[#366 - Songs That Live -Ed.]

*There is a Fountain that frees the soul from sin.*

*Come to these waters;*

*There is a vast supply.*

*There is a river,*

*That never shall run dry.*

Amen. Shall we bow our heads and close our eyes? We have a couple of prayer requests: Sis. Vernice requests prayer for a painful neck ailment, which has made it difficult for her to bend her head forward. She is at home tonight. Also, Bro. Trevor requests prayer for one Mr. Guy, who is mentally ill, and presently warded in St. Ann's Hospital. [Local mental institution -Ed.]

Our Heavenly Father, we stand in this late Hour, and oh God, we see the oppression of the enemy, Lord, coming with all his might against the Church; but Lord, it just gives us the assurance that the Promise is at hand. We come with great determination in our hearts tonight, to press through into that blessing, Father, for Lord God, as the Light shines upon the Word and the Way becomes clear, we see that it is right before us. We pray that the Spirit of Divine revelation will move into every heart tonight, and Lord God, give such overcoming faith in the hearts of the people, that it will lift them up over every hurdle, Father, and push them on into the promises of God.

Father, here we have these requests tonight, and I pray in the Name of Jesus Christ, that the great Holy

Spirit that is present amongst us, even now, will go out to these that are needy, Father, and touch them and make them whole, in the Name of Jesus Christ. For it is written in the Bible, “You sent Your Word and You healed them;” and we know and are persuaded, that You are the same Yesterday, and Today, and Forever.

Heavenly Father, speak to our hearts tonight, and get honour and glory in this service. We see that Your Holy Spirit is shining Light upon these Things, revealing these deep, hidden Things, Lord. Lord God, how it behooves us in this Hour, when we see these Things are being made plain; it just, Lord God, alerts us that this is the Hour, Father, oh God, when the door is fixing to swing close. Lord God, may the Spirit speak so expressly tonight; and he that is athirst, let him come and drink of these Life-giving Waters. We ask it tonight, in the precious Name of Jesus Christ, for Your honor and for Your glory, amen.

Could we turn to our Bibles tonight. I would like to read out of Revelation Chapter 9, also Joel Chapter 1 and Exodus 10. I'd like to begin reading from verse 1 in Revelation Chapter 9. We have quite a lengthy Scripture reading, but I may not get the opportunity to refer back to these things, so I will just like to – by the Scripture reading – to cover all that we'd like to speak tonight.

Reading from verse 1, Revelation 9:

*<sup>1</sup> And the fifth angel sounded, and I saw a star fall from heaven unto the earth: and to him was given the key of the bottomless pit.*

*<sup>2</sup> And he opened the bottomless pit; and there arose a smoke out of the pit, as the smoke of a great furnace; and the sun and the air were darkened by reason of the smoke of the pit.*

*<sup>3</sup> And there came out of the smoke locusts upon the earth: and unto them was given*

*power, as the scorpions of the earth have power.*

*<sup>4</sup>And it was commanded them that they should not hurt the grass of the earth, neither any green thing, neither any tree; but only those men which have not the seal of God in their foreheads.*

*<sup>5</sup> And to them it was given that they should not kill them, but that they should be tormented five months: and their torment was as the torment of a scorpion, when he striketh a man.*

*<sup>6</sup> And in those days shall men seek death, and shall not find it; and shall desire to die, and death shall flee from them.*

*<sup>7</sup> And the shapes of the locusts were like unto horses prepared unto battle; and on their heads were as it were crowns like gold, and their faces were as the faces of men.*

*<sup>8</sup> And they had hair as the hair of women, and their teeth were as the teeth of lions.*

All that is the description of the locusts.

*<sup>9</sup>And they had breastplates, as it were breastplates of iron; and the sound of their wings was as the sound of chariots of many horses running to battle.*

*<sup>10</sup> And they had tails like unto scorpions, and there were stings in their tails: and their power was to hurt men five months.*

*<sup>11</sup> And they had a king over them, which is the angel of the bottomless pit, whose name in the Hebrew tongue is Abaddon, but in the Greek tongue hath his name Apollyon.*

*<sup>12</sup> One woe is past; and, behold, there come two woes more hereafter.*

*13 And the sixth angel sounded, and I heard a voice from the four horns of the golden altar which is before God,*

*14 Saying to the sixth angel which had the trumpet, Loose the four angels which are bound in the great river Euphrates.*

*15 And the four angels were loosed, which were prepared for an hour, and a day, and a month, and a year, for to slay the third part of men.*

*16 And the number of the army of the horsemen were two hundred thousand thousand: and I heard the number of them.*

*17 And thus I saw the horses in the vision, and them that sat on them, having breastplates of fire, and of jacinth, and brimstone: and the heads of the horses were as the heads of lions;*

Now remember these horses were locusts (right) that came out of the smoke, out of the bottomless pit. ...and out of their mouths issued fire and smoke and brimstone.

*18 By these three was the third part of men killed, by the fire, and by the smoke, and by the brimstone, which issued out of their mouths.*

*19 For their power is in their mouth, and in their tails: for their tails were like unto serpents, and had heads, and with them they do hurt.*

*20 And the rest of the men which were not killed by these plagues yet repented not of the works of their hands, that they should not worship devils, and idols of gold, and silver, and brass, and stone, and of wood: which neither can see, nor hear, nor walk:*

*21 Neither repented they of their murders,  
nor of their sorceries, nor of their fornication,  
nor of their thefts.*

Also Joel Chapter 1, reading from verse 1:

*1 The word of the LORD that came to Joel  
the son of Pethuel.*

*2 Hear this, ye old men, and give ear, all ye  
inhabitants of the land. Hath this been in  
your days, or even in the days of your  
fathers?*

*3 Tell ye your children of it, and let your  
children tell their children, and their children  
another generation.*

*4 That which the palmerworm hath left hath  
the locust eaten; and that which the locust  
hath left hath the cankerworm eaten; and  
that which the cankerworm hath left hath the  
caterpillar eaten.*

Now all that is one insect. Amen? Those are just four stages of one insect.

*5 Awake, ye drunkards, and weep; and  
howl, all ye drinkers of wine, because of the  
new wine; for it is cut off from your mouth.*

*6 For a nation is come up upon my land,  
strong, and without number, whose  
teeth are the teeth of a lion...*

Now this locust was likened unto a nation. Do you understand what we are saying? It was a nation it was referring to as a locust, like a plague of locusts coming to devour the land. That is what we are speaking about; it is just illustrating it. And we know that was a Roman spirit. It is the same locust over here, the same Roman spirit – one in the religious realm, one in the political realm.

*7 He had laid my vine waste, and barked  
my fig tree: he hath made it clean bare, and  
cast it away; the branches thereof are made  
white.*

I just want to drop down to Chapter 2. You can read the rest when you get home – there in Chapter 1 – to save time.

*<sup>1</sup> Blow ye the trumpet in Zion, and sound an alarm in my holy mountain: let all the inhabitants of the land tremble: for the day of the LORD cometh, for it is nigh at hand;*

*<sup>2</sup> A day of darkness and of gloominess, a day of clouds and of thick darkness, as the morning spread upon the mountains: a great people and a strong; and there hath not been ever the like, neither shall be any more after it, even to the years of many generations.*

*<sup>3</sup> A fire devoureth before them; and behind them a flame burneth: the land is as the garden of Eden before them, and behind them a desolate wilderness; yea, and nothing shall escape them.*

This is the same plague of locusts.

*<sup>4</sup> The appearance of them is as the appearance of horses; and as horsemen, so shall they run.*

So these same locusts are like horses, but they breathe fire. Everything is devoured before them. There is a flame; “A fire devoureth before them and a flame behind them.”

*<sup>5</sup> Like the noise of chariots...*

It is still the locusts, just like in Revelation.

*<sup>5</sup> Like the noise of chariots on the tops of mountains shall they leap, like the noise of a flame of fire that devoureth the stubble, as a strong people set in battle array.*

*<sup>6</sup> Before their face the people shall be much pained: all faces shall gather blackness.*

*<sup>7</sup> They shall run like mighty men; they shall climb the wall like men of war; and they shall*

*march everyone on his ways, and they shall not break their ranks:*

*<sup>8</sup> Neither shall one thrust another; they shall walk everyone in his path: and when they fall upon the sword, they shall not be wounded.*

*<sup>9</sup> They shall run to and fro in the city; they shall run upon the wall, they shall climb up upon the houses; they shall enter in at the windows like a thief.*

*<sup>10</sup> The earth shall quake before them; the heavens shall tremble: the sun and the moon shall be dark...*

Because these same locusts that had come out of the bottomless pit, were an army of supernatural devils that darkened the whole sun. Amen.

*...the sun and the moon shall be dark,  
and the stars shall withdraw their shining:*

We are going to stop here in Joel and just go over to Exodus. And Exodus is when Moses brought a plague of locusts here, when Israel was being called out of Egypt, to go back into the Promised Land. Amen? And this is just a type here again, how it was that Israel was called out from all the nations, back into the Promised Land. But I want you to see how it was; what brought the persecution to send them back into the Promised Land. All these things that were happening back here, like hail, and blood, and fire, and locusts, and all these things in Exodus, when God was calling out Israel, were the same things back over here in Revelation.

Exodus 10, reading from verse 12:

*<sup>12</sup> And the LORD said unto Moses, Stretch out thine hand over the land of Egypt for the locusts, that they may come up upon the land of Egypt, and eat every herb of the land, even all that the hail hath left.*

*<sup>13</sup> And Moses stretched forth his rod over the land of Egypt, and the LORD brought an*

*east wind upon the land all that day, and all that night; and when it was morning, the east wind brought the locusts.*

*<sup>14</sup> And the locusts went up over all the land of Egypt, and rested in all the coasts of Egypt: very grievous were they; before them there were no such locusts as they, neither after them shall be such.*

*<sup>15</sup> For they covered the face of the whole earth, so that the land was darkened; [they were so much in number] and they did eat every herb of the land, and all the fruit of the trees which the hail had left: and there remained not any green thing in the trees, or in the herbs of the field, through all the land of Egypt.*

*<sup>16</sup> Then Pharaoh called for Moses and Aaron in haste; and he said, I have sinned against the LORD your God, and against you.*

*<sup>17</sup> Now therefore forgive, I pray thee, my sin only this once, and intreat the LORD your God, that he may take away from me this death only.*

*<sup>18</sup> And he went out from Pharaoh, and intreated the LORD.*

*<sup>19</sup> And the LORD turned a mighty strong west wind, which took away the locusts, and cast them into the Red sea; there remained not one locust in all the coasts of Egypt.*

*<sup>20</sup> But the LORD hardened Pharaoh's heart, so that he would not let the children of Israel go.*

Let us just bow our heads and close our eyes, one more time.

Our Heavenly Father, dear God, as we have read Your Scriptures tonight, almost everyone in here can do that

because we are not illiterate people. Lord, many of us have gone to school and we have learnt to read. But Father, we realize now to receive the understanding from what we have read, it would take the supernatural working of the Holy Spirit. How we look unto You tonight, Father, that You will help us, and give us understanding, and through the understanding we might become more aware of the Hour that we are living in, of the things that are taking place.

Lord God, may You direct our thoughts in Thy Word. Lead us by Your Holy Spirit. And Lord God, may You help us, that we may see clearly the things that are taking place round about us and upon the face of the earth, that we might be a people ready unto Thy Coming. We realize that there are not many days left, Father, as we see the Holy Spirit shining Light upon these Things. Lord, speak to our hearts; we depend upon You for understanding tonight. Give it unto us, Lord. You told us how we should pray for revelation above all things; we ask for it tonight, Father. May the Spirit of wisdom and revelation come and move upon the people, move in our hearts, move in the Word tonight, that our understanding might be enlightened, oh God, that we might see the Things that are so needful that we should see; that we should not overlook them Lord; that we might recognize what is taking place and might be prepared. Grant it tonight.

Bless the strangers amongst us. Bless each and every one that is gathered in. For we ask it in Thy precious Name, for Your honour and for Your glory. Amen.

You may have your seat. We have a little note of praise here. Bro. Johnson would like to thank the Lord, for totally removing all pieces of steel from his finger and restoring his finger to normalcy, after prayer was offered last night. Amen. Also Sis. Ruth would like to thank the Lord for relieving her of bad pain and headache during the service last night. She said she came outside and

one of the deacons offered prayer for her, and after a little while she was feeling much better. Amen.

Well, first to begin, I want to apologize for keeping you a little late last night, but I was just trying to get as much in as I could get. And I trust it was a blessing to you and it is becoming plain and real, amen. I kind of took my time and tried to go slow, and I am not accustomed to that and I felt as though I was so long. And afterwards, you know, like I wasn't feeling too good about that, and then one or two people told me they really enjoyed it, so I trust it was a blessing to you. Amen. [Congregation applauds -Ed.] Because these Things, you know, that we are trying to look into, we would need the help of the Holy Spirit to speak it, and we would need the help of the Holy Spirit to understand it.

And just the Scripture alone that we read tonight, it can almost wear your mind out, you know, just trying to figure out what that is all about. But you know, as we know, if you are observing a painting, some nice painting that some artist painted, and you go right up, close up to it and you come so close to the painting, maybe a few inches away, you might be able to notice all the little brush marks and these different things on the painting; but you really would be blind to what the scene is all about. But if you kind of stand a little distance away, then you could look and you could view the entire painting and see what the whole scene is all about. Amen?

And you know sometimes in the Word of God, you want to get so close up to It and you want to understand every little, minute detail even before you get the picture of what you are looking at, that sometimes you just wear yourself out and don't see anything. So we want to kind of look first and see the picture and then keep walking slowly and observe the more minute details afterwards. Amen? Because many things here that (you know) we went into last night there – and I was trying to take a look at the history, speaking about this River

Euphrates, the great River Euphrates, and proving it by the Scripture to show you last night, that that was not a natural river.

There was a natural river called Euphrates that bordered the Garden of Eden, and that comes all through the Bible; but when it reached in the Book of Revelation, it turned out to be a spiritual river, because Babylon turned out to be a spiritual Babylon. You found Euphrates – last night – just to recap a little bit here – Euphrates had passed through Babylon in the Old Testament. And when Nimrod founded that city, Babel – the first name for Babylon was Babel. Amen. And we found out that when they came over in the New Testament, Babylon, (ancient Babylon that was) it no longer existed. Because Nebuchadnezzar, when that kingdom – after he died and Belshazzar was reigning (you know the story in the Book of Daniel), and how the writing came on the wall and it said “You are weighed in the balances and found wanting”. It was written in tongues they couldn’t interpret. And Daniel, a prophet, with the Spirit of wisdom and revelation interpreted the writing and told them that judgment was at hand.

And we found out how the Medes and Persians came in afterwards, because God had already shown it to Nebuchadnezzar in a dream, though he didn’t understand it. And then Daniel, being a prophet, saw it over in a vision; after all the great soothsayers and the magicians and all these people just couldn’t figure out what it was; a prophet of God received a revelation and interpreted what it meant. And we know for a fact tonight that that was so perfect. Every kingdom and every nation – what I was showing there were Gentile nations. From the head of gold to the toes of iron and clay were Gentile nations. And we found out that Jerusalem would be trodden down by the Gentiles, until the times of the Gentiles. Is that the Bible?

And we found out from that time down to this time, there have been Gentile kingdoms— there were four

great empires. One was (you could help me tonight) one was Babylon; one was Medes and Persians; one was Greece, and then one was Rome. And then we found out Rome was imperial pagan Rome and it was the Beast that got a deadly wound; and then somehow mysteriously, the wound was healed. Amen.

Now these services are designed for a little teaching. Alright? So we just want to kind of spend our time and go slow and teach some things here.

So after Rome revived, it revived as a spiritual empire. And we found out that Rome conquered the world, because in Revelation 17, it spoke about a city on seven hills. And if you take that geographically, historically, it would show there is only one city in the world that is on seven hills. And the thing about it; in it was found the blood of the martyrs of Jesus. Amen? And we found out... Back in history you will find out that it was the Roman Catholic Church that killed over sixty-eight million Christians back in the Dark Ages and so on; and it proved to be that city. And we found out how she had this golden cup in her hand and she drunkened the kings of the earth; and that is why she has a name written on her forehead called 'Mystery Babylon', because that is exactly what natural Babylon did.

Last time we took the Scriptures how Jeremiah, which was the prophet when Babylon was the head of gold; Jeremiah was the prophet, because Jeremiah prophesied Israel's captivity by Babylon. And Daniel and they were down in Babylon when God gave the dream. Is that correct? And the dream was a dream of prophecy. It was prophecy coming in the form of a dream. It was revealing the Mind of God for the future Ages. Amen. And up to today, we are living in that dream still, because we know just as every kingdom succeeded the other one right down, when Jesus came, He was living in the legs of iron. Is that correct? And then they wanted to make Him a king when He was here on the earth. Amen. They tried to crown Him king. How

many know that in the Bible? But Jesus, knowing the Scriptures, He had to die as a sacrifice; and John being a prophet, he said, “Behold, the Lamb of God.”

But we found out the wise men who were just magi, and they studied the stars, they knew the prophecy saying, “A star will arise out of Jacob”.

So they said, “Where is He, born king of the Jews? We have seen the star in the East and we have come to worship Him.” So they came looking for a king; but they found a Lamb, amen, not in a manger, but in the house; because He was already taken out of the manger. The shepherds were the ones who found Him in the manger, but the wise men found Him in the house.

And we found that when He came, He went into His ministry. He had to go and die for Redemption for His people, before He could bring in His Kingdom. And He had the revelation, knowing He was in the legs of iron, and knowing that the Kingdom of the God of Heaven will not come into effect until the days of iron and clay. You see? And Jesus knew that He was not in the days of iron and clay yet, because the kingdom wasn’t then divided yet. So Jesus knew, according to the Book of Daniel there and that dream that Nebuchadnezzar had there, He knew exactly where He was, so He told them, “Pray, ‘Thy Kingdom come, pray, ‘Thy will be done on earth as it is in Heaven’.”

And then when that Roman dragon there, Herod, tried to devour the child – the woman brought forth that child – it was caught up unto God into His throne. Is that correct? And when he was caught up unto God in His throne up there, here He was, sitting on His Father’s throne; not His own throne, because Gabriel said, “Unto His kingdom there shall be no end. He shall be called the Son of the Most High. He will have the Kingdom of His father, David.” Is that correct? But David was promised a throne to rule the nations of the earth, to be established in the earth; but Jesus did not have any earthly kingdom yet. He told Peter, “Put back thy

sword.” Amen. And He told him, “My Kingdom is not of this world. If My Kingdom was of this world, then My servants would fight.” Amen.

So they didn’t understand it was being revealed in a spiritual sense. Even when He was going to ascend they said, “Lord, when will Thou restore the Kingdom to Israel? We know You are the Son of David. We know You are the one in the Scripture. We know You are the Messiah.” He said, “It is not given unto you yet to know the time and the season.” You see, because Jesus knew the types and the shadows in the Bible, that He was the Son of David, like Solomon; and before Solomon’s throne was established, he had to build a House first, for God, a place for God’s Name. And after he built the House for God’s Name, then the Throne was to be established.

So Jesus came and said, “*Upon this rock I will build My church.*” And Paul said, “*I am a wise master builder who has laid the foundation.*” Peter said, “*You are lively stones building up a spiritual house.*” Amen. What was going on for Seven Ages, was that God was building a House; and then there is to be a great dedication day when the Headstone is to come back, and the House is filled with the Glory of God. Then He is going to establish His Kingdom.

So for Seven Church Ages, we have been in the time of the building of the House, a spiritual House, a holy temple, a resting place for the Ark; and we know we are about time for the great dedication day. The dedication day is going on. The temple is being dedicated. Right now the Ark of the Testimony is on the shoulders of the Levites, and they are walking ‘holy, holy, holy’ right into the Holy Place to put the Ark of the Seven Seals behind badger skins. Amen! And they are laying in that Word right now; and before they could get a chance to come back out, the Glory will come down. It could happen in this service tonight. Amen.

Because at the end of the Seventh Age, He leaves the Father's Throne to take His own Throne. It is time for His Throne to be established. Revelation 3:21: You will sit with Me in My Throne, as I overcame and sat on My Father's Throne. Amen. And how are we going to know that time is taking place? There will be a sign in the Heavens. His hair will be white like wool. He will come in a Cloud, to show we are not in the days of His Priesthood and we are not yet in the days of His Kingship, but we are changing a time, a short space of time, where one half hour is fixed. Hallelujah! And what is going on is a total secret; silence in Heaven. It is not given out to anybody but the Elected Seed; those foreordained to go in the Rapture, whose names are in the Lamb's Book of Life, will get the revelation, so they will not be deceived. Because in that Hour, everything will be deceived; but those Elect, it is impossible for them to be deceived. "My sheep will hear My voice. Come out of her, My people." Amen. And quickly they will come out, get their lamps trimmed. "Behold the Bridegroom cometh." They will hear the Message, trim their lamps, get them filled with Oil, and go in with the Bridegroom. Amen. So it is a tremendous time.

So back there in the Scriptures, Jesus knew He was in the legs of iron; and His Kingdom – the Kingdom of the God of Heaven – when that Rock comes out and smites the image in the toes, then it grows into a great mountain that will fill the earth. And that was the Kingdom of the God of Heaven. So from the head of gold to the toes of iron and clay were earthly kingdoms. Then after the toes of iron and clay; a Heavenly Kingdom, "Thy Kingdom" will come. Amen. And right now it is being revealed, because He is gathering His Redeemed subjects. "They who suffer with Me, will reign with Me". Amen. It is all going on. It is all taking place right now. And eye salve has come to anoint the Bride's eyes, to break them into Divine revelation of the will and purpose of God, of God's programme, to know

positionally where they are in the economy of God. See? Because while God is getting ready to establish His throne, there is one who is moving quickly to be enthroned also.

You know Jesus, somewhere in Luke 14 or somewhere there, was talking about two kings going to war. A little parable. Do you remember that? [Luke 14:31-32 -Ed] And He said, "They had better check the cost." He said, "Because one king is coming with ten thousand men and the other king is coming with twenty thousand." Now twenty thousand and ten thousand is thirty thousand: one king has two thirds and one king has one third. Hallelujah! One king is called Abaddon, which is Lucifer. He has an army. And another king is called Michael, and He has an army; and they are coming to war. Amen. One king had a third part of the stars in Heaven, and one king had two thirds of the stars in Heaven. Amen. Hallelujah! And it is time for the Throne to be set up. Now do you think Jesus didn't know what He was talking about? He knew very well what He was talking about. Amen.

So you find then that all these things are happening, all these things are going on, and here He is coming now, getting ready to establish His Throne. And while He is getting ready to gather His Redeemed subjects, there is another king who is getting ready to surface out of the bottomless pit, and he is going to set up his throne. He is already crowned with a triple crown. Amen. He said he is the Vicar of Christ on the earth. He said he has jurisdiction over Heaven, earth and purgatory – some fictitious place, where he gained the wealth of the world by making people believe it existed. Amen. Hallelujah!

So then here it is, he is going to surface and be worshiped in the temple as though he is God. Now it seems kind of strange how that is going to happen, but you see, you wonder how people could just fall for that kind of deception. But you see, many people will be

pressurized into it too, because of money, because the wealth of the world is what controls the economics of the world today. That is where the power to rule this world lies. And that king has it. He has it all stored up right there in the Vatican City. Amen.

So it is a great time, and a lot of things are happening. But the real Church, as we found out last night, before that other king, that false king, could set up his throne, set up his kingdom and bring a persecution on those people and wipe them out...

You know Jesus told another parable about this great man who had this great vineyard; and in his vineyard, he sent some servants to see about it. Amen. And then the hired hands on it, they ran the servants off, and they killed them and they said, "Let us take it for ourselves." And then finally the man sent his own son. And when he sent his own son, they said, "Look the heir of it came. If we kill him, we could have it for ourselves." Alright.

Now this earth was the inheritance of the sons of God. And Jesus said in the parable, that was the prophets He sent to them all along. But Lucifer wanted to set up his kingdom on the earth because he couldn't do it in Heaven. He was cast out of Heaven when he tried to have – what is the word – a coup? Amen. He tried a revolution up in Heaven; but you see up in Heaven they don't stand for that kind of business. Hallelujah! So Michael went to war. Hallelujah! And He fought the dragon, and the dragon's place was not found any more. Hallelujah!

Now watch something. So then, here it is all down through, when the Lord Jesus Himself came, they tried to kill Him off. Amen. And finally here it is now, Satan is getting ready to set up his kingdom on the earth. He has been building it for two thousand years, amen, building it through organization, through denominations. You see? And this is where many people – and if we have any visitors who might be a denominational believer, may God help you tonight, to

see and understand from the Scripture what God's original programme is, and to see that God has not deviated from His original programme; and to see that organization was not part of God's original programme. God has nothing to do with it whatsoever. Amen. God has a Kingdom, that people are born into by the Holy Spirit. Amen. Hallelujah!

So notice something. So here it was in this Hour, he is getting ready to set up his throne on the earth and rule the earth. And while he is getting ready to do that, he has a plan for the real heirs of the earth. Because the Title Deed has come back to us, and we stand upon the earth tonight with the evidence, with the legal authority that this earth is our property. There are people standing upon the earth with the original Spirit that would have been in them, had there not been a fall, tonight! They are standing before God, just like Adam was before the fall. Amen! And they stand there and God recognizes them to be the gods of this earth. God recognizes them to be descendants, amen, of the one whom the earth was given to.

But we found that while the deed has come back to them, Satan has no deed, but he is a squatter and his squatting days are over. But because he worked so hard to achieve what he achieved and his full plan is not completed yet, he decides to go about it anyway. He is not going to recognize those who have the legal authority. Now he will have to bow to them, but you see, he is so obsessed with his own plan and he didn't anticipate that the title deed would have come back to them, and they would have recognized that they had that treasure in earthen vessels and they stand as the real gods on the earth. He didn't anticipate that. He thought he would have been able to be established and then he would have full control over the earth, and he would have killed out these here, when he got the power of the State in his hands.

So he moved quickly to get church and State together, so he could get rid of them quickly with political power. Because he tried to deceive them all along, and kill them with spiritual death; but somehow a Message always got through to wake them up, to pull them out, to enlighten them of the plan of deceit, of the mystery of iniquity that was working. Amen. So there was no way. Every time the Devil tried a move to get a hold of them, what he ended up getting was just the shuck, just the carrier; but the Life kept moving on. Amen.

So here it is now, when he is getting ready to set up his throne and he is coming there, he is making a move to kill them out. And before he could make that move, our King, the real King sees and knows the plan of the enemy. He fought him up in Heaven; and that battle that was fought in Heaven is unfolding down. What took place in Heaven in the spiritual sense, has been unfolding down for six thousand years. So as we live out this mystery, it is revealing what took place up in Heaven, because the battle dropped down in the realm of humans, came down through Seven Ages, amen, when Michael had seven angels in the Seven Church Ages. And there were overcomers in every Age; and in every Age the Trumpet sounded, and when the Trumpet sounded, it meant "Prepare for war". If the Trumpet gives an uncertain sound, who could prepare for battle?

So there was a Scriptural war in every Age! And every time the Devil rode, God sent out an Anointing to combat it. And it is a great battle; it is really intensified tonight. Amen. As we were saying last night, you just watch right there between Iraq and Iran where the hottest battle on the earth is going on right now; and that is right on the border of the Garden of Eden, in the natural sense of it. Then here is the Church right up on the verge of the Promise. Amen. And the battle is hot and heavy, hallelujah, but they are predestinated to overcome. Amen. So it is a real tremendous time, and

the believer is being tuned in to what is happening. Amen.

So here it is now, our King dropped down unknown to him. You see, because both of them fought all the way down through Heaven; and He knows his tactics, because He is the One Who taught us the tactics of the enemy. He is the One Who warned us, "The Devil is like a roaring lion, trying to devour who he may." He is the One Who told us, "Be not ignorant of the devices of the enemy". He is the One Who showed us how to try the spirits. He is the same One; and here He is unseen.

Now Lucifer doesn't know He is here. You see? And the church world doesn't know He is here, because the way Lucifer had it figured out, He was going to come in the sky and say, "Hey, here I am!" And all the world would look up and see Him in the sky. But the way it is being revealed to His believers, is a threefold mystery. Amen. And He is doing it veiled – en morphe. Amen. And you are seeing Him in the fulfillment of the Word, hallelujah, because He gave His believers a sense to see the unseen. Hallelujah! And no matter how Lucifer could try to do it with his church, he can't get them into the unseen at all, because he can't give them a New Birth. He could give them a false birth; he could reform them; but he can't bring them into the unseen.

But here by the power of Divine revelation that is given to every believer, a clear channel between them and God, God is revealing to them what is happening. And that is why the believer's walk could be maintained in the Spirit, because of a revelation, because of a channel of communication with them and almighty God, and a channel of the Word being revealed unto them. They could commune with God through that channel. Amen. And they could maintain their walk in the Spirit because He has opened the rock beneath the rock; He has shown them His program for this day, amen, the Church that is called, because faith is a sense designed to reveal to you the will of God.

Remember we took that quotation a couple of weeks ago there, *Looking To The Unseen*. Faith is designed, and it is given to you specifically for that purpose. That is why there is no prevailing power as the revelation of the Word. Amen. You could maintain your walk in the Spirit. Amen.

And here we found out, just in this Hour, as he is making a quick move to get himself established, and to come with the power of the State to destroy the real Church, God has come down. Michael Himself has dropped down in secret, amen, and is making Himself known to His true believers, His army, that He is here: "I am now come as the captain of Lord's host". The Philistines saw Israel as a little bunch; and they stood behind their walled cities and they thought they would give them a fight and a run for their money. And all those kings were desiring to gather together at one time to come against Israel. They said, "We are going to come together and we are going to wipe them off the earth!" But they failed to realize the King was amongst them, unseen, Amen. Hallelujah! That great One was fixing things (Hallelujah! See?), moving around unseen, the secret agent Himself, the Holy Spirit.

And that same Holy Spirit is here among the believers, quickening to them by Divine revelation, has us in sessions like these, revealing through the Word mysterious things, speaking to your hearts, making it plain unto you, alerting you, getting you ready; letting you see what is happening, focusing the light upon all the movements of the enemy; showing you where you ought to be in this Hour, showing you what God is doing. It is just putting you right in step. See?

So here we are; and it is a time here when the Devil thinks he is going to come and bring a surprise. He thinks he has the world deceived, and they don't know he is going to unite church and State, and what the Mark of the Beast is. And He is giving them little smokescreens to make them believe that the number

666 and the toothpaste and all these things are the Mark of the Beast. You see, because a lot of people know about 666, but what they fail to realize, is that it is the very system that they are in. They fail to realize that all that is just a stream off the spiritual Euphrates. They are a branch in that Babylonian tree. They fail to realize that. You see? And because they have failed to realize that, here the real Church is being alerted.

So he is not going to spring any surprise on us. When he comes, he will be in for a surprise, because he will find a little bunch here, the Anointed, called-out Church filled with the Holy Ghost, who will take the Word and hand it there. Amen. It will flash like lightning. Hallelujah! Because right now, those seven mysteries are uttering their voices to the true Church, amen, lifting them up in the Power of God; rubbing the make-belief out, making Her recognize Her position in the Word, bringing Her to a Perfect Faith.

And here we are being made ready for it, ready for an invasion, ready for an attack. Amen. And you know that when an army or a nation is being alerted for an invasion, is being alerted for an assault of the enemy, brother, those soldiers are stern. Hallelujah! Every man is on their p's and q's. You know what that means, amen – they are fully alert. Hallelujah! Every man's eyes are peeled; every man's hand is on their weapon. Hallelujah! Every man is at his post of duty. Every man recognizes it is an hour of confrontation. Amen. Because all that slick thing he is moving there; and now and then he pushes his head out to see how things are on the outside, (you see) so that he can make another move. But every time he pushes his head out, the Holy Spirit identifies him, exactly at what stage he is, what is going on. Hallelujah!

So even though he pushes his head out and goes back in disguise and hides for a while, and thinks that we forgot, we haven't forgotten anything, because we are being reminded; the Holy Spirit brings back into our

remembrance, all the Word that was spoken. God is keeping you in remembrance. Hallelujah! Don't forget when the moon blacked out. Hallelujah! Don't forget all these things, where they were identified. Don't forget on *The Rapture* [1965-1204 -Ed.] that He is here. Don't forget all that these things are taking place. Don't forget about the money proposition, when they played down the alliance between the Vatican and America.

And right now she is mingling her wine, and she has a bed spread for Russia. And she is standing up at the door, and she is wearing one of her most enticing garments, and she has on her sweetest perfume; (hallelujah!) because she already slept with one super power in her bed and she wants the next one now. So she has a communist Pope, amen. She knows exactly what she is up to. Amen. She is trying to woo them to get them right in her bed where she wants them. And she is going to have them there too, because the kings of the earth will give their power for one hour to the Beast. Is that correct? But she is going to regret it, amen, because they wouldn't like what happens in that bed. They are going to turn around and blow her straight out of that bed with a magnum. Hallelujah! Glory to God. Amen. They are going to use her, and then blow her apart. Hallelujah! Amen. The dogs will eat her flesh. Amen. Hallelujah!

So it is a tremendous time, and so much is happening. Amen. My! And when we see all these things happening there, last night as we were showing there, here it is, it is going on. Right now Lucifer, the great red dragon is a fallen star. Amen. Then in Revelation 9, he is called a fallen star; then he is called Lucifer. Then he is called the angel of the bottomless pit. Then he is called the Great Red Dragon. Then he is called the Beast. Amen. And it was Lucifer all the time.

And last night we were trailing him when he was up in Heaven, as Son of the morning. Then after that, there was a war in Revelation 12, and we found out he was

cast down. Then we followed him down to Revelation 9 and we found he was cast down and he had the keys to the bottomless pit. Amen. Then we found that he was down there with his army – one-third of his stars, his fallen stars. Amen. All of them were down there in Hell, very unhappy. Amen. They were not in Heaven any more, so they decided to make their own Heaven on earth. They tried to carry out their plan on earth. And he had five “I wills” in his heart. Amen. Hallelujah.

And we found out that when he was in the bottomless pit, finally he came back out. Amen. And when he came back out, he was an educated genius. He was super religious. Amen. And the whole world wondered after him. Is that correct? And we found out that in the Bible there, the Holy Spirit gave the revelation of who he was, so super religious, “the Beast that was, and is not, and yet is.” Amen. And how there are five kings that are fallen, and one is to come; and one is to continue for a short space of time; and the eighth is of the seven, and all those mysterious things there. [Revelation 17:8-11 –Ed.] But then showing it was right there in the changing time where Pagan Rome became Papal Rome; just changed the outward texture, but it was the same old pagan nature – inside is the same thing. They just profess religion. Amen. And then we found out that right in there is where Lucifer was, because he was the Beast that carrieth her. That same Beast that Michael fought; that same fallen star, that same angel that came from the bottomless pit; that same king over the army, was the same Beast that carried the woman; was the same Beast in that city on seven hills. Amen.

And we found out that last night, why she is called Mystery Babylon, because Satan’s seat finally ended up there. And we found how ancient Babylon, that was where Satan’s seat was first, because that was where Satanic religion had its origin. There was no Satanic religion in the ark. God wiped out the whole earth. Amen? And Noah, a righteous prophet, and his family

were in the ark. Then they came out of the ark. There was no sin or iniquity when they came out the ark there; but then we found out that Ham was cursed. Not Ham, rather, but Canaan, the son of Ham. Ham did the wrong, but the curse was on Canaan, the son of Ham: "Cursed be Canaan the son of Ham". [Genesis 9:25 -Ed.] Amen.

Then right out through there, that lineage there, Nimrod came out; and that is where the first evidence of Satanic worship was, and they began to go away from the original truth of one God. That is why the Prophet said, here it was hundreds of years after, almost a thousand years after, Abraham standing there, he was a direct descendant of Shem. It was Ham, Shem and Japheth, three sons that populated the earth. And when God, who is one God came, walking with two angels, Abraham didn't say "gods"; Abraham said, "Lord!", because Shem never deviated. There was no ceremonial worship, anything among Shem. Shem never deviated. Even down to Abraham, coming out from Ur of the Chaldees there and receiving the true revelation. Then here he was standing there, believing in one God.

And the Prophet said that out of that lineage – because the prophecy was, "God will dwell in the tents of Shem." Look back in Genesis 9, somewhere there, God prophesied through Noah, that God Himself will dwell in the tents of Shem. [Genesis 9:27 -Ed.] Then God was going to come through that lineage as Messiah. That was the Messiahic lineage, amen, when God stretched His tent from Heaven to earth and came down as a man. Amen. And Jesus Christ was going to come through that lineage. He was going to be a Son of Abraham, amen; and Abraham was a son of Shem. You see? But we find out where they went off there, where Ham went off there, and that Satanic religion started there. That was the first origin of it.

And Babylon had all these mysteries because they knew of the promise of the woman going to bring forth

the Seed; the woman's Seed was going to bruise the Serpent's head, so they began to pervert that truth way back up there. And then they had Nimrod who married his own mother; and then his mother claimed he was Divine, he was God; he was that Promised Seed. Amen. And then he began to get a great name in the earth and had people bow down and worship him, with a false revelation. Amen. And we found that began to spread from nation to nation, because he went forth conquering nations. He was the first one, history says, that went to war against the neighbouring countries. And then he began to build an army, and train an army, and overtake all of the places there. And he built the city Babel, later known as Babylon itself, on the great river Euphrates that bordered Eden there, and the river Tigris. And they had two branches off of them: one called Gihon, and Pison, right where the Garden of Eden was located.

I am just throwing back this for you here, you see, because those locusts were the same two hundred million Supernatural devils that were bound. Those locusts were the same things that came out of the smoke of the bottomless pit. They were like horses. Is that correct? Spiritual devils. The locusts were like horses, but we found out the locust was really a spirit; but it is a locust for its nature, for what it does. Amen. See?

Now keep in your mind when we are talking about the Seals; The Seals are speaking about religion, and Trumpet is speaking about politics. But Satan is controlling both religion and politics because he offered Jesus the kingdoms of the world. Is that correct? Because he owns them. He has drunkened all of them with his abominations, the wine of his fornication, the kings of the earth. See? And then the very church, the mother of harlots, the great whore, all the Protestant churches came from her. So he is controlling both the church – religion and politics. And it is demon powers

that are doing it. Amen. Now watch something here. I want you to get it real good, amen, so you would see.

Last night we were on *The Great River Euphrates*. Tonight, my little thought here is **“A PLAGUE OF LOCUSTS”** and for a subject **“The Revival Of The Pagan Roman Empire”**, because that very Roman Empire is still here with us, not as a military power, but as an ecclesiastical power. But they have drunkened the kings of the earth, and that is where the military power is going to come in. That will come like the military arm (amen) of the Roman system, because it is her wealth that finances them. It is her wealth that produces the weapons and all these things. It is her wealth that controls the economics of the world. She could break them or she could raise them. See? She takes every one of them to bed because she is a whore, (amen) a filthy woman. Amen. Now watch.

So here it is we found out that after Nimrod came down there and built Babel, then that city was built right there where the Euphrates River passed through it. And the Euphrates River was passing through Babylon because it was designed after the City of God. Lucifer was only perverting the real thing, because he can't create to begin with. Everything he does is a perversion. How many know that? Everything the Devil does, only perverts what God does. So what he had there to begin with, was a perversion of the real City. Because the New Jerusalem (as we took last night) had a river flowing in the midst of it; and the New Jerusalem was Christ – Michael's Bride, and Babylon was Lucifer's bride. Amen. You see? And Babylon had a river flowing through it. And the New Jerusalem has a river flowing through it; but that river is a pure river of the Water of Life, clear as crystal, showing it cannot be a natural river, it is a Spiritual river. And the Bride said, “He that is athirst, let him come and drink of the Water of Life freely.” [Rev 22:17 -Ed.] And we found out that a man is also

like a Tree planted by the rivers of that Water, bringing forth the fruit in season. See?

So that Euphrates river – we picked it up last night there, how all the other rivers were not mentioned in the Bible after Genesis, only in Daniel 10:4, one place alone in the entire Bible, Hiddekel was mentioned, and the rest were never mentioned. But Euphrates was mentioned twenty times, and Euphrates flowed from Genesis right into Revelation. And Babylon started in the beginning of the Bible, was in the middle of the Bible and is in the end of the Bible, showing it has to be here still; because if it is at the end of the Bible, it is still here. But when it reached the end of the Bible, it was called Mystery Babylon. But then how come, if it is Rome, how come it became Mystery Babylon?

And that is what we found out last night. Lucifer being there, and how from Nimrod, the Satanic worship, when Babylon fell as a nation there, as a kingdom, and the Medes and Persians succeeded in Daniel's time, we find that Attalus – (this is history now that we are bringing in here) Attalus was the priest king; and the priests were the ones whom the mysteries were committed to. They were the teachers; they would teach the people all the sciences and the religion and these things. And he and a few of his priests fled to Pergamos. And that was just outside the Roman Empire. And then they stayed there and they flourished very mightily.

And then somehow Attalus III, after a long season; there was Attalus I, II, and then the third one. Then he came and he willed it over to Rome. So all the mysteries of Babylon and this Satanic worship ended up in the pagan Roman Empire. And we find Julius Caesar back there, not Julius Caesar, Caesar back there, he was the first one who was called Pontiff Maximus; and he took that title. And then a few of them took that title; that they have full authority, they are infallible, and these things. And then afterwards it was abandoned. And then when the popes came back, they picked back up

that title. And then every Pope now is said to be infallible and to be the Vicar of the Son of God, and has jurisdiction over Heaven, earth and purgatory; and they have this Triple Crown, showing that they have that authority. Now watch something.

And then from there we found out that Rome now is likened unto Babylon because exactly what Babylon did, how she spread that influence and drunkened all the nations with that false pagan worship, then Rome did the very same thing. And so when pagan Rome fell as an empire, then they embraced Christianity in AD325 at the Nicaean Council and they professed to be Christians. And all these pagan spirits became bound by Christian principles though they were still the same warlike spirits.

And we found out that the Euphrates River in the natural, was also the eastern boundary of the imperial pagan Rome, because she had stretched... Let me look at my map here. Maybe I could pick out one or two of these countries for you that she has spread over. Alright. Now it is from Rome, Macedonia, Asia, Galatia, all right through unto the Euphrates River that runs right through the Persian Gulf, and goes right up straight to the northeastern boundary of Israel, right up to the top. If you look in your Bible (maybe you checked it out last night) you will see where that was the boundary.

And the pagan Roman empire never extended that boundary. And when pagan Rome became papal Rome... Pagan Rome as a political empire never extended that boundary. Papal Rome became the boundary for pagan Rome. So papal Rome became the Euphrates River. You see? And all those pagan spirits, which were those two hundred million supernatural devils that Satan's seat was found in there, they actually became bound by the Christian principles they embraced and the Christianity they professed. See? Whenever it was loosed, they called it holy war. It was

to get rid of heretics and these things. You see? They know how to cover up their business.

But then finally in this generation, Satan was getting ready to establish his throne, and was going to bring all nations under him because he had the wealth of the world now, which he picked up through the Dark Ages (see) when he actually stamped out almost the entire Christian Church. Just a few remained there. And it sprung up in Luther, and he didn't even have the whole Truth. Alright.

Now when he decided to make his move in this Age, here it was now he couldn't just come out as this big Roman Catholic Church in this 20<sup>th</sup> century and go and start to kill people like that. So the spirit was actually loosed upon the dictators, because she had such a control over the kings of the earth already, that the kings of the earth were giving their power and their strength unto the Beast; and she was using their power and their strength as a military arm to get what she wanted done. And through the Catholic vote and these things like in Germany and Italy, they brought Mussolini into power. Through her wealth, she financed them and put them out there. And they were just a channel she was doing her work through.

Because we studied this last night and I was showing you – the things we were really picking up in these Trumpets here, were that there were Three Woes in the Trumpets: “Woe, woe, woe.” [Rev. 8:13 -Ed.]. And those are the three Wars. We will get that tomorrow night. And those three woes were brought about by those spirits, that king and his army. But that king and his army is really a pagan Roman spirit. It is really Lucifer and his demons. And his seat is in Rome, so it really is the Catholic Church. But the war is taking place in the political realm; so you are not seeing Rome doing it, you are seeing the dictators of the world doing it. But we find out they are drunk, because she has drunkened them and she has slept with them.

You know how some of these ambitious women get a hold of these men and only whisper things behind their ears; and these men act anyhow out in the public, but it is that woman behind them. It is that woman pushing them to satisfy her greed. You know that is what Jezebel did to Ahab in the Bible. Well it is the same thing, because that is what it represented. That is exactly what it represented. Amen.

That is why as a Christian in this Hour, God has sent an Eagle Anointing, that the Christian, the believer in this Hour will not be trapped here; but by the Power of the revelation, they would soar to the place to see Satan's Eden, that this world is falling apart, and see the Kingdom of the God of Heaven being ushered in. Their faith, their Eagle eye is not filmed over; it is seeing beyond the glamour and the prosperity of Egypt. Hallelujah! Because by revelation with their Eagle eye, they see the Supreme Judge standing there. By faith their Eagle eye shows them these Things. They see it, and they understand what is happening, amen, so they don't get trouble.

They can't be caught in carnality. They can't be caught in foolishness because they saw that Angel come down; He came with that Book to reveal their names, and they know why He did it. Because He raised His hand and swore "Time shall be delayed no longer." It is all winding up quickly under the Seventh Seal. Quickly, 'the one shall be taken, the other one shall remain; the one shall be taken, the other one shall remain.' "Where, Lord?" "Where the carcass is, where the unfailing Body Word of the Son of Man is being revealed." Hallelujah! Where the revelation of the Rapture is unfolding that He is here; He has come like a thief in the night. And the Bride is being taken up in that mystery, receiving Rapturing faith.

Behind this veil of flesh, they are adding Word upon Word upon Word upon Word; and all of a sudden, when they hit that place, this body would materialise and

change around that Word image inside of them. And God gave them a Divine revelation. He had left part of the Word hidden in the Bible that when they come to that place, it would be revealed, to show them the change is fixing to come, that must follow the last sign that Abraham saw. There was a change to follow that. Hallelujah! They had the first change, and have been changing, changing, changing, changing. And then they hit a season where a quick, short Message comes forth to show that the Rapturing Faith is coming on stronger, to lift them up and get ready to take them out. Hallelujah!

And all these great, secret Things that were in the Bible there, in the Message being revealed; spoken, but remained hidden; they could not be preached and made known, because the Devil would do great damage; and they had been kept back. But now that She has come to know who She is, what She stands for, and that She could do the greater works, now he is becoming powerless before Her. Hallelujah! Now She can put Her feet on the necks of those kings. Hallelujah! Glory to God. Now Her King Himself has come down; now She has Power to bind the mamba in a knot. Hallelujah! Then God could reveal it, because not even death could harm Her now. Hallelujah! Not even death could harm Her now! Amen. Hallelujah! She is prevailing over the Devil by the Power of Divine revelation opened through the Seven Seals; released unto Her through the Seven Seals; and the Seven Seals puts Her in the channel of communication for inspiration. Amen! And She is in step, God's mighty marching army: *Onward Christian Soldiers, marching as to war!* Amen. Hallelujah!

The Devil has everything planned there and arranged. Oh my. Through false anointed ones – a flood – he is trying to bombard them and confuse their minds. Amen. But God is giving them revelation by the Word coming unto them continually, getting them ready and bringing them to a place to overcome all those false

anointed spirits, amen, and take their stand in the Word. Amen. Hallelujah.

Then the Devil quickly realizes he can't deceive them anymore, amen, because they could tell the two spirits apart; they could recognize him at all his tricks. Hallelujah! So quickly he tries to come with political power. And he has made a quick turn to get his armies and come, but they are ready, because Michael is here to give them Power for the Spoken Word. The dynamics shall be a refilling of the Holy Ghost. The Glory of God will fill the temple. Amen. And they recognize all these Scriptures being revealed, amen, being opened up; and from the time they see it opening up, they know the promise is at hand. Amen.

It doesn't matter opposition or oppression and demon powers on every hand, yet they are pressing their way through, because their faith is seeing the promise soon coming to pass. "Behold I come quickly, and My reward is with Me, to give every man according to his works." Amen. They are crying out, "Even so, come, Lord Jesus." Amen. Dressed in white raiment, eye salve, gold tried in the fire; have their lamps trimmed and filled with Oil: "Even so, come, Lord Jesus. Lord, we are tired of this place. We hate this world." Amen. Hallelujah! Amen. They see what is happening. It is all being revealed by the Holy Spirit. Amen.

So here it was how all those two hundred million Supernatural devils were bound in the Euphrates River. And God only called it Euphrates there, because... What is the Euphrates River doing in the Trumpets when the Trumpets are for the Jews? What does the Euphrates River have to do there? But it was a mystery. That Euphrates River is exactly right where those demon powers were coming out, because the fourth empire, Rome, the legs of iron, was controlling from the time of Jesus, right down until His Kingdom comes in the Millennium. Is that correct?

Then that Roman Empire is Mystery Babylon, and mystery Babylon, just like natural Babylon had a natural river, mystery Babylon has a mystery river; and that mystery river has demon powers inside of it. And that river, in the harvest time here, is overflowing its banks. Oh my. It is overflowing its banks. And that river has a winding course. That spiritual river, spiritual Euphrates, has a winding course through every organization, through every nation. Amen.

And also the New Jerusalem, that New City, God had a Bride from every nation, and that River has a winding course also, not through the organizations, but through the nations. Hallelujah! Amen. "In the last days, an artesian well, a fountain," Bro. Branham said, "opened in the House of David." Hallelujah! No cold season, no winter could freeze that over, because it doesn't depend on local rains. No sir! Hallelujah! It doesn't depend on any little shower; it is something on the inside bubbling out. Hallelujah! It is God who is that River in His people, the Holy Spirit Himself. Amen. Hallelujah! 'This He spake of the Spirit', amen: St John 7:38, Psalms 46, Zechariah 14:8, Ezekiel (let me pick up that Scripture there in Ezekiel for you) – Ezekiel 47. In all those Scriptures there, you see the River that is flowing out of the City of God. Amen. Hallelujah!

So here we are at a time now. I want to strike the locusts, but you see, I have to pick back up the Euphrates River to get the locusts; because last night we picked up the Euphrates River and we found out it was a spiritual Euphrates River; and we found out that also it was a pagan Roman spirit. Now we are going to find out that those very locusts were pagan Roman spirits in the... The locusts were not just in the Trumpets, the locusts were in the Seals too, in the church too; those same locusts were eating the tree down, Amen! Those same locusts.

So you see that is why... Did you notice the same description in Revelation is the same description that

Joel saw? The locusts John saw and the locusts Joel saw are the same locusts. Israel is the fig tree too. Do you know that? And the Bride is a type of that tree also that the locusts ate down. It was the Bride. It was also Israel, because Titus scattered Israel to all nations – Roman power. And Roman power through the dictators brought them back in the homeland. Yes sir. Military power by Rome put them out; military power by Rome brought them back. Amen. Hallelujah! And that same Roman spirit all the while before they were loosed in the political realm, was in the realm of the Church, eating down the Church in a spiritual sense; but over in the Trumpets they were killing Israel in a physical sense; killing the Jews and many others in the earth too apart from Jews, many men who didn't have the Seal of God. Amen. See? Because it was the armies of the Beast out there, Protestants and Catholics out there. Amen. All of them were professing—Germany professed to be Christian; and a Christian war was what Hitler and they were talking about. But he was only a vehicle of the Roman church. You say, “Why are you so sure?” Because, look we are coming back to the locust spirit again. Get that. That spirit in the Euphrates; it was called Euphrates because God wanted to reveal that Babylon is still here. The Holy Spirit called it Euphrates to connect it to Babylon, which today is the Roman system. Amen. So once you are talking about the Roman system and you are talking about Babylon, Euphrates has to be here because wherever Babylon is, Euphrates is. That is the waters of Babylon. Hallelujah! Amen. Water is ‘spirit’, there. See? Now watch.

So then in the Seven Trumpets there that we are taking, we are trying to take a little study of the Seven Trumpets here among the believers, and I want you to see (as I said last night) it is not so much to reveal more things to you to give you a little more knowledge. That is good. We thank God for seeing what we are seeing; but when these Things are being revealed, He is here.

We have had the Message all the time, we have read it all the years; and one of the keys to show you that it is the Truth, it always keeps opening up something. Light upon Light will follow, until the whole thing is made plain, because it is God that started it. It is always God. You see?

You heard many times I preached about the Seven Trumpets, the Seven Trumpets, and I would say there is a reason why it was not allowed to be preached; and it was preached Supernaturally first. And what is it to preach something Supernaturally? When you say "something was preached Supernaturally", what do you mean? How do you preach Supernaturally? You see? Because that is what God told him: "Don't go in there. Leave that part of the Book of Revelation alone." And he said, "It is not profitable at this time." [The Feast of the Trumpets 1964-0719M para 44 -Ed.] But did you notice in 1965, he was trying to set up a meeting again to preach it with the Vials and the Thunders this time, because he knew why it wasn't profitable at that time. And he said, "I've got to bring a Message, and I tell you the Message is coming forth." It was the Holy Spirit bringing forth the Message, because the Message was revealed but it remained hidden because the time wasn't profitable. There were certain things we couldn't enlighten ourselves with; but when we had reason to see certain Things, He came and made it plain. That is all He is doing. He is only making plain what we have reason to see now. That is all it is. Amen.

So here it is this great river Euphrates, that all these demon powers came out of. They were bound in there, and they were bound in ecclesiastical Rome. Papal Rome was pagan spirits; because how did Rome conquer back there, when she was a world power as imperial pagan Rome? By military power: dividing and conquering wherever they went, devouring everything in their path. That was how they did it.

So here it is the very same spirit that was loosed upon the dictators, now that spirit is being loosed upon a corrupt clergy. It was loosed in the political realm by dictators, the heads of the United Nations and they back there, under the auspices of the United Nations, The League of Nations; and all the League of Nations came against Israel. And then they have all these churches today coming against the Bride. And all the heads of these religions came together in the World Council of Churches. And the same pagan spirit that divided, conquered and devoured, and that killed six and a half million Jews in the war, is the very same spirit behind all these eloquent LLD, Ph.D., DDD men; all these fine sophisticated, cultured people in the organization today. And they, just like the dictators gave their support to mystery Babylon, so these will give their support to the Beast. Amen. These same pagan spirits that were bound in the Euphrates, the spiritual Euphrates, mystery Babylon, that was loosed through the dictators in the political realm, have now been loosed in the ecclesiastical realm, through religious men, heads of organizations, corrupt clergy, that rejected the revealing of the Son of Man. And they, just like it was loosed upon the Jews through Hitler and Mussolini and Stalin and these people back in World War II, showing the Squeeze— it will be loosed upon the Bride.

When I saw that holocaust, something inside of me moved and I was telling the brothers and they, I said, “I see what is going to happen in the Squeeze. I see how it is going to start to rise. I see how it is going to start to move and take over. I see how it is going to move in there, (you see) like a woman in travail.” Jesus said it is going to come, amen. How does a woman come into travail? She gets pregnated first, then the seed begins to grow, and grow, and grow; and while it is growing, she knows it is about the appointed time she will hit travail. She may not know the day or the hour it will

come, but she knows the season; and then she will have certain definite signs to identify travail is coming upon her. Do you understand what I am saying? It is a process.

And what was loosed there when the Pope went to Jerusalem, and the spirit was loosed through John the 23<sup>rd</sup> or whatever his name was, and he said "We are all one." Jesus Christ prayed "that we are all one;" and the ecumenical spirit was released there. And then Pope Paul VI when he went the moon blacked out and showed that the church was in darkness, but it was Light-coming time for the Believers; the pressing coming of the great Light to shine upon the Word that light never shone upon, to put the Secret in the back part of God's Mind in the heart of the Bride so She could have the Devil's answer. She could see what God's plan was and what the Devil is up to. And that revelation is in the heart of the Bride. Amen.

You have to take your Christianity seriously. You see? This is life and death. Do you think that the Bride is some little, small thing in a corner somewhere? No. It is not at all like that. No sir. You see the Devil knows the Spiritual Power that is available to the Bride and has been available to the Bride through the Ages. That is why the Devil has respect for that Bride. That is why She is always a threat, even though it is just ordinary people, because he knows the power that is available to those people. He knows back there God took up people from the roadside and shook the world upside down. He knows what God did with Luther and they back there in the stalk Age and this is the grain again. Amen! You see? Now watch something here.

Oh my. I want to take my time. I find, like I want to go too fast. Amen. Now you see, because I want you to get these things real good. Something just came down today there, to make this thing so plain with these locusts right there, to see exactly and to prove to you how those locusts in the Trumpets and the locusts in

the Seals, there were locusts both places. See? Because it was the four stages eating down – with the four riders right there; eating down the church. Four messengers of death. And there were four messengers of life to restore it back in the realm of the church, while the political arm was bound, while as a military power she was bound, while she was trying to come in deception in the Church. See? But when John saw it in the Trumpets, (because Trumpets are political disturbance) he saw those same locusts actually killing people, that ate down the church; because those same demons that Lucifer had there, two hundred million (let me throw this out here) those same demons that Lucifer had there, some of those same demons were who he transformed as ministers of light, who came seducing the church back there. Is that what the Bible said? Satan transformed them as ministers of light? All those two hundred million he had down inside there? To do what? Seduce the church. Politically minded men were invading the pulpits without a calling, to swing the church into politics. And that is why it went out with a white horse rider, became a false prophet when the spirit was incarnate, was then crowned, then religion and politics were married together. Then he had the two under his control now. But it was the same spirit all the time. Did you see how that came out there? Do you understand what I am saying? Amen. Okay.

Let me take a little bit of Joel. There is something I wanted to strike, but I think I will leave that for a little while. Amen. Let me pick up Joel a little bit, because I want you to see in Joel– I am saying Joel– *Restoration Of The Bride Tree*, I want to read from rather, because this is about Joel.

Now Joel is a strange book. Joel is speaking about Restoration. It is speaking about the harvest time. It is speaking about the outpouring of the Holy Spirit. It is speaking about the judgment in the last days. It is speaking about the power over the elements and these

things. All in the Book of Joel. Joel is for now, but you see, it was spoken back there like in type; but Joel is Restoration: the baptism of the Holy Spirit for the church, God pouring out His Spirit of dynamics, all these things; the harvest time where He goes forth to reap the harvest; then also it is judgment upon the earth.

Now listen to this here in Joel; page 25 *Restoration Of The Bride Tree*. [1962-0422 para 147-505 -Ed.]

*God is speaking here, in Joel.*

*God is speaking of His fruit Tree that He had planted. God planted a fruit Tree. He planted It on the Day of Pentecost, and He brought that Tree there for a purpose. He wanted It to bear His fruit, Word, God's Word. He wanted a Church that would keep His Word. All down through the age, Eve had failed to keep It, the Jews did fail to keep It, the law had failed, all had failed, so God planted Him a Tree. [Amen].*

Now we know David saw the same Tree. He saw it planted by the rivers of water. Is that correct?

*Page 28, he said:*

*Now, that's the Tree that Joel spoke about here. See? It cannot die. The worms eat It down, but it couldn't die. In Its root, It had the predestinated Truth; It had God's Word, this Tree did. And this Tree is that Tree, the only way— It was put in the garden of Eden.*

*All trees, by the woman, die. We all die, by the woman. By birth, we all die. [Amen] But through the woman come death, for this birth come by woman. [You see? This natural birth.] Then, this has to die, because of sin.*

*[And] the new Birth that come by Christ, cannot die. That's one Tree, and the other tree. And this Tree, though It's been persecuted, made fun of, since the very beginning in the garden of Eden, It cannot die. It's been clubbed and beat, and, my, everything done to It. And what happened? ...he will not die. He can't, because he's holding in him the predestinated Word of God. It has to come forth, for His fruit is in his own season...*

Because Jesus said, "I am the vine and you are the branches," and all the branches were in the root to begin with. Is that correct? And though the Romans killed Jesus, yet He came back up. Amen. And a branch came forth in every season, amen, bringing forth its fruit in the season for the Age that He predestinated them for. Amen. And that is a Bride Tree. Now watch.

*Joel saw every one of them, eat down to the bottom. But he said, "I will restore, saith the Lord," for the predestination of God lays in the roots of the Tree. It's got to come forth, 'cause It's holding the predestinated Word of God.*

Now you know we are talking about the Tree of Life back in the Garden down all the way through. David saw the Tree planted by the Rivers of water, whose leaves shall not wither. Is that correct? Follow me. So then here in Joel, Joel is speaking about the locusts. He saw locusts darkened the whole land and ate down the Tree of God, and the other trees. And Jesus said, "When you see the fig tree put forth its bud and all other trees, you know that summer is nigh. It is even at the doors." But God promised, "I will restore."

Now watch. *Oh, what a tree! My!*

*It started to grow back there in Eden. What happened? There was a bunch come forth, of Cain's children, some bugs... [You start to pick up those bugs already? Cain's children] ...had come over and eat It down to a stalk. And God took a crop off of it and put it in the ark and carried it through. [He wanted a part of it to plant over in the new earth. Amen?] All the way down it's been the same way, down through the lines of judgment; Israel, on down.*

*And then at Pentecost, where the Church for the Bride Tree, He set in order, on Pentecost, the Tree that was predestinated to bring forth His fruit in the season.*

Page 32. He said: *And there came by, a little, old, ugly-looking, greedy-teeth beetle that lives in four different stages, as Joel saw him. This four-stage insect,*

*destroyer, come forth to destroy that beautiful Tree of God. Think of it. Now I'm going to read off some of what Joel said. And then you know I want to go into the palmerworm, cankerworm, because one eats the leaves, one eats the bark, one eats the fruit and one eats the life. Amen.*

And first they started to eat off the leaves which represented fellowship. Amen. Then they started to eat off the fruit and the love, and the joy and the peace, and the long-suffering; they started to eat the fruit off the Tree. Amen. Then they started to eat off the bark, which is the doctrine, because the bark is the covering and religion means covering. And that is the apostolic doctrine. They began to eat it down and all the truth began to be replaced with creeds and dogmas when the Nicolaitan system began to swing the church into Babylon, and in the Nicaean Council they began to bring in all these pagan traditions, all these interceding with saints and all these things from the mysteries of Babylon that Nimrod started of as his religion. It was now— the religion of Nimrod was now intermingled with Christianity, and it began to eat off the doctrine and then it started to get all these funny dogmas and creeds in. And it ate it down to a stump, but the Life was down in the roots to come back up.

Page 66 and 67. He said: *Now, look. Now, the Bride are one Tree of Life. In other words, like husband and wife is one, Christ and His Bride are One: same thing, same Spirit, same works, same signs, everything else. "For the works that I do shall you do also." How long? "All the world." How much? "To every creature." Is that right?*

*The Roman caterpillar started eating on the Bride Tree until it took it plumb to the roots.*

*The same Roman tree... What kind of a tree did cut Christ down? A Roman tree.*

If Christ is a Tree, aren't the Romans a tree too? If the Bride is a Tree, isn't the false church a tree too?

Didn't John say, "The axe is laid to the root of the tree and every tree that doesn't bring forth fruit would be cast down?" And he was talking about all those Scribes and Pharisees. Alright. You are a tree tonight. An evil tree brings forth evil fruit. A corrupt tree brings forth corrupt fruit. A good tree brings forth good fruit. Amen. And if you are a part of the Bride Tree, then you are bringing forth the fruit in this season, right in the top, amen, because we are at the top of the Tree now. Hallelujah, Amen.

So the Prophet said now. He said:

*Listen close now, going to fire a magnum.*" [Now a magnum is coming forth here now. Do you know what a magnum is? It bores a big hole like that when it hits you. Amen.] *The Roman caterpillar started eating on that Bride Tree...* [Because a Roman tree is what ate down Jesus. Amen. Same tree cut down Christ.] *What kind of a tree that cut Christ's Bride down?* [A Roman tree too. Amen.] *How? By substituting something besides the Word. The Protestant church that don't take the Word of God is a daughter to the Roman church. God never, at any time, organized a church. The Roman Catholic church was the first organization. And every one of them are daughters, to her, that organize.*

*They die with her.*

That is why the Bible said, "the Mother of harlots." To be a mother, you must have daughters, because if she is a mother of harlots, harlot had to be a woman, not a man. Harlot is a prostitute too. And she is a mother of daughters. Amen, you can't be a mother until you have children. You can be a wife, but when you have children, you become a mother. And she is a mother of harlots and harlot is a woman. And she being the first organized religion, out of her womb came forth every Protestant church. And God in Revelation Chapter 2 said, "I will kill Jezebel's children with death too. I'll cast them in a bed with Hell." So both Protestant and the Catholics are in the fire already. Amen, hallelujah.

That is why there is a Message calling the Bride out and bringing Her back to the original apostolic faith. Aren't you glad that God could open your eyes to see it? Aren't you glad in this late Hour, when it is almost past feeling time, the Holy Spirit could make things plain to you to give you that assurance, "I am going up in the First Resurrection?" We are gathered for the sounding of the Last Trumpet when time shall be no more. Six have already sounded, and there is a Shout and a Voice between the Sixth and the Seventh one; and the Shout has already come forth twenty years now. And the Voice has been identified, the Final Voice to the Final Age. My, how late are we? *What Time Is It, Sirs?* Amen.

So let us get back to this locust now, this Roman Catholic Church, that ate down Christ, that Tree, then ate down the Bride Tree. Alright.

*The Bible said that, "He would burn her children with fire." How many knows that? The Bible said so. Well, the Bible said that the wheat and the tares would grow together until the last day, then He would bind the tares and burn them. Okay.*

So the Roman caterpillar started eating on that Tree in the days of Paul. Paul said, "I am persuaded, that after my departing, men will raise up among you, brethren, like sheepskins over them, wolf inside, and will draw away many after them. For the spirit of antichrist, that you heard that was to come into the world, is already in the world now, working in the children of" (what?) "disobedient." Disobedient to (what?) the [revealed] Word. Like who? Like Cain was. Sin lieth at the door, but he won't obey because of pride in his heart. He said then they sin willfully after that.

*There you are. Organizations being formed.*

*You see what I mean?*

They were trying those who said they were apostles in the first Age; Revelation 2, and they found them liars. Paul in Galatians said, "Men came in private to spy out our liberty in Christ." Amen. Jude said, "Men of old

ordained under condemnation, crept in unawares.” Is that correct? Paul told the Galatians “Who hath bewitched you, O foolish Galatians? These are taking you back into bondage.” What was it? That white horse rider in the children of disobedience. Hymenaeus and Philetus, their word eats like gangrene. They having erred concerning the faith, have overthrown the faith of some, and caused many to shipwreck. The captain on that ship isn’t saying, “Sail on.”

The captain on that ship hasn’t seen any promised land. Brother, they are shipwrecked against some rocks and mashed up and drowned in the sea somewhere. But we are floating down the stream of time tonight. We don’t have long to stay, Amen! Hallelujah! The Captain is here tonight saying, “Land ahoy!” Hallelujah! Saying, “Sail on!” Amen. Hallelujah.

Now notice. So he said here, that spirit is working right back there, called a white horse rider; called a white horse rider. I’ll show you how wonderful this is. There is something here, it’s a temptation to jump into it. But then let me have patience.

*Beginning to eat! What’d it do? That old caterpillar started, that old cankerworm. Joel saw it. Listen now. We’re coming down close to the end.*

*Joel saw it. And he said, “What the palmerworm left, did the locust eat; what the locust eat, the cankerworm got; what the cankerworm left, why, the caterpillar got it.” That’s what he said. That’s the Tree of God.*

So all these locusts that darkened the land, that sounded like noise as chariots, had fire going before them, all these things, weren’t natural locusts he was speaking about. He was speaking about Roman devils, amen, working in the ecclesiastical realm, working in the realm of the church; and it was a mystery how these people had gotten those strategic positions behind the pulpits, spraying the church with unbelief, with all their wisdom and their politics inspired messages. They were taking the people off the original foundation that Paul

laid. Amen. The Word was no longer pure. Men were adding to the Word and taking away from the Word; and the church was drifting away already, but it seemed it was so small that they could hardly realize it. It came as an Angel of Light and Paul said, "I fear lest as the serpent beguiled Eve, (which is the Beast, Satan in flesh, a false anointed one) so do these come preaching another Jesus, another gospel, to beguile thee, seduce thee, and you will no longer be a virgin, that I could present you unto Christ a virgin; but you will get beguiled and they will corrupt your mind, your spiritual womb, from the simplicity that is in Christ." Is that what he said?

Because Paul saw some enticing spirits, seducing spirits in the clergy, were seducing the church away by preaching another gospel, sowing another seed, bringing forth children of the bondwoman like Ishmael, half Judaism and half the Message, half denominationalism and half the Message, because Ishmael was Hagar's egg, but Abraham's seed; and Hagar was an Egyptian, had a lot of Egyptian traits. And these were people who didn't die out to the old law system and were trying to claim the new Message. And they were bringing children of bondage with a spirit of bondage to fear. And they controlled them by fear. And they held men's person in admiration, but these were reprobates concerning the faith. And the time will come when they will no longer endure sound doctrine. And they will say, "When you feel a chill down your back or see a light, you are sealed." Amen. Hallelujah! So they roll on the floor and get packed out. It will no longer be what the Prophet said. Amen! But they will be having teachers and itching ears. They will heap up to themselves teachers and they will turn unto fables, that all kinds of quack druggists mixed up in the laboratory to blow their minds out. Isn't that what he said? Let me put that in strong. Amen. You will see how straight this thing is to be. You will see it is the Holy Spirit in this

late Hour, when it is almost past feeling time, and the door is fixing to swing close. God is showing us what was going on all the time; and the Church is looking and seeing what it all has been. And quickly they will realize it is not time to play. They will buckle their armour tight and run for their lives. Amen.

So watch here. That Roman spirit he said is working its way back since the first Church.

*Beginning to eat! That old caterpillar started... Joel saw it. We're coming down close to the end. Amen.*

He said: *The Roman caterpillar started to eat on that Bride Tree and took It all the way to the roots. Cut the Tree right off, like he did Christ Jesus, the Bridegroom. Cut the Bride right down, and started out in creeds and dominations. Same old bug! But what? But in Its roots was the predestinated Seed, the Royal Seed of Abraham. It could not die. "I will restore, saith the Lord."* Amen.

Page 69. *He brought forth the first Bride Tree that the locust and palmerworm has eat down. He is restoring the second Tree...*

Now I am picking up the locust spirit that Joel saw, how it worked in the ecclesiastical realm under the Seals in the Church, because the Feast of Pentecost was the Church and that came first; and the Feast of the Pentecost was the Seals pertaining to the Feast of Pentecost. The Seals pertained to the Seven Ages. The Trumpets were to Israel and that followed the order of the Feast of Pentecost. Amen. But when it hit the Feast of Trumpets, it came back out in the political realm. The very same spirit, very same locust, amen, came in the political realm and began to actually kill the people physically, while they were killing other people with spiritual death before. Lucifer and his one third angels that he had there in the bottomless pit, he: Apollyon in the Greek, Abaddon in the Hebrew, means destroyer. And he had those, that army there, and he was going to war against Christ's Bride. And Christ anointed Ministers with a revelation, the boldness of the lion of

Judah to stand up against those things. Amen. Hallelujah.

Then when they began to kill the Christians, they got the anointing of an ox to give their lives freely. Amen. Then He anointed them with the wisdom of a man, amen, to translate the Bible and bring it back to the people. Don't let the priest keep it, amen; and give it out; and the great Missionaries spread it around the world waiting for the last angel to come, amen, in this Age, to take the Seals off the book, and reveal the secret for the Rapturing of the Church, Amen. And we have received that Third Angel's Message, revealing the mystery of the Mark of the Beast. That Third Angel in Revelation 14:9 and 12 is the same Seventh Angel in Revelation 10:7; same angel in Revelation 3:14; same angel, same angel in Malachi 4:5; same angel in Revelation 22:16. Amen. Same angel. *I, Jesus, have sent My angel to testify these things in the churches.* When John saw him, he bowed down to worship him. He said, "Don't do it. I am your fellow servant. I am one of the prophets." Hallelujah! Glory to God, Amen. Hallelujah. The Prophet had revealed that Book of Revelation to John. Amen.

So watch that spirit there. We are taking that spirit there in Joel 2, that locust in the ecclesiastical realm first, and then showing you that same locust in Revelation 9 here is the Roman spirit in the political realm during the wars; how Rome used the dictators as her military arm, (see) to achieve her political means, while she worked with false anointed ones in the ecclesiastical realm to infiltrate the church, amen, and corrupt the church. Amen. See? And set up her own super religion. But we found out there was always a little strain of the true Seed in every Age, who would not become part of that unbelief.

They had another River flowing in them. Mystery Jerusalem all down through the Ages, with a River of the Water of Life flowing out, and all those real Trees were planted by that River, bringing forth their fruit for

that Age; in basements, in the catacombs, in little homes, in little garages. They had fellowship, while the rest built their big shrines, and had their big altars and all their big classical religion and all their big things to outshine Christ's little bitty flock; but among the true Seed had the Power of God. They were being filled with the Holy Ghost, (amen!) while on the next side was just a big, political gimmick, amen; just a big false something on the outside, and those two came right down till the end. Amen. Hallelujah.

Let me make some quick ground here. I have to leap over a troop and jump over a wall here now. Amen. Hallelujah. Amen.

*Now the same insect that started and killed the Tree in the beginning, started right back at them Lutheran branches. It can't kill It. It can't kill It, because God has done said, "I will restore." And that is why It is here tonight. Amen. That is why It is here tonight with the same bark, with the same Life, with the same leaves, with the same fruit. That same Tree is here in the midst of Babylon in all her might and her Power. That same Tree is still here. And that same River is still pure, still clear as crystal, still flowing and flooding its banks now! Hallelujah. And its leaves are a healing to the nations around the world. Divine healing for the soul! Hallelujah! Oh my. I just love It tonight. Do you love It? Amen. Milk and honey. Amen. Hallelujah. Amen.*

*Now notice. In the old time, when the Tree was killed, It was killed; went plumb to the roots when it killed It back there. But this time, because the Word is predestinated, there is nothing going to stop it. God said, "I will restore." Amen. And I like when the spring sun returns, amen, to melt away the ice and bring back up the life, and now is harvest time. Amen.*

*What happened? That old caterpillar started eating and having the same kind of effects that he did, but (what he did do?) he only got the Lutheran branches. He never got the Spirit behind there, that Luther had, for It*

*lived right on. Amen. Did you get that? They only got the branches, they only got the leaves, but the Life lived right on. They couldn't kill the Holy Ghost. They might have killed the flesh of the Believers that the Holy Ghost was in, but the Holy Spirit went on to raise up more.*

Satan thought that when he killed the Prophet, that was the end of the Message, but around the world, it sprung up all over, these last twenty years, mightier than ever. Hallelujah! Amen.

*...God predestinated It. She has got to go on, regardless. If it wouldn't been, when Luther organized, that would have settled right there; it all went back just like another; it'd been second Catholic church, Roman Catholic church. Amen.*

Page 75, amen.

*Listen real close now. There was four death messengers. Four death messengers killed that Tree. What was it? Palmerworm, locust, cankerworm, caterpillar.*

That was the same locust. It was just four different stages, under those Four Seals, that was eating different parts of the same tree, because the tree is made of the leaves, branches, bark and the life. Alright. But it is that same Roman spirit in the realm of the church. Amen.

*Four messengers of Roman devils, [did you get it?] dogmas, killed that Tree. One took Its fruit; one took Its leaves; One took Its bark; one took the Life. Is that right? Four messengers of [Roman] dogmas killed the Tree, all but the roots.*

*And if four messengers of death killed the Tree, four messengers of Life restores the Tree. Amen.*

Quickly let me try to move on here fast. Okay speaking about the same Tree again, the Bride Tree, which Eve was a type, back in the Garden of Eden.

And he said: [1963-0319 The Second Seal, para 166-185 -Ed.] *Notice now. Now, the natural woman [Eve] caused natural death, because she listened to reason, to make herself*

*wise, instead of staying behind the Word. [That was the type of the first Bride.] She wanted wisdom, and be wise. And she listened to reason, and she lost the whole human race.*

*Now this time, the spiritual woman, the Bride of Christ that started on the Day of Pentecost, with the early apostolic Church, lost the same thing at the Nicaea Council, when she swapped her spiritual birthrights, to take Constantine's big churches and things that he offered them there, and she sold out her Scriptural birthrights for a bunch of Roman dogma.*

*No wonder [Page 25 and 26] the angel said, "Come out of her, My people, that you be not partakers of her plagues."*

*That is the Message going forth now; had been going forth all these years through the Prophet, and still going through the Bride. He that is athirst, let him come. Amen. See.*

*She is cursed, and she's got to suffer the curse of God's wrath upon her, because she sold her virtue and rights.*

*But, remember. Seeing all that condition, but yet God promised, in Joel 2:25, "In the last days, what the palmerworm left, the caterpillar had eaten; what the caterpillar left, the locusts had eaten; what the locust eaten..." Just on down, bug after bug, had come and eat on that Church until finally It wasn't nothing but a stump. Watch! What the Romans left, the Lutherans eaten; what the Lutherans left, the Methodists eaten; what the Methodists left, the Pentecostals eaten; until she is down to a stump.*

*And do you know what? You take those worms in there, the locust and caterpillar, and so forth, and you chase them down through the book, and find out. It's the same worm in just different stages.*

*He said Hold your point. ["Hold that right there" he said.] So is these Seals! It's the same worms.*

Now we are going to come to something very interesting right here. Who was that one who was riding all down all along under the Seals, the white horse, the red horse, the black horse, the pale horse? It was Lucifer. But did you notice something? When he was cast down, as we picked it up last night, he was cast down with one-third of the angels in Heaven, one-third of the stars. Then we found out he was down there in the Euphrates River, bound all the time in the ecclesiastical realm, during the time of the church; during the time of the church he was bound in there, because of Christian principles. But he was working in the church, transforming his angels as ministers of light, to seduce and swing it into politics.

But notice something also. It didn't mention under the first Four Seals his 200 million devils riding with him. It just mentioned him alone riding, but that didn't say they weren't riding with him. They were riding with him, because under the Fifth Trumpet and the Sixth Trumpet, (as we picked it up here) all of them were riding together when they went out against the Jews there. Is that correct? The same spirits were two hundred million horsemen, and their king was the angel of the bottomless pit, when they were riding forth in the wars to kill out the earth.

Now they were riding all along. Those were his false anointed ones through the Ages. Those were his corrupt clergy, all down through the Ages, coming down there. It was the same worm all the time. The same Four Seals, the same four worms, which was the Roman spirit all along, that Lucifer was riding during the Church Ages.

Now don't you think if he was riding during the Church Ages, as he rode down through Seven Church Ages with his army, going to war against Christ's Bride in every Age; Michael and His army – then wasn't Michael and His army riding also? You think of it very clearly. If Lucifer was riding with his army in the church; the Beast is only a power, you know. Don't get

confused with terminology you know. It is a power being released, through ministers, who were preaching another gospel, another Jesus, binding people, and pulling them away into politics from the truth. And the Holy Spirit, *while Peter yet spake these words*, was being loosed through anointed ministry, to bring the Church into the Body of Christ; and it is still the same way tonight. No wonder between the Sixth and the Seventh Vials, there were three unclean spirits like frogs (might pick up that somewhere along the line) coming out of the mouth of the false prophet. It was there all along, but the Seals had to open to reveal it. What were those spirits? A frog will always look back to where it came from, and it was carrying them back to Babylon to worship Nimrod, in his power, to pay tribute to his city.

But among Shem's little bunch, hallelujah, "*Hear the Lord thy God O Israel, the Lord is one Lord!* Amen. Not three gods and all these things. No sir. Amen. He came in three sons' names, hallelujah; Prophet, Priest and King, Eagle, Lamb and Lion; Son of Man, Son of God and Son of David.

He said, so those same four worms. *You're going to see it when we bring it out, so I'll tell you now.*

Right in the Second Seal here, the Prophet caught the whole line of the thing.

He said: *I'll tell you now. It's the same worm, all the time. Four of those worms; four here. They're the same thing. It's the same spirit.*

And he said all four... Even before he came to reveal the other two, he had found out what it was already, under the Second Seal right here.

*What one left, the other eat;* because you see, he already had the revelation of the *Restoration of The Bride Tree*, that he saw it was a Roman spirit, through the history of the Church Ages that he had studied; because when the Seals opened, it only confirmed the Church Ages. It was just the mysterious elements in the

Church Ages that he didn't pick up to understand how the enemy worked through all these organizations, and how it got the political power and all these different things. You see? Now watch.

But here it is now, we are picking it out. He said:

*“But Joel said, “I will restore, saith the Lord, all the years the caterpillar has eaten.” What is it? How is He going to do it; if it started out, antichrist, by being against the teaching of Christ, that accepted dogma instead of Word?*

And that is right where a person gets demon possessed, because perverted life comes through perverted seed. The right kind of life will come through the right type of seed. And if you receive an error, you will receive a spirit of error. If you receive a spirit of error, you will go into delusion, because all seed has the life, and the Devil moves through error, and God moves through truth. Simple like that.

The Serpent had a seed and Adam had a seed. In the First Age, the true Apostles, the sperm was in the Body; and then those gifts outside the Body, in the Book of Life, they had a seed too. And the Ephesian Church brought forth twins, and Smyrna means bitterness; Cain fought Abel, because out of Eve's womb, came forth twins – Cain and Abel; and Cain killed Abel for his revelation. Is that correct? And in Pergamos, the sons of God saw the daughters of men and took unto them wives, because Pergamos means married; the Church married the world. And then Thyatira was Babylon, Nimrod, where they had the tower of Babel. They went right in there, and out of there, God called Abraham to walk by faith; Genesis 12. Amen? Genesis 15, confirmed the covenant by blood; because Abraham came out by faith, just like Luther came out of Babylon. Then Genesis 15 was Wesley, confirming the covenant by blood, sanctification. Genesis 17, the Pentecostals. He said, “I am El Shaddai and they were filled with the Holy Spirit. Genesis 18, God in the form of a Man, gave the

last sign before the Change of Body. Amen. And after Genesis 18, “I will return according to the time of life, and Sarah shall receive a visitation!”

So do you see where we are at? Do you see what is happening, coming down through the Scriptures tonight? Do you have any doubts in your mind? [Congregation says, “No!” -Ed.] Amen. I like that. You know you have the Holy Spirit. It is God. The Word is too plain. Okay.

Now notice here. I think I picked enough here. I picked enough that you should see that, that the Roman spirit was those locusts that Joel saw in the ecclesiastical realm, eating down the Church, spiritually.

Page 26. *Notice Satan’s trinity. Same person coming; just incarnate, from one to the other. That’s the way them bugs did, them worms, one to the other...*

Did you get that? The way Satan was changing all the time from a white horse to a red horse, so the bug was changing. And every time Satan changed his form and did something else, and the bug changed, it ate something else; and it was Rome all the time. Because first, it was an antichrist spirit under the First Seal – the white horse rider; which was teachers with a seed that was bringing forth an Ishmael, a false teaching of the Word, anti-word. Some said the resurrection had already passed. Some said you had to be circumcised according to the Law of Moses. Alright. You see.

Then you came over there and you got—the spirit was incarnate, and you got a false prophet with a false doctrine: the Pope. In the Bible he wasn’t called Pope. He was called ‘false prophet’, when the spirit was incarnate in a man, because he became the false prophet with the false teaching now. Amen. Then the last part is the Beast; antichrist, false prophet and Beast. That is the trinity of Satan. Amen. Then he came in three colours; red, white and black. Then he had three powers; religion, politics and demon power. All the

time. So if Rome has religion, politics and demon power, aren't they controlling the whole world? But you see many times, you don't look at it in the political realm. You look at it just through the ecclesiastical realm; the false teaching. But the legs of iron were in the ten toes and the kings – there were ten kings, that were drunk by the wine of her cup and they played for her money. Amen. My, I tell you.

Okay we are closing out. We will read the rest tomorrow. I think we will have to go through the week you know, because, how are we going to pick up the three woes, and then how are we going to pick up on why the Trumpets were preached Supernaturally? All these we have got to get, to make it plain. Amen. Tonight we haven't even got over the Trumpet side. It is only the Seals side here. Amen.

Okay. Next ten minutes and we are closed. Just give me ten minutes. Maybe I will just pick up the Trumpets side and tie it together, to let you see what I am speaking about. When all these things are settled in your heart, may the Lord shine Light, that you could see why the Holy Spirit said, "Don't go in those Seven Trumpets. I've been saying it continually, that he will do great damage." And he has to wait until the Bride comes to know who She is. See. It is like, "Take the child into Egypt quickly and hide it, before Herod gets it right now." Do you understand what I am saying? The Messiah is in infancy, but when Messiah gets big, He will walk right through the crowd. Amen. Hallelujah! So protect it for a little while. Amen. So you see, just like he said, the hot sun would have killed the wheat back there. It would have been too strong for the tender green seed, so there in the shuck – while it is forming in the shuck, when it is fully formed and matured, then the shuck pulls back and It could take in the hot sun now. Do you see what I mean? Alright.

So now is the place where the Bride could stand. Amen. Now She knows She is in Ephesians. Now She

knows that one could put a thousand to flight. Now Joshua is saying, "Come, put your foot on the necks of these kings. Don't fear them. God will do so to them. (Amen.) All your enemies, they will flee before you." Amen. She has that type of confidence. Why? She has the revelation to know She is the Word. She knows the Word a certain way now. It had to take a season to reveal Itself, to take the make-belief out; and the characteristics in Her life grew out, to prove She is part of the Word, so the two matching pieces could match, to prove that She is the Word. She doesn't have a mental conception. She is the Word. "You tell Me why it isn't being revealed after I got My Masterpiece down inside of there?" [Bro. Vin and the congregation laugh -Ed.] Amen. Amen.

*Pope, "false prophet." "Beast," the devil himself, incarnate.*

*Now, you keep that on your mind now, when you follow this. You're going to see these riders come right straight up to that.*

He said if you follow these worms, follow those Seals, which is the Roman spirit, you will see what it will come up to. You will find when you come up with the Seals it just goes over with the Trumpets. And when you go with the Trumpets you can't stay in religion. You have to go political. But it is the same spirit because she is controlling religion, politics and demon powers. But then when that spirit is loosed, the same way that they killed out all the Jews and slaughtered them in cold-blooded murder, they will do the same thing to the little—they will come against the Bride. But when She escapes, because She has Quickening Power, and She has Spiritual Power to match the Devil's spiritual power, to match his political power, to match his demon power, She has God's Power. Amen.

And then, when She escapes, and the Devil realizes – the Beast realizes that he didn't get her, but the foolish virgins have the same doctrine but without the Holy Ghost... Do you understand what I am saying? The

foolish virgins, they have the same doctrine, but without the Holy Ghost. So she will come to kill them. She will spurt water out of that Euphrates River, out of her mouth, and cause a flood to come against the remnant of the Seed; and they will have to give their lives. You don't want your children to remain back there. Do you? Then pray for them to get the Holy Spirit. You don't want to remain back there either. Then full obedience to the Word, entitles you to the Token, amen, because when that Hour comes, that is it. He that is filthy, will be filthy still. Did you see the Scripture on Sunday? [Revelation 22:12 -Ed.] Behold, I come quickly. Surely, I come quickly. The Holy Spirit put that right inside of there. And my reward is with me, to give every man according to his works. And your 'works' is faith expressed. Amen! And Elijah... I'll send My angel to testify these things to the churches. Seal not up these things because the time is at hand, and here He is unsealing them, to show you that He has returned. He is bringing forth His Message. His masterpiece is unveiled.

You got the Life part. You are getting the Word part here now, because if that Life is really formed, it has to reveal all the Word. It has to compare with all the Word. Amen. I am closing here with this. *Feast Of The Trumpets*. I'll close. I will give you a little bit and I will close, and that is it. Amen. Let me see how I could hit that last part here, because I don't want to go any further. I just want to say enough here, to tie this little part together for you. Amen. Now watch something.

So Revelation 9, all these spirits that were bound in the Euphrates River, were actually an army of the angel of the bottomless pit who was king over these spirits. Alright. Revelation 9:1, that angel of the bottomless pit, was a fallen star. Now the Bible is giving that, to give you the clues of who it is. A star fallen – *How art thou fallen from Heaven, O Lucifer, son of the morning?* One-third of the stars; this great, red dragon, and one-third part of the stars were cast down. Then we found that

same one there, they were all bound in this river Euphrates; you will find that Euphrates went through Babylon. Then we found that same red dragon in mystery Babylon. Amen. So all along, we found and we saw exactly, that those were Supernatural devils last night, and the Euphrates was Papal Rome where those spirits were bound.

Now what we are picking up here tonight – the plague of locusts; now the Trumpets are where these things are appearing and that is very important. If you miss that, all this, you would not be able to tie it to the place where you are supposed to tie it. What are the Trumpets in the Book of Revelation? What does it mean? There are Seven Church Ages in the Book of Revelation. There are Seven Seals. There are Seven Trumpets. There are Seven Thunders. There are Seven Vials. The Seven Church Ages were the time of the Church from Calvary, down to the Seventh Age: the Pentecostals. Alright? The Age where He was the Son of God, where He was in the Father's Throne.

Then after the Ages came the Seven Seals, but the Seven Seals in Revelation 6 were opened in symbol form, showing that there was Mystery in the Seven Seals Book; because a Lamb came and opened the Book and under every Seal was a Mystery, showing that there were Mysteries in the Book, but it only opened in symbol form. But there was a promise it would be opened in reality form one day. And Revelation 10:7 promised, "In the days of the Voice of the Seventh Angel, when he begins to sound, the Mystery will be finished. And Revelation 10:7, Christ Himself, is coming with the Book opened and that angel is on the earth in the time of that Coming! And he is the angel to the Seventh Church! So the Seals pertained to the Church Age. It was just to reveal what the reformers left off, because they didn't live long enough, and they weren't prophets for the Word of God to come to them.

And after the Seals, came the Trumpets, and the Trumpets were really pertaining to Israel, because when God gave Israel Seven Feasts, the first one, (as we took it last night, just to go it over so you could understand) if these things came in the time of the Seven Trumpets, what does it mean? If you want to know what the Trumpet sounds, he said, "Look on the music sheet and see what the Trumpet is saying, and you will know what it means." Because God has a Word for Monday, He has a Word for Tuesday, He has a Word for Wednesday, He has a Word for Thursday, He has a Word for Friday; and if you see the Word in the Bible there, the Trumpet is for Wednesday, you will know you are living on a Wednesday. And if you are living on a Wednesday and God revealed to you what happened Tuesday, what happened Thursday, you will know what is supposed to be going on, on Wednesday. Do you understand what I am saying?

So Israel had Seven Feasts in Leviticus 23. And when the Prophet attempted to preach the Seven Trumpets, the Holy Spirit said, "Don't go in there; leave it alone." So he went to the Book of Leviticus and preached *Feast Of The Trumpets*. Now Feast Of The Trumpets is not the Seven Trumpets; and what we are trying to preach here, is not Feast Of The Trumpets. We are going into the Seven Trumpets. But we are not really taking the Seven Trumpets in itself, we are taking the Mysteries contained in the Seven Trumpets, that have a relation to the Bride. Because though the Trumpets pertain to the Jews, there are Things in the Trumpets for the Bride. For instance, Revelation 10 is not for the Jews, that is for the Bride. But it is between the Trumpets. We took the Euphrates River last night. What is the Euphrates River doing there? We found it was the Roman Catholic Church, put right there, showing her involvement in politics, showing that it is her behind the wars just working through the dictators. We found out that was a Roman spirit, because the same spirit that

was bound there in the Euphrates... And we proved how it came into pagan Rome, and how pagan Rome became papal Rome; and we proved that there last night.

And here now we are actually coming and taking this part of the Scripture, and showing that the demons were locusts. And tonight we found out that the same locusts, which are the same devils that were bound there, were the same locusts that Joel saw. But Joel saw it in the realm of the church and John saw it in the realm of politics. John saw it killing the Jews. Joel saw it eating down the Bride Tree. Joel saw it in the time of the Seals. John saw it in the time of the Trumpets. So both Joel and John saw - one saw it in the religious realm and one saw it in the political realm; and each time, it was Rome they saw. And the very spirit was the fallen star, who was Lucifer himself, who fought Michael in Heaven. And the very Supernatural devils, the locusts, the pagan spirits that were bound in the Euphrates River, were actually the demons who were with him when he was cast down. So then we start to realize that both religion and politics, both the church and the State, are Satan and his angels masked. God is unveiling it by the revelation and both are coming together now again.

And where does the church stand? She controls the wealth of the world. She controls the economics of the world; and she is controlling the church and the State, religion and politics. And then there is going to come a time; no wonder you wouldn't be able to buy or sell. You had better have the faith to multiply your bread and fishes at that time. You had better know Jehovah Jireh. So you see why there is a faith being revealed to bring a people into a realm showing them the Hour that they are living in, showing them the system that is coming against them; and it is the very spirit that is always against God's Church, from the beginning in the Garden of Eden right down. It is making its final assault on the last remnant that remains on the earth; because

through the Dark Ages, they killed out almost sixty-eight million. In the last days, it will be just like in the days of Noah; few will be they that find it. Like in the days of Sodom, only Abraham and a little bunch came out.

So in other words, what it means, is that there will hardly be any righteousness remaining in the earth. And all these two hundred million supernatural devils, are now being loosed in the ecclesiastical realm, to come against an undenominational people, a called out people; and the State is going to boycott them and the church is going to boycott them. They are going to be standing alone. But in that Hour, He said, "Fear not little sister. It doesn't matter how dark and gloomy it gets. Remember, I have already revealed to you that I am here. Lo, I am with you always. You are walking by faith, not by sight, so don't be bothered if you are not seeing Me in the flesh; but I am here, unseen. Ever so often I will show Myself alive by infallible proofs; manifestations of My Presence, speaking Things pertaining to the Kingdom of God, so you will know I am in your midst, to keep you in step with the Word. Do you understand what is happening?"

So here this plague of locusts. Now why I read Exodus here – to pick up Exodus here now. Now when God started the Trumpets here and the First Trumpet was blood, hail and fire. Then with the creatures in the sea dying all these things; and then the star fell from Heaven and the water became bitter; and then the disturbance of the elements there. Now watch something.

If you pick up Revelation 16 with the Vials, you will find the same thing. Now in the Trumpets, God is calling Israel out of the nations of the world back to Palestine. But under the Vials in the tribulation period, He is calling 144,000 out of the nation of Israel. Did you get that? It is a calling out and then there is a calling out of that called out. And the Trumpet is the time when He is

calling Israel, rushing them back in the homeland. National forces put Israel in the homeland, during the time of the Trumpets, the gathering of Israel. But in the time of the Vials, the Plagues are the tribulation period, when Moses and Elijah will bring out 144,000, out of the 3.5 million people that Israel has right now. So it is just a furtherment of the same work that God started under the Trumpets.

Because it is a people that He called back there to recognize Messiah; not all that bunch there – and you watch the *Time Magazine* this week, it marks, “What’s next for Israel?” Election time is coming up. And here they are in such a chaotic condition and they have this man here, Shimon Peres or whatever his name is, looking like he is getting a lot of popularity now. Prime Minister Begin [Menachem Begin –Ed.] is off the scene. Remember when I preached the message here last time, *Oncoming Judgment of the Seventh Vision*, [Oncoming Judgment: The Seventh Vision - The Loosing Of The Four Winds 1983-1109 –Ed.] when they filmed *The Day After*, [American Television Film 1983 – Ed.] and I told you that was the Seventh Vision. Science has produced it and then the Prime Minister of Israel, Begin, came and resigned just like that, after he was a man who fought those nations, backed by the Scriptures. He took a stand, looking at what Joshua and they were looking at. He watched the boundaries of Israel, and then he came off the scene. And this man who was not voted in, but being like Vice Prime Minister or whatever it was, of the same party, then he just came into power.

Now they are in such a bad economic situation here and all these things. And this other one is rising, but this next man here he is not any man on the Word. He is not watching these things at all. You see. And he looks like a good man who could swing. I am not saying he is someone like that, but he looks like he has the type of spirit that could swing Israel into a covenant with Rome, for the money’s sake, to get their money tied

up; because it is when that covenant is made, then Moses and Elijah are going to come on the scene. They are not going to get any more real men like Begin, you know. It is in a lull there now. They settled well into the recess. It is a lull there now. And America and Rome have already come together. And their money has already begun to be tied up, and here is the Holy Spirit revealing these things right here among the Bride. Here God is identifying the door is fixing to swing close, the Masterpiece being unveiled, all these things and the last part of the Message that seemed so mysterious, all becoming plain; because we are at a time here when everything is running out. You see? And we see in here – I will pick it up further tomorrow, exactly where those spirits are being loosed and have been loosed. And all these religious men; just recently they had Archbishop Runcie [Robert Runcie –Ed.] come down here and he moved through the whole place and loosed a spirit among those people there. And everybody applauded it, while they fought the American invasion in the physical realm, yet they accepted this one, which is the more deadly one: an invasion of Rome through a Roman satellite, the Anglican system. That has influence in the Caribbean here. You see. And they have their plans, and they dedicated some little spot of ground up San Fernando Hill [Hill located in the island of Trinidad –Ed.] or somewhere there, 500 million dollar ecumenical church they are going to put up, to have ecumenical services and all these things.

But here it is, God is waking us up and saying “It is lamp trimming time.” Trim your lamp quickly, because the door is fixing to swing shut; and when the foolish virgins came, they found the door shut; with the doctrine but without the revelation, without the Holy Spirit. What a time it is, and that Sealing Angel had to move through the Church before the slaughtering angels came. Ezekiel 9 is repeating in the Last Days,

after they turned down the Messianic Message. You see where it is all heading up to?

And here we came and we picked up that Euphrates River and those locusts; what it was there, how Lucifer and his army, in the Seals, he wasn't shown riding with the whole army. But when it came under the Trumpet here, it showed the same Lucifer, who rode his horse and was seen in different colours. They all were riding their horses; those spiritual devils. Okay.

I know I kept you long and my time is up. Let us stand to our feet. I will pick it up tomorrow night. Amen. I wanted to deal with the Trumpets there. I don't want to go further. I know that going there, I will take almost an hour again, and that will be punishment for some of the strangers and different ones here tonight. They may not be acquainted with these kinds of long services; but I trust by the grace of God, they will understand that it is a very serious Hour we are living in.

Nations are breaking, Israel's awaking,  
The signs that the prophets foretold;  
(Let us sing that.)

The Gentile days numbered, with horrors  
encumbered;

A plague of locusts, hail, fire, blood and all these things. Why did God put those things there? To show Israel is being called out from Egypt again; spiritual Egypt, the world, the nations, bringing them back to Palestine. And the Feast of the Trumpets, it came right after the Feast of Pentecost, right after the Church Ages; and Seventh Church Age was the Pentecostal Church, 1906, Azusa Street, California. It broke out there. And then, 1914 to 1918, the world went to war in World War I. 1939 to 1945: World War II. 1946 May 7<sup>th</sup>, Israel, the Six Point star of David, the oldest ensign on the earth, flew over Jerusalem – when you see the fig tree putting forth its bud, you know that summer is nigh, even at the doors. The very same day, very same hour, the Angel of the Lord appeared to the Prophet in the cave and said,

“Go around the world now; it is time to call the Bride out.” And he went forth with two signs to attract their attention, the First and Second Pulls, and a Message of Seven Thunders to reveal the mysteries, “Come out of her My people”, to reveal these Things to call her; rush her out of organizations back into one place, the only provided place of worship, where she is going to recognize the true Atonement also. Just like Israel, from all nations, rushed her back out to one place, Palestine, where they are going to recognize Jesus Christ. Like in type, when Joseph’s brothers came and began to cry, and Joseph said, “It is I, Joseph. You thought you had killed me, but I had to save life.” But during that time, he got a Gentile Bride. Is that correct? It is all happening.

But I wanted you to see what those locusts were; They looked so mysterious all those years in that Euphrates River, how they were bound there. But look these last few nights there, the Holy Spirit revealed the Euphrates River, revealed what those locusts are right out of the Scriptures, right out of the Message, to show you. One was the Seals. One was the Trumpets. One was politics. One was religion. Both were the Roman spirit. It was bound by ecclesiastical powers during the Ages there. It was loosed in the Trumpets by the dictators in the political realm. It was the Roman spirit all the time. It was Lucifer himself and his army that were cast down; had their seat in Babylon; a river flowing out there.

And here among the true Bride, angelic beings, Ministering spirits, making them a flame of fire, amen; angels of God gathered here, Amen, and a River flowing out, a pure River of the Water of Life, clear as crystal. Amen. Look at all these things right here in the Bible before us. And the Feast of the Trumpets that followed the Feast of Pentecost, it came directly after the Feast of Pentecost. And the last Church Age in the Pentecostal Feast was the Pentecostal church here. And right after the Pentecostal church, in Azusa in 1906, the world

went to war twice, amen; and during those times Israel was gathered back in the homeland after been scattered for 2500 years, to show that those Seven Trumpets that followed the Church Ages pertained to the gathering of Israel, the Feast of the Trumpets. And God hardened Pharaoh's heart to drive them out, the same way God hardened the dictators' hearts to get them back in the homeland. National forces put them back in the homeland.

And here, right here in the Scripture, we see that all along it was Lucifer and his angels using the dictators to achieve his political means, because he wants to control both religion and politics, to be complete ruler of the whole world. Amen. And how successfully he has worked, how he has achieved it, until now the image that is being formed unto the Beast, the World Council of Churches, is going to give their support to the Beast. And through the vehicle of the World Council of Churches, the image of the Beast that is going to come out of America, Revelation 13, is going to bring a Squeeze upon the little Bride.

But that isn't all. Right between that time, we are going to pick it up and show how God Himself, Jehovah, leaves the portals of glory, and drops down as a thief in the night among the Elected Seed. Look how clear we see Satan working behind the political scene. Then wouldn't it be clear to see God working behind the scene of the Bride the same way? And if you could believe that the Devil is behind those things, why can't you believe that God is behind the Bride, when it is the two of them fighting one another, all down the way through? Look at these Things tonight. The Holy Spirit is making all these Things plain and making it so real unto us. It is the grace of God, amazing grace. If God didn't show it, you couldn't see it. It is God's thinking, God's understanding. Amen. I thank Him for it; all the glory to Jesus.

It is a time when the whole world is falling apart and the kingdom of this world is becoming the Kingdom of our Lord and His Christ. And the delegates of that new City, of that Kingdom, are being gathered right now. And the very King, King Theophany Jesus, is in the midst right now. Amen.

And Brother Wilson, I think, or someone was praying last night; a nation in a nation, a Kingdom in a kingdom; a generation out of this wicked generation; a chosen generation; a peculiar people; a holy nation; a royal priesthood, He has made you tonight. Amen. That He could come down among people like us, right here, and make these Things so plain. "You might think this might have been somewhere in the Vatican City," he said; but among a humble bunch of people, just like in the early Age, to show that God dwells in humility and reveals Himself in simplicity. When we are looking for It, we must have the Token to examine It, otherwise It will pass right through our midst. Look to the unseen tonight, and see God unveiled before us, made so plain, warning us and alerting us that the time is at hand. "Behold, I come quickly; and My reward is with Me." And may the praise in your heart cry out, "Even so, come, Lord Jesus. Even so, come, Lord Jesus.

Let us sing that song, Nations are breaking.

[#667- Songs That Live -Ed.]

*Nations are breaking,*

Israel's awaking; thirty-six years they are gathered and waiting there. The Hour has come.

The Gentile days numbered...

Eternity soon will unfold.

Oh, it is lamp trimming time saints; open up your heart unto Him tonight.

The day of redemption...

Men's hearts are failing for fear.

Oh, Be filled with the Spirit, tonight

Oh, look away from this world and look up!

Oh, The fig tree is growing;  
Jerusalem's restoring  
*Her national life, long dethroned;*  
Today she is calling,  
*Today she is calling, her latter rain's falling*  
*"Return, O dispersed, to your own."*

*The day of redemption is near,*  
Oh, we believe tonight with all our hearts.  
Men's hearts...  
*Men's hearts are failing for fear;*  
But you little Bride, be filled with His spirit  
*Be filled with the Spirit,*  
*Your lamps trimmed and clear,*  
Just look up tonight  
*Look up! your redemption is near.*

False prophets are lying,  
God's truth they're denying.  
That Jesus the Christ is our God;  
Though this generation...

The day of redemption; everyone sing it.

*The day of redemption is near,*  
*Man's hearts are failing for fear;*  
*Be filled with the Spirit,*  
*Your lamps trimmed and clear,*  
Look up tonight  
*Look up! your redemption is near.*

Oh, let's sing: *It shall flow like the river. It shall fall like the rain.*

*It shall flow like the river,*  
*It shall fall like the rain,*  
It shall rise like the dew  
*It shall rise like the dew*

In the morning o'er the plain.  
*In the morning, o'er the plain;*  
 For the knowledge of the Lord  
*For the knowledge of the Lord*  
 Shall fill all the earth,  
*Shall fill all the earth,*  
 And the Spirit of the Lord shall fall.  
*And the Spirit of the Lord shall fall.*

Oh, let the Sisters sing that one more time.  
*It shall flow like the river,*  
 Oh flow river, flow tonight  
 It shall fall like the rain  
 It shall rise as the dew  
*It shall rise as the dew*  
 In the morning, o'er the plain.  
 Oh for the knowledge of the Lord, tonight  
 Hallelujah, oh hallelujah, Glory to God!  
 Every head bowed. Every eye closed.

Father, how we thank You. Lord, when we think that when it is most dark, then the Light shines brightest. Lord, this Light that You have sent unto us, shining forth so bright now, Father, brighter than we have ever seen it before, making the path so clear, bringing such an assurance in the heart of Your Elected Bride.

Father, we thank You tonight, Lord, for the grace You have given unto us. You have anointed our eyes to see the Things which we see. For You said there were many wise men, many prophets of old, many sages, who desired to see and to know these Things, Father. Oh God, but You hid It from the wise and the prudent, and You revealed It unto babes, such as would learn.

Lord, we thank You tonight, for the revelation of Your Word. Oh God, make It plain unto us, the hidden, secret Things, Father, which in past times for our very own protection, Lord, You held back. But dear God, when we realize that You came and made these things so plain now; these past few nights we know we have sat at Your

feet and have been in Your Presence, as the supernatural Mind of Jesus Christ has dropped down amongst us, speaking Things, great and mighty Things that we don't know of, and making it so plain unto us Father.

Lord, how we appreciate You. And as it gets darker, and the way grows narrower, and the oppression becomes greater, yet the assurance becomes stronger in our hearts, that You are here with us Lord. We realize it is lamp trimming time. May the urgency strike the hearts of the people, so they would rise and trim their lamps; and Lord, look up, knowing their Redemption draweth nigh. This is the Hour that has come unto them, Adoption time. Speak these Things and make It real in every heart, Lord. Let them not miss the Hour that we are living in. Let it strike their hearts with such a reality. Oh God, may that sincerity, that deep love for You Lord, swell up in our hearts that we could cry out, "Even so, come, Lord Jesus."

Father, I pray for the strangers amongst us tonight. They have sat, many things might be kind of mysterious, but Lord, put that unction upon them, that they might search the Scriptures and see whether these Things be so, like the people in Berea. They were called 'noble' by the Holy Spirit, for they heard strange Things, and they searched the Scriptures to see whether these Things be so. Even that Ethiopian Eunuch, when he couldn't understand what he was reading, he said, "How can I understand, except some man shows me?"

Oh God, we see also in the Bible Aquila and Priscilla met Apollos, and Lord he was already a Christian, but he had to be taught the way of God more perfectly. Let that type of attitude be in their hearts, that oh God, they will go back and search these things. Lord, when they see that these things are so, may it strike them in reality, the Hour and the time that we are living in, and what the plan of God is for His Elected Bride.

Father, how plain You have shown tonight in Your Word, the things that are coming on the face of the earth with such rapidity. It has already got it in a firm grip - religion, politics, demon powers, this great move of the World Council of Churches, the image being formed unto the Beast, the lamb with two horns, civil and ecclesiastical powers, and then spoke like a dragon; Lord knowing that dragon was Rome. That dragon was Lucifer himself; that scarlet coloured Beast that fought You in the beginning Father; how he worked in such cunningness and subtily; religious deceitfulness to blind the minds of the people. As Paul said, *"If our gospel be hid, it is hid from them that are lost: whom the god of this world hath blinded the minds of the people."*

[2<sup>nd</sup> Corinthians 4:3-4 -Ed.]

Oh God, reach out Your mighty hand in this late Hour, with this final call, this Final Quickening unto the Rapture. And on some having compassion, pulling them out of the fire, even those that have their garments spotted by the flesh, that You might present us faultless, without spot, blameless unto the one, true God, our Lord Jesus Christ.

Father, keep us in Your Presence, keep us in this channel where You could keep speaking to us, that Your Word could become more real. With reverence and respect in our hearts, with all sincerity, we thank You for it.

May You bring us back tomorrow, should You tarry and allow us life. And Father, may You give more unto us, that Lord there would not one here that would be left without understanding, but they will know perfectly what the will of the Lord is, in this late Hour that we are living in.

Take us safely to our homes now, and may You go with us; those who have to travel far, grant them traveling mercies. Keep us abiding in Your Love, Father, as we go. May Your richest blessings be in our hearts;

for we ask it in the precious Name of our Lord Jesus Christ, Amen.

You may have your seat.

Let us sing, Learning to lean, learning to lean.

I'm learning to lean on Jesus.

[#313- Songs That Live -Ed.]

*Learning to lean...*

Come out early tomorrow night; come and pray up;  
come with great expectation in your heart.

*...to lean on Jesus,*

Gaining more power...

*Gaining more power than I ever dreamed.*
