---

## **FOREWORD**

*This is a sermon preached by Bro. Vin A. Dayal and is published through the freewill offerings of the members of the Third Exodus Assembly.*

*It is intended to edify the reader and make clear the Bride-Promises of God, which were revealed through the ministry of God's Prophet-Messenger, Bro William Marrion Branham, for the Elect in this Day. It is not meant to promote any special doctrine or person, save, the Lord Jesus Christ and His Divine Word.*

*The original video and audio recording can be accessed through our website [www.thirdexodus.org](http://www.thirdexodus.org)*

*We pray the blessing of God upon each reader and may illumination by the Spirit of God be each one's special portion.*

**Excerpt:**

All His sons will have a revelation, they came from His loins. That is why when He begins to open the Mystery of the Lamb's Book of Life in this Age and the Bride starts to know the Word a certain way, and the Bride starts to understand by experience what serving God is, how you recognize the Word in the present tense, knowing It by what is happening in you in a way people can't learn It; they could only know It by what happened but you know It by what is happening because you are the interpretation!

[Page 42]

A people in this Age under this Message know that they came from God and they're going back to God; that the Name on the thigh is in their forehead, it comes by a New Birth. They know they were in the loins of God, in a section where it can't be blotted out because they have the Life, they have the characteristics, it cannot be blotted out! He left back part of the Word and they are fulfilling that part of the Word to prove that they are those genes! He put it in an unknown language that only the Life can interpret and they interpret it living out that mystery! [Page 45]

TRINIDAD  
SUNDAY 16<sup>TH</sup> NOVEMBER 1997

**BRO. VIN A. DAYAL**

...to bring it out and to bring it in a way that it could be edifying to you. And I trust that it will serve to enlighten you; strengthen your faith in God's promise.

Let's just open up to Revelation 10. We'll have a word of prayer before we read. Let us pray.

Father, we are grateful to be children of Light, walking in the Light. We are not of the night but we are of the day. We were once children of wrath by nature, because Lord, we were born in sin and shaped in iniquity, and how grateful we are for Your Quickening Power, Lord, that has quickened us and raised us up from a life, dead in sin and trespasses, to recognize that we are Your attributes. We bypassed the Word and we came to flesh, but because there was representation in us, You came looking for us, Lord. We were considered in the plan of redemption.

Today, we walk in the revelation of this new identity, that we are a part of the Word of the Living God. We have Eternal Life dwelling in us and we are part of You. We were in You before the foundation of the world before there was even a star or an atom, or a molecule. How grateful we are for this, Lord!

And Father, as this realization is being made a perfect realization, as we are knowing as we were known with such perfect clarity, and as we are beginning to see face to face, Lord, all fears, all doubts are being cast away, to know, Lord, that we are becoming You, Father, that this great oneness that You prayed for, "That they may be one as I and You are one," and, "In that day, you will

know I'm in you and you in Me," truly, it is taking place, Lord. It is proving and confirming Your Words and what You knew concerning us, and the purpose why You came and You did what You did, that we might be brought to the spot that we truly might be Your victory in this Hour. Lord God, let that be so real in every heart today. Break all fears and doubts and cast them so far away.

And knowing these Things that You showed me and revealed to me, I am standing here and depending upon You today that You'll give me a mouth, and wisdom and utterance to speak the true Sayings of God which are faithful and true. He said, "Seal not up these Things for the time is at hand. The Spirit and the Bride say 'Come.'" For it is You in Your Bride, Lord God, the very Intelligence. She has the Mind of Christ; She knows what He wants done with the Word. The Spirit and the Bride are saying the same thing the Spirit said in the Prophet, as You recycle these Things Lord, as You make it plain in this season, Lord that it might perfect our faith. So let that be done to Your glory and to Your honor.

Help me to be a faithful and wise servant, giving out the Meat in due season, Lord, in humility, in sincerity, in action, Lord, with reverence. Lord, let it be done to the praise of the glory of Your grace, to the benefit of Your children whom You have called out and whom You have washed with the washing of the waters of the Word, that they might come into this great, glorious fellowship with You, the fellowship of this Mystery. Grant it, Lord. We pray and we ask it in Jesus' Name. Amen.

Revelation 10. I am reading what I am reading for a certain purpose. I know that you know the Scripture. It is also for the tapes so just follow closely. Revelation 10. And you know what I have taught down through these years, that the secret behind this great revelation is where it is placed in the Book.

Many of the teachers don't see that and they take different angles. But that is why those Seven Trumpets were preached supernaturally, that is why it was not permitted to be explained. It had to wait because it wasn't the time and season. If Satan got a hold of It, he would do great damage.

And the whole key to this revelation is that God put these Seven Thunders between the Trumpets. Revelation Chapters 8 to 11 are speaking on the Trumpets. And that is why even great men have become confused and they said that is for the Jews; that Revelation 10 is for the Jews. And that is correct too because Daniel heard the Seven Thunders. See? Then men tried to take the Seven Thunders and make It, you know, different things; and that is true because they're a part of the Word too, but it is not *all* of the Truth.

And it is the little portion that is left out, is where the confusion comes. But Revelation 10 here is between the sixth and Seventh Trumpets, because Revelation 9:13-21 is the sixth Trumpet and Revelation 11:15-19 is the Seventh Trumpet. And that is where it confuses even the people of this world in their organized religion, because they don't believe in prophets in the last days, like a major prophet bringing the Word, but that is exactly where it comes. There are three prophets right between here as well: one to the Gentiles before the Rapture – Revelation 10:7; and two to the Jews after the Rapture – Revelation 11, verse 3.

So, it is a great, mysterious Thing here that is happening in the earth. And that is why these Things, it behooves us to know and to understand because that is where the Message of the Hour is. That is why the Bride is called out and different to organization. That is why we just don't believe in a good life; we just don't believe in going to church. We believe that God calls His people. We believe that God predestinates His people. We believe that God puts the ability in His people to overcome in the Day that He puts them in.

So, it is more than going to church. It is overcoming. It is knowing Him by revelation. It is walking in the Light He sent in the Hour that you are living in. That's what serving God is. If you are in this Age, you can't serve God in the Light of a past Hour. To prove you are Bride, you have to serve Him in the Light of the Hour He sent. And if you are walking in that Light, then that Light overcomes the darkness of the Age.

So, you can't claim to be walking in that Light and then be in ignorance because the Light comes to shine, to show you what is right and wrong. The entrance of His Word gives Light, and it's a lamp unto your feet and a lamp unto your pathway; and darkness cannot overcome Light. So, if you are a child of the Light, you walk in the Light and you have fellowship, and the Blood cleanseth you from all sin. So, it is a great thing.

So, these Things are not just sayings or Scriptures that we have memorized; it is facts that God has made known. It is something God put in our hands to make sure that we overcome. If God wants to make sure you overcome, He's going to give you Light; He's going to give you revelation. He built His Church on revelation.

So, let's read. Revelation 10: [Scofield Bible -Ed.]

*<sup>1</sup> And I saw another mighty angel come down from heaven, clothed with a cloud: and a rainbow was upon his head, and his face was as it were the sun, and his feet like as pillars of fire:*

*<sup>2</sup> And he had in his hand a little scroll [scroll] open; and he set his right foot upon the sea, and his left foot on the earth,*

*<sup>3</sup> And cried with a loud voice, as when a lion roareth; and when he had cried, seven thunders uttered their voices.*

*<sup>4</sup> And when the seven thunders had uttered their voices, I was about to write; and I heard a voice from heaven saying unto*

*me, Seal up those things which the seven thunders uttered, and write them not.*

All of this is a description of an Angel: what He has in His hand, what His face is like, what His feet are like, where His feet are placed, what is coming out of His mouth; it is all describing an Angel. Up until then, from Chapters 8 to 9, he described six Angels already: Angel over the water, Angel over the earth, Angel over the air, Angel over the fountains and the rivers, and Angel over the sea and all these things.

But this Angel he is describing is an Angel that has come down on the earth and He is doing certain Things. And there's an earthly Prophet, an earthly angel connected to this Angel which I'm going to just skip out (verses 5 and 6) to save a little time. I have a lot of Scriptures I would like to read, so...

*<sup>7</sup> But in the days of the voice of the seventh angel, when he shall begin to sound, the mystery of God should be finished...*

See? There are Mysteries with those Thunders, that's why He's saying, "Seal It up; don't write It." But when He speaks of this earthly angel here now...

*...in the days of the voice of the seventh angel, when he shall begin to sound, the mystery of God should be finished, as he hath declared to his servants the prophets.*

Who are His servants the prophets? Those are the ones who wrote the Word. Those are the ones who wrote the Word. And the Book is a Mystery. It is sealed up. See? You say, "Is that so?" Yes! That's why we have people who believe that Eve ate an apple because they read Genesis 3 and 4 and they came up with: Cain is Adam's son. Because it's a Mystery, they can't get It.

They read Matthew 28:19 and Acts 2:38 and they can't put It together, so some say, "Well, I will believe what Jesus said." and get baptized in Father, Son, and Holy Ghost and say, "Well, Peter said that and Peter

contradicted Jesus.” But it’s revelation; it’s written in a Mystery. But when this angel begins to sound, the Mystery will be finished; not just from water baptism but the entire Mystery of God. Wouldn’t that be a great thing?

The whole world is in chaos today. We have all these churches, all these organizations. We have all these New Age religions. We have all these young people in the world today, running after all kinds of things. Why? They are confused. They look at their parents and they don’t see Christianity: they see father slapping down mother; mother, you know, committing adultery against father. The home is in chaos. They are born in broken homes. Mother had a husband before, two to three husbands before; different children, step-brothers and step-sisters. It’s in chaos! They don’t know what to believe.

But when this angel begins to sound, he’ll tell us why the world is in chaos. The revelation will be so powerful, it will separate the people completely and take them out to walk in the Presence of God. They will find out where there is Life.

Watch. Revelation 19, verse 7. And please, if it gets a little hot, bear with me today. I have a message about six hours or eight hours long and I’m going to be about an hour and a half, so I have to feel where I can speak and then I have to feel where I can cut off and leave. And then if I cut off, then it means there’ll be a lot of Things that I can’t explain. So for you to catch it, you’ll have to be following me to catch it. You know some of you are now understanding the Things that were spoken in 1980. So, you get your heart in the right place and say, “Lord, help me,” this morning. Amen. Verse 7:

*<sup>7</sup> Let us be glad and rejoice, and give honour to him; for the marriage of the Lamb is come, and his wife hath made herself ready.*

Marriage, Marriage of the Lamb: the Lamb took a Wife. Amen. This Wife knows Her Husband is the Lamb and She knows the time of Her Marriage. Could you imagine a bride doesn't know the time of her marriage and she's not sure who her husband is? Oh my! But this Bride knows who Her Husband is. She knows the Marriage; she knows the time is at hand; she makes Herself ready. She heard that announcement saying, "Behold, the Bridegroom cometh!"

*8 And to her was granted that she should be arrayed in fine linen, clean and white; for the fine linen is the righteousness of saints.*

*9 And he saith unto me, Write, Blessed are they who are called unto the marriage supper of the Lamb.*

So, verse 7 is the Marriage; verse 8 is the raiment; verse 9 is the Wedding Supper.

*And he saith unto me, These are the true sayings of God.*

*10 And I fell at his feet to worship him. And he said unto me, See thou do it not; [this great Prophet who is revealing these Things] ...I am thy fellow servant, and of thy brethren that have the testimony of Jesus; worship God; for the testimony of Jesus is the spirit of prophecy.*

*11 And I saw heaven opened...*

And if any man in this Hour sees Heaven open and sees what is coming out of Heaven, It will help him. If any man doesn't know that Heaven is open and that He came out of Heaven and He has come down. John said, "I saw a mighty Angel come down from Heaven." Here, he is still speaking and he saw this same Person coming out when Heaven was opened.

And Heaven consists of what? The Word! And when the Word opens, Something is let loose. And if It is not opened to you, then you walk around and you could get

deceived and you could get influenced by things of the earth. But when Heaven comes down and the Word is opened to you, "Thy will be done on earth as it is in Heaven," then God and man, Heaven and earth come into union; then people live in a Heavenly Place and a Heavenly Atmosphere. Watch.

*11 And I saw heaven opened, and behold a white horse; and he that sat upon him was called Faithful and True, and in righteousness he doth judge and make war.*

Look at more description again. Why is he describing it? So we will know it is the same Person in Revelation 10.

*12 His eyes were as a flame of fire, and on his head were many crowns; and he had a name written, that no man knew, but he himself.*

*13 And he was clothed with a vesture dipped in blood; and his name is called The Word of God.*

*14 And the armies that were in heaven followed him upon white horses, clothed in fine linen, white and clean.*

So notice, they are clothed in white raiment. You just saw a Bride clothed in white raiment. Over in Revelation 17:14, speaking of this same event, It says, "And they that were with Him were called and chosen and faithful."

*15 And out of his mouth goeth a sharp sword, that with it he should smite the nations, and he shall rule them with a rod of iron; and he treadeth the winepress of the fierceness and wrath of Almighty God.*

*16 And he hath on his vesture and on his thigh a name written...*

Not another name, but it is the same One in verse 12 because It is giving us something more of that Name. It just tells us over here that He had a Name that no man

knew. Now, we are going to know why no man knew the Name and who will know the Name. The Name is on His Thigh. That's where it is written. See?

You don't show everybody your thigh, do you? Alright. You have it covered up. It is in a place where it is in private, it is in secret. Alright.

*And he hath on his vesture and on his thigh a name written, KING OF KINGS, AND LORD OF LORDS.*

And, you know It goes on from 17 to 21, talking about the Supper of the great God. Maybe I should just read It.

*17 And I saw an angel standing in the sun; and he cried with a loud voice, saying to all the fowls that fly in the midst of heaven, Come and gather yourselves together unto the supper of the great God,*

In verse 9, we heard of the Marriage Supper. Here now, we are hearing about the Supper of the great God, and this Angel was in the sun. See? Revelation 12 tells you about a woman in the sun; clothed with the sun; this angel was in the sun. We know Who the Son is. That's the Light of the world. You see, he is clothed. And then here, it's Supper Time, and Supper Time is not breakfast time or lunch time; it's Evening Time. So, all of that is important, and then It goes on to tell you about... Maybe I should read It.

*18 That ye may eat the flesh of kings, and the flesh of captains, and the flesh of mighty men, and the flesh of horses and of them that sit on them, and the flesh of all men, both free and bond, both small and great. [This is the whole world, here.]*

*19 And I saw the beast [watch – religious realm, religious power] and the kings of the earth [political power] and their armies, gathered together to make war against Him that sat on the horse, and against His army.*

So, it is a battle. We are in a battle scene here. Two armies are fighting. Two men are on the battleground, two captains.

*20 And the beast was taken, and with him the false prophet that wrought miracles before him, with which he deceived them that had received the mark of the beast, and them that worshipped his image. [See? He had deceived the whole world.] These both were cast alive into a lake of fire burning with brimstone.*

*21 And the remnant were slain with the sword of him that sat upon the horse, which sword proceeded out of his mouth; and all the fowls were filled with their flesh.*

Let us pray. Father, break the Bread of Life to us; as You open the Scriptures, also open our understanding that we might understand the Scriptures. May the Breath of the Living God breathe upon us and there be such a quickening influence upon us, Lord. Give us the grace today to concentrate and to follow. Let us be so locked in, so focused, so tuned in, Lord, on the same frequency with You that, Lord God, the Spirit can take possession of both speaker and hearer. And the very Mind and Intelligence of the Holy Spirit, Lord, can be so made plain to us, that Lord, we can come under the influence of the revelation of Your Word, that It might help us in this Hour and in the days to come. Grant it, Lord. We ask it in Jesus' Name. Amen.

God bless you. You may have your seats.

I want to speak on "**THE LAW CONCERNING THE SECRETS**". And, as we go along, you will understand more of what I mean THE LAW CONCERNING THE SECRETS. But to lay some background for you—and this is like a teaching.

We have had quite a great interest recently of... Many of the young people have been asking about the Seven Thunders and the Seventh Seal and these Things. They

see we place such an emphasis and such an importance upon this, and many of them grew up in the bench in the days when these Things were really being taught and broken down. And so, some who have already caught inspiration and know how to go back in the archives, in the records that are on tape and study and listen closely, they could hear what was said when they were little children in the bench; sleeping on the quilt under the chairs.

But some, you know, they are so tuned-in to what is happening now and they want to relate and get a little deeper as well, so they desire that some of these Things can be brought to them, even at this present time. And how we look forward to that, to do that for them and even to bring it back around for the church on the whole. When we had our opening of the Seals... You see, the Seals have to open in every church. There's an opening of the Seals for the Age, but the Seals have to open in every church. And when the Seals are open in every church, then there's redemption in that church because He prevailed that He might open the Book.

There are many people who have not overcome, so when they talk about the Seals, they cannot get into the Seventh one. And it shows that that church is not an overcoming church; there is no overcomer in that church. And if the minister doesn't overcome for his people, he cannot break the Word to his people.

The greatest thing for any people, is to come to church and hear from God; to hear from Heaven. To hear from Heaven in a church, that man in that pulpit has to be linked up with that Heavenly Angel. Because the only way we heard from God in this Age, although we had over a thousand denominations and millions of preachers—the Age was: *gross darkness upon the earth and upon the people* because they were not hearing from God, they were obeying a past Hour. And the only reason you could hear from God, there was a man on the earth, a Prophet who was linked up with God, who

could have spoken God's Thoughts and open the Word so that the Church could walk in Light in this Hour.

And the only way to keep walking in Light from 1965 to 1997, after the Prophet went off the scene, we have to get linked up with the same Omnipotence and Omniscience he was linked up with. Do you believe that? That's plain. That's logic. You could get that without Divine revelation. Amen. And so, then the Holy Spirit, where He brings revelation, what is it for? To overcome – This is the victory that overcometh the world, even your faith. "I'll build My Church upon the rock of revelation and the gates of hell will not prevail against It."

When the enemy came in like a flood, God raised the standard. The messengers caught the Mystery and could preach it and release an anointing upon the people, who were obeying and believing that messenger; hearing, recognizing, and acting upon what he was saying, then they overcame. Did you hear how the Spirit just said that? Because you can sit in church and be defeated; hearing It, put a carnal interpretation to It and go into sin. But when you hear It, you recognize It is the Truth, It is revealed in your heart, It gives you the same power (amen) to do the same things. What he did by the revelation, you will do by the same revelation.

Jesus overcame because He understood His position. You will overcome because you understand your position too. He overcame because He knew He was the Word; you will overcome because you know you are the Word also. That's a great thing. It's a wonderful thing to know that.

So, here we see this great Mystery; this Book of Mystery. It's a Book of Mystery and we want to grasp and catch these Thing, and only God can reveal His Word. So when the Word was opened up in this Day, It was so powerful; It was so different to organization. People couldn't accept in their organization that they

weren't of God. They were too sincere, they worked so hard, they tried to evangelize the world. They tried to educate ministers in Bible schools. They tried to even get the women involved so they could have more workers, that, "If some men couldn't do it for Jesus, we will get some women to do it for Jesus." and they tried to put a great army of converts out there.

And then, to have one uneducated man come on the scene and tell them it was all wrong, it was just too much for them. But God had a promise: "Behold, I will send you, Elijah the Prophet," just like it was when Jezebel had bewitched the whole nation, God sent one man with "THUS SAITH THE LORD", just like Jesus said, "As it was in the days of Noah, so shall it be in the day when the Son of Man is being revealed. As it was in the days of Sodom, so shall it be."

There wasn't a bunch of people with the revelation in Noah's Day. There was one man, Noah. God doesn't deal with a bunch of people; a bunch of people have different ideas. Whenever a bunch of people can walk in Truth, it is because one man caught Truth and gave it to that people. Is that right? Sure, that's the Bible. Any Bible reader knows that. Oh my!

When God was sending somebody to bring them out of Egypt, it wasn't good enough for God to start a little something in Egypt and get a few people inspired. God got one man on the backside of the desert and said, "I'll make you God to the people, Moses. Go with 'THUS SAITH THE LORD.'" Is that right? Sure! There was a lot of people who rose up afterwards in Egypt, trying to do things that the prophet was doing, but they couldn't do it before he came. Amen! And when they tried to do it after he came, they did it in a way to deceive others to kill the effect of what he was doing. But the Elect was called out anyhow! Hallelujah! Glory be to God!

Oh, we have a nice atmosphere here already. That's good. You know how to believe. You just keep praying like that this morning. Keep your atmosphere right,

around you. Keep your thoughts centered on the Holy Spirit and watch what He will give you. You will walk out of here with a handful of wheat like Ruth. He'll let the Angel drop it on purpose for you. Amen. Like how that man was getting Esther all dressed up, smelling nice, looking good, being washed clean, getting the heart fixed right, educating her and teaching her how to behave herself when she got in the presence of the king. You'll get all that when you leave here. Amen. Glory be to God! Hallelujah.

So notice, the Opening of these Seven Seals is so important to us. Many in the church – the young ones want to get it and we want to get the church in condition. That is why all this new administration; as the church grows you have to keep changing things. The tabernacle couldn't do in the time of David and Solomon; it was good in the time of Moses, it was good in the time of Joshua and them. Though it was the same worship, but they had to expand it. They were now settled in their own land. The tabernacle had to change the form into the temple, a habitation for the Spirit. The stones had to be cut out in different lands, different places and be brought together. Amen. It had to be assembled in one place, then all the people had to come to worship in one place. Amen.

Then the queen of the south came from the uttermost parts of the world and saw something and lighted it around the world. Oh my! It was a great thing. And so God knows how to deal with His people as the thing progresses, as the thing advances, as the thing evolves because it is more of the Mystery of Christ unfolding to the people. Amen. And here, this Scripture I read here, I read that for a little background that I can bring out **THE LAW CONCERNING THE SECRETS.**

And please forgive me, I have to say some things this morning again that, it's hard for a minister to preach these things and know how to say it. They don't even have the language to say it. And you know, like when I

preached on those *Dietary laws* and the *Law of Motherhood* and *Who could make a clean thing?*, I said things that even shook up some Nazarenes and Pilgrim Holiness in the church. They found it was too raw; it was too this, but (my goodness!) I am not here to try to tickle your mind and put you in some strange place. I am trying to deliver people!

I am speaking the Word to open up the revelation and expose the devil and break the hold of the devil that he doesn't influence people with ideas. And if God put it in His Bible, then you are not holier than God. Some people behave like they are holier than God. God censored the Bible already. It isn't X-rated, God censored It. Amen. And then some of the young people especially, "Please," as the Prophet said, "don't misunderstand me."

I was reading *Marriage And Divorce* [1965-0221M -Ed.]; I have the quotes right here. He said, "I have to alter my words." He said, "I can't say certain things." Then when he reached a certain part of the message, he said, "I must stop now. I'll get the men together and talk with them. I have all the papers [newspapers -Ed.] and different things here to bring it out because it is difficult."

You know, and you heard my message on Wednesday night. Brother, that was just the grace of God. [1997-1112 - When The Woman Is Good To Marry Pt.1 -Ed.] God gave us a message like that to understand it. And that was just the tip of it. By the time I went home; Thursday, something started to explode out of the Book. I didn't know what to do, how to go. It is still the same message but Things like this, I can't just hold it back. Because I'm holding back some messages that I have to bring on the rest, and different things that I can't even get to speak yet because I need to get the people all together to preach it.

And then this is something, I should have taken two services today and maybe one on Monday and I can't even do that. That's difficult too. And I have

announcements here for people saying thanks for the evening yesterday. I can't even take time to read that because I am locked in the message. I am trying to not just stray because even to hold it in my mind, I think I needed some more time this morning to pick out the things that I should say and the things I should leave. But anyhow, to not make anything mysterious for you and just get you in some strange atmosphere... It's nothing strange, it's the Bible. It's the same things I preached down through the years. It's just showing more light on It and that is good for us because it helps us to understand better.

I was even remarking to some of the brothers, I said, "If you all realize the things you've heard for this year already." See? Back there, coming back from New Zealand: *And Ham Is The Father of Canaan* [1997-0803 - Ed.] and *The Three Covenants Of God* [1997-0730 -Ed.] and *Blessed Is The Fruit Of Thy Womb* [1997-0713 -Ed.] with Tamar. See? And then about the Law of Issues [1997-0920 - The Law Of Motherhood -Ed.] and all these things, Dietary Laws [1997-0919 - The Dietary Regulations Of A Covenant People], Kadesh Barnea [1997-0928 - Kadesh Barnea: God's Judgment Seat -Ed.]. See? The things that the Holy Spirit opened up right in the church for you all, it's a blessing.

Brother, you walk into a church, you could hear direct from God and know what is happening on this earth right now, know exactly where the church is at, know exactly what we need to be pulling for, so perfect. And he said, "That's the greatest privilege any church could have." Heaven has opened to that church. Brother, they have had someone who overcame, who prevailed to take the Book and open the Seals for their own people; and among their own people who gather there, they will know who's going in and who's not going in. Not in the way that they look around and say, "I'm going and that brother is not going." No. "I am going in."

And they will look at their children and say, "This one is in, but this one is not in. I have to stand in the gap now to get this one in because all of them are not in as yet!" Do you understand what I mean? Sure! And that is what is supposed to be happening.

But where you don't have a kinsman who knows the laws and duties of a kinsman in a church, then you know what is happening. They have service. They go through rituals. A man has to preach to control the minds of the people to hold them. He has to please them to keep them coming and that is why it gets into a rut. And many times churches are not spiritual enough to know that, but you see, you know that – or, you should know that – or, you are being taught that now and I pray you understand it. Amen!

See? Because friends, what is happening, I mean, we want to line up. Every young man should get his thoughts sober after a message like that, Wednesday night. Every young woman, brother, wants to know, "Lord God, I think I need to go back into the closet. If I don't have the Holy Ghost, I'll make hell for the man I am looking at or for the man that is looking at me and I hope we get married." Because if you don't have a revelation, do you want to influence the minister who has a revelation? If you don't believe the Bible, do you want to get the minister away from the Word? Or, are you going to be a nice child, an obedient child, and obey the Word when the minister teaches you the ways of God?

Let me hear my young people say, amen. [Congregation says, "Amen" -Ed.] It sounds bass-ish. I take for granted that the men's voices, you know, kind of drowned out the fine, soft voices of the sisters. I can't tell. But I believe all the sisters spoke up there also. I believe that. Amen. Praise His wonderful Name.

God help us. We want to be a good church. We want to be the kind of church that can stand and overcome in this Hour. Look where we have come up to, friends.

And I pray that my elder brothers here in this assembly, they get the Word to help me in this work. We need to walk in the same mind, and the same mind is the revelation. That's what I am working by all these years. I have nothing else to work by but the revelation. It's given to me by a Prophet; put on tapes and books with a commission, "Eat It!" and I ate It. Sure! And out of eating It comes these Things, because It showed me what is good to eat and what is not good to eat. I realize I am eating myself all the way back to an Immortal body. Praise His Wonderful Name.

I want to read something from *The Seventh Seal* here for you now, to get you quiet a little bit. [1963-0324M - Para. 557-1 (241) -Ed.]

*No angels singing...*

That Seventh Seal in Heaven was silence. Revelation 8:1, when the Seventh Seal opened, there was silence. Not a symbol, nothing was given, nothing was made known. 'Silencio' ['silence' in Spanish -Ed.] – secret, it was a secret. God was not going to give it away. Why? It was not going to be for any Tom, Dick, and Harry. The Rapture is a revelation only for the Bride. He's whispering His secrets into the ears of His Wife, not the flirts! Secrets are for the Wife alone. Listen.

*No angels singing, no praises, no altar service, no nothing. There was silence, hush, deadly silence in heaven for a half hour. All the host of heaven was silent for this half hour, when this Seventh Seal mystery in the Book of Redemption was broke open. Think of it; but it's broke. The Lamb breaks it. You know what? They were awed by it, I believe. They didn't know. There it was; they just stopped. Why?*

Here was a Prophet speaking here the last night, March the 24<sup>th</sup>, 1963. Three months before, he prophesied Seven Angels were going to appear in Arizona; Seven! He took the Scripture, Revelation 10, and said, "THUS SAITH THE LORD, the vision is

Scriptural, it's interpreted by the Scripture, it's a prophecy. That's the Message I am waiting for."

He goes to Arizona, out in the desert, meets the Angels. Think of it! He comes back to the church. From March the 18<sup>th</sup> right down to the 24<sup>th</sup>, every day the Pillar of Fire hung there in the room (Friends, could you imagine that?) and began to speak to him, and his eyes began to see in the Bible what no theologian, no reformer, no great minister, no matter how much God used them, could see.

By promise, God told Daniel, "Shut it up Daniel, until the time of the End. It will not be known." [Daniel 12: 4 - Ed.] God told John, "Shut it up, John! In the days of the Voice of the Seventh Angel..." [Revelation 10: 4-7 -Ed.] Brother, God could shut up something that though the whole world tries to break into it, it will not be broken open, until the time when God says it will be opened. No man could take the Book and loose the Seals, only the Lamb Himself, and then who the Lamb gives it to. Hallelujah! Glory! What a great thing!

And here now, this man is coming to the Church to tell something that not even a shadow or a parable, or a prophecy, or a type, nothing was put there as a symbol to give man a clue. Yet the thing is in the entire Bible! Glory! Watch.

As I always say, it's like a letter sealed up in an envelope. Somebody writes you a letter, you have to break the seal to take the letter out to read it. Under the seal is a message and when the seal is broken, you take out the contents and then you can read it. You can only presume what the letter is about while the seal is still sealed. But when it is opened, now its contents can be clearly... every punctuation mark, every comma can be told. Think of it friends. Every jot and tittle slide together to make known the message. And that's the thing that we have in this Hour here.

So look. So he says: *...as certain as I stand in the platform tonight, I had the revelation that revealed...* [as

certain as I stand in the platform, he said, I had the revelation that revealed] *It's in a threefold manner. ... I will speak to you, by God's help, of a fold of It. ... then ...Let's go over there, first. Here is the revelation, to begin... I want to tell you, what It is. What [has happened] is that those seven thunders that he heard thunder, and was forbidden to write, that's what the mystery is laying behind those seven consecutive thunders rolling out.*

Remember in Matthew 24, Jesus spoke those Seals in the Word form. Over in Revelation 6, the same Seals are in symbol form. In Matthew 24, He came to the Sixth Seal and when He came to the Seventh, it was silence. He said nothing. He began to speak parables, parables, parables, but it was all parables of His Coming. Alright! See, I have to spend the time to put that in. I should have gone through here, but I have to do that. So just bear with me.

*Now, why? Let us prove it. Why? It is the secret that no one knows about. John was forbidden to write about it, even write a symbol about It. Why? This is why. There was no activity in Heaven ... it might give away the secret. Do you see it now? If it's so great, it must be included, because it's got to happen, but when the Seven Thunders...*

*Now, notice, [talking about those Seven Angels how they came] One thunder... When Israel was gathered, there was a trumpet. When time shall be no more, the last trumpet... One thunder, but here is seven straight thunders right in a row: one, two, three, four, five, six, seven, ... heavens couldn't write that. Heavens can't know about it, nothing else, because there's nothing to go on. It's a relaxing time.*

Could you imagine, friends, Things that Heaven didn't even know about, God is coming down to give it to mortals, put it in the hearts of people.

Brothers and sisters, if you understand, how could you backslide? How could you walk away from God?

How could you deny this Message if you understand that God, the Almighty God Who created Heaven and earth, came down in this Day; called you to this Message? My young people too, especially, I want you to understand that the very privilege to be associated with this Message is the greatest opportunity anybody in life could have. It is the greatest thing that any human being could have; to know about this Message! Do you know why? You are so close to God, you are walking all around the borders of Eden. You are seeing the Tree of Life there and a way to come back into It, come back into a new body. That is what you are looking at. That's why He said, "Stretch your hand and take."

And that's why when you are around a church like this, brother, you are around one of those Cherubims, amen, brother, where that voice of that Fourth Living Creature is speaking with a prophetic insight into the Word. It is being given out to you that you can know where to put your foot; how to come through the minefield of demon power and devices that Satan has to blow you up, and how to come back, and eat, and fellowship with God again. That's a great thing. Hallelujah! You say, "What is the minefield?"

All those pleasures: the lust of the flesh, the lust of the eyes, the pride of life, but God, under the leadership of the Holy Spirit can walk you through that (amen), bring you out as an overcomer into a fellowship with God again. That's what we are talking about. Think of it, friends. Think of it.

This Message is not church and I say it over and over. And when I speak like this, it's not a man being sarcastic. If I have to be sarcastic, God knows I need all of that for you. Bro. Branham was a moody man. He blasted those organizations, then he had to go and sit down and eat with those same men afterwards. He cut them to pieces with *Marriage and Divorce* and then had to go and tell them now to be a certain way. See?

The thing is we are so close to Life and people don't know, and that is why so many people get lost. They get lost right there. Where was Cain worshipping? On the border of Eden. Where was he rejected and marked? On the border of Eden. Do you get what I'm saying? It's good to be in the Message, sure, but it is the most fearful place to be too because all hell is against this Truth. We will see in a while.

So, it was so great, It was kept secret from the Angels. Things that God kept secret from the Angels He wants to tell you. Could your little heart believe that, you little ones here, eleven and twelve years old? Believe it! You thirteen and fourteen years old, believe it! Don't try to figure it out. Say, "Lord, I believe it. You want to show me something great. You put me in a church like this to hear Things I can't even understand. That's Your will. Because You want to plant a seed in there that when I walk out going to school, driving in the bus somewhere, sitting in the classroom, coming up here, then the Holy Spirit will take those Things and teach me and bring that Word back to remembrance. Give me a real Birth. Maybe I don't understand it, sitting down here right now, but You are writing it in me, right now!" It's what it's all about, friends. Think of it!

*If Satan should get a hold of [this... And this is my whole inspiration right here.] If Satan should get a hold of [this], he might do great damage.*

If Satan gets a hold of the Secrets he'll do great damage. Satan wants to get a hold of the Secrets.

When I was in Europe this last few months here—and you know I went into the three different places from July to September. And, it started to dawn on me, I said, "It's like Satan got a hold of the Secret." See? Now catch. I said, "Like he got a hold of it." But the thing is, he's doing great damage and part of the damage is going to bring his own destruction too. And he's going to damage a lot of people too, and the foolish virgins will experience such damage that they will get caught in a

confused condition. But because the Bride is sprayed with the repellent of predestination...

You watch in the natural realm, man is trying to clone; man is cloning. Do you see what we're getting into, friends? The secrets of life; they've come so close that they are breaking into it. What struck the Serpent in the Garden of Eden to make that move? What struck him? The seed could mix; the seed could mix.

Why do good girls come along all the way up, serving God all in the Message right there; brother, God begins to speak to them, they're hearing the Word; want to get married and before they could walk from here to the altar there, they get messed up somewhere, three-four times. Why? They are walking around in a place not being conscious of demon power! They are coming to church but they are not hearing the Word! When you are sinning against the Word, the Word is not hid in your heart. [Glitch in the audio -Ed.] ...temptation is too strong for you, pray it gets down in the heart! "Thy Word have I hid in my heart that I will not sin against You!" [Psalm 119: 11 -Ed.] The reason you are sinning against Him, It's not in the heart! When It gets in the heart, It washes you clean from the filth and it gives you a holy man's-holy woman's taste!

That is why mummies and pappies, [mothers and fathers - Ed.] pastors and officers have to get the children in the house under a spiritual atmosphere for them to get a Birth. That is why you need a Holy Ghost-filled mammy and a Holy Ghost-filled pappy; otherwise, they can't lead their children to a Birth! That is why we want to get even the prayer meetings restructured. I want elders to be in the prayer meetings. I want some Holy Ghost-filled elders in that room there with young people.

You can't do everything. You try to talk to different ones; take the Word, talk to them, exhort them on how to come into a Birth; how to pray with them, how to create an atmosphere, how to get the approach, get the

hand in the sleeve; brother, where our minds should be focused, where our hearts should be centered, where we get a hold of the revelation. How could we rejoice in these Things and see these Things and claim we see Them too, and yet can't even see what is around us and where the need is, and what type of sacrifice and become determined to make the sacrifice to achieve what is needed to be achieved to get a people ready? Oh my!

But you lose it when you sit down looking for things to criticize in the church. You lose it when you try to find fault because that only makes you worse! But you win it when you could step forth as an example and say, "Follow us!" when there's a faith to believe for them, a virtue to give out what you have with meekness, a knowledge to know where they're at; a temperance to bear with them. A patience to stand there and wait until the Fire comes, like Abraham waiting for the fire to come down through the pieces, shooing the buzzards away from them until the fire consumes the thing. A godliness that when they see you, they know that's the mystery of God, that isn't man or woman, that's God in those people; that's not just religious old talk, no, that's God, the Word is being made flesh again. And brotherly kindness to put yourself in their place and remember you were young people too; you had your demons too. But because your memory is short, some of you forgot how people sacrificed and helped and labored to get your demons off of you. And some of you got self-righteous like Michal, looking through the window and looking down at people sometimes (see?) and you miss it.

Brother, I am talking about a Woman in travail to bring forth the Man-Child in this Hour (amen); one who is married to Christ, one who knows She is married, one who is pregnated, one who He proved, one who He told, "You are fit to marry. You can bring My child. We can raise our Family together." That's what we want here,

spiritually, in the church too. That is why the revelation is given.

So it's kept secret. The Secret is what? Behind those Thunders. And if Satan gets a hold of the Secret, he will do great damage. Let me read. I might have to leave out quite a lot, so hope you follow. *The Fourth Seal* [1963-0321 - Para.179 -Ed.]; here he is talking about these Seven Thunders.

*Wait till them seven thunders utter their voices to that group who really can take the Word of God and hand it there. It'll slice and cut. They can close the heavens; they can shut this or do that, whatever they want to.*

Think with me deep; put your spiritual cap on. If Satan gets a hold of these Thunders he will do great damage. Haven't the Thunders done a lot of damage? Have we seen all kinds of wild, unconverted people running all over the place, talking about the Seal and having the life and all kinds of different things, trying to point people to a man, to a city; all kinds of nonsense?

Watch. But wait until they utter their voices to that little group. They are not going to try to roll on the floor and show who is the biggest roller. They will get a key that could open the heaven and shut it back, a key like Elijah had. And watch how Elijah did it through sacrifice, through atonement, through prayer. Is that right? He prayed earnestly and it rained not, and then he prayed earnestly again, that's how he opened and shut it. He had the key. He had an atonement to remove the plague and bring the rain back. He had to know what the sin was and he went with his message straight to the sin and the sinner who caused the sin. He said, "You troubled Israel! You married a woman there and you put the seed in the wrong channel, and you brought that paganism in, not coming the ordained way for Gentile admission, and you sowed that idolatry and hybrid this nation and broke the power of the altars in the land!" Wasn't that his message? And he knew

you could only cleanse that with atonement. Think of it friends.

When the Heavens shut over a church and they can't get a message, somebody can't get a spiritual dream, somebody can't get an experience with the Holy Ghost, no rain can fall in a service; dry, parched services; people start to go in worldliness, idolatry, have all their little idols. When they're showing you their idols, they are saying, "God blessed me, you know. God blessed me." But they are pointing out their idols carved by man. You understand what I am saying? Revelation is not a blessing for them, yet that is the greatest thing anybody could get: God, making Himself known to you; God, pouring His life into yours, transforming you. Think of it, friends.

*He'll be slayed by the Word [of God] that proceeds [from the mouth of God;]*

So those Thunders have something in them... Catch what those Thunders have in them. Those Thunders make you like God. Only God could shut the Heavens. God creates by His Word. God said, "Speak to the storm. Speak to the fish. Peace, be still!" on the sea. Is that right? He turned the water into wine, Moses called for flies, Joshua stopped the sun; made them like God, put them in union with God. They displayed God. So there is something in those Thunders. *The First Seal* [1963-0318 - Para. 271 -Ed.], listen.

*Notice. Now, the Holy Spirit and the revelation [of] Christ is... The Holy Spirit is Christ in another form. That's right. Notice, it is a Lamb that opened the Book, and the Lamb is Christ; and Christ is not seen anymore...*

He is talking about when the Lamb was opening the Book. He saw a white horse went forth. First, he thought it was the Holy Spirit. He said, "But it can't be because the Holy Spirit is Christ and Christ is standing there opening the Seal, so how could it be the Holy Spirit?" See? That's what the teachers taught but it is wrong. And then he goes to Revelation 19.

*And I saw heaven opened, and behold a white horse; (not on the earth; in Heaven...) and he that sat on him was called Faithful and True, and in righteousness he doth judge and make war.*

*His eyes were as a flame of fire, and on his head was many crowns; (look at the diadem) and he had a name written, that no man knew, but... himself.*

Now catch this now. [Para. 283 -Ed.] *And Jesus, His Name on earth was Redeemer, Jesus. When He was on earth, He was the Redeemer; that's true. But when He conquered death and hell, and overcome them, and ascended on high, He received a new Name. That's the reason they holler the way they do and don't get nothing; it'll be revealed in the thunders.*

What will the Thunders do? You will speak and things will happen friends. He said, "That's the reason they holler and don't get anything." They are trying to get the things that the Thunders are supposed to bring to you. That's the reason they holler like the woman, the Syrophenician woman, "Jesus, Thou Son of David! Jesus, Thou Son of David! Jesus, Thou Son of David!" He didn't pay her any heed. She was hollering and not getting anything. Then something struck her, she said, "Lord," and He turned unto her. She knew her dispensation claim by revelation then. She gave Him His right Name.

He said, "And that's those things, like with Hattie Wright and the Third Pull, how it's going to be." Like Martha, she said, "Lord, if Thou had been here." She had the right approach, (Catch it!) called Him by His right title, came with humility and she received something. He said, "Where have you laid him. Roll back the stone." And the Thunders spoke and a dead man, dead four days, came back to life. That's the power that's in this Church through this Message, friends. That's the pregnation. That's His seed.

Now watch: *Notice, the mystery. He's coming, riding...* [He'll ride this trail once more. See?] *There's got to be*

*something to change this Church, ... There's got to be something. Notice. No man knowed but Himself. ... no man knowed but Hissself.*

He had a Name that no man knows but *Himself*. She is *Himself* revealed. *Himself* is no longer twain but One. *Himself* was masculine and femininish, Her name is His Name. In the beginning when God made the first Adam and their name was *Adam*, not *Adam and Eve*. That was a name that came after deception when she got pregnated with the wrong pregnation, but when they were made to bring forth and multiply, they had the same name and she was bone of his bone and flesh of his flesh. And they were under a marriage covenant.

Also on *The Second Seal*, which I am going to leave out for the time being, I'm running late. On that *Second Seal*, he said, that Red Horse Rider went forth with a sharp two-edged sword and took death, military power, and shed blood throughout the earth. But he who kills by the sword will be slain by the sword. In Revelation 19 we see Christ slaying him with the Sword which is the Word that proceeds out of His mouth!

You are going through a battle right now and the devil is fighting you, how do you overcome? By the Sword. You say, "Is that right?" How did He overcome the temptations: the lust of the flesh, the pride of life, and the lust of the eyes in the wilderness? How did He overcome the three temptations? By the Word. Is that right? By the Word! How did Eve lose the battle in the Garden of Eden? She came out from behind that Word and she was disarmed. She let Satan inject his thoughts in the Word and disarm her and she was vulnerable. She had no defense, no weapon; she perished. But Jesus showed us how to overcome by the Word.

Now, watch this now. The thigh, what a place! The Name is written on the thigh. I want to read some Scripture; Genesis 24. Now, why are we going to Genesis? Because whatever is in Revelation begins in

Genesis. That's the key. If you want to know what it means, see in Genesis where it started and what it unfolds into, you'll understand what that Name on the thigh is.

I have a name on my thigh. If you're a man, you have a name on your thigh too. Maybe some of you don't have a wife yet, so you can't manifest your name. Maybe you are looking for a wife so you can get your name manifested. But I have a name on my thigh, it's written there. Some people, the only writing they know is pen and ink. But do you know that the revelation is written in the sky? Are His laws going to be written in your heart? Amen. How is a thing written? By its nature, what it is, you can see the characteristics, you can tell it is written there.

You say, "That's a dog."

"Why do you call it a dog?"

You say, "Well it's not a lion and it can't be a tiger." See? Even though they paint a dog in tiger colors, it wouldn't fool you; he'll behave like a dog. He sees a bone—or a cat, he'll take off running and barking behind it. You say, "Hey, I thought it was a tiger and all of a sudden it is a striped dog." Why? The life is going to give him away. Is that right? Dog is written all over him; no matter if someone wants to make you feel it is tiger written on him. Are you getting me? Are you getting somewhere?

Somebody says, "I am filled with the Holy Ghost." Bobbed hair, painted face, short dress, high heels, walking and mincing; Jezebel is written all over you. Are you getting me?

You see a man with a little, old Vauxhall gets a Mercedes Benz symbol and puts it up there, or a BMW or something there and tells some young lady, "Step into my BMW."

She'll say, "Get away with your old Vauxhall, it is written all over it." Amen! Some people could read the

writing, friends. Didn't Daniel read the handwriting on the wall? Oh yes!

Now, you listen closely now: Genesis 24. Let's see this name on the thigh.

*<sup>1</sup> And Abraham was old, and well stricken in age:...*

I'm going to the first place here, where *thigh* is mentioned in the Book. Revelation 9 was the last place *thigh* was mentioned.

*...and the LORD had blessed Abraham in all things.*

*<sup>2</sup> And Abraham said unto his eldest servant of his house, that ruled over all that he had, Put, I pray thee, thy hand under my thigh;*

*<sup>3</sup> And I will make thee swear by the LORD, the God of heaven, and the God of earth, that thou shalt not take a wife unto my son of the daughters of the Canaanites, among whom I dwell:*

*<sup>4</sup> But thou shalt go unto my country, and unto my kindred, and take a wife unto my son [my country, my kindred, my son] Isaac.*

*<sup>5</sup> And the servant said unto him, Peradventure the woman will not be willing to follow me unto this land: must I needs bring thy son again unto the land from whence thou camest?*

Because Abraham was old, he might have died, so the servant was asking, "What if you die and he doesn't get the wife yet, should I carry him there?"

*<sup>6</sup> And Abraham said unto him, Beware thou that thou bring not my son thither again.*

"Don't carry my son in a backward step. We've come out of there already."

*7 The LORD God of heaven, who took me from my father's house, and from the land of my kindred, who spake unto me, and who swore unto me, saying, Unto thy seed will I give this land...*

Watch it. Catch it. God swore to him that his seed will have this land, but God was swearing to a man who didn't have any seed yet, who tried to get seed for years but God changed his name and said "I'll make you a father of nations. You'll have seeds like the stars in the sky." And God swore when there was no greater to swear by.

And he says, "Now, you swear to me, that you will get a wife because my son is the expression of the seed that God told me I will have, and out of him, my seed will be called. I'll have more seed. I'll become a great nation, but I have to get the right womb for that seed because if that seed starts off hybrid... Right now, this boy is a product of Sarah and me; and we are blood relation and he's a purebred. I proved it when I went to sacrifice him; he laid down his life, no retaliation. I watched the boy in the evening time in the field; the boy knows where the living water is. He has something about him, he likes to walk in my steps and dig back the wells that I dug." He said, "And I am watching him, he'll be heir of all things. God gave him his name even before he came." Do you understand that?

So he knows why he's going for a wife. He is going for a wife because he is walking in line with a promise that God gave and that... What is the woman given for? Childbearing. So he could bring forth another one like himself. That is why God rejected Ishmael. Ishmael was not like Abraham but Isaac was like Abraham, and Abraham was like God. Because Isaac represented Christ, and Abraham represented God: father and son. And if the Father, God, is getting a Bride for His Son, watch the Mystery. Catch it. Look.

*...Unto thy seed I give this land; he shall send his angel before thee, and thou shalt take a wife unto my son from there.*

*<sup>8</sup> And if the women will not be willing to follow thee, then thou shalt be clear from this my oath: only bring not my son there again.*

How could a believer send his son back into a denomination to get a wife? He might have come out of denomination but denomination has not come out of him yet. How could a man know what Jezebel religion is and make his son get married to some unconverted girl? Are you getting me, friends? Canaan was cursed; denomination is cursed.

Listen close. You see, this shakes up a lot of people but it's right anyhow. People have to throw up their hands and admit their error if they're in error, and just ask God for mercy and go on. But don't try to hold to error and try to distort the Word. No sir, it doesn't work.

*...the woman will not be willing to follow thee...*

Okay, verse 9:

*<sup>9</sup> And the servant put his hand under the thigh of Abraham his master, and swore [unto] him concerning that matter.*

You know what happened, how he went down there and found the bride appointed and so on. But I have to stop because I am going to take too much time to read further. He said, "Put your hand (where?) under my thigh and swear." Why? Let's read another one: Genesis 47, verse 29. This is Jacob at the end of his life here now.

You know Jacob was struck on his thigh by the Angel. And I don't know if you ever thought of it, but Jacob had all his children when his name was Jacob, except for Benjamin. Benjamin is the one who was born after his name was changed to Israel when he had the new walk. And Israel means *Prince with power before God*. And that's why Benjamin is a type of the little ones in the

last days, the 144,000 who are going to come. Now, look. Benjamin means *son of my right hand* – the authority.

Verse 29:

*<sup>29</sup> And the time drew nigh that Israel must die: and he called his son Joseph, and said unto him, If now I have found grace in thy sight, put, I pray thee, thy hand under my thigh, and deal kindly and truly with me; bury me not, I pray thee, in Egypt.*

*<sup>30</sup> But I will lie with my fathers, and thou shalt carry me out of Egypt, and bury me in their burying place.*

Also in verses 29 to 33 in Chapter 49, he gets the rest of his sons and makes them do the same thing: that they will not bury him in Egypt, they will bury him in Canaan land. But look at Jacob here, he is saying, “Put your hand under my thigh and swear.”

Now, I want you to notice that according to the ancient commentaries, the ancient Jewish expositors, (I was reading this.) *thigh* was a euphemism (if I’m saying that right). A euphemism means, *The substitution of an inoffensive term for one considered offensively explicit.* Like Bro. Branham said, “I had to alter my words because I can’t say this in the pulpit before people. It will be inappropriate to say before a mixed congregation.”

So they used thigh for loins. Well, I am using loins; loins is still an even softer word. But I want you to see it had to do with seed. It had to do with seed. It was Abraham’s seed that had to be multiplied and Abraham’s son was where he was tested; believing God’s promise. Because he believed God’s promise, if Isaac died, then that was the only seed he had. But God had told him, “In Isaac shall thy seed be called.” And so, he believed God and then Isaac was raised back up. It was a type of Christ’s death and resurrection; you know that. He got him from the dead; his body was

dead when he had him. And that was his revelation: “If I got him from a dead body, obviously God is able to raise him back up, if I kill him.”

And so, now the boy had to get a wife. Abraham was getting old and that was part of his responsibility. And it was so great a responsibility, he didn't let the boy just walk around and choose a wife. And the boy so understood who his father was, that he wanted his father's wisdom in the matter because he knew, the father could see things he couldn't even see yet.

So watch something. So the time came, he said, “Go now and get a wife. And you, swear you're going to get the wife from among my family,” he said, “because this is not just about you having children. This has to do with a promise concerning this land; a covenant that the families of this earth were going to be blessed one day. And the thing is now beginning to be unfolded through you, so be careful you get this mixed up. Remember what happened in the Garden of Eden. Remember what happened to Noah, your great-great-grandfather. Make sure we don't run into the same problem because this covenant is different.” Brother, they tried to walk close. And you, learn from this!

So the word was put here as a euphemism to make it more acceptable. He said, “Put your hand and swear.” Why? Because the *loins*: the *thigh* in the Bible, represented the seat of procreative power where a man reproduces himself. Man cannot reproduce himself with his hand, he reproduces himself by his seed. God reproduces Himself by His Seed; because the life is in the seed and every seed brings forth after its kind. And a man who is a sterile man, he wouldn't have any children because he has no seed to plant but a man who has seed, only then he can have a name in the earth. And that is why when a man died without having children, his brother had to come because the brother had the same name and the same life, and came from the same loins and the same womb.

Like I was preaching in Princes Town, I said I was part of this Family and my brother has died and I come like Boaz to raise up seed for my brother; come like Christ to raise up seed for Adam. The race fell and died but a son born from a womb, different from the ways my brothers were born from the womb they were born from, to bring redemption for the church that the same Mystery for the Age, for the dispensation, is the same way for the church because God doesn't have two ways of doing anything. God only has one way of doing everything.

That is where you get faith because our lives are a reproduction of His Life. The pattern and the continuity of the Scriptures prove it is of God and not of man. Otherwise, what is going to happen? We're going to have problems because if it was somebody else who was not from that family, they couldn't know the history, they couldn't know the hereditary sins; they couldn't know the original sin, to slay the enmity. Reconcile means: *bring it back*. They wouldn't know what to bring it back to and what it's supposed to be (You understand?); because God had a thought in His mind for it when He brought the Message in the island.

Now the first mention of *thigh* here, is connected with what? Seed! And the last mention of *thigh* is connected to what? Seed; His Name; only your seed could have your name.

Let me read a couple Scriptures with you again, before I start to preach a little bit. Revelation 7—let's get Revelation 3:12 and then Revelation 7. I have many others but I just have to take those two; Revelation 2:17 is one, Revelation 22 verse 4 is the next one but I'll just take these two here. For the tape, it will be sufficient.

Revelation 3:12:

*<sup>12</sup> Him that overcometh will I make a pillar in the temple of my God, and he shall go no more out: and I will write upon him the name of my God, and the name of the city of my*

*God, which is new Jerusalem, which cometh down out of heaven from my God; and I will write upon him my new name.*

*<sup>13</sup> He that hath an ear, let him hear what the Spirit saith unto the churches.*

No man could write that Name upon you, He himself has to write the Name. He said, "I will write it." No man could write that upon you, it's His Name and no man knows the Name. So when He gives it to somebody, it's He Himself has to write it. Revelation 7: and watch how this Name is written now and you'll find out why no man can write it. Verse 1:

*<sup>1</sup> And after these things I saw four angels standing on the four corners of the earth, holding the four winds of the earth, that the wind should not blow on the earth, nor on the sea, nor on any tree.*

*<sup>2</sup> And I saw another angel ascending from the east, having the seal of the living God...*

And does anyone know what the Seal of the Living God is? Say it. The Holy Spirit – Ephesians 4:30: Grieve not the Holy Spirit whereby you are sealed unto the day of your redemption. Seal means what? Ownership, a finished work, and Eternal security: three things.

*...and he cried with a loud voice to the four angels, to whom it was given to hurt the earth and the sea,*

*<sup>3</sup> Saying, Hurt not the earth, neither the sea, nor the trees, till we have sealed the servants of our God in their foreheads.*

*<sup>4</sup> And I heard the number of them which were sealed; and there were sealed an hundred and forty and four thousand... [Twelve thousand of every tribe]*

Now Chapter 14, verse 1:

*<sup>1</sup> And I looked, and, lo, a Lamb stood on the mount Sion, and with him an hundred forty and four thousand...*

That's the same 144,000 that is in Revelation 7, verse 4.

*... having his Father's name written in their foreheads.*

He's sealing them with the Seal of the living God in their foreheads. And here It says that the Name was written in their foreheads. Because a man's seal in the olden days was his signature; the name was the seal. What does the Holy Ghost do? It gives you a birth. That's the New Birth. And when you get the New Birth it's only then, you have the Name; you have the Seal.

Now watch. Now, we're coming down to a place here to narrow it down. Now, I'm perfectly in control here, a hundred percent. I'm giving you pieces. I have my Scripture that I'm going to tie it with afterwards, but I'm scattering out the pieces because I have to lay the seed in first.

The Name written in the thigh was written in the forehead. He had a Name that no man knew. Maybe I should read Revelation 22: 4 also, so you know that. You know some people they get the kind of thoughts, "That's before this and that's after this." And they figure well, "No, no, no, that Name will be revealed somewhere in the New Jerusalem, in the New Heaven and the New Earth." But remember Revelation 21 and 22 is the Bride. The City is a Mystery of the city here. He said, "I'll show you the Lamb's Wife, the Bride."

Revelation 22, Verse 3:

*<sup>3</sup> And there shall be no more curse: but the throne of God and of the Lamb shall be in it; and his servants shall serve him:*

*<sup>4</sup> And they shall see his face; and his name shall be in their foreheads.*

But look where it is being revealed. Jesus got a new Name. Now, we are coming back to our quotes that we read now.

"If Satan gets a hold of that Seventh Seal, those Seven Thunders that hold the Mystery, he will do great

damage. Then wait until the Thunders utter Its voices to that little group, it will shut the Heavens, it will create billion tons of flies, it will slice and cut.” So that’s why Satan wants to get a hold of it. There is power in those Seven Thunders.

Jesus, when He ascended on High got a New Name. And that’s the reason they holler, the ones who claim to be His wife – denomination – but they are not His wife, because they’re bringing forth Baptists and He is not a Baptist; they’re bringing forth Methodists and He is not a Methodist. They are pregnated with the wrong pregation; they are pregnated with Serpent seed, false doctrine. They’re bringing forth hybrid children, illegitimate children and they’re saying “Jesus! Jesus! Jesus! In Jesus’ Name, I cast you out devil, in Jesus Name!” And they’re claiming to be His children but they can’t present their Token with their prayer. They are trying to holler, “Jesus! Jesus! Jesus!” and they begin to find out, it is not in saying, “Jesus.”

You could go to the bank, brother, and call my name all day, it will do you no good; you wouldn’t get a cent. Amen! See? When the Seals opened, what did we find out that was? That was the tares that the evil sower sowed from the beginning! “Every tree My Heavenly Father did not plant, He will pluck it up. He’ll gather the tares to be burnt.” Is that right? They will say, “Lord, we prophesied in your Name. We spoke in tongues.”

He will say, “Depart from Me, I never knew you. You are not My children. Go on. You worship the Beast. My children worship the Lamb.” Did Jesus tell them...?

They said, “We are Abraham’s seed!”

He said “You lie; you are of your father the devil. If you are Abraham's seed, you would know Me.” Is that right? “He that is of God heareth God’s Words.” They were trying to say they came from one loins. He said “You didn’t come from that loins. You are trying to

claim that Name, but you have no claim to that Name unless you came from that loins.” There’s a name...

Friends, if you—I can only bear my sons. I have eight children: six boys and two girls, and the six boys came from my loins. I can’t bear your sons. You bear your own sons and they’re born in your family. The sons I bear can’t join your family. And if my sons... Like I was asking my little boy when I was studying this; he came into the office next to me. I said, “Do you know I am your daddy?”

He said, “Yes.”

I said, “How do you know?”

He said, “Mummy told me.”

I said, “Can you see you’re like me?” From the time...

I said, “Can you see you’re like me?”

He said, “Yes.”

He’s born from my loins. Now, there’s a connection... Catch it now. The Name is where? On the thigh and there’s a connection with the thigh and the forehead. Because the Name that was written on His thigh, He writes it in their foreheads. Your thigh is your loins and your forehead is your revelation.

This is an Age where everybody is claiming to be His children, but His children can’t be deceived because they are the Word. They are part of Him and the Word is a mystery, and they are part of the Mystery. And He has a way He identifies Himself in the Word, and they have a way they will identify themselves in the Word! Jesus said, “I came from God. I am not from beneath, I am from Above.” He said, “You are from beneath, you are not of Above.” The Word of He is using there, He was speaking about origin. In St. John 8, He said, “I am of God; you are of the devil.”

He was trying to tell them that here, we are not talking about whether you are a nice Christian or you say that you love God and you go to church, we are talking about origin: where you came from and where I

came from; where you started and where I started. He said, "That's what is important."

That's where a man makes it or loses it. That depends on whether you have a claim on this or you have no claim on this. And no matter how much concrete the devil wants to pour upon you and around you, and organization, when that Light strikes, It will burst that concrete and bring you out to the Word! Because there is something inside of you that's born for the Word! So there's a name written on my thigh, on my loins. See?

Because when God says, 'Horse', horse doesn't mean grunt, has a little curly tail and then play in mud all day long. That is a pig. When God says, 'Lion' that doesn't mean chatter, chatter, chatter or jumping in a tree and swinging from branch to branch; that's a monkey. The life identifies the characteristics of the name. That name, brother, when God spoke that that was a seed. It was in God's thoughts, a seed, and He spoke and it came into a manifestation. And then you see the identification of that name, that life.

Well, all God's sons, all the names are in the Lamb's Book of Life. The loins is the Lamb's Book of Life because the loins are God's genes, God's thoughts; and God's thoughts are God's seeds. Jeremiah was there, and Isaiah was there, and Paul was there, and Luther was there, and Wesley was there, and Bro. Branham was there, and Martha and Mary and all of them were inside of there, brother, waiting to come forth in their season! Hallelujah! And brother, when He began to bring His Thoughts, His Sperm, they could not worship in any organization.

That's why Martha and Mary, they left everything to follow Him. Brother, that's why Peter and Paul and they said, "In the way that's called heresy, so do I worship the God of my fathers." And they came out of the system. Why? Because when He came, when the Father came, when God was in the flesh He began to

identify that that was not His church. That was of their father the devil. That was Cain's religion: "In vain do these worship." Is that right?

Didn't He in the last Day say, "Come out of her My people"? Alright. So you cannot have the Name that is written on His thigh in your forehead unless you came from that loins. In other words, the Name is written on the seed to begin with, friends. You're not coming in, you're waking up to find out which Family you belong in!

Listen. That spiritual connection between the thigh and the forehead, all of God's sons, even all of your natural sons if you're a father, brother, even though somebody tries to come and say, "That man is not your father, you know," somebody who wants to pervert the mind while you're going to school, "your father is an old adulterer. That man isn't your father. They mind you from small, they have you in that house; they're feeding you because they couldn't have any children. They adopted you from an orphanage. Don't you see you look different to them?"

Well, that fellow could get a lot of mind battles, and listen to all those voices of reasoning and imagination and conscience and memory and affection and these things and those strongholds begin to get strong. And one day something says, "Watch your big toe; watch his big toe. Watch how he scratches his head in the night; watch how you scratch your head in the night. Watch how you lie down and put your hand under your pillow this way; watch how he lies down and puts his hand under his pillow this way. Watch how he behaves in here." And he starts to show you things that you can't impersonate, things that come out of you automatically; things that you've never seen and learned and tried to copy. Do you understand what I am saying?

So then now, you begin to wake up and realize you start to get a power to shut the mouth of the critics, to bind that devil who is hissing in your ear, to tie him up

in a knot: who is trying to paralyze your faith and undermine and destabilize your experience, brother, and take you away from your tie post. You start to get something now to resist that devil to make him flee from you. What is it? Revelation, coming because now, what is happening there, you start to realize that Name is written in your forehead, friends.

All His sons will have a revelation, they came from His loins. That is why when He begins to open the Mystery of the Lamb's Book of Life in this Age and the Bride starts to know the Word a certain way, and the Bride starts to understand by experience what serving God is, how you recognize the Word in the present tense, knowing It by what is happening in you in a way people can't learn It; they could only know It by what happened but you know It by what is happening because you are the interpretation!

And Satan wanted to get a hold of the loins. He wanted to get a hold of the seed because if Satan gets a hold of the seed, he can do great damage. He can't go and use the power because it takes character to use that power, but if he gets a hold of the loins he can pervert the seed and bring them powerless like he made the two Eves. Are you catching me? Get me close. I haven't even hit my Scripture yet, my real Scripture, because my real Scripture would've shocked you, so I have to take the back route to bring you to my real Scripture. Listen.

So, Satan wanted to get a hold of the loins. He knows if he gets a hold of the loins, he'll kill the children. That's his trick right there: kill the children. And that's why you see I stand and guard the children here! Then you'll understand where my inspiration is coming from. The Prophet talked about mama eagle climbs that mountain and she stands there and she watches them play, making somersaults in the grass and everything else and she's watching. And she's watching the weather and she's watching the Northerner coming.

And then she sets those wings and she begins to pick them up, climbs the ramparts of Glory. Hallelujah! He said, "Let some coyote or some jackal come there, she will flog him to death." Because you come against a son or daughter of God, you come against Jesus Christ. Hallelujah! Oh my! Glory be to God in the Highest!

Brother, when Jehovah came on that mountain in the First Exodus and Rameses and they were going to kill out the little children and they were trying to get Moses, brother, Jehovah was there. Oh my! When Herod came and tried to kill Jesus (amen), Jehovah was there. Hallelujah! He was watching with that eagle eye, brother. He knew the enemy's plan was to kill the children. That's his plan always like Athaliah tried to kill the royal seed. You catch this real good now.

Satan's plan is, he wants to get a hold of those Thunders. That's what the Secret is behind. In those Thunders there's a Name, in that Name there is the identification, in that Name is an inheritance, in that Name there is a Life, in that Name there is a seed, in that Name, brother, you have every elected, predestinated one who is going to be identified to be part of this great Family that God had in the back part of His mind; the Family in Heaven and the Family on earth. This great Family where a portion was manifested in every Age: some in Paul's time, some in Irenaeus' time, some in Martin's time, Columba's, Luther's, Wesley's, and some in this time; the whole Family of God. Part is in Heaven and the little group here is on earth this morning and that's the Family that God had.

Look at Israel, they also have their portion. All this Family was connected to whom? Abraham. He was going to have a great nation, 144,000. He was going to have a family throughout the whole earth. All the families of the earth; the Bride in the last days. He was going to have twelve patriarchs coming out of Jacob. Is that right? What is that? Twelve foundations, twelve apostles, twelve gates, twelve patriarchs, 144,000, the

wall, 144,000 [Glitch in audio -Ed.] ...the Bride, the families of all the earth. It was tied to Abraham! And where does that city come down? In that very land where Abraham was walking around. Where God told Abraham, "Palestine, The Royal Grant, I give to you." That's where the city comes down. Is that right? Alright.

Why am I saying this? I am saying that to show you this. Abraham said, "Put your hand on my thigh and swear; on my loins (I can't go any further now) and swear. And when you swear... because God told me a whole nation of Abrahams - all the families of the earth will have royal seed of Abraham with this same faith. Brother, it will make up a city and the walls and the foundation and the gates, in the end, it will be Abraham. And it will be in the very land where Abraham is supposed to be. And here in Genesis 24 which is the Seventh Seal... (It's too much to scatter out, so I am going to leave you in a few places.) That is the Seventh Seal.

What is that? God, in the back part of His mind, begins to open up the Mystery to get the Bride for His Son: Here's the mystery of the Fatherhood, Abraham. Here's the mystery of Sonship, Isaac. Here's the mystery of the Bride, the feminine spirit, the attributes, the names, the seed. Here's the mystery of the evening Messenger. Here is the choosing of the Bride in the Evening Time where the Son and the Wife are going to be married and be heirs of all things!

Then the Seventh Trumpet, here's the 144,000, our Seventh Seal; their Seventh Trumpet, a remnant according to election with the Name that was on the thigh written in their foreheads. Daniel heard the Thunders. Is that right? The Name is in the Thunders. Did they have the Name under the Seventh Trumpet where the Thunders were uttered? In that Day shall Michael deliver the names found written in the Book. What happened to them on the Jewish side, is

happening here! Has Michael descended? Has a mighty Angel come down? Has He opened the Book? Is He delivering the names in the Book? Is He writing the Name in their foreheads?

A people in this Age under this Message know that they came from God and they're going back to God; that the Name on the thigh is in their forehead, it comes by a New Birth. They know they were in the loins of God, in a section where it can't be blotted out because they have the Life, they have the characteristics, it cannot be blotted out! He left back part of the Word and they are fulfilling that part of the Word to prove that they are those genes! He put it in an unknown language that only the Life can interpret and they interpret it living out that mystery!

Listen to this. Jesus said, "No man knoweth the Son but the Father, and no man knoweth the Father save the Son." There is a knowing. "In that day, you who were in My loins, whose names were written in My thigh, you shall know as you were known. You'll have knowledge by experience, you'll have a revelation. It will be in your forehead because I built My Church on revelation." What's the New Birth? The revelation of Jesus Christ is the New Birth.

Every mammy who has had one husband and brought forth the seed for one husband should be rejoicing, this morning. Continue to bring forth the husband's seed out of the womb, the name that was written on his thigh. Brother, those children didn't get some changed up name through some paper and tried to put that man's name on this child and that child doesn't really have that man's life and that man's blood and it can't trace the way back to that man's lineage. No sir! How did they get that name? In the Red House? [The Red House was the location for registering births -Ed.] Did a godfather give them that name? Brother, that name came by birth because they were seed in that man's loins! You know by revelation who your father is.

Bro. Branham said, "That's why I like a pedigree Christian. That's why I like a thoroughbred Christian, he's like a horse; you can teach him something. I like a nice, pedigree horse." He said, "I hate a mule, a mule is hybrid. The mule doesn't know who his pappy is, he doesn't know who his mammy is. But a horse, he knows who his pappy is, he knows who his grandpappy was; he knows who his great grandpappy was. Hallelujah! All the way back where El-Elah-Elohim was there and all those names were there inside of Him before the foundation of the world, brother! Hallelujah! That's why He said, "When you pray, pray Abba Father." Why pray Abba Father? The revelation comes to you, you know Who your Pappy is: the Word that birthed you.

That's why when you get birthed by a Baptist message or a Pentecostal message, or some Jehovah's Witness message, Seventh Day Adventist seed; you're getting birthed by Serpent's seed. You more resemble the devil than God! They're trying to camouflage Christianity; but when they get birthed by the Sperm that comes through the Body, only those in His Body have His Sperm. And that's the revelation to make a little Jesus, because He was given a Bride to produce a Super Race, a Super Church. That's what those Thunders are: the Secrets that Satan wants to get a hold of.

If he could get a hold of the Secrets, if he could get a hold of the Name, if he gets a hold of the Seed that could bring the Life, if he gets a hold of the Channel, how to bring It; he will know how not to bring It and he could pervert It. That's why he got a hold of Eve and perverted her and then made her take Adam's seed under his direction, under his control, under the influence of his false teaching and she brought Adam's seed through the perverted channel and they all came dead.

That's why Paul said, "As the Serpent beguiled Eve so will these come preaching another Jesus, another

Gospel.” They were trying to get the Name but they didn’t go up in the upper room. They didn’t come through like Peter and they. Peter and they talked... Brother, when Paul talked to Apollos, he said, “You all sound good but have you received the Holy Ghost? You’re not sounding like children yet, you’re sounding like you want to be children. Have you received the Holy Ghost since you believed? Have you gotten the Birth? Do you know the Name is in your forehead? That’s why your baptism is the wrong baptism. Your baptism is unto repentance but when the Holy Ghost comes and reveals to you the Name; how to come back through a new and living way; because the veil is off the Word. Didn’t you know that Jesus opened the Scriptures and opened their understanding, Apollos?” Oh, thank You, Jesus!

Bro. Branham said, “One day I found out I was not the son of Charles and Ella Branham.” That same Angel Who had the Name written on His thigh dropped down in the cave and He came to the Prophet and He said, “Who are you, boy?”

He said, “I am William Branham and I grew up in Jeffersonville. My father was a Kentuckian.”

He said, “No son, you’re not that. Let me show you your strange life.” He said, “I’ll tell you something about you; you’re seeing visions since you were small.”

He said, “Yes.”

“Did your father ever see them?”

He said, “No.”

“A Voice talked to you when you were seven years old.”

He said, “How do you know that?”

He said, “The preachers told you something is wrong with you, they said you’re of the devil because you have these gifts.”

He said, “Oh yes, that is the truth, that’s why I am here.”

He said, “And you were confused about the Pentecostals, and one day you were up in the mountains and the wind blew to the Scripture and it came on Hebrews 6.”

He said, “Yes! How do You know about that?”

He said, “I was the One blowing it to you, boy.” Hallelujah! “I was the One Who spoke to you on the river, I was that One there. I’ve come to tell you who you are. I’ve come to write the Name in your forehead. It was written there in the woodshed but it’s like you didn’t recognize what was written there. You saw an unknown language by the Cross, in unknown tongues but it’s come back here; I’ll spell it out for you now.” Hallelujah! “I’ll show you, boy.” Amen!

Oh, thank You, Jesus! It struck him! Where did he find his Father? Where did he find his real name: Malachi 4:5, Revelation 10:7? In the Mysteries of God, the Mystery of prophecy; found it hidden in the Scriptures. He found it hidden in the Scriptures to walk there. They said, “But this man is supposed to be uneducated. How come this man knows these things?”

It’s Who his Father was, it’s what kind of Life that was in him, it’s what kind of Seed he was pregnated with; it’s what kind of Baby he was bringing forth. He didn’t have a Baptist name; he didn’t have a Methodist name. Even when he said, “I am Pentecostal,” he was always careful. He said, “Not Pentecostal denomination I mean; not that. Real Pentecostal like Paul and Peter and they were. I preach what my brother, Paul preached. I watch him. He was in the Alpha. I know he laid the foundation and if Zerubbabel laid the foundation, the same One has to come back. And so, it’s going to take the Spirit of infallibility, the power of infallibility to come again like it was in Paul’s time when a man’s Scriptures—man’s writings became the Bible. So now, my revelation of his writings will become the revealed Word vindicated by the Spirit in Its full strength to prove

that this is the Seed and those who reject this Message were never in the loins of my Father.” Oh my!

So that Name that is written in the thigh... All my sons, my name that is written on my thigh... My name is not what I sign so much, friends. People can forge signatures. Man forges that. Man copies man's signature and draws their money out of the bank, but man can't forge that next one. You might give them plastic surgery but you can't alter that life in them. You might try to brainwash them into another identity, but brother, anybody who can contact the subconscious is going to pull it out and expose that they have just been brainwashed temporarily; because you can't hold down that life, it's ordained to come forth.

That's why they brainwashed some of you all with Nazarene doctrine, Pilgrim Holiness doctrine, Pentecostal doctrine, Catholic doctrine, but you were only temporarily brainwashed. When the Holy Ghost struck the Seed, (amen!) It burst those things to pieces and you came forth in your real identity. Amen.

When all my sons who were in my loins were born into my family, they were birthed and I birthed them; another couldn't birth them for me. There is One standing among you, He alone baptizes with the Holy Ghost and Fire (St. John 7). All of us, many of us could baptize in water, but He alone, He alone has to birth them. And He doesn't birth anybody who didn't come from His loins because they are unbirthable. There is nothing to quicken inside of them if they did not come from His loins.

Listen. Let's get this key in here. Look in the natural. *The Second Seal* [1963-0319 - Para. 157 -Ed.] I'm past our time, but listen. I have not gotten to my Scripture, yet. I am about halfway through to my cut-off point.

*Look, the natural woman, Adam's bride, before he come to her as a wife, [she] fell for Satan's scheme...*

It's not God alone has a Secret; Satan has a secret too. Do you know Satan has secrets? Why do you think

the whole world was in organization and will remain in organization? It's because of Satan's secrets. I'm preaching about THE LAW CONCERNING THE SECRETS. If Satan gets a hold of the Secrets, he'll do great damage with it.

You get a hold of this Message, you get a hold of this Seed; you get a hold of this Life... That's why people could take the knowledge of this Message and go in the world, brother, and do all kinds of things with it for their own benefit. Brother, this is a powerful thing!

Remember when Satan got a hold of Eve? Look at the damage he did when he got a hold of her. The world has never been the same since; one woman. Like I was telling some brothers yesterday, I said if one woman Satan got a hold of turned the world upside down, what will he do with about four billion? I pray thee, tell me. He turned the whole world upside down, brought every graveyard, every cemetery, with one woman. Do you see why the purification was sixty-six days for a girl-child and then fourteen days for the woman herself, making it eighty days? That's double forty.

Listen. He does great damage when he gets a hold of things. He's a perverter, you see; he perverts the right things. Remember he has nothing of his own, he only perverts the things of God. My brothers, don't let him pervert you. If you are a seed of God, don't let him pervert you. My sister, if you are a seed of God, don't let him pervert you. God brought you forth for a purpose.

*...she fell for Satan's scheme against the Word of God by reasoning it. Before Adam lived with Eve as a wife, Satan beat him there. That's right.*

Then in *The Fourth Seal* [1963-032 - Para. 339 -Ed.] he says:

*Notice... "Power was given unto them." Who is them?... Antichrist called death; [He is dealing with the Fourth Seal.] Watch his four point scheme.*

*Antichrist, white horse, [he] kills by spirit, ... spiritual kill.*

*Number two: Red horse: kills by sword, political ... when church and state united.*

*Black horse: souls when he give out his doctrine, she did there with her fornications, and he weighed out the food by... Sold... What they'd give for food for balance and the pennies and so forth.*

*Fourth, a pale horse: eternal separation from God (again ... See?).*

His four-point scheme; look how he corrupts the whole world with his four-point scheme (Satan); religion, politics, all these things, pleasure, fashion, business. He corrupts the world and the people with that! That's his scheme. And Eve fell for the scheme in the garden of Eden.

Now watch. I'm showing you his scheme. Why? Satan has secrets too, but God got a hold of his secrets. Why are we free today? Because God exposed the devil's secrets to us. Why is the devil howling? His scheme, his secrets were uncovered, but God hid His own! So you have one man's secrets got exposed but he wants to get a hold of the next man's Secrets. But the next Man's Secrets are not for the flirts, it's only for His Wife; His children who proved to be His children have that Secret. It's written in their foreheads because they came from that loins.

Watch. *The Third Exodus* [1963-0630M - Para. 213 -Ed.] page 43—33 rather.

*Notice, the king, [talking about in Egypt, another Pharaoh] that didn't know Joseph, what was his first scheme to destroy the power of Israel? Was with their children. [Catch this. Learn something in this Hour.] Is that right? He tried to destroy their children. The same devil, in a different form of a kingship, [which was in Herod] tried to destroy God's only Son.*

Remember Rachel, Rachel weeping for the children? [Jeremiah 31:15 -Ed.] Remember how they killed all those children trying to get Moses; then killed all the children trying to get Jesus? In the last days, trying to kill them

again, the children with the Name in their forehead. Remember the Dragon spurt water out his mouth to make war against them? But remember they overcame; they had a victory day? They overcame the Beast, the image, the number of his name. Why? Because they had the Name in their foreheads. He couldn't trap them in the deception. They knew they were sons and daughters of God. They spit the world out he can't trap them in that place. They know organization is death; that it's of the devil; that's the Serpent's seed. That was Cain's altar but it was going straight to the Lake of Fire. Look.

*The same devil, in a different form... [Watch how... He says:] The devil is a real smart, shrewd bird. He knows how to hit the thing before it gets started. He knows it.*

We're trying to restructure here. You think the devil doesn't want to hit this before it gets started? That's why I am trying to bring the Word to tell you, watch your place, it's a constellation. You have to hold your place. Refuse to be shaken from your place. You have to move with the Word. It's an Hour, brother, where it's great spiritual warfare and the powers of Heaven are being shaken and many stars are becoming wandering stars and fallen stars. But God wants stars set in their courses. See? Now watch.

*Notice. The devil, in a form of—of Raamses, a king, the first thing he done was get rid of the children, with a natural death. And as soon as the Son of God was born... He had moved from Egypt, 'cause God destroyed Egypt, cursed it. It's never come back, since. Then he was in Rome; Satan moved his seat up to Rome. And the first thing Rome did,... destroy it all, to get, be sure; the devil, in that Roman system tried to destroy (what?) the Son of God, to begin with. The same devil!*

What's his scheme? His scheme is to get the seed. Who were the children of Israel that got killed? The seed that comes from the thigh of those men that were going to bring forth the generation that was to be led out into

the promise, and he tried to kill it. And he did a great damage. Then in the time of Christ, he tried to get that Seed that came for redemption, the One Who had the Name. He said, "Father, I have declared Thy Name. Father, I have manifested Thy Name. No man knows the Father save the Son, and whom the Son reveals Him to."

He knew He was the Word. He knew He was the Son that was to come. "Unto us, a Son is born, a Child is given." He knew He was that One Whom the government shall be on His shoulders: "A virgin shall conceive and bring forth a Son, and His Name shall be called Emmanuel." He knew He was that Son that God told Eve, "The woman shall receive a Seed." See? Now watch something.

Satan tried to get that Seed and he didn't get it; he did great damage. But then when the Church came forth, what happened? Before they got started, before they got on the right road, it didn't last long enough—sin couldn't stand in the Church; a few days after, the Church got infiltrated. See? They couldn't hold their place. Satan hit the thing and the Bride fell, the same way the first one fell.

And then when the Secret comes to give birth to a Bride, give birth to the Seed; those Seven Thunders, the Sperm coming out to Birth them, to give them the real Name, to give them their place in the Body, to reveal their lives to them, what happened? He came to hit them again. And look at the Prophet who is birthing them. He said:

*And, today, he's done the same thing, under the sign of spirit now, religious, professing Christianity, and taking our girls and marrying them to Catholic boys, and make them bring up their children Catholic, to break the power of the other side. There is your demon. There is your devil seated on seven hills, wearing triple crowns, just as slick and cunning, smart, intellectual like the*

*serpent; the seed of the serpent, his children, using the same intellectual techniques.*

What was he doing? Breaking the church, the Protestants, so Jezebel could rise to the throne; just bewitches the whole world under that anointing of idolatry and then closes down churches like these, slaughters them, run red with blood again.

How can you in this Hour sit under the Mysteries of God being revealed, unfolding the foreknowledge of God, the prophecy becoming history, posting you, seeing the time and seeing the Hour, seeing the cunning moves of the enemy, seeing the enemy's secrets exposed and the enemy's wife in a rage; and brother, like Jezebel, she is going to really turn on the heat now. And that Council is tightening up, to do what? Shut down places like these. It already has them under scrutiny. It already has them under... brother, monitoring their activities and everything else, because they know these are the people.

Like one of the brothers, a police brother was telling me that on the internet they have Cult Watch, and they have Branham as one of the cults you have to be careful of and watch closely. See? She has her schemes, brother. She made Naboth look like a criminal and killed him to take his property. Is that right?

You watch, friends. You see, many of you kind of go along; you get lost in your own little worlds. You get lost in your own little private programs and you miss the Word of God unfolding. You'd better plant your potatoes and then get ready to reap them right away, too. Amen. You'd better not be caught digging potatoes when it's time to run for your life. You'd better know a little more than potatoes in this Hour. Get some beef with it! French fries by itself isn't too good, friends. You'd better get that beef. Put some beef on that plate as well. And there's a servant giving out the meat in due season.

*Then they kill the children, in the other two times. They kill the children with what? Two times.*

Now remember, First Exodus and Second Exodus they killed the children and in the Third Exodus, they're coming for them too. Watch. You'll be pressed until you are all pressed out and there will be a slaughter. He'll pluck that little woman like Haman, the mischief of Haman, coming to kill them. But Mordecai had exposed the thing, and Hatach was reiterating the words of Mordecai in that Hour. And Queen Esther, brother, had come under the anointing and she said, "If I perish, I perish, but I am going into the presence of the king." See?

*And this last time, he's getting the children and kill them with spiritual death, marrying, inter-marrying.*

And that's why the Word is showing you what marriage is.

*Didn't Daniel say the same thing, in this kingdom of the iron and clay, that they'll mingle the seeds, trying to break the power of the other people?*

Not just naturally; hybreeding the doctrines, hybreeding it, friends; watering down the Seed and giving people a perverted birth. If he gets the Seed, if he gets the loins, if he gets the Secrets: the Name in those Seven Thunders that no man knows, His Seed and His Name, His Seal; His Life and His Name; His Seed that His Name comes by that births you; His Blood that proves that you were in Him, if Satan could—and what's that? That's this Message, not the filler, the Message. There's a lot of filler around it but if you see the Message, the rest is filler.

Listen. *Christ Is The Mystery Of God Revealed* [1963-0728 - Para. 582 -Ed.] *Notice, being personally identified by the original Headship, we have the answer to the devil's question. Amen! Glory! We have the answer to the devil's question. He, Christ, is risen and has paid the price, and raising up the Head...*

*The devil can't stand it. That's the reason these ecumenical kingdoms are setting up. That's the reason they're all coming into what they're doing now. The devil, that's the reason he's howling the way he is. His wickedness has been... his scheme has been uncovered by the risen, resurrected Christ ... the Headship [in the] Body.*

His scheme that he trapped everybody into, false birth; planted his seed. He has a seed. He has a name. He calls some of his children Baptist, he calls some Methodist, he calls some Catholics; he calls some Pentecostal. Brother, he called them all kinds of different things. All of his children, he named them, and those names are blasphemous names that came from his loins because he birthed them by false seed. He birthed them in the womb of a whore! An organization is where he birthed them where they know nothing about God. All they know is creed and ritual. They built a pretty kingdom like Lucifer tried to build in Heaven; seducing spirits like Mr. Price and them and these Pentecostal people here, who bring these kinds of people because they are all of the same spirit! The offering is more important than the altar call! The spirits are still there!

All they caught was little fish, spotted; but the rainbow trout, (hallelujah!) the Third Pull was going to get them: "I'll meet you in that Place where He placed His Name. I'll meet you in that Place where He placed His Name!" Are you getting me? Oh my! I think I could come in here, now. Amen. I think that that is sufficient there.

His secrets have been exposed; his secrets have been uncovered. When Christ started to pull the Seals back, all his secrets were exposed. He was humiliated! He exposed him, all the way back to Heaven: *Satan's Eden* [1965-0829 -Ed.], *The God Of This Evil Age* [1965-0801-Ed.], *And Knoweth It Not* [1965-0815 -Ed.]. He said, "In Heaven, he had five 'I wills.' Look at Nicolaitanism: he tried to

conquer the Angels in Heaven.” He said, “Then Balaamism: he brings out a worship to himself. The doctrine of Jezebel: he declared war and fought against Michael.”

He was kicked out from that battleground; dropped down in Eden. Nicolaitanism, conquered Eve. Balaamism brought her into the false union. The doctrine of Jezebel made her give Adam the cup to drink, after he drank his fill out of the cup. Then she comes on the scarlet-colored Beast; he was the Beast packing her to Adam. She was a whore, giving out false teaching and brought forth Cain and said, “I have gotten a man from the Lord!” a devil in her womb; church member who doesn’t know anything about God, can’t take correction; bastard, the first bastard in the Bible; illegitimate, marked, and separated, showing what the last one will be.

He didn’t come from Adam’s loins, he couldn’t have Adam’s name! He could not be in the genealogy! He could not be in the birthright! He was never called the son of Adam in the Bible! He was the son of the wicked one [1<sup>st</sup> John 3:12 –Ed.]. Are we getting somewhere? It takes not just the Seed, it takes the right womb to come with that Name correctly. I’m going to prove that to you now; where we’re going to get here now. And when He decides to pull the Seals back and expose his secrets, brother, it showed he is the sower of what? The seed of discrepancy. He had a name on his thigh: Mystery Babylon, the religion of Nimrod. All he planted was Nimrod’s doctrine, Nimrod’s doctrine, Nimrod’s doctrine.

Didn’t she have a name written ‘Mystery Babylon’, the name of the Beast; the number of his name, the image of the Beast? Was Pharaoh in the Book of Life? No, sir! Was Moses in the Book of Life? Yes, sir! You see? See where we’re getting now? Watch Rameses and Moses back there; watch Rameses and Moses back here. Watch political power, watch spiritual power growing,

coming to the head in the earth. I'm hitting my Scripture and closing now. Bear with me in my folly.

Deuteronomy 25: The Law Concerning The Secrets. The Name on the thigh is to be revealed in the Seven Thunders when it utters its Voices, friends. And where does it utter it's Voices? Between the Sixth and Seventh Trumpets: Sixth Trumpet – Hitler and Eichmann; Seventh Trumpet – Moses and Elijah. Somewhere between World War II and Moses' and Elijah's coming, there'll be a people getting that Name written in their foreheads. They will know that they came from that loins. They will know that they are Bride; they will know. They will see themselves in the Bible.

Get it now. I preached all around my message; now, I am preaching my message here.

Verse 11:

*11 When men strive together one with another, and the wife of the one draweth near for to deliver her husband out of the hand of him that smiteth him, and putteth forth her hand, and taketh him by the secrets:*

*12 Then thou shalt cut off her hand, thine eye shall not pity her.*

That was given as a law in Israel. Strange that God would put a law like that. Maybe you don't see anything in that, but I can preach from now until the end of the year right here. But I'll preach for the next half-hour, maybe.

It's a law and this law has a penalty with it. I want you to see this. But look at how the law is presented to you. The law is presented to you in a scene of a fight, a battle; two men fighting. And one man's wife is seeing her husband getting a licking. This other man is dealing the husband some blows and he can't escape from those blows, and he's being so humiliated that he starts to howl and bawl.

That's the reason he's howling; his scheme is uncovered, his secrets are exposed, he's humiliated. All the evil seeds that he planted and had it covered up and nobody ever knew, all the forms he moved in, so religious, like the White Horse, looking so innocent, shooting arrows at theologians saying, "It's Cupid with arrows of love," all this time it was a sower of the seed of discrepancy: the Serpent. When this man started to deal blows on him, he uncovered him to be one, evil impostor, whose loins were full of death, and showed which part his death was coming from.

Where was his death coming from? His loins. Where did Eve get the death from? His loins. What did he tamper with? The seed. What did it do? Birth false children! What did it make them? Fighters against the True Word. And what was their end? The Lake of Fire. Now watch.

Remember friends, you only came into this Message because Satan's lie which you used to call God has been exposed. If a Message didn't come to expose that, you would've been speaking in tongues and rolling on the floor in the Pentecostal church, cursing God, lying and all kinds of things and saying you have the Holy Ghost. Many of you would be with your rosary, feeling that you were doing the work of God and, it was bead, after bead, after bead, after bead. Many of you would be with your Jehovah Witness Watchtower, with your unclean issue every month, out there, trying to anoint people with it if this Message didn't come to you. Because the Word of God can't produce that! That's not in the Word of God. But that happened when a man got a hold of the Seed and perverted It and when he hybrid It, he planted a perverted Seed.

The devil sowed his evil seed, the Serpent's seed; brought forth a worship but a false worship; brought forth a wisdom but a sensual, devilish wisdom from beneath (see?); brought forth a pride, brought forth an organization; brought forth an attitude of rebellion.

That is what that seed brought forth; brought forth one to fight and slay and kill the innocent blood...shed the innocent blood.

Now watch. And when this man started to get exposed, his secrets were being exposed. If you notice, this law is being presented to us in the form of a fight. It is not a straight law, it's not saying, "This is for this." It's giving you a scene: two men fighting. And the penalty of the law is upon a woman. And the reason that the woman's hand is being cut off: she is putting her hand in a place where her hand doesn't belong. She has no rights to access. If she gets a hold of those loins, that thigh, she could do great damage.

The woman's efforts was to get a hold of the man's secrets and that was the seat of procreative power. That was the seed by which the man was to continue his name in the earth. That was the seed that was to be planted in the womb of the married wife, to bring forth sons for the man to raise a family who is going to come into his inheritance. She's not trying to grab the man's hair. She's not trying to take the man's shoe off his foot. She's not trying to hit the man on his back. Why is she going for the man's secrets? Because the one who is dealing blows at her husband has all her husband's secrets exposed. She's coming with revenge. She's coming shameless. She's coming with a wicked intent. And since all her husband's secrets are being exposed and being crushed, and being destroyed that he can't plant any more seeds of discrepancy, she decides to inflict the same type of thing on the next man. This is the picture.

Let me tell you, some of you religious people, if you read the Bible and you don't see Jesus Christ in a Scripture, go back and read It, you missed It somewhere. Jesus Christ is in every Scripture. If you know the Seven Seals are opened and the Seven Thunders are revealed; every Scripture reveals Christ

from Genesis to Revelation. I'm not giving you a part-Word now.

The first time *thigh* was mentioned, it was connected with seed and bringing forth a race, a family for an inheritance. The last time *thigh* is mentioned, He is coming back from the Marriage Supper, the Lamb and His Wife; Isaac and Rebekah are coming back to come into the Inheritance and reign upon It. And all these who are called and chosen and faithful, those were the seeds that were in His loins that He's coming back with. He's coming back from the Honeymoon to establish His Throne on the earth!

It's connected with marriage the first time in the Bible; it is connected with Marriage the last time in the Bible. It is connected to the name on the loins the first time in the Bible; it is connected to the Name on the loins the last time in the Bible. Jacob was given the name Israel to bring forth twelve tribes that were represented from Virgo to Leo in the heavens. Is that right?

The only way the promise could come in, they had to have Seed. The only way this Message could bring a Bride to go in the Rapture, it had to multiply by the Seed. The reason there was no Bride to go in the Rapture, it's because there was no Seed to birth the Bride. When Seed came, the Message started to Birth people around the world and they came forth in a Race advanced to the Pentecostal denomination. And they came forth in an Image to prove that after them there is no more race; because they are bringing forth the fullness of what it was, back in the Garden of Eden.

That is why we could take the Mysteries of God and expose It. "Wait until," he said, "those sons of God in the last days take the Mysteries and display them to the Church." If you're spiritual, you'll see the places God went in the Word, showing you how everything in the Bible ties back to the original sin. If you miss the original sin, you miss the whole Bible. You miss the

New Birth, you miss everything about Christianity because He came to bring that New Birth.

Now watch. So, that scene is a fight, a conflict, two men in conflict. It started in Heaven with Michael and Lucifer. The battle that started in Heaven is going to end on the earth in the form of...? [The congregation says, "Armageddon." -Ed.] What is Revelation 19? Armageddon – the battle ending up – Michael and Lucifer on the battleground again, those two men. And the Catholic Church, that woman Jezebel who sits on the throne in this Age at Supper Time, Evening Time (when He's going to feed them to the fowls of the air like Elijah prophesied concerning them); she is going to vent rage, his rage, because all her husband's secrets have been exposed.

Why are they coming to shut down this Message? Why? Why are they coming to close down churches like these? Why? Because the Prophet healed people? Because of the Seed, friends; because of the Name on the Thigh.

That Seed revealed hybrid religion, *Jezebel Religion* [1961-0319 -Ed.], *Why I'm Against Organized Religion* [1962-1111E -Ed.], *Why Are We Not A Denomination* [1958-0927 -Ed.]. That Seed exposed that. That Seed exposed that, uncovered it. When he says, "The devil is howling," it's because his scheme, his secret, his four-point scheme has been uncovered.

Listen. But God here, His intent is doing what? Revealing a law to us. And that law was being revealed through a crime, an offense, a punishment that was a penalty for that crime. Through the scene, it introduces us to a fight. We are seeing what the crime is. Do you know what the crime was? Trying to get a hold of the Secret to do great damage. And do you know what the penalty for that crime was? Do you know who the offender was? A woman; and the judgment was to cut that hand off clean. She's touching what is private property, what belongs to the married wife. She has her own husband.

Now watch. Now, God here is showing how this law and its penalty was to be applied to the crime and how it was to be executed. Remember, all these things were shadows and types because the first war in Heaven was Michael and Lucifer: first battleground. Second battleground: the human mind, Michael and Lucifer. Third battleground: Armageddon, Michael and Lucifer.

Same war, just changing battlegrounds but it is two men fighting. Both men have wives. Satan has his bride: that woman Jezebel and Michael has His Bride on the earth: the elected Lady and Her children. This man tried to defame the other Man to prove that he was God. The Man knew what he was doing but He let him run his time and when the time comes, He drops down in Revelation 10 with eyes like a flame of fire; Seven Thunders utter Its voices and He put one foot on the land and one foot on the sea.

And brother, when the Lion begins to roar, He is going for the prey. He is taking dominion now, He's come for battle. What does He start with? He starts to rip the Seals off and when He starts to rip the Seals off, the first thing He is doing, He starts with the original sin and starts to expose the evil seed, and starts to expose this man who caused all the trouble on the earth. Every bastard, every illegitimate religion, every cult, everything, every night club, every prostitute, this man caused it. He planted these things; every politics, brother; every bit of perversion, every homosexual and lesbian, this man planted his evil seed. All the pornography, all the evil music, all the evil inventions this man planted it! And brother, this woman's husband was in such a firm grip, he couldn't shake loose. And when she saw where this man had her husband, where he had held him, humiliated him; exposed. Do you know the devil is walking about exposed all now, to the Bride?

Did you ever hear the story of the king? The king had no clothes, remember that? I can't remember it clearly

but it's coming to my mind right now in the pulpit here. Nobody knew that the king was naked, because—I can't remember how the story goes but I see some people laughing, so they know what I am talking about.

Well, the Bride knows his scheme is uncovered. She knows he is naked, She hears him howling. Why? Because there's One who came and stripped him and exposed him and laid him naked and bare. Brother, we even know that *He* becomes *She* in the last days. We know when he started, it was an antichrist spirit. We know he becomes false prophet. We know he becomes Beast. We know it's the same rider changing horse. We know he's uniting all the horses in the last days. We know the ecumenical move (he said, "That we all may be one) is really the tares being bundled. We know it. We know this image that they're putting up here, is like Nebuchadnezzar put up that image to get the people to bow down to it. And there's a group; we will not bow to that image! We know that. Why? It's been uncovered to us.

We see that loins. He preached *Seed of Discrepancy* [1965-0118 -Ed.] and he showed us the loins that it came from. He showed us: "I will be like God." That was in the loins. "I will be worshipped like God." That was in the loins. Those are the seeds he planted in the earth. It's Satan's Eden, a world more legalized to sin in. He made his Hollywood, put all those young men and young women kissing and carrying on, on the screen, brother, to blow young girls' minds, to plant seeds of lust. He wrote all those books: *Modern Romance*, *Teen Romance*, pregnating themselves with seeds of lust; whetting an appetite for sex; lighting fires in their bosom, playing with fire. They don't realize all those books is fire but that's how he has worked. That's how he has planted his evil seed. That's why we have to... [Glitch in audio -Ed.] ...come through a thinking man's filter.

Now watch. And in this great struggle, one man is on the receiving end. Watch how the law is. The law is

specific. The law is not just a general law, it's a woman getting judged for trying to come to her husband's assistance. Now, it looks like she's not doing a bad thing but she's trying to help out her husband. But this is an evil woman because God's law is righteous. God's law isn't giving a wrong judgment, this woman has an evil intent. God is seeing the woman's actions worthy of that kind of judgment, because God knows who the man is and He knows the man deserves to be beaten to a pulp by the man who's beating him. He is getting the licking he deserves and he has a right to be humiliated. Because why? At one time he stripped this Man Who is beating him, on the Cross too, naked and exposed all His shame. And he made all the church world call Him the devil and say, "Give us Beelzebub instead. Give us Barabbas instead." So he deserves what he is getting now. When he is being uncovered, his wife comes running with an evil intent and she goes for the Man's Secrets.

Do you know what a secret is? *Secret* means *conceal from general knowledge or view*. This Man's Secret is covered up. This other man secret is exposed. The One who is beating him had His Secret covered up; His Name is on the Thigh and nobody knows it. But this other man, they all know his name now because it's been exposed; it's been proven that they holler and get nothing. It's been proven it's just a blasphemous name, it's a cult. See? It means: *kept hidden, not visibly expressed, private, inward, known or shared only by the initiated*.

She was trying to get a hold of those Secrets to do great damage. Do you know what happened in the days of Noah when the sons of God saw the daughters of men, and the daughters of men got a hold of the secret of the sons of God? Do you know the sons of God had secrets? And they were to bring forth one, brother, who could catch a revelation from God like Abel caught, who knew the way of sacrifice to worship the way Abel

worshipped. What did they do with the seed? They brought it through the daughters of men. And what happened? They all fell. Only Noah alone was found perfect in his generation.

In the days of Moses in that First Exodus, look at those women of Moab under the influence of Balaam. They got a hold of the secrets of the sons of Israel, and what happened? They began to destroy the originality and Moses saw the danger; a hybrid church was going to the promise to be disinherited, couldn't face the giants in the land. And Moses stopped that camp and cut that thing and slew every man and woman. Is that the Bible? *The Javelin and the Sword* – Cut it out! Why? They got a hold of the Secrets.

Let me tell you something. Why are we seeing all kinds of illegitimate bastards, rebellious children who don't even know about God, can't even talk the Message language, filling Message churches in this land and around the world? Why? Tell me why? How come they're being born that way, sitting under this Message? Tell me. These women – churches, they have It on the computer, they have It on disk. They got a hold of the Seed, they have It on tapes, cassette tapes; they have It in books. They could mix It, they could hybridize It, they could preach It with a Pentecostal anointing. They're not dying out to the old system and they are claiming the new Message and they are patching the old garment with the new garment. No wonder they're bringing forth what they are bringing forth. And they have them so blind, they're saying "We're going in the Rapture. Hallelujah!" and they can't even cross the road. They can't even do anything right, to begin with. You see it. Why? They got a hold of the Secrets.

Didn't Hagar get a hold of Abraham's secrets and bring a fighter of the Word? He shared his secrets with her. And Sarah was so foolish, her own unbelief created a problem. You know how many people, because of their unbelief get the secrets shared with the wrong

womb. Are you getting me now? Didn't that woman, Jezebel in Nicaea Rome, when they went to that convention, get a hold of the Secrets and they came back without baptism in the Name of the Lord Jesus Christ, and they came back without one God? They forfeited their rights to the Word and Pergamos was what...means what? Married, but the wrong wife. Is that right? Are we in the Bible?

What about Lot's daughters, didn't they get a hold of Lot's secrets? They wanted the secrets, "Mammy is not around, that's our secrets because we have nobody to share secrets with us. Our two husbands ended up barbequed in Sodom." Just to say a face marriage, lasted a few months, trying to play they're living together but behind it's something else. They realized that those men had no secrets. You see? What do you think happened, friends? It brought forth Moab and Ammon, fighters of the Word. It made life for Israel more dangerous in the earth!

Didn't Elijah get a hold of all the secrets of Judah, too? Did Athaliah get a hold of it? She got a hold of Jehoram's secrets and filled Judah with idolatry. If Satan gets a hold of these Secrets, think of the damage that he will do.

So this is a wicked woman, friends, and her motives were evil, that is why the severity of the penalty. Do you know it is not until this day, we read about (I was asking the brother to get me the article, I couldn't put my hand on it.) when Lorena Bobbitt... Have you all ever heard that name, Lorena Bobbitt? Oh yes, Mr. Bobbitt had some evil secrets and he used to, brother, abuse and misuse this woman. And one day she realized, she will no longer be dominated and controlled with those evil secrets and be initiated into those evil rights and she decided to put an end. And she got a two-edged knife and she dealt him a blow and he didn't have a secret left. Oh sure. God put His Word in the Bible, not me.

I'm trying here to bring something out to you because I want to show you something. His Name was on the Thigh. The thigh was an inoffensive word used, to not use the word that would've been openly offensive. And that is why the real gift is what? Not the baptism of the Holy Ghost, the gene of God that you came from God's Loins. In you have a soul and that soul is God's Thoughts because God's Loins is the Seed. And it is only they, can be born again in their Age; everything else will perish. And in this Age when the Book was opened, It was to reveal the two loins, the two sowers, the two seeds and the two crops. The Wheat will be gathered in the garner; the tares that were sown by the evil sower will be burnt. Is that right?

If you think you are a seed, you're a wheat, you came from a loins. If you came from a loins, you are birthed in a family by birth. And if you are birthed in a family, you are going to have the name, the life to identify that characteristic. And that name that is on that loins will be written in your forehead and there will be a spiritual connection. You, one day, who was like an eagle in the barnyard, thought you were a chicken will wake up and realize you were an eagle from the egg. Way back in the Loins, you were an eagle and you didn't know it, but then there was something to wake you up and then it would be written inside of here. And then when you come to know as you were known, "In that day, you will know I in you and you in Me. You will know as you were known. Those whom He foreknew He predestinated; those whom He predestinated, He called; those He called, He justified; those He justified, He had already glorified." And you will know you're walking right now, into a new body because the Holy Ghost came and claimed your body for glorification when He gave you the New Birth when He wrote it in your forehead. And then you know that the life you live now, you live by the faith of the Son of God.

That evil woman, friends, (see?) she tried to stop that Name from being manifested. She tried to destroy that Seed that there will be no more New Births. What was Satan's scheme? To get at the children, to get at the Seed that was being birthed. Why does he want these in the Message here today? If he could get these in the Message and hybrid them before the Rapture comes they are finished. If Balaam could get Israel and hybrid them before they go in the land, they were finished.

In the time of Ezra and Nehemiah, the church was coming from where? Out of Babylon. At the end of the seventh decade, God was bringing His church out of Babylon back into their homeland. Is that happening now? And there was a whole bunch of people who couldn't find their name in the book. They started to search and they couldn't find them. They started to test their speech and they couldn't talk in the language. They didn't know who their pappy was and they didn't know who their mammy was. But Ezra went all the way back into the great high priest, he could have traced his name all the way back into Aaron. He knew he was in that loins of Aaron. He knew when Aaron walked in there in the Holy of holies with the breastplate, he knew he was inside of him standing there when he stood as an intercessor after the sacrifice was made on the brass altar, he knew he was in there.

If Satan gets a hold of these Secrets, friends, he will do great damage. As I say, I believe he had gotten a hold, but there is a judgment for those who got a hold of It because even though they got a hold of It, they have the wrong womb. And so, by trying to pervert the Word, they become guilty and will be condemned for handling the Word of God deceitfully. They've become false teachers of a true Message, perverting the Message by bringing it in the wrong channel. Didn't David take the right ark and put it in the wrong channel? Didn't Abraham take the right seed and put it in the wrong

channel? Sure. But what did it do every time? Bring death.

Those Secrets are only for the married Wife because She is the right womb to give birth to the sons that are in Her Husband's Loins; because He cannot have any children outside of a marriage covenant. That is why Eve was married to Adam and then they were to bring forth the race. That is why the Bride comes married to Christ and then to bring forth these sons. Travailing in birth right now; it's the Word you got pregnated with.

That woman seeing her husband getting all that licks, brother, she decided she is not going to take that, because these two men have been fighting for six thousand years. And it was not until between the Sixth and Seventh Trumpet, his scheme was uncovered. Are you getting me now? That fight was raging. And was not until this Day, the woman is coming to get a hold of the Secrets. These Seven Thunders will reveal that great revelation. When? At that time. What time? Between the Sixth and Seventh Trumpet, they will reveal the revelation at that time. What is happening at that time! Her husband's secret has been exposed at that time. And that's the reason he is howling, he's bawling in pain and humiliation, exposed!

Even the sons of God know he is only some stuff at the side of the road that God uses to bring His children crying, "Abba Father." He's not even bad in the first place. He thinks he is bad. He could only frighten people who don't know he is exposed, church people; not born again people. He could frighten church people but born-again sons who come from that loins, friends, who are born through the Bride, you better know you are born through the Bride. Paul said, "Heavenly Jerusalem is the Mother of us all." He said, "The rest come through Hagar and they are born with a spirit of fear and bondage."

But if you are born through the Bride, you better know this womb here. This Word here is a Word-womb,

friends, because this Bride is part of Him. And this Woman here is in travail, that is why She knows where to place Her children. That is why She knows how to train Her children. That is why She doesn't spare the rod and bring up delinquents. That is why She is no run-around woman. That is why She doesn't have all kinds of men with all kinds of seed coming to plant and play around. That is why She knows the Name of Her Husband and She knows how to sign that Name. She knows how to give birth to a Child, a right Child. She could tell one who is Hers and one who is not Hers. She knows the pain.

She knows when She called the Name when She was groaning, "Judah!!!" Glory! You see the singers come out; praise going ahead. Hallelujah!

"Stephen!!!" And see a deacon comes out, holding the Mystery of the faith with a pure conscience. Hallelujah!

"Timothy!!!" You see a minister comes to bring you back in remembrance of what Paul preached. Hallelujah! She's groaning giving birth to sons.

"Phoebe!!!" You see a helper come out to help Paul. Hallelujah!

"Aquila and Priscilla!!!" Brother, you see a married couple who is not domesticated, who is involved in the service of God. Their marriage didn't park them up in some Kentucky Fried Chicken [KFC -Ed.] place or something, but they are working for God in the Kingdom, putting their lives in jeopardy for the Message.

She is giving birth to the right kind of Church, the right kind of children; raising a Family in this Hour. They could walk through this evil world, (amen) but they're all bearing His Name, manifesting His name, declaring His Name. The rest are trying to pronounce It, they think it's a pronounciation. It's declaring the Name; it's manifesting the Name, "Father, I have manifested Thy Name."

What is that Name? The Word, the Mystery... The Word interpreted is the manifestation of the Name. And there's a Word for this season being interpreted now, to prove the one that is born and bearing the Name. And if you're from that loins, that Name is in your forehead. If that other loins that's exposed, you are traced backed to that loins, you are in trouble. All God's children know their Daddy. All God's children have the Birth Certificate, they have the Name. They have the Seal of ownership. They know He purchased them. Brother, that evil woman can do what she wants, He has already shared His Secrets in the bridechamber like Solomon. He already shared it. It was only when He unveiled Himself, She saw the Name on the Thigh.

Look what was achieved when the Name – when the Secrets were shared in the right channel. Sarah brought forth Isaac. Hannah brought forth Samuel. Look at the trouble it caused when Elkanah shared his secrets with Peninnah. When he [Abraham -Ed.] shared it with Hagar look at the trouble it caused. Are you getting me now? Oh yes! But look what was achieved friends, when Rachel brought forth the Secrets. She couldn't wait to get the Secrets in the season. She tried all kinds of different things to manufacture. When she started with Bilhah, look at the trouble it caused; brought forth fighters who threw the same Word that she was going to bring forth later on, in the pit. Is that right?

Is that why there are all of these church wars in the Message; all these spiritual competitions in the Message, all these people trying to outdo one another though they all have the Secrets? Because Elect can't persecute Elect. Do you see what time we are in, friends? There's a law concerning the Secrets. If the devil gets a hold of it he will do great damage. No wonder we're in the mess we're in today. But out of that mess, friends, a Lily is coming forth toiling; a little Bride out of all this confusion and conglomeration that is going to prove that this Message is right.

Brother, just right in... You take forty miles radius right here in this place, the amount of confusion and chaos and deceit and death and hypocrisy and make-belief. See? And you watch where that Name... That Name is being written in the foreheads. You have to know, friends. You sit here day after day, night after night. You have to know what the Spirit is saying to the Church.

When these things reach to this proportion and come to this place—and all these messages coming down this year here is right in the Seed, right in the Line. Ham: look where it started (see?), showed you the evil that came. Tamar who they tried to politic and suppress and everything else but she knew she had legal rights to the seed. See? Then all those things about the law of motherhood, childbirth, unclean women, because of what they were giving birth to. Think of it. Then seeing this, this morning, which I told you I left out a great portion of it.

When the Holy Spirit, brother, came there Thursday – Thursday, after service here Wednesday night, (Friday, all day...) Thursday, from ten o'clock in the morning until four o'clock the next morning, can't move. I got up about ten again [Friday -Ed.] and started all over again until about seven in the evening; came to prayer meeting late that night. Yesterday, walking around, all how... it was so much. I was looking back and seeing from Genesis to Revelation those Things breaking, opening little laws that God gave in the Bible that look so vulgar, look so immoral but it's Mysteries of redemption.

Maybe with the men, we can get some of those Things; it would make It a little plainer for some of you to show you. The Prophet said, "Sometimes you have to alter your words in a congregation like this," then you understand. Because, to bring certain Things out, the way you have to say it, it is too embarrassing. If people are not trained spiritually to the Word, they get carried

away. Like trying to read the Book of Songs of Solomon, ends up carnal if you don't have an understanding. But you see it just shows us, in the beginning, what happened, friends.

That's why all these Truths on marriage and divorce and these things in the last days—like the message there on Wednesday night. [1997-1112 - When A Woman Is Good To Marry -Ed.] It might make some people feel hurt but it's not to hurt you, it's to deliver you. You not good to marry until you have the Holy Ghost. That's why the Prophet said, "It's lower than a hog."

People don't see themselves like that but the potential is there. I could explain some of that to you, but it has to be in the right way. You see? I mean, there is so much that is opening there, right now on those things, friends. And it is only to take the clean thing out of the unclean to bring a clean thing out of an unclean, that there would be a church, a virgin Bride (the virginity of the Church), a virgin womb with a virgin faith that's going to bring forth this promise. God is not playing. That is why it is put in terms like that because the Church is a woman.

That's why church and church don't make up a church. There are all kinds of women: a brawling woman, a contentious woman. Have you ever seen a contentious church? That church only thrives on church war and slander, and preach against this one and preach against this one: contentious woman. Can't go into five minutes and they are not calling the name of every preacher, every church and slandering and trying to hold their members and different things. Then there are churches, they want every foreign preacher they could get to pull right in (see?), the adulterous church; wants to be a little popular and everything else.

You see, people don't understand because of the level they're at. But when you look in the Word you understand what is happening. It's the type of Age we are living in. May you take His Word into your heart

today. May you ponder It like Mary. Ponder It in your heart. Learn in silence with all subjection. Ponder It in your heart and may It open up to you even further, that It may help you in this great Hour.

And we, what we are striving for here is to see a real Church, friends; that we all can get in the rhythm of the Word. And may God give us an open heart and an understanding mind to teach us the ways of life, that we, in turn, can teach those who are connected to us. Let us pray.

Our gracious Father, Lord, today, just looking at the Scriptures, looking at this great Mystery of the Elect, the Chosen, the Predestinated, the Birth that identifies them, the Name that shows that they come from You, that is why they can know You in a certain way and speak of You in a certain way, that those without that Birth and without that Name and who didn't come from that loins, could never talk to You or talk of You in that manner, Father. They could talk of a church program, they could talk of some crusade or some man in the States [USA -Ed.], or they could talk of some little make-belief or some sensation. But Lord, to talk of You, of Your Person, of Your character, of Your ways, of Your Secret, of the great Mystery in the back part of Your Mind, of Your program for this Hour, of You in the present tense, alive oh God, in union, under Your leadership; Lord, it takes one who is part of You, who came forth from You, Lord.

And Lord, so we realize that You have been so gracious to us. Lord, when we talk to You, when we think of You, we don't just have a picture in our minds of the Hoffman Head, trying to visualize some pious-looking Person in Heaven with a straight nose or whether Your hair is long or short, or whether Your complexion is dark or light, but Lord, we see Your nature revealed in the Word. We see Your purpose, Lord. We see the way You acted; the way You carried out, Lord, Your plan in each Age; the way You expressed

Yourself as You gradually unfolded the Mystery of Yourself in the lives and acts of believers, until it was all gathered up in the Person of Jesus Christ; until You came and unveiled Yourself in this Day when You took the seals off of Yourself, Lord, when You opened the Scriptures and You brought Yourself into plain view unto us.

Lord, we thank You, Father. You gave us Something that we would not be deceived; we could tell the difference between right and wrong. Like every woman knows her husband, she knows her husband's voice, she doesn't even have to see his face, she could tell if that's him or not. She knows the way he moves, the way he acts, the way he speaks, oh God, there's such an intimacy, such a closeness, such a oneness, such a union, oh God, because she is bone of his bone and flesh of his flesh.

And so, dear God, You have brought us into that Inner Veil to reveal Yourself more privately. Here we are in perfect step. You took us in that Room, Father, where You said, "I would meet you in There and this would be the Third Pull." And as the Word comes out of There this morning, shining forth Light in this great Hour, Father, we see conditions in the Message; we see things, oh God, that want to interbreed themselves. We see people, oh God, who refuse to die out and submit to the Word and be washed and be cleansed and be born all over again. We see people who're trying to hold on to experiences the Word proved are not Scriptural.

Oh God, there are such evidences of delinquency and reprobate, but oh God, though the branches might be intertwined, the roots are different. The roots are different, Lord, but there is a straight channel, Father; there's a clear channel. There's a Divine continuity. There's a clarity of the Mystery when it unfolds to show Your face, to reveal the One Who is speaking, to reveal the One Who is here, the One Who is leading. When You give Your Supernatural instructions out of the

Word, it's nothing, oh God, to contend with or have strife about words, but rather, oh God, it is the Mind of Christ, the Intelligence being put into our hearts to bring us into the rhythm that we would walk into the harmony with You.

I pray, today, Father, that these who've sat here in Your Presence, knowing, oh God, how many years have passed; close to thirty-four years have run out, Lord, since the Prophet spoke, standing there on the platform and said, "As certain as I stand on this platform, that Seventh Seal unfolded today in a threefold manner. Satan is trying to get a hold of It. I cannot speak anymore, I must be quiet because he is trying to get a hold of that Secret." He wants to do damage, as he always did damage, as he planted his evil seed, as he perverted the Word, as he brought It through the wrong womb, as he corrupted It; as he misplaced, mislocated and misinterpreted It; so, dear God, he wants to get a hold of This.

And Lord Jesus, we see, Father, through all these years, Lord, You've shown that this revelation will never stop unfolding; just this year, the Things that opened up out of Your Word, supernaturally. Why can't people see, oh God? Why can't they discern that Voice? Can't they recognize that Presence? Can't they know that that's how You made Yourself known, in the breaking of the Bread; that You were hidden in the Word and veiled Yourself out of the Word? Oh God, You exposed the evil works. We see what that brought, Father; it brought such rage in that man's wife. No wonder, right now, they're sitting behind locked doors in their secret councils, with evil designs like Haman, like Jezebel, like Athaliah, like Balaam, trying to destroy this Branch that is coming out of the Root, bringing forth the same kind of fruit like the early Church.

We were warned that they're going to come and shut down places like these. And we see that woman coming forth in vengeance to grab a hold of these Things. Oh

God, may You help us, Father, to understand the evil that is at work and find refuge and security in the Sheltering Place, in the Abiding Place where we can live under Your headship, Lord, where we can walk under Your leadership. And though ten thousand may fall on one side and one thousand on the other side, we are hidden away, abiding under the shadow of the Almighty, in the Secret of Your Presence in that Secret Place. Hidden away, Lord, like that Man-child when He was born from that Woman and that Dragon came to devour It, he couldn't get that Seed. The Woman received two wings to fly, two wings of a great eagle, and She flew into a place where She was nourished up for times, and time and half a time.

You have brought us into a Secret Place where we're being fed with hidden Food, Lord, like You fed Elijah; that secret spring and that hidden food. That woman, Lord, began to bring greater food. And then You, Yourself, came and gave him the cake, he went in the strength for forty days. Although Jezebel tried to get him, she couldn't get him, You raptured him away.

Lord Jesus, may, oh God, today, Father, It be settled in our hearts. You said, "No man knoweth the Father save the Son and no man knoweth the Son save the Father." You know them who are Yours, Lord. Like the man said, "I will not mind that other man's child; I will support mine." So, dear God, You will not give Your inheritance—Ishmael could be blessed but there was no inheritance for him, no covenant relationship. Although Hagar shared the secrets, he was cast out. You said, "Cast out that bondwoman and her child."

So, dear God, we see in Abraham's house again, many are bondwomen, many are children with the spirit of bondage, persecuting the Elect. And I pray, Father, that the true elected seed like Isaac, will know, Father, the loins that they've come from; they will know the footsteps that they walk in; they will have the same kind of faith; live in the same kind of atmosphere because

there is a secret channel, the secret passages of the Word by which You bring It to them, Lord.

May today, hearts that do not have that, those who are hungering and thirsting, may You bring It to them, Lord. The revelation is Sovereign. No man could reveal It; flesh and blood cannot reveal It. May we know beyond a shadow of doubt, Father; not because we come to this church, not because we come to this church for many years, not because we are associated with one another, but walking in union with You, walking under Your leadership, living in that channel where we hear Your Voice daily, Lord; where we have Supernatural instructions, we know how to go, where the Word is mighty to the pulling down of strongholds. Oh God, may You grant it.

No wonder when they asked Peter and them, by what name and by what authority did they do those things, he said, "By faith in that Name (hallelujah!), hath made this man whole." They were bearing that Name. You said Paul was a chosen vessel to bear that Name. No wonder he could shake that viper in the fire. No wonder he could be caught away into the Third Heaven and see Things not even lawful to speak. Then You gave him Words that man's wisdom couldn't teach, but Words that the Holy Ghost teacheth to make known the Mystery to them that are perfect, even the hidden Wisdom of God.

Almighty God, make It like that to us, Father, that we can live in that same reality, that we can be truly pregnated children, bringing forth Your pre-eminences, bringing forth Your Life and Your signs, bringing forth Your wonders, Lord. It's not a struggle; it's just living in that channel, walking in that Word, watching It come forth in Its season. A man planted by the rivers of water, bringing forth his fruit in due season; his leaves shall not . [Psalms 1:3 -Ed.] Hallelujah! What a blessed man that is!

That's the race, Lord that is planted in a straight line by this revealed Word. That's what I tried to plant down through these years, Lord. You know, Father. Many do not understand that. Many, oh God, think It's hard. Many think It's indifferent but You come supernaturally and You give the Word every time to prove It's not a man; It's more than a man.

Oh God, may today, Lord, as we leave this place to go to our homes, Lord, may Father, we not leave this place until, Lord, we have that peace and that assurance in our hearts, where we can say, "Abba, Father," knowing that we came from Your loins; that's why we call You 'Father'. We have legal claims to that title, 'Father'. We have free access to come into the Father's Presence anytime. You will not deny us, You cannot deny us because Your Life, Your Blood is inside of us.

No one else could have birthed us but You. That is why we respect You, we reverence You. We want to be like our Daddy. We want to look like You and walk like You. No wonder the Son could've said, "When You see Me, You see the Father. (Hallelujah!) I and My Father are one." That's the same kind of oneness that is to be here – little Jesuses again, a Super Race of Jesuses: everyone a continuation of that New Creation, everyone transformed into His own image and likeness, everyone with the same quality of Life though it may differ in measure; yet, like the water in the ocean, all the chemicals in that ocean are in that teaspoonful or glassful, or cupful, or whatever it might be. Hallelujah.

Let it be like that, Father. Let it be like that, Lord, to every hungering heart. You said, "Blessed are they who hunger and thirst." That's the reason they are hungering and thirsting. They have this crave, calling for that, a deep calling to the deep. Like the little boy, maybe he couldn't find some pedals to eat, he ate up all the erasers of the lead-pencils but it didn't satisfy him; it was too little. The crave was too big, he needed some pedals from the bicycle. He had to find that deep. He

had to find that thing that could satisfy. May, oh God, it be like that for those who are hungering for this Reality, Lord. May they recognize the Fountain today. May they draw near. May they take a hold of the Tree of Life and begin to eat, oh God, and may they see that satisfying Portion. Bring them to a place where they'll have to run no more, they have come home to rest; they have come back to the Place where they were in the beginning. Hallelujah.

Thank You, Jesus. Praise Your wonderful Name, Lord. Hallelujah! Glory be to God in the Highest. We thank You, Lord! Hallelujah! How great is our God! How great Thou art, Lord!

If there be strangers or visitors here today, that desire this, maybe sick with the evils of organization; maybe their minds are all muddled up, they don't know what is right and what is wrong anymore; maybe they realize, oh God, that they've been in a cesspool, been in some swamp and, dear God, they've heard Your Voice calling; they feel something on the inside wants to respond. If the trumpet gives a certain sound, surely, it will catch those who have heard so much uncertainty, who've seen so much negative that they could recognize that which is positive and right. Let them wake up and recognize It today, Father. If any man would come unto You, You will in no wise cast out. No man can come except You draw them and if You have drawn them thus far to this place, surely, You will draw them into the Word now. As the song says: *Draw me deeper, deeper into Your Word of Truth.*

Oh God, we thank You. Let there be real New Births in this place, Father, genuine New Births. Let souls hunger and thirst and cry out for It. Let people get sick and fed up of their make-belief, Lord. Let them hate the hypocrisy and the pretense! Let them have the determination to lay it aside and come into reality, knowing that there is reality; more reality than we could even use up. There is a lot of reality left over, after we

have used up all that we need. May they not take some impersonation, may they come all the way into that New Birth.

As we leave this place today, go with us, Lord. Watch over us. Keep us in peace and safety. Make us more sincere, Jesus. Open our eyes and give us clearer vision. When we see Your Word like this, it makes us realize that we are not knowing as we ought to know; we are not seeing as we ought to see. And, how we want to see clearly, how we want to see where we can see with definition, we can make distinction of what we look at. We can see details in the picture.

Oh God, may You grant it, Father, in the Name of Jesus Christ. Lord, we thank You and we praise You. We love You and we appreciate You, Father. Keep us faithful. Keep us true to You, Lord. May You grant it, Lord. May You grant it, we pray. In the Name of Jesus Christ, we ask it. Amen.

*Oh, that Angel with the swept back wings.* [#573 - Songs That Live -Ed.] The Light has come, friends. Thank you for your patience, today. Sorry if I had to chop up some in the end, just sling it out for you, but I want you to see, the first thing in the Bible that was wrong was our birth. What makes us go back in is a New Birth. No denomination in this Age; no Catholic, no Protestants—and Catholic and Protestants is Christianity and not one could have brought a Christian. But down from His Glory, God came. He had a few more names on His Thigh, in that Name on the Thigh to be manifested. And by this Message, He birthed them into the earth and the Holy Spirit came looking for them.

He found you in some organization; He found you out in the world, found you in some neighborhood, found you in some night club, found you out on the streets; found you trying to advance; climb up the social ladder, looking for some great place in Satan's Eden but He found you, and He began to reveal to you that you are

part of Him. He doesn't leave you to think that in your mind.

As He walks with you daily, He says, "Can't you see how you walk? Can't you see how you've dealt with that? Can't you see how you can understand My speech? Can't you see that there's a love for Me growing in your heart? Can't you see the resemblance? Can't you see you could recognize the two spirits? Can't you see there is resisting power to resist the evil of the world? Can't you see there's conviction to step out in the unknown; make a total separation? Can't you see you hate compromisers and make-believers and bench warmers and lukewarm Christianity? You are like Me."

And He knows how to convince you that you are part of Him. He knows how to convince you, your mother is not an organization. Your Father is not some man-made doctrine that Satan has to birth people. But His Name is called what? The Word of God. What is the Word of God? The Seed. What is that Seed? The Sword. Oh, they were so... [Inaudible -Ed.] They used to wear the sword on the thigh, also. But that's another message by itself, because that same Seed, friends, comes from His loins.

A man's seed is in his loins, not in his ears, (see?) not in his hands somewhere; in his loins. That's where the procreative power is. That's where he brings forth a generation like himself; it's only by that seed. He might father one, takes one from the orphanage, but he will never have his life or his blood. He will never be able to fellowship with him because it takes like with like to fellowship because they are of the same kind.

But if God tries to fellowship with you and you want to fellowship with something in the cinema, and if God is trying to give you pleasures and you want to go have pleasure out in sports, and if God is trying to teach you how to dress and you want to go with fashion out in the world; your daddy is the god of this world. You like his beauty, you like his entertainment; you've come from a

different loins. But if you are from This loins: At His right hand, there are pleasures forevermore. He can take you in places and give you a heart and a nature because a dove and a crow can't eat the same thing. They are different. They might be in the same ark but they are different. Do you see where we are getting to? But if there is something about you that loves God and you love God's Word and God's Truth, and when you hear your Daddy's Voice, you say, "That's my Papa. Papa is home!"

Sometimes, I go away and I come back home; I walk into the house. Nobody knows the car drove up. I come in late in the night; eleven, twelve; walk into the room. My wife knows how I smell, she knows my voice when I talk. She 'almost' opens her eyes and sees me in the room. I traveled by jet, all the way back; dropped down in the house here, "I'm home, Honey. Where are the children?"

Pick up little Daniel out of the crib, "Danny!"

Oh, he gets all excited, "That's my papa! That's my papa's voice!" He knows I'm his daddy. He can't even pronounce the name yet, but something in him knows I'm his papa. Everybody could hold him and like him and play with him, and he'll smile with everybody, but let his papa come near to him and say, "Dan," he will dive out of their arms and into papa's arms. That's my boy. See? There's something about it. That's what it is, friends.

Aren't you glad that you belong to Him like that? That's why He died for you in the beginning, He cares for you. He cares for you. I wonder if someone here this morning that's not a Christian (I'm lingering, I don't know why I'm lingering. I'm talking but I'm obedient to Him. And you're settled all quietly and it's not so hot – hot, but not so hot.), who has never received This. You might be in church all these years, too. You've come to church, you even tried to obey the Word too, but you

know, “What I’m hearing, I know I still need to walk and come to a place that I have not yet come.”

It doesn’t matter whether you’re my own children or not my children in the flesh. I’m talking to everyone in this building. If the Word is in you, that gene that is part of the Word hears that Word this morning and says, “I want to know my Papa like that. I don’t want to have any doubt that I am His child. I don’t want to have any doubt that there is something about life. And this Message has that secret, and only this Message can show us what was in the Beginning and before the Beginning and what would be after the End. And I want to receive that today because I believe I came from His loins.”

That woman tried to get a hold of the Seed, tried to crush the Seed. Deuteronomy 23:1 says: If a man’s seed is crushed or his privy is cut off, he cannot come in the congregation. No fellowship, no approach to God; nothing. God doesn’t have sterile, barren people in His Kingdom, friends. God multiplies and replenishes through His people.

There’s nothing like a barren minister: preaches your life out and can’t get a convert by the Word, especially when there is seed to quicken and be brought to Life by that message. And if they come, they’re going to bring a real son of God. People will come with the faith. Do you know how I know they, who are born by this Message, here in this assembly? When I talk to them, there’s a faith that talks back. I know many come and many are yet to really be birthed into that Place, but the ones, I know them by their speech too because I know where I got It from, they are getting It from the same Place. The same One that teaches It to me, teaches It to them. The same faith that produced it in my heart, is producing it in them; and the same way It has become chains on me, It becomes chains on them.

And like Moses with Joshua and Caleb, nobody could have come against that ministry with them standing

there. They guarded it with their lives. Like those men guarded Bro. Branham against infrared lens, when men wanted to shoot him by night. Like Aquila and Priscilla, they put their lives in jeopardy for Paul. Like those mighty Gentiles, they put their lives in jeopardy for David because it's a link of the work. And that's how I know them. They're my children in the Gospel, the Sperm that came through this part of the Body of Jesus Christ.

1981, when the Secrets started to be shared and started to be exposed to the little Bride, and other men's secrets started to get exposed too; many of those church women tried to crush the Secrets, but God cut their hands off! And the Secrets are still being shared and enjoyed, and giving birth and multiplying and replenishing and are becoming stronger. You know what I am talking about.

Who wants to receive that today in a real way? I'm talking about a genuine New Birth, friends. You know you don't have that. You love God, you are sincere; you feel you are being cleaned up, but you want to know you have the Holy Ghost. And please don't bluff me. I know. Could you bluff me and I've preached this message like that?

What about some of you who have never been baptized, do you want to step forward, this morning? Who'll raise your hand and say, "I want to receive that, this morning"? Let me see if you really believe. I saw some of you put up your hands, just now. I asked you to step forward and you're sitting down in your seats still. Do you mean it? Those who have not yet been baptized, friends, I'm talking about. I didn't preach a denominational theory to you. If you are waiting for people to come up, to see a crowd and then you want to come, something is wrong with your experience. You haven't gotten it, yet.

Friends, you know you're sitting—this is not denominational teaching. This is the Bible. It's the Word of God.

God richly bless you. I respect that and God respects that, too. It's been a long service. You sat down there and you've come like that, God bless you all. The Holy Ghost respects you.

I know there is a crowd here and I can't get to all of you. But the ones who are not yet baptized, you just leave this little, next step for them. Just step on this step here, so I will know to pray with you up front, here. Just leave this front step here for those, the ones who are not yet baptized. Just step there by God's grace if you have not been baptized in water baptism. God bless you, church. God really, really bless you, this morning.

I didn't know a message like this could have done this. Even me, I didn't understand what was happening. The Holy Spirit cut the message off at a certain time and I was kind of wondering; yet, He had me lingering and I was wondering why I was lingering, but God has something real for you. He that cometh unto God, children (those of you who stand here, on this front step); he that cometh unto God, He will not cast you out. And let him who come, believe that He is and He is a Rewarder of them who diligently seek Him. Praise His wonderful Name.

And you, in front here by God's grace, in reverence, in simplicity, just with simple faith out of the sincerity of your hearts, right now I want to pray with you. And I want you, in your hearts to find that place, where you can stand and say, "Lord, I'm sorry for the way I've lived, but I so appreciate the grace to let my eyes see the Things that I see and to hear the Things I hear, to give me understanding to know what is right and wrong; because that's the way You deliver Your children when You call them out of darkness to walk in Light."

And then walking in Light, there's a cleansing of the Blood. The Blood cleanses you from all sin and there's

a fellowship that you have with the Father. And that's what God wants to give to you, right now. This great Fountain that is open, the Word, where It's streams of grace are flowing out to you; He said, "I will sprinkle you with clean water. I will cleanse you from all your filthiness and all your idols. I'll give you a new heart. I'll give you a new Spirit. I'll put My Spirit in you. I will cause you to walk in My commandments." He said it, friends.

I want you to believe it with all your heart as I come by to pray for you here. Do you want to receive this great, lovely, Lord Jesus Christ, Who by His incorruptible Seed can bring such a birth and awakening that you can know beyond the shadow of a doubt, the Name that is written on His thigh will be written in your forehead? And you will know He is your Daddy, because that Birth will prove by the Life that follows that that's God's own Life. Blessed be His Wonderful Name.

Almighty God, this young man, Father; preaching Wednesday night, looking at him there in the congregation, being invited and coming here, maybe just like Philip told Nathanael to come and to see him step out of his seat when the call was made. I pray as he would stand here believing You, Father, knowing oh God, that You are a God Who is obligated to Your Word, this is not psychology; this is not some denominational pressure, someone trying to make some church member, but this is a call. You said, "My sheep will hear My voice. All that the Father hath given Me will come unto Me and no man will be able to pluck them out of My hand." The New Birth is the revelation of Jesus Christ and flesh and blood cannot reveal this. I pray that You will take that Word and quicken It by the Holy Spirit and bring New Birth to him, Lord, that he will become a pregnated child of God, born by the incorruptible Seed of Your Word; born by Water and by Spirit to see the Kingdom and walk and live in the power

of that Kingdom. May You grant it, Father. In the Name of Jesus Christ, I ask it. Amen.

Almighty God, You said, "If you believe, he that believeth and is baptized, the same shall be saved." This young man has been coming here down through these past months, faithfully; even supporting the work and everything else, yet not making his decision like Ruth did. Maybe in his heart, this morning, stepping forward here, Father, like it was told to Paul, "Why tarriest thou? Arise, call upon the Name of the Lord and wash away your sins." Dear God, as he has responded this morning, may the Spirit of the Living God break every fetter around his life. May he experience such a release and a deliverance here, Father, he will never be the same again. Lord, I claim him in the Name of Jesus Christ for Your honor and for Your glory, and may he walk in full obedience to all of Your Word. And may You seal him in his forehead with the Seal of the living God that he will never have a doubt or a fear. In the Name of Jesus Christ, I pray. Amen.

Almighty God, I pray, Father for this young man, the son of Your servant; watching him put up his hand there a little while ago and then ashamed almost to come up, looking around and wondering if he should come. May You bring his heart to such a place of conviction, Lord. These boys grew up in the assembly here from birth, but it is going to take You, Father, to write that Name in his forehead that he will know his Daddy is not the deacon. His daddy and mummy who sit here, they produced this body, but that soul in him came from God, the very One Who had the Name written on His thigh. And the same way he was born into his natural family and couldn't join it, he came as a seed from his daddy's loins, now he can have fellowship with him; he came through the womb of a married wife, his mother, so dear God, may he know he is to be born by Your Seed through the womb of the Bride to become part of the great Family of God. Grant it, Lord. In the

Name of Jesus Christ, may You break every fetter? May the Holy Spirit lead him to a fully surrendered life. As he believes, he'll walk in obedience to fulfill the commandment, being baptized in the Name of the Lord Jesus Christ for the remission of his sins and going on even to receive the baptism of the Holy Spirit, bringing New Birth. May You grant it, I pray, in the Name of Jesus Christ.

Almighty God, another young man, Father, born and grew up here, our brother, Peter. Oh God, coming forth this morning, let them not miss it, Father. This is their Hour, this is their Time, Lord. They don't have to feel the roof coming off the building or the earth opening up beneath their feet. But like Elisha, that still, small voice speaking to the inner man, whispering that Secret in their ear. Circumcise him, Lord. Give him a circumcised ear and a circumcised heart. Roll away the reproach of Egypt. Let him be birthed, oh God, into Your Kingdom; cross over into his possession and inheritance that You have for him in the Word of God for this Hour. May It come to him by revelation, I pray. This is the Hour for him to catch It. May he receive from It, in the Name of Jesus Christ.

Almighty God, this young man, Father, speaking to him back and forth and knowing the circumstances that he is in, the way the whole situation became messed up and tangled up, only You, dear God, can solve those things out. But he showed a humble attitude and a willingness, oh God, regardless. That Syrophoenician woman: even the crumb that fell from the master's table, even if they might be called a dog and anything else, that's a good attitude, Lord. I pray it would come to his heart by revelation. I pray that the Holy Spirit will break every fetter and every chain, and I pray You give direction and leadership, even to sought this matter out and get him right and he could get the desire of his heart, dear God. Lord, give the green light. Show, Lord God. Make a way for him, I pray. May You

help him is my prayer, in the Name of the Lord Jesus Christ I ask it. Amen.

Almighty God, our Sis. Pamela, Father, You've been dealing with her, oh God. Lord, she had gone away and come back, even coming forth to the altar this morning. Blessed Jesus, only You dear God, can take full charge of her life and her situation and change it around and work things out and help her through until You come. And as she would come, oh God, I pray in the Name of Jesus Christ, make every obstacle, every hindrance to be removed so that she could walk in the full, complete, revealed will of God. And let there be such a power of the Word operate in her life and with such a clarity of what the will of God is for her, that there will be no doubt or fear and her soul will be so anchored; she will be established upon a Rock, she shall not be moved. Grant it, Lord, in the Name of Jesus Christ. May You bring this great experience and the New Birth and the baptism of the Holy Spirit where she will know that Name is written in her forehead, and she came from You and will go back to You, that she is an Eternal creature in a body of time. Grant it, Lord, I pray. May, oh God, she walk in all of Your Word as You reveal It. In the Name of Jesus Christ, we pray. Amen.

Almighty God, in humility and sincerity as this dear lady comes forward, in this great Hour, when, Lord God, that Bride is bringing forth Her children out of Her womb. And if she's one, oh God, opening up the womb to come forth to be born into Your Kingdom because there is something down in her heart, beneath that fifth rib on the left side, that is craving for something more than church and more than church-joining and more than just ritual and religion; but she wants a personal experience and a relationship with her Maker and, Lord, where she can come to know that the old things passed away and all things have become new. Where dear God, she can say, "Never the same again, from the moment I met Jesus, new life in me began, I won't be the same

again.” So I pray, Father, You’ll bring it to her by revelation, that as a baby being born from her mother’s womb cannot go back and live in that womb, she’ll never be able to go back in the world or in some denomination. She’ll be so birthed by the Word into the Kingdom of God, she’ll live forever for You. Grant it I pray, in the Name of Jesus Christ. May You bring it to her heart that she could walk in full, complete obedience to all of Your will, in Jesus’ Name. Amen.

Almighty God, may You touch my little sister. Bless her, oh God. Little ones coming forth, may this be the Hour for them to catch It. And may they catch It by revelation like Mary, “Be it unto me, oh God, according to Thy Word.” and bring forth that Christ in their lives, in the Name of Jesus Christ. Touch my little sister, oh God. In the Name of Jesus Christ, may she receive it from this very moment, oh God, as she stands here. Let that transforming power begin to change her as the Holy Ghost broods upon her, even now. Let it start in her little heart, in the Name of Jesus Christ.

Touch this dear sister, Father, in this great Hour when Satan is raging, when that evil spirit is trying to get a hold of those seeds, to kill those children but he cannot kill them, Lord, they are ordained to Life. You showed You can protect them how You protected Moses, how You protected Jesus. Hallelujah! The Elect will be protected. Protect this one, Father, and she’ll be birthed for You a proper child and live to Your glory in Your Kingdom, in the Name of Jesus Christ.

Touch this dear one, Father. This is not the Hour for just coming along with the crowd, Father, not just sitting and enjoying as a form of entertainment, but making an identification. Is there not a cause? And to stand for the cause and bearing the reproach if they have need to and bring forth this Word in this Hour. May You grant it, is my prayer. Break every fetter today, Lord. In Your great mysterious way, You can work in

the hearts of Your children, life-changing experiences, even now, in the Name of Jesus Christ.

This young man, Father, in the Name of Jesus Christ may You touch my brother. Oh God, this is the Hour for young men to catch it, Lord. Another son, let not the devil get this one. He wants to get a hold of the seeds to crush those seeds to do great damage, to bring them through the wrong womb, but you are delivering them right now. May they be born through the womb of the Bride, a virgin womb of Your Word and may they live to Your glory. In the Name of Jesus Christ, we claim it, as he responded to the call by faith today. Write Your Name in his forehead. May he know You are his Papa; he is Your son. In the Name of Jesus Christ touch this young man, Father. Let him know he came from Your loins, dear God. He was in You before the foundation of the world when Adam was in You, when Moses was in You, when Abraham was in You, when Isaac and Jacob and Joseph were in you, when Paul and Irenaeus and Martin and Columba were in You, he was in You too, Lord. As You told Job, "Where were you when the morning stars sang together and sons of God shouted for joy?" You've been made manifest in this Age and You've come and called him by the sounding of Your Voice today. He has recognized the Voice, he understood the call. And may that quickening take place today Father, that he can see the change begin to operate when the Scriptural Light strikes the Scriptural Light laying in the dirt bringing the Seed to life. Let it be, Lord, in the Name of Jesus Christ. We claim it for Your glory in Jesus' Name.

And now, you who stand here, you are believers, you've been baptized now; I want you to unite right now this very moment. And church, you who are in your seats, let's unite with them now. They have diverse needs here. They've stepped forward with an act of faith in God's Word. They stand in the Presence of the Almighty God as those who have heard His Word and

recognized It is the Truth, sensing the nearness of His Presence and have come forward to receive something from Him, that they alone know what they have need of. And God is the Giver of every good and perfect gift. In Him there is no variableness or shadow of turning; great is His faithfulness. And right now, let us believe for them.

And all of you in the mother's room, give me your respects right now. All around the building, give me your respects right now. And let us pray, knowing that if two shall agree as upon touching anything, it shall be done. What we bind on earth is bound in Heaven, what we loose on earth...

We are His children, we see that in His Word. We understand that by revelation, we are not just claiming that. We are not just hoping that now, and that's why we can ask in that Name. Those who didn't come from that loins, they don't really have any true legitimate claims to use that Name. They try to use it but they have no claims upon It, but you have claims so let's believe for them now. And you too, believe, because remember it's your faith. We are uniting your faith with our faith.

Almighty God, You know every need. That's a small thing for You to know because You know every hair that falls, and it is numbered that which is upon our head. It is so written in the Bible because surely you know every need here, right now. My brothers, my sisters: these You let me preach the Gospel to, these who come to this place as a post of duty, these who have received me as Your servant and You said, "If you get the people to believe you, nothing will stand before our prayer." And as a father and as a mother, spiritually speaking, Lord; pastor and church here for these children that are in this household of faith; God, they have a need. And as parents who are in agreement, You said, "If the husband and wife are in agreement, their prayers will

not be hindered.” We don’t just take that naturally, we know that applies spiritually also.

And so, dear God, believing and knowing that we are in harmony here, we stand upon Your Word that gives us this authority to bless, because You told Abraham, “Whomsoever, you bless is blessed, whomsoever you curse is cursed.” And knowing we are in this same covenant through the New Birth in Jesus Christ, we have claim upon the promises and the things that they have need of, that rightfully belong to them. And they have come forth this morning that they might receive some natural, no doubt some spiritual, desiring different things, but You are the Giver of all. Almighty God You said You will give full, pressed down and running over. My God shall supply all my needs according to His Riches in Glory. “If you ask for a bread, I will not give a stone. If you ask for a fish, I will not give a serpent.” You are God it is impossible for You to lie.

Even now, Father, as they hold that request in their heart as they confess: “Lord, Thou art able to do this for me, and You know my motive and my objective in asking the thing I am asking for: it is that I may be assisted and be closer drawn to You and be able to be a better representative.” And You said if our motive, and our objective is right, we could have confidence in asking what we are asking for. And so, dear God, as we unite our faith, may the Holy Spirit minister unto these, what they have need of, Father. May they not be lacking. May it be given in the full measure. May it be given, oh God, as they make it specific.

Like even the man who was praying, interceding, saying, “Give me three loaves,” making it so specific, identifying his need, expressing the urgency of the matter, the determination, he must have it. And so, if that man who was his friend will not rise up and give it to him because he is his friend, yet because of his importunity he will give it to him, so dear God, how

much more You Who are not unwilling but very much willing to give to them, may they receive, dear God, in the Name of Jesus Christ. And may they have the assurance and may it be settled in their hearts this morning.

In the Name of the Lord Jesus Christ, I bless these Your children, Father, that You grant unto them what they have need of. And may they believe that they have received it in their heart and they shall have it and may they go contented, rejoicing, thanking You for it, Lord. And as they go on their way like You sent those lepers and those blind people that time, it happened to them, Lord, because they believed and they went, acting upon it. So let it be for these Your children, in the Name of the Lord Jesus Christ. Amen.

God bless you. You are blessed. Receive it, believe it, be settled. God bless you again, church. Thank you so much for your grace. See what great things God can do when we come together in unity and harmony. See why we need to get this work more established. See why we need to preach the Gospel uncompromising and slack not our riding. It's going to take all of us together to make it happen. And so, may you today in your heart, you make your pledge, "Lord, I renew my stand. I rededicate my life to You." And you mean that in your heart. Is there not a cause? "There is a challenge but because there is a cause I will face the challenge." And God help you and make you a real witness for Him.

As we bow our heads and close our eyes. We'll like to invite Bro. Lincoln here to come and pray, just ask God's blessing and dismissal. Thank You, Jesus. [Bro. Lincoln prays -Ed.]

God richly bless you. Bro. Cuffie gives thanks; the Lord brought him back safely and he's back here. You know he went on a little spell to work in Puerto Rico.

*His Name is Wonderful:* Let's just sing that. [#145 - Songs That Live -Ed.] It's such a powerful thing when you know. When Isaac knew he came from the loins of Abraham

and he came through the womb of Sarah, when Samuel knew he came from the loins of Elkanah and he came through the womb of Hannah, and when Joseph knew he came from the loins of Jacob and came through the womb of Rachel, it gave him a strength, friends. Think of what they could have gone forth and done.

When the Prophet knew he didn't come through the Baptist church, when he knew he came from that loins when he was born through the womb of the Bride like Paul, (Heavenly Jerusalem, the Mother of us all) it brings a power into your life. You know what belongs to you. You know how you've been born, friends. It makes all the difference. And if that was in the spiritual, the natural was to reflect that. Do you see how it is messed up in broken homes? Do you see how it is messed up with the wrong wives? Do you see how it is messed up when man sprinkle their seed all over with all kinds of different women; have a bunch of women and are not married to any and these things? Do you see the mess that causes?

Some of those children have no real claim; become delinquents and drop-outs; can't have confidence in anything. It shows us the mess, even denomination where it puts people. And that's why faith to go in the Rapture, it can't come through denomination, can't come through some intellectual idea or some little private interpretation. You have to know who your mammy is and who your pappy is if you have to have real genuine faith. It is impossible to have genuine faith without having a true revelation of where you were and how you came to be where you are. You can't bluff that, friends. When you stand against the devil, you better know. And that's why the Prophet was able to conquer and bind that devil in a knot. He said, "Let Satan try something here now."

That's why when he started to reveal the Secrets he said, "I don't call you 'friend' anymore, I call you 'Bride'." When God had to expose His Secret, when He had was

to reveal the Name; when He had to take the veil and uncover Himself like Isaac did to Rebecca in the tent to bring forth after his kind, think of what it was. There was a Scriptural connection between the progenitor and the progeny; between the thigh and the forehead. Your children better know who their daddy is and who their mammy is.

Then the walk—remember the African king’s son? He was in a strange land – all the pressure, he was a thoroughbred. Said, “Why does he behave like that?”

“His father is a king back in his homeland.”

When some of you run out here, carry on, get influenced; all you’re saying is, your mammy is Jezebel and the seed you’re born from is some false doctrine that comes from some denominational preacher or something. You’re still holding on to the old birth. But when you walk right, friends, it shows that you’ve been birthed...you’ve been birthed. You know that name. “Antipas, My faithful martyr, he has not denied My Name,” and, “You kept My faith.” Watch the Name, the Seed, the Loins, the Thigh, the Faith, the Word, they all go together always, in the Bible everywhere. You can’t have the Seed without the Name.

I remember when Bro. Sammy Johnson here, he used to walk around with Sammy Lucas and one day, he found out his father’s name was Johnson, he decided to get his father’s Name. Why? He didn’t feel good any more. He didn’t care but he didn’t feel good any more. He wanted his daddy’s name because he was living under a false identity trying to have the mammy’s name. But the mammy came from another seed, another lineage but he was from his daddy’s loins.

His Name Is Wonderful; let’s sing it. [#145 - Songs That Live -Ed.]

*His Name is Wonderful...*

God richly bless you again. That Name will be glorified and be admired in all of you and He will fulfill the work of faith with power. God bless you.
