

Third Exodus Assembly

The Three Curtains Pt.3

*The Beginning and Ending of the
Gentile Dispensation*

Pastor Vinworth A. Dayal

12th October 2008

The Three Curtains Pt.3

The Beginning and Ending Of The Gentile Dispensation

Sunday, 12th October, 2008.

...“Peace, peace,”
Peace unto My lovely bride,
Shalom, shalom!” for a new day
Has been broken;
From this sick and dying world
To God’s life and immortality,
All we can hear from His Throne
Is, “Good morning! Good morning!
To My Bride.”

What a good morning that is, to see the Morning Star in the darkest time in the blackout age, shining forth and Its Light is bringing a message that the Son is on His way. The Morning Star is sent to introduce the Son, the risen Son. Hallelujah! Shalom! How grateful we are that everyday since God put man on the face of the earth, every single day till this present time that morning star comes out.

This very Message being spoken of, way back in the beginning and then in these last days, the Morning Star came down. That is what He promised them in that Thyatirean Age, the Dark Age when church and state was united. And the Church was using the power of the state to bring a persecution upon the true believers with the intent to wipe out that church. He said, ‘I will give you the Morning Star.’

And here in this hour when this Jezebel religion has broken the powers of the nations, amen, and is about to move with destruction, the Morning Star Himself appeared in these last days. And that there is to be a ministry of the morning stars, the sons of God in the last days. Hallelujah! Showing forth His resurrection, showing forth His power, amen, that Jesus is not dead but He lives in the heart of every redeemed son and daughter of God. Hallelujah! Do you believe you are one of those today? Praise His mighty Name.

We have our beloved brother and sister, Brother Richard Browne and his beloved wife. We are very happy to be associated with them. God, by His divine leading just like He led the ‘possum that was mashed over by a car and it just seemed like its life was being ebbed away, and the enemy was just trying to move in and devour that little ‘possum. Maggots and everything were already in that infested womb, eating the life of that thing down. And when that ‘possum with all her little babies inside of her, just like the condition the church was in, in this hour. But because she was a real mother, the Holy Spirit knows how to guide that ‘possum to a refuge, a place of deliverance. Hallelujah!

So the wounded church in this hour has been led to the Message of God, the Message of the hour, friends; that brought a full restoration, amen, to that which was dying. God certainly knows how to deal with his children. And they have a beloved, little girl this morning, Rebecca Hannah, to be dedicated. Our precious Sister Simone, she has gone through quite a lot. But she stands here this morning, knowing that her faith in God was tried and tested but she stands here holding on to His Word. Amen.

We certainly desire you to have a prayer in your heart for this couple here. They have been through quite a lot. And just like I told that little story of the ‘possum, you know, prayer is what changed the situation. The Prophet himself wasn’t even conscious why she was sent and what she was sent for. Yet she was dying in the very place that she was sent for deliverance.

And then God had to shake him and say, ‘Man, you preach about motherhood and talking all these things and I sent the ‘possum and you didn’t pay attention to the ‘possum.’ It was dying and that was the very manifestation of what he was preaching about and he couldn’t even see it. Do you think God was mindful about that ‘possum that God will shake a prophet to recognize that need? And if God would shake a prophet to recognize that need, how much more one of God’s sons and daughters, amen, standing here today, amen.

That's why we love Him, because, it is so true in the Bible, His eyes are on the sparrow, His eyes are upon every one of us. He knows our every need, this morning. And whatsoever our circumstance might be, this God is All-sufficient. And the great resource He has put in the church of the living God, He has sent a Message to teach us and lead us to the discovery of our hidden potential.

Just like when Elijah was sent to that widow, she had a great resource. It wasn't the oil and the meal, it was some faith but she really didn't know how to tap into it and live and overcome her circumstance. And when that prophet came on the scene, He wasn't bringing a little fundamental message. He was lifting her up into the realm of faith that he lived and walked in. Amen. Then she discovered she had faith she never knew she had.

How many times you hear him in the prayer line say, 'Lady, you were just healed a little while ago.' He says, 'You felt a little funny feeling a little while ago but lady you have more faith than you even knew you had.' He said, 'Faith is a sub-conscious thing.' Amen. 'Maybe you were waiting for a little feeling to get a goose-bump and you didn't get one but your faith had already touched the hem of His garment, hallelujah, without feeling in the flesh'. Glory!

And that's the God, friends. And we were taught these things that we will be moved out of the humanistic realm into the realm of revelation and vision. And if the church, the real bride is not walking there then she is just part of the world. Because that's where this Message and the quickening power has raised us up to live and walk in this realm. The Bible says:

*Blessed is everyone that feareth the Lord;
that walketh in his ways.*

You fear the Lord; you will walk in His ways.

*...thou shalt eat the labour of thy hands:
happy shalt thou be, and it shall be well with
thee.*

You fear God and walk in His ways, he says, 'you will be happy and it shall be well with thee.'

Thy wife shall be as a fruitful vine by the sides of thine house:

Not somebody else's house. Your wife would not be by somebody else's house becoming fruitful. The wife will be fruitful by your own house. So many men's wives are becoming fruitful by other men's houses. But you fear the Lord and you walk in His ways:

Thy wife shall be as a fruitful vine by the sides of thine house: thy children like olive plants round about thy table

They wouldn't be in some orphanage. They wouldn't be given up for adoption somewhere. They wouldn't be raised with some foster parents because you will eat the labour of your hands. You will be blessed. This blessing and how it is defined, it shows to us God's thoughts of the home and the family, what He intends the home and the family to be. And that's a place He desires every one of us to walk in and have this blessing. But it begins with fearing the Lord, 'The fear of the Lord is the beginning of wisdom'. We know that.

Behold, that thus shall the man be blessed that feareth the Lord.

The Lord shall bless thee (even today) out of Zion:

Because that's where the Lord is; that's where the Lion roars from. The Lord is in Zion. And Zion is not some place back in earthly Jerusalem; that's the bride of Jesus Christ, that Heavenly Jerusalem, that City of the living God. You have come to Mt. Zion, City of the living God.

If you have come to Mt. Zion, the blessing is here because the Voice of the Blood can speak better things. It could remove sin. It could make the spirit of a just man perfect. Amen, hallelujah! It could bring deliverance. It could bring restoration. It could heal broken hearts. It could mend broken homes. Hallelujah! It could establish the house on a Rock that it shall not be moved. Glory!

...and thou shall see the good of Jerusalem all the days of thy life.

Oh my, this great heavenly Jerusalem, the Lamb's wife, the City of the living God, you will see her good all the days

of your life because you will be part of this great company. You will dwell in this City. Hallelujah!

...thou shalt see thy children's children, and peace upon Israel.

Glory be to God. Praise His wonderful Name.

Gracious Father, how great Thou art! We stand here, Father, for dedication in Your presence. For this we are grateful. But dear God, in our hearts we have a prayer for our brother and our sister, this couple that is special to us, Lord. For You have sensitized us to recognize these are Your children and they are in great need. And the need that they have, Father, is out of the realm of human beings to even think of being able to supply such a need, but You promised You shall supply all our needs according to Your riches in glory. And truly Lord, You are the expert in meeting these types of needs. So we are grateful, Father.

We thank You for the blessing with which You have blessed them. Lord, this lovely little girl that has opened the womb that has come forth, Lord, through this union. And Lord we know that You work in mysterious ways Your wonders to perform. So many times in the Bible we can read when children were coming, they came as signs. They brought a turn and change of events. They marked a junction in Your dealings with people. And so we are praying that the coming forth of this blessing that You have bestowed upon this couple will also effect change. Lord, will bring – mark this spot in their lives, this junction, Father, of time.

They have had a difficult road, dear God. But today, Father, I pray that You would sanctify them and You would rededicate them to Your service, Father. Lord, that night, back that time in Florida when they were in that church service and they were making their pledges, their little vows to you after coming to know each other and looking forward for a great move and they prayed sincerely. But from that time to this time, Lord, it's been so many hurdles. But yet, dear God, You proved that Your hand is upon their lives because You will not let the enemy, Lord, destroy them or

hinder them in any way but you have kept them. And Lord, You have blessed them with this beautiful little girl.

I pray Lord, out of the depths of the riches of Your grace that truly You said, You are a God Who is rich in mercy. And we are standing here before the great throne of grace. And you said, 'We shall obtain mercy, we shall find grace to help us in time of need.' And may dear God, today Lord, bring a new beginning, even as they stand here as parents, Lord, with their offspring, coming for dedication, dear God. And Lord, may they be dedicated parents.

May You dedicate this marriage and this relationship, oh God, that this home that is to be established, can truly be established according to the divine order of Your Word. And Lord God, that this offspring that You have given unto them, will be raised up and grow up to know You and to serve You, Lord, in the way that You intend and designed behind her life. You said, 'out of the mouth of babes, You will perfect praise, Lord, You will ordain strength.'

You know how to do these things. It matters not how long our life span would be on this earth. You are the omnipotent God, everyday You show us, we know nothing when You produce more of Your wondrous works. We learn to trust and believe in Your sufficiency.

And dear God, I ask now that You would receive little Rebecca Hannah, that we bring before You for dedication. In the Name of the Lord Jesus Christ, by faith, we place her into Your mighty hands. Placing her beneath Your precious Blood in this evil age Lord, when germs and these things are bred to be scattered upon the nations, when oh God, plagues are poured out in the land. Oh God, yet we remember it is written in the Bible the Angel of God forbid those devils from coming near to those who had the Seal of God. They couldn't touch them. And so we ask, dear God, that she would be safe and secure in Your divine presence, sheltered in the refuge where Your eyes would ever be upon her.

And may the hearts of the parents be ever endowed with the understanding to raise her for the purpose to which You have sent her for the glory of God, for the honour of our Lord Jesus Christ. Grant her health and strength. And make

her a real blessing to the hearts and lives of her father and mother and all the extended family. And may oh God, great things be wrought, Lord, in this home Father, that Your Name would be admired, and Lord God be glorified in their lives and You will fulfill Your great work of faith with power. We dedicate little, Rebecca Hannah Browne to You today for a life of service, in the Name of the Lord Jesus Christ, amen.

I know you are on your feet. I want to get you off. As we go to pray, we have a couple more requests.

And you all, the saints out in the region, God bless you.

I'm so in anticipation that the Holy Spirit will just speak so expressly today, that God will do something special among us. Do you believe? Do you expect to receive? This God is All-sufficient, friends. Amen, I believe I have a Word from God, amen. I have a Word burning in my heart.

I believe we have come to this great hour, amen, this final hour. As Sister Georgia and the saints sang, *This is the Hour, that we've been waiting for.* Amen, *the Bridegroom is at the door*, friends. He is checking robes, hallelujah! They found people who didn't have robes; they had to throw them out. They couldn't get into that supper without those robes. So may this be a time we have our souls robed with this great glorious robe of the Holy Spirit.

Prayer is requested for Sister Georgia Cherry at home for low blood pressure count, severe high fever, back and stomach pains.

Brother Carl Lewis who is at home is requesting prayer for his wife who is warded in the hospital with a chest and bladder infection. For you who may not know him, and for you who may have forgotten him, that's the brother who used to be in the wheelchair sitting outside there. A brother who believes in the ministry and in the Message and he stands identified with us. Let us unite our hearts.

And you, who have an unspoken request, here and across the region, let's just unite our faith, *'if two shall agree as upon touching anything, it shall be done.'* Let's just believe and pray, remembering He said, *'when you stand praying, if you believe that you have received what you asked for you,*

not may have it or might get it, *you shall have it*' because you have already been blessed with it in heavenly places. He can drop that faith to ignite your soul and make you have power to apprehend and make that your personal blessing.

Beloved Jesus, in Your Almighty and powerful Name we stand here, with grateful hearts in Your presence confessing all our sins and shortcomings. We would not want anything to hinder these who are in need, Father. And even desiring that Your Holy Spirit will not be bound or hindered or paralyzed in any way because of any unbelief or anything that is not of You in our midst today. But that You would be able to move and minister to every need among Your believing children. That dear God, You who said You prove Your Word by believers and even though we are tested upon the promised Word, we'll find that the promise is good at every gate. You will stand there to give us grace to possess the gates of our enemies. And to live in the enjoyment and the blessing and the privilege that You have restored unto us through the opening of the Seven Seals and this Title deed coming back to us, knowing we are heirs of the promises of God. This is our inheritance.

May this faith move in the hearts. May the minds of Your children in need be quickened and be enlightened with this understanding. So that no one will be trying to grab through the senses or work with some emotion or something, but substance faith that always attracts Your attention that the devil can see and respect and have to move back. May that be the portion of Your believing children standing here today in the need for You to meet that need in their lives, Father. May You grant it.

And God, we all have one collective need. How we desire that the Holy Spirit would speak so expressly. As it is written in the Bible, '*the Spirit speaketh expressly in the latter times*'. And truly oh God, we are in the zero hour, this great countdown time; the spiritual astronauts already locked in the spaceship Lord, ready for this great blastoff where we will change dimensions. The scientists, oh Lord, working by spiritual laws to achieve spiritual things.

I've seen You, the great Chief Scientist, the greater than Einstein bringing forth Your divine revelation through Your prophet in this hour; a Message to show us how to prepare to give us faith for rapturing grace. You said, 'These divinely revealed mystery truths will literally turn the hearts of the children back to the faith of the fathers;' these Seven Thunders uttering their voices to make known the hidden Truth that was sealed in the Word.

Let this great Light shine Lord, and illuminate every heart today, breaking chains, opening prison doors, anointing your children. That when we leave this place, we could leave worshipping You and rejoicing going on our way for the great blessings and benefits we expect to receive, that You will load up our beings with, Father. In the Name of Jesus Christ, we thank You in advance for it, amen.

Praise His wonderful Name. Jeremiah 27. I would like to continue on my little inspiration I had Sunday (5/10/08) and Wednesday (8/10/08) preaching on **THE THREE CURTAINS**. And for a little subject today, **The Beginning and Ending of the Gentile Dispensation**. And I had a subject which I hope to pick up and catch even more fully today, **The Full Control of the Catholic Church in the United States of America**.

This was the Word of the Lord that came to the Prophet. And we certainly are looking to see God make all these things that are happening, even more real and more plain to us. And we will not be left without understanding, as Paul said, 'Be not unwise but understanding what the will of the Lord is. Redeem the time; buy up the opportunities because the days are evil.' Things are happening so fast, 'the Word' the Prophet said, 'is being fulfilled with such rapidity, only the born again Christian could keep up with it.'

I'm going to just read the first four verses and have you sit and then we'll continue to read after.

In the beginning of the reign of Jehoiakim the son of Josiah king of Judah came this word unto Jeremiah from the Lord, saying,

I have found something in my life and my study as the Spirit of Truth leads me in the Word. That sometimes when

you're reading your Bible and you are reading 'In the beginning of the reign of Jehoiakim the son of Josiah king of Judah...' you stop and you find that in the Books of Kings and Chronicles. And you read and see what time God is talking about in the beginning of that time when this Word came. Because if he didn't want to mark the time he received this Word and what this Word was, he wouldn't have associated it with that year and the beginning of that reign. He said, 'this Word came in that time.' There is a Word allotted for a time and season always. 'And the Lord will do nothing except He reveals His secret to His servants the prophets.' So here was Jeremiah the prophet, and God was fixing to do something and the Word was coming to the prophet.

Thus saith the Lord to me; Make thee bonds and yokes, and put them upon thy neck, And send them to the king of Edom, and to the king of Moab, and to the king of the Ammonites, and to the king of Tyrus, and to the king of Zidon, by the hand of the messengers which come to Jerusalem unto Zedekiah king of Judah;

All these kings were sending messengers to Jerusalem because there was to be a conference, a summit. And these were the representative, heads of governments that were coming to this summit. This vision was not being given the day before the summit or two days. This was years before that summit.

Watch. Send these yokes...

...by the hand of the messengers which come to Jerusalem unto Zedekiah king of Judah.

You caught something there? Did you catch something there? You are reading your Bible. The Word came in the time of Jehoiakim, king of Judah. But send the yokes to the messengers who come to Jerusalem in the reign of Zedekiah. That's another king. And there was a king even after Jehoiakim before Zedekiah came.

And command them to say unto their masters, Thus saith the Lord of hosts, the God of Israel; Thus shall ye say unto your masters;

May the Lord add His blessing to the reading of His Word. You may have your seats. Continue to read from verse 5. This is the Word God is sending with the yokes, a symbol. Could you imagine these messengers coming back and the king saying, ‘What took place in the summit?’ He says, ‘It’s kind of strange but this didn’t come from some curio shop. You know, we weren’t buying souvenirs and bringing back a little yoke or something. There is a prophet in that land who came to us with THUS SAITH THE LORD. And he knew everyone of us. He knew which nation we were from. He knew who we were representing and he gave us these yokes to take back, and this is what he said.’

I have made the earth, the man and the beast that are upon the ground, by my great power and by my outstretched arm, and have given it unto whom it seemed meet unto me.

‘Go and tell them, the God Who gave you this Word is the Creator, the One Who made the first man in the Garden of Eden. The One Who made the earth that they are living and have a kingdom in a certain part of that earth. And all the beasts that they see that didn’t come from some scientist in some laboratory, I created those animals. The birds that fly, the ants that walk around the house, the birds that lodge in the trees, amen, even the pet dogs that they have around there I have made all of that,’ God, introducing Himself as Creator.

...and have given it unto whom it seemed meet unto me.

And now have I given all these lands...

The land of Edom, the land of Moab, the land of the Ammonites, the land of the king of Tyre, the land of Zidon, all these people who came to represent a country, God is telling them, He says:

...I have given all these lands into the hand of Nebuchadnezzar the king of Babylon, my servant;

How many believe Benedict 16th is God's servant? Correct. Not relationship, ownership. God owns everybody. And God uses people for different things and that's God's servant. Amen. They have no fellowship through the Blood but when God wants to use him for a particular work God uses him for a work. If God wants him to deceive the kings, he deceives the kings. If God wants him to drunken the inhabitants of the earth, he is going to drunken the inhabitants of the earth. If God wants him to send them into war in Iraq, He uses him to do that. That's right. That's God.

That's God of the Bible. You hear how He is introducing himself to them? 'I have made...It belongs to Me. The earth is mine. The animals are mine. Man on the earth is mine. The serpent was mine. I made him the link between the animal kingdom and the human race. I gave him a seed. I gave him the knowledge of the principles of life that the seed could go into the woman's womb. I made Lucifer in heaven and made him the son of the morning.' Amen, this is God, friends.

This is not some idol or some little theology in a Bible school. This is God we are talking about, the sovereign God, Elah, Elohim where nothing existed. And He had a plan to reveal Himself and show His glory in the earth. He said, 'And now, now while this Zedekiah is king here, I have given his country, this king of Judah. Judah, at one time was My chosen. I brought them in the land. They drove out the inhabitants. They became great in Abraham when I gave Abraham the land. And in Isaac and Jacob when I confirmed My covenant. And in Judah, I said, 'the scepter will not depart from Judah.' Amen, hallelujah, the same way. As I was showing you last week how Israel and America are typed.

*...I have given all these lands into the hand of
Nebuchadnezzar the king of Babylon,*

In other words the king of Babylon is going to take Judah. My temple used to be inside of here. My glory used to be among these people. Their nation was established by great men like David and Solomon and they who built the temple. But I have given all that and all that glory is past reputation for this present generation. And they are still trying to live on

the past reputation that they had great ancestors but they are going to find out, this is given to the king of Babylon.’

My, watch this reading. I want to get into this reading and I want to catch the reading because remember the Old Testament is shadow. The mysteries are prophecy. And if you catch my subject you will understand, **The Beginning and Ending of the Gentile Dispensation.** This here was the beginning, the coming in, the ushering in of the Gentile Dispensation. This is the power that was going to make the king of Babylon the ruler of the world when he takes this nation that was once the mightiest nation in the earth, when he takes it into captivity. This is going to bring him in and God has given it to them. That was the Word of the prophet in the day before this great nation was taken into captivity. Can you catch that? Catch the vision.

We had a Prophet in this day who saw that beautiful woman rising up in that nation, who is going to take that nation, who is going to control the politics in that nation, who is going to control the religion in that nation, who is going to control the money in that nation, who is going to flood that nation with idolatry like it is today; who is going to use that nation to kill and shed innocent blood because all the great leaders would have gone.

And they’ve become so bad that, ‘if you bring back all the great leaders at one time, Abraham Lincoln, George Washington, you put them in every city, the Patrick Henrys everywhere’, he said, ‘they could never bring it back.’ Do you know why? Every nation has a cup of iniquity. And that nation’s cup of iniquity was now full. And so, it was the prophetic Word prophesied over them coming to pass.

And now have I given all these lands into the hand of Nebuchadnezzar the king of Babylon, my servant; and the beasts of the field have I given him also to serve him.

This was a Word that came to Jeremiah but he is giving this to these foreign secretaries; secretaries of state, and ministers of national security and ministers of foreign affairs that came to this big summit. And he is saying, ‘Go back and tell your rulers.’ They came to have a meeting because they

were interested in keeping, you know, forming an alliance to secure themselves. The emergency that they found themselves in made them see the need for each other.

If you understand the policy of containment that took place in the cold war, how every time Russia went somewhere, the United States checked them. Every time the United States went somewhere, Russia checked them. And in doing that they had to support nations with wealth and arms and that's why we have Cuba right here in the Caribbean because that was a strategic location. And it was within reach where they could send missiles to a great power that had influence in the world.

And that's why we had the invasion in Grenada where we have a church there today. Because when they were building that runway that used to only accommodate before, little Liat planes, Dash 8 and Dash 12 and so on. They were building one now, so the big 747s could come straight from Russia without stopping anywhere to fuel and land right there, so they could bring in their intelligence, bring in their personnel and these things.

And they had a Prime Minister there, Maurice Bishop. You all remember that and how he died in the coup because he wanted to get away from the socialism. And he had the ones who up till now, I don't think they've released him. They released many others, but Bernard Coard and his wife who were the people behind there, strong, who were the ones who wiped out half the government in that coup and slew the Prime Minister.

And President Reagan moved in here because Eugenia Charles, the Caribbean iron lady had gone up in the White House. And President Reagan and they worked together to launch the invasion.

I remember just after the invasion we had gone to Grenada, myself, Brother Willie, Brother Robby, Brother Wilson, and I had some services over there. We were still seeing the big tanks moving around in Grenada. We were seeing them bringing the maxi taxis and the US started to change up the place a little bit.

These things came into prominence because the bigger powers were in a cold war. And they were trying to spread their influence and they had a lot of small satellite nations. Well, here all these nations and these people, what is causing them to come to Jerusalem? They are seeing a power going forth to conquer and conquering the earth; a power that was devouring the whole earth and breaking up the earth in pieces and taking the resources and the wealth of the world. And there was not another region that needed to be conquered except this last region. And they were heading that way.

And when they saw them heading that way...because Babylon had conquered the world already, the last great nation was Israel. And Israel had these small nations around them so they all began to come into solidarity. And here is Israel, not for religion because these were heathen nations, but for national security, for trade and commerce and support. Because Babylon was bringing down sanctions and was strangling the world as she was forcing her will upon the world.

I'm trying to draw a picture for you how the Gentile dispensation, what brought that in. I'm trying to show you, how Babylon with her king and her invading forces went forth conquering and to conquer in the earth. She was devouring up nations. She was taking resources. She was controlling trade routes. She was taking a hold of markets. And she was putting them under heavy tax like the IMF and the World Bank, the small nations, and making them pay tribute and taxes like how this whole Caribbean is to those powers.

But Israel had a God and had a history that they were a great nation. The nation was founded for freedom of religion. They had everything else. They had the history but they didn't have the God of the history. Because they had a prophet and everybody was rejecting that prophet. And they didn't like the message of that prophet because he was telling them the nation was doomed, that the king of Babylon will take the nation. Are you catching the picture?

We had a Prophet telling us a mystery Babylon will rule the world. We had a Prophet telling a nation that was

founded for freedom of religion that Babylon would take them. A beautiful woman would be the power behind that throne. And we're finding out 'most all Israel didn't believe that message. Because they had a bunch of other prophets saying, 'No, no, no, we are going to go for two years. God is bringing back those vessels in two years, bringing back those people in two years and even challenged the Prophet.

How many remember Hananiah? He died that year for trying to contradict and bless what God had cursed. They were trying to preach prosperity and bless the people and prophesy all kinds of lying visions, so they could kill the effect of the Voice of God in their last days. That was their last days and they had a Voice of God but that Voice of God had become a foreign thing to them in their very midst. Because they threw ripe fruit on him, they threw him in a pit. They shut him up in house arrest. The religious people and together with the politics: the king, the state and the church working in collaboration, they deadened the Voice of Jeremiah.

But he had a little group, hallelujah, some Daniels, some Ezekiels, some Nehemiahs, glory! Little boys maybe like some of these here, and their fathers telling them, 'Son, that's the prophet. That's the prophet of God. This nation is gone. That Babylonian power will take this thing into captivity. It'll break the economy.' And that Jeremiah saying, 'I may not be here but you will see the words I say come to pass.' Hallelujah! Are we living to see the words of our Jeremiah coming to pass?

Watch; verse 7: He tells them, he said, 'go and tell them...' I want you to take note in verse 5.

*I have made the earth, the man and the
beast that are upon the ground, by my great
power and by my outstretched arm, and –
What?*

Say it let me hear.

...have given it.

And verse 6 says, now what?

...now have I given

And then he says,

*...and the beasts of the field have I given him
also*

Who gave it to the king of Babylon? God; God gave it to him. That's permissive will. God allowed him to get the desire of his heart. But God is using that for remedial judgement for a church that backslid and got away from God. Are you catching that? God is permitting that. God is giving it because God is the One Who through Daniel showed there was going to be an age for the head of gold. There was going to be an age for the chest of silver. There was going to be an age for the thighs of brass. There was going to be an age for the legs of iron. There was going to be an age for the toes of iron and clay. There was an age, an eternal church age for the Rock cut out without hands, the great stone kingdom that will fill the earth. In other words God gives the kingdom to Who He wants.

And before that generation came or existed, what day are we living in? The days of the ten toes? The days when the Headstone has come? The days when this world is falling apart? And we have received a kingdom that cannot be removed but everything that could be shaken will be shaken. Every nation is falling apart but the bride is coming into a faith economy, into a supernatural economy.

Then if that is so and that is happening... Who is the oldest person around here; maybe our beloved sister going on eighty-seven? [Points to a sister] That was written way back in Daniel's time, he saw this time. None of us were born, none of us were around. Here, we are not even living, let's say on the continent. We are on the little islands scattered out in the Caribbean Sea, little tributaries of the bigger powers.

But yet the message the hour has come to us, pointing out to us, 'Look the Rock cut out without hands. Look Eisenhower and Khrushchev in the earth. Look what their names mean.' And while he is saying what their names mean, he is saying, 'Look at this messenger to the church now, the natural church. He is G-R-A-H-A-M. Look what that is. Look what that means to the world. He said, 'But look at the next one the church received who could discern the heart. He is seven letters B-R-A-N-H-A-M like

Abraham.’ While he was revealing Eisenhower’s name and Khrushchev’s name and saying, ‘Watch we are in the ten toes.’ He is showing the name that relates to last sign before the change of body and the Gentile world being burnt with fire.

And not only saying it but the Pillar of Fire was coming behind manifesting the thing to prove the hour was here. And a blind age, drunken from the cup of the king of Babylon couldn’t see the day, couldn’t recognize the day and the Message though it was right in their midst. If they were so blind back there and couldn’t see that, what do you think they are forty five years after? They got back to seeing?

If they were deceived back there...Did he preach, **A Church Deceived by the World?** Did he say Samson...the eyes, they didn’t want the eyes? He didn’t put any value to the eyes. He was running after Delilahs. He was running after pleasures in the world. And the Pentecostal Church, when the eyes came to form that stage of the body because you can’t have light until you have eyes; ‘What good is light to a blind man?’ he says. And now the man could see the baptism is wrong. Now he could see that woman preachers were wrong. Now he could see what they’re calling the evidence of the Holy Ghost is not the Holy Ghost. Now he could see the trinity doctrine is wrong. And when he pointed it out to them, it only angered them and made them reject him. Is that right? What do you think they are seeing now? Their grandchildren are worse than them now.

And the children born by the planting by the seed of the head planter, the sower who went forth at evening time sowing for the bride; look at Zion’s children, hallelujah! They know and they understand because their eyes are becoming anointed with eye salve. They see it so clear until they start to see their part of the Word. Until they start to understand what has happened from 1966 to 2008. They are seeing so clear now. They could wave in the mirror and say, ‘Mama, that’s me. That’s me there.’ They are seeing their own reflection in the Bible.

And all the great celebrated teachers out there could only see, God loves a cheerful giver. And the greatest thing God

gave they didn't want it. They didn't want the gift of the God Himself in the form of the Son of Man being revealed, but they wanted the prosperity blessings like Balaam and Judas and they. Hallelujah! It is not strange, friends.

On **Third Exodus**, he said, 'You watch that power in the White House with Kennedy begin to grow and watch the power that was in Moses.' He said, 'When Ramses was born, Moses was born; both; one growing through political power, one growing through spiritual power.' When I see those anointed men out there and how they are anointed to deceive, they're anointed to lie. They are anointed to, you know, blind the people.

And when I see this Word so anointed to open eyes and take shackles off the mind, hallelujah! And bring God present tense and tie the Bible together, it lets me see, oh my, the power has really grown on either side because the same sun and the same rain's maturing the wheat and the tares together.

My! So watch. '...have I given, have I given, have I given'. When I get to Revelation in a little while, you will see how Revelation 13, he says, 'And power is given to the beast to make war. And power is given to him to kill with the sword. And power is given unto them to kill one fourth part of the earth with four things.' Because the same way Babylon was prophesied to rule the world, mystery Babylon is prophesied in the going out of the Gentile dispensation to do the same; as Babylon ruled the world in the coming in of the Gentile dispensation, the same way it comes in, the same way it goes out.

And what is starting as wars for conquest and markets and trade routes ended up with what? Worshipping an image, worshipping an image! And what started off with that white horse rider, that Babylonian power, going forth in the earth conquering and to conquer and then get into the military realm and organize the armies to take resources in other countries; to reshape the world through wars and bring in a new type of society. Are you understanding?

That same way you see how they begin to control the wealth. They began to capture the wealth. Your Third Seal tells you how they captured the wealth.

They fought economic wars, who is able to make war with the beast? War is not what we think it used to be long time. Now there is hot war, cold war, industrial war, trade war, economic war, business wars, and media wars. It depends on what your objective is and what you are trying to achieve, you fight that kind of war. If you want wealth you could deal some blows to those bankers on Wall Street if you want economic war.

They want hot war, you could send out your most militarized nation, these big industrialized nations where the iron is in every toe. Do you understand?

You see you have to think in this hour. This is what the Word, the Thunders was to wake up the people. But you watch where those Thunders are suppressed and watch...you know what's happened? Nobody woke up. And you hand a man the book; Isaiah 29 it says, like you hand the book to the man that is sealed. The man says, 'I can't read it. I can't see.' He said, 'They err in vision and stumble in judgment.' And they say the Book is like a sealed book. Yet the Book was opened in the days of the Voice of the Seventh Angel, this end-time Prophet.

And when the Book opened what did it do? It tells us Babylon is about to take the world. Well, who does the Bible say Jehoiakim was in verse 1? He was the son of Josiah, king of Judah. Does anybody know, what was the high point in Josiah's reign? What was the high point in Josiah's reign? The book of the lost Truths was found. Hallelujah! All the years they didn't have the Book and one day the Book was in the hand of the priest. The Intercessor, the Lamb had the Book and he opened the Book.

And the Book came from the priest to the king, hallelujah, and the whole nation went into a repentance and revival, why? Because when the Book opened, they realized they were going to be taken by the invading Babylonian power. And they sent people to find out, 'Does it really mean these things what they think is in that book?'

And, they came to the College. And there was a woman there named Huldah. And the prophetic ministry was in a woman. Her husband was the keeper of the wardrobe. Oh

thank you, Lord. He had the kind of robes it will take to go in the marriage supper. He had the kind of robes that you will wear in the new civilization, glory! Is there a married woman tonight whose husband has all those robes? The robe of immortality! Is she married to Him? Are they in union? Glory! The old husband is dead and she is in union with the new husband.

And they could look in the earth and see that nation is taken, see that banking system is gone there. They could see that nation's government is subverted and policy being passed upon the people. They could see that nation being blinded with propaganda from the media. And they say, "Who is doing that on the earth?" Babylon, Babylon, why? She was coming in to fulfill her prophecy.

The same way the bride has a...Does the bride have a prophecy? Is she growing up this morning into the full complete fulfillment of that prophecy? Is she going to be changed in a moment in the twinkling of an eye? Is she going to be a super race in the last days? An invincible army?

Well, there is another woman in the Bible, 'that woman Jezebel'. Amen, that she will control all trade, all religion, all politics. Is it prophesied, you can't buy or sell except you have the mark of the beast? That means she will control all economics. 'Except your name is not written in the Lamb's Book of Life, you will worship the beast', that means she will control all religion. Not worship -this over here tells you, they will worship the beast. And these ten kings will give their strength and power to the beast for one hour. That means he will control all politics.

And then the Bible says, 'She drunks the kings of the earth and the inhabitants of the earth'. So that woman, she sure is coming into her own as this woman is coming into her own. In the days of Elijah was Jezebel coming into what was given into her? Did she come with the avowed intentions to take Israel away from the true God? Did she take them away from the true God? Did she get into the ten tribes, and then she got into Judah? And then she had the whole nation. Is that right? She had all Democrats and Republicans too

because they represent the two kingdoms. She was here, Athalia was over here; she and her daughter. Is that right?

Then when that was happening, friends, was there a widow under the message of Elijah discovering hidden potentials? Did she bring the meal and the oil on two sticks? Was that Christ on the cross? Hallelujah! Was that the working of a supernatural economy? From the time she brought it there which was the Voice of the Archangel, it became a supernatural economy. There was no supernatural economy until she mixed the oil and the meal and put it on two sticks and that's Christ on the cross, friends. He cried with a loud Voice on the cross.

That's Joseph in prison, Christ on the cross. That's when He cried the Old Testament saints came up. Oh my! It followed the coming of Elijah. Jezebel had rejected his message. She wanted to kill him but that widow received his message. And those two women were growing, one wealthy and powerful. One a humble little woman but she saw the power of God in her little house.

Oh give Him a hand of praise. You talk about a mighty God! Oh thank You, Lord. My! Yes sir!

They were looking and seeing, this big summit going on. You see what happened the last few days. They want the G 8 and the G 20. And they say, 'No, we have to bring in Brazil. We have to bring in the other nations; India and they into this too.' And while that summit is going on because they see the shaking of what happened to those Jews who're controlling Wall Street, their control was not so strong anymore.

And don't talk about America. America has no money, you know that? Since in the Prophet's time, they're living off of debt paid for forty years in advance. And that time the debt wasn't even a billion maybe. Today it is ten and a half trillion. This last...after the last few bail outs with AIG and Fannie Mae and they and then, the last one that went down recently there; and who is paying it? Who is the invisible sponsor? What did the Prophet say in **Feast of the Trumpets?** 'Supernatural devils unseen to the eye' he says, 'but we can see what they are doing.' Hallelujah! Why? Because the Seven Seals mystery uncovers the scheme of the

enemy; we know his plan. We know his agenda. We know his timetable. Hallelujah!

He knows a big part of ours too. That is why he's bluffing people and messing up their minds. Because there are certain things about this he cannot know because he doesn't have eternal life. He could know what was and what is to come but only the elect could know what is happening, present tense. You have to have eternal life and Lucifer doesn't have eternal life. He has life that could be annihilated in the lake of fire; life that had a beginning.

But eternal life never had a beginning or an end. It's God's own life. Oh my! And that's where, 'If thou be the bride do this.' But she has **THUS SAITH THE LORD** she is no clown. If the Bridegroom hits sixteen cylinders, she will do the same, same faith, same knowledge. That's the Token, same seven lived voices, oh my!

I run into this trouble too often. I can't even get past my first scripture; a few verses here. God; sometimes it makes me feel; my human mind makes me feel, I wish I was a little better trained like in a seminary or something. I could go point by point and lecture off what I have in my mind but when you break in this channel here visions are flying. Visions are flying everywhere. But it is not confusing to you is it? Oh praise God, amen.

You see what I'm trying to show, the coming in of the Gentile Age, Gentile dispensation is put there to make a type for when it is going to go out in the end. And in the beginning...

(Hey, God bless you Dave). We have Brother Dave from St. Vincent here.

Watch something. So the same way it was in the beginning, that's when Babylon controlled the world. But Babylon was in the beginning of the Bible, the middle of the Bible and the end of the Bible. In the beginning of the Bible, watch what happened. Nimrod started with a false doctrine. They all came out the Ark with one prophet and one God and one revelation into the New World, like when the church came over from the old law into the new age of Christianity and they had a new birth. But before they got far enough,

Nimrod with his ambition, that seducing spirit; from Ham came Nimrod and he began to bring in this false teaching which was started by his father Cush. And they began to drift away from the original Word.

And then Nimrod began to build armies and go to war. And from the white horse rider with deception, false doctrine, the anti-Christ spirit came forth with deeds, and then their deeds became a doctrine. They went forth conquering and to conquer through war. They took the sword and changed the world from an agricultural civilization to an industrial age. And when he began to have those wars, he began to fight for resources because he had a plan to take over the whole world way back there.

And then he began to control all trade and commerce because now he broke that nation, took their resources. Break that nation, set up his military installations wherever he went, began to take away people's rights and so on. And then, finally he united the world with communication. He brought the world to one language and one speech. And he had a space program. He wanted to take man up to heaven without repentance. Is that what happened in Seven Church Ages? Did they go forth with deception? Then it came to war and blood shed under the red horse.

Then under the black horse they began to spread all their dogmas and their creeds. And they had spiritual famine and also natural famine; took control of the resources. As they captured the wealth it made them more powerful because they were capturing the wealth.

And then in the last age **The Uniting Time and Sign**. The white horse, the red horse, the black horse began to unite their powers and bring it from an Industrial Age into an Information Age. And they brought on a space age, an age of nuclear power and atomic power. It is the same thing happened.

And the same thing happened in Babylon. Because from that first time they went forth there with that Babylonian doctrine – What did Jeremiah say in Jeremiah 51? Babylon had made the...have been a cup that has made the nations of the earth mad because every filthiness and abomination was

in that cup. Then what happened? She began to war and conquer the world. Then she took control of all the wealth.

And then the last rich nation they had was Israel where there were all the riches in that nation; what David and Solomon and all of them way back there, and all those wars they fought in the great temples and all the altars of brass and everything overlaid with gold and all the special golden vessels and everything. And all the great, rich people that they had. And then the Babylonian power wanted that nation. Is that right?

And then, when they captured the wealth, they came and they unified the world and they brought it to one world power where he was the head. Then they brought it to one religion where everybody had to bow down and worship the image. Is that right? What started off in deception, what moved in the realms of wars and rumours of wars, fighting hot wars in the earth, there was a power behind it that had ambition to control the world. And it was given unto them to do it. And that's Babylon in the beginning of the Bible, in the middle of the Bible and at the end of the Bible.

Watch those Seals. Those seals uncovered those moves. How from an anti-Christ spirit, it became a false prophet and became the beast. Nimrod was that anti-Christ spirit that started with Cain, that brought Cain, that came through the serpent, 'Yea had God said' an anti-Christ spirit, anti-Word, to what God said.' Then Cain the first false prophet with the false doctrine, with his false altar, built the first denomination. Then it came up in Nimrod. From the anti-Christ to the false prophet, the beast and he wanted to control the whole world.

That Babylon is a revelation just like Jerusalem was in the beginning in Genesis, when Abraham met the King of Salem who gave him bread and wine; a man who had no beginning of days or ending of life. And the Bible ends with a heavenly Jerusalem.

And the Bible begins with a Babylon and the Bible ends with a Babylon because those two powers come down through the Bible. Are you understanding? Then what is it are we seeing that is happening around us in this hour? That's what I'm trying to break down and bring to you and

show you, it is the Word of the Message. It was the mysteries of Daniel and Revelation. How many know Daniel heard the Thunders? How many know John heard the Thunders. Well, if you can't understand Daniel and you can't understand Revelation, then that means you don't see the Thunders. Because the Thunders open what was sealed up in symbols in the Book.

As I showed you, one is going to become a super church and the other woman is going to be destroyed. Just like Sarah and Lot's wife. Is that right? Lot's wife turned to a pillar of salt, Sarah turned back young. Sarah got a new name. Lot's wife got no new name. Sarah's husband had a new name. Lot didn't get a new name. Sarah and they household had circumcision. Lot never got circumcision. Those things are happening, 'As it was in the days of Sodom so shall it be in this day.'

As it was in the beginning of the Gentile dispensation when Babylon controlled the world, so shall it be at the end of the Gentile dispensation when mystery Babylon controls the world. What does it tell us? There is nothing new under the sun, history repeats itself. What is happening has already happened. And that's why I'm going back in the Bible, so I'll show you where it happened, when it happened, how it happened.

If you can't see where it happened, when it happened and how it happened, there is no way for you to see it where it's happening today. You will always read what the Prophet said and either put it in the future somewhere and will not be able to recognize it coming to pass. Why were they so successful? 'It is given.'

Now I want to make a point here now. I want to make a point here. There are many, many voices and many people in the world who study history and study politics and study banking and study these things. Everybody is coming out. And the world right now is being flooded with DVDs and people making millions and all the great conspiracy theorist. But it is strange how with all these things, none is quoting a Scripture and none is seeing the end-time Prophet. And none

know the continuity of the Word. And yet they are predicting.

And that's why, after they give off all this information, they say now, 'Here is a way to save the nation and the economy. Let us do something.' They come up with a plan. If they had seen the Prophet, they would have seen a bomb turning the thing into ashes. They would have seen the prophecy of Rome controlling the world. That's why you have to have a filter.

You could take information from researchers that can help connect pieces of history that you don't have access to but you can't take concept. Concept means, you're getting a next seed in your womb and that one's contradicting the one that comes to give a new birth. Because the Message is not a mix-tree but that tree is a mix-tree. That has Truth and error. But the Message is a Message of Truth. That has a life of an intellectual man. The Message has the Life of the Holy Spirit. That can't wash you and make you clean but the Message could birth you, wash you, dress you, make you totally clean to be united with Christ.

And many of these voices; Satan knows a lot of his schemes have been uncovered so he has to admit that it is uncovered. But for the people, if he can't get you one way, he'll try to get you a next way. But when the Seven Seals opened, it showed who Lucifer is; how his ambition caused his fall, what he became, what was the five 'I wills'. How he will achieve this great success and become the God of this evil age and reign over this Eden he has built for six thousand years, Satan's Eden, to be worshipped as God.

This goes back to what Lucifer had in his mind. That goes back to some...the Rothschild and some Jewish bankers and then they end up with some theory. Don't get your mind messed up with these things. Because sometimes you get in there and you get in a maze and you get lost and you start to take things for granted that people are saying that doesn't fit in the Bible. You could get a lot of fact and information, that's fine. But I say, if you don't have a filter you sure are going to get messed up. Let's move on a little bit.

Verse 7:

And all nations shall serve him,

This is the word that came to Jeremiah. He gave the men the yokes and said, 'carry it back to your masters'. God commanded him to do that. God said, 'command them to say to their masters, thus saith the Lord of hosts, the God of Israel, and thus shall you say to your masters.' So he is giving them the Message, how God made everything and God gave it to the king of Babylon because those nations were trying now to form policy to save themselves.

Now catch the thought here. Man is always trying to save himself. They see the crisis. They see invasion. They see a hostile takeover of the nation, the banking system, their religion, and their young people. They are seeing doomsday coming because no nation was able to stand against the king of Babylon. So they figured now, in unity is strength. So they called a summit and everybody's trying to get together, 'We'll save this thing. We'll solve this thing. Let's band ourselves together.'

So while they come to have that summit, God send the prophet to say, 'Go tell them, that is nonsense. Tell them, all of them are dead if they don't put that yoke on their necks and come subservient to the king of Babylon because I have given it to the king of Babylon.' That is what is coming to pass. No new deal, no new banking system, no new nothing. They could do what they want but in the end, it's who God has given it to. The king of Babylon is anointed to succeed because the same way God set the boundary for the ocean and the boundary for the sun and the boundary for the moon, God set his boundary too.

Watch what he says in verse 7:

And all nations shall serve him, and his son, and his son's son,

You see that?

...until the very time of his land come:

In other words, 'There was a time for his land to come in Revelation 18 when that bomb's going to fall. But until that time comes, I'm giving him all this.' And forget any scheme, forget going and buy weapons from the Russians, forget you know, coming together and trying to come up with some plan,

human plan. Only one power is going to rule, Babylon. You could be big like the Muslims, like the king of Egypt there. Josiah went out to fight the king of Egypt. The king of Egypt killed him.

Then Josiah's people in Judah put up one of Josiah's son to be king. The king of Egypt came and removed him, put up his own man. And then the king of Babylon came and put a thrashing on the king of Egypt and took control and set up their own king. It was shifting hands. But the Word of the prophet, which was the thoughts of God, had to come to pass because it was decreed. Not the Medes and Persians in that hour, not the king of the north in that hour, the king of Babylon.

Out of the mouth of the Prophet, "Do not fear the Bamboo Curtain! Do not fear the Iron Curtain! But watch the Purple Curtain. That's the one that would deceive and take over the world and this nation." Is that what he says? Good, now watch.

And it shall come to pass,

He says:

...and many nations and great kings shall serve themselves of him.

And it shall come to pass, that the nation and kingdom that shall not serve the same Nebuchadnezzar the king of Babylon, and that will not put their neck under the yoke of the king of Babylon, that nation will I punish, saith the Lord, with the sword, and with the famine, and with the pestilence, until I have consumed them by his hand.

The king of Babylon was killing the people on the earth by these four things; verse 6: the beast in the earth God had given to him, with the sword, with the famine and with pestilence. And that Babylonian power was killing those nations.

So God said, 'If you don't serve him you will die under those four judgments because that is why he is anointed; to weaponize disease. He is anointed to have a powerful military with chemical weapons, biological weapons, nuclear

weapons. He'll control the wealth. He could create famine. He could put sanctions on you. He could shut you down, inflate your money. He could falsify the balances by deceit. He could hold the stock, create a demand for it and inflate the price because I put it in his hand.' He said, 'So, the only choice you have, put the yoke on your neck and serve him. Whether it is Germany, whether it is France, whether it is Trinidad and Tobago, whether it is Haiti, whether it is the United States of America, you have to put your neck under the yoke.'

That's how Babylon came to become the head of gold. To understand how it is going out, and I'm going to prove to you by the Bible, it is going to go out the same way. I'm going to show you that same power under the Fourth Seal when they are uniting the powers for him to become beast. He was antichrist under the white horse. He was false prophet under the black horse. And then in the last days, he becomes beast over the whole kingdom when he unites everything.

And when that is happening, look I'm going to show you under your Fourth Seal which is the uniting time when he becomes beast. He's uniting his powers to take control of the world. He has power to kill with the sword, with famine, with pestilence, and with the beast of the earth. How Babylon killed back there, mystery Babylon is killing here the same way. What Jeremiah said back there Malachi 4 says here. What happened to Judah, a great nation that came out, great kings like David and Solomon and Hezekiah and Josiah and they? They ended up there with a Manasseh who filled the place with idolatry, shed so much of innocent blood. They ended up with a little puppet, Zedekiah at the end there. And then they went in, they were taken. It is the same way they are going out.

And what did Nebuchadnezzar do when he controlled everything? He set up an image and forced the whole earth to worship that. And what are they going to do when they control the whole thing on this side here? Set up the image and force the whole thing. But during that time while the invading is going on, Zephaniah saw the bankers go.

Hallelujah! God showed Ezekiel the slaughtering angels coming but there is a sealing going forth first, 'Because you have eaten the book, go out and prophesy. I'll cause inflation in this land. They will drink water by measure and eat bread by weight.' Do you understand?

Ezekiel was even seeing the Pillar of Fire over the Mercy Seat, coming out the Holy of holies, coming through the inner court, coming out in the outer court, leaving the city, going above the mountain. And then, he sees the man with the censor of fire throwing it on the city, like Revelation 8 after the sealing is finished in Revelation 7.

Didn't the Prophet say Ezekiel 9 will repeat in the last days? For Ezekiel 9 to repeat, Ezekiel 2 and 3 have to repeat. For Ezekiel 2, 3 and 9 to repeat, Ezekiel 10 has to repeat because that is the slaughtering angels coming, following the sealing angel. And before the sealing angel could come, there are a people who have to eat the Book and go and prophesy again. Oh my!

I could feel the Spirit speaking expressly with precision. Not my thinking. I'm giving you the Bible. I'm giving you the shadow. I'm giving you the prophecy in Revelation. I'm giving you the present tense experience. I'm showing you the progression. I'm showing you the bride in the land while the Babylonian power is coming, Zephaniah caught, 'rich men, you howl, Maktesh is fallen. Down with the bankers, Lehman Brothers, Merrill Lynch, Fannie Mae and Freddie Mac, they are all going down.' Zephaniah says, 'Woe unto you, you merchants who bear silver and gold.' Go and read it in the Bible.

He saw the invading forces coming in. Why? He grew up under Jeremiah and knew what Jeremiah had said about that nation. Just like Micaiah knew what Elijah had said, Ezekiel knew what Jeremiah had said. They recognized that God was anointing them when Jeremiah's words were coming to pass, to keep that Message alive, to keep opening and showing the progression of those things.

You know what is sad, friends? So many people don't even have a clue. Like I was fellowshiping with some of our precious brothers here who look into all these things. I

was telling them, I said, ‘The problem is people never understood the Church Ages and the Seven Seals.’

Look it is coming to me right now at the desk, standing up here saying it. He said, ‘If the Church Ages is given by revelation...’ By revelation, not you got the book from Jeffersonville and read the book, not that. If it’s given by revelation, out of the Ages comes the Seals, out of the Seals come the Trumpets, out of the Trumpets come the Vials until the whole Book is opened wide before your wondering eyes. And we would be edified and purified by His Spirit and made ready for the coming of the Lord.

Look Brother Sammy right there. He was the first person I spoke to when I came back from Santa Cruz in 1973 when this church started. And he knew when we got out Church Age Book; the thing that attracted me in the Message and down through these years is that little foreword. Is that right? And you in this church know that God opened this book.

That’s why this morning, the places, that is...it is Scripture you know. Like when we took the Scripture last week. And when he came to the throne he kill his brethren. But when the Holy Spirit started to open the Scripture and open our understanding then the environment, the age, the operation of the systems and these things become alive to us.

Watch. Let’s move on a little bit. While God is speaking to these men in the political realm who came to the conference, the summit, in the hour when the king of Babylon was breaking up the earth in pieces and destroying wonderfully, devouring the whole earth. Is that fourth beast devouring the earth this morning, even as we speak? Is he destroying wonderfully as we speak? Is he going to take the kingdom as we speak?

Then God dropped over in the spiritual realm where you had those false anointed ones, all those voices that rise up. And everybody now, becoming an authority to explain what the hour really was. And they were confusing people and deceiving people and they were trying to start movements. And God had to tell them, ‘Stay down in Babylon, marry,

raise children, buy land. You are not coming back until seventy years. Forget it.’

And man was preaching, ‘We are coming back in two years time’ and ‘we are God’s people,’ and ‘God loves us’ and ‘God will never do us that. We are a nation that came here for freedom of religion. We came here for so and so.’ They were trying to live off of past reputation. And the false prophets on the TV and all those churches who’re backing their politicians and trying to bless what God cursed like Zedekiah and his four hundred were doing in the days after Elijah.

Hear Jeremiah.

Therefore hearken not ye to your prophets, nor to your diviners, nor to your dreamers, nor to your enchanters, nor to your sorcerers,

They were going to the clairvoyant. They are going into the occult. And they are going into séance because everybody has a desire to know the future. And they want to know the future of the nation and they want to know the future of the banking system and they want to know the future of the church. But a Prophet stood there with God’s foreknowledge and made everything clear but they were not trained to the Voice of God. They were trained to a church voice. And their spirit was hybrid with mediums and clairvoyants and seer-men and women prophesying, and filthy dreamers, clouds without water; trees, twice dead and plucked up by the roots, filthy dreamers.

...which speak unto you, saying, Ye shall not serve the king of Babylon.

“This nation is too great. We can’t do that.” That was the prophecy but they were contradicting what the original prophet said. They were coming after the true prophet like the serpent came after God in the garden. Amen, like Jannes and Jambres came after Moses. Like Balaam came after Moses; like Zedekiah came after Elijah and Hananiah came after Jeremiah. The Truth goes forth first with the original Word. But are you catching something? I mentioned it when we started because it’s in the first verse.

*In the beginning of the reign of
Johoiakim... came this word.*

But the king of Babylon is not even around the nation yet. He came in, in the days of Jehoiakim. And in the time of Jehoiakim when he took them...I wish I could get a...I may have to hold you a little bit extra. The heat will almost want to kill you and mess up your mind but you wouldn't have me for about a month. And right now I'm seeing it before my eyes. I see it all here flashing before me.

And think about when you could be quiet in your home and play back the tape, and stop me when your cup is getting too full and your mind can't take anymore. You could stop the tape and take a walk outside. You could come back in and you could start to make your own notes. Because right now, it is coming so fast for you and it is coming too much for you, that you are feeling you are full already and it's like you can't take anymore.

But watch something. I'm still reading my Scripture. Jesus! That's why I'm quoting to you Revelation 13, 'power is given and the worship of the image and you can't buy and sell.' That's why I'm quoting Revelation 6; 7 and 8, the Fourth Seal. By these four he killed one fourth part of the earth; famine, pestilence, sword, and the beast of the earth; showing you mystery Babylon there just like natural Babylon here.

You see that is why I'm doing that back and forth because if I don't get to read that, I dropped it in there for you already, showing you the parallels. Listen. He said:

*...they prophesy a lie unto you, to remove you
far from your lands; and that I should drive
you out, and ye should perish.*

*But the nations that bring their neck under
the yoke of the king of Babylon, and serve
him, those will I let remain still in their own
land, saith the Lord; and they shall till it, and
dwell therein.*

I spake also to Zedekiah king of Judah...
Jeremiah says it.

... according to all these words,

I could imagine, he telling them, he says, ‘Way back in the time of Jehoiakim who came just after the Book of the lost Truths was found and opened up.’ That is important to what I’m saying. What I’m saying is Huldah, Daniel and they, all of them knew that in the time of Jeremiah the prophet, the book was restored. And the Truth was opened up and they understood they were living in an hour of judgment. And they understood the king of Babylon was going to take their nation.

What did we understand when the Seven Seals opened up? What did you understand with the Seals? That that Roman power worked all the way; and in the Sixth Seal you can’t buy and sell unless you have the mark? Did you understand that? And America, Revelation 13 will speak with the voice of the dragon, you understood that? And we understood that because in the days of the Prophet, the Seals opened and the lost Truths were restored back to the church.

And while we are in the land these years, we see that king of Babylon moving in the earth. And then now we see the United States and Wall Street where the action is. That is where the battle...where you are seeing the damage and the carnage and the breaking down and the collapse is where the war is being fought. That is where the activity is.

Do you want to know what Ezekiel was doing at that time? Go and read Ezekiel 2 to 10, and then you will understand what’s going on here. Where in Revelation 10: 8 to 11 they ate the book, where Ezekiel saw a hand in a vision with a book and said, ‘eat it, and prophesy again, woe and lamentation’. And see if this church is not built on that for the last thirty years.

A watchman, a priest with a prophetic anointing; you say, ‘a prophetic anointing?’ Could you say these things this morning without a prophetic anointing? You have to have prophetic insight to say that. How many know the Book of Revelation was written for a special class of people? How many know it is written only for the bride? How many know it’s a book of prophecy? How many know the bride has prophetic insight to understand the book? How many know

it's an eagle age we are living in, an eagle anointing? It is not a reformer age. That is the Message.

If we don't have that we are in a reformer age. If you don't have eagle anointing you are in a reformer age. You are trying to preach the Message from a reformer age, because to see you have to fly a little higher. How many know Revelation 12 says, 'and unto the woman who had the great labour pains and brought forth the man-child, unto her was given two wings of the great eagle that she might fly. That, she might fly!' Do you see the woman flying this morning? Do you see the size of those wings? Do you see the height where she is flying? Do you see the kind of maneuvers in that spiritual environment of the Word? What are you seeing?

He was preaching and when God showed a man a dream, he was riding a charger. He was preaching and when a man got a dream, he was interpreting mysterious writing on a Rock. It could look like preaching but God is giving some of you dreams and visions to understand what the Spirit is saying to the church. My!

I knew this morning He was going into these things. That is why I said it before the desk... That is why I said it when I came in the desk before the service because I knew what He was going to do. He showed me what He was going to do.

In other words, if these things are happening and God doesn't have a voice saying it, we'll be deceived. We'll find ourselves saying, 'But wasn't there supposed to be a rapture? These things are not to be taking place.' He said, 'Look, all that happened in front of you, you never even saw it. It was news on CNN and BBC for you. But it was the Bible. It was the Message coming to pass exactly the way the Prophet said it. My!

Hear Jeremiah, verse 13:

*Why will ye die - why will you die, thou
and thy people,*

He said, 'I went to Zedekiah and I told him, 'Zedekiah, why will you die?' In other words, that is like he's talking to President Bush and congress and the cabinet and says, 'Why will you all die?'

..thou and thy people, by the sword, by the famine, and by the pestilence, as the Lord hath spoken against the nation that will not serve the king of Babylon?

Jeremiah was so certain the king of Babylon was going to come in and rule the world. And that was God's plan for the age and there was no other nation going to rise up. No king of Egypt was going to take over and rule the world. No Russia is going to rule the world. No China is going to rule the world. No Bamboo Curtain and no Iron Curtain but the Purple Curtain will rule the world. And she will rise up in the USA.

And way back in Woodrow Wilson...back in World War I, go there. He started to talk about this New World Order when they were going into that war being seduced by that Roman power.

Then when they came to the great depression and things got worse, FDR, the greatest rascal of them all, a dictator who changed the constitution, the Prophet calls him that; one of those four angels bound in the River Euphrates. He said, 'This man sat down there and told our soldiers who were being fired upon by those German soldiers hiding in the Vatican and firing at our soldiers; and the President called and said, 'Tell those people stop firing on that holy place.' He said, 'while our boys were under gunfire.' He said, 'He was the one that took the nation to war.' But history wrote him like a great, great, great man because history doesn't see like a prophet sees.

The same way church history makes Catherine Coleman and Benny Hinn and they the great leaders, see? And make the Prophet, a man who God was using for a time but got ambitious. And God had to take him off the scene because he wouldn't subject to correction from great men like Oral Roberts and they who wanted to pray for him because he was ruining his ministry. How he should have more financial advisors in his church because that is why he ended up in court and had to pay the government \$30,000.00 in debt or how much they charged him. It just showed he wasn't running his things well. And then, he wanted to say God

talked to him and revealing all these great things and can't even handle a little financial thing.

Look at Oral Roberts, one quarter million of the money that comes into Christian-dom is being controlled by that one man. And he had so many men there, bankers and everybody inside there in the system. Oh that looked good too; how the world sees and how God sees.

Therefore hearken not unto the words of the prophets that speak unto you, saying, Ye shall not serve the king of Babylon:

All these self-claimed prophets with their websites out there, trying to analyze what is happening, what is going to take place and how to save the nation, and how you know, the nation could come back to its greatness and all these different things. And they bombard and flood people's minds. All of that is disinformation.

We have already heard the Voice of God and the Thunders wake up the bride and make the Bible a new book. And that's why those things that are happening there is inside this Bible. And that's why I'm trying to show you this morning, all those things that are happening are in this Bible here. But it is how we see it.

He said:

For I have not sent them, saith the Lord, yet they prophesy a lie in my name; that I might drive you out, and that ye might perish, ye, and the prophets that prophesy unto you.

Let's turn to Daniel 3. I want to read that. It will help not just you but many in the days to come, when you study these things. And Jeremiah 27 was what? The coming in to take Judah.

I'm going to quote some Scripture. If you want to write some Scripture that you could read also that will help you with some of this because I will never get to all of it. So if I could help you and drop in a couple Scripture here, I'm sure it is going to help you also.

Because when the king of Babylon was coming and Zephaniah saw those rich men in Zephaniah 1, the bankers, the stock markets, Maktesh. And Maktesh means

depression. It was a hollow place where the bankers and they used to...the money changers and all the people with the stock where they had the market, it was set up there. And the very depression in the land was a type of the depression that was going to hit when the invading forces...because in Zephaniah's vision, he is seeing the Babylonian invading forces coming in to take the nation. And one of the first places that they struck in their entrance coming in to take the nation was the market.

And that's why I'm saying, what you are seeing here, the rich men howling is the very thing that is taking the nation because this caused the Catholic Church to pay out all this money, so much of, \$700 billion, \$85 billion to save AIG; so much billion to save Fannie Mae and Freddie Mac, so much billion. And they are paying that because he said, these big whiskey men like Williamson Brown and he called...I don't want to turn to it. I have it there. And all these people with the cigarette companies, all of them.

In other words, today they will call it Corporate America. And Fortune 500 would show the big corporates. But the Prophet didn't have that kind of language, so he called out a few of the companies. And he gave a little illustration how they're buying up these lands in Phoenix to launder their money. And they are playing they're digging a few wells and so on. Then they go and they build all these big million dollar homes and then they sell it out. And he was showing what they were doing with the money. He said, 'You think these men will stand for us to change the currency and they go broke?' He said, 'No way.' He said, 'but most of them are Catholic anyhow.'

Now what does Revelation 18 tell you? Rome deals with kings and princes and the rich merchants of the earth. He said, 'They will go to her and they will get the money borrowed.' He said, 'And in doing that, we sell ourselves out and become a slave to them. And we become owned by the system.' And friends, let me tell you, that's what happened. That happened, not is to happen, that's what happened. And what does that do? That brings in church and state.

Now, Ahab and Jezebel, Ahab needed Jezebel's wealth to secure his kingdom. It was a political maneuver. Page 227 to 229 in the Seven Church Ages book, their coming together was not spiritual. And she had the avowed intentions to lead this nation away from God. He said, 'And she was the power behind the throne, that beautiful woman who rose up in the country.'

And after FDR there, he was the one who sowed the seeds for this with the new deal, what they call the new deal.' He is the one who took them into plastic money and credit card. He is the one who has them buying things and they have not worked for the money yet.

There were four of them, Hitler...

Watch fascism – Mussolini.

Watch Nazism – Hitler.

Watch communism – Stalin.

First three visions - Italy, Germany and Russia.

The last four visions - United States of America. Who was the man there? The rascal, the fourth one, worse than the first three sowing the seeds. Just type in Roosevelt and read what the Prophet said on the man, never a good word, nothing. And that was the Spirit of God. He saw the man in vision.

He saw Hitler coming to mysterious end. He saw Mussolini coming to a shameful end. And he saw this man here changing the constitution. He calls him a dictator, sold out to the Catholic Church.

Then from there, by the time Kennedy came in '60, and Brother Branham saw what was happening, in the election year, in the election year. I was telling you Wednesday night, those forty years come back around, forty eight years. We are back in the cycle, in this election year. All this is happening in this election year.

In this election year, the pope leaves the Vatican from inside the throne there, a nation; comes and gets the greatest welcome even beyond Queen Elizabeth. And at no time in the history of the United States, a US president goes out to the airport and the army base to meet a visiting head of state.

And they welcome him not as a religious man. He didn't come as a religious man.

He comes and he goes right into the White House. He talked a few things; had one or two masses and so on. But all the trappings and all the statements and everything, the man came as a head of state, which he is. The prophet said, 'Many people don't realize that little place in the Vatican is a nation in a nation that receives and sends ambassadors.' And all the kings of the earth go and bow to him, he doesn't bow to them. All of them, their nations started a few years [ago]. His own is way back in Jesus' time. The beast was wounded and revived. The revived empire is here. The iron went right down to the toes until the stone kingdom destroyed it.

Do you have that Scripture, Daniel 3? Okay quickly. Understand my connection with Daniel 3 to Jeremiah. Jeremiah was when the king of Babylon was moving in and God is telling the nations, 'Submit or you all don't stand a chance.' They are taking everything. They are taking the religion. They are taking the politics. They are taking these things.

I should read something for you, but I'm going to quote the Scripture for you. It will take too much of time. It will divert me bad and then I would keep you too long. And then I would hurt you instead of helping you. You will start to worry about you being too long and you'll forget all the nice things already said. So I'm just going to quote the Scripture for you, and you could write it down.

You read 2nd. Kings 24, 1 to 20 and that will give you a continuation of Jeremiah 27. Because to really understand this; you have to read Kings, Chronicles, Ezekiel, Daniel and Jeremiah because Jeremiah prophesied in the day when that Babylonian power was coming in. Kings and Chronicles give you the history of the men that was ruling and how the nation was affected.

Ezekiel saw the end and he saw the spiritual application when the sealing of the elect, a group was sealed before the destruction took place just like a group was sealed before Titus destroyed Jerusalem, same thing. Just like the people are being sealed, the elect before that door is swung shut.

The same way, all these things are happening, so many things are happening right now.

And when you read that, you will see how they skillfully broke the politics. And listen to what I'm saying. They skillfully broke the politics, the army, the labour and the industry. It says he carried away all Jerusalem, all the princes, all the mighty men of valour, all the craftsmen and the smiths. It says and he carried away all the treasures of the House of the Lord, of the king's house. He cut it in pieces and he took everything.

The Prophet said, 'Watch how she is coming in. She got into the White House.' He said, 'The next thing they are going to get their people into the treasury and control the money.' They would get them into the senate to pass laws. Aren't they passing laws now? You could marry a man and a man.

Aren't they passing laws, [SB777]; that legislation that Arnold Schwarzenegger brought out there as governor? Teaching the children bestiality, teaching them sexual preferences, and when your child goes on the school compound, you have no power over your child anymore. They are on state property and you will be interfering with their education. And United Nations is the one who sanctioned and approved the printing of all these books because the world is getting too populated. And so they have to divert their sexual energies in a way so that they don't produce children. So they could still have their enjoyment and they are showing them ways to enjoy.

And then they have all the big celebrities doing it already. And then we have the priests confessing it and still preaching as normal. And the Catholic Church is full of the pedophiles because all abomination comes from her. That is what Jerusalem had become. That is what the USA has become. Understand. He said, 'Wait until she worms her way into the Cabinet then she will start to bring in the others and put them in the key places. Then she will have total control of the nation.' He is saying that in the sixties. He is seeing what is happening.

I came last week by the grace of God and took the American history with the Democrats and the Republicans. And went back in the Bible and showed you when Jezebel came in, she came in with the ten tribes. But when they finished, they finished with Judah and showed that it's a Republican in the last eight years that destroyed the whole country; men who were in the political family of Abraham Lincoln and they, men who're supposed to be of that house as guards over the nation.

I remember, to my precious friend out in Arizona there. A couple years ago I was out there and I was talking with some of the brother and visiting ministers in a breakfast we were having. And it upset some people because I started to say that, what was happening. And national pride and political affiliation started to come up. And I sat there and I said, 'This is why I don't like to come here.' And I was going to subside and just unplug and like something said, 'Don't unplug.' And I went into overdrive.

And the Spirit fell right down on that table and started to go through the Message and go through the Bible. I said, 'Show me after Ahab came up that Israel went up afterwards, after Jezebel came in with Ahab.' I said, 'Show me. It went down, down, down. Every next son was worse than the first one until the Assyrians took them away.' That's right. I said, 'He said Israel's history is repeating itself in America.' And he identified the junctions.

That was God giving us the keys to unlock the Bible and understand the modern events. Because if the Prophet had said certain things back there they would have locked him up. And he is seeing by vision. And we would have a whole bunch of people talking these things saying, 'The Prophet said' and none of them was seeing visions. And then we would be charged for sedition.

But now, we've grown up, we could say it in the right way. We could say it...like I was preaching Wednesday night and I wanted to say some things and be true to my conviction in the Word but I wanted the wisdom to say it, how to say it, what to say. Because I didn't want to come over as some radical, some fanatic who I'm not, but I'm

zealous for Truth because the Word is opened. And this is the promise in the last days. And the Word said, ‘Seal not up these things because the time is at hand.’

After the Book is opened, you can’t go back and seal up the Book and not preach it. You have to preach it. It may cost some of us our lives but we have to say it. We are not here to win a popularity contest. We are here to be faithful to God.

Read how they took the wealth of Judah. Read how Zephaniah tells you they took the bankers. Here tells you how they took the wealth out of the country. Here tells you how they systematically destroyed the most sacred institutions of the country, piece by piece like a plan, a demolition plan. They took down the system.

And that’s why I was saying last week; it makes you think, how people say, ‘Why are these people destroying their own country?’ Because they don’t know the Bible, it’s not them. It’s Jezebel behind the scene. It’s the king of Babylon. It’s that Babylonian power, that pagan spirit doing it from behind the scenes because she has the key places in congress, in the senate, in the White House. She has the places. That’s the prophecy.

That’s why she is put in the Bible. That’s why Nimrod is put there. That’s why Nebuchadnezzar is put there. That’s why in the end-time the prophecy is put there, so you will understand Babylon all the way. That’s why the Prophet preached **God of this Evil Age – And knoweth it not – And Satan’s Eden**. That is the reverse to **Adam, Eve and Eden**. **Christ the Mystery of God revealed** he showed you Adam, Christ, Eve the bride, and Eden the Kingdom, the three-fold secret.

On the other side Satan had the same plan, ‘I will be like God.’ He built an Eden too, a scientific Eden, a knowledge based civilization that the tree in the midst of that Garden is the tree of knowledge of good and evil; but the day you eat of that tree you shall surely die.

And while God in the Garden was there with Adam and Eve, the Tree of Life they could eat from. The tree of knowledge had come into that Garden and was walking

around. And God pointed him out to Adam one day, ‘Don’t eat from that tree. The day you eat from that tree you’re finished.’ And in Satan’s Eden what happened when the man of sin is there like God? God slipped down and the Tree of Life came back down and said, ‘stretch forth your hand and take and eat and live forever’.

And here in this day, when the whole world is eating from that tree of knowledge of good and evil in the midst of this satanic garden, this scientific Eden, the next tree is here. And the cherubim have moved us away from that tree and started to bring us to the Tree of Life, ‘take and eat because in that Word, it will give you faith for rapturing grace, to change the body and go back to the faith civilization.’

Remember Adam in Genesis 3 went to stretch forth his hand to eat and God sealed up the tree and he couldn’t take. But in Revelation when the time comes and the seals are removed, the Book is unsealed, Christ Himself is that Book, He Himself is the Tree, he says now, ‘Take and eat now. And there is no cherubim to keep you with a flaming sword because the Cherubim is running you to the Tree, hallelujah! And this eating opened your eyes to see the enemy. He told them, ‘if your eyes open you will be like God.’ But he really blinded them. He blinded them from his scheme but this one uncovered his scheme and opened our eyes.

So quickly, I read this and I close and we finish. I make a promise. I think [there’s] a lot of pieces in there, if everything is explained for you, you don’t need the Holy Ghost. So I’m sure the Spirit of Truth is going to teach you further on the Truths. But I’ll have to stop because I don’t want to make it difficult for you but I want to read this because this now...

I want to show you, by this God says, ‘I have given this thing to Babylon. I have given all these lands. I have given all these governments, all these nations. All these kings of the earth will have to give their strength and power to the beast, the king of Babylon, ‘put your neck under the yoke and serve him and support him’. Same thing it says in Revelation. What is that going to do in the end? Bring in what we see in Revelation 13, and this is Daniel 3.

After Nebuchadnezzar came into the place Jeremiah is prophesying about and he is the head of gold, everything is under him, look what comes in here; Daniel 3. And as we read, I'm going to try to point out some things for you. We will try to go through it a little quick because you know how it is. If you are a preacher and you understand preaching and you get into the anointing of the Word; you stay there and you start to comment on something, every verse becomes a message. And then you'll spend two hours again. You see, so far I must have taken about two and a half hours, must be, just to read the first Scripture which is fifteen verses of Scripture.

Daniel 3, verse 1.

Nebuchadnezzar...

Same one who was going forth conquering and to conquer, same power devouring the earth breaking up in pieces; same one who God said, He had given him power to rule the world and come in and take the kingdom. Look at him now.

Nebuchadnezzar the king made an image of gold, whose height was threescore cubits, and the breadth thereof six cubits: he set it up in the plain of Dura,

You see that puts your mind immediately to 666. It is two sixes here.

...in the province of Babylon.

Then Nebuchadnezzar the king sent to gather together...

Watch the plan. Now these things are not just happening, you know. This is by design. This is with reason and purpose. The money is controlled. The big powers are taken down. The resources and the trade routes are his.

Now the next move is coming out, the next part of the agenda here now. It is coming to religion. All this war, all this famine, all this invasion, 'The Invasion of the USA and the Overthrow of the Government', have you ever heard the Prophet talk about that, 'The Invasion of the USA and the Overthrow of the Government'? That's what happened. He

said, 'That woman rising in the nation, that's the invasion and the overthrow of the government.

Then Nebuchadnezzar the king sent to gather together the princes, the governors, and the captains,

All his senators, governors, captains, the army, the judges, the judiciary, the treasurers, the bankers. In today's world, Henry Paulson and Ben Bernanke and they would be right there. Do you understand?

...the counselors, the sheriffs,

Local police and all of them there, they would all be there.

...and all the rulers of the provinces, to come to the dedication of the image which Nebuchadnezzar the king had set up.

Here the king of Babylon had set up an image and he is gathering together every level of authority in the kingdom. And he is bringing them all to this great event and to initiate a new order in the system, a new way the kingdom is going to operate now.

Then the princes, the governors, and captains, the judges,

Chief Justice, all those magistrates...

...the treasurers, the counselors, the sheriffs, and all the rulers of the provinces, were gathered together unto the dedication of the image that Nebuchadnezzar the king had set up; and they stood before the image that Nebuchadnezzar...had set up.

Keep that in mind, as you go through you will see it keeps telling you, 'the image Nebuchadnezzar had set up'. First it tells you, he made one and after the making of it, the forming of it. Today the image is what? Ecumenical move, World Council of Churches. How long do you take to form one of that; to make it and then set it up and then put it into operation? Do you understand? Don't get lost back there in the type- you carve out the image of a man. It's a system today.

Watch. This is the same king who fought the wars. This is the same power who was behind the wars; breaking the nations, taking their wealth, taking their labour force, controlling the trade and commerce. Now the same power is setting up a system of worship. That was the end-game. Daniel 3 is the end-game, is what came out of all this going forth to conquer and to conquer.

Then an herald cried aloud, To you it is commanded, O people, nations and languages.

Because the kingdom now he is under, he's controlling the world. It's a type of globalization. So you have Jews in there. You have Egyptians in there. You have people from all nations under that kingdom, under his dominion. You have all different kinds of religion inside of there.

That at what time ye hear the sound of the cornet,

And you know what a herald was. A herald used to be a man standing up there and giving announcements on behalf of the government and the state. Today they could call them Minister of Information. And they have information community networks; communication networks that they broadcast this information throughout the entire kingdom because this is a big kingdom, controlling many nations under this kingdom. And he is addressing the peoples, the nations and the languages. Go back to Revelation 13, when you get there you will see the same thing. Power was given him over every kindred, nation, tongue.

That at what time you hear the sound of the cornet, flute, harp, sackbut, psaltery, dulcimer, and all kinds of musick,

And all different kinds of music were tied to all the different kinds of religions and the cultures of the people in the kingdom.

...ye fall down and worship...

And when you're reading in Revelation 13, notice how many times worship is mentioned over there too. Because when the king of Babylon is finished conquering, it is going to end up there. The last place he conquered was Israel. The

last place he is tying up here is the United States, the mighty, and then the holy people. He will get the money of the Jews tied up.

And those Jews on Wall Street there, who have a lot of that money, are who right now, is so badly wounded and she is coming in. And it's her money bailing them out, giving her leverage over them. Not America, America has no money. America is already enslaved. America's system is dismantled that they don't have any rights over the thing. They publicized it so but Jezebel is the power behind the throne.

That's why Elijah came, friends. The reason Elijah came was to call people out of the Jezebel system and turn their hearts back to the faith of the fathers at the time of the evening sacrifice. And he turned them back to the original Word Moses brought. Moses met the Pillar of Fire. God appeared to Moses in a Pillar of Fire and gave Moses all the Word.

God appeared to Paul and gave him all the Word and Paul brought the foundation. Then what happened to the church? False prophet, antichrist spirit, false prophet they ended up in mystery Babylon. What happened to Israel? They ended up in Babylon. Then what did God do? They were in that Jezebel religion, they ended up there.

Then God sent Elijah at the end, an eagle to turn the hearts of the children back but the Message was not successful as far as the nation was concerned. It only got seven thousand people. When you watch a Message church compared to Benny Hinn's church and T.D. Jakes church and Joel Olsen's church and Kenneth Copeland church, as far as numbers, you realize how unsuccessful the Message is. Elijah couldn't get that kind of crowds. You don't see those kinds of crowds in Message churches.

And in that time, Jehu was anointed and he moved into Georgia and he started a campaign. And he sent bomber planes to Venezuela. And he started to flex his muscles. They started to show pictures in the papers now with Putin in karate suit, judo suit, and bare back fishing and these things

and showing the machoism. Do you understand? That is sending messages.

And Medvedev means ‘the bear’ in Russian. And they are watching America, wounded and falling. And they know they are bluffing. They are going through the graveyard whistling. The Prophet told us that is what it is, trying to bluff the world, ‘Everything is okay. Everything is alright.’ And they are using fear and they are using the media to put the people to sleep; the prince of the power of the air, sedated them, tranquilized them. And fear made the whole nation say, ‘Go to Iraq, otherwise we are not safe at all. That man has weapons of mass destruction. They will kill us Americans. Oh God, have mercy. You all go quick and find it.’

Now they use that same fear from the economic side now. From the sword to the balance, they say, ‘If we don’t get this bail out right away, you know, some of you will be charged because you could have done something to save the nation and you didn’t. And we could all go down the drain now, show your patriotism. Get away from your political ideologies and see the bigger picture.’ And they scare everybody, ‘Oh, we are so frightened, it’s going down.’

And they are using fear on a people who have rejected the Word because when you reject the Word, there is no help for you anymore. Because the rejection of the Word makes a way for the devil to become incarnate. And that’s why the nation is blind, they rejected Light. As a nation it’s gone. Only the elect inside of there God could do something with.

Let the musicians come for me please.

So watch it comes to worship now. Verse 6:

*And whosoever falleth not down and
worshippeth shall the same hour be cast into
the midst of a burning fiery furnace.*

This is intimidation. This piece of legislation is very intimidating. It has a penalty attached to it.

*Therefore at that time, when all the people
heard the sound of the cornet, flute, harp,
sackbut, psaltery, and all kinds of musick, all*

*the people, the nations, and the languages,
fell down and worshipped...*

There was no resistance. There was no resistance because they were already a conquered people. Their nations were taken one by one by the king of Babylon. And their survival and their existence depended upon what the IMF said their standard of living will be. Their yokes were on their necks. You know what a yoke is? You are going to plow and you put the yoke to control the animal. Because the animal nature normally would not be subservient to the person just like that. But the yoke gives the person who is controlling you the ability to manipulate you to fulfill his will. 'I want you to turn left. I pull you this way. I want you to work with three or four others that you normally don't want to work with. You all are under the same yoke. You all have to find a way to agree because I have a whip and a yoke upon you all. And I move you this way and I say you are going to carry so much load. And you are going to bear so much burdens.' And they, the task masters designed how much production he is going to get out of you because beast represents power.

So there was no resistance because from the time they take your nation, they change around what kind of programs you are going to see. Let me show you, they went into Iraq, what happened after? They said, 'We freed them.' They started to put up their pornography sites. They started to put the women outside there, in shorts, smoking cigarettes. They started to bring in their culture to break down the other culture. It became a psychological warfare after the physical warfare. It was a warfare for the mind now.

And they used the media and they glorified their history. And they glorified their culture to make you feel they came in as saviours. But it is media sexploitation; it's media manipulation upon a society because today these sciences have been so perfected. They can create fear. They can create insecurity. They bring in some kind of music to send the youths astray. They bring in so many different kinds of sports to divert the people because they study the taste of the youths today. And what they used in other countries they

perfected it. And when they go to the next country to take that one, it is easier to take and it is easier to set up the program.

They say they learn a lot of these things through torturing people. Through torture they found out how much resistance they could put up, what really disorients them, what breaks them down. And they document that and then they shape some programs, easy because you get, two three, specimen of the cross section that would categorize everybody in a certain category. And then you know, this would work and that... This ethnic group will go for this easier. This one will go for that. So they play on people's prejudices. They play on their lusts. They play on their hate.

Have you ever seen what they do with credit cards? They advertise it so glorious. You see those women shopping. Which woman doesn't like to shop? She is a by-product. As the brother says, she loves to buy products. Every young girl, you see her shopping. Then they walk into nice big hotels. Oh my, they show you a picture of the room. In the evening they are by the table and a waiter stands up there. And they put that plate and you see a big shrimp lying down there on that plate looking back at you so. And then you see them in their evening gowns; they are dancing out on the floor. And they glorify it. And then they tell you, 'this little card can change your life.' And you say, 'Oh my, I want that card.'

That is not even real money. And you take that out and you put it there. You even kind of feel classy with that card. You pull that card out and you stick it so, especially if it's gold and platinum. Do you understand? What makes you think so? The advertisement because that's a mind manipulation to begin with; that's a snare.

And then they say, 'Security has a new face.' And they are giving you one you could personalize, put your picture on it. And everybody now loves to see their picture. And when you go and take the picture, they say, 'Do you like that picture?' You say, 'No, I find I'm not looking too good from that angle. Photograph me from a next angle.' They say, 'Oh sure, fine.' Some nice lady says, you know, 'We

are here to serve,’ and, ‘this one, how do you like this one?’ I think maybe one would look good, this way. You know you have a nice nose so I better take it from this side.’ Or ‘Your eyebrows and so on, you look so impressive there. It will look nice on this card with the little background and so on.’ You say, ‘Oh my, praise the Lord.’

You get that but every time you use that piece of plastic, it records date, time, place, what you buy, how you spend. Five of that, they know what you like, what you shop for, where you shop, what you eat, what you wear, where you buy. And together with that and the form you filled out, your father’s [name], your wife, her mother, every bit of information, your job, how much you are earning, all of this. And by the time they are done with you, there is no place you can go, there is nothing you can buy, there is nothing you do, they have you right there.

But they take you in guile. They inflate your ego because they study human behaviour. They experiment with dogs and all kinds of different things. They put you under stress. They put you where you are happy, somebody’s friendly, somebody comes very aggressive with you. They see what you could handle. Then out of that information now, through those experiments, they use it to influence your buying, influence your travel and everything.

And while you are thinking now, you are getting privilege; you are becoming more greatly controlled. Like when they tore down the Berlin Wall, the people thought, so many years behind that wall and that barbed wire fence, and they thought ‘Now we are free!’ But they only tore down that wall after they put up an electronic surveillance wall. So when they took this one down and you thought you’re free, now you could go anywhere you want, they have more ways to track you and keep tabs on you wherever you go.

But your mind gets adapted to space and geographic location. And when that wall came down, that structure around you came down, you thought you were free because their education system is designed to keep you down here. Why don’t they have vocational schools? You think all these brains people don’t know some people are not called to

do academic business. They are more gifted with their hands. Why don't they have more of those schools? Why do they have a mason or somebody there or a tradesman, you could hardly...you have to learn, self-employed, go along and by the time you build the most buildings, you can't even get a house for yourself. Why? You think it is an oversight? It is no oversight; it is structured that way to keep the society so. So they keep telling you, you're "duncy" [dunce] because you can't learn French. You can't learn Spanish. You are not good in Mathematics so you are "duncy." Everybody is not called to be a scientist. Everybody is not called to be a linguist. Do you understand what I'm saying?

In their standards, I'm an idiot. I'm on skid row. Do you understand? One of these days they will really put it to me, 'Where is your license? Where is your theological course?' And then, I would not be able to do this according to the law of the land. Because I wouldn't be like the Bishop Gene, who has so many doctorates but is a confessed homosexual. I wouldn't be like him. He could practice and preach.

The woman our brother's talking about, she could marry two men. She could preach because she has a certificate to put on a wall because they designed the society so. It didn't happen, it is designed. It is an Eden that has been built by an architect to enslave the human being and make them a slave. But God sent a Prophet with a Message to deliver – to deliver. 'House of hell, give way to the Name of Jesus Christ', to bust down them bars and liberate the minds of God's people, by uncovering the scheme of the enemy and bringing a people out and raising them up. And we will see and understand the day we have come to.

You know the story. I wouldn't bother to read it. But it goes down telling you...Don't read it like an Old Testament story. Read it as something that contains the characteristics to understand the reality at the end of the Gentile dispensation when mystery Babylon is coming in because this is Revelation 13 here, the image that is set up. The king of Babylon set it up.

And when he is going to bring it in, the princes, the governors, the captains, the judges, all levels of authority in

society are under him. He structured the society there because there was a plan that there will be a world religion. Satan now, the man of sin will be able to sit and get the worship he desired in heaven that he didn't get. He will have the success. This is the seed. This is the shadow here. And in that hour something happened. I'll just read the quote that pertains to it. It will help you better; **Mark of the Beast.**

Notice, when, King Nebuchadnezzar, in the beginning back yonder, when the Gentile age was issued in, let's watch how it come in. (He said) Let's watch how it come in.

And the way it come in, you'll find out it goes out the same way. We know that there is a beginning of time of grace for the Gentiles, and an ending of time. Is that right? Now, watch, when King Nebuchadnezzar... When Daniel was sent down there, a smart prophet, when all the rest of the Jews had kind of humbled down and was bowing to the Romans, or to the Babylonians... But there was three, four men; three (Shadrach, Meshach and Abednego), and Daniel, who purposed in their heart they'd serve God. And then when they throwed Shadrach, and so forth... Daniel had become a great man, and before King Nebuchadnezzar and Belshazzar, and so forth. When he become a great man, now watch, King Nebuchadnezzar made an image of gold and set it up out in the field, and said that everybody would have to bow to that image. Did you ever notice the innocence of it, who that image was made of? It was Daniel, the image of a man.

Now catch this. Listen closely to how this is. ...didn't He say, "the spirits of the gods," heathen...? And as they are today, got three or four of them. "The spirits of the gods lived in him," and they made an image to Daniel. And he said, "All that won't make bow to that image, will be throwed in the fiery furnace." You notice...

Hear the Prophet.

You notice, Daniel's off the scene at that time. (He said) You get what I mean? (He said) "And ever who would not bow to that image should be cut to pieces, or throwed into the lions' den, or burnt in the fiery furnace, or something, a punishment." That's the way the Gentile dispensation begin,

with a pagan form of religious worship, (Catch this; with what?) ...a pagan form of religious worship, with a persecution to make them bow to it. And the Bible predicts it'll end the same way, "a holy Man," Jesus Christ, an image to Him to worship it, and so forth.

He goes on.

You remember, in the Foxe's "Book of Martyrs," they'd hold a crucifix before them, put an ox on each arm like that... If you wouldn't renounce, renounce Protestantism, and become a Catholic and "kiss this crucifix." They'd start one ox one way, and one the way, and then pull them apart. They burned them to the stakes. They done everything. I've been to...(He said) I've been to the old catacombs; I know what I'm speaking of. And see, that, that's right. And there they lay. And notice how they went through that days of martyrdom before Martin Luther. According to the Bible...

Now, notice closely again...I want you to notice a great thing...a great thing to notice. How did that Babylonian kingdom break up? One night when they went over and got the holy vessels of God and begin to drink wine in it, begin to have a big time, and get a bunch of women out there, concubines, and were dancing ...

He said, 'watch how it went out there and you will see how it goes out here. The river was dried up.' Did you get that? Hear this. The river was dried up. The Euphrates River – Babylon was built on the Euphrates River. The river was dried up to make a way for the kings of the east. Revelation 16:12 tells you, 'and the great River Euphrates is dried up to make way for the kings of the east.

I preached to you, 'Watch the Bamboo Curtain. Watch the kings of the east rising.' How did natural Babylon fall that invaded the world? Take Judah, a country that was raised up for freedom of religion; take the bankers down and all these things and eventually set up a false worship to an image, otherwise you will be killed; according to Revelation 13 also in the last days because power was given unto them.

How did that go out? Medes and Persians, king of the east, they got a thought, 'divert the river bed.' And that dried up the river and that is how the kings of the east came

into the city and took Babylon. They found a way through their defense system because her time had come, God says. And when her time had come, when her time comes, other nations will feed upon her who is taking down the bankers right now that Zephaniah is seeing.

How is Rome going to fall, mystery Babylon, the great River Euphrates, kings of the east? They are in alignment with the king of the north. When China went out there they even had on the Russian suit. This last year, this year gone here, they have been having military joint exercises together. China, India and Russia, all on one land mass, almost a third of the world's population right there. Think of it.

At that time there was a handwriting come on the wall, "MENE, MENE, TEKEL, UPHARSIN." (an unknown language) That's right. And they went and got all their Chaldeans, their smart men, the lukewarm church members, and none of them could read it...But they had a man there who could read unknown tongues...could interpret it. See what I mean? He could interpret unknown tongues. That's the way it went out.

How many know he said, 'That Seventh Seal, first fold, the Seven Thunders.' It unfolds to something else that flew past in unknown tongues. I know a man who interpreted those unknown tongues. All of this comes out of the unknown tongues. That's the way it went out. He is showing you how it comes in, how it goes out; the same way it comes in, the same way it goes out. That's why I'm reading it for you, the beginning and ending of the Gentile dispensation.

That's the way she is going out now, with the power of the Holy Ghost on a people who's filled with the baptism of the Holy Ghost, who has power and signs and wonders. There goes the Gentile Church. There's the remnant. There's how it come in; there's how it goes out, exactly, a bowing and a forcing to a half-heathen religion.

It's an impersonation of Christianity, he called it. **Hybrid Religion**, he called it. **Why Am I against Organized Religion**, he called it. **Why We are not a Denomination – Jezebel Religion** is what he called it. That Babylonian

power was taking the Word of God, the ministry of Christ which was Daniel. Daniel was the Christ. That was the anointed one standing there. He was the one who God was talking to and bringing the revelations to these three Hebrew boys.

And the Babylonian power took the Word, took that ministry of Christ and they perverted it for their own diabolical purpose. What is Rome doing? Taking this Word, this revelation of Jesus Christ - Where was this revealed? In a man in this day to unveil Jesus Christ; and what they are putting up now as an image, they're saying that is the true religion of Jesus Christ. That is the Word of Jesus Christ. He is the Vicar of Christ. This is what it is. He called it a half-heathen religion, a pagan form of religious worship.

And God stepping in, in the crucial hour and writing in unknown tongues, and the man interpret it. He could interpret. He didn't know that language; nobody else knowed it. But he had the same Holy Ghost, that let him interpret that, is the same Holy Ghost in the Church today.

That Holy Ghost that was in the church, he said, 'Brother Branham, we dreamed you were interpreting writing, mysterious writing.' He said, 'Oh yes, that's the Bible. The evening messenger is going to bring the revelation.' He reached the 7th verse and stopped. He never went into the bride part. He just gave a prophecy, 'there'll be a super race.'

But he said, 'We have had churches, churches, bride, bride but when that bride comes, the Word herself will take the Word Itself and reveal Herself in Itself.' She will be his victory and the reason of His death. It will be a Holy Ghost filled church. And as Gabriel came to Daniel so the Holy Ghost will come to the church in the last days to reveal these deep secret things to get the church ready to go out. Can you see? Do you understand?

I want to stop here. I don't want to go any further than that. I have some other quotes. I could labour on that thought of how it comes in and how it goes out. But I took the Scripture, I took the quote. And the Holy Spirit, I'm sure

have illuminated your hearts and minds that you can see and you can understand, friends; the things since November last year after that Sub-prime Mortgage crisis struck because of the greed and the covetousness of these rich men.

And yet that greed, that money spirit is from the harlot and her children. Brother Branham said, 'Not that bunch of Wall Street crooks,' he said, 'it's not them God is talking about.' He said, 'Little Benjamin, it is like Jacob coming back home. He met the angel. He got a hold of something real.' The same Angel that they met under that Seventh Trumpet is the same Angel under the Seventh Seal here.

I trust you got a hold of that angel too because they are going to come from the moon to the sun. They are going to come from Mt. Sinai to Mt. Zion. They are going to come from the natural lamb to the real Lamb. They are going to have the Father's Name written in their forehead. Hallelujah! They are going to come in and receive the baptism of the Holy Ghost. Right now, they are being rushed from all nations back to their homeland, as we have been rushed from all denominations back to the promised Word.

But they are walking around in Israel still blind, still thinking about a natural temple to build, still wanting to do that. How far God will let them go with that but that will have no salvation in it. Because Paul in Hebrews already told us that was only a shadow. Stephen told us, 'God doesn't dwell in tabernacles made with hands.'

Right now, they are talking about how they have all the priestly clothes. They sewed it up. They got all the right threads. They're trying to breed back red heifers and all these different things. Man still trying to save themselves. But when those prophets begin to open the mystery of the Seventh Trumpet, they are going to understand what that clean water means. They are going to understand that that ceremonial cleansing was only a shadow of a shadow of a shadow of the one that is going to come by the New Birth, the Holy Ghost. Hallelujah! Because Jeremiah said, 'this is the covenant God will make with you in that day. I will write my laws in your hearts and minds.' No man will have

to say, 'Know the Lord.' Because it will come just like the way we got it, the same way in this very hour.

Oh my, can you see how those Babylonian forces are creating the famine? Can you see how they are breaking the Jewish bankers? Can you see how the military forces in conquest are reshaping the world? But during that time while that was happening, God had witnesses who were seeing how and when, what God spoke through Jeremiah the prophet concerning mystery Babylon was coming to pass. Ezekiel and they saw it coming. That's why Zephaniah prophesied about it. That's why Ezekiel prophesied about it because Jeremiah had said all those things in that day.

And though they saw the nation being taken and they're in that nation, yet they were seeing the Word of the prophet coming to pass. Hallelujah! This is what living in a world of perfect faith is, where you walk in a world that when you look, you are not just seeing people you are seeing the Scripture. When you see the USA, it is not a visa around the Savannah to get on a plane; no, you are seeing Revelation 13 in prophecy.

When you see the pope, you are seeing Revelation 17 and 18; you see Ahab and Jezebel because your thinking has been filtered. Your mind has been washed from all theology. The media has no grip on your mind to put you to sleep, by these specially designed programs of disinformation and misinformation to subvert your soul and sow seeds of doubt in you. Because the Message gives you a repellent; it gives you an immunity; you become inoculated with the Holy Spirit and the Word is quickened to you.

And you know why it has become so real? Because you are not just seeing Revelation 10:7 come, You are not just seeing Revelation 13, you are not just seeing Revelation 17 and 18, you are not just seeing Matthew 24: 24, you are seeing Revelation 10:8 to 11, hallelujah! You are seeing your part of the Word. If you don't see that part, you will just be a scholar. You know, Rome is that in the Bible. And Russia is that in Revelation 14, the sickle in God's hand. And Laodicea is Revelation 3: 15 to 17, they are blind and naked.

But when you see your part of the Word, you know that this great mystery, God above us over the Prophet's head, the Pillar of Fire slipped behind skin, God with us, Emmanuel, **The Super Sign**, the Word made flesh, the flesh become Word again. **The Masterpiece; A Greater than Solomon is Here, The Token; Stature of a Perfect Man;** that God has now come in us; God above us, God with us and God in us. While he was here on the earth, God was with us in flesh, the Son of Man in a son of man being revealed. He said, 'Who do you say this is?' **Christ the Mystery of God revealed.** Christ is revealed in His Own Word, my! He identified Himself, fulfilled the Word and went on.

But here after Eliezer, there was a Rebecca. She came into union with Isaac. After the chief reaper who introduced Ruth to Boaz, Ruth came into union with Boaz. After Mordecai raised up Esther, in the days when Vashti was rejected for refusing the seven voices of the king on the seventh day, Esther came into union, a virgin bride with Ahasuerus, hallelujah, and the lion roared through her. Amen, the Headstone, the seven voices of the king "Ask, Esther, even to the half of my kingdom." Whatever she speaks He will bring it to pass, roaring out of Zion.

Marriage, a union, the bride and the Word uniting; can you see yourself in the picture? Can you see what is happening? Can you see how true the Message is? He gave us keys to unlock the Bible, God, through His Prophet bringing down the deep secret things of God. And he said, 'Wait until those sons of God in the last days begin to rise, they'll go past the joy of the saints. They'll go past the clapping of the hands. They will go past the rhythm of the music, way up into the supernatural realm and begin to bring down these mysteries and display it to the church.

There'll be a bride set in order moving into the resurrection. 'The Master is come'. And he begins to pick up the living ones. And in union with them they are coming down for Lazarus, friends. Hallelujah! They're coming down for Lazarus. Sometimes they get kind of shake out of it and say, 'Oh God, by this time He stinketh. How do you

mean, roll the stone back?’ And He had to raise their faith back up and say, ‘Said not I unto you, if you believe you will see the glory of God.’ Amen! He raises back our faith when it begins to fail and how happy we are.

Let’s stand and worship him a little bit this morning. It’s good to kick your feet out. Kick that cramp in your feet out, amen. Stretch here out a little bit now, amen. Glory! Let’s give the king some praise here today. Hallelujah! Glory be to God! Hallelujah! Glory, glory, glory, glory, glory, glory, oh my!

Brother Bernard, brother, you have blessed the people’s hearts so much. Here is a note from St. Lucia. I told you, you should get up in the islands where they speak Creole.

God bless you. On behalf of the saints in St. Lucia, I want to thank you.

You see that? They are watching the service this morning. They are seeing you sitting down in that seat, brother.

We were so blessed on Friday night by Brother Bernard. We couldn’t sit in our chairs. We were so excited. It’s a pity he didn’t slip with a word of French or Creole.

You see, he told the people, ‘sometimes I go into it.’ They were waiting for it. They just heard that that is how you preach and what you normally speak in. They said:

Continue to pray for us for the enemy is still trying all kinds of tricks. Sister Eldrana Daniel.

Our beloved sister there, sending this email here. From Guyana also:

God bless you Pastor and saints.

We want to give God thanks for Sister Mulwandai Mohammed also known as Sister Cleo who underwent an operation to remove two stones. It was successful. She is resting at home.

Amen, praise His wonderful Name, hallelujah! Oh my, I want to sing,

*The hour of shaking is now at hand,
when many builders will realize,
they’ve built on sinking sand.*

The stone that the builders have rejected...

This great Stone, friends, have become the foundation of
your heart and my heart, your life and my life. Amen! 554.

...when many builders will realize...

...stone that the builders refused

They have rejected

Oh, the revelation...Sing it as only you could sing it,
amen, that's the song.

...you He's been a treasure

...overcome...

... Jesus Name,

...and forever...

More than conquerors we are

Through the power of Jesus Name

Amen, many pressures came...

Unto the other side

Oh, but by the grace of God,

We resisted sin

And the devils were surprised

Oh we knew by the Word of the Lord

Oh my, we were tested and tried.

...you who look above

Through the window of perfect love

Oh, God has sent to us His sign

On the wings of a dove

...conquerors we are,

Through the power of Jesus Name

Oh more...confess it and walk into it. Claim it as yours.
That's the stage He wants to bring you into.

Oh, as the new ministry becomes reality,

Now men will see with the eye

Oh, the works of God expressed

Through His little bride

Every tongue confess,

Men's folly be made manifest

Oh the foolish man,
Won't be able to stand, friends. He is built on sand.

Oh but unto the wise who understand...Daniel said they
would. The wise have the oil.

Oh, for Michael's feet
...and on the land,

*...conquerors we are
Through the power of Jesus Name
Priests and kings He has made us
And forever we shall reign
More than conquerors we are
Through the power of Jesus Name
Oh priests and kings...*

Oh one more time...The hour of shaking...everything that
could be shaken will be shaken off. Oh but we have received
a kingdom that cannot be removed. They trusted in
uncertain riches.

Oh for the stone that the builders refused...
Oh the revelation...
...of the Son of Man.

Oh, but unto you He's been a treasure.
And an anchor...in the stormy time.
All the evils of this world, we'll overcome.

*Now more than conquerors we are
Through the power of Jesus Name
Priests and kings...
And forever we shall reign
More than conquerors we are
Through the power of Jesus Name
Priest and kings He has made us
And forever we shall reign.*

Oh thank You, Lord, hallelujah! Thank You, Jesus. Oh my, let's just bow our hearts all around the building. When we realize, friends, that as the Light shines on the Word, the modern events become clear; as the vindicated prophecy spoken by a vindicated Prophet begins to be revealed through the Scriptures. As we begin to rehearse what has been spoken to us, Your Spirit and the bride saying back what has been said by the Prophet and what he said is already laying in the Bible.

What a great thing when His Word can truly become a Lamp to our feet that we truly can walk in the Light. And when we could walk in the Light, it makes the Blood effective. The Blood of his son cleanses us from all sin. You want to know how to get rid of sin, out of your life? You don't need a forty day fast. Walk in the Light – Walk in the Light when the revealed Truth comes forth. You see it in the Bible. You see it being manifested in the time and season you are living in. You see it spoken by the Prophet back there; you know it's right. The Spirit witnesses it. You hear it, you recognize it is the Truth; you go to acting upon it. It not only cleanses you, it makes every divine promise come to pass in your life. It brings down the Holy Spirit to you because that which was keeping Him out, that defilement has been removed that now he could come to a life, sanctified. He can come down for union. He can come down for the pregation. What a blessed privilege you have.

What you have seen these last few months taking place in the earth - Right in this church here, it would be a year next month, yet the Holy Spirit that is present, even as He was when we started in this channel when the earthquake shook the region. It was felt even down in Guyana from way up in Martinique, Forte de France. The epicenter caused cement and pieces of tile to fall off the Financial Towers. Yet little homes that felt it didn't even maybe break a window pane. Yet the Holy Spirit so sensitive to point out to us, and then come behind and for eleven months, Word upon Word upon Word.

Today, making it so clear; this shows to us something has happened. Have you missed it? Did you undervalue it? Did

you fail to recognize it? What measure of importance did you attach to it? Did it send you into prayer? Did it drive you into studying His Word? Did it bring a desire in your heart to lay aside your weight and the sin that so easily beset you? Does it cause you to draw closer to Him? What did it do for you? What kind of effect it has upon your life even as you heard it today?

‘The Sealing Angel’, he says, ‘is moving through the churches in that hour like in the time of Ezekiel’. That Babylonian power had the nation gripped in a siege. It was taking it down piece by piece breaking that power, taking the people into captivity as we see.

Yet there is a man with an inkhorn writer. And while the forces have cut off trade and creating inflation and instability in the financial realm and everything else, shaking down the nation, a man with an inkhorn writer was moving through the city. You know what was drawing Him? The sighing and the crying for all the abominations; His ear was attentive where those prayers were being poured out. They were actually bringing Him on the scene. There were some intercessors in there. Didn’t He do that for Abraham before Sodom was burnt? Didn’t it loose that kind of Spirit to begin to plead for his loved ones, his family? It wasn’t just knowledge for Abraham to run and talk about and kind of show he was so knowledgeable of what God was doing. It threw him into desperation.

Let us today weigh these things in our hearts and lives. And where you could find a deeper depth of conviction, where your thoughts, where your heart, where your desire could move into, where you could be closer drawn to Him, that whatever it takes to draw closer to Him that’s what you’ll be willing to do.

And knowing that in this hour like that widow to see the creditors grip loose from around the lives of her and her family, she knew she had to get empty vessels. She knew she had been instructed how to work with the oil from the ministry. In the days after Elijah, the anointing on the robe was still there. She saw something begin to move in her home behind closed doors. The public didn’t even know

what was happening among them. But they on the inside knew vessels were being filled. The hold of the creditor was being loosed from around them. The liberty of the children was sure. Can we envision that?

Can we envision that as a people? Then we can have that today. Then you could say, ‘Lord, empty me of all my unbelief, of all my pride. Let me never pretend. Remove secret sins inside. Whatever it takes Lord, that’s what I will be willing to do. I’ll trade houses and lands, my dreams and my plans, whatever it is, take it away, Father.’ Everything that is hindering Your Holy Spirit, can you find that depth of sincerity?

Even though you see in your own heart, you don’t have that kind of feeling, you are becoming so desensitized. Satan blinding you from these things; try to hold you on the surface. Your roots didn’t go deep enough. The seed just fell on the rocks. You rejoiced for a little while but there was no place for it to go a little deeper. It lacked moisture.

Maybe it fell among the thorns and is choked by cares and pleasures of this life. But as you see being in His presence today, you begin to see something. And you feel in your heart, ‘Oh God, don’t let me leave this service the same way I came in. Let me leave a little different, Jesus.’ Can you find a place like that? Can you enter into a place like that?

I want to invite Brother Sammy to come and pray. If we can find a place like that we will not go home the same. If your faith can be built up in your heart, how many desire that? Then why don’t you take the person’s hand next to you, as a believer, and let’s be united eagle to eagle here right now, right where we stand, with faith that God can give that to us. He can give that surge, if we are all connected up to the Word that we have heard and connected up with faith one with the other. Then the Holy Spirit could drop in there and move and touch every heart like a house that is wired.

(Brother Sammy prays)

Could we all say praise the Lord? Amen. Isn’t God good? Let’s just give Him a hand of praise, this great mighty God. We so thank Him, hallelujah! My, my, my, my, my, thank You, Lord. Thank You, Jesus. Glory be to

God in the highest! Thank You, Lord. We love You. Praise the Lamb of God. Thank You, Jesus. Oh glory, glory, glory, glory, glory, hallelujah! Thank You, Lord. Thank You, Jesus. Thank You, Lord. Oh my.

Greet your brother and sister. Tell them God bless them. It was so good to be together in the House of the Lord. As Brother Ricardo comes, amen, praise His wonderful Name. Praise His wonderful Name.

And to all you mighty Gentile warriors, yesterday in the wedding, you know, we had to go into battle mode so sudden when the enemy tried to make a move. God gave us great victory. God bless you for your gallant and valiant response. Amen, to bring everything under control that God's Name could be praised and God's service would not be interrupted. God bless you all, amen.
