THE FALLEN STAR AND THE BOTTOMLESS PIT

*The Three Woes Between The Opening And The Closing
of The Bottomless Pit*

TRINIDAD

SUNDAY 01ST NOVEMBER 2020

BRO. VIN A. DAYAL

Praise the Lord.

We are very happy once again to be gathered together with you in His Divine Presence. I thought, at first, I was going to play a service—one of the prerecorded services—because I was so moved and affected listening to one, and it's right in what we are doing, but somehow I just felt I wanted to stay a little bit and preach. And I feel good this evening to come to the sacred desk; depending on the Lord Jesus and looking unto Him Who has been so faithful unto us throughout these years.

Such a tremendous time to serve the Lord and to be a Christian, to serve God with conviction and with purpose. I trust you've been having a good time staying close to Him; staying in His Presence, under His leadership; and not becoming lackadaisical or slothful, but understanding the time and having the spiritual discernment to maintain your atmosphere.

As the Prophet said, "Wouldn't you like to live where you're conscious that the Unseen World is with you all the time, and that you could be a candidate for the Supernatural through the baptism of the Holy Ghost; an associate with the Unseen World?" This is the place we need to be in this Hour, where that Word could become a reality to us; where we can meet that Light

that brings the Word to reality; where we can have personal contact.

Like he said about Moses at the burning bush; he had personal contact. Amen. His mother had taught him a few things and he listened to her faithfully, and he went out knowing it was the Scripture. But it was all just an intellectual thing; and when he had the first real challenge, he had to go running. You remember that? When the man said, “Do you think you’re going to kill me like you killed the Egyptian yesterday?” And, “Who made you a ruler over us?” [Exodus 2:11-14 -Ed.] Moses was trying to bring unity amongst the people, but the enemy moved in there and Moses became so scared when he realized there were Egyptians in close vicinity who heard the conversation, and Moses ran. Forty years after, God had him thoroughly emptied out. He was now getting ready at eighty-years-old to fulfill what God had spoken. He tried to do it earlier in life at forty, but it wouldn’t work. He just had—at forty, he only had an intellectual conception. He didn’t meet that Light. He sat under mama, and mama told him certain things.

This is the Hour we need to have that personal contact. This is the hour we want to be walking in that level of awareness. And you pray in your heart for that, you’re going to find that you are praying directly in the will of God because that is what God desires to give you, because you can only really represent Him when you have made yourself available to Him. It is not you, but you are a channel, amen, that God can work in and through. God uses redeemed men to fulfill His Word.

So God bless you and bless each family wherever you are gathered this evening. And may you continue to pray for each other; for me, for the other ministers, as we all labour; the Sunday school teachers; everyone who’s in their area of responsibility; the deacons. Remember the church is functioning exactly according to the blueprint in the Scripture. We’ve had a season where we could’ve gathered in one place, under one roof.

That had its benefits and it also had its hindrances. Amen. But now we really want to know we are walking connected to our Head, Christ Jesus. And the Word from the Head is coming down into the body and *as many as are led by the Spirit of God, they are the sons of God.* [Romans 8:14 -Ed.] Amen. And may this be a time when God can do great, mighty things through the members of His body. Amen?

I'd like to invite you now to join with me for a word prayer as we look to the Lord and have faith in Him this evening. Amen.

Think of this great Invisible Union in this uniting time. This is the sign of this time: the uniting that is taking place among the members of the body, and the body to the Head; and the Headship having the pre-eminence, the oversight and the leading, leading a circumcised Church—the true circumcision, not the Old Testament circumcision, the New Testament. It's called the circumcision of Christ, where we put off the old man—not a portion of the foreskin of the male reproductive organ, not that, but the entire old man; we put off the old man and put on the New Man. We are raised up alive from the dead to walk in the newness of life, to live for Christ under the power of the Holy Spirit. What a thing that is, my friends.

So join with me now. I trust that we have a wonderful time, I trust that we won't be too long and that we could just hit some places. And I really want to take this as a little—well, I want to read a little bit because I feel you will get more. Because you get inspired under the preaching, the Word begins to go up in a realm and many people get left out; and I'm just flying, enjoying myself up there. But I want to bring it down for you where you can have it in your heart and understand, and you can feel it; and we drive down the points as we see it is needed. So let's go to prayer.

I also have a prayer request for two sons of our beloved Sis. Donna Little out in the United States there,

Nicholas and Ryan. She's requesting special prayer for them. And today, my granddaughter, Scarlet, is eleven-years-old today. Really precious, special girl, we want to remember her in prayer also by God's grace. She was born on the 1st of November, that's today, amen, eleven-years-old. So let's just bow our hearts. If you have a request, hold it in your heart and believe.

And this is great. You know, when we have—sometimes we have requests, people write it up and send it up, you don't even know—the people just write it and send it, you do not know if they have faith, if they are confessing that faith. It's just a written piece of paper. But when you have to stand there and believe in your heart; and you have your request, and you are serving God, and you know through confession and faith you are subject to all the Powers of God that are in heaven, amen; when you are sincere and you come His provided way through that New and Living Way, through His Precious Blood that brings you before the Throne of Grace, you know you shall obtain mercy and find grace to help you in time of need.

And if you have a need for divine healing, remember He is the great High Priest that can be touched with the feeling of our infirmities; that when you stand praying, believe that you have received what you asked for and you shall have it. Let us pray.

Beloved Jesus, we bow our hearts in Your Divine Presence this evening. Thanking You, dear God, for the blessed opportunity to come and assemble ourselves in the Divine Presence. And knowing that even though we assemble ourselves together as a people because of a schedule, because of the time of the gathering—yet it will still take faith in our hearts; it will still take us laying aside every weight and every sin that so easily beset us. And as we approach Your Divine Presence, Lord, You said that he that cometh unto you must first believe that You are a rewarder of them that diligently seek You.

Oh God, and like Enoch, Father, he had a testimony that he pleased God before he was translated, so we want to come, Lord, with the faith, with expectation in our hearts, and confessing our sins and our shortcomings. And as we draw nigh unto You, Lord God, to have the confidence that You are God, the God of the amen, the God who keeps His Word; it is impossible for You to lie. Oh God, You are the God of the unfailing promise, and when we stand here and we believe that we have received what we asked for, we shall have it.

Oh God, may this faith drop into every heart, faith as a grain of mustard seed, You said. Not just the size of the seed, but the quality of the seed. Lord, a faith that cannot be hybrid, knowing that mustard seeds cannot be hybridised, oh God. Lord, to have that original, genuine Holy Ghost faith, dear God, that we can ask this and know, Father, it is a settled thing with You because Your ear is always attentive to the voice of our supplications.

And so dear God, we look to You this evening. May in the Name of Jesus Christ, Lord God, You who know; You are the omniscient One; Your eyes see to and fro throughout the earth. [It] makes us think about that time when Bro. Branham was driving with his family, Lord, around the mountain, taking them for a drive. The wife [was] all tore up and nervous, and he wanted to do something, Lord, to give them a chance to relax and to get away from the tension and the pressures. All day people were in the house, coming with prayer requests, and lined up, and everything else, oh God; and the children did not get time to eat, and the wife, Lord God, not being able to function in the home with all those different people and everything else.

And while he was going, Lord, the screen on the car, the windscreen just became foggy, and he was now seeing into South Africa, in Durban, in the railway station. How great you are, dear God! And he saw them

taking Bro. Bosworth off the train; and he saw the ambulance, and he heard the conversation, and Bro. Bosworth saying, "Call Bro. Branham; tell him to pray for me." Because the doctors, Lord, felt he did not have much of a chance, Lord God, that amoeba was moving to the heart, oh God; and him out there in the missionary field. But the love he had for Your Prophet and knew the Prophet had for him, as two bosom friends, oh God, Father; and he knew that if Bro. Branham would pray, oh God, that was a friend he had that loved him, and he could be assured that he would have his welfare at heart, knowing, oh God, the great history they had together.

And dear God as your Prophet saw that and he told his wife, Lord, how he stopped the car and went into the woods nearby and prayed. And then he was waiting to hear the reply, and he was checking it out on the Pan-American chart in the different time zones to see, Lord, when the...what was taking place. And then the next day the telegram came saying, oh God, that Bro. Bosworth is well; and when Your Prophet checked the time the vision broke and the time that the telegram arrived, he realized the Angel had beaten the telegram by twenty-four hours. What a great thing!

Lord, You put these things in the Bible to show when we stand having a need and praying; and we are in that kind of time and season where the Church ought to be walking in this supernatural realm, oh God, under Your leadership, and where there could be love in the body and unity. And we are connected worldwide regardless; time and distance means nothing because we are part of the redeemed in Christ, sheltered under the Blood and have access to You, the accessible God in the time of crisis that, Lord God, we could hold upon Your promises. And You said, "If two shall agree as upon touching anything it shall be done."

I pray for these two boys, oh God, Nicholas and Ryan, the sons of our beloved Sis. Donna. May You bless

them; may You strengthen them. Oh God, as a mother, like Hattie Wright for her two boys, desiring to see them with the Holy Ghost, desiring to see them, oh God, walk in the Light, get a revelation of Your Word, Lord God; that You can give them a new heart and a new spirit and pour Your Spirit. You said this is what you will do for Your children, oh God. May You grant it, Lord. You are the God of the new creation. Lord God, You are the God who can change things, oh God. You can change hearts and lives.

And Lord God when we can stand with faith in the Atonement under Your shed blood and pray in harmony and unity, asking these things, knowing that You are the same yesterday, today and forever; we can receive these things, Father. And I pray You will bless the boys and they will walk close to their mother and she, oh God, will have such a bond with them, knowing the love that she has for those boys and desire to see them filled with the Holy Ghost, serving God. May You grant it, Lord.

And Lord, my little granddaughter, Scarlet; such a special little girl. Her birthday falls today, the 1st of November, and Lord we pray, Father, that You would bless her and Your Holy Spirit, dear God, will move in her life like those eleventh hour Gentile workers. Lord God, she's eleven today, the first day of the eleventh month. May the Holy Ghost move in the heart of this girl and may you bless her, oh God, knowing she has such a respect and reverence for You, dear God. Lord God, may she receive the baptism of the Holy Ghost in this hour, that, Lord God, will seal her away.

Oh, may you grant it Lord; she and all her, Lord God, cousins, Lord, Timmy's daughters and son, and David's other daughters, oh God. And, Lord, the rest of the grandchildren Father, Lord, little Jeffy and Faith, and all of them in this hour, Lord; and Sunrise's children, Lord, they could receive—Nathalia—what they have

need of. May You grant it, Father. We believe You, we look to You.

You said ask that our joys may be filled. We get so many things [that] clog up our minds sometimes, things hindering our faith but not hindering You because with You it's a finished work; it was done, it was settled. Lord God, even though while we were sinners in the world, our salvation (Lord) was paid for, our healing was paid for, everything, it's just that we didn't know it. But when the Holy Ghost came, You led us to see what You have done on our behalf that we can identify ourselves with that sacrifice and receive the blessings, and live in the enjoyment of those blessings.

And I pray that this will be an hour when parents, oh God, will have faith to believe for their children, oh God; and the family circle, the unbelieving husband, the unbelieving wife, oh God, the unbelieving children that might be grown up. In the Name of Jesus Christ, may You the almighty God, Father, move among Your people in this hour that we can see all those family members, Lord God, have an experience, oh God, and get into the Ark of safety in this hour. May You grant it, Lord.

And Lord God we ask now that You lead us and guide us in the paths of service. And may the service this evening, You give me the unction, the utterance, the leadership, oh God; a clear channel. Help me to be so yielded and submitted and surrendered to You that Your will could be done.

I pray, oh God, even for those who have their unspoken request in their heart wherever they are and the things they are believing for, oh God, may You hear and answer, knowing our thoughts speak louder in heaven than our words on earth. We believe—You said when we pray, believe that we have received what we asked for and we shall have it. Give faith for that, Father, that no one will doubt, oh God, but they will believe that they have received. And so let it be to Your honour and Your glory.

Now, dear God, may you open the Scriptures, open our understanding; and may that divine Holy Spirit, Lord, oh God, come down and just break the Bread of Life and feed our hungry souls. We thank You and praise You as we ask these mercies in the precious, almighty Name of Jesus Christ our Lord, amen.

Praise the Lord. I have a little title this evening and I want to call it, "**THE FALLEN STAR AND THE Bottomless Pit.**" THE FALLEN STAR AND THE Bottomless Pit. And I'm taking a little subject, "**The Three Woes Between The Opening And The Closing Of The Bottomless Pit.**" The Three Woes Between The Opening And The Closing Of The Bottomless Pit.

The word 'the pit' is used in the Old Testament; but in the book of Revelation, seven times we read of the Bottomless Pit, the abyss, the abode of demon powers. And it's a prison down there. And we see in the book of Revelation that Pit was opened, and we also see in the book of Revelation that Pit was closed.

And so—but we discover that there are three woes between the opening and closing of the Bottomless Pit; and the three woes are the Fifth Trumpet, the Sixth Trumpet and the Seventh Trumpet. *Woe, Woe, Woe by reason of the last three trumpets which are yet to sound*, which is World War I, World War II, and World War III. And so that has something to do with the Bottomless Pit, the opening and closing; because it is through the opening of that Bottomless Pit these demon spirits come out, an army.

And they couldn't go into Heaven. Amen. They came into these three dimensions because this is where they could get a body. If they go into the Regions of the Lost, nobody has a body there. They left their bodies on earth when they died. They can't go into the Sixth Dimension. And up there are only celestial bodies, and those celestial bodies are the bodies of the Redeemed; and you have to have perfect love to go there, and those demons can't go there. Do you understand?

So here we are seeing that the only place they can get a body that is alive is on the earth. And they just can't get a body to possess; only if that soul in that body is dead. You say, "What do you mean?" The Bible says the soul that sinneth shall surely die. You could be alive in your body and dead in your soul. You could have many years in your body though that soul is dead. That name is blotted out of the Book of Life and that person is just alive in their body, like the rich young ruler. And you continue to live; you could be blessed, you're enjoying life in the flesh, so to speak, but that soul is dead. It crossed the line between mercy and judgment. Amen. And while that body is alive, those demons have access to those bodies if that name is blotted out of the Book.

For believers, they are sealed with the Holy Ghost. And if they are sealed, then the demons can't come into them. He could oppress them. He could try to fight them and beat them up and these things. He could make life miserable and restless for them and keep them in a battle, in a struggle, but he can't enter into their soul because he is sealed out; because that Holy Ghost has sealed them into the Body of Christ. And Satan, those demons can't come into the Body of Christ, because to come into the Body of Christ you have to come through Justification, Sanctification, the New Birth. That's "By one Spirit you are baptized into the Body of Christ." [1st Cor. 12:13 -Ed.]

A lot is said right there. If you understand, a lot is said right there. Three Woes Between The Opening And The Closing Of The Bottomless Pit.

Once the Bottomless Pit was opened we see demons leaving, and we find them on earth. We find them on earth; but we find them in human bodies. And this message here is dealing with Demonology, but not demonology as the carnal, uninitiated mind might think of it. Because you have the carnal church members, you know, they're not in the Word, they do not really understand spiritual things, so when they think of

demons, they say, "That person has a demon.", they mean some bad attitude or something. And when they think of demons, you know, it's somebody cursing somebody [else]. They say, "He's really demon-possessed." Or some person, you know, maybe doing some vulgar thing, say, "Boy, she really has a demon, yes." You know? And they think of demons maybe like in one category.

But we want to understand this because this is why so many are unable to have the victory, and so many are not really living overcoming lives because they lack the understanding of Demonology. If you say you know the Holy Spirit and you don't know the devil, you're confused. Because once you have the Holy Spirit you are a target, and Satan is coming after you. That's right. So you are going to be attacked because he knows the Spirit of God can work in you and through you. Sometimes he tries to bring things to make you doubt. Sometimes he tries to hold you in condemnation. Sometimes he tries to bring fear, things you have not yet experienced. See?

Because you could have the Holy Ghost and you are a baby, because you are not born a man with the Holy Ghost. When you are a child you think as a child. See? As newborn babes you desire the sincere milk of the Word; you don't know the Word too good as yet. As a child you're tossed to and fro by winds of doctrine. When you are a child you think as a child. But meat belongeth to them that are of full age. When you become a mature Christian, now, and you have spiritual discernment, the gifts of the Spirit can operate in you and through you. You can walk with confidence. You have wisdom, you have knowledge. If you just used to run about in the zeal of the flesh to do things, the first thing you think is: "Where is that in the Word? What does the Word say about that? How to approach that?" That is people who have the Holy Spirit. You have a decision to make, you don't look to carnal opinion of

man. You have leadership of the Holy Ghost. You have access to God: “Lord, lead me and guide me. Lord, give me Your mind let me see this. What is this, Father? What is this taking place here? Give me the wisdom and the understanding to know how to deal with this. Give me the right attitude in dealing with it.” This is how the Spirit-filled life operates.

We find so many, you know, they are unable to... See, the Holy Ghost is Christ in you; and that is not a spirit of fear and bondage. That’s a spirit of love and power and a sound mind. And as the more that life increases in you as you grow, you find your entire being will come into control under the Holy Spirit, because the more He takes you over is the more pre-eminence He’s having in you and the more He can guide you and lead you and keep you sensitive to hear His voice, especially that still small voice that speaks from the inner man. Glory be to God.

I’m sure you agree with me. I’m sure you can catch what we are saying.

So let’s just read. I want to read out of Isaiah 13. I’m going to read three verses. And I’m going to pick three verses I want to pick out of Isaiah 13 because I’m choosing these three verses to show you that Isaiah here is speaking to the king of Babylon and Babylon. And that is important because we have a Mystery Babylon today, and we have a king of that Mystery Babylon, and he is the angel of the Bottomless Pit. He incarnate in human flesh will become the Beast and set down his mark. But he’s Antichrist, he’s False Prophet, and then he becomes Beast. That’s the three phases of the revelation of this one.

So Isaiah 13, verse 1:

¹ The burden of Babylon, which Isaiah the son of Amoz did see.

¹⁷ Behold, [verse 17 now] I will stir up the Medes against them,

Isaiah was maybe one hundred and seven-plus years before Jeremiah. But notice something, Jeremiah, in his time he saw how the king of Babylon was going to come and take the people into captivity for seventy years. That was Jeremiah's prophecy. Isaiah didn't say how many years they were going into captivity or anything like that; but God showed Jeremiah the time, how many years – seven decades, and these things.

Another thing that we find here is that Isaiah was the one who talked about "Cyrus, my servant", Isaiah 44 and 45. And Cyrus and Darius, Medes and Persians, Daniel had seen after the head of gold, Babylon, the Medes and Persians were going to come after. And Daniel interpreted the handwriting on the wall, "Mene, Mene, Tekel, Upharsin: You are weighed in the balances and found wanting; and your kingdom is given over to the Medes and the Persians". [Daniel 5:25-28-Ed.] Daniel understood by revelation and vision which power was going to come and overthrow Babylon. And you know with the handwriting on the wall when Belshazzar had that drunken feast, who was the people? The Medes.

Look how here it says, in verse 17 Isaiah is saying, *I will stir up the Medes against them*, and Isaiah spoke of Darius and Cyrus. Cyrus, the head of the Medes and Persians which was a joint kingdom, a dual kingdom; and Cryus was really, I think, Darius was his son-in-law. You see?

So when we look at this we realize how the Spirit of prophecy could speak over one hundred years before, name Cryus, name the two-leaved gates and these things of Babylon will be opened; and how even in that time Daniel found in Jeremiah's writing those things, that they were down there sixty-eight years and they were going to come back out. And Daniel saw how—he was the one, as I say, interpreted the handwriting on the wall because he lived in the Babylonian kingdom and in part of the Persian kingdom. He lived in the transition of those kingdoms, because under Darius

they threw him into the lion's den – you remember that – when they were passing laws and so on. So it's such a wonderful thing when you can think of it.

Now many times we read like this—I want you to think. You know, it's the same way when people read the Message. They read the Message and they see Bro. Branham does this, Bro. Branham says this; Bro. Branham does this, and Bro. Branham says this. And they don't go far in revelation, because what they are really supposed to be seeing is God revealed this to His Prophet. A prophet is the mouthpiece of God. God spoke that through His Prophet. God gave the Prophet that vision. When you go there you begin to see God is doing something. Before the Prophet came God was there working in Six Messengers; before he came. After the Prophet left, “The Spirit and the Bride”, God is working through them. After the Bride leaves God will continue to speak through Moses and Elijah to the 144,000.

So God is from the beginning to the end. Men come and go. And when you can see the continuity of God in His own Word—because remember, a Prophet many times is prophesying, but he doesn't understand everything he is prophesying. When Isaiah said, “Behold, a virgin shall conceive.”[Isaiah 7:14 –Ed.], you know, he said it because it came under inspiration. “And there shall be the voice of one crying in the wilderness.”[Isaiah 40:3 –Ed.] He doesn't even know the name of the man; he just said it. When Gabriel came, Gabriel told the father that, “That's your son coming. His name is going to be John to fulfill that Scripture.” You see?

So God does things like that, so you have to keep your eyes on God because the Spirit of God from Genesis 1 to Revelation 22 is that one Holy Spirit through the Book. And that's why when that Holy Spirit is present with us—because we are in the time of the Bride; not just the Bride, but the Spirit that was there from Genesis 1. The Spirit that was there speaking to Abraham; had spoken to Enoch and Noah; speaking to

Isaiah and Jeremiah; had spoken to Moses; spoke through John and Jesus and Paul; that Holy Spirit came and spoke through the Prophet, and that Holy Spirit is speaking through Bride. That's one Spirit down through the Bible. That's why when God moves on the scene He can speak, having the pre-eminence; and He is sovereign and His works are sovereign. He can do anything.

So think of it. It is such a great thing to keep your eyes on the Holy Spirit because you are led by the Spirit, and the Spirit is invisible. And the Spirit speaks His Word, and the Spirit is the only revealer of the Word. And the Spirit works through redeemed men that make up the Body of Christ in this Hour. The Spirit does not work in the unconverted. No. The Spirit has a Body. He is the Head of that Body, and He works in and through the members of that Body; and the Body is under the Headship because every member of the Body is connected to that Head.

So notice the first verse:

The Burden of Babylon, which Isaiah the son of Amoz did see.

Verse 17:

Behold, I will stir up the Medes against them,

Who is 'them'? Babylon.

...which shall not regard silver; and as for gold, they shall not delight in it.

Verse 19:

And Babylon, the glory of kingdoms, the beauty of the Chaldees' excellency, shall be as when God overthrew Sodom and Gomorrah.

Babylon— Remember how He told Jeremiah, "I give the earth, and I give the beasts of the field, and I give the fowls of the air, and I give every tree, and I give every kingdom to the king of Babylon; and they must obey the king of Babylon."? And then God said, "When the time

comes I will serve that king to others.” [Jer. 27:1-7-Ed.] And we see He did that in Daniel Chapter 5, when Babylon came to its end and the kingdom passed to the Medes and the Persians; and here we are seeing even in verse 17 when I read there it tells you that.

And you connect that, you’ll see how the Spirit that spoke through Isaiah, spoke through Jeremiah, spoke through Daniel on the same line of prophecy; and spoke through Bro. Branham quite in this Day when he said, “Notice Khrushchev took that shoe and beat it on the desk in United Nations meetings?” He said, “And what does ‘Khrushchev’ mean?” He said “clay. And ‘Eisenhower’? ‘Iron’.” He said, “Watch, the iron and clay can’t mix.” And where it was identified, look those same kingdoms come right down and even are identified in this Day.

So don’t you see how from one prophet... And you take from Isaiah, that is seven hundred and something years there before Christ came; and then we have two thousand years; so that is like twenty-seven hundred years. Watch the things that the Spirit spoke in prophecy have come right down to the very time here when he could say Eisenhower and Krushchev. And now we are saying Trump and Putin, the toes, the two big toes still. So you see where we’re at?

I say that to show you the Spirit, because remember the Spirit of God is eternal. He’s not a man who gets old and dies. And God is His Own interpreter! He interprets His Word by bringing it to pass. Man doesn't interpret God’s Word. God interprets His Word in man and through man. God is His Own interpreter. God is the ONLY revealer of the Word. The Spirit of Truth will come, bring back things to your remembrance; teach you all things; show you things to come. The Spirit of Truth will lead and guide you into all Truth. [John 16:13 – Ed.] That’s right. That’s the work of the Holy Ghost. That’s the ministry of the Holy Ghost. That’s why the

Prophet said the Holy Ghost is the Prophet of this hour; the Holy Ghost is the Messenger of this hour.

*19 And Babylon, the glory of kingdoms,
the
beauty of the Chaldees' excellency, shall
be as when God overthrew Sodom and
Gomorrah.*

And do you know how Sodom and Gomorrah were overthrown? Fire came down from above. What does Revelation 18 say? "In one hour, Babylon; strong is the Lord that judgeth her. Fill to her cup double as she has filled to others." In one hour that city was burnt. He said that can't be some natural fire; that's atomic fire, nuclear fire. See? So watch how this is Babylon back there, the shadow in the Old Testament foreshowing Mystery Babylon here in the last days, in the book of Revelation. Glory be to God!

So that's three verses. God bless you, you may have your seats. And now we go to Isaiah Chapter 14, which follows Isaiah Chapter 13.

I'm speaking on THE FALLEN STAR AND THE Bottomless Pit, *The Three Woes Between The Opening and The Closing of the Bottomless Pit.*

The Bottomless Pit is going to be closed back one of these days. After Armageddon the pit is going to be closed and we'll go into the Millennium, one thousand years. *Satan will be bound one thousand years, we'll have no tempter then, the song says. Are you watching for the coming of that glad millennial day, when our blessed Lord shall come and take His waiting Bride away? Oh my heart is filled with rapture... Amen. Oh yes, our Lord is coming back to earth again. Oh, that's the honeymoon time; the Bridegroom and the Bride. Amen.*

Isaiah 14, verse 4:

*That thou shalt take up this proverb
[God speaking to Isaiah His prophet]
against the king of Babylon, and say, How*

*hath the oppressor ceased! The golden city
ceased!*

My! In Isaiah's time God is telling Isaiah, "Take up this proverb against the king of Babylon", which was Nabopolassar. Nabopolassar is the father of Nebuchadnezzar. Nebuchadnezzar was the one in the time of Jeremiah who laid the siege, captured the nation; burnt the city, burnt the temple, and took Daniel and Ezekiel and many of them down into Babylon in captivity. But in Isaiah's time Nabopolassar, which was Nebuchadnezzar's father, was king. And God was telling Isaiah, "Take this and say, 'How had the oppressor ceased and the golden city ceased'."

It wasn't going to cease in Nabopolassar's time; it was going to cease in Beltshazzar's time, because in Beltshazzar's time the king of Babylon fell. God had stirred up the Medes and the Persians when Cyrus got that dream to divert the riverbed. Is that correct? And they came under the city and they were right there; and that's why Daniel told Beltshazzar: "This night you shall be killed, and your kingdom taken away from you." Because they were already in the city when that handwriting came on the wall.

He in his arrogance and pride brought out the vessels; and had this whole great show and pomp and carrying-on to desecrate the vessels and give honour to the kings of Babylon because they had conquered the world, not knowing he was the last king there. And then it was going to go to the Medes and Persians; then it was going to go to Greece; then it was going to go to the Romans.

And there was not going to be another earthly kingdom after the Romans. The Romans would go from pagan Rome to papal Rome because he said there were only going to be four earthly kingdoms and then the Heavenly Kingdom comes down. Do you understand that? The Heavenly Kingdom comes down.

So when we watch and we see these things, I want you to follow this in your mind. I want to take my time and go slowly and read a little bit for you to catch the Scripture, because this is Scripture here, Isaiah 13 and 14, the prophet who received the revelation of the entire Bible...

Now, catch this, you know. Who was Isaiah? He was the prophet who received the revelation of the entire Bible. He wrote a miniature Bible. "How art thou fallen from Heaven, O Lucifer!" All the way back in eternity, all the way to the New Heaven and the New Earth in eternity. He wrote about the Ages, the Seals, the Trumpets, The Vials, the Thunders. Isaiah had a miniature Bible. See? So here we see Isaiah...

And remember in Isaiah chapter 6 is where he got the heavenly vision, he was cleansed by a living Fire; and he went forth with reverence, humility and in action, having the fullness of the Word. Here we see Isaiah now thundering forth this message of judgment, here in the 13th and 14th chapters, against Babylon and her king in whom Lucifer was veiled. Isaiah is thundering forth: "The burden of Babylon!" God put a word upon him, a word in his heart to speak against Babylon.

You see, people don't understand ministers sometimes, you know—elected, called, anointed and placed ministers. They feel, "Well, that is somebody in a church, and that minister there, somebody has to preach, so he's preaching..." No, no, no. Office gifts are with you before birth, during life, and after death. Office gifts, you can't pray for that; and that's what the carnal mind doesn't catch. You see? That is with you. This gift here also will be with me on the Other Side; and those who I was ordained to lead over on the Other Side will still be with me, because I will have to give account for them, according to Hebrews 13:17. That's right. Because in Israel when they had those twelve tribes that made up one nation, and we have had Seven Church Ages that make up one Bride, and seven Messengers.

And the way they had those twelve princes in Israel, they had the sons whose houses made up the tribes.

So Bro. Branham has people in this Age. He never came to the Caribbean, but he has people under a servant that God put there; servant that God put in China, servant that God put in Russia, servant that God put in New Zealand and Australia; servant that God put in Europe; servant that God... And they are sons born from his faith—Branham’s faith seed. That’s right. And they make up the body of believers, the family, those who come under the Eagle standard where they camp. And the prince of that tribe is the Messenger of the Age, and these are his wonderful helpers.

See, we really have to know God’s order; we really have to know God’s plan. And these things have been taught to us down through the years, see, and to understand it is not a carnal thing. That’s why when you miss this you miss sight of the Church. “Well, I don’t know why Bro. Vin closed down the church. And the church now here... and so and so and so...” and all these different kinds of talk, it’s because they never understood. They never lived in the realm of revelation. They just live in the humanistic realm; so they walk by sight and they kind of wonder like a wandering star: “I wonder if this...” and wonder that and wonder this.

If they had opened their hearts and surrendered their lives; and let the Holy Ghost wash them, filter their thinking and put the mind of Christ in and line them up with the Word; and they recognize where God has placed them to sit there under the Word, that they could be established in the present Truth and understand from 1966 to 2020, where they could be walking in step, in the rhythm of the Symphony of God’s Word. Glory be to God.

So watch.

...How hath the oppressor ceased! The golden city ceased!

God is telling Isaiah "Say this to the king of Babylon. Take up this proverb against the king of Babylon." Whether he spoke to him directly or not, who knows.

But the thing is, Bro. Branham spoke things to ministers in this Age who weren't even sitting there. That's right. He spoke things to the Bride who wasn't even sitting in front of him at that time. But God has a way to direct the Word that is for you to reach you.

And he spoke against those leaders in government, and that Jezebel system in the Vatican; yet he didn't stand up with a placard and go around the Vatican. No! He stood up in Jeffersonville; he stood in different places and spoke that Word; and that Word is recorded. He spoke those things against that city and against that one with the triple crown sitting inside there. Glory be to God!

See, you have to come up a little higher to see the Word; see how things operate; see how things are ordered in this realm that we live in; to catch a vision of the Time, the Hour. You see, this is not the Hour to be shallow. This is the Hour when the Bride is flying higher than she has ever flown, because this is the Age she has gone past the clapping of the hands, past the rhythm of the saints; past the rhythm of the music and all these things; the joy of the saints.

The Eagles have gone up into the supernatural realms, walking in the realm of Perfect Faith in this Hour, because they have come to know what God has made them in Christ. Because by and through the members, God's Eagles, He'll finish the Great Commission, He'll finish the Plan of Redemption. Christ in them, the hope of Glory. Greater is He that is in them than he that is in the world. [1st John 4:4 -Ed.]

They have the Key, the Word revealed, the revealed Word that can open up any door, giving them access to the blessings and the powers of God to carry out the Commission. "Move back! I have the King's scepter. I have the King's message. Move back!" Amen.

They have something to take them forward. Because why? They are elected, called, anointed and placed; anointed and commissioned; set in the Body. “And God has set in the Body apostles, prophets, teachers, pastors, evangelists.” God has set in the Church. [1st Corinthians 12:28 –Ed.] Glory be to God! How wonderful.

So He says, go and say...

...how hath the oppressor ceased! The golden city ceased!

Ceased— come to its end.

Verse 12 now...

How art thou fallen from heaven, O Lucifer, son of the morning!

Lucifer was veiled in the king of Babylon. Hmm, Hmm, Hmm, Hmm. And that whole system, that Babylonian system, how did he call it? “That golden city”, and “that oppressor” sitting there. They killed sixty-eight million. They have the Ecumenical Move. They are building the camps everywhere. They have the laws passed. While that group is riding, Death on that Pale Horse unites his powers, and Hell, devils incarnate also, coming to do what? Against the Elect of God (That's right.), to slaughter everything that is of God; blot it out! That they would kill everything that would not bow to the Image, to the Beast, and worship the Beast. See?

But there is a people that is going to be taken out of here; they're going to be walking in such a realm of faith. They didn't gather somewhere looking for some ship to go somewhere, or some plane to give them a flight to some place, and get a connecting flight to another place. No, no, no! They are going to walk in such a faith like Enoch walked, like Elijah walked. Oh my! They are going to leave a trail of paradoxes behind them before they are taken up: a quick, short, powerful demonstration. Not a thing—Maybe, they might be on television or so but to give faith for those who are connected to them who would not be going up together

with them; those who will have to go through the Tribulation. That's right.

So watch something here now. Let's read again, verse 12. So now He's speaking, see:

⁴ ...take up this proverb against the king of Babylon.

If you just read right down, he is still talking to Babylon. Chapter 13, it says: *The burden of Babylon, which Isaiah did see.*

God gave him a series of visions of Babylon and her king. Didn't Daniel have a series of visions of the Fourth Beast, the Fourth Kingdom and its king; Lucifer incarnate, the Little Horn, the Man of Sin, the Beast? Didn't God give John a series of visions also of Mystery Babylon and her king, and three unclean spirits coming out of his mouth, and these things? And who is able to make war with the Beast? That's right. So it's the same way...

Now remember, John only saw it in symbol form. But the real John, the Bride who is caught up at the end of the Seventh Church Age, who eat the Book and is to prophesy, John the Bride, the Eagle, they are the ones in this Hour who have those revelations of what these things mean.

*¹² How art thou fallen from heaven,
O Lucifer, son of the morning! How art
thou cut down to the ground, which didst
weaken the nations!*

He is talking directly to Satan. He knows where he is veiled. And he's talking to Satan about something...

Now this is about seven hundred years or so before the coming of Christ. And here in this we are seeing how he is talking to Lucifer concerning his fall in the battle that started in Heaven. The king of Babylon sitting there, as a man he might be confused with what is being said, but the spirit inside of him knows:

“Who is this man? He knows me.”

And just like those devils said, “We know Jesus and we know Paul...” I guarantee you that devil knew Isaiah. They knew Jeremiah. They knew Daniel. Because they knew the Spirit in that man. They had discernment of Spirit.

Now watch here. You are seeing a man speaking to a man— so it may appear. But the man who is a Prophet is really speaking to the spirit in that man, which is Lucifer who is veiled in that man. And he's saying,

12 How art thou fallen from heaven, O Lucifer, son of the morning! how art thou cut down to the ground, which didst weaken the nations!

And that is prophecy because notice the kingdom of Babylon didn't fall. That's why he said, *how hath the oppressor ceased! And the golden city ceased!* All of this is prophetic; speaking it to Satan— Lucifer veiled in flesh there. And now he goes even further

13 For thou hast said in thine heart, I will ascend into heaven, I will exalt my throne above the stars of God: I will sit also upon the mount of the congregation, in the sides of the north:

14 I will ascend above the heights of the clouds; I will be like the most High.

Five ‘I wills’. He is telling him, “You said this in your heart when you were up in Heaven.”

You see, sometimes the same way a man may think he could hide, so Lucifer thought he could hide. But he’s standing there, and Isaiah is watching him; and Isaiah is seeing him under vision. And the vision that is being given to Isaiah, Isaiah knew exactly what he was thinking that caused his fall. Could you catch that?

How many years you think, from...well that would have been like twenty-seven hundred years already. First two thousand years; then you have thirteen, that is if this is about seven hundred years before Christ,

you have that is like thirty-three...that is like thirty-three hundred years from Adam. And then before the Fall now, in Heaven—which, that was back in Eternity, when he fell from Eternity into Time—but he’s telling him quite back there. Could a man stand there and think back? Is that difficult or confusing?

How come Bro. Branham could tell the woman, “Twenty-five years ago...”? Because he’s talking to that particular woman who twenty-five years ago had a car crash. But the point is not how many years; the point is everybody’s life is recorded, and there’s a file somewhere. And these prophets had access to that database. So when they pull up somebody’s file, as old as that person is, they could see their past. You catch that? So Lucifer’s past is quite back there. And even the thoughts are recorded.

Didn’t the Prophet tell us our thoughts speak louder in heaven than our words on earth? And didn’t he tell us when you stand before the White Throne judgement, which Lucifer will be standing there too, and all those angels before they get cast into the lake of fire, everything about them would be on that great canvas just like the people who are there? Because the omniscient, the all-knowing God, the infinite God, who knows what everybody is thinking at any time; who knows every flea that bats its eye and how much tallow it makes.

Friends, we need to sit sometimes and pause and meditate and think of this God, how great, how wonderful, how marvellous! You don’t have to worry when you’re serving a God like that. If He is infinite, if He is omniscient, omnipotent, think of it, He has all power. He knows all things. No matter what He thinks and decrees, He has the power to bring it to pass.

That’s why He said, “Heaven and earth will pass away, but My Word will never pass away.” [Matthew 24:35 - Ed.] He’s able to do the exceedingly abundantly above all we can ask or even think. [Ephesians 3:20 -Ed.]

What a faith we should have in God. The reason we don't have that faith is we do not know this God as we should know Him. How we should desire to know this God!

We are walking in a Message where *Christ Is The Mystery of God Revealed* [[1963-0728](#)], *Christ Is Revealed In His Own Word* [[1965-0822m.](#)], *The Mighty God (is) Unveiled Before Us* [[1964-0629](#)]. The mystery of God would be finished in the sounding of the Seventh Angel.

You mean to say God has been unveiled, made known, revealed in His Word by His acts, His demonstration of power, doing the same miracles and everything He did back in the Bible time, created in this day; everything we need to know about God, how He works through visions and dreams and prophecy and all these things? If God has never failed and cannot fail, impossible for Him to fail, and that is the One who called us and made us His people? Oh my!

No wonder in the Dark Ages they just laid down their lives and walked in that arena! Had nothing to fear, because they knew that corn of wheat must fall in the ground and die; they will live again. "Fear not him who could destroy the body, but fear Him who could destroy both the body and soul." [Matt. 10:28 -Ed]

My, My, My. This is the God we're talking about. To know Him is Life. Not to know about Him; to know Him, and to know Him by revelation. And to know Him in the way He makes Himself known to us by breaking the Seals that were upon Him that kept Him a hidden mystery; and revealed Himself in His own Word from Genesis 1 to Revelation 22 and show to us we were always part of Him! We are His attributes. We have His potential as His sons and daughters!

What a faith we should have, and how close we want to walk knowing that it is His desire – not ours – His desire to make Himself known to us, to work through us; to share His glory, to share His throne, to share His dominion, to share His power with us; to put His Spirit

in us! That's right. That you will find that nothing is too hard to do because it is God's Spirit in you doing it, not you. Not him that willeth or him that runneth. [Romans 9:16 -Ed.] Not by your might or by your power, but by My Spirit saith the Lord. [Zechariah 4:6 -Ed.]

Aren't you happy for that? Aren't you happy for that? What a relationship we could have with this God in an Hour like this – so dark, so dismal, so unpredictable. This God who is opening the Word and making the revelation clear so we could walk with confidence in this dark Hour. His Word is a lamp unto our feet and a light unto our pathway giving us dominion that we could master all circumstances, where we walk with God in this fellowship with Him under His divine leadership.

Watch him here. Watch him here.

Maybe I'm going a little too slow but I'm just going as He has me to go. Because the Scripture is rich here and I'm trying to, as I get the utterance, to break it down for you. I want to just go as He leads me here.

Five 'I wills.' But watch the prophet how he knows everything about him, standing there. He was smitten there.

Think of Isaiah, a man standing there speaking to Lucifer like that; and nothing about Lucifer is hidden. Could you imagine Lucifer who is so confident that he could deceive, and he could overpower, and he could do this; and Isaiah under the blood of bulls and goats with that kind of discernment, seeing him under vision.

Could you imagine we under the Blood of Jesus Christ in this Hour and that Spirit inside of us? Isn't this what the manifestation of the sons of God is all about? Isn't this what God— not what we're desiring alone, but what God promised and wants to do in us? That we should be saying, "Oh God, we are Your sons, and we are understanding better our position. And we are seeing the extent You want to work in and through Your people, that we could be so linked to You, our Head, that You could work in and through every

member of the Body.” The Body fitly joined and compacted together by the measure that every joint supplieth for the more effectual working of the Body. [Ephesians 4:16 -Ed.]

Doesn't that make the Body of Christ a powerful thing? Doesn't that make you see, “If two shall agree as upon touching anything,” He says. What you bind on earth is bound in Heaven and what you loose on earth is loosed in Heaven? [Matt, 18:18-19 -Ed.]

Think of it. God is showing us that is what yielding and submitting and surrendering your life to Him can bring you: to walk in fellowship and in union and relationship. “And the same harmony that existed between the Father and the Son,” he says, “must now exist between the Bridegroom and the Bride. And She knows that it is He in Her fulfilling His own Word He left for this time.” She knows it is He in Her, because He said, “In that day you shall know as I was in the Father and the Father in Me, so I in you and you in Me.” She knows it is He in Her fulfilling His own Word, and greater is He that is in you than he that is in the world.

What a place He has called us to stand! What Grace He has given unto us to stand in. By faith we have access into this Grace. [Ephesians 4:16 -Ed.]

And verse 15 now, Yet you who want to ascend above the stars of God, you who want to ascend above the heights of the cloud, you who say ‘I will be like the most High God’, Yet, verse 15:

*Yet thou shall be brought down to hell,
to the sides of the pit.*

“Hell, to the sides of the pit.” The Pit and Hell are connected together. And remember Hell is that Fifth Dimension, the Regions of the Lost down in there where those who died outside of Christ go; those departed souls, like where the rich young ruler ended up, in torment. Not like Foolish Virgins and those who do good works who go Under the Altar, but those who go down to the Regions of the Lost, in the Fifth Dimension. And

below them is Fallen Angels. And below those Fallen Angels is Satan himself in his throne down in Hell.

And Isaiah is telling him, *Thou shall be brought down to hell, to the sides of the pit.*

So here we are seeing (Catch it.) the king of Babylon in whom Satan is veiled. And Lucifer who is veiled in the king of Babylon, this golden city, this oppressor, Satan, and... "Thou shall be brought down to Hell, to the sides of the Pit."

Isaiah knows a place called Hell. Isaiah knows a place called The Pit. And Isaiah knows that that is a place, Satan and his Fallen Angels are going to be put down in there.

Did we have an Isaiah in this Day? Did he say, "I feel like Isaiah. Woe is me, I am a man of unclean lips."? Did he see the Lord high and lifted up, twenty-seven miles high, thirty miles wide? Is that right? Did he bring the fullness of the Word? He had the Thunders that sealed up the whole Book and he is the Messenger of the book of Revelation; that out of the Ages comes the Seals, out of the Seals comes the Trumpets, out of the Trumpets comes the Vials, because it was sealed up with Seven Thunders. And Seven Thunders that Daniel heard and John heard and shut up the Book, uttered their voices to this one whose Ministry it was: "In the Days of the Voice of the Seventh Angel, when he shall begin to sound the Mystery would be finished."

We're going slow but we're on the Scripture here.

Luke 10 verse 18. This is Jesus speaking with His Apostles.

And he said unto them,

You see, they had come back rejoicing the devils was subjected unto them; and He told them, "don't rejoice that devils are subjected unto you, rejoice that your names are written in Heaven."

*And he said unto them, I beheld
Satan as lightning fall from heaven.*

“I beheld Satan as lightning fall from Heaven!” So here is Jesus. Isaiah saw him in vision; but Jesus, in His pre-incarnate state before He was manifested in flesh, He saw—Michael was Christ—He saw him fall as lightning from Heaven in the Angelic battle. As a matter of fact, He is the One who kicked him out of Heaven; kicked that mamba down. Amen. Glory be to God. “I beheld him fall as lightning.”

Now let's go to Revelation. And I want to take these seven places in Revelation that it speaks of the Pit, the Bottomless Pit; this Pit: Hell. And we're going to see if we find Lucifer down in there in the book of Revelation. We're going to see if we find that he was in Heaven in the book of Revelation; that if he's cast out of Heaven, if he came down into the Bottomless Pit, if he's going to come back out of the Bottomless Pit; if he's going to come up in the king of Babylon just like in the shadow in the Old Testament, but in reality form here in this Last Days; and if the battle that started in Heaven doesn't end up in the earth as in the Battle of Armageddon. It will. You will see it. The whole thing is a battle!

And this is where we are trying to come in from this angle so you can understand Demonology; because the problem is most of you, most believers—I am not even talking about denominational, I am talking about Message—they see people; they don't see spirits. They're not walking in the Realm of Revelation and Vision. They're not living conscious that the Unseen World is with them all the time.

I'll show you Micaiah under the ministry of Elijah with a Seventh Seal vision, he saw Hell opened and he saw a lying spirit come up. I'll show you Elisha with the secondhand robe and anointed with the Spirit, he was walking conscious of the Unseen World. When Gehazi was scared, he said, “Lord, open the boy's eyes.” And then he understood why Elisha was so calm. He was walking conscious of the Unseen World. He knew he

was anointed and commissioned. He knew he didn't just try something, or... No; God told Elijah, "Go and anoint him." And when he said, "Ask what you will", he said, "I want a double portion of your Spirit." And then he got the Robe and the Spirit also.

Watch and see if that doesn't type Christ and the Church; that when Jesus ascended on high He sent the Spirit back upon the Apostles. And they had the same Message and the same Spirit, and they went forth: Christ and the Church. So watch. See, it's something here that is so beautiful that you can see it. And I trust it is becoming real as I try to nail this down to you here.

Revelation 9:1-4 now. I read this last week because this is your Fifth Trumpet. Now I told you this Bottomless Pit is mentioned seven times in the book of Revelation. And the first time we see the Bottomless Pit, we are seeing it being opened. It was previously closed, but a key was given to open it. And since we know that that's Hell, a Dimension—that Fifth dimension—then it's the opening up of a Dimensional Door, because this is the Age when Hell is opened and Heaven is opened. John saw Heaven opened, and John saw the Bottomless Pit opened here. Notice when he's seeing it. And he's seeing it, he is seeing these things in the program of God taking place. It is being shown to him by visions.

And John represents a Last Day people here, Revelation 10:8-11, that eat that Book. Revelation 4: "Come up hither, John." And he ascended into Heaven, and he went through that Door. And from that Open Door he saw the Open Book. And then, in Revelation 10, between the Gentile Prophet and the Jewish Prophets, he is eating that Open Book. So follow these things close.

If you are in the Bride then this will have meaning to you, because I am tracing this to you that you can look and see: "Am I part of the Bride? Have I eaten the Book, or am I eating the Book, or am I kind of not interested in eating the Book? Or, I don't really eat the Book, I eat

the Express and the Guardian. [Local newspapers -Ed] Or, I eat other kinds of books, but I don't eat this Book." Understand.

This is the Book that was sealed with Seven Seals. This is the Book that has the secret [that was] in the back part of God's mind. This is the book that has the mystery of what is happening in this hour, of how that Pit is open and those demons are here, to understand. So notice we are finding out here now,

¹ And the fifth angel sounded...

Because remember these are the Trumpets, and this is the fifth angel. Verse 13 of chapter 8 tells us: "Woe, Woe, Woe by reason of the last three Trumpets which are yet to sound!" Four had sounded, and then the last three were the Fifth, Sixth and Seventh. And here we see the Fifth Angel sounding that Trumpet and said, "I saw a star fall from heaven unto the earth."

Now we have had two references of that: one in Luke 10:18 from Jesus, and one from Isaiah. Jesus said, "I saw Satan fall like lightning from heaven." Isaiah was saying, "How art thou fallen from heaven, O Lucifer, son of the morning?" You, the morning star; you, the son of the morning; You, the anointed cherub that covereth; you who were at the right hand of God there; you fell from there, and you fell down in the Bottomless Pit. "Brought down into hell in the sides of the pit." And Jesus is confirming that here too in Luke 10:18.

Now [in Revelation] 9:4 these scenes are being brought back to us here in connection to the Opening of the Pit. Why? Because that one who is fallen is in that Pit. And under the Fifth Trumpet—World War I, 1914 to 1918—here during that time of the Fifth Trumpet we are seeing that pit is going to be opened. Let's read.

...and I saw a star fall from heaven unto the earth: and to him was given the key...

A star fall from heaven? And where [did] it fall? Unto the earth. *And to him was given the key...* The star is a

him. To him, the star, is given the Key of the Bottomless Pit. Key of science, because to open that Dimensional Door your car key won't do it; your house key won't do it. You have to have a certain level of security; you have to have a certain access; you have to be given a certain permission.

It says,

² *And **he** opened the Bottomless Pit...*

This Fallen Star, this **he** who was given the Key, he opened the Pit.

...and there arose a smoke out of the pit, as the smoke of a great furnace; [And catch this now.] and the sun and the air were darkened by reason of the smoke of the pit.

³ *And there came out of the smoke locusts upon the earth: and unto them was given power, as the scorpions of the earth have power.*

⁴ *And it was commanded them that they should not hurt the grass of the earth, neither any green thing, neither any tree; but only those men which have not the seal of God in their foreheads.*

So this is not natural locust. If it is a natural locust, how could a natural locust, which eats grass and eats trees be commanded not to touch that, *but only those men which have not have the Seal of God in their foreheads?* How does a locust know if a man has the Seal of God in his forehead or not? Are you catching something there? See, it's symbol: *Revelation, Book of Symbols.* [[56-0617 -Ed.](#)] It's prophecy. It is something sealed up here in a symbol form.

You know, in the book of Joel that we had [The Book Of Joel: A Mystery of Rev 9 to 20 Sun. [19-0915](#) -Ed.], it revealed these things here. But let's go into it a little further.

...but only those men which have not the seal of God in their foreheads.

These locusts that come out of this Pit—which are supernatural devils—they can tell if you have the Seal of God or you don't have the Seal of God. They have that intelligence. If you can't discern them, they can discern you. You catch that? Because they can tell if you have the Seal of God or not.

You say, "What [do] you mean?"

Didn't those devils in Acts 19, tell the sons of Sceva, "Oh, so you all are coming to cast us out?" He said, "Can I see your credentials, sir?"

You know, if a policeman pulls up and wants to charge you for something, you can say, "Officer, you know there are a lot of people posing as police today. Can I see your badge or something?" If he's in plain clothes or something: "Let me see something to tell me [that] you have official authority for this." You can ask him for that.

Well, these devils, they know if a man has the Seal of God or not. So those devils said, "But how are you preaching in the name of Jesus, who Paul preached? What about your experience? We know Jesus, and we know Paul; but we don't know you. You just kind of come in recently into the police force? How long have you passed out and have been authorised, and given authority to come and cast us out or whatever?"

They realized those fellows were fake; they were just trying to play [that] they could cast out devils. And in Acts 19 they jumped on them. Because why? They realized they did not have any Seal of God. But Jesus had the Seal of God, and Paul had the Seal of God.

When we read things like this, you realize you cannot bluff these things, friends. You want to be living in a place where you have confidence in God, where you have faith in God. And you know your experience, and you know you have passed from Death unto Life, you are not living and walking in the old nature.

Sure, there is a law of sin in everybody's flesh; but you are partakers of a divine nature. The soul is

redeemed. Your body is still the same old body, subject to the curse. That's why you could get sick, that's why you are getting old, and you're aging. That's why you get tired and weary and these things. That's why you have to eat well to keep the body healthy and strong. But the soul is redeemed. That is changing from glory unto glory, and you are being formed into the Image of the Word. You are growing up into Christ.

So watch,

⁴ And it was commanded them that they should not hurt the grass of the earth, neither any green thing, neither any tree; but only those men which have not the seal of God in their foreheads.

In other words, the ones who had the Seal of God in their foreheads are The Redeemed, the names in the Lamb's Book of Life. Only Seed can be quickened; only the Father's Spiritual Genes. Right? Remember Ezekiel? They marked those in their foreheads who sighed and cried for the abomination in the city [Ezekiel 9:4 -Ed.]; the Intercessors; those who had the Seal of God.

Verse 11 now,

And they had a king over them, which is the angel of the Bottomless Pit...

So they had a king, and he is called the Angel of the Bottomless Pit. And we found out already who came down in the sides of the Pit- that Fallen Star who is given the Key, who is the one that caused the fall in Heaven; who broke the unity between Michael and His Angels; who by his tale pulled down one third of the stars. That's right.

He was the king. They were following him. They defected from Michael and they went with Lucifer. And Lucifer formed an army and was coming to make war.

*Kicked out of Heaven with a third of the stars,
Like lightning they fell to the earth.*

*...The Ancient of days is come,
with experience, maturity and wisdom...*

[Songs That Live #535 -Ed.]

Oh my! They were kicked out so far, Jesus said, “I beheld like lightning they fell from Heaven!” So,

...they had a king over them, which is the angel of the bottomless pit, whose name in the Hebrew tongue is Abaddon, but in the Greek tongue hath his name Apollyon.

¹² One woe is past;

World War I: 1914 to 1918.

...one woe is past; and, behold, there come two woes more hereafter.

So, what have we learned there? A Key was given to this Fallen Star, and this Fallen Star opened the Bottomless Pit. And from Chapters 6 to 10 tell you how they came out of that, and give you a description: that is two hundred million—two hundred thousand, thousand, which is two hundred million Supernatural Devils that were down inside of there. A great army of Demon Powers under Lucifer; and they came out.

Now notice—I’m making a step here. I’m just going to give you the connection.

Under your Sixth Trumpet now, your Second Woe, it tells you they killed one-third part of the men by smoke, by fire and by brimstone, which was World War II:1939 to 1945. These demons were now in human flesh. Because one-third part of the Jewish population—Trumpets are pertaining to the Jews. Persecution ran the Jews back. God hardened the dictator’s heart under that persecution of the Jews to get the Jews back to their homeland. Feast of Trumpets is the gathering of the Jews back into Palestine, because God only deals with Israel in their homeland.

And so, God rushed them back in their homeland after World War II. The fig tree began to put forth its bud; the Jews going back to their homeland. They were out of that homeland for about twenty-five hundred years, and then they are going back in their homeland. And then they are there now, seventy-two years in that homeland; have their own flag, their own money, their

own army. They are a nation. And they are one of the most advanced nations in science and technology and these things in the earth, such a little group of people. But according to the prophecy, two prophets are to come to them after Joseph dismisses His Bride to the palace. In the time of great economic recession He will make Himself known to His brothers.

And Christ is going to dismiss the Bride to the palace in the Rapture, and the Jews will get the last half-week: Moses and Elijah. They are going to preach one thousand, two hundred and threescore days; forty-two months; three and a half years; times, time and half a time. And 144,000 will be called and sealed in their forehead, having the Father's Name. They'll cross from the moon to the sun, from the shadow – the law – to recognise the True Atonement, Christ. So watch how beautiful...

And that's why we are in this time of Global Economic Recession. We are in the time of Global Pandemic. We are in this time where all the ecumenical move and all the schemes, and the lies; and gross darkness on the earth and upon the people. But where the Blood is correctly applied and the children of Israel are feeding upon the Lamb and the Unleavened Bread; and their loins are girded and the staff in their hand; (Glory be to God.) and they have Light in their dwellings, they are getting ready.

And then all the plagues are in the land, but it cannot come near them where the Blood is correctly applied and their ear is attentive for the sounding of the Trumpet to go out of this world where they have been born in bondage, held in captivity, persecuted and everything else. But the day of their deliverance is at hand, like it is for us in this hour!

But even in that time they said, "Let us deal subtly with them." But God sent a Prophet (Amen.) with two signs to confirm his commission: with a Pillar of Fire and a Pillar of Cloud, (Glory be to God!) to break the

powers of bondage around the lives of the elect and take them out of the system. Raise—they're still in Egypt but they are raised up into a place where no plague could touch them. Hallelujah! Why? They have the Seal of God. They have the Token on display. Back there in Egypt they had the blood of an animal; but here the Blood of Jesus Christ speaketh better things! The life of that Blood – the Token – is upon them, by the grace of God. So, what a great thing. What a great thing!

So look at this here, now. Are you following me? I brought you down from Babylon, I brought you down from Isaiah's prophecy, I brought you down to Lucifer cast out of heaven. I brought you down into the king of Babylon and the golden city: the oppressor and the golden city. I brought you down to Jesus speaking of it. I brought you into Revelation 9:1-4; we find him in hell, in the pit exactly like the former Scripture said. But now we see him leave there when that Fifth Trumpet sounded. The key is given and the demons come out.

Under the Sixth Trumpet we find a planned genocide: six million Jews, a systematic destruction of a people. The spirit of persecution loosed by the dictators killed six million Jews. Now, it's to be loosed in the Ecclesiastical realm, men in that Ecumenical move, amen. These religious systems: church and state coming together, that Jezebel spirit, to do what? Come against the Bride. Glory be to God. All the laws are passed the same way like when the Nazis passed the law. When they began to put a mark and identify them, and made them put that star of David on their chest. They humiliated them, they persecuted them; they carried them in the camps that they built for them. They were taking them there secretly; nobody knew. Those people were disappearing; those people were being gassed; those people were being shot. And Göring, all he had was a radio; and he blinded European nations, he blinded America, he blinded England, all of

them, that they didn't know six million people were being systematically destroyed: a planned genocide.

You talk about today— you think people are going to know? You think people are going to know what's happening (Oh my!) when they have the people already under mind control? When they have them under such a—they're being controlled and they don't know they're being controlled; exploited and manipulated through the Fourth Dimension; behavioural psychology.

They break the seals on the brain, open up the mysteries of neuroscience. And then all the propaganda that comes through the media, they have the people so influenced and controlled; and they cannot think outside of what the system plants in their subconscious mind – subliminal seduction. That's right. Subliminally they're receiving things; influenced, and don't even know they are being influenced; media manipulation; controlled.

That's why this is the hour to have the mind of Christ. And you see so many people claiming to be in the Message but a lot of the propaganda has their mind confused. They don't know what is right and what is wrong, because they do not know the Lord in these things. They know one kind of thing: about run around the building and shout, and talk about, “The power is going to fall, and we're looking for the Spoken Word; and when you see the Spoken Word come...” And they're walking in the imagination of their mind.

And the Word is being fulfilled; modern events being made clear. “The Word of God is being fulfilled with such rapidity, only the born-again Christian can keep up with it,” he says. And how we need to see these things, and see God bringing all His Word to pass. And we know how to walk, we know how to look; we know where to look, we know what to look for. That's right. We are not caught up; our thinking is filtered, we have a holy man's taste. God brought us through the water of separation.

We have another channel of communication where God, where Christ transmits to the Bride and the mind of Christ come down; the Word coming down from the Head into the Body, a sign that the Rapture is at hand. Where the Bride is walking connected to the Head; no longer twain, under the divine leadership, hallelujah! The battle strategy: fighting consciously. Amen. Glory be to God! The union of the members of the Body under the Head, what a great thing that is taking place!

So we see that this, from the Fifth Trumpet, the Sixth Trumpet, it was where they killed one third-part of the men, the Jewish population. That's right. But where did that happen? In Germany, in Europe; in Poland where they had the death camps.

Are you catching me? Are you understanding? We are in the Book of prophecy. Maybe you like to read Matthew, Luke and John—Mark, Luke and John, that is fine. Praise the Lord. But Revelation, the reason it is in symbol form is to keep the secret, secret; it's to keep it hidden from Lucifer and his angels. But to the Bride, God has opened the Seventh Seal mystery. God has revealed these hidden secret Things; and it's put in the heart of the Bride, and She understands. She sees God and His program, and She sees Lucifer and his program. And she sees that group, Hell following Death, riding, what they're working to achieve; and She sees God—because She is in union with Him—and His plan; what He is working to achieve by and through the members of His Bride.

Are you one of them? Otherwise—if you are one of them, all of this, you are privy to this. And if this is being opened and being brought to you, why is it being ministered to you? Why could this be brought down and made so clear to you? Why can this thing be placed out in the present tense to you? Because God has you under consideration, and all who have the ear to hear what the Spirit is saying. So watch.

*¹¹ And they had a king (verses 11 and 12)
over them, which is the angel of the
Bottomless Pit, ...*

Same one, the fallen star is the angel of the Bottomless Pit; the one who had the key.

*...whose name in the Hebrew tongue is
Abaddon, but in the Greek tongue hath
his name Apollyon.*

It means destroyer, destruction. Abaddon - destroyer; Apollyon - Destruction.

*¹² One woe is past; (World War I, see?)
and, behold, there come two woes more
hereafter.*

Sixth Trumpet - your Second Woe. Under your Second Woe: 1939 to 1945. This is 1914 to 1918. Sixth Trumpet, then we see the same two hundred million supernatural devils are no longer in the Bottomless Pit, and we see them now in the Nazi movement. We see them in the Third Reich. We see Hitler is—and Mussolini and Stalin and them, all the Fascism, Nazism, how it is going to end up in Communism. That's right. How it came out of Catholicism; she is the mother of all abomination, and all these doctrines of devils came out of her so she can have control of these nations and these ideologies, and loose these spirits in the earth. And doing what? Bringing about war. Bringing about war. What does war do? Change the world.

Why does Satan want the world changed? He is building an eden. That's his plan. What is his plan? To be enthroned as God and be worshipped as God, according to Isaiah. That's exactly what it is. And he has not fulfilled that yet. That is to be fulfilled in this hour.

This is the Age he is called, "the god of this evil age." This is the Age it says, "Gross darkness on the earth and upon the people." This is the Age; but "Arise and shine; your light has come." [Isaiah 60:1-2 -Ed.] That Angel of

Light who lightened the earth with His glory, who came down and said, “Come out of Babylon! Come out of her, my people!” [Revelation 18:4 -Ed.] That One who came down with the open Book and Seven Thunders uttered its voices to do what? Gather the Bride together and show Her how to prepare for great translation faith. Why? Because *the marriage of the Lamb is come and His wife hath made Herself ready*; and She must be dismissed to the palace so he can go and make Himself known to the Jews.

And that’s why Israel is in their homeland waiting all these years; Naomi, while Ruth is coming through those stages in...and then come into marriage with Boaz; and then bring forth the man child, pass it over to Naomi. Oh my! Watch the Bible in this hour! Watch the Bible and see.

We are talking about this Fallen Star and this Bottomless Pit, and the Three Woes Between the Opening and the Closing of the Bottomless Pit. So now we are going—I’m just going to try to read this quickly and close. If I could get these Scriptures there, you have something to follow. I’m linking them for you and making it plain for you.

So we see here how imprisoned in the Bottomless Pit, in the realm of demon powers, were many categories of devils. Now it’s not just devils, it's an army. An army is not two hundred million generals. You have bow men; you have men who are using missiles; you have land, sea and air, submarine fleets. You have the air force, you have intelligence.

You have the scientists and they who are bringing the weapons; and are studying the enemy’s weapons and knowing how to get weapons that can give you the advantage over your enemy. And then those who are tacticians, who know how to fight war; and how to choose the battleground and where to fight war so you could have the advantage over the enemy; how to

destabilize the enemy, how to use the propaganda. You catching me?

In other words, the point I am making is, it's not just, "Boy, it has two hundred million devils loose on the earth, yes." Watch and see the categories. Some are called "Principalities", others are called "Powers"; others are called "Rulers of the darkness of this world"; others are called "Spiritual wickedness in high places"-categories. It's a kingdom. It's an order.

And I want to break down some of that for you because when they went into flesh, you had the SS, that is one section. You had Mengele now, experimenting with babies and children and people; injecting them in their eyes, doing all kinds of different things; those who were working with genetics to take Hitler's sperm and try to plant it in women to bring forth a super race, the Aryan race. Right?

Then you had the occultist who now was contacting these mediums who was contacting the underworld and getting secrets. They started to build flying saucers, and they started to get advanced. And then they—you had the others who had the plan to exterminate six million Jews, and how to build the camps and what gas—how to do it. And how to keep it secret and carry out the thing that by the time the Allied nations got in, six million had already died; people were still in the ovens, going in when they were landing.

Those who were being gassed didn't know; they thought they were going for disinfecting. They said, "You know we have to disinfect you all, you know. You came through there, we want to make sure we keep a clean camp and everybody healthy and nice and so on. Go and take your showers." When they were taking their showers it was Zyklon B, and by time they came out they were dead; they packed the bodies away.

They separated them: who they wanted to kill, and who they wanted to keep there. And people— all the people, their houses, all their wealth was being

confiscated by the state and they were being... gotten rid of. They had built their camps, and nobody knew they had built their camps all over the place: Treblinka, Dachau, Sobibor, Auschwitz. They had their camps built all over. The plan was carried—the final solution to the Jewish question.

They have a final solution to the Branham question. You better believe it, because that's the Messenger, that's the Message that gathers the Bride; that's the Messenger that clothed the Bride; that's the Eliezer who introduces the Bride. That's the Chief Reaper. He is dealing with Ruth; he's dealing with Rebekah. Hallelujah! That's the Mordecai who raised up Esther – that's him – that Bride who is going to come into marriage, to speak even to half of the Kingdom. Why? We saw him speak. We saw one prayer and twenty-five thousand healed, thirty thousand saved. We saw him speak and we saw squirrels created; we saw the little fish come back to life; we saw Hattie Wright's boys receive salvation; we saw the tumor spoken out of existence. We saw things that showed itself temporarily, that it will be used in the fullness when that Hour comes; and that Hour is upon us.

But we look at ourselves and we realize there is a condition that a people is supposed to be in in this Hour, where the same harmony between the Father and the Son—because the Bride will have Thus Saith The Lord or keep still; and Jesus did nothing except the Father first showed Him. So there's a people under Headship, there's a people that the same harmony exists. Their life is surrendered to God, because God's plan is to have the pre-eminence, the oversight, and the leading through the Bride as He had in Christ. God having the pre-eminence in Christ, God having the pre-eminence in the Bride and restoring the Kingdom – that's God's achievement.

And you have to look in your life and see if that achievement is being achieved; you have to see your

progress. And when the trials and circumstances come you have to have an honest inventory of your life and see where you are standing and what condition you are in: the Church and its condition in this Hour. This is the time.

You see, people think it's a, "Boy, I'm going along; I'm waiting for church to open back." and all kinds of different things. No. This is the Hour you have to become the Word, not looking back to sit in a church building; to see you become the Word. Understand. If you're thinking the other way your thinking is not filtered; you're drunk, you're taking things that have you intoxicated and you're seeing four or five things. You're under illusion and delusion. You have to be seeing in high definition in this Hour. You have to know the enemy's plan; you have to see him, how he's carrying it out.

You have to see God's program. You have to know you're in step with God's program, linked to the Head, being led by the Spirit; Dove leading Eagle in this Hour. You have to know. You're a son and daughter coming into maturity, that the Faith is in your heart. You're looking at your life under trial and testing and seeing; self examination, not thinking of yourself more highly than you ought to think of yourself; or looking at others and finding fault, and not seeing where you need to be in this Hour. Look in the Mirror and don't forget what you look like when you look, and look deep. And I'm trying to hold the Mirror straight.

So watch. They were imprisoned in the Bottomless Pit in the realm of demon powers. There were many categories of devils. You know, it's like the sea. If you look in the ocean and you just see a big body of water; or you look at a huge river, like the Amazon or the Nile or one of them, and you see a big body of water; but in that water have all kinds of creatures. In the sea has all kinds of creatures. That's another world. So that Bottomless Pit has all kinds of devils.

This is what we want to get into for a moment here because the Word says, “*Put on the whole armour of God, that ye may be able to stand against the wiles of the devil. For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places.*” [Ephesians 6:11-12 -Ed.] This is categorizing different categories in the order of that army of devils: supernatural devils.

Then the Prophet teaches us Demonology in the Physical Realm: cancers, cataracts, tumours. [[1953-0608a-Ed.](#)] That’s the physical realm, demons in the human body. This is just in the form of sickness in the physical realm. Then in the Spirit Realm— See, there are some demons, they go in and start to build a house, and form a tumour, a cyst. They start to form cancer and cataract on the eye, and all kinds of different things. They are trying to weaken the body. They are bringing oppression upon the body. That’s why you have to have Faith for Divine Healing in this Hour because Satan, when he comes, if he feels your body is weak; if he feels that you're mentally unstable...

You see, if you watch two natural boxers boxing, and each one is feeling the other one out; each one is watching the film of the other one fighting, that when they go to meet each other they are trained to counter— Bro. Branham used that in *The Contest*. [[1962-1231-Ed.](#)] It’s a contest. He says you have to study your opponent: whether he hangs forward, whether he hangs back, whether he throws his punch in clusters; or his movement, his ringcraft and these things. He says you have to study the strategies and the tactics of your enemy if you are going to war.

And if you are in the Greatest Battle Ever Fought... because these demons didn’t come out of the Pit for a picnic, you know; they have an agenda. That’s why they bring about three Woes; Woe, Woe, Woe. And by the Third Woe the earth is cleaned off; they destroy

everything on the earth. It was like a garden of Eden before them; when they were finished it was a wilderness.

Hell is on the earth. All kinds of disease, sickness; lawlessness rampant, disorder, violence like in the days of Noah; all kinds of crazy, strange creatures out of those science labs, all those different viruses that they have; all those things in the underground cities, cloning, when all those things start to move it is going to be crazy! Revelation shows you these things.

That is why I'm tracing him coming down from Heaven; coming down in the Pit, coming out of the Pit; and when he is coming out, and when they go back in the Pit and are locked back up. Because they can't be here for the Millennium, but they are here right now. And they came out under the Fifth Trumpet, under the First Woe; and they go back in after the Third Woe has ended, because [after] Armageddon—the Third Woe—then comes the Millennium. And [under] those Three Woes Rome, all the devils, all the Vatican, America, all these things are ashes in that time. Many islands fled in the sea, all those different things. In this short space of time? Of course.

That's why the Tribulation period, in the time of Moses and Elijah, that is just the introduction for the Vials. That's three and a half years, the introduction of the pouring out of the last Seven Vials, the Battle of Armageddon, when Michael and Lucifer and their armies meet on the battleground. And the battle that started in Heaven as a spirit battle in the angelic realm—Theophany—ends up in Armageddon in the realm of flesh. Christ and His army in glorified bodies, and Lucifer and his army in flesh of man on the earth; Armageddon. So could you imagine what is coming, my brothers, my sisters? Understand. Understand.

Demonology. Now I want to break down some of these demon powers, as I see it, for you that you can catch and get a concept. Not: "She has a devil. He has

a devil.” What kind of devil do they have, and where did they get that spirit from? How did that spirit come into them? I want to show you that there are Seducing Spirits; there are Enticing Spirits. Let’s just look at some of them.

Demonology. This is the problem: people do not know spirits. If you don't know the spirit world, you don't know the Holy Spirit. And that is the trouble with a lot of people. They don't know the Holy Spirit. So they sit there in the human mind and say, “How could he say that? How could he say that?” And sometimes that Spirit is speaking so exact in the Bible, so in continuity, so tying that Word together, making it plain; and somebody sit there as a skeptic: “But I’m not seeing that.”

And you say, “Okay. Here is the Book; show me.” And they can't read the Book, but they are “not seeing that”. See? That's the thing. Right away you already know the god of this evil age already blinded their mind. They don't know what is right and wrong. They can't tell, because you can't discern if the Word is not in you. What are you discerning by? The Word is quick and sharp and powerful, a discerner of the thoughts and the intents of the heart: the Word. [Heb. 4:12 -Ed.]

How do you prove what kind of spirit it is? There are many spirits; there is *one* Word. Try the spirits— by what? Imagination? Reasoning? By the Word. Any spirit that doesn't speak according to this Word is a wrong spirit. That's right. See? This is the Bible so you have to know, because it is the Bible—the Word—that is revealing the spirit to you. It revealed Lucifer to you. It reveals the kind of nature and character he is. It reveals how he works in lies and deceit; how his armies work and operate; how he takes control of the planet; how all these denominations that are talking about Jesus belong to Lucifer. [They are] ignorantly worshipping the devil and don't know it. Satan's Eden is constructed. He built it.

So let's look at some of the categories: Demonology in the Physical Realm: cancers, cataracts, tumours.

Let's go in the Spirit Realm: enticing spirits, seducing spirits. Your spirit is reasoning, conscience, memory, affection, imagination. Satan stirs that emotion. Satan gets in that imagination, Satan anoints the spirit realm with thoughts in the channel of your thinking. To do what? Stir you up. And you see people how easily—like Eve; look where Satan carried Eve so quickly. Next thing she is pregnant; she is carrying the devil's child. She was just in perfection, a Church without spot and without wrinkle. Now look where it was. 2nd Corinthians 11: "As the serpent beguiled Eve."

Look just after Pentecost, a few years, and look what happened to the Church there too, the same way. And those first two Brides that fell, look at the last-day Bride here now. She must show... She is predestinated to stand. So you have to know if you're standing or if you're falling.

See, people like to quote; but you have to know if **you** are standing or you are falling because, "Upon this rock I will build My Church; and the gates of hell shall not prevail against it." [Matthew 16:18 -Ed.] So you have to know if you are built upon the Rock of the Revelation of Jesus Christ, that your foundation is strong; so when the storms of life come you are built on the Rock, you didn't build your house on sand to get washed away. Your foundation is strong because Christ, "On Christ the solid rock I stand; all other ground is sinking sand." See?

Watch in the Religious Realm. It says, "In the last days many seducing spirits will come, and they will depart from the faith having"-what?- "doctrine of devils." [1st Tim 4:1 -Ed.]

You mean to say Satan could give somebody a doctrine that there are three persons in one God when the Bible said, "Hear, O Israel; the Lord Thy God is one." [Deuteronomy 6:4 -Ed.] when the Bible says, "Baptize in

the *name*" – singular– "of the Father, Son and Holy Ghost", which is the name of the Lord Jesus Christ? And Satan can tell them, "Believe what Jesus said, and not what Peter said", and make the Book that way because they don't have any discernment. That is theologians. That is theologians, where, like the Church of Christ: "Only the twelve Apostles had the power and miracles; nobody else. That was only for them." Doctrine of Devils.

It tells them, "Behold, I send you Elijah the prophet before the coming of the great and dreadful day of the Lord, lest I smite the earth with a curse." [Malachi 4:5-6 -Ed.] They say, "That's a group of people, that is not a one-man." It said 'He' – personal pronoun, singular. See?

So it just shows where they are getting this theology from.

They tell you the 24-hour day from Friday evening to Saturday evening is the Sabbath and that is—you have to keep that to be a real Christian. See? Doctrine of Devils. When you speak in tongues you have the Holy Ghost; that's the evidence: doctrine of Devils. Where that came from? Theologians; Bible school scholars. You getting me? So when we're talking about Devils, a lot of them were down in the Pit there. Look at one Bible and thousands of interpretations!

You say we're pointing a finger at denominations. Look at the Message! One Message and thousands of interpretations! They told me, "You're not supposed to preach on any Scripture that Bro. Branham didn't preach from." [Bro. Vin laughs. -Ed.] He said, "I give you sermons to dovetail all Scriptures."

Who is that talking? Two spirits in the framework of the Church; discern and withstand the Antichrist spirit. He said, "We don't need a new interpretation, we don't need a new Bible, a new translation; we need a fresh revelation by which we can become the living Word made manifest and do the greater works."

So far I am just showing you in the Physical Realm with sicknesses in the body; demon powers. Behind every sickness are devils. What a great thing Divine Healing is. If you say you're saved by virtue of the Atonement, you mean to say you can get saved, the Holy Ghost, but you can't get healed? Well, this is strange. You are saved by the Holy Ghost, and sealed with the Holy Ghost, but you don't have faith for healing? But you had faith to pass from death unto Life and become a new creation in Christ. Tell it to somebody else, please, don't tell me. I will think you're giving me jokes. See? Find out what is real.

In the Religious Realm we are seeing all these con men, pick up five offerings in one service. They want sixty-five million dollars for a private jet so they can spread the Gospel. Look at the kinds of spirits we see in the Religious Realm. Look at Benny Hinn, Creflo Dollar, T.D. Jakes and all of these, and Joel Osteen and... Look at the kind of people we see, Kenneth Copeland and all these different people in the Religious Realm. What is that? Who are they? Where are these forty, fifty and sixty thousand people flocking to? What is this they are feeding on? What spirit is loose there? What gospel are they preaching?

You realize how much of the world have religious spirits? What is the difference between them and a Hindu or a Buddhist? You think it is because they are saying, "Jesus"? Even the devils were saying, "Jesus, thou Holy one of Israel." And the Bible says, "The devils believe and tremble." But they are devils. You understand?

What do you think came out of the Pit? Watch what the earth has changed into. Watch how the world is divided up. Watch the armies of the world. Watch the global communication networks. Who put up a 24-hour pornography channel? Who put up 24-hour fashion show? Who put 24-hour sports? When you watch and see...

Watch the kind of weapons coming out continually, and the kind of budget for it while people are starving and can't get food to eat. And they are looking to fight more war and more war; and they have oil that, if you give them a thousand years again, they have enough oil for a thousand years. They have resources that they killed so many people and took control of, that they can't even develop the oil wells and these things; and they're fighting for more control and killing.

And the Media blinds and holds the people in darkness, the rulers of the darkness. You know how skillful that communication network is globally to blind people, and hold people in a realm where they are so taken up; and who's laughing at comedians all day, who's watching all kinds of things all day. When you look and you see, this is millions and millions of people on the planet that they are drunkening.

And why are they doing that? So that the rulers, Satan and his kingdom, can bring everybody under his control, where everybody is enslaved and is subject to his will; where he can pass all his laws and everything else, and form his maximum security prison where nobody can come out, because that's a system of death. Because his name is Death, and all his generals and they are Hell following Death. All of them were devils incarnate.

He's building an Eden. Watch the character of the individual. Watch how the world has taken on that character. Look how people love violence; look how people like to see blood shed. Where is that influence coming? Who is making this? Who knows the places to release this in the earth? Watch how people are causing civil wars, fermenting wars in countries with resources; creating civil war, causing fratricide, people fighting one another in one country so that they can come in and take control of the spoils. Watch the kind of scientific research to have disease by design, weaponizing disease for depopulation.

This is the Age, “By four things they kill one-fourth part of the earth.” Famine—organized famine. Creating inflation, creating a demand, raising the prices, sending people into debt when they can't pay. Breaking nations and taking over control because they can't pay their debt to the World Bank and the IMF. And people up to this day they just use the words ‘IMF’ and ‘World Bank’ and they don't know who this is. It's an alias of Satan, the king of Babylon.

Watch the Political and Military realm: they are killing millions. Demons, not [of] doctrine or church doctrine; or enticing, seducing spirits – pornography, woman naked, all kind of different things. No, no, no. This is demons of violence, persecution and torture: gas them, bomb them, torture them, maim them, vaporize them! Subject them to such conditions; weaken them, torment them. Demons of persecution, like they did the Jews; demons of torture, like how they killed sixty-eight million in the arenas; tear them limb to limb; fed them to lions and dogs and everything else! Those were devils in a religious system that is still here; the same system, only changed the outward texture. It's the same old ungodly evil spirit that has drunkened the world and deceived the world and shut them up in darkness!

And people want to live here and go along, they don't know; they are walking in the Prison House already and don't know it. What do you think the world is? When you see that, people don't believe the Bible. They don't understand the Age. They don't understand why the Age blacked out and went into total darkness, why the Pit opened; why the Prophet had that experience, that the thing he saw in Hell was there in J.C Penney store in Tucson! Why that Jezebel that was voted in there, that President JFK [John F Kennedy, 35th U. S. President –Ed.] and then today she's in control of the nation, and the nation has become the military power of the Vatican to kill and plunder and carry out her designs.

Watch the Political and Military Realm. Watch the planned genocide of Pharaoh: “Let us deal subtly with them.” Watch the planned genocide of Haman—nobody knew. If Mordecai didn't catch that revelation and see what was going on, like Elijah in the king's bedchamber! Look at Hitler: six million died and nobody knew! That is your Red Horse. That is your Second Seal.

The Science, look where it has reached today. They have... Let me go a little bit in the Scientific Realm. Demons; those devils are scientists. It has a section of them, they have knowledge. Tell me how Cain built cities. Where was he getting that knowledge from? Tell me how Hitler and they were making flying saucers, where they were getting that knowledge from? Those women were going into trances and coming out with all kinds of mathematics and all kinds of different things—seeing things. Where was Mrs. Pepper locating those people in the Fifth Dimension? [Mrs. Leonora Piper, American psychic referred to by Bro. Branham in *Demonology* 53-1112. -Ed.] You see?

You see, sometimes we don't think. We say, “devil” and “that one has the devil” and “the Devil” and “the Devil”. I'm trying to break down the devils for you. I'm trying to break down the army of the devils in the Bottomless Pit. It's an army that came out. Because when they fell in Heaven, when Lucifer was having the coup in Heaven, do you think he just got a bunch of privates? He knew if he had to go to war with Michael, and he had to try to establish a kingdom, he knew he needed quality of all levels.

Watch it in the Bible. Look at Korah: he had two hundred and fifty princes of Moses' people. Look at Absalom: he took Joab, the man who used to lead David's military campaign. He took Abiathar... He took the priest. Adonijah had Abiathar, he had Joab. They chose out. Absalom chose out. What was the name of—I think it's—the one who hung himself, David's special counselor? He was such a wise man; and when his counsel wasn't taken he hung himself in such pride that

they would take a next man's counsel before his. [The account of Ahithophel is found in 2nd Samuel, Chapter 17 -Ed.] He was a war strategist. When you're going to war, watch the kind of men they had there around them.

In the Scientific Realm they have disease by design. AIDS was a disease for a special ethnic group, to target the people with a certain kind of genes. *Depopulation By Weaponizing Of Disease*. [2006-0221; 2017-1008 -Ed.] Diseases by design for an ethnic group. This, you're talking about genetic engineering. You know the level of that kind of science? To bring Coronavirus, you know the level of that kind of science? You know the kind of devils with the kind of intelligence [it takes] to come out with that?

Do you know the propaganda machines that can tell you, "Well, no, it jumped from a crapaud to a dog; and the dog, you know, the people have the dog in the house; and it moved from a dog to a human being." And they're giving you that kind of thing so you kind of figure, well, "Oh, it's the kind of poor sanitation condition that's causing this."

What about the surveillance society to track every human being; and what they want to come with too, to control the minds of the masses? And through the principles of behavioural psychology, the kind of programs on the radio, and the television and these things, and the internet, that they have there; the diet, the smorgasbord: everybody could find a thing to feed upon for their likeness [to] culture their behaviour and their thinking. The lang—have you ever—

You see plenty in the States when you're travelling. You watch the language, how the people act. You watch the jokes they make. You watch the body language. You see them in the airport, you see them on the plane, and you realize these people are becoming what they're watching on the TV, the same way. Like they're no longer real. And you see society's impact and influence upon a people who don't have repellent of the Word.

They are absorbent. You can't even imagine how the world's population is so much under control, they can't think for themselves—the bombardment, the influence!

Even the Economic Realm, to create wealth, business, trade, commerce. You just watch the banking system. You just watch how you can sit in your house with a piece of plastic in your pocket and buy a pajero or something in Japan, and bring it to your door; seeing the whole vehicle, seeing everything inside of it and everything—and you haven't moved yet.

On your television screen you can see around the world, so many countries. Do you think that fell out of the sky? It has an intelligence in these demons in the Realm of Science that carried the world from the Tree of Knowledge of Good and Evil; the technological wonders, the scientific breakthroughs; breaking seals upon the Tree of Knowledge of Good and Evil and coming out with all their mysterious things: iPhone *this*, Mac *this*. Gates and them: Microsoft *this*, and all the different things that they have— Information Revolution. Watch and see.

Look at the kind of vaccination they're coming with. Look at the thing they give people, that everybody now they could, through 5G they're linked up to "the cloud". Put a chip inside of you, they could read all of your information everywhere you are, and these things. Look where they are going.

Who is thinking up that? Where is that knowledge coming from? Yet they can't know how this mortal shall put on immortality. They can't know how the Rapture will take place. They can't know how a people will change dimensions. They can't know how Enoch went up and Elijah went up. They can't know how Jesus broke the law of gravity; how Jesus walked on the water and these things.

They do not know how Moses could be told: "Speak; and Joshua could speak and watch that sun stand still. The wonders of God that God can do through a people

that is linked up to God! Two intelligences: one from the Tree of Life and one from the Tree of Knowledge of Good and Evil; Wisdom versus Faith (that's right) in this Hour.

I have to stop there this evening. So I'm showing you Demonology in the Physical realm, in the Spirit realm, in the Religious, in the Political and Military realms. Do you feel that is not Demonology out there? If that's not Demonology, how are they killing millions? How are they bombing cities and these things and nobody is stopping them? How are those demons connected up in the White House with the Vatican, in the United Nations, in London, in Australia; and they have their people in strategic parts in the earth and they're linked up together? And they have satellites in the sky and they are monitoring everything. And they have face recognition things; your license plate, this, that, everything. They know everybody. They could listen to every email, do everything. They could turn on your phone while you're sleeping. They could go into your system and everything.

I was looking at some deadly creatures hidden under the ocean and the rivers—stingray, jellyfish, octopus, sea snakes, tiger sharks, whales. In fresh water you have piranhas, crocodiles. You look and you aren't seeing them, just like you weren't seeing those devils there. You look in the sea, you're watching the waves, you're watching the... You want to surf, you want to do different things. You don't know what is under there. It's a world under there. Just like in another—I'm giving you a type in another dimension.

It has a fish called the Puffer fish. They say *it may look harmless but is actually pretty dangerous. One puffer fish can carry enough toxin to kill 30 adults, and is believed to be 1,200 times more lethal than cyanide.*

They have the Blue-ringed Octopus. *Found in the waters of Australia and Japan, the blue-ringed octopus is as dangerous as it is spectacular. This tiny octopus*

will start flashing a bright, neon blue, and the blue-ringed octopus has venom that is 10,000 times more lethal than cyanide, and there is no known antidote.

You mean to say a fellow under the water who starts to flash orange and... a neon blue, a bright neon blue; and when those other creatures see that and get excited and start to go towards it, he has a venom ten thousand times more lethal than cyanide? Do you know what cyanide is? That is instant death. And there is no known antidote for that.

The stonefish has the incredible ability of being able to disguise itself as rocky seafloor, and is able to grow up to 40cm long.

You think it's a rock on the seafloor— it's the stonefish, you know.

With venomous sacs on each of its 13 spines, if you come in close contact with a stonefish there's no way of avoiding getting stung.

Sea snakes [are] found in the Indian and Pacific Oceans. There are around 50 different species of sea snakes.

You say, "What does that have to do with what you're saying?" What does the Dove represent? What does the Eagle represent? What does the buzzard represent—the vulture, the corbeau? Why does he only eat the rotten things—when they are dead? Because they represent devils. The Dove represents the Holy Spirit.

God's creation is a Bible. And I am showing you there are these there in a realm, an unseen realm, and look how deadly they are. You could imagine they come out into a realm where humans are, and get in contact with those humans, and the humans have no defense for that?

When the Bible says the unclean spirit comes and finds the house swept and garnished, and goes back and gets seven worse, and comes back and beats against the house and gets back in that house, that is only eight. [Matthew 12:43-45 -Ed.] Read Mark, I think it is

Mark 5 [verses 1-14 -Ed.] where it talks about when Jesus loosed the demons asking to go in the swine, Jesus was talking to the demons: “How many of you all in there?”

He said, “Two thousand.”

They are intelligent. They could count. They know it is two thousand of them in one man. You figure out how two thousand devils could fit in one man. Could you imagine that kind of personality? Because all of those devils have their own personality. And there are kindred spirits. Do you know that too? The Prophet said—he said, “Look that devil is calling on these other devils for help, and these devils are responding,” he said, “because they are sympathetic to this one.”

I want to show you the consciousness of demons. Did they know Jesus? They said, “Thou holy one of Israel, Jesus, Son of God, have mercy on us.” They said, “Jesus, don’t torment us before that time.” How do they know before what time? “Don’t put us back in the Abyss. Let us go into the swine.” Didn’t those demons say, “We know Jesus, and we know Paul” to the sons of Sceva? They knew of the torment to come. They knew of the Prison House; they didn’t want to go back there. Do you think demons aren’t conscious?

What about the personalities of the demons? Jesus conversed with them. “How many of you are in there? What are you doing? You all come out of the man and don’t go back into him anymore.”

What about the power of demons over human beings? Was it a dumb spirit that had the man dumb? A deaf spirit had the man deaf? A blind spirit had Bartimaeus blind? Insanity, like the boy trying to throw himself in the fire and different things. Suicidal, personal injury—cutting up themselves like Legion; infirmity. Watch.

Watch the power, how they could afflict you with sickness, cast sickness upon you; bring you to a neurotic state in your mind; give you a nervous breakdown, make you suicidal—demons. Doctrines of devils make you believe false interpretation, make you

reject the Word, Revealed Word; take control of your mind and make you doubt the Word. Put a spirit of fear and bondage upon you, make you uncertain and indecisive—Demons. And people are going along saying, “That’s how I am. You know, somebody told me I’m born—maybe—I’m a Sagittarius so that is why I am [like that]. I don’t know—I’m half-man and half-horse so...” And they find some kind of lame excuse.

When you get the New Birth you have another thing controlling you. You may still have certain makeup for your gift and your calling and these things; but you are under a different Headship, and you are sealed in and those devils are sealed out. So watch.

He said, “In My Name you will cast out devils.” That is people who are possessed with devils. They cast it out. But then it says, “Resist the devil and he shall flee from you.” [James 4:7 -Ed.] You aren’t possessed, you are just being oppressed by the devil. And if you resist the devil he has to flee from you; but if you are possessed by the devil, that devil has to be cast out from you.

And sometimes you become like a serial liar. Remember the spirit came and said, “I will be a lying spirit in the mouth”? [1st Kings 22:1-25 -Ed.] Remember the Bible says three unclean spirits like frogs—lying spirits—come out of the false prophet’s mouth? [Rev.16:13 -Ed.] Well, people become like a serial liar: lie, lie lie, lie. They can’t even think of the truth, but they can think up a lie really fast—spirits. Spirits upon them, but they don’t see it as spirits.

Temptation, money, women, popularity—enticing demons enticing people. Covetousness; they want what is not theirs—Demons Spirits.

We want to walk in a place where we can walk consciously.

Bro. Branham said— I am closing with this: *If I never see you again...* This is *Demonology Pt 2*. [[1953-0609a -Ed.](#)] *...you got to know what demons are. If I never see you again you got to know what demons are. And you got to*

know what truth and error is.” You got to know what demons are, and you got to know what Truth and error is. And it is so close, you got to separate the thing.

We are talking about real Christianity here now, you know.

Now, remember it ain't going to be out there somewhere way out on this side, like the Pharisees, or something way back on that side. It is right up here in the door, right near it. Watch it.

So he is talking here about Demonology in the Religious Realm. He said you could look out there and see Jehovah Witness, Seventh Day Adventist, Roman Catholic, Buddhist, you know. All that is Demonology: false doctrine, false teaching. But the real deceiving thing, he said, it is close up here in the door.

And remember it ain't going to be out there somewhere way out on this side like the Pharisees, or something way on that side. It's right up here in the door, right near it. Watch it.

And today, my dear Christian friends, demons are working on every hand and God's Spirit is moving right out on the other hand to counteract it.

How could you counteract it if you are not seeing it? And this is what your Seals uncovered. Your First Seal shows you Demonology in the religious realm. Your Second Seal shows you Demonology in the realm of politics and the military. Your Third Seal shows you Demonology in the realm of trade and commerce, and business and banking, and all these different things. Your Forth Seal shows you Demonology in the realm of information, and the surveillance society, and the science and all these different things.

These four are the four realms that build up Satan's Eden. And these devils are in those men building up a more beautiful kingdom than Michael's. That is what Lucifer wanted to do in Heaven; and here now he is doing it on the earth featuring beauty, not character. And he is seducing the people and enticing the people;

blinding them and holding them in the cosmos, bringing them in the cage of every hateful and unclean bird, the habitation of Devils.

What kind of Christians, what kind of Church ought we to be in this Hour to overcome in this evil Age, to be victorious! "To him that overcometh" in the last days... In every Age there had to have overcomers, and they had- you have to be in the battle first to overcome. You have to be tested and tried to overcome. And these three temptations, tempted in all points but yet without sin to come to Adoption: "This is My beloved son, My beloved daughter in whom I am pleased to dwell in."

Do you see? Do you see?

And hear the Prophet: *And today, my dear Christian friend, demons are working on every hand. And God's Spirit is moving right out on the other hand, to counteract it everytime. Hallelujah! There you are. Newspapers and digests and everything else is declaring it. They're watching it. They can't see what it is. What is it? It's the foreshadow of the great showdown that's coming pretty soon between God and the Devil. Get on God's side and be right in your heart. Amen.*

He was talking that there in '53. He was talking about this Hour that we are in now, where those demons come into a generation that has been indicted for the second crucifixion, for the rejection of the vindicated Truth, that they have access to these bodies now. And the Sealing Angel is sealing up a people before those Plagues fall. So can you see what we're talking about?

You see what I mean about demons? They are working. They are very religious. Oh, they go to church every Sunday, repeat the Apostles' Creed and sing the Doxology. Oh my, just as religious as they can be!

"Bro Branham, do you mean that's the Truth?" That's the kind of spirit that hung Jesus on the cross. And Jesus said, You're of your father, the Devil. (See?)

Now some of them said, "Oh, Russia is the antichrist." Never! Russia is not the antichrist. The antichrist is

going to be so religious it will fool the very Elect if possible. Remember, God takes His men but never His Spirit and the Devil takes his men but never his spirit. Now, there they are. Suit yourself. I'm only responsible for Truth.

Demons, working! Yesterday I had them in a physical realm. Today I'm showing you in the spiritual realm, where they are in the religious realm. Where they are out yonder, called cancer, and called this, that, and the other; but I've proved to you by the Bible, they're devils. Now, over here today, here they are again in the religious realm; very religious, very pious.

If you'll begin, brother, and think, Cain, the very beginning of it, was a very religious man. Esau, a very religious man.

Who was Cain? One of the species that came out of the womb of the Bride – Adam's Bride. Who was Esau? One of the species that came out of Rebekah that Eliezer the evening messenger called – Isaac's bride.

“So Bro. Vin, you are saying right inside the framework of the Message?” Do the maths for yourself. I'm just--I'm reading him. See if you could understand if that is what he was saying.

...Judas was a very religious man.

He was one of the Apostles of Jesus who shared knowledge of the Mystery Truths, who was given power to cast out devils and do all these things—Judas who was of the same tribe as Jesus. Of course. He felt that he might go to his place. “Haven't I chosen twelve?” He was chosen, he was anointed, he was given power, he was given a ministry, he was an apostle. He was as big a duck in the puddle, the Prophet said, as Peter and all of them were. And then he felt that he might go to his place. His name was blotted out of the Book, because he was not chosen in Christ before the foundation of the world, but yet he was part of a phase of the ministry of the Son Of Man.

Oh thank You, Lord.

...It ain't the outside world. It's right in the ranks. Watch that demonology.

He was talking about that one close that the Bride has to watch out for so She would not be deceived; She would not be misled and misguided. She has discernment of the two spirits in the framework of the church, the twins in the Bride's body; the one that doesn't want the birthright, they want the morsel of meat. Think of it: Cain and Abel in the same womb; Esau and Jacob in the same womb; Judas and Jesus in the same tribe. The Dove and the crow in the same ark.

Oh, praise His wonderful Name.

Imprisoned in the Bottomless Pit, in the realm of Demon Powers where [there are] many categories of Devils, like all the variety of creatures unseen to the eye in the oceans and the rivers. Amen. Think of it, friends.

Wait until we get into "The United Nations under the auspices of Demon powers; supernatural devils unseen to the eye, but we could see what they are doing". How UNESCO is giving all those books, teaching children lesbianism, homosexuality, bestiality; all the kind of transgender, how the kind of— Who do you think pass all those laws? Those Presidents and all these different people, and those Senators in the Congress and all of them who pass those kinds of laws in the nation – demons in these people. Why? They are the engineers and the contractors building up Lucifer's kingdom, his Eden on the face of the earth, an Eden of Death; darkness.

Look at the Age, look at the Hour: the Blackout Age, the Age of Apostasy, the Falling Away; where many are given over to vile affections, to a reprobate mind because they didn't have the love of the Truth. They become possessed with evil spirits, even to legions. Thousands of devils in people walking around in the latest fashion, flashing money, driving fancy cars and everything; and women at their side of all nature and caliber. And people are seeing that as successful and glamorous. It's

really devils, and they are not conscious that is what they are watching.

And people are sitting and lusting after that, and wishing they were like that or they had that. Why? Their mind has been deformed. They are deformed in their thinking. The underworld has come up, and they lost the battle in the battleground of the mind. And the demons get down into their soul and now it has become a tabernacle for demon power. Unconscious. Unconscious; because they are blinded to their condition. They are drunkened. She bewitched them by her socceries, all kinds of— Some people don't even know what they believe. They have no belief system, nothing. They are gone! The whole world, the prophet said, is going into insanity. Insanity.

This is the Hour, between the Trumpets. Hell is open and Heaven is open. "Woe, Woe, Woe" – three Woes. And then Revelation 20, we see Satan bound and put in the Pit and shut up. So between the Opening of the Pit and the Closing of the Pit are the three Woes. And the three Woes, by the time we come to Armageddon, the battle that started in Heaven, is (being) ending up on the earth. God and His attributes in flesh in Glorified Bodies and Satan and his tares in flesh of bodies that rejected vindicated Truth. And the two kingdoms [are] in flesh upon the face of the earth: Hell following Death, and Heaven following Life.

Think of it. Is this what the world is becoming? That's the picture of the Bible. That's the picture of this Hour. That's the picture that is forming all around us. That's the picture from the time the Message has been rejected, and the Bride is called out, and the Jews are back in their homeland, waiting there for their Prophets to arise; and waiting there for the Bride to go off the scene, that they can receive the Holy Spirit. Look where we are at.

I trust that these things bring a sobering in your thinking. I trust that you wouldn't just take these

things lightly, just discard it and say, "Ahh." I trust that you realize that everything that I have spoken to you is the Scripture. And I'm showing you Lucifer is building his kingdom. He himself is the Tree of the Knowledge of Good and Evil just like Christ was the Tree of Life in the Garden. All life is in Christ: "He that hath the Son hath life; and He that hath not the Son hath not life." [1st John 5:12 –Ed.]

He was the Tree planted by the river. Adam wanted to take and eat, but he had eaten from the wrong tree already. The Cherubim closed up the Tree. But in this Day in the opening of the Seven Seals God is bringing His children back to the Tree of Life, while the world is fascinated with the Tree of the Knowledge of Good and Evil; Lucifer, the God of this evil Age, the king of the Bottomless Pit, the deceiver of the nations.

Isaiah told him, "You will be brought down in the sides of the pit." And we see him exactly where Isaiah said in Revelation 9 and Revelation 20. We see him exactly where Isaiah said. Isaiah said, "I see you fall from Heaven!" Jesus said the same. Jesus gave Isaiah the vision.

Oh, my brothers. I thought I would have been further advanced than that, but we'll pick it up again. The next part I will read more for you.

But watch the categories. Watch what I quoted for you. Principalities: they are the rulers. Powers: financial powers, political powers, religious powers; all kinds of power – economic power. Principalities and Powers. Rulers of the darkness: that is controlling the minds of the people, keeping them in ignorance; subliminal seduction, media manipulation; mind control: dis-information, mis-information. It's a highly organized kingdom.

That's why to wage this war, if you don't have the Holy Ghost you don't have the Armour. So what are you fighting? You are either walking around the war, and the next thing you know, you could be captured by the

enemy. If you have on the whole Armour, you are engaged fighting against Lucifer and his angels. "We wrestle not against flesh and blood, but principalities and powers." [Ephesians 6:12 -Ed.] That's where our war is. Our war is not flesh and blood.

Jesus said, "Peter, put back your sword." He said, "Right now I can call for Legions of Angels; but this war I'm fighting here, I have to overcome this. Unto this end was I born, for this cause came I into the world. [John 18:37 -Ed.] By laying down my life I'm going to crush this, bruise the Serpent's head, and take the keys back and deliver my people, and make a way for the Holy Ghost to come and seal them away in the Kingdom! And it will be a permanent victory."

Jesus did the maths. He knew the price He had to pay, and He drank the bitter cup. And He submitted Himself to the humiliation and the ridicule and all these things because He saw in the Scripture that He was not going to see corruption. [Psalms 16:10 -Ed.] In three days He will be leading captivity captive, and bringing them out (Amen.) in the Resurrection, all those who died in Faith, waiting for Him to come.

My brothers and my sisters, this is where we as the Bride, are walking today with the Holy Ghost. It is Jesus in the Bride form, in the Bride Age, in the Bride coming in this Hour, [that] is where we are walking. May God bless you. May He help you. May He strengthen you. May He grant you grace. Amen.

Think we could have—let's see what we have lined up in our songs.

Oh, thank You, Lord. I trust the Word has caused you to think in places this evening. Maybe you have not given much thought in the depth into certain places because you are not conscious of who your enemy really is, and you're not conscious of the Unseen World around you all the time. You might be walking, a lot of you, in the humanistic realm, relating just to flesh and blood, flesh and blood, without discernment of spirit;

without discerning the Body of the Lord. The thing to keep you linked up, keep you plugged in and booted up, is to have discernment of the Unseen World.

Praise His wonderful Name. Amen. David is going to sing a song here for us, by God's grace, before we get into prayer. Amen.

[Bro. David Dayal sings *Snares In An Evil Net* #931 Songs That Live -Ed.]

Oh, my! "Thank God we're free, He has given us eyes to see." How grateful we are for that. Amen. What good is Light if we don't have eyes? He said the eyes of our understanding will be enlightened. Amen. Glory be to God. Praise His wonderful Name.

Just let us worship Him a little bit. We have a couple of songs here; get into the Spirit and get free. Now as that Word has come to us, let the sweet Presence of the Lord just fill your hearts and motivate you; lift you up, even if you're weak and struggling, you begin to see. Light begins to shine in places where you could walk a little more conscious, a little more confident, a little more focused; fight a little more strategically. Praise His wonderful Name.

[Sis. Hannah Mitchell & Sisters sing #669 - Songs That Live -Ed.]

*A burning desire in me,
To be more like thee,
Is growing stronger everyday.
I'm burdened in my soul,
Perfection is my goal,
To walk with You in perfect harmony.*

*I want to go
Where You want me to.
Send me Lord
To do the things You do,
My Lord, I want to go.
I want to feel*

*Your Presence near,
Perfect love
Casting out all fears,
My Lord, I want to feel.*

*Let Your anointing flow,
Keeping my light aglow
Amidst this world of darkness, sin and shame;
Keep pouring Your latter rain,
Faith to use Your power again
That I may return to You
From whence I came.*

CHORUS

*I want to go to that place prepared for me,
Oh, that mansion, my theophany,
My Lord, I want to go.
I want to feel greater realities,
Perfect love throughout eternity,
My Lord, I want to feel*

Oh, I want to go where You want me to. Amen. Obedience; submission, (Amen.) under His Divine direction, Divine leadership; under Headship (Amen.) that He can work His will through us to His honour and His glory. Praise His wonderful Name. Amen. We have one more, *Any Day Now*, and then we're going to have prayer for dismissal.

[[Sis. Maria Allert & Sisters sing Any Day Now -Ed.](#)]

*Can't you feel the cold winds blowing
Can't you see the storms
Prophecies fulfilling
Can't you see the time has come
Can't you see Hell is on the earth
Can't you see the wars
Continually evil
Describes the hearts of men*

*Can't you see the nations are shaking
So many already fall
But we've received a Kingdom*

*Any day now 3x
We'll be going home
Any day now 3x
We'll be gone forever*

*The pale horse rider is riding
Unto him power is given
As hell follows death
With destruction on their trail
While the earth is groaning
In birth pains to be delivered
Awaiting full redemption
And the manifested sons of God
But the Mighty Angel came down
With His feet on sea and land
And an open Book in His hand*

*Any day now 3x
We'll be going home
Any day now 3x
We'll be gone forever*

*Can't you hear the Trumpet sounding
Can't you see it's time
To be free from all our bondage
And reclaim our inheritance
Can't you see the Bride is rising
Can't you hear those Seven Thunders
That will take us from this pest house
To a body glorified
Can't you see it getting closer
Can't you feel the pull inside
Very soon we will be raptured*

Any day now 3x
We'll will be going home
Any day now
(The trumpet's going to sound)

Any Day Now
(The dead in Christ shall rise)
Any Day Now
We'll be going home
Any day Now
(Our bodies will be changed in the twinkling of an eye)
Any Day Now
(The Lamb will take His Bride)
Any Day Now 3x
We'll be going home
Any day now 3x
We'll be gone forever

Amen. Soon and very soon, the great countdown is here. Any day now, just be ready. “And they that were ready went in with the Bridegroom.” [Matt. 25:10 -Ed.]

I invite you to bow your hearts for a word of prayer as we dismiss, giving God thanks for the time that we have been gathered here around His Presence, His Person, to have the Word transmitted out to you. I trust that you receive it into your hearts with a conviction, spend a little time and look in there.

Ask God to walk a little closer, to raise your level of awareness; make you more conscious, more sensitive to this World that is around us, where the things that are happening here are influenced from there. If you have representation from Above, you're reflecting from Above. He said if you have no representation from Above then you will reflect from beneath. Amen.

We want to be channels (Amen.) that God can work through in this Hour to the fulfilling of His Word. Let us just join our hearts now as we give Him thanks and have a dismissal prayer.

[Bro. Jonah Dayal prays – Ed.]

Thank You, Lord. Thank You, thank You, thank You, Lord. Glory be to God in the highest. Thank You, Jesus. God bless you. We're dismissed until we meet again. Stay in His Presence. Amen.
