Mission Update September 2012

Dear and beloved believers in Lord Jesus Christ,

Warmest Christian greetings in wonderful and matchless name of our saviour Lord Jesus Christ!

It is the great privilege to bring you another monthly mission updates from Pak Tabernacle Pakistan. We are greatly and highly appreciated to Lord Jesus Christ for His great, wonderful and amazing grace upon His children here in Pakistan and around the globe.

Psalms 91:2 I will say of the LORD, He is my refuge and my fortress: my God; in him will I trust.

THE STATURE OF A PERFECT MAN JEFF_IN 10-14-62 Morning

32 You see, he can't manufacture wool. He can't do it. Wool is a gift to a sheep, not to a mule. He might try to act like a sheep, but he's still a mule. See? So you say, "I can eat like a sheep; I can do this like a sheep," and no matter what you can do, you've got to be a sheep in order to have wool. And let me stop here a minute. The sheep doesn't manufacture wool. He has wool, because he is a sheep. A lot of people trying to say, "Well, I'll try to get good. I'll try to do this." Don't manufacture nothing. No, you can't do it. A sheep doesn't--isn't asked, isn't expected to manufacture wool; it bears wool. And it does it because it's a sheep. And when you're a Christian, you just bear the fruit of the Spirit. You don't--you don't manufacture it. You don't try to make it up. You just try--make yourself something that you're not. You just become what you're supposed to be, and then it takes care of itself.

Blessed be the name of Lord, He is the living God, He is Protector God, and we admire Him for His wonderful love and tender mercies upon us during this danger month of September because of the protest of the Muslim around the globe. Month of September was very tough for the Christian believers here in Pakistan because of the movie innocence of Muslims, so many Muslim protested around Pakistan and very hard and dangerous protest was held on 21 Sep,2012 because government announce the public holiday. There was a complete strike all around Pakistan and our people were like prisons in their own homes, they could not buy any thing even milk because everything was closed. Christian were praying at their homes for themselves and their loved ones, and all mobiles phone network was also closed we were not able to communicate each others at all.

Report from Khyber Pukhtoonkhwa

On 22nd Sep, 2012 I called believers around Pakistan to find out about their situation, by the grace of God message believers were saved that day. I have received a bad news from Mardan city because we have one message church in Mardan city. Pastor Samuel Joseph told me from Mardan city the Muslims Protesters burned a church in Mardan city, he further told me protesters passed front of the gate of our Church. Praise Lord, God blinded their eyes that they couldn't see the believers church. The Lutheran Church is opposite of our church only two minutes away by walk. He said I have shifted my family at another place and my brothers and I looking after our church building and we are suffering hard and praying for His protective hand upon Believers around Pakistan. He requested pray for his church and his family.

Is This not Blasphemy ?

Report from Karachi Sindh

Abid Ghori is a denominational evangelist, Gospel singer and music player. He has been attending our Sunday services for six weeks and last Sunday he came to me and said Pastor I have been hearing your messages since last 6 weeks and you always share many quotes of Brother Branham so I am very blessed and inspired by the teaching of Brother Branham. I want to know more about Brother Branham and his ministry. I told him about the mighty and powerful ministry of Prophet William Marrion Branham and gave him the book titled "A man sent from God". I am looking forward to see him again next week. Please keep him in your prayers.
