. It’s the prayer of all of us together, united in one mind, in one accord, holding these requests in our hearts, that which you have written before the Almighty God who gave the promise. He is able to perform that which He has spoken. He is reliable and dependable tonight. He can be trusted. Let us rally together and believe. Whatever you have need of, let God give it unto you in the Name of Jesus Christ.

(Bro Renwick prays)

Amen. Amen, why don’t you turn around and greet your brother and your sister. Praise His mighty Name. Hallelujah! Amen. We have our Brother Florian here from Dominica. God bless him. Amen.

As Brother Bishop comes. Amen. Hallelujah! I feel I could hear a little singing before I go tonight. It doesn't have to be much, it could be one.

6:30 tomorrow and 2:30 on Sunday, let's all try to be out tomorrow by God's grace because we sacrificed the week to have the meetings on the weekend. I trust that God gives you grace and work everything out very nice for you, so that we can have another wonderful time in His Presence. Amen.
