Mission Update October & November 2012

Dear, precious and beloved Believers in JESUS,

Warmest Christian greetings in the matchless and mighty name of our LORD JESUS Christ!

Thanks and glory to God for this great privilege to me that I am writing mission updates once again about the work of God through the End Time Message in Islamic country of Pakistan by His wonderful and amazing grace.

**Brother Branham said:** I believe that every Christian is obligated to be a Missionary. I believe that every Christian is obligated, not so much that you have to go over into the old country and preach or something but if you can't go, you can help send somebody else.

The laity of today will use their money to sponsor Zoos and Parks and refuse to sponsor Missionaries to take the Gospel to the world. There are hungry Missionaries out there preaching the Gospel without shoes on their feet.

No denomination will back them because they stand for the Word of God... Real true Missionaries with signs following them have to depend on some little wash woman to save a few pennies for their support. There it is!
