The Prince That Shall Come Pt.1 **Wednesday, 5th December, 1990.**

Thank You, Jesus, blessed be Your wonderful name, Father. How we appreciate this opportunity, to be in Your divine presence tonight, dear Lord. Lord, as we come, we confess that You are all that we have need of. You are our satisfying portion, You are the one, oh God, who can fill every fiber of our being and satisfy every place, Lord, where there is a longing and a desire.

We thank You, Lord Jesus for Your presence. We thank You, dear God, for coming amongst us. We already feel so comforted Lord. Truly where the Spirit of God is there is liberty. God, when we just come into Your great divine presence, and feel the burdens being lifted, oh God, feel this life giving Spirit, this quickening power moving upon the audience, Lord.

Lord, quicken our minds; quicken our souls, dear God, lifting us up in a realm, Lord God, where we can lay aside every weight. Lord God, we can lay aside everything, Lord, that is so burdensome, we could find that rock in a weary land. We could find that shelter in a time of storm; we could find that mighty tower where we can run into Lord, that place of refuge tonight. Blessed be Your wonderful name. Hallelujah.

You said if any man hunger, I'm the living bread that came down from heaven, let him come and eat, he shall never hunger anymore. Hallelujah. If a man thirst let him come and drink tonight. Oh, blessed be the name of the Lord, glory and praise be unto Your name. Oh, we can come and look and live tonight Father. As Moses lifted up the brass serpent in the wilderness, so the Son of man has been lifted up in these last days. Hallelujah. Oh God, that we can come and look and live.

Thank You, Jesus. Thank You, Lord. Blessed be Your wonderful name. Oh, glory and praise be unto Your name tonight. You are that Rock, Lord. Hallelujah. That Rock that is in speaking distance tonight, that Rock that is in hearing distance, oh God, with the ever present water that a perishing people Lord, a thirsting people, oh God, could come and drink, Lord, and find satisfaction, to their thirsty souls tonight. Oh God, hallelujah. Let that water

flow out tonight Lord, and may You quench every thirsty soul, let it bring a refreshing, oh God.

Lord God, may You strengthen Your children tonight, as they would come expecting to receive, as they would come and they draw closer unto You. You said, Lord God, he that cometh unto Me I would in no wise cast out. Come unto me all thee that labour, all that are heavily laden, I will give you rest unto your souls. Oh God, what an invitation tonight, Lord that we can come into Your presence. Knowing You would not turn us away, Lord, You would not send us away empty, but we could come asking that our joys maybe full tonight. Hallelujah. Hallelujah. Hallelujah.

Oh, wonderful Jesus, we thank You and we praise You, Lord. Blessed be Your wonderful name. Hallelujah. Oh, it is so sweet to trust in You, Lord, just to take You at Your Word. Lord, to know that You are faithful and true, You are not slack concerning Your promises. Oh God, hallelujah. Thank You, Jesus. Thank You, precious Lord. Oh glory and praise be unto Your wonderful name. Lamb of God we praise You, we give You honour and glory tonight. Blessed be Your name, Lord.

I pray in the name of Jesus Christ, that You will meet every need according to Your riches in glory. I pray that the Spirit of the living God will just minister, Lord, individually to each and every one of us, Lord God, for we lift our eyes unto You. Hallelujah. You said blessed is the man who trust in the Lord, for he shall be on Mt. Zion, he shall never be moved. For as the mountains are around Jerusalem, so the Lord is around His people. Hallelujah. Glory be to God.

You set us on a rock, we shall not be moved. O h my God, we trust You, we put our confidence in You, Lord. We cast our cares upon You tonight, knowing that You careth for us Lord, through sunshine and shadow. Oh, my God, You are our help tonight. Hallelujah. Thank You, Jesus. Thank You so much Lord, thank You, Father. We love You, we appreciate You, we bless Your wonderful name tonight. We give You all honour and all glory tonight Hallelujah. Oh, bless the Lord, oh my soul and all that is within me, bless His holy name. Hallelujah.

We feel encouraged tonight to be in Your presence. We thank You for the waves of the Holy Spirit. Hallelujah. We thank You

for the inspiration Lord, thank You, Lord. May You bless every stranger, every visitor within our gates tonight.

Dear God, we ask that You would just lead us and guide us. We just want to be led by Your Spirit, Lord, whatever You have to say or do. We don't want any programs, Father, we just want Your divine leadership tonight. Oh God, we put our confidence in You Lord, may You just have Your way in our midst, may You get honour and glory, Thank You, Jesus. We just commit this entire service into Your hands now, in the name of Jesus Christ we pray and ask all these mercies and blessings, in Your precious, wonderful name. Amen. Thank You, Lord. Amen.

May God richly bless you. I'm certainly happy to have you all tonight. May God bless all the strangers and visitors within our gates. I would like to read out of II Thessalonians 2 and Revelation 13. Amen. We are going to begin reading from verse 1.

Now we beseech you, brethren, by the coming of our Lord Jesus Christ, and by our gathering together unto him,

That you be not soon shaken in mind, or be troubled, neither by spirit, nor by word, nor by letter as from us, as that the day of Christ is at hand.

Let no man deceive you by any means: for that day shall not come, except there come the falling away first, and that man of sin be revealed, the son of perdition;

Who opposeth and exalteth himself above all that is called God, or that is worshipped; so that he as God sitteth in the temple of God, shewing himself that he is God.

Remember ye not, that, when I was yet with you. I told you these things?

And now ye know what withholdeth that he might be revealed in his time.

For the mystery of iniquity doth already work: only he who now letteth will let, until he be taken out of the way.

And then shall that Wicked be revealed,

That man of sin, that son of perdition who, he is talking about

whom the Lord shall consume with the spirit of his mouth, and shall destroy with the brightness of his coming:

Even him, whose coming is after the working of Satan with all power and signs and lying wonders.

And with all deceivableness of unrighteousness in them that perish; because they received not the love of the truth, that they might be saved.

Amen. Today they still would not receive Paul's Gospel; God is going to judge the world by Paul's Gospel. God restored Paul's gospel in the last days to bring back one Lord, one faith, one baptism. Amen. There's no other gospel. "If any angel comes and speaks any other gospel than which I have preached unto you let him be accursed." As far as God is concern there is no other true gospel but Paul's gospel. Amen. And notice back there, that mystery of iniquity was already at work. They were already preaching another gospel.

And with all deceivableness of unrighteousness in them that perish; because they received not the love of the truth, that they might be saved.

And for this cause God shall send them strong delusion, that they should believe a lie:

That they all might be damned who believed not the truth, but had pleasure in unrighteousness.

Oh, it's a sad thing, God would send forth His vindicated Word and a man or woman would refuse to walk in it. Like God told Cain, "If you do like your brother I would receive it, if you don't do it sin lieth at the door." Is that right? And the Bible said God had not respect to Cain's sacrifice; his works were evil. Amen. God is still the same tonight.

Revelation 13.

I don't know if I want to read that right now. Okay, let us pray. I'm going to read through the course of the service.

Our gracious heavenly Father, Your children have gathered in tonight. God, there hearts are under expectation to hear Your Word, to receive something from Your hand, like the great mama eagle will feed the eaglets with the fresh kill of the Word. You liken it to that in the Bible. For You said where the carcass is there will the eagles be gathered together. And, dear God, how You've

fed our souls on this book of Daniel, this great mysterious apocalypse that was sealed up in the Old Testament, shut up until the end time.

You said, Daniel heard the seven thunders and, dear God to see it in these last days, those seven thunders that uttered their voices, and all these mysteries that was sealed up in this Book has now been made plain. And the Holy Spirit is here; putting us into remembrance of all these things that was spoken through the mouth of a vindicated prophet. For You said Elijah truly shall come and restore all things. Oh God, and we know all things have been restored, every mystery of God has been revealed. We have come back to the original apostolic faith in these last days; these seven thunders have uttered their voices to show us how to prepare, for great translation faith, dear God.

Father, as we look at these things tonight, knowing that You said the Spirit and the Bride would say come. The Spirit and the Bride would say exactly said what the Spirit have already said through the mouth of that prophet.

I pray tonight that these truths, Lord God, will be proclaimed, it will literally turn the heart of the children back to the faith of the fathers, for this is what You said it would do. You said, "My Word will not return unto Me void, but it would accomplish the purpose unto which it has been sent." Dear God, this is the purpose why You have sent forth this message in these last days.

I pray tonight let the spirit of truth, Lord, come, and let it teach, let Him bring back to our remembrance, let Him show us things to come. Let Him lead us and guide us into all truth, as we have need of it tonight, especially in the light of the modern events, especially in the light of the thing that is happening in this hour. Oh God, I pray Father, for that divine unction that unction from the Holy One that will teach us all things. Let the Spirit of God search the deep things of God, tonight. In the name of Jesus Christ we pray and commit this service and all these beloved saints into Your hands. May You just have Your way in our midst now, in the name of Jesus Christ, we pray and ask these mercies and blessings. Could we all say amen, amen. Praise His wonderful name. God bless you. You may have your seat. Amen.

Yes sir. We are certainly are thankful for His divine presence. I trust maybe you have your little track with you tonight, you might

want to look at it, some of the things inside of there, that we have been looking at. And it is over two months now, we've been studying this book of Daniel. And you know it just seems that, if God give us two years I don't think we can really truly finish or complete it. We are just trying to, give it in a panoramic, that you can look and see what these things are. But here is so many things and especially almost six, seven or it could be quite more, I have not been keeping count of how many services, we've been right in this chapter nine and just can't seem to come out. And that is exactly where I would just like to look back tonight, in chapter 9 and, if you just turn your Bible right to Revelation 13 where we had it. I should begin to read a little bit from there, and then, work my way around and see how the Holy Spirit is going to lead us tonight.

And I just feel the inspiration is just right to strike some of these things and it will be good that if even some of the young ones. I really like to see the little boys there with all their charts and everything else, how they are there and they bring it with them to church and they sit in the front and they open it up. And may God bless them and give them understanding.

The Bible said we are being taught of Him, all His children are being taught of Him. Isaiah 54, I believe it is. And God is so gracious to teach us out of His Word and to establish us in the present truth.

Let's just read in Revelation 13 a little bit. I want to take for a little subject tonight, "**The Prince That Shall Come.**" And we see in Daniel 9, as I was speaking Sunday, seventy weeks were determined. Now I just want to take that prince as we try to tie some of these things into the last half week and I just trust it would become clear because, we're right to the time where that week is fixing to begin, and we must be taken off the face of the earth, and that is exactly what is happening.

Because Joseph's brothers were gathered together and he had to dismiss his wife to the palace so he can reveal himself to his brothers. And when he was going to begin to reveal himself to his brothers, you know in the Bible how they begin to mourn and cry. Like it is recorded in the book of Zechariah and also in Leviticus 23, on the day of Atonement where it was shown in a type, and also in the book of St. Mathew 24, where he spoke in the last days.

I would send my two Angels, and they would gather the elect from the four winds of the earth, and they shall mourn and all these things and we know that we are right at that time, where these things are fixing to happen.

And that is why as we see all these things taking place, all these modern events, just making these things clear and causing us to lift up our heads and look up knowing our redemption draweth nigh. And how it should be that the waiting church in this hour, lamps are being trimmed and filled with Oil. It's an hour when we come in the house of God we capitalize on every moment; every opportunity we have to sit and to hear the Gospel. And to search the scriptures and to look back at the prophecies of the wise men and the saints and sages, the prophets of old, who wrote this Bible. Seers who the Spirit of God came upon and they saw visions of prophecy, and foretold these things and it became their Bible, their inspirations, their utterance.

And here, thousands of years after, we see these things coming to pass exactly as it is spoken in the Bible. Amen. What it ought to do to us. No wonder Jesus said, wise men, sages, saints of old desired to see these things that we are seeing. Amen. How the saints even in the apostolic times they looked forward to see the coming of the Lord, they thought it was going to happen in their time but they didn't know that so much time was going to run out.

But God, took John on the Isles of Patmos, and showed him these seven church ages. And showed him that there is going to be a time, and how all these things is going to run out and then the church will be taken off the face of the earth. And God was going to go back to the Jews and it is all laid out here in this Book, a great Book of prophecy, a Book written in symbols. And it is so mysterious, and people just don't go into it, it seems so confusing, it seems so mysterious. But God, in these last days, has opened up this seven seals and all these hidden mysterious things to the trained mind, to the one who have been taught by the Holy Spirit; it's just like reading Mathew, Mark, Luke and John.

We can take up the Book of Revelation, the Book of Daniel, all these great prophetic books, and just read them and all these things that even though they are in symbol form, we can see because when we have reason to see. Not that we are any better than any one of those saints back there, it's just that it is in our time it was

promised to be made known. It is in our time the Holy Spirit has ripped the seals of the Book and handed it down, that we can look and see these things, in our time, all these prophecies are becoming history.

So now we have reason to see the Spirit of truth, as Jesus said, it is going to come. It is not for the world. The world will not see Me but you will see Me. I will come unto you.

That's why we can worship the living Christ in our midst; recognizing the presence of the living God coming according to His divine promise, doing exactly what He said He will do to identify His presence. Many people, they call many things the Holy Spirit, they get moved, they get enthused, they have come under so much religious works and protractive meetings, and great influential speakers and all these things, but they fail to see what will be the sign, what will be the evidence of the Holy Spirit in the midst of the church. To every age it said He that have an ear to hear what the Spirit is saying to the churches. Is that right? Every age the Spirit was going to be speaking, the Spirit was going to be teaching. And there is going to be an elected group in every age, who will hear what the Spirit is saying. Amen.

Jesus said, "I would send you another Comforter whom the world cannot receive." *He-* personal pronoun singular, will come to lead you and guide you into all truth. Amen. He will bring back things to your remembrance, what I have spoken unto you, because there is many things I want to speak unto you but you cannot bear it. Is that right? Things. What are things? Many things, things in the Bible are mysteries. Elijah truly shall come and restore all things.

John said we have received (I John 2:27) an unction from the Holy One that teaches us all things. I Corinthians 2 Paul said the Spirit of God searcheth the deep things of God. The natural man cannot receive the things of God. Is that right? He can only know the things of man; he cannot know the things of God. What are things? Things are mysteries. The mysteries of God, the truth. Amen. Paul said, "I have many things I want to speak unto you but you cannot bear them. I fed you with milk but he that uses milk is unskillful in the Word." Is that right? Have your senses exercised so you can discern good from evil. Amen.

He wanted to bring some deeper things to some of those churches, but the carnal state that they were in he could not bring those things. He said, "I have to feed you with milk, because you have so much division and strife." He had to keep dealing with those things, trying to set them in order. But how, in his heart, he desired to bring them up, to wean them.

Isaiah said, whom shall we teach knowledge, whom shall we make to understand doctrine, them that are weaned. Amen. He had to wean them from those things. He said, in Hebrew 6, the time will come if God permit, then we will go back to laying our hands and all these things and baptism and all these things, but let us go on to perfection. Is that right? Sure.

He wanted to bring the church right up to that place where they could be filled with all the fullness of God. He had seen the Son of man revealed, and he knew what was the purpose why that Son of man was being made manifest. He had seen One that was waved amongst them. Amen. He said He was seen of Peter, and He was seen of five hundred, He was seen of James and the apostles, but He was seen of me also. Amen.

Paul had seen Him and Paul had brought that great revelation to the church. Amen. Separating the law from grace and showing how that seed had come, the faith seed had come and the faith was revealed. We are no longer shut up unto that faith. Amen. Now we can come step by step. The righteousness of God was being revealed in his Gospel. Amen.

In Romans 1, he said the righteousness of God was being revealed from faith unto faith. He said we are being changed from glory unto glory. Why was he preaching that? Because he had seen that original glory in Jesus Christ. He knew who He was. He was the Word made flesh, He was the Messiah, He was all the law the prophets and the psalms. He was everything. He was the Word that we bypassed when we came from thought to flesh.

And Paul knowing that, that was the Gospel, that, that was the good news, that the hour has come and we don't have to walk in darkness anymore. The light that could light us all the way back to garden of Eden has come. Amen. I am the way, I am the truth, I am the life.

It was a new day being broken now, the Easter seal was broken, life after death was being revealed unto them. They knew

it wasn't just more church joining, it wasn't just keeping some more commandments now, but it was coming back into the full sonship of a son of God; what we had in the garden of Eden, amen. That way was being revealed, Jesus came to make that way. That is why He could walk on the water and speak to the storm, and speak to the tree and do all these different things to show unto us what we had in the beginning. Amen. It is so tremendous.

And they knew it and they looked for it, and they knew it was going to come. And they preached that word and made those things so plain, and they brought such convictions upon that early church, and those men and women they gave their lives, they lived for that Word. It was everything to them.

Then Paul said, I have not shun to declare unto you the whole counsel of God. Amen. He said I know a man who was caught up unto the third heaven; man went up into the third heaven came back and preach who is this Melchisedec. He came back and preached that if this earthly tabernacle be dissolved there is another one waiting. Amen. He had seen them theophanies, all those things. He said, he had seen what Jesus talked about. "In My Father's house there are many mansions."

He had seen that, that Bride was that New Jerusalem. Amen. Mt. Zion, city of the living God. He had seen those things. He had seen who the blessed and only potentate was, King of kings and Lord of lords. That One, who will come, in the brightness of His coming, will smite that man of sin. Amen. Hallelujah. That little horn that Daniel had seen, who was being broken without hands. Paul, caught up in the Spirit, had seen these things, and what a Gospel he brought and proclaimed to that early church.

You know, no wonder today people cannot understand you know this message that we have received. They feel it is a strange message. But if anybody would take this message, in this last day, that this prophet of Malachi 4 came and brought, they will see that this is the Gospel that Paul preached. Amen. Hallelujah.

Oh my, not a strange doctrine. It is not a man we are following, is not a strange thing we have gone off on talking about some prophet or something. It was promised that the church was going to come back to the original apostolic faith. Glory be to God. The very objective of God, for four hundred years, in the time of the reformers after he come, after and over nine hundred and

something years of Catholic persecution, when they killed over sixty-eight million Christians. When it was just the Dark Ages, it was calling Christianity the Dark Ages because Romanism ruled the world. Amen. They wiped out the church.

But God was determined, that He was going to bring the church back. He was going to bring it back one day. Hallelujah. That the very church that He started off with on the day of Pentecost will be standing in the last days again. Hallelujah. And God raised up mighty reformers, but all they could do was reform. They were not prophets so the Word of God could not come to them; they could only reform. Though they brought the truth, as great as Luther was, as great as he protested the Catholic Church, as great as he shook the church, as great as he turned the whole of Europe upside down, as, and such courage and determination that he had to stand in the midst of all the fanaticism and preach the just shall live by faith yet it was only the evangelical understanding of the just shall live by faith. Amen. Hallelujah.

It was only reforming, bring back to the church, he still had Trinitarian baptism, he still had man's ideas, he had all these kind of sprinkling and all these kinds of different things. They were still smoking and drinking their beer and all these things. Exactly right. Amen.

But God was going to use that for a time. Because Jesus in Mathew 13, had given a great revelation that the church is like a wheat plant. In Mark 4, Jesus was preaching that the church was like a wheat plant. How you plant a seed, and after the seed falls in the ground, up comes a blade. Remember in Matthew 13? And the Angel was going to root it up because tares were coming up too, and he said, no you cannot tell the difference yet, you have to wait until it is harvest time but let them grow less you root up both of them. Is that right?

He says, but at harvest time the Son of man is going to come. Hallelujah. Glory. The Word will come back in the last days, brother. We will know we are in the harvest time again. God will bring back that same ministry; it will have the same signs, the same wonders, the same teaching, the same life itself. Amen. Glory be to God. It will have the same characteristics to show it is Hebrew 13:8, to show it is St Luke 17:30, to show it is Revelation 10, to show it is the fullness of the word coming back, to show it is

the entirety of the life, to show it is the very image of the life that we bypass, to show it is the word made flesh.

The church will not be in doubt; the church will not have to question. There will be such a ministry that the even the natural man without revelation, who don't understand the mystery of the Bride coming, he will think that is Jesus Christ. Hallelujah. He would want to worship that man. Hallelujah. They will want to form some kind of cult. Amen. Hallelujah. It will be so mysterious. But that man, that prophet, will not accept worship. Hallelujah. He will say, "Don't worship me, I'm only one of your fellow brethren of the prophets, worship God." Thank You, Jesus. Amen. Yes sir.

Just hold your Bibles right there for a little while. Amen. I know I told you to turn to Revelation 13, but just hold it right there for a little while. Amen. You see I'm just trying to find that inspiration where the Spirit wants to strike the Word. Amen. I've been doing that for about a month now. Every time I come, I must speak about the prophet, I must introduce him and place him there and show you what is happening, show you why he came and show you what he has done.

If we are in the Book of Daniel, there are many theological ideas, but I want to show you, that the Book is open. Seven thunders have uttered their voices, that same One that Daniel saw in that the last vision, He saw Michael, the great Prince delivering the names in the Book at that time. Amen.

Brother, in the book of Revelation it shows Him also and it confused the people because on The Breach, the prophet said here He is in Revelation coming directly to the Jews, that great Angel coming there. And they say, oh those seven thunders are for the Jews, and they get all confused. Amen. Because they fail to realize Daniel saw the same vision that John saw, both of them heard the seven thunders. Amen. Hallelujah. Exactly what is under that, seventh trumpet is under the seventh seal. Amen. Brother, this same Gospel carries over and does the same thing on that side. Glory be to God.

It's going to call them out of the substitute atonement, of the blood of bulls and goats. Those Jews right now, all they know about is a natural temple, all they know about is an animal sacrifice. But one day they are going to see the real Tabernacle that God pitched. They are going to know, they going to see the thing

that Moses saw in heaven, that Paul saw in heaven, that John saw in heaven, that real Tabernacle. Amen. The One Paul said God pitched and man didn't pitch. Hallelujah. God in His Holy Temple, God in Jesus Christ. Hallelujah.

He said, Solomon desired to build a temple but howbeit the Most High God dwelleth not in tabernacles made with hands. Amen. Glory be to God. Amen. When that real temple, which God pitch, man didn't pitch it; God spoke it into existence. God created it by the immaculate conception. A body has thou prepared. Amen. Hallelujah. Glory be to God. God becoming flesh. Amen.

Their eyes are going to opened one day and they are going to see it. The reason there is such blindness among the Gentiles, the reason only a handful could see it is because history is repeating itself right now.

The same way when Elijah came after four hundred years of reformation. How many know that there was no prophet from Malachi to John? Four hundred silent years, between the Old Testament and the New. Amen. And during that time you had the Sadducees and the Pharisees and the Sanhedrin Council and your Essenes and the Stoics, and all these religious groups rose up there, led by man and man's ideas.

Some didn't believe in Angels. The Sadducees didn't believe in angels, although all through the Bible it said an angel came to Daniel, angel came to Samson, angel led Moses. Is that right? Angel came to Gideon. Yet the Sadducees didn't believe in Angels.

The Bible said Elijah raised the dead, Elisha raised the dead. Is that right? Yet they didn't even believe in resurrection. You see how big influential organization could have the Bible and there is truth in the Bible right there and they can't even see it. Sure. But the Sadducees were like that.

Then you had the Pharisees, and they were like the Seventh Day Adventist today. They wouldn't do a thing on that Sabbath Day, and they were so self-righteous. They were looking for who was doing something on the Sabbath Day to condemn them, to show that they were more righteous than they were and they even accused the Lord of the Sabbath, not even knowing who He was. Hallelujah. Glory.

So brother you see, it's not different. It is just sometimes; we can't see the same thing happening again. And all of a sudden at the end of four hundred years, thus saith the Lord a prophet came walking out of there. Was he a Sadducee? Was he a Pharisee? Did he belong to the Sanhedrin Council? Did they know who he was? They didn't know who he was. They said, "Who are thou? What sayest thou of thyself? We can't understand."

And when they came there, you think he welcomed them and he said, Praise God, You know I'm... No brother! From the time he spotted them he began to blast those spirits. Amen. He said who warned you to flee from the wrath to come, you generations of snakes you vipers and these things. Brother, because he had a message. He was sent to bring birth pains, he was sent to turn a corner, he was sent to shake the systems, he was sent to rebuke religious leaders, he was sent to call out an elect. Amen.

And all you had down inside of there, (read it in the Bible) in the breaking of the New Testament- Read it and see. Zachariah and Elizabeth, Simeon and Anna and Joseph and Mary were the only ones- six people. He said notice one is a carpenter, the normal man; one is a priest; and then the other one a prophet. Amen.

Look at those three classes down inside of there in that time, that dark time covered over by denominationalism. They were getting supernatural experiences, they were breaking into a realm to see the prophecies that were laying in the Bible, for hundreds of years, was coming to pass right there. Is that right? Sure.

So it isn't strange friends. When you sit and you realize that sometimes, you say, how come the world is not talking about that? No, that's why it is right, that's why it is not for the world. The world will not see Me, but you will see Me. I'll come unto you, I will show myself unto you. Amen. Flesh and blood cannot reveal it; it is the Father in heaven, the Holy Spirit revealing it and quickening that Word, making it alive unto you. Amen.

Look back in the Bible, that is how you know He is the same yesterday, today and forever. That is how you know He does the same, acts the same. That is why you can have confidence, it is He in the day that you are living in, because He is working in the same pattern. Is that right?

If He was doing something different then God changes, but He said, "I am God and I change not." And any trained believer,

anyone trained to the voice of God... Now if you are trained to a church voice, you will look for it in the way the church will expect it. But if you trained to the word, the Bible, if you trained to the pattern laid out here in the scriptures, how God works, how he operates, then you will be looking for it to come in the continuity of the Bible because God is a God of continuity. Is that right? Sure. Amen.

And when John came, he knew they couldn't - Four hundred years - look how many generations had passed there. He knew they would not understand his ministry. So did you know they thought John was the Christ? Did you know there was some people going around thinking John was the Christ? Sure. Read it. Art thou the Christ? Art thou the Elias? Art thou that prophet? Who art thou?

The religious world was seeing a ministry but they could not place it in the Bible. It was a scriptural promise being manifested, but the teachers were not sufficiently trained. And remember those Jewish scholars back there, were far more scholars than what we have today, you know. Now know that now; they were far more trained in the scriptures than what we have as little bible school students do today yet those teachers couldn't put it together. Their concept was wrong.

And John knowing that the confusion, knowing the ministry must not be misunderstood, he knew a whole great bunch of people wasn't going to get it, but for the elect sake he had to place it in the Bible. He knew that faith would only rest upon the Word. So when they came and asked him who he was, he couldn't come and say, "I am Zachariah's son." But he had to place it in the scripture, he had to place it in the season and the time, he had to have the identification to show to them it was the Word coming to pass.

And he knew that faith was going to catch that. Those who had that faith in their heart would recognize it. And he said, "I am the voice of one crying in the wilderness." And he took Isaiah's prophecy and he identified himself with it. Did the church world accept it? Was it correct? Did he ever join with them? Did they have nice things to say about John?

The Bible said, many times when Jesus confronted them and Jesus put pressure on them, you know. You know Jesus had a way, when they were in the market place; and the square and different places like that, and they came there asking their questions, He

would answer their question with a question. And He jumped straight and said, “Was John’s baptism of man or of God? Was John a prophet?” And the Bible says, the people couldn’t answer because if they say no, they were going to stone them, because many of multitude believed he was a prophet. So they wouldn’t acknowledge it for fear of stoning. See?

But Jesus was exposing them because He knew they didn’t believe that John was a prophet. He said, and if you think that I am fanatical, you think he is a prophet alone, he is more than a prophet. And from Isaiah 40, He went straight to Malachi 3. He said, behold I send my messenger before my face. Is that right? And He showed he was a prophet and he was a messenger. A prophet messenger coming in that conjunction, at the end of the Old Testament. And his ministry was to wind up the Old Testament and introduce the Messiah.

It was a one man move, and people didn’t like a one man move when they had many denominations. I wonder if God would be treated the same way, if He send a one man move in an age where they are full of denominations?

Let me tell you, spirits don’t die; they do the same thing in this day, because they don’t want a one man move. But he said behold I will send Elijah, and *he*- personal pronoun, singular. But to show you the accuracy of the Holy Spirit, you see God knew how shrewd the theological mind is and He knew they were going to quote Revelation 11 and say that is Moses and Elijah, but God knowing the thoughts. He said now notice in Revelation 11 when Moses and Elijah come, they come together to the Jews but when he comes to the Gentiles, he comes alone; it is Elijah alone. Amen.

Brother, it bind then up. Amen. Why? That we can know that God had fulfilled that word. That is why many times, you see people stand to speak things, sometimes people get trouble when someone says, “you are reading out of those books, you should not read out of any book” or something like that. And you know sometimes, they hold the untrained mind with all kind of carnal thoughts and they bind them up, and a believer sometimes they don’t know what to do or what to say and they feel kind of wrong and they get confused.

But you know after Moses went to the Pillar of fire... How many know God told Moses, you be God and let Aaron be your

prophet? That's the Bible. That is what Jesus told the Jews. He say, they try to play, "we don't want to talk about a man, we want to give God the glory." You know how denomination is. "We love Jesus. We don't follow any man, we're following Jesus." They don't know Jesus is the Word. So Jesus told them, this is John 10. He said, you call the prophets God, to whom the Word of God come to so how are you against Me when I say I am the Son of God? Because the Jew didn't believe God had a son. They knew the Son of God meant God coming in the form of a man, one of Adam's seed.

Because God promised Abraham that he was going to have a seed, God promised David the same seed, God promise Eve the same seed. Is that right? And His name was going to be called Emmanuel. It was going to be God Himself in flesh, coming through the human race to redeem the human race because of His own law. Amen.

And that is why you find, that in the scripture there, we look and we see those things and sometimes people fail to see how Moses told Joshua, "Joshua take these five books..." Moses wrote from Genesis to Deuteronomy and he gave it to Joshua, and he said meditate on it day and night. You think Joshua could have said, 'I want God to talk to me the same way He talked to you. I don't want that. God showed you that, I want my own private business.' No, he couldn't do that. He had to take the word. And Moses told him, meditate on this day and night; don't turn to the right or to the left. Because Joshua understood that wasn't Moses' thoughts, he understood Moses was vindicated. Moses spoke into existence, let there be flies, let there be frogs, let there be this. Is that right?

They knew when they saw that word in Moses; they saw the glory. Read Exodus 34. Paul was teaching about it in II Corinthians 3. He said, Moses had to put a veil over his face. The glory was so great they couldn't look at Moses, when he came back out of that Pillar of Fire. Is that right? Amen. So Joshua and they knew whenever anything came up, they go back to that word of Moses.

Look at Paul telling Timothy; commit these things that I am teaching you unto faithful men, that they may teach others also. Is that right? He said, don't be ashamed of me and my testimony. Amen.

And Timothy knew who Paul was. He saw when Paul came back there and begin to write those things, “not the Lord say but I say.” You could imagine before that became the Bible, remember that was some letters you know. And remember this man was in jail, and they said, “You are in jail and you want to run this church from the jail? Who do you think you are at all?”

But brother, when that man stood there, and he began to bring the Word, they knew where he was getting that Word from. Look we read II Thessalonians tonight; that was a letter he wrote because of a situation. They were shaken in mind and troubled in spirit. They were getting some strange doctrine, saying the day of the Lord had passed. And here he was writing these things, and yet we know heaven and earth will pass away, but that Word cannot pass away. We know that if that is wrong, the whole Bible is not worth the paper it is written on. Amen. Exactly right.

So when we look there and we see those things happen, we see God vindicate those men like that. Elijah, how he stood up and said, “No dew or rain will fall until I call for it.” He didn’t say until God say. He said, “Until I call for it,” in the first person. He put himself in God’s place. People fail to see that the message is you and the message becoming one. Jesus said, “In that day you will know is I in you and you in Me.” “I and my father are one.” “Father, I pray that they will be one like I and You are one.”

Let me tell you, if Jesus was God, if He was the fullness of the Godhead bodily dwelling in Him, if He was perfect, if He was omnipotent and know all things, then He could not pray wrong. He had to pray according to the plan of God. Then if Jesus prayed according to the plan of God, knowing the plan of redemption that must come to pass, don’t you see where this church is going to stand in these last days? Don’t you see this church will to be bone of His bone and flesh of His flesh? Don’t you see when the prophet said she is Him revealed, what he was talking about? Don’t you see that when the Bible said the Spirit and the Bride say come, that very Bride is going to stand there and speak the Word knowing she knows it is He inside of her, fulfilling His Word that He left for this time? Jesus said, “You shall know as you were known.”

We are not going to be known like some man tells us be a good church member and these things you know; we are going to know ourselves the way God know us. Because when the Spirit of truth

come and begin to take this Word and begin to unfold and begin to find your name in the Book, find the age you are living in, find the promise that you have to manifest and find the experiences to identify that the life in you, is not your mother and your father's life but that it's God's own life inside of there, and prove that you are an attribute of God, no devil in hell will be able to prevail against that. Upon this Rock I will build My church and the gates of hell shall not prevail against it

The Spirit of God will bring such a faith in the hearts of the Bride. The bible said he that feareth is not made perfect in love because perfect love casteth out all fear. And when this Bible is being revealed you begin to see that you were chosen in Christ before the foundation of the world, you begin to see that you were predestinated unto the adoption of children, by Jesus Christ. Amen. Under no circumstances could your name be blotted out. Blessed is the man to whom God will not impute sin. Hallelujah! Who shall lay any charge to God's elect, it is God who justifieth. There is now no condemnation to them who are in Christ Jesus. Beloved now are we the sons of God. Greater is He that is inside of you than he that is in the world. Amen.

We can go in there pouring in more and more scriptures to show you God will bring that Bride to stand in a certain place, that she will know as she was known. When Eve stood there and Adam looked at her and said, "She shall be called woman because she was taken out of man." Let me tell you if Eve didn't know where she came from, from the time Adam preached that message right there, he revealed to her where she was before she was expressed. Amen.

And the authority he spoke that with, she had no more mind battles. If she was wondering, she wasn't wondering any more. It was finished right there. It was settled once and for all.

Friends, that is exactly what happens. It was the Word that you came out of that is speaking to you in this day and telling you, you were in Me, look your name here, look your life here, look your experience here, look your behaviour here, this is the way you think, this is the way you act. Amen. And you have to say, "Yes Lord, it is true. I believe it, yes Lord. How do you know that Lord?" He says, "I am the Word. That's how I know those things." Glory be to God. Amen.

He shows you that you are part of the Word. And then you know certain things about the Word. Heaven and earth will pass but the Word can't fail. If you are part of the Word, the Word will not return unto God void. The Word will accomplish the purpose unto which it was sent. If you are part of the Word you didn't come in the world to be a failure, you came to fulfill God's purpose. You may think you are a failure, if you don't understand the predestinated mystery behind your life. Amen.

You are not a failure brother. Let me tell you, that you're predestinated for a purpose. You are called according to the purpose of God and all things, not some; all things work together for good to them that love God and who are the called according to His purpose. Amen. Hallelujah. We may not understand it right now, but we will understand it by and by. Amen. Hallelujah. Glory be to God, amen. Thank You, Jesus. Amen.

We cannot understand all the ways that He will lead us through the blessed promise land but He guides us with His eye and we'll follow till we die and we will understand it better by and by, by and by when the morning comes. Amen. Hallelujah. When the mist is being rolled away, you shall know as you were known.

When you hear from your theophany, amen. And your theophany say, press on lily, come up here. Amen. Calling you to perfection, calling you to that perfect place. Brother, you are going to find that you reach some places where you almost want to give up. You are going to find that you reach some places and like you are almost confused. All of a sudden, you are going to find, just at your weakest point, there is going to be something going to come there and push you on and cause you to rise up. Amen. You wouldn't understand it. Oh my, it is like the man who had the dream. He said, "Lord, why did you forsake me in those trying times and look, only one set of foot prints." He said, "No son, that is my footprints, that is the time I was carrying you." He was carrying you in those times. You didn't understand but He was bearing you on eagle wings. Amen. Yes sir.

I guess He wanted to encourage you a little bit. Amen. I just get talking here, and just get happy. Amen. You see when you have that kind of religion that gets you happy like the old colored man. He told the prophet, "Me mammy, I dream her last night, and she had this heart felt religion that you are talking about these

days” Amen. That’s the kind we have here tonight. Amen, glory be to God. Because if your religion don’t get you happy, if you religion don’t have emotion, bury it, it is dead. Anything that doesn’t have any emotion is dead. Bury it; pack it away.

My, but you have something to get you happy. Amen. The joy of the Lord is your strength. Amen. Yes sir. Amen. It is the Word that is getting you happy. It is not somebody giving you jokes, making you laugh and making you happy. It is not pulpit clowning. It is the Word. Quickening power on the Word creating a joy, causing the joy bells to ring in your heart. Amen. Glory. See.

You know God cares for us although the devil may try to depress you, throw all kind of things upon you, get you negative, show you all your faults and back you up in a corner. Brother, show you, you can’t even make it, you are not even in the race to begin with. The devil may want to come there and confuse you, and tell you, you are a hypocrite and you don’t really love God and use all the legalist parts of the Word to condemn you. Amen. Then God just comes and touches you and drives all that back. When something real comes, when His voice speaks to you, you know He’s speaking to you. Amen. hallelujah. Oh my, yes sir. Yes sir, amen, amen, amen.

I think we should do some reading, if we don’t do some reading we are going to just leave the Bible open right there. All right, let’s just read a little bit: Revelation 13. I just feel that these days to speak those things, to help some of the young ones, to help some of the new ones and to remind some of the old ones. Amen, yes sir.

We don’t have to be all down and gloomy and wondering. Let’s just press the battle with real determination in this hour. Because you know it have the time when He spank us, He would spank us real good. So when He is making you happy enjoy that time too. Amen. Glory. Yes brother, whatever it is we love Him. Amen. Thank You, Jesus. Yes sir. Amen.

Remember, I’m speaking on ‘The Prince That Shall Come.’ And we were just reading II Thessalonians 2, and Paul was speaking about this one that was going to be revealed in the last days. He called him the man of sin, the son of perdition. Only one person was ever called the son of perdition in the Bible. Only one time it was used before that time. It was Judas. Jesus said, “Have I

chosen you twelve, and one is a devil?" And the Bible said Satan entered in to Judas' heart. Is that right? Exactly right. Here Satan was incarnate in flesh, while God was incarnate in flesh and they looked each other in the eye and Jesus broke the bread and dipped it in the sup and He handed it to him and He said, "Do what thou doest quickly." He already said, "He that eateth bread with Me, shall lift up his heel against Me."

And Paul was saying in the last days, there shall be a man too, who will be just like that. He will be the devil incarnate. He's coming. And he said remember not, when I was with you, I told you these things? How that mystery of iniquity is already working in those things there.

And here in John now, let's just look at some of what John saw and see if it blends with what Paul saw. And we'll take it back to Daniel in a little while and see how it is the same Revelation unfolding down as the church had need of it. God kept reminding them that it is going to come. It's going to come, and we are here friends. We are here now, in that time.

Revelation 13.

*And I stood upon the sand of the sea, and saw
a beast rise up out of the sea,*

And later on, the Bible said that 'sea' meant (Revelation 17) multitudes of people. It's all in symbol.

...having seven heads and ten horns,

Not an ordinary animal, it is symbolic, a prophecy in symbol form. Being given in symbol, that it might be sealed up, kept a secret, only for the elect, to whom God want to reveal it to.

*and upon his horns ten crowns, and upon his heads
the name of blasphemy.*

*And the beast which I saw was like unto a
leopard, and his feet were as the feet of a bear, and
his mouth as the mouth of a lion:*

Now we know in the animal kingdom, it has no animal like that. Amen. This is like a composite beast. And if you notice it reminds us of something in the Bible, which we are going to read in a little while.

*...and the dragon gave him his power, and his
seat, and great authority.*

And I saw one of his heads as it were wounded to death; and his deadly wound was healed: and all the world wondered after the beast.

My, look at this beast. It was dying but it came back alive. It had such an influence that it attracted the whole world, to influence the whole world, to make them wonder after this beast.

And they worshipped the dragon which gave power unto the beast: and they worshipped the beast, saying, Who is like unto the beast? who is able to make war with him?

And there was given unto him a mouth speaking great things and blasphemies;

Notice this now, a mouth was given unto him and with that mouth he spoke great things. Blasphemies and blasphemies.

...and power was given unto him to continue forty and two months.

That is three and a half years. Twelve months in a year. For three and a half years he had power to rule, to reign forty and two months.

And he opened his mouth in blasphemy against God, to blaspheme his name, and his tabernacle, and them that dwell in heaven.

And it was given unto him to make war with the saints,

Notice now.

and to overcome them: and power was given him over all kindreds, and tongues, and nations.

And all that dwell upon the earth shall worship him,

My, you see how we have to know this Word in this hour? You see how we just can't play around, and just say we love Jesus, but we have to know who we worship? We have to know what we believe in?

The Bible says the whole world will worship this beast, a beast that is blaspheming God, blaspheming his tabernacle, a beast that is going to make war against the saints. False religion, false worship. Now watch now. Verse 4 was showing us who can make war with him? He's going to control all the armies. He's going to control all the politics. Is that right?

Verse 7 said,

*... power was given him over all kindreds, and
tongues, and nations.*

Whether you are talking English, whether you are talking Spanish, whether you are from Trinidad, whether you are from France, whether you are from Germany, whether you are from America, it doesn't matter. All tongues, all kindred, all nations he will have power over.

*And all that dwell upon the earth shall worship
him,*

No wonder Jesus said, if it is possible, even the elect would have been deceived. But the elect will not be caught in there. We know that. I wonder what is going to wake that elect up and pull her out of that system. Now watch now.

*...whose names are not written in the book of life
of the Lamb slain from the foundation of the world.*

*All (them) that dwell upon the earth shall
worship him, whose names are not written in the
book of life of the Lamb slain from the foundation
of the world.*

So that means, we have to know if our names are in that Book. We just can't say, I'm not worshiping the beast. You will have to find your name in the Book. And your name sure isn't written as your natural name that your parents gave you when you were born. Is there a way to know if your name is in the Book? Well how did John say, "I am the voice of one crying in the wilderness" He didn't say, "I am John, Zachariah's son." He said, "I am the voice of one..."

Jesus didn't say, he is John, Zachariah's son. Jesus said, "Behold I send my messenger, before my face." Jesus said, "Search the scriptures, they testify of Me." Is that right? All right. So they were in that Book. And you better find your place in the Book too.

If any man have an ear, let him hear.

*He that leadeth into captivity shall go into
captivity:*

What does that mean? He who had conquered the world. He who lead them into captivity, in organization and all these things. Let me tell you, he shall go into captivity too. Because there is one

stronger than him, who could bind him, who could shut him up in a prison too. Yes sir.

...he that killeth with the sword must be killed with the sword.

He killed sixty-eight million. He will be killed with the sword too. Sure.

Here is the patience and faith of the saints.

And I beheld another beast coming up out of the earth; and he had two horns ...

Now notice, one thing. We already picked up one thing. That this beast that John was talking about is going to do what? He's going to control all politics. He going to make war and no one could make war with him. And he could make war upon the church, and no one can have any policy to stop him, or boycott him. Because he's going to send the armies that he has control over, to lock them up, to confiscate their premises, to throw them into prison, to shoot them if they are praying for the sick. Sure he will. And that's nothing new. That is why he killed sixty-eight million back there.

So know that he is going to come. For a man to do that he has to control all politics because his power is over every nation, kindred and tongues. Every nation, kindred and tongues have governments. And to have power over them is to have their governments under your control.

It is showing us this one is going to control *all* politics. Not American politics, not Italian politics but every nation, kindred and tongue, and tribe. He's going to control all the world. He'll have power over them.

Let's go on now. Revelation 13 as we all will see, the whole world will worship him. Is that right? Because he's going to control all the religions too. You hear me?

You have enough experience to know the Bible is true, because you know enough truth to know the Bible doesn't speak lies and that was the spirit of prophecy. So if the spirit of prophecy is saying, there is going to come a man who is going to control all the politics of the world, and all the religions of the world, then it is outstanding. Which man has ever done that?

And I beheld another beast coming up out of the earth;

Now notice something here. That beast that we just read about came out of where? The sea. In Daniel 7, we are taking it and I will refer to it in a little while. There were four beasts and they came out of where? The sea. So this beast was coming out of the earth. So that means it must be found in some territory that wasn't covered by those former symbols.

In other words, you watch where the Babylonian power ruled, (get on your map) remember the Babylonian power wasn't in Babylon alone, they ruled the whole world. Remember the Medes and Persian they just didn't just rule Medes and Persia alone, they ruled the whole world. Remember that Greece didn't just rule Greece alone, they ruled the world. They were world empires. There was going to be four of them. Is that right?

And all those beasts came up out of the sea, and the sea meant multitude of people. What people? Any people? No, nations. What was the nations that comprised the Babylonian kingdom? What was the nation that comprised the Median-Persian Empire? What was the nation that comprised the Grecian Empire? Remember even Israel was part of the Roman Empire? It was part of Grecian Empire. Jerusalem was trodden down by the Gentiles. They were part of the Babylonian Empire too. Sure.

But this beast is coming out of a territory that those four nations never come out of. And we go right back to Europe because that is where most of these nations were: Greece, Rome, and Babylon in the East. Is that right? Medes and Persia in the East. That eastern hemisphere. Is that right?

Then it will have to be in some territory that those four symbols didn't cover. Remember the Western civilization, it came out of the Eastern Hemisphere. Is that right? They fled Europe to come to America. Okay, we are going to get it. Because, remember this Revelation 13:11 is speaking about the United States of America. I have proved that in the Bible for you already, on the message 'Third Angel Message.' Then we are going to pick it up here again and show, and prove it back and forth to show you how that earth is the United States of America. Notice:

And I beheld another beast coming up out of the earth; and he had horns like a lamb, and he spake like a dragon.

That is the United States of America.

*And he exerciseth all the power of the first
beast before him,*

Which we are going to show you is Rome, which you already know but I am saying it that way for some of the strangers and the young ones.

*and causeth the earth and them which dwell
therein to worship the first beast, whose deadly
wound was healed.*

*And he doeth great wonders, so that he maketh
fire come down from heaven on the earth in the
sight of men,*

And deceiveth them that dwell on the earth...

And we are going to find out how it is America that had that Pentecostal move. She had no move other than that Pentecostal move. For the reformation of the church started... the church started in Jerusalem, then it went to France with Iraneus, and Martin, then it went into Europe with Columba, then it went into Germany with Luther, come over into England with Wesley, and America.

Watch something, today America is the strongest nation, politically, in the world. See? She has the biggest army, most highly scientific and everything else. She is leading the world and here it is she is feeding the world. The strongest industrialized nation in the world. There are seven industrialized nations and America is the leader of them.

Right now in the whole world crisis here... Even when they had the problems in the Gulf, with the invasion of Kuwait. Germany couldn't go and lead them because their policy was that they couldn't have any foreign troops after World War II, with Hitler and they. England couldn't go and take the lead. Italy couldn't take the lead. Japan couldn't take the lead. France couldn't do it. Each one of them had seven thousand, fourteen thousand people but America had three hundred and ten thousand people outside there, they are the one leading. Why? They have led the world since World War II. They have become the strongest nation. That is why it becomes the one that Rome uses in the last days.

You watch when the prophet said, the Pentecostals, (Mathew 24:24) is that deceiving age, that was going to deceive all the

world- Matthew 24:24. That was the Pentecostals. Because they have all the gifts of the spirit, healing and signs and wonders and all these different things. They even have more light than the other churches. They were far more advanced. It was that shuck stage of the wheat that looked like the grain but it was not the grain.

And that movement didn't come in Germany, it didn't come out in Russia, it didn't come out of England, it came out of the United States, it came out where the Beast came out of the Earth, that is where it came out. They had that revival. That is why he said, David DuPlessis and they were swinging the whole thing into Babylon. The whole Pentecostal movement was swinging into Babylon, back into Rome. You understand what I am saying?

You won't understand me, if you're not a close observer of the scripture and have light in the message of the hour. Some of these things would be a little farfetched to you. And we are going to try, as we go on in this study, to crystallize some of these places that you read, and you believe but you can't prove it in the Bible.

So we are trying to show you in the Bible, where these thing fit and why the prophet could say that. Why he could make that statement and say, that is the deceiving one that is going to deceive the whole world right there, that is the shuck and those things.

And when you come to Revelation 13, is not anything you read other than the Pentecostal movement. Because she and all them other denominations is going to... But the others, they are becoming Pentecostals, or are becoming like the Pentecostal through the Ecumenical move, through the charismatic movement. The Catholics never use to talk about speaking in tongues. The Baptist never knew about speaking in tongues, getting filled with the Holy Spirit. The Presbyterians was never seeking the Spirit. Were they? No. That is why he called them the foolish virgin. They were trying to buy oil.

They are talking about being in the Spirit now, because they saw these Pentecostal with the gift of the Spirit. That is why they sing about the blood. In the Charismatic movement, they sing about the blood. All those cold Methodist, everybody is now singing and they are clapping their hands. Why? What it is? They are trying to get some spiritual life and different things. As if they are getting in the Spirit. They try to be like the Pentecostals, because it is a way to keep their flock, but it's not the Spirit.

And he deceiveth them that dwell on the earth by the means of those miracles which he had power to do in the sight of the beast;

Who did the most miracles out of the nine hundred and sixty nine different denominations? The Pentecostals.

... saying to them that dwell on the earth, that they should make an image to the beast, which had the wound by a sword, and did live.

And now watch how this thing is coming. This beast that came out of the earth, is saying to them that dwell on the earth, that they should make an image to the beast, that had the wound by a sword and did live.

And friends, you watch, you will see, America is going to play a real great big part, in these last days. Because Revelation 13, the United States of America, is out of there is going to come a squeeze, to force. It's out of America. He said, out of this nation, this America, Revelation 13. Because it started with thirteen colonies, when they had Independence 1776, 4th July. They had thirteen colonies; they had thirteen stripes and thirteen stars in their flag. Is that right? Exactly. And he said, they are found in the thirteenth chapter of the book of Revelation. When the Pope went there he made thirteen steps; served thirteen people communion and all these thing. Exactly where they fit in the prophecy, in the Bible. Exactly.

Now let's go on a little bit, verse 15

And he had power to give life unto the image of the beast, that the image of the beast should both speak, and cause that as many as would not worship the image of the beast should be killed.

And this whole chapter is dealing with worship. You take it from verse 4 coming right down. The whole world worshiped, the whole world wondered. All that dwell on the earth shall worship this one. Now those whose names that are not in the Book will worship them. This beast will cause the whole earth to worship this first beast.

Now he is saying those who don't worship that first beast would be killed. Did he say it is already in writing in this nation? They have it in the Constitution there, just waiting to bring that

out. He's talking about United States of America, Revelation 13. Out of that nation is going to come those things.

Remember all these denomination they have down here, their headquarters is just up there you know. Their headquarters is up there. This is just a branch; this is like an outlet. We just fall into a sphere where that power rules. That is why the whole Caribbean is being taken. The Caribbean Basin Initiative, Organization of American States (the OAS) is taking all these here. All of them go up out there, to the White House, when they want help. That is where they go. They don't go out of Latin America or in Asia or somewhere out there for help. They go up to the White House, because they are in the hemisphere where that power rules.

Any aid or anything; if they say here is going to be developed. They are going to get people from there, to come in here, and open up industries, open up businesses, and generate some money here. Our money is tied to the US dollar. Exactly. Because if God has nations like Egypt, Syria, Iraq, Iran and Libya spoken of in the Bible here. And the United States rule the world, you mean God can't have the United States in the Bible? You understand what I am saying? They are leading the world in the day when the Bible is being revealed, in the day when all the prophecies are coming to pass. When she has drunken the whole world with Hollywood and has polluted the whole world. When with her science has devastated all cultures. When CNN wire the whole world. After all? When that is the only one that will stand for Israel.

Listen carefully. Where is Wall Street? Where is all the money that Rome is going to get tied up with? Do you think is money back there? It is the Jews on Wall Street?

So America is right here in the Bible, in the last days, because she is a nation God raised up for freedom of religion. There was not a nation upon the face of the earth... Now notice when that beast rose up it had ten heads and the ten heads had horns and all these different things on it. Right? But when this beast rose up, with two little horns, it never said that it had a crown on any horn or any thing. Did it say that?

This beast had horns too, but it had no crown on its head, it had no dictatorship, it had no sovereign king or anything. It was raised on up for freedom of religion; it was democracy. It was a whole new type of society coming forth, that the world didn't know

about. Because every place had their monarchy; every place had their different dynasty; they had their different things.

But when they fled there, they rose up there and the power was in the hands of the people, they decided who they want to elect, who they want to put in there. Is that right? Sure. You know history. You are going to see the Bible proves it there.

I don't have time to spend on that tonight so I'm just making some of these comments and as we go along it can help you see how it lays here in the Bible.

And he had power to give life unto the image of the beast, that the image of the beast should both speak, and cause that as many as would not worship the image of the beast should be killed.

So there is going to be people who will die and have to give their life because of a refusal to worship that false system, when it is uncovered by the Word and shown to be antichrist. And that is why, in the last days, God has opened up this Message that His people might be called out from these systems that is anti-word.

You could show them in the Bible and they wouldn't accept the Bible. Do you know why? "Our church don't believe it that way," and they hold on to some historical thing for hundred of years, and they say we will not change. They say, "We will not teach anything different than what is in our church manual."

Well, God have to leave them. Why? Because they would not move on in the light. Many would have to die. You see it right in the Bible, verse 15 showing he will control all religions. He will kill those who don't worship that beast.

And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, of in their foreheads:

And that no man might buy or sell,

Commerce, trade.

... except he that had the mark, or the name of the beast, or the number of his name.

Here is wisdom. Let him that hath understanding count the number of the beast: for it is the number of a man;

It is the number of a what?

... and his number is Six hundred three score
and six

And that is the number of that man became Vicarius Filii Dei. Roman numerals; you put it down. V being 5, I being 1. C being 100. And you bring it down like that and you count it, it is six hundred and sixty-six. Where a man is sitting down right there, forgiving sins, sitting in the temple like he is God, forgiving sins on earth. Is that right?

A man who could stop any war or start any war. With one billion Catholics who believe he is infallible. If he say no war, no Catholic will pick up arms. Brother what kind of armies you are going to have to fight with? Controlling all the business and all these things.

Now watch something here now. So watch what the Bible is prophesying. When I hit Daniel... I am taking this way to go to Daniel, to prove to you how the covenant is the money proposition. We accept it but the Bible never said it was a covenant for money. But I am going to show you where he infers it and where it proves it.

They even asked Brother Branham that there. He was making the statement and then they came and asked him on the Question and Answer on the Seals. "Where in the scriptures shows that Catholicism will deceive the Jews and get their wealth? He said, now where does it say the beast will deceive for the wealth? It doesn't say that.

If you meet a denominational person and you say, Rome and the Jews will make a covenant for money and so and so and so. And they say, "What part of the Bible says that?" If you don't know what you are talking about, you can't even show them a scripture. But it's in the Bible; it's in the scripture. The scripture does show it. But it doesn't say it like that. That is why I am taking it this way to prove to you.

This one in the scripture here is going to control all politics. We see that already. Revelation 13 verses 4 and 7, he's going to control all religion. Revelation 13 verses 8 and 15, we see that he is going to control all economics. For the Bible says, you can't buy or sell. No nation, no kindred, no tongue, no nothing, no company; you can't buy or sell.

Now if we are living in the last days, the end time, where is there such a power controlling, or is getting a hold of trade? Or is controlling religion? Or is controlling all governments? Where in the Bible are we seeing that? And where in the world today, can we look and see that? Or does it exist? Or are we believing or assuming it is there? Or we are maybe, not understanding what is happening in the world today, to see how the scripture is being fulfilled? We can't just want to hope it there, you know. We don't want to say it is there and maybe can't see it there, you know. If the Bible say it is there then it's there. There must be a way to see it.

If we are living in the end time and we say we so close to that last... the Gentile time is about over and that time is going to start, then there must be evidence around us. There must be things happening, but maybe because we don't know the scripture so we couldn't say, "Look it's coming in here, look it's coming in here, look it's coming in here." But that Fourth Seal says, he's riding a pale horse. He rode a white horse, he rode a red horse, he rode a black horse but he's riding a pale horse. And it meant that all three was being mixed. It was being united together.

Then it means there is a uniting going on right now. There is a uniting right now in the Caribbean. What for? Because they have nothing else to do? They have to do it because the world is changing. It is a new world society coming in. They are uniting Europe. They are bringing in new trade zones from Anchorage all the way down in Tierra del Fuego.

Look, a couple of the ministers in the message are Custom Officers. They even had to go out there recently on a course, and they explained how they had to go and learn all these new tariffs and these things that is coming in. Why? Because Europe being united.

And, while the brothers were explaining how they went on the course, I was just, you know, smiling in my heart because, I was looking at how the Holy Spirit, for months and months, lay those things inside and prove those things, and show those things, what is coming. See? And to see those things coming in or everything is being changed.

I even made a little humor with one of the brothers because they came back to train the other Custom Officers. I said, "Man

you really come back to work for the beast. To train people to implement the beast system here in full effect.” He said, no, he is just doing a secret service work. He is going to jump off when the right time comes. Praise God. So it just shows. I said, people are talking about Trinidad having better conditions because of that war that is rising in the Gulf; that they want to get ready for.

It means to say we who have less than one percent export in oil and yet what is happening quite there in that Eastern Hemisphere, and we are quite down here, seeing better days because of that. The whole world is tied together. Europe being united yet they have to go and learn all those new tariffs and all these different things, because they have to revolutionize the whole system in the Caribbean.

And now they are talking about one Caribbean currency, one Caribbean state, one Caribbean passport, just like what they are doing in Europe. But when you do that, what are you doing? You are calling in the paper. The prophet said they would call in the paper and destroy the present day money system. See?

But they don't say 'Bring in your money, bring in your money, your money isn't good.' No, it is a new system and it is all for trade and for commerce. See? Same in this computer age, you could stay here and they could show you how money is going around the world. See? Electronic banking. And it is a whole revolution the world's financial system is going through. See? Going through great shakings.

And then they asked him, “Where does it say that, that is going to happen.” He said, it doesn't say that, we are presuming. Now the other night, you looked at the tape real close. I never said that they would do. I said the Catholics are the richest group in the world. Nobody likes them. But the Bible said, Revelation 17, she was decked with gold and all these different things. Revelation 18 shows her controlling the world trade and commerce.

Anybody could read Revelation 18 with understanding. You see where she owns all the motor car industry. You see where she owns the slave market. The slave market? Look at the World Cup that went here recently. Where they said, it is the slave market just like in the Roman days.

They are buying players and they are selling players. The players can't break their contract if they want to break their

contract. This player is worth thirteen million; this other player is worth eight million. And he has to go through but he is unhappy.

He leaves his country, like they have this man Maradonna, he left his country down there and he went to play in Italy. He is own by a Club. He is trying to leave and he can't leave. He is unhappy but he has to stay there until that contract is expired because he is own by the club. They are bought and paid for. Sure.

They tell you when you could be free and when you can't be free, when you need to be here, when you need to stay here; and when you can't make a move. It is a slave. Why? They are the people providing entertainment for the world.

They have people putting on these great big tournaments, so they have there the stable of players. They have the trainers to train them, like they trained the Gladiators back there in the Roman arena and these things. Then they put them out on the great day of entertainment and they have the whole world linked up by satellite networks; which they own also. Sure, you see the age. You see what is happening. You look through the prophetic eyes when this Bible is open and we see that we are really in the Roman Empire.

That this fourth empire never went out of existence, amen. The only thing to put it out of existence is when the stone comes from heaven to smite the whole thing in the feet. Is that right? That kingdom is going to remain there until that stone comes. Exactly. Amen. So he was telling them, look. He wanted to show them. They asked him the question. Because the people like the scriptures. They heard him saying it: how the Jews and they are going to make a covenant. Because every teacher knows that. In the part of the week there is going to be a covenant between Jews and Rome. The people of the prince that shall come.

And we took how Daniel had known the identity of the three beast, but he never knew the identity of the fourth. And the Jews never knew it either. They had no revelation. If the Jews had known who the people of the prince was, they were going to know that who Messiah was. But because they didn't know who he was. They didn't know who Messiah was. And when the sanctuary was destroyed with a flood, we knew right then from the Bible, who the fourth kingdom was, out of which nation, out of which power it was going to come. And we could identify that power beyond a shadow of a doubt, to know that's the Roman power. Because it

was Rome that destroyed the sanctuary in A.D. 70 and scattered the Jews into all the world. It was Rome that killed Jesus back there.

And it is the same Roman power, which was a political power. Pagan Rome is papal Rome today. It was dying as a political empire but in A.D. 325, in the Nicene Council, under Constantine what happened? They embraced Christianity. And the ones that killed sixty-eight million now embraced the religions that they were persecuting and came as the mother religion. Is that right? Sure. That is the Bible. They took the very religion of the ones that they were persecuting. Because out of them came every denomination. It had no Protestants yet. Amen. Sure.

And then here today, we see when that black horse was riding in that Third Seal, in that Dark Age, they were capturing the wealth of the world. All these novena that they were paying for, paying money for people to get people out of purgatory, burning a candle, doing all these different mass and these things; they were capturing the wealth of the world. The history book tells you that- the sales of indulgences. What, do you think that they hid the money somewhere? No.

Brother they hold the gold; they hold the jewelry, all the treasures, everything is right there in the Vatican. Brother, when they used Hitler and they, Stalin and they, Mussolini and they; they were using them and capturing the wealth, conquering the other nation and taking their wealth and bringing it into the Vatican.

Today every nation bows to that system. All the great leaders, even the very Queen of England went in a black dress and bow down there and kissed that ring. Even the President of the United States went there. Is that right? Even the eastern nations went. Even the leader of Russia, after seventy years of stifling and stumping of the Catholic Church, he came right back there, and went and call the Pope "his holiness." Exactly right. He went and did it? And the world looks at it but they wonder. They wonder and they ask why but they can't answer why.

And up till now, he hasn't made one statement in this whole Gulf crisis. Up till now, not one statement. The man who they want to give the title prince of peace. The man who want peace. Oh, he's playing his cards right. He's playing for something bigger. Amen. Because you see that oil weapon to them is what they want.

Brother, who ever get control of that oil... If they lay a siege on Trinidad for our oil and lay a siege on Venezuela for their oil, that wouldn't do the world anything, you know.

There is nothing to replace the Persian Gulf. There is no other kind of power, no other kind of energy, no other nation, nothing they could do to replace that Persian Gulf. The industrialized nations of the world run on that oil there. And that is why, even though Kuwait is so small, and had once belonged to Iraq, and though they had evidence that the people was slant drilling Iraq's oil, and they only retaliated, yet they don't want the oil in the hands of a mad man, who they feel could lay the whole world at his feet, if he has that power and especially if he gets nuclear power in a couple years.

So you have all the nations of the world, they rush right in and strangle that man and make him surrender and give up that place. See? But it's only a trick. As I say there is another agenda and there is another invasion. The invasion that is changing the world is not the invasion of Kuwait. It's the invasion of Saudi Arabia. You mark my word, one of these days you would say that, that is the truth. They are talking about the invasion of Kuwait, but it's the invasion of Saudi Arabia that has already gone through great changes. They already have a cultural revolution going on right now. And let me tell you, that is what binds the people together-the religion. They even have some US soldiers going there and even becoming Muslims too. Sure. They get right in there and begin to teach them their Sciences. Yes, all their science of war.

Just like the power that subdue the other power, all where extend their influence, by teaching them their language, teaching them their sciences and with the interaction of nations, after they spend time together. You take two families and you put them together, eventually they pick up a lot of things the other one have. They pick up certain things about their life style. They pick up certain about their language. They pick up certain expressions that they have different things right away.

And then let me tell you, a nation like America, who likes to Americanize everything they put their hands on, because they have that kind of spirit; they are the leaders. They go there and they get every body wearing Levi's, they get every body wearing this, they

get every body wearing tube and get every body combing their hair a certain way, they get everybody using American products.

And that whole region with all the women that they carry inside of there and those women with their big veil over their face, and different things. You know they can't even drive a motor car, they can't even do this, they can't go out in certain place, and they can't hold a job in public office. And they see these American women in there in their T. shirt, and their shorts, with a big sub-machine gun over their shoulder, driving tank and jeep all over the place. What you think is happening there? Brother, it start to put a pressure, it begin to change their culture and then CNN and all these things there, that they beam in inside of there.

You have about over two hundred thousand people inside of there. That's a whole city, the population of a whole city you are talking about inside of there. And for them, they have to open up certain trade and different things and bring in all their American product inside of there, as long as they are going to stay there, and they don't intend to leave that region.

You see, something is happening. It's happening right before the eyes of people, but it is done so subtly, every time that they have their eyes on the wrong things, while something else is happening. Diversion, smoke screen they call it. See? They hold their minds under control. That is exactly what is happening right there.

And brother, in the end, Rome is going to control those things, you watch and see. Because how could she control the whole world, if she doesn't get a strategic position to have influence of that oil. Because that is the power that would break many nations, especially nations that would be different to her and her policies. Because many people right now they follow United States but they don't know the power behind the United States. But Jezebel was the one behind Ahab. Is that right?

Ahab was supposed to be a Christian, he was backslidden and it was when he married in with Jezebel. It looked like one woman. It didn't look like much, but subtly she was taking over the nation, strategically. Those temples were going up in place just where she needed it to go up. Certain leaders who was powerful and too powerful and commanded influence, was being killed, so she could put the right movements and have influence, under her power.

She doesn't have to fight up with the small ones. The small ones have to dance to whatever music, once she gets the big ones. And when she crippled the big ones, she broke their power right away. Yes sir.

And you watch and see. Which Denomination outside there is preaching against Catholicism? Is preaching against the beast and the mark of the beast, and preaching against all these things, and the wrath of God and fire and brimstone and the plagues and Vials that is to be poured out in this generation? Which one of them is preaching about it? None is preaching about it.

Yet, those things are going to come on this generation. Yet, the greatest punishment recorded in this entire Bible was in that third angel message, upon people who worship the beast and worship the image and have the mark of the beast. Yet, we see it in the Bible right here, that the whole world will worship that thing, and yet they are trying to unite the whole world and all the churches of the world. So if they unite the whole world and that is right, which the whole world God is talking about that is going to worship the beast. A next world somewhere? It is the same world. Amen.

But we need to wake up and see that God is shining the light to pull His elected and edify them and purify them and separate them from all them unclean things, these prostitutes, these immoral women, churches. Revelation 14 speaks about the one hundred and forty four thousand, and these are eunuchs and didn't defile themselves with women. Is that right?

He said, what woman that is? Churches, denominations, whores who polluted themselves. But these stayed pure; they didn't tamper in with churches, with their false doctrine and drunken with all kinds of wine of fornication, with false teaching and all these things. No. They kept themselves pure. That is why there were seven thousand that didn't bow down and Elijah called them out in the evening time. Exactly. You look back and forth in the Bible, you will see it is so plain.

Okay. I want to make a jump. I'm finish reading that. Okay, turn with me in Daniel. I have to close. I want to close there, so I could give it to you to study. Daniel 9, we want to get 26. 9:26.

Oh my, I tell you the hour that we are living in now, how we need to know these things. It's happening right before our eyes and may we see it. That is why people miss revelation. You learn this

Word here, but you don't see it happening around you. So you are talking and you are rejoicing over the Word and you miss it happening right around you. See? And it is creeping up, it is creeping up, and it is coming in. That is how we know it is the end time.

Daniel 9:26. Notice I'm closing out with this.

*And after threescore and two weeks shall
Messiah be cut off, but not for himself:*

That was AD 33. Whatever date you want. It is still right. But we know he was cut off at the age of thirty-three. That one is right. Amen.

...but not for himself...

It was a sacrifice.

...and the people of the prince that shall come...

Now notice we took that back and forth, verse 25 talks about Messiah Prince but this is another prince.

...but people of the prince that shall come...

Are you reading that right?

...the people of the prince that shall come...

Not the people that shall come of the prince.

...the people of the prince that shall come...

The prince that shall come is the one who He was showing to Daniel all the time, in chapter 7 and chapter 8, that little horn.

... shall destroy the city...

Not the prince shall destroy the city. The people shall destroy the city. The people of the prince that shall come. But I want to show you, when the coming of that prince is. That is what I want to get, and when the covenant is, and what the covenant is.

*...shall destroy the city and the sanctuary; and
the end thereof shall be with a flood,*

That was A.D. 70. History has it A.D. 70. And Titus, that Roman General, destroyed the sanctuary and scattered the Jews into all the world. And Jesus predicted they would fall by the edge of the sword and be lead captive into all nations, St Luke 21 verse 24.

*...and unto the end of the war desolation are
determined.*

*And he shall confirm the covenant with many
for one week:*

Now right here is where people get a little confused. We have seven weeks, we have sixty-two weeks and we have one week. That is seventy weeks. But you see this one-week is not saying that God, has one week there for the Jews. It's saying, the prince that shall come will make a covenant for one week. In other words, he will make a covenant for seven years but he will break it. That is what it says.

... and in the midst of the week he shall cause the sacrifice and the oblation to cease, and for the overspreading of abominations he shall make it desolate, even until the consummation and that determined shall be poured out upon the desolate.

As I told you, if your Bible has desolate, it is really desolator. The one who has been bringing in all these other desolations that we have been talking about. Which is that same Roman power.

Okay, let me make a few comments here and close. We are going to pick it up on Sunday and strike it real good.

There are two princes here but it speaks of one making a covenant. And we will pick up and see how both of these princes coming, both of them was to make a covenant with Israel. Israel rejected the first covenant that the first Prince came with, which was Christ- Messiah Prince. He made a covenant, but they rejected it, they didn't recognize it. We are going to pick it up. You could read... I could quote the scripture for you; you read it when you go home. Malachi 3 speaks about it, verse 1 and 2, and Hebrews 8 and 9 speaks about it also.

But in the midst of the week, this last week, look what happens. When he makes that covenant for one week, he breaks that covenant. He causes the sacrifice and the oblation to cease. And I told you if, I mentioned it; I don't know how many of you caught it the last time when I was speaking there, on Chapter 8. I read that, and I showed you, I mentioned to you that it says he will cause the sacrifice and the oblation to cease.

And I told you Israel is in the homeland. They have their money, they are a nation, they have their army and they have Jerusalem as their capital, all these things. But they don't have a temple. They pray at the Wailing Wall and they don't have a sacrifice. They don't offer any sacrifice. But this here tells us there is going to be that temple worship come back, because when they

cause the sacrifice and the oblation to cease in the midst of the week. It means it has to be there. All right?

Now, our question is, when that temple is going to be built? The prophet said, "I caught it fresh." I read the quote for you last week Sunday when I preached on the temple. He said, "I caught it fresh. When that temple is rebuilt the church will be taken away."

It doesn't say that he is saying the church will see the temple but it is possible. I read to you where they already have the corner stone and they want to lay it. They already have the instruments being made, and they are already teaching people to take up the role of priest.

But one of the thing is, it is not clear here, that is why it puts us to watch and to see. Because it could be given back to them and it could be built within that three and a half years and then it's broken. It wouldn't take them even a year to build that temple. All the preparations are already made is just to get the site and build it, and re-institute the worship.

But watch something. It could start, or it could be done in the first three and a half years, because they could build that temple and set up that worship and then he breaks that covenant after three and a half years, and causes the sacrifice to cease. It doesn't say how long they will be sacrificing. You understand what I am saying? So that's what I am telling you.

When it's going to be built? We know it is going to be built. We know it is going to be re-instituted. And we know it is going to stop after three and a half years. It will not exceed that because the abomination that maketh desolate will be set up when the sacrifice is moved.

In other words, instead of a sacrifice being offered there, they will have the man of sin sitting down there, showing that he is God. Why do you need a sacrifice there when God Himself is there? Friends, let me tell you, that there, what we are getting there to, I don't know if you picked it up already, but we are going right back to Isaiah 14. We are going right back to all those seven trumpet messages; all back there because, that is the fulfillment of 'I will be worshiped as God.'

That will be what he tried to do through Cain, that is what he tried to do through Nimrod, that is what he tried to do down through the Old Testament with Jeroboam and all of them. That he

will finally come and have the whole world worshipping him. Satan always wanted worship. The man of sin, the devil incarnate himself, sitting down there, being worshiped as God, ignorantly.

On the message 'The God Of This Evil Age,' he said, look at them worshipping the devil ignorantly, holding on to a creed, holding on to a dogma, and he is exalting himself with seminary education, above the Word of God. The vindicated Word, the vindicated message that God is vindicating and showing that this is the truth. When you hold on to a creed after God vindicate His Word and prove that is the Bible truth, you are worshipping the devil whether you want to call it God. Sure.

That is why when a man comes out of Denomination he has to repent. Just like when a man comes out of a whorehouse, just like a man drinking rum and smoking cigarettes in the world. The man that comes out of denomination is the same way because he has defiled himself with prostitutes- spiritual fornication. Exactly right. It is the same.

That is why Revelation 3 said what? "Be zealous and repent." Sure. Because we were supporting systems in the world that was not of God and calling it God, because while we were in those system, supporting that the word was already vindicated, the Book was already opened. It is not that when we came out, that God now started to move. God was always there. Exactly right. It is one of the things that many times people fail to understand. See, we only think of sinners being immoral. Sin is unbelief. Unbelief in God's Word. He that believeth not is condemned already. See?

The Bible said, God gave them a strong delusion to believe the lie, because they have pleasure in unrighteousness, lovers of pleasure, more than lovers of God. What is the unrighteousness? He is talking about religious people; he's not talking about the world there. He is talking about the church, who is worshipping this man of sin. This man of sin is showing them that he is God. He's calling down fire from heaven; he is doing miracles. Oh, they want miracles. The people want to see little phenomena. They want lights, they want feelings and they are going to get plenty of it. Sure.

Brother, when they begin to see those things, you watch and see, by failing to see the truth, failing to see the word is where so many are going to be deceived. That covenant, he shall confirm the

covenant with many for one week. I don't have the time, I have to stop, I will pick it up on Sunday, but you read in Daniel 7 and 8; because we have to go back there and you will see where he will cause craft to prosper and by his policy, he will destroy many.

You see where he is going to control all. You can't buy or sell. That is where, in other words, his power is going to lie. So right away we are seeing, it is because of economics, he will have total control of the world. Why can he control the nations? Why are the kings of the earth giving their power to him today? Why, when you have Christian nations or Protestants nations believing Christianity and supporting a Roman Catholic system. Why? They are going to the Vatican and bowing to a Pope. Why?

Why did the President of Russia meet the President of United States and shake hands at the same table and then go to Rome and bow to the Pope. Why didn't he bow to the United States instead of bowing to the Pope? Which is more powerful? Why does the Queen, when she goes to the States there, gets the biggest of every thing and when she goes to the Vatican she goes in a black dress and bows? Why? See. It shows you where power is, it shows you where power is.

And they gave their power and their strength... And we are going to take it up and show you how it is economics. And that is what the Jews have today. They have all the stocks and bonds. Wall Street is controlled by the Jews.

Remember way back, years ago I preached there and showed you the money proposition. How that money proposition, what it is going to be and how it is going to come in and with the squeeze and these things. And now here in the Book, you are going to see how that prince comes in the time of that money proposition, that prince comes in the time when the Jews and Rome will make a covenant.

Gabriel told Daniel, that little horn is going to come. When? In the latter time Daniel, in the last days, the vision to the end. That little horn is going to come up in the days after the ten horns. After the ten horns came up another little horn.

Now we find out the latter time, the last days, is the seventieth week. Do you see that there? It is the seventieth week. And we proved sixty-nine and a half is run out already, so we see the latter time. We see the time he is coming. We see this one that is coming

how the world right now is ripe and ready for one, who is going to have such a great economic policy, one who is going to bring world peace, one who is going to unite all the nations.

We see with communism being destroyed and all these democratic nations with economics, strain themselves and the whole world is falling apart, socially, politically, economically and everything, is just the time, for a man to rise on the scene as a new world order is coming in. And they are going into another two thousand years, in the last decade they are looking for leadership. The whole world is looking for leadership.

They say every one wanted a messiah, everyone wanted a great man to rise in the scene. And God has shown in the last days... Paul preached about it, there is going to be one who is going to rise. And all these things, we are watching how it is coming in.

I want you to see as we take these things in the Old Testament and bring it. But I have some things; I will have to wait until Sunday to show you the daily sacrifice and the oblation. Every time that one comes, is going to be... Daniel 8, says, he will cast down the sanctuary and the daily sacrifice shall be taken away. Daniel 9:27 said he will cause it to cease. Daniel 12 says the daily sacrifice shall be taken away, and the abomination shall be set up. Daniel 8 says the daily sacrifice and the transgression of desolations. Always.

And it's going to happen right in that time. When he traps the Jews and gets their money tied up, he's going to change the money. And that is how he is going to take full control because the whole plan is to trap them by getting them to tie up their money with Rome. Remember it is for economic prosperity, right now some the economic aid that Israel is getting, since they come back as nation, is from America.

Let me tell you, they are already receiving Jezebel's money and don't even know it. They have be backed and supported by all her fighter planes, all these different things that they have there. The billions of dollars in debt that they owe and they were asking, "Why you don't cancel our debt like you want to cancel Egypt's debt and Syria's debt. Why you don't cancel ours, we are your allies in this region all these years." Their money is already tied up in many different ways. But we are going to see how these things come out.

Friends, let me tell you, if we can see the grace of God that is come to us. The prophet said these Seven Seals have to be open up to us otherwise we sit down there and look at these things happening, coming creeping in right in... We are hearing the Prime Minister talking about these things; we hear people already going into little tremors: the budget is coming just now, the budget, the budget.

Let me tell you, I was telling the brothers, I said, God provides for His people always. And the greatest blessings that God's people ever had, and the things that they enjoyed were in times of economic depression. That is the time they ate. When the king of Israel was hunting grass for his animal; the widow was eating out of that barrel and out of that cruise continually, contented with three full square meals a day. Sure, exactly.

When people was under Roman oppression and economic depression back there; Jesus was breaking and multiplying bread and fish for them on the hill side because they had left the organization to follow that Word. Exactly right. When they was in the midst of the desert out there no nation wanted them. Amalek said, "You can't pass through here with those cattle." That God even swore He would destroy Amalek from under the heaven because they wouldn't let them pass through.

Balak brought Balaam to curse them because he didn't want them to pass through either. He said they were going to eat up every thing if they were going to come through there. Yet God fed them in the wilderness. Water come down - He said, I see a man draw a picture with a little trickle, the man must be crazy. He said, that was water to water two million people and then sheep, oxen, cattle and everything else was watered right through there.

You don't be afraid. You look for some of your greatest blessings right here in this hour. Financial blessings, material blessings, I'm talking about everything, right here in this hour, you look for it. Peter fished all night right in that same water and put his net right back in the same water and it brought out so much fish he had to call the others to come around and help him pull it in. It had for every body, not for himself alone, but for all who was in that lake and didn't get anything either. They had enough to share and put away for another day. So you watch and see, He is going to take care of us every step of the way.

All these things are coming in friends, but as we see it, it is only to give us a consolation, that the One who has come down amongst us is leading us out. The One who is showing us these things, who is preparing and getting us ready, has already made a provision for us. Let us pray tonight.

Oh gracious God, we could stay here on and on but the people have responsibilities. We have to go to our homes, we have children to send to school, different ones have to pick up their jobs tomorrow morning, Lord, we have our business to transact, Lord, we have many different things to do, but the few moments that we could come and sit together as a body of believers, in fellowship around the Word. The modern events being made clear by the vindicated prophecy, these things in this book of Daniel that was written there, that was sealed up, could not be understood, it was probed at by many great learned, scholars down through the years. But here in this hour little insignificant, uneducated, illiterate people like us, Lord, coming up to see these things and to understand these great deep secret truths. Lord, how wonderful are thy works.

Lord God, You can take these things and make it so plain and so simple that we could look in here and see the modern events, we could see where we are standing. We could see the position of the nations, we could see the position of the church, we could see the position of the world, we could see the position of the Jews, and we could see how the scriptures unfold right down to this present hour. We could look at our personal experience, individually, as a group of believers, as a church, oh God, it all accumulates to reveal the spiritual application of the hour in which we are living in. We know, Lord, that the Word is being fulfilled, as your prophet said; with such rapidity, only the born again Christian could really keep up with it.

I pray tonight that the Holy Spirit, Gabriel, as He came to Daniel and gave him understanding and so You said the spirit of truth will come to us. We believe You are here, we believe You are giving us skill, we believe You are giving us understanding.

I pray, Lord God, that it will get greater and greater in our hearts, in our lives, where it could cause the Word to be made so plain and so clearly understood, dear God, that faith could be so inspired in the hearts of Your children. Husbands could teach their

wives, fathers could teach their families, each one edifying each other as we get together talking about the Word, Lord God, seeing the things coming, ministering grace to the hearers, giving every man a reason of the hope that is inside of us.

Oh God, not forsaking the assembling of ourselves, much more as we see the day approaching. Committing these things to faithful men that they might teach others, provoking one another to good works. Oh God, may we be so on fire; may we be so vibrant, may we be so filled, Lord God, with these things. As Your Holy Spirit is pouring it out night after night. Lord, let it become real, let it become personalize, let it become such a rock that we are establish upon, let it become a refuge, that we are entered into, Lord, and anchored in Lord. Oh God let it be Father. Let it be tonight Lord.

That this could bring such stimulation in our souls. Dear God as we see all these things Lord, showing us and pointing that the end of all things is at hand. Then day by day, oh God, as we rise up early in the morning, may we live with such a purpose in our hearts, Lord, as though You are coming today, to live everyday, Lord, as though You are coming today. Lord, may each day, we say in our hearts, "Lord, let me live today as though You are coming today. Let me live closer to You today, than I did yesterday." Oh God, with that kind of attitude, watching and praying, looking above, filled with His goodness, lost in His love.

Oh God, help us Lord, that we could help somebody as we go along, that our living shall not be in vain. Let our light shine, let men see our good work and glorify the Father. Whether it is in the office, whether out in the streets, in the neighbourhood, wherever we go, in the house of God, when we meet someone, Father, that life could thunder out with such sweetness and purity, in holiness oh God, lived voices shaking the devil, Lord. Let the world see a sign, a super sign, written epistles read of all men, Lord. Oh God, may You grant it Lord.

Cause us, Lord, to meet those elected ones on the outside, if there are ones and twos still laying there to be brought into the fold. Cause them to cross paths with believers, where the Word could be proclaimed, where the Word could be testified Lord. Oh God, like Philip told Nathaniel, "Come and see. Isn't this the Messiah?" Like the woman at the well, she said, "Come and see

isn't this the Christ who told me all things. Oh my God, let us be on fire like that Lord.

He said, he that believeth on Me, as the scripture saith, out of his inner most being shall flow rivers of living water. Let there be men and women, like He told the woman at the well, "If you drink at this water you shall never thirst again. There shall be a well of everlasting life springing up inside of you. You will no longer worship in Jerusalem or in this mountain, but worship the Father in spirit and truth."

Oh my God, that is the kind of believers we want to see in this hour Lord. To see a church like that to see men and women filled with the Spirit, their lamps trimmed and clear, oh God, filled with Oil. Men and women, Lord, with they eyes anointed with eye salve, with white raiment, gold tried in the fire, oh God, walking holy, holy, holy unto the Lord. Let us see a church like that, Father.

As the prophet saw that little group marching onward Christian soldiers, unspotted by the world and marching to the rhythm of the Gospel. Oh God, that is what You promise in this hour. That is what the Word will create in the hearts of the people. That is Your people who have been formed in Your image and Your likeness. You promised to beautify the meek with this kind of salvation. Oh God, may we love the truth tonight, and may we receive the love of the truth, Lord, that we would not be taken up by the strong delusion. But, Lord, we will grow up in to that perfect faith; we will stand there thoroughly furnished unto all good works.

Oh God, grant it I pray tonight, Father. Praying for this group of believers here, this little station, Lord, where people come to watch, to wait, to pray, to gather and worship You together, Lord. Oh God, many have come through many hard times down through these years, many have sacrifice and they have laboured. Oh God, many have had to separate from all kind of situations to come, many have laboured under hard times, not being able to have the comforts of this life, not even to have a good roof over their heads, oh God, or a steady job, a steady income. They find themselves with children, pressured by doctors, oh God, wanting husbands to tie up their wives wombs and all kind of things, putting all kind of pressures. Psychological pressure in the school, with the children being ridiculed and humiliated, oh God, and having to bear these things, Father. Serving You day and night not complaining but

holding fast Your Word, trusting You to lead them and to guide them.

I pray tonight that the Spirit will give them a surge of the Holy Ghost. I pray that the Holy Ghost will come down even in a greater way, dear God. They have been waiting upon You, that they will mount up on the wings of an eagle, oh God. You will give them, Father, full press down and running over in this hour.

I pray, dear God, as they have shown their contentment, as they have shown their faith, as they have shown their obedience, may You grant unto them tonight, their heart's desire. Even we, as a people, as a body, dear God, trying to build this house and proclaim Your truth, that we might serve You in a greater way, that we might give better witness to the message, that we might be able to assist the people into a closer walk, to see a more integrated atmosphere amongst us. Lord, we are desiring to see these things.

We know, Lord, in this great time of economic crisis but we don't look to that. We see You made Israel cross the Jordan when it was overflowing its bank, Lord God, in the hardest time. We see You brought Israel through the wilderness, oh God. You fed them; You did not forget them. We know You are still that same Jehovah Jireh tonight. We know You are more than able to supply our every need. We know, dear God, nothing is too hard for the Lord.

You told Abraham, when Sarah was fretting, when the cattlemen was having strife and contention, when the Philistines were stopping up the wells, oh God, when in the heat of the day he was sitting in the tent door, waiting for a visitation Lord, waiting for You to come on the scene and when You came, You said, "Is there anything too hard for the Lord. I know Abraham; I reveal these things to him. He will train his children they will walk in the way of the Lord."

Oh my God, isn't this the anti-type? Isn't this the same kind of people? Isn't this Abraham's royal seed here, Father? Oh God, we know that they are. You know it and I know, Lord. Oh God and they are standing here believing You tonight.

I pray, Lord, this is the hour, there will be such deliverance in Zion, and there will be such deliverance in this church, in this assembly. Lord God, young men, young women will receive the Baptism of Fire. Hallelujah. Homes will be revolutionized. The powers of the devil will be broken; all kinds of spirit and strife will

be cast out from among the people, the little ones will be taught of God, the Holy Spirit will come upon them, Lord.

They will have such a desire and a hunger. It will be such an inspiration to the people, even to see the little toddlers coming there singing the songs of praise. Oh God, until the entire assembly is so caught away in the Spirit. Until there is such a love among the people, like it was when the prophet saw them beyond the curtain of time.

He said, that's the way it will be before we are caught up, one of these days. When iniquity shall abound the love of many shall wax cold but among the believers there will be that kind of love.

Oh my God, I pray tonight may Your Holy Spirit, Lord, through the Word and the ministry of the Word, may Your Spirit come behind and give witness. Oh God, give deliverance, give a lift, give confirmation. Give a help of faith, and cause the people, oh God, to walk closer, to rise in a higher realm, to come into a greater faith, to live by a greater inspiration, to live with greater courage, to live with a greater assurance and blessing and consolation in their hearts. Lord, take away all fears and doubts. Let them not be discourage, Jesus.

I pray that they will stand knowing that, Lord God, they truly cast all their cares upon You, believing that You careth for them. Lord God, to show that they care for Your Word. You care to confirm, and vindicate and fulfill Your Word in their hearts and lives.

May You grant it, oh Lord, may You grant it tonight. We thank You for Your presence. We thank You for Your Word, we thank You for Your quickening power. Oh God, we give You glory and honour. We thank You, Father for what You are doing amongst us in these last days. We thank You, dear God. Hallelujah. Hallelujah. We thank You, blessed Holy Spirit.

Oh God, looking to break through every veil, every obstacle in this hour. Make us more perseverant, oh God. Make us more determine, Lord. Oh God let us be so tied to our Absolute, so tied to our tie post. Live or die, sink or swim, Lord God, regardless what kind of obstacle the devil would try to throw.

And Lord God, seeing there are many here tonight who desire deliverance. Many who are standing in the need of prayer, many who want You to do something special in their lives tonight.

Many, oh God, who want a brand new touch, many, oh God, who want a real experience, many, oh God, who want to see their children save, to see their unsaved family saved, their family delivered, oh God.

Lord, I pray that Your Holy Spirit will give them the courage to believe You tonight. Give them the courage to trust you tonight. Lord God, may Your Holy Spirit give back such a witness to their hearts tonight. Hallelujah. If they trust and never doubt, You will surely, surely, surely bring them out.

Oh God, many who are coming around for the first time, they want to know if this is the truth. It might be strange; it might be different, oh God. May they not be confused but may the light shine in their hearts. May the Spirit give witness, give confirmation. Hallelujah!

Like He told Peter, "It is I be not afraid, come unto Me." Hallelujah. Oh, "Step out of the boat and walk, it is I." Oh my God, this is that hour Father, and may we press through every veil and every obstacle tonight, Father. May we get a hold of that reality knowing, oh Father, that it is You.

Like Jacob, he got a hold of something real. In that dark hour when You made him stand alone, oh God, at the breaking of the day, an Angel came down. I will not let You go except You bless me. Oh God, he knew he had gotten a hold of something real. And we know that same One has come down in this day, at the breaking of this day, oh God. Hallelujah.

May they get a hold of Him tonight, may they get a hold of that great One who could change them, Lord, from a Jacob into an Israel, and make them a prince with such overcoming power tonight, who has power to transform and change them. I pray tonight, oh God that they would break through and get a hold of that One, tonight. They would confess that they are Jacob but that He could change their name.

Oh God, may You grant it Lord. Hallelujah. Hallelujah. Hallelujah. We praise You, we give You glory, we give You honour tonight. Hallelujah. You are that One, who has come down among Your people. You are that One that is identifying Yourself. You are that One that is here, oh God, with great-outstretched arms. Lord, Your great eagles wings, covering us tonight, bringing

us under Your wings, Lord, so we could abide under the shadow of the almighty.

Oh God let there become such a faith and courage, such an inspiration tonight, in the hearts of Your children. Oh God, cause them to reach out, cause them to have faith, cause them to touch You. Like that woman with the issue of blood. She was pressing through, Lord, she was determined to press through and touch the hem of Your garment. Something in her heart told her if she only touch You, Lord. Oh, pass me not, oh gentle Saviour, hear my humble cry tonight, Father.

Oh, like blind Bartimaeus, oh God, he was not going to be left behind. He wanted to get a hold of what was passing through his midst, Lord. I pray, Lord God, as the Holy Ghost tonight, passes through this place, as You are passing through, speaking Your Word, walking, coming down to the resurrection, I pray, dear God, it would cause hearts to recognize You, Lord. They would move through every barrier and get a hold of You tonight, that faith would touch You.

Oh God, let it be tonight, Father. Let us have that kind of determination. Let us have that kind of purpose in our hearts. Let us, oh God, have our hearts fixed on Thee. Like David said, "My heart is fixed on thee, my soul followeth hard after thee." Hard after thee tonight, I will not leave thee, nor forsake thee. Entreat me not to leave thee.

Oh God, that when we leave this place, Lord God, we leave so united. There could be such a union of God and man, tonight. A union, believers being united with the Word, tonight Lord. The word coming down into their hearts and bring a rest, bringing a peace, bringing a satisfaction, bringing an assurance Lord. Oh God, may You grant it tonight Father. Oh blessed be Your wonderful name.

We lift our hands and we praise You, Father. We give You thanks Lord. We hold fast to Your Word. We trust in You tonight, Lord. Oh, we don't put our confidence in the flesh but we trust in the Lord, tonight. We hold to Your Word. Heaven and earth will pass away but Your Word cannot change. We know that this is the last days. We know that this is the end time. We know that these mysteries are being revealed to get a people ready, oh, let us be that people, Lord. Let us be that people tonight; let us see that

preparation in our hearts and lives. Let us see that inspiration amongst us, Lord. Oh God, may You grant it tonight, in the name of Jesus Christ.

When He reached down His hands for me. Let us sing that.
When He reached down His hands for me.

*Once my soul was astray from the heavenly way,
I was wretched and vile as could be;*

But my Saviour above, gave me peace, joy and love,

Oh, why don't you just stretch forth your hands of faith and let Him take a hold of you tonight, and lift you up. Friends don't just come to hear His Word; come to meet with Him, come to get an experience with Him, come to get more filled with Him, that when you leave you can know you met Him. You can know you have received of Him. You can know you fed upon Him. You ate of Him tonight, that bread of life.

You drink of that water from the Rock, that Holy Spirit, tonight is flowing inside of you right now. You were feeding upon Him. You feel that life flowing inside of you. You are more filled with life than when you came in. You can feel the power of the Holy Spirit, moving inside of you. You can go back home encouraged, to strengthen one another, to strengthen your loved ones. More determined to serve God, to stand with a greater testimony on the outside. Oh my, let it be like that tonight. Don't let it be a half way business, don't let it be church joining and just sitting in the congregation and falling asleep, and not knowing what is going on.

But I pray you would be so purposed in your heart tonight, that God's Holy Spirit could fill you, and fill you, and fill you, and fill you that you can so live under the power of the Holy Ghost. That is the real church in this hour; that is the real believer. Your lamps trimmed and filled with Oil, amen, your flames burning brightly amen, filled with the Holy Spirit.

He is here to break every shackle of the enemy tonight. Amen. You are feeling oppressed, you are feeling burden down, you say, "Lord, I stand and receive it tonight. I accept it tonight." Don't just sit there and say, "Maybe that is not for me tonight." Doubt your doubt tonight. Cast down your reasoning tonight. And know that God is here to give that unto you friends. Amen. The Holy Spirit is here, that isn't make belief; that isn't a worked up business.

God is amongst His people. The Holy Ghost is in the midst of His people. It is not a man you are feeding on; it is the unfailing body word of the Son of man in your midst. Hallelujah. That's the Bride revival. Oh thank You, Jesus. Thank You, Lord. You don't have to live defeated. You don't have to live below your God given privileges. That is why God, the Spirit of truth, is opening His Word ministering an entrance into the everlasting kingdom.

Oh thank You, Jesus. Thank You, Lord. Thank You, Lord. Thank You, Lord. Thank You Lord. Hallelujah. Hallelujah. Hallelujah. Oh thank You, Jesus. Thank You, Lord. Thank You, Jesus. Thank You, Lord. Oh, we praise You. We praise You. We praise You. We give You glory and honor. Blessed be the name of the Lord. His mercy endureth forever. Hallelujah, hallelujah, hallelujah!

Oh my, that great-outstretched arm is reaching down tonight. He wants to lift you out of the miry clay, to lift you out of any condition where you can't have the victory. He wants to pull you up and set your feet upon the rock and give you a peace that passes all understanding, a love that passes all knowledge, tonight. Oh my, hallelujah!

He's reaching down His arm, His outstretched arm. To whom is the arm of the Lord revealed, tonight. Who hath believed our report and to whom is the arm of the Lord revealed. As He reach down for you tonight. He reached down for me. He reached down for you, tonight. Oh my, not on Calvary alone but right here, tonight in the service, through the preached Word, He is reaching down His arm to you, His outstretched arm of deliverance, the arm of power, all authority and power. Amen. Thank You, Jesus. Thank You, Jesus.

When he reached down His hand for me,
Oh, when He reached...

When He reached down His hand for me;
I was lost and undone, without God or His Son,
Oh, my when He reach down His hand. Oh, one more time, When He reached down His hand for me. Sing it in the Spirit. Oh, sing it with all your heart tonight. Hallelujah. Hallelujah. Oh thank You, Jesus. This is the hour of deliverance. Blessed be His wonderful name.

...His hands for me.

Oh yes.

I was lost and undone, without God or His Son...

Oh thank You, Jesus. Thank You, Lord. For me. An old wretched sinner like me.

Once my soul was astray...

Oh, sing this song.

...from the heavenly way,

Oh my, and was wretched and vile as could be;

But my saviour above, gave me peace, joy and love,

Oh. When He reached... Receive it tonight, love, joy, peace and deliverance. Oh, lift your hands and praise Him, as you sing it tonight. That's you, your are singing about. Oh thank You, Jesus. Thank You, Lord.

...for me.

When He reached down His hand for me;

I was lost and undone, without God or His Son,

When He reached down His hand for me.

Oh my, we were going down so low. I was nearing despair, giving up hope, when He came to me there. Thank You, Lord. Oh, like He's doing to you right now. And He's showed me that I could be free.

Oh, received it. Then He lifted my feet, oh my, gave me glory complete, when He reached down His hands for me. Oh, that's why I will sing this song now. When He reached down His hand for me.

When He reached down His hand...

Oh, just yield yourself to Him. Let go; don't fight up; just let go. Give Him thanks, give Him praise, give Him glory, and just praise Him. Let Him know you love Him, you are grateful, you appreciate Him.

I was lost and undone, with God or His Son,

When He reached down His hand...

Oh, how my heart doth rejoice tonight.

Oh, since I made Him my choice.

...made him my choice.

From the tempest to Him

...tempest to Him now I...

Oh, right now friends don't lean your back to the Word; come to Him tonight.

Now I lean on His arm, I'm secure...

Oh, since He reached down His hand.

...down His hand for me.

Oh, everyone sing it, lifting your hand and praising Him, lifting your voices.

When He reached down His hand for me. Give Him glory, He is our King tonight. He is our deliver. Oh, thank You, Jesus.
