CHRIST IS THE MYSTERY WHICH WAS KEPT SECRET.

Wednesday 5th October 2005

Bro, Vin Dayal

*Because of what the Lord has done for us.
Let the weak say I am strong,
Let the poor say I am rich
Because of what the Lord has done for us,
Give thanks.*

Why don't we lift our hands and give thanks, we have so much to be thankful for the Bible say in every thing give thanks, in the good times praise His name, in the bad time do the same.

Father we lift our hands in thanksgiving tonight dear God to know we could stand in Your presence, a redeemed people dear God, a people Lord that You have delivered from bondage, a people that You have delivered from sin, a people that You have washed in the Blood, oh God a people Lord God that You have loosed from their sins and is robbing them dear God, Father with this great glorious Robe of the Holy Spirit Father, a people with a divine promised, a hope and expectation that this mortal will put on mortality, that You who begin the good work in us will performed it even until the day of Jesus Christ.

What a privilege to come into Your house this evening, to lift up holy hands and to magnify Your name and to lift our voices in thanksgiving dear God, and to say You are worthy, worthy is the Lamb this evening, to give glory and honour to You who have done this marvelous work in our life Lord, a work of grace, a work of faith dear God, a work that shall be complete dear God, that we might become Your dwelling place, oh thank You Jesus, all glory and honor and praise and might and dominion and thanksgiving belong to You Lord, because You are worthy this evening, thank You Jesus, blessed be Your wonderful name, hallelujah, oh we thank You Lord, we glorify Your great mighty name, we thank You Jesus, hallelujah, hallelujah, thank You Lord, worthy is the Lamb, worthy to be praised, oh blessed be Your wonderful name, thank You Jesus.

Oh God Father we are so grateful to draw near unto You this evening, knowing that this is the privilege of the priest oh God to

have access into Your great divine presence to come offering the fruits of our lips, giving praise and thanks unto You Lord, because You have made us a royal priesthood, a chosen generation, a peculiar people, a holy nation. And oh God we thank You Lord to know Father that You have given us this blessed privilege Lord and that You are hear to meet with us, this great Shekinah glory, oh God that hovered between the wings of the Cherubim above that mercy seat, when that priest can be admitted into that great secret Lord, to stand in Thy great presence, oh God what a fellowship to put his hand in the golden pot and to take from that manna and eat, oh God in that day of atonement, what a great thing oh God.

And so tonight Lord we stand Lord in this great reality, seeing You the unchanging God of the Bible, Who show these things in a shadow, speaking of this hour, speaking of this great realization Lord and to know it is our portion, You have predestinated us as the people in this hour dear God, not down through the age oh God, but in this great hour of Your coming.

Lord we thank You tonight Father, may You take full charge in the service, may You bless Your children that are gathered in Your presence, may You do the exceedingly abundantly, may faith be stimulated oh God, may the eyes of our understanding be enlightened, may our faith take such a grip upon You and that we can nurse and draw and then walk before you and be thou perfect, to show Your glory in this hour.

Remember Your children, oh God that might be on their way. Remember them that are out in the Island also that are gathered Lord on this very night Lord, Lord to honour You Lord by their gathering Lord not forsaking the assembly of their self much more as they see the day approaching. Lord remember them that are sick and needy in our midst oh God. Remember oh God Father all Your children with a special prayer in their heart, with a special request tonight.

May You the all sufficient One, Lord God, Who promise that we could ask anything in this name that has been revealed to us, this name of our Lord Jesus Christ that has been written in our forehead oh God that we can come Lord and confess that name tonight Lord and know that Your presence Lord would honor and recognized it Father and we pray that You would minister and

meet every need in the midst of Your children and You would get honor and glory that when we leave this place we can leave rejoicing and encouraged, strengthen oh God, purpose in our heart to keep pressing this great battle.

May You have Your blessed way in our midst tonight, we commit all things into Your hands now, get honor and glory we pray for we ask these mercies, in the wonderful and the precious name of Jesus Christ our Lord amen. Thank You Lord, thank You Jesus, praise Your might name, amen, blessed be His wonderful name tonight.

How may is happy to be in His house? Amen. David said I was glad when they said unto me let us go into the house of the Lord, and it's such a blessed privilege especially in an hour like this, the world is so dark is so evil the prophecies are coming to pass not just for the nations and for the fundamental church, and for the great things that shows to us we are in the time of the end, nature already groaning and travailing in pain, but for the Bride, amen for the Bride.

And this hour when the Holy Spirit, when the Head begins to come down to take its place over the Body, as she nears the Headstone, He says she will be a super race, a super Church. The Bride has great things to look for, and when we come into His house and we know that's God's plan, that's God's program and it is reveal to us that we are part of this great program what a great thing, that should be for us.

St. John 16, stopped some where around there Sunday, just want to recap a little bit and try to move on and wish I could get in the pulpit a little early, because you know on Wednesday night, we are in the mid week and we don't want to over do it, but we want to keep moving on in His Word and things are happening so fast, we certainly want to benefit every time we could gather together.

St. John 16 and Mathew 13. And this is in the ministry of Jesus Christ when He was here on the face of the earth in His first coming. Teaching this great Holy Spirit what He was going to mean for them, the hour had come a great thing was fixing to happen, for four thousand years they were under the substitute atonement, the hour had come they begin to cross over and Jesus by His work and His teaching was fixing to bring in a new creation, take them from the substitute into the reality, from the

shadow to the substance and they who were shut up under one birth was now fixing to come out of that old birth and come into a new birth because now a ministry was there to open these things to begin to bring into view to the church in that age what Moses, Jeremiah, Isaiah, Elijah and all of them could only bring in part because they were not the full Word, but Jesus was the full Word. It was an age of the fullness of the Word, and He was the fullness of the godhead bodily that was made manifest in flesh. He was the God Prophet, the God Priest, the God King and when he came now they were seeing the express image of the invisible God, they were seeing God Himself made flesh, the Way, the Truth and the Life, a mystery opening, so that they themselves could be able to come back and that can only come back when the Holy Spirit comes and He was fixing to go, to do this great sacrificial work on the cross, to make a way for the Holy Spirit to come back and this is, in St. John 16, He's speaking of verse 12.

I have yet many things to say unto you, but you cannot bear them now.

Is only so much they could have understood under the old nature. But there was a time coming when the Holy Spirit.

Howbeit when he, the Spirit of truth, is come, he will guide you into all truth:.....

The outside teacher could only bring them so far, but the inside teacher was coming to bring them into all truth. Now just a knowing by hearing and understanding, or discerning what they're hearing but, a far more intimate knowing when the very Word would be interpreted in their life.

You know you could be sitting here and hearing the Word and say eh that is true, I read that in the Bible, yeah I know that scripture, that scripture go with that scripture, you know this is really something else, this is a nice angle to look at it from and that kind of knowing you have many times. But when the Word is interpreted in you and made manifest and identify by the Holy Spirit, that that's not you, that's Him in you, that's a different thing. That's the real promise friends, that's the real Church.

Howbeit when he, the Spirit of truth, is come, he will guide you into all truth:.....

See, he had many things, things is mysteries, but you can't bear it yet. He could only give them a, b c. by the time algebra was

going to come. Just like stay with this simple message the hour is going to come when these deep is going to be make known.

...for he shall not speak of himself; but whatsoever he shall hear, that shall he speak: and he will shew you things to come.

He shall glorify me: for he shall receive of mine, and shall shew it unto you.

All things that the Father hath are mine: therefore said I, that he shall take of mine, and shall shew it unto you.

You see there was something being lived out in Jesus. The Word was not just coming as Spoken Word, part of the Word was being made manifest, and they needed the Holy Spirit to recognized what was being said and what was lived out and understand the interpretation, the true interpretation.

And you know without the Holy Spirit in your life you could just hear the Word and put a carnal interpretation to it and go into sin yourself. But when you can see the Word, what is not spoken audibly but lived out, cause remember God in sundry times and diverse manner spake in the prophets. Diverse manners mean sometimes he speak it, sometimes it comes by a vision, sometimes it comes by a voice, sometimes it comes in the life and action of the prophet.

And when the prophet is living out things without even saying it. Hosea is not saying, I am doing this because you are whorish nation, he's taking this woman. Ezekiel is not lying down on his side for three hundred and saying I am doing this because such and such, he is doing that, and they think well this man is crazy, what kind of thing is this?

Are you understanding what I am saying?

So that's why when things happen sometimes the way God communicate His Word, it was a secret and it was something that was not going to made fully plain until this last days.

That's why we have for six thousand years and when we think man has gotten wiser and got more knowledge, we get more confused because now we have a thousand denominations and one Bible. If man has gotten wiser and gotten more wisdom and become more learned you will think then we'll have more harmony in our understanding of the Bible, but we end up with a

thousand different denominations because its come to a place that it's still a secret only for the elect, and the world cannot receive it, which He had already told them that in St. John 14.

But watch now verse 25,

*These things have I spoken to you in
proverbs:.....*

In parables, even to His own Church He spoke things in parables.

*But the time cometh, when I shall no more
speak unto you in proverbs, but I shall shew
you plainly of the Father.*

It had a purpose why He had to speak to them in parables still and still not give it plain, are you understanding what I am saying?

But the time cometh because He knew that in the plan and the economy of God, there's an appointed time when the veil will be completely taken off of the mighty God, He'll stand in plain view, He'll stand in plain view to the people.

In Mathew 13, which I took on Sunday, together with Psalm 78, but I'm not going back to Psalm 78 this morning. I read Psalm 78 to show you what was happening in the life and ministry of Jesus was a prophecy and He did those things to fulfill that prophecy in the Psalms.

Mathew 13, verse 10.

*And the disciples came, and said unto him,
Why speakest thou unto them in parables?
He answered and said unto them, Because it
is given unto you to know the mysteries of the
kingdom of heaven, but to them it is not given.*

It is given to one group, but it's not given to another group. Now that's how God has set it up, that's God's purpose to do it so because remember all children is not His. Remember the evil sewer, sew evil seeds and the evil sewer is the devil and the evil seed that he sew, the tares was the children of the wicked one. Their end is the lake of fire. He said He will burn them with unquenchable fire, but the wheat will be gathered in the garner, harvest time I'll gather them, I separate them, this is harvest time.

That's why we're not in any organization tonight, that's why you used to be in an organization, that's why we grow up in organization under our parents, but that's why God open our eyes

to see the coming of the angel of the Lord in the last days, the coming of a message to separate, come out of her my people, go ye out to meet the Bridegroom, that's why we are here tonight, because why? This message, the shout gathers the Bride together, it separates, amen.

Why speakest thou unto them in parables?...

Because it is given unto you to know the mysteries of the kingdom of heaven, but to them it is not given.

What is the different between you and them, you will have the mysteries, they will not have the mysteries. The mysteries are given to you, the secret things that God have shut up He'll give it to His own, but it is not for them. They will probe at the Bible, they will still believe in Santa clause and Christmas and all kind of nonsense and Easter bunnies, Eve eat an apple and they will stay in that confusion believing God is three people and all kind of different things, but the elect will receive the mystery, its promise.

For whosoever hath, to him shall be given, and he shall have more abundance: but whosoever hath not, from him shall be taken away even that he hath.

And I explain that to you on Sunday, and show you how the Methodist, the Lutherans and all of them, they had something at one time. While Luther and them was there, they had justification, they had a revival. The Methodist had a revival when Wesley was there, they had sanctification, but today they don't even have that. Look at the confusion they have today and all those things is gathered up in the end time Bride, we have the message that Luther brought, we have the message the Wesley brought, we have the message that the Pentecostal had and we had the rest of the Word that was given unto us, until we have the fullness here, but when you look there you can't even see a justified church or a sanctified church, or the Pentecostal and the condition that they were in because they have rotted from what they were in 1906 when the revival came because when you organized you die.

You know that fallen angels get into it after you organized and what they have there is organization, the Holy Spirit leaves once its organized. It becomes full of pollution and contamination and

corruption, it becomes something that the vultures feed upon, evil spirits.

Verse 34.

*All these things spake Jesus unto the multitude
in parables;.....*

Because you know Mathew 13 was the church ages we went through that on Sunday too. Mathew 13 was the Church Ages and the church ages are the first two chapters of Revelation and once you have the first three chapters by Revelation, the whole Book opens. Out of the Ages comes the Seals, out of the Seals comes the Trumpets, out of the Trumpets comes the Vials, and the Thunders and these things is Seal up in the Church Ages.

So all these things Jesus gives here in parables. And say

*All these things Jesus spake unto the multitude
in parables and without a parable spake he not
unto them.*

*That it might be fulfilled which was spoken by
the prophets.....*

And that was spoken by Asaph the prophet, which we found that in Psalm 78, and 2 Chronicles 29, verse 30, also 1 Chronicles 25, verse 2. Asaph was a prophet he spoke this here in the Psalms and that was prophecy concerning Christ, when Jesus came Jesus fulfilled this and Jesus knowing even how He have to preach His message.

How many know that the prophet explain when this Elijah comes, how would we know him? He would speak in woods man terminology, like John, John talked about the axe that laid in the woods of the tree. God is able to raise up stone to be Abraham's seed. You generation of vipers, you snake in the grass. He preached out snake, axe, tree, root, burn with fire and these things. He didn't come talking like a clergy man, he spoke in terminology and nature because he is a wilderness man and that was the spirit of Elijah, when Elijah comes back to forerun the second coming he would have the same kind of characteristic like Elijah had before the first coming.

So the prophet knew even his language given to him to speak his message was scriptural identification for him. Do you understand that?

Just like Jesus here in the Bible, watch.

*...saying, I will open my mouth in parables;
I will utter things which have been kept
secret from the foundation of the world.*

So here all these hidden secret things, kept secret things
*...which have been kept secret from the
foundation of the world.*

I will utter it in parables. How come? Because the Church was a mystery of Christ chosen before the foundation of the world.

But Jesus is speaking about a church; He's speaking about a marriage of a queen for a Son and all these different things. He's preaching about servants, who He gave talents and gifts too, chosen and foreordained ministries, you can't pray to be a pastor, can't pray to be an evangelist and these things, yet you could pray for wisdom, healing and these things. Is that right? Jesus teaching these things, you're names are written in Heaven. The Book was written before the foundation of the world. But Jesus comes preaching, opening, breaking down and applying these things in parables. Did you get that? My!

Romans 16, before you have your seats, just couple of verses here, verse 25 to 27. So He was speaking in parables, even His own apostles couldn't understand those secret things, that have to be kept secret before the foundation of the world, when He was on earth. But He tells them when the Holy Ghost comes; It will bring back what I said. Because when you start to go back in My little parables, you will see the dept I was talking it from. You will see how much was inside of there. When I'm talking about the Father and the Son and how the time was going to come, you will have to go back to your origin, because you was there in the loins of the Father, it start to open to you. You start to know redemption for the son and relationship and a son can't be lost. Do you understand what I mean? And how much sheep I have, so much in my Book and I call them by name and I'm going to find them. When the Spirit come back, you will see how I'm talking about the great shepherd of the sheep fold, Who lay down His life for the sheep and the Blood of the everlasting covenant and the names that are written in the Lambs Book of Life, it will open to you, when the Spirit of truth comes.

Right now you think I'm talking about sheep, staff, and man because you're living in Bethlehem and you're seeing so much of

shepherds walking with their sheep, you think is just little things I'm talking about. Do you get what I am saying?

My! Romans 16, Paul writing here, verse 25.

Now to him that is of power to stablish you according to my gospel,.....

I show you it only have one gospel. We have the gospel of Mathew and he emphasized it a certain way. He talked about the King the son of David, the lion. Mark have a gospel, but he talked about the ox the laboring servant of Jehovah. Luke had a gospel, but he talked about the man, because all them Cherubim was weaved in the veil that veil the glory in the Old Testament, is that right? Because they all saw Him from a different stand point because they guard every way, four way, east, west, north and south. So from east way from the east this one seeing Him this way, from the north this one seeing Him this way, from the south this one seeing Him this way. Do you get what I am saying?

But Paul had a gospel because he had an emphasis too, he was Him a certain way too, only he called Him the last Adam, only he called Him the greater Tabernacle, only He called Him the Mercy Seat, only he called Him the great High Priest, only he say greater than Moses, greater than Joshua, greater than David and greater than Aaron, do you get what I am saying? He separated law from grace, he had a gospel too.

....and the preaching of Jesus Christ,.....

He had to fellowship on that mystery of Christ. He didn't just have a mystery of Christ walking in Galilee, he say you don't know Him after the flesh any more. He's in a mystery of Christ in you. That you is the tabernacle too. Know you not, you is the same tabernacle like Jesus is the tabernacle the Living God. Know you not, you is a tree too, you is God's cultivated field. You are a Bride Tree. Do you get what I am saying? How the wild little branch, the wild tree have to be grafted in, sure. He also knew you are the Book, he say you are our epistle, written epistle made manifest. He knew you were the book too, he had a gospel, the preaching of Christ, his preaching, that is important because he's brining a thought here.

Now to him, that is of power to stablish you according to my gospel, and the preaching of Jesus Christ, according to the revelation of the

mystery, which was kept secret since the world began.

Jesus say I will utter things which have been kept secret from the foundation of the world, He says now My preaching is according to the revelation of the mystery which was kept secret since the world began.

He was conscious that there was this mystery, that was sealed up and not made known to man.

But now is made manifest,.....

He say when I looked at Jesus, when I look at the writings of the prophets down through the Old Testament, through Malachi. I can see that all that Word was made flesh in Jesus, lo I come in the volume of the Book, Paul quotes it in Hebrews 10. A body has thou prepared me and lo I come in the volume of the book. He understood this One was tabernacle, God Himself without controversy was manifest in Christ, you know that?

..... according to the revelation of the mystery which was kept secret since the world began.

But is now made manifest, and by the scriptures of the prophets,.....

From Moses to Malachi, from Genesis to Malachi.

... according to the commandments of the everlasting God, made known to all nations,....

All nations, he preached Hebrews to the Jews and he had all them other epistles to the Gentiles. He was the One all nation, because in these shall all the families of the earth be blessed in Christ, the Seed promised Abraham and he knew that Jesus was the Seed. And in Galatians 3 explains, how Christ became the curse and how through the cross the blessings of Abraham comes to the Gentiles, you know that? And how we in Christ became Abraham's seed heirs to the promise.

..... To God only wise, be glory through Jesus Christ forever. Amen.

May the Lord bless the reading of His Word, may you have your seat. And turn with to Colossians 1. I want to speak tonight on, to follow up **Hidden Communication, Keeping The Secrets Secret**, I want to speak and call this **Christ Is The Mystery Which Was Kept Secret**. And for a little subject Christ is the hidden mystery of God which was kept and how was it kept secret?

Being sealed with seven seals. But the emphasis I want to make, in the book of your life. It was kept secret in the book of your life. There was one that was kept secret; He was seal in the Garden of Eden. He was seal in the tabernacle in the Old Testament. He was seal in Jesus Christ when he walked the face of the earth. He was seal in the Bible, with seven seals. But He was seal in the elect also because in that day you will know is I in you and you in me. And that I in you, is not just an outside I coming in you, that was an inside I Who was in you all the time, that you was part of Him always, that you shall know as you was known, that knowing was going to come. So follow me in Mathew 13: 35.

..... I will utter things which have been kept secret from before the foundation of the world.

Roman's 16:25,

.....according to the revelation of the mystery, which is kept secret since the world began.

Colossians 1:26

..... even the mystery which had been hid from ages and from generations, but is now made manifest to His saints;

Here Paul again speaking about this hidden mystery. He catches that mystery and he holds it. Peter don't write about it in this way. John don't write about it in this way. Not that they didn't have it, it is Paul's place to lay this as the foundation as the wise master builder in the Church, knowing the Jews had rejected the gospel and he was a light to the Gentiles and the Gentile bride had to come in. God calling a people out of the gentiles for His namesake. It was to go to all nations according to the promise God made to Abraham. In these shall all the families of the earth, the royal seed from all nations. Like the prophet saw on a preview of the Bride, a Bride from all nation in the last days coming forth.

..... even the mystery which had been hid from ages and from generations, but now is made manifest to His saints.

When Jesus came, in that first coming, in that first appearing, when He appeared to put away sin, in the flesh. When He came the Word made flesh as the promise Seed from the Garden to bring redemption. When He came as the way to fallen man, so he could find the way back to the Word he bypass when he came from

thought to flesh being born by sex. The Word was made manifest, all this mystery, all that God was, was in Christ.

Now sometimes I still hear people say all that was in God, He poured in Christ. That is not so, that is not what the Bible says. All that God was He poured in Christ. And the way He poured Himself in Christ, God en-morphe. He changed his formed, He changed his mask. But is all the same God, but he's seen in a different form.

See, when you make it all that was in God, what came out of God come out there and God is still here. No, no, no, God above us, God with us and God in us, God condescending. Do you get what I am saying? Check it close in the Bible, not one time he say all that is in God. You read it but your Trinidadian English make you say it so, but it is unscriptural, all that God was.

*.... even the mystery which and been hid from
ages,...*

He's talking about a mystery here.

*.... And from generations but now is made
manifest to His saints.*

*To whom God will make known what is the rich
of the glory of this mystery among the Gentiles*

He was a light to the Gentiles, that same mystery God revealing His Son in Him to preach to the Gentiles, Galatians 1.

Which is Christ in you the hope of glory.

So now we are finding out even in plainer form here.

*These things, which has been kept secret
from the foundation of the world.*

How God had a purpose to be revealed in Christ and how out of Christ was going to come forth, the mystery of the Church and how God and His Church was going to be one and shed the kingdom, God had a purpose. And so here, Jesus in telling His parables all what He taught in the gospel when He was here on the earth had to do with this mystery that was in the back part of God's mind before there was an atom or there was a molecule. Do you understand that?

God have no other mystery outside of Christ. God knows nobody outside of Christ. Nobody don't exist outside of Christ as far as God is concern. God's revelation is Jesus Christ is the entirety of the revelation of God. The Bride is not a different

revelation the Bride is,..... When the Bride is being reveal she is Jesus.

That is why even back in Eden, Eve was bone of Adam's bone, flesh of Adam's flesh, life of Adams's life, and her name was Adam too. She only came out to be revealed in a certain way, but is part of Adam coming out to be reveal, the feminish attribute of him because he was both masculine and feminine, do you understand that? When you miss that you end up, seeing a mystery here, Christ is something over here and this is something here. No is one thing, the entire Bible is the expression of one goal and one purpose that God have, not one, not two, not three, one purpose, one thought the entire bible, the Lord Who is, the Lord Who was and the Lord Who is to come. This is God's secret.

And this God kept it to Himself but He gradually unfolded it, slowly letting it out, not giving it out all at one time, but when He was letting it out He was letting it out not fully revealed. Just like the seven seals Luther caught part, he only caught part of the mystery, he didn't catch the full mystery, all he saw was justification. Wesley caught part of the mystery, all he saw was justification and sanctification. God was only revealing what was necessary for the time because He had a purpose to bring the Church stage by stage, so it could be understand what the Church is. How He is building this Church, how he's going to come and dwell in this Church.

That's why down through the Old Testament, how Solomon build the tabernacle, then God dwell inside of it, how the stones was cut out from around the world, how it was brought to one place and united and the glory of God filled it, all these things. How God build Eve, the Word there and He made the woman, the Word there is builded, he builded a woman. God building a Bride, the prophet unfolds it, from the feet all the way to the head.

We don't put a thought in there when we say He made a woman, but it starts somewhere. When we come to the Church, it's a foundation, faith, start with the feet coming up, until it comes to the Pentecostal age, the eyes, the seals and the intelligence and these things. It's a way He's building, see?

And each part of the Bride is revealing part of the Word. And no age coming through had the full mystery until the last age because when its finish then you can look at a people and see every

age in that people. So that's this age, that why it's all gathered up into this last day Bride, we are a special people.

I'm trying to hold this thought there, **Things Which Has Been Kept Secret**. I've been preaching on **Hidden Communications** and **Keeping The Secrets Secret** and now I'm speaking on **Christ Is The Mystery Which Was Kept Secret** and I'm bringing it as the Hidden Secret that was kept secret because it was seal up in our life, in the Book of our life. We are now learning and getting inspiration to read God's handwriting in our life. Like the prophet's life was in a mountain range and he looked and he saw nothing and God said that is your boy hood visions, that is your first pull, that is this here, and that is this here.

We are learning now to read Ruth had to decide, Ruth had to come and serve, Ruth had to come and rest. Your life as an elect in the harvest time is divided up in these stages. There is seven steps from the brass alter to the holy of holies, Enoch had seven steps and then he came back to the eternal. Your life had them seven steps. We are learning to read the Book of our life and when you begin to see your life identify in the Bible and your life unfolding God's handiwork because you are His workmanship, and we know what He's building because He's building a masterpiece, He's reproducing Himself in human beings that's the third pull, He's making back man back in His image and likeness like He did the first man in the Garden of Eden in this hour.

So when we look there we are seeing this secret in our life, and Light now that shine in the Bible to interpret the Bible, that Light is shining into our hearts to give us the Light of the knowledge of the glory of God in the face of Jesus Christ, to know what? That we have this treasure in earthen vessels that the Excellency may be of the power of God and not of us. That there is something, that there's a hidden power inside of us. Great is He inside of you. Learning to discover that hidden resource, that hidden potential, that untapped resources and how to begin to work it, that woman had it all the time.

But when Elijah was send there that day, he wasn't just sent to give her food to eat friends, the first thing she got was faith, the first thing she got was to discover she had potential she never knew she had. His preaching makes her discover things in her life that lifted her up in another sphere. And before he could even bring her

there, we saw where God had brought him there with the ravens and them by the book Cherith. Because he was only preaching what he experience in reality in his own life, do you get that? So the light is shining in your life.

We were talking to a special couple last night, when we went to visit them and showing them I said, God just give me a little grace, to start to show them things in their own life. And I was saying the time is going to come that you are sitting under the Word, I say what I'm telling you here is just a little part, wait until it start to flood your heart, is the Holy Spirit things that you did as a little child, that you didn't even know had a meaning, will start to come back to you and you will see there is nothing in your life, you see there is not one jot or one tittle here, that end up here because maybe just put in there. No, no, this is God's thought, this is the eternal thought of God, not one jot or tittle shall in anywise fail, it's the inspired Word that reveals Jesus Christ.

Then the same way that this book is only a written record of eternal life. But that eternal life is somewhere, its in people.

When you read there, you read the history of a man named Isaiah but that man is alive, if Isaiah come here, you don't have to read about him now because I tell you who he is, what he is what his revelation was, how God dealt with him, he become the manifested epistle, he will unveil to you, you will understand what is written there when he start to tell you how it was.

When the prophet came and the life and ministry of Moses reincarnated, the life of Joshua reincarnated, the life of Jesus Christ reincarnated, the life of Elijah reincarnated, that history start to repeat itself again, there's nothing new under the sun, amen.

Then here was a man, he begin to tell how the Angel came and commission me, then you start to read hidden things you couldn't read in exodus, then you start to read hidden things you couldn't read in Jesus in the gospel, you can't read first pull and talking to the woman to contact the spirits and all these things, but when he start to talk all them thing start to jump out the Bible, he say I'll tell you what he's doing, I'll tell you when the vision broke. Why? Because he was the manifestation of it, the Light that shine on him, amen because in him was carrying the Seed to reproduce all them scriptures in the Bible. And he born and grow up with that, that was in him from birth. and his life was done written in the

mountain and the mountain was there when God recreated the world, before the land was even inhabited, before they leave Ireland to come to America.

Don't be shallow, let him let your thoughts expand and get in a place to see how God plan the life of an elect. Don't you think when he realized he was written there where that mountain comes from? How come that peak is this way? It takes volcanic to push up that mountain and when the volcanic had that intelligence forming out, this one high, this one here, this one here, he say the three great peaks and this one is the greatest one here, and this one is just before you cross the next country right before the continental divide, where America goes into Canada, and when they were dividing the land, why they make that the continental divide? How come Canada didn't get some of them states and then America start some where in a lower State. Think, amen!

You realize the exactness of God, you realized when God begin to shine the Light in the life of believers, set them under the atmosphere of the Holy Spirit, begin to let them see I've known you before the foundation of the world, I thought you've been here, I brought you here, and my Word that I preserved, I will pull the Seal back and begin to show you your life. You get what we are talking about? You see you are a seed, you don't add to a seed. All that you are was in seed form. Whether you're going to be six feet tall, two hundred and seventy-five pounds, you might have been even born and they put you in an incubator and say you are premature, but they say this child might never be big, but if God have you to be six feet four, two hundred and seventy-five pounds you coming out that exact thing, amen. Why? They look through a microscope and that thing is so small you have to use a microscope to see it, you can't see it with your naked eye, yet that is a six feet four inches boy standing there with two hundred and seventy-five pounds, when he's twenty years old, with size twelve shoes, that's right, eat two plates of food, put the home under economics stress sometimes. You don't add to that.

Now that they break into the Genome project and unlock the secrets of heredity and know that you was a seed way, way, way back and they can look into your life now, and they can tell whether you can be something unnatural ability or not. He say don't bother with this fellow her, you put him in an office work,

this office nothing get done. Put this fellow out there with a baseball bat in his hand, he will be a millionaire. Put him in an office here, they will fire him in two months making a bunch of mistakes; do you get what I am saying? Now you start to understand people born for a purpose, now you understand people life design for certain environment, now you understand people get blind once they are not in the realm, they can't live, they can't relate, like a square peg in a round hole.

Gifts and calling, God's gift always find their places; you will never be successful in the east, you must go west, that constellation was hanging there when he was born amen. That's why you are a wondering star, that's why he says you are a restless winds, you are always on the move, people criticize but they don't understand you life but you are born for a different purpose, I made you that way for a purpose.

What was God's revelation doing? Now God could have send him to bible school and he could have learned a next kind of theology, but God was revealing the Bible to him, in his work. And the Light was shining in the Christ here and it was reflecting in the pages here and bringing the Christ out of the Bible here. And when theologians can't preach predestination and say that is not of God and that shouldn't be in the Bible, he's walking in his life and he's finding things in nature in his own life to explain them scriptures that theologians, Hebrews, Greek and Lexicon can't explain. Oh my.

That's the same God tonight, that's the same God tonight. God never make any new kind of people. Every name was in the Book before the foundation of the world, every design, and every part of the body, because the body was being built from the feet up to the head and he have to make you to fit your age. You could image God make you to be in an astronaut age and you only like to play with roller, with thing, you only want to go back to horse and buggy and God make you to be an astronaut to walk in space. I'll show you, you not for this age. Show somehow you end up in the wrong age or something. Do you get what I am saying? He build you for a certain thing, build you for a certain thing.

Where was I at? The mystery that had been hid. I'm trying to show its still in you, you are a book. If you only see your self as Mister, so and so son, you'll never see anything more than that. If

you only see that you does go to church at Third Exodus Assembly Longdenville you will never see anything more than that. When you start to see where the carcass is there the eagles are gathered and you know is carcass and you know are eagles. Hallelujah. And you know there are a cluster of eagles between the Gentile eagles and the Jewish eagles in the eagle age. Hallelujah. You begin to move up, you begin to see it different when you begin to see sons of God, going pass the joy, the saints and the clapping of the hands and the rhythm of the music and going way up pass the human understanding and all man made theology and begin to bring down the mystery, interpret unknown language, put it back in the Bible, light up, take people's amnesia away. You begin to realize that's God coming down there, things promise for this hour. Oh my. Then you realized this can't be Longdenville, this kind of things don't happen in the earthly realm, this is the heavenly amen, you have to fly to get up here, because you could sit down here in three piece suit, brother you could have money in the bank and you will be as blind as a bat and can't understand anything that is going on. But if you have divine revelation and the anointing of the Holy Spirit you can set your wings in the current of the Word and watch the inspiration make you fly through the secret passages of the Bible.

How could the prophet say you are meeting the guard on the seventh step, he say I come in Branham's Tabernacle on 8th and Penn Street what guard and what seventh step you're talking about? He could say what I am speaking its going to take you into the King's chamber. You say but what this man talking about at all. If you are a denominational Christian it means nothing to you but you are a believer amen, you'll understand what this is. You could say my eyes have seen the glory of the coming of the Lord, this is the secrets that the fathers and them knew was going to come, Peter say in the day of the revelation, the apocalypse of Jesus Christ when He appears in the last days, when the Lord, the righteous judge came with the white wig, the angels came in the cloud, when he come to be glorified in His saints.

Is that right? Catch what I am saying; I hope you catch what I am saying? What is my emphasis? Not just Christ in the tabernacle, not just Christ in the garden that is just the theological part, Christ in the book of your life. You say we have seen Him in

Eden as the Tree of Life, we have seen Him in the tabernacle as the hidden secret only the priest and the priest sons, the high priest and his sons in every age could come in, in a particular time and season be admitted into the secret, initiated into the mystery, speaking of a time when they will come in before the change of the tabernacle can't they go to a new body with out a new name and hidden manna? New name, hidden manna, new body, in Abraham in the old testament of the priest, in a certain season when Elohim is coming, when the Son of man is being revealed, in the day of the atonement when He appeared a second time.

If you understand that these things identify and tie right to this very hour in the revelation of the Bible and we are in that season between seeing Him appear and the body being changed. Abraham saw Him before he appeared and the body changed, is that right? And He say shall I hid from him what I am about to do? And He let him into the secret, he initiated and Abraham became part of the court room drama, and he begin to plea the case before the attorney and he got Lot out of the fire is that right? Where sons of God is walking, oh it staggers the mind sometimes, you sit there and when it get like this, you say oh God it has to be God. And when that leaves you, you say what he trying to say again? No its Him friends, you could say what you want, that's Him. You go and find lexicons, bring Bible dictionaries, bring message people tapes, bring it for me and show me where these things are being said. I'll show you where that is being said is only the initiated. And I'll show you outside the age they can't even presumed them things for you. Then the Bible you have in your hand, you are sitting here in a Church and things laying for this hour after that great Gentile eagle comes before the Jewish eagles come under that Seventh Seal, under the Seven Seal when the Thunders uttered their voices, Sons of God will find secret passages to get in there.

Let me say this, if you can't see them things, and you don't get grace to see them things, you will never see that in any age, you would come up in some foolish virgin group in some age in the past. With all due respect to you, because is to know the Word by what is happening and is not knowing a Word outside yourself, is knowing the Word that should reflect yourself and the plan of God for your life as Bride in this age, what Word you have to operate, what Word you have to quicken and bring to life, what Word in the

Bible identifies you, is finding that Word and then you show you knowing the power, well then you show me you get power without the revelation first. I'll show you the evidence of the Holy Ghost in every age is the revelation coming then science follow the Word, do you get what I am saying?

Oh brother, I shouldn't get so bombastic there but it's an atomic bomb so what could you expect, maybe that kind of bombastic. But I find it went forth strong to shake you in your seat, get you off your little fury comfort zone, your nice little place, your nice little church life, oh you love Jesus and you does come to church, you give your offering and your thything and you're a great Christian, I'll challenge that.

Say you're going to come up a little higher. After the Laodicean Church they put Him out on the outside, was there a voice saying come up higher, is that for the Raptured group? Is that for the Raptured group? Was that for the eagles of the air? Because the first three beast was earth bound, the forth was a flying eagle. Was there an open door? Is the door Jesus? Was that door closed all the time? But then a door was opened in Heaven, hallelujah, a key was given to unlocked the door, it came from the mouth of a prophet who had Seven Thunders, seven levers on the key and the door went click, amen it was open and we saw Who Jesus was, Christ The Mystery Of God Revealed, Christ is revealed in His own Word, Who Do You Say This Is, Who Is This Melchezedec amen. Yet to the theologians God Being Misunderstood, Presence Of God Unrecognized, True Sign Overlooked but to the elect the Mighty God Is Unveiled Before Us. To the believers Light Coming Time, he say I Say To You Shalom. Oh thank You Jesus. I'm glad He had to pass this way. I'm glad He had to pass this way, coming down to the resurrection He had to come through Bethany, He had to come through Bethany, had many road He could have gone of into, but He had some elected ones down in Bethany that believed Him amen, and He was coming there. Oh my.

They could have bear a reproached for Him, they could have been laughed at, scorned and ridiculed being identified with Him, but they didn't care, they knew what so ever you ask of God He gives to you, hallelujah, glory be to God in the highest, they say we know that this is the anointed Word, God promised down through

the Bible, we sat under it, we know what it did in our heart, we are the Elisha of this day, like when Elijah waved the mantle, we felt the same thing when that Word was waved over us. They had that kind of experience to be Bride in their hour, they had to have that kind of experience because He was the Elijah and they were the Elisha. When he crossed the Jordan and He ascends, He sends the mantle back and the Spirit came on them, oh brother.

I'm talking about the secret, but I guess He wants to let you see it is made manifest, it is reveal. Other wise I would have been just giving you a little theological something, but you strike the place and the fire struck, the fire struck, why? Because the hidden secret from all ages, what nobody couldn't reveal, no body knew how to read the Bible that day, when the Thunders came the Bible became into a new book. When the Thunders came, you realized that God had every age and in every age had its own elect and every age with its own elect had its own Word allotted and there is an anointing comes in that age and the elect in that age is the only one with eternal life to operate that Word and they alone were the overcomers because it came to a certain qualify group who received it in a certain way. While they were trying to hold on to the laws written on commandments of stones He was saying "I'll write My laws in your heart, I'll write My laws in your heart, leave them with commandments written in paper and written on stones, I'll write it in your heart, you will have the testimony of the scripture interpreted in your life, you will declare the name, you will manifest the name, they will give the theological explanation of the name but you will manifest the name, you will prove you're in the family by the birth and the DNA." They will all say Jesus, holler and don't get anything is that right? Oh brother, think about it.

Colossians lets read again, Colossians 1, this is about the little teaching, I'm just getting carried away, but I don't control this, Phillip was caught away one time too, leave a whole revival and he went talking to one man oh, who ever that man is tonight, I tell you he must be love this kind of thing, he must be asking God for a strong drink tonight, drink deep from the cup brother or sister who ever it is amen, praise God amen
Even the mystery which had been hid.

Now what are we talking about, things which has been secret from the foundation of the world, the mystery, the revelation and the mystery which has been kept secret, Romans 16:25, Mathew 13:35. And now Colossian 1:26

Even the mystery which has been hid from the ages and from generations but now is made manifest to the saints.

What a consciousness that is. Do you realized seven seals was hid from down through the former ages, but is now made manifest, to His saints? Do you know that many men probe at those mysteries? Do you know that's how we got all these denominations? But there was a time it was going to be revealed, was a time it for it to be made manifest, is that right? Well look at the inspiration on the scripture here.

To whom God would make known,.....

Make manifest and make known, phanaroo and Apocalypse. He make it known, He's revealing, He's giving revelation but the Word is being manifested too, so you could see the interpretation because God interpret His own and brings it to past, the Word is of no private interpretation. When He brings it to past that's the interpretation.

Among the gentiles, which is Christ in you, the hope of glory.

The same Christ that was seal in the Garden of Eden, when four Cherubim, Seven Seals stood there and the tree was sealed up, a man couldn't reach and take it that original glory that man reflected, then He bypassed that glory and he came as flesh man but he had a hope of that glory was going to come back, he'll be changed from glory unto glory, you will behold the image one day. The image was going to come, the express image of the living God was going to come one day, he'll see what kind of man God made in the beginning. Watch.

Whom he preached warning every man and teaching every man in all wisdom that we may present every man perfect in Christ Jesus.

When this perfect Christ is made known to you man could come into perfection. When man behold this perfection of this Christ and this revelation of the Word being made thourally clear, watch what it will do for man. Lets go again Ephesians 3, lets take

a little part of that quickly, I still want to get this mystery to show you how this mystery was spoken of and that's what this message unveils. That's what this message in the last days has unveiled and I'll show you outside that mystery, all people have is a church life. Ephesians 3:1

Now remember Colossians and Ephesians, I always tell you, Colossians represents Christ the head, Ephesians is the Church, the Body, Adam and Eve, the mystery, going back to the restored Kingdom in His own time which is the only blessed and potentate, King of king and Lord of lords. The great feast after the feast of tabernacles, when all things is brought subject to Him again in the last day, Paul spoke all these things, his Revelation was from eternity all the way back to eternity. God chose man, he start in Ephesians 1, showing you how he was chosen in Christ before the foundation of the world, he goes back to the eternal age, way back in the eternities when he existed in the eternal thoughts of the eternal God before there was an atom or a molecule and we were chosen and already predestinated in His mind to a certain place, certain age, certain time, certain season to manifest certain part of the Word, that's what Ephesians 1:3 really teaches.

Watch, then he goes on talking about in the same Ephesians about in the ages to come, when He goes back to the eternal ages, when time is no more. But here in chapter 3, he's having these mysteries; he is making it known to these Ephesians. And Ephesians and Colossians is what, is called the prison epistles, this is what was written when he was in Rome before he died at the end of his ministry, in his last days before he died, in other words before he went to the grave he gave the secret out. Though early in his ministry the first epistle he wrote was Thessalonians and 1 Thessalonians is the mystery of the Seventh Seal, the coming of the resurrection, but he carried it in his heart. Corinthians he tell you about a man who was caught up in the third heaven and saw things unlawful to speak and he carried it in his heart, but before he went into the grave in the last few day from about Ashamed to Communion he begin to speak things and in words that man's wisdom cannot teach, sealing it up in his message, that's why Paul's gospel was sealed up, Peter called it things hard to understand because it was being spoken in a hidden wisdom, hidden communication, sealed up until the seventh angel time,

when another one will be taken beyond the curtain of time, another one God will stop with the ball of fire, another one that will meet the Pillar of Fire like Moses, not walk in the flesh and eat and drink but see Him in the pre-incarnate glory, maybe in a cloud or bow or something when He comes down over shadow and after that watch the revelations follow that because He's not doing that for so, that a sign but watch a voice come out of that and open the Bible, put sense to the message of the prophet, that's right, say back what has been said now by revelation because a director some how get into the spirit of the composer, so you could begin to interpret the music because the music is an unknown language and its not written like in words is in signs and symbols, and you know this part goes this way, this part,... and that's why some man have people kicking chair, rolling on the floor, all kind of different things, why? How they interpreting the music. Some people have them starchy, formal and fanatical. Some people have them say what he said. Some people have all kinds of different things. But brother to have the right to direct the symphony so they not radical, they not wild, they are in the middle of the road, he say she was not like marching, it was like a rhythm onward Christian soldier, it was a nice sweet rhythm of the gospel, proudly displaying the blood, oh my, God's great drama unfolding.

Watch Ephesians here, this mystery how he brings it now in Ephesians because Ephesians,..... years ago preach that little message there in Ephesians The Mystery Of The Seven Seal because Ephesians parallel Joshua, Joshua is back in the land of the fathers, breaking as the seals will enter into that huge portion of heaven.

Let me tell you, you want some keys watch where in Guyana the Holy Ghost come down there and seen visible among people. Why did He come down in that? Watch why He had to pass this way, why did He come down on that? Watch there in Europe when He comes down there on them Trumpets, in Check Republic, watch what He comes down on. Didn't He come down on the river? Didn't He come down on the opening of the seals? Didn't He come down on the Church Age when it was opening? Didn't He come down when He was loosing a Ministry? A healing revival, a servant at supertime? when Israel was back in the homeland, the six point star of David flew over Palestine? How

readest thou? How understandest thou God, the unchanging God? What kind of discernment you have? How well do you watch the things in your midst and around you? How much do you believe in it? How do you relate to it? Is it the Bible, or is it not the Bible? Does it leave the Word and go off to fanaticism? Or does it go deeper in the Word and keep opening the Word? Does it bring more faith into the heart of the believers? Does it place the Church positionally in an hour, time and season and place and ministry?

Then see if a ministry of a man was to come forth or a ministry of God was to come forth, she has the mind of Christ, does that sound like the mind of Christ? She knows what He wants done with the Word, does that seem like the Bride knows what He wants done with the Word? She knows that it is He in her, does that sound like people who know it is He inside of them fulfilling His own Word? We always does quote that, we all does preach it, we all could say the location of the message, but how many of us believe it to walk in it? How many could claim it for our self and quicken it and bring it to life and watch God honor your own faith and interpret it in your life and say that's me and God say yes that you and confirmed it to you. Or how many of us when we hear it, we draw back and criticized and have reservation in our mind? Instead of you saying, if he's in fanaticism that's still a promise and it's for me and I'm going to quicken it for me.

It has no reserved place because it's spoken for a people to quicken. And if they have Bible inspiration, the Bible inspiration will lead them to quicken what is promised them not somebody else. And if you have your portion identify and you afraid to quicken it then that's unbelief, that's a life that is still dead in sin and trespasses and haven't wake up to what part of the Word they are yet. That's an ear that never heard the Thunders because the Thunders is to wake you up, to recognized your place in the Bible.

Oh my, I'm not putting you out the message, I'm driving you to search and dig, I'm driving you to check your life, I'm driving you to check your spirit and see what kind of spirit you are hearing it with. And if you are hearing it with the right spirit, you will say praise God, I'm in the right place, I'm hearing the right thing, this is the grace of God, I am part of what of what He's talking about, I know life connect with life, hallelujah, I'm born for this, glory be

to God, he's no chicken up there clocking, scratching around, that a flying eagle and I'm glad, I'm not with any turkey, old bird, dead bird, and old hen is. So you know you not wasting your time, if you driving you seeing the hot building, you know you not wasting your time, glory be to God, give Him a hand clap, (believers clap) like God does say amen, that's the God of the Bible friends, oh thank You Jesus, what a mighty God we serve in this place friends, the Holy Spirit quickening, opening, sensitizing us, challenging us, anchoring us, shaking us so our roots could go deeper, connecting us up, putting us in the spirit, focusing us, making us check our knot and see if we are tied. Yes sir, my, wow, you could tell maybe the world wind or something like that when it came off the mountain that day. You feel it roar through here. The Holy Spirit amen, Ephesians 3:1 think!

For this cause I Paul a prisoner of Jesus Christ,...

He's in prison, but he's writing.

..... write for you gentiles.....

Now watch back in Romans 16, how he says

... to be made known to all nations.

Watch in Colossians how he say

...the mystery is made known among you Gentiles that was hid.

Watch in Ephesians,

I the prisoner for you gentiles, all nations.

The secret he's coming down to

If you have heard of the dispensation of the grace of God which is given me to you ward.

If you have heard....

It had men who used to go around saying, no God open up part of the Word to him. It had men who used to go around saying that. And Paul says, if you have heard, you will read the Bible a dispensation of grace given towards Paul. You read that from Genesis to Malachi, you read that somewhere? But Ananias and them knew, God tell Ananias in a vision, he's a light to the gentiles, light to the Gentiles. Simeon in his book of prophesy after he say that by inspiration and then say that this child shall be light to the gentiles and then tied Jesus to Isaiah prophecy and Jesus died and that prophecy you know Simeon was inspired and

then when the Holy Spirit come it pick that inspiration off of with Paul and he say when it separated me from my mother's womb to reveal His Son in me that I might preach Him to the Gentiles, a light to the gentiles and they say no, no his gospel is not contrary, he's not contradicting Peter and them but his ministry is cut out to these people, his ministry will be out in them places, he will not be in Israel. America? No, no, he will be there for a time going down but then they don't want his ministry there, but he'll go out to them other places where people of a different tongue, different custom not so civilized, where they are hungry for the Word, where they not running for restaurant and jump and shout and play around and all these kind of Hollywood business.

I'm not making myself him, but I'm making myself close to Him. You say well you shouldn't even do that, well them I'm false because he's the pattern for every true minister. If I'm a minister called in this message that is what God is watching to make me. If this Church have a true foundation and if this Church establish in the faith and if the Pillar of Fire identify with that and if He speaks thing hard to understand too then you have something close to that and if He never covert no man's goods or apparel or he never take no order from any headquarter in Jerusalem but yet they have to perceive the grace given unto him. And if he is humiliated, rejected and persecuted and he have many adversity that Alexander Cobbler smith have done him much evil, but yet it have those who will pluck their eyes out for him, like Aquilla and Pricilla who risk their life for him too. I'm not that, but I'm glad to see I'm something close to the pattern, you are a minister called to preach you better be close to the pattern. You close to Billy Graham and Ale Roberts crapaud smoke your pipe; do you get what I am saying? Wheez, this man obnoxious sometimes but that's just establishing the authority of the revelation. How many know that's the Bible? They was making Him nothing, he say bear with me my folly, he say let me magnify my folly, let me magnify my office a little bit, maybe you don't understand what has happened, let me go up and show my face. If he pull that face off it better have some glory in that face. How many know Steven had a light, his face shone like an angel? How many know when Moses came out his face had something? How many know they couldn't resist Steven by the wisdom by which he spake? How

many know the Spirit of wisdom is to come in the last days to reveal these things to get the Church ready to go out like Gabriel came to Daniel? How many know wisdom build a house on seven pillars? How many know wisdom is the principal thing? How many know the wise will understand? How many know the wise virgin have the oil? Are you a bible student? How do you read the Bible? This is a Bible spirit, I would never want to start up before that with the wrong thought, when that get separation I will never want to stand up before that with the wrong thoughts, that is a fearful place friends, because that's a sword quick and sharp and powerful, a discerner, dividing soul and spirit. In other words faith from reasoning, faith from imagination, soul is faith, spirit does reason imagination, wheez brother walk soft.

You all have to be eagles. You all have to be Bride. How could He come down so close, bring Himself so clear right among you, is in times like these when it begin to dawn upon you and their eyes were open and He broke the bread and they says the Lord indeed, that's where people get healed and delivered, that where they come out of shackles, that's where they come out of prison doors, why? Because they recognized God coming down, I don't have to go home the same way the Lord is in the house tonight, oh my, I came expecting, I come expecting to get a Word from Him, I came looking for deliverance in this hour like a man in a dry and thirsty land.

Talking about this mystery, maybe He wants me to speak on this mystery, maybe I'm striking a channel, I see some how I drop in the channel. But when you see the Spirit come on a Word, you watch that Word and say why is He anointing that Word that way? Let me stay and dig here, because some how like He please, it excites Him that part of the Word there. Quickly, so they heard of a dispensation, verse 3.

Now catch this, we're talking about this Keeping The Secret Secrets, This Hidden Communications, Christ Is The Mystery Which Was Kept Secret. You are discovery Christ in your life friends under this message, you are discovering you are an eagle from the egg, specially designed and build, but that eagle life was sealed up and the hen if he lived there all his eagle life in that barn yard he'll never know he is an eagle under that hen. He'll grow with a complex the rest of his life thinking he's a funny chicken.

He'll never fly off that -----, he'll never even get near the barnyard post, yet he has the make up. Yet he has all the potential, yet he have all the hidden resources, yet he have the law to fly inside of him, yet he's at the head, he's the king of the birds and he's subject to doctor Davis this old Baptist preacher here, this old mother hen clack, clack, clack, scratching the manure pile and then that Mighty Angel come flying one day, revelation 10:1 Jehovah Eagle is that right? He say Billy, you aren't that chicken, he say you seeing visions since you're small you saw some men fall off the Ohio bridge, is that right? And you heard a voice on the Ohio River, is that right? And it tells you like John the Baptist, and you went down to the Pentecostal and then you talk to the man and then a vision broke, he say, "how do you know these things". He say, "son you was an eagle from the egg, don't you know is Malachi 4:5, don't you know is Revelation 10:7 boy, don't bother with this bunch of chicken and turkey, telling you, you can see vision, they can't see that because they not constructed that way, they are a hangover from an old age, this is grand children boy. He say but you, you Billy, you are going to be the first astronaut in this astronaut age; you are going to be the first eagle in this eagle age. He begins, to wake up. His misunderstood eagle life, begin to come real to him because under that preaching of mama eagle it broke and seals and he start to know what he's constructive, he's a specially build bird, he has purchased a law to fly, he don't have to run and take off, he just have to flap them wings and he saw the phanaroo, he saw the interpretation of the mama, he wasn't just hearing teaching from mama lips, he saw the interpretation, he saw mama flying, he saw mama circling and coming back. Oh my, I saw some grace like Brother Bowen here tonight, brother I will show you exactly how she was flying, amen. My, flying coming down there, think about it!

He woke up he was never afraid of another chicken from that day on, do you get what I am saying? Because he started to discover, he start to learn the true identity from the giver of the gift, what the gift he possess was.

Paul had these kinds of experiences and that's why his preaching took a different turn.

*He say how do it by revelation he made known
unto me the mystery.*

Brother as I wrote to four in Romans in Colossians, for a few words. I wrote before a few words, he made it known to me he says, “by revelation, where by when you read you may understand my knowledge, in the mystery of Christ. When you read grace that bringeth salvation, the judgment is set and the books are open. When you begin to read, you will start to understand the seven trumpets, you’ll understand my knowledge in the mystery of Christ. Which in other ages was not made known. Was the seventh Trumpets made known in Iraneus time? In Martin time? In Columba time? In Luther time? So I could say it was not made in other ages? Was the book of Esther made known in Luther time? And Wesley time? And the Pentecostal time? So I could say that? I mean he is not conscious of something like that, he knows what he’s preaching to Isaiah, Jeremiah and all of them, they seeing through a glass darkly, but he knew as the wise master builder could lay that foundation, that full Word had to be there, he had them Thunders.

*Which in other ages was not made known,
unto the sons of men.*

All they know that lamb is a lamb, they know that tabernacle is a tabernacle. They know that mercy seat is gold and shittim wood and must be going in the holy of holies. When he comes he say that is Christ, Moses is Christ, this one is Christ, this one is Christ, he start to open it. it wasn’t open back there.

*As it is now revealed unto his holy apostles
and prophets by the spirit,*

That is why I read St. John 16.

*I have many things to tell you and you can’t
bear it. I speak to you in parables the secret that
was hid before the foundation of the world, but in
parable but when the spirit of truth is come he will
lead you and guide you into all truth.*

And this man now is saying, “he reveal it to me, I got it,” he say, “I got it.” He says, “it is now being reveal by the Spirit. Because the spirit was supposed to come and the things they couldn’t understand the ones who walked with Him. Because remember he wasn’t there when He told them that. You know that? He’s telling the eleven that, St. John 13, 14, 15, 16, 17 I

show you already that is He speaking with the eleven. Judas, he dip the sup. St. John 13, He hand Judas the sup, He say, “do what you have to do quickly.” Judas appears back in St. John 18 and during that time He’s revealing the comforter must come, the guide will come, the spirit of truth, I’m the vine you’re the branches you was from the root. Father I pray for these whom You have given me before the foundation of the world, they will be where I am, I don’t pray for the rest of the world, see? He was making known secret things to them Jesus and telling them the Spirit of truth was going to come back yet its not coming to them who tell him that. They all get the Holy Spirit but not to carry them there in the truth. They get the Holy Spirit to preach part of the Word, and when the fullness of the truth comes in this man it comes back to teach these, he get the hidden manna a little more to teach the others. I can’t say it better than that that is how it is. That’s right, that’s how it is.

No wonder he couldn’t write that, until before a few days before they chop his head off because they would have chop it off while he was here on the earth, but he write it and he put it there so he know the Romans going and chop his head off, because that would have stumbled a lot of saints, they say, “who you think you are, you walk with Jesus, so you greater than Peter, John, and James and them. You was there when He commission them? You was there in them final moments with Him? When He appeared, when the Mighty Angel came down and He start to open the Word there in that great time and open the scripture and open their understanding, you was there?” he say, “wait don’t forget He was seen of me also, he say don’t forget He was seen of me also.” Now watch.

He say as it was now reveal, which in other ages was not made known unto the Sons of men as it is now reveal.

Luther saw justification, how many knows that? But only in the evangelistic sense of it, but when the prophet brought Invisible Union and show us justification. Luther the mystery part he couldn’t get, He was only a reformer. Many men preached down through the ages, LNG White, all of them, even women and all preached Malachi 4 is to come back because they could see enough light that John wasn’t that person, but when a man with woodman terminology comes, when a man with a woman against immoral

woman comes, when a man don't have that kind of ministry against the church leaders comes who I mean could shake the churches and find his name in the Bible and identify to him God comes down, that is different to somebody saying I have the revelation before that I say that too, that is different, he say now it is being thoroughly vindicated, he say others presumed things in those seals, Lakan and them say that first seal is the antichrist, that's right go back and read before the prophet, Lakan say the first seal is the antichrist. But after they go there where could they go with that afterwards, not much but the mystery, the mystery is something this great secret of God only for the initiated, only for the elect.

Watch the alpha, if you get the picture of the alpha, I'm giving you the picture of the alpha, you'll understand the omega because alpha and the omega is the same. Because the same ministry of the Son of man came and live out the same time again. From 1933 to 1965 lived out the same time, from 46 to 65 all those mysteries of the three pull and these things was lived out, all the scriptures in the Bible that Jesus did and the things He did was lived out. Then this evening time ministry made a way for the Holy Ghost to come, then that Spirit of truth, that Spirit that was in the prophet, like the Spirit that was in Jesus is the same Spirit come back in the Church, not a different Spirit. If that was God in human flesh, the Spirit in Him is what is to come in the Church; the Spirit in the corporal body is what was to come in the alpha church, not another spirit.

Are you seeing that? When you see that in other words and your thinking get adjusted, and your mind get focus then you sit down in Church now and you understand what is happening, what it is supposed to be, how the plan is to get a Bride ready for the Rapture, man can't do that friends, that have to be a work of God, that's why he does all three things while He's descending and He start His descend back in 1963 with the shout, He was appearing before that, but descending with the shout, the opening of the seven seals.

Do you see how exact them things are? Why can't we catch these things are now being revealed, in a way that the seven church ages didn't see it. And when that is happening, these divinely revealed mystery truths, will literally turn the hearts of the children back to the faith of the fathers, it will show her how to prepare for

great translation faith. It will give her faith to be changed. But you have to recognized that's what He's doing, so you understand unto what heir, unto what purpose the Word is proceeding forth out of His mouth, that it will not return unto Him void, but accomplish, accomplish where? In the hearts of those who believe it and receive it and is not ashamed of it and mixed it with faith and go to acting upon it because when they hear it they recognized it is the truth, because they search it in the Bible and they find it exactly scriptural. Then they recognized they heard from God. Not you felt good in the service that is nice, that can tell you God is here too, but that don't enlighten your understanding. You say I felt something divine tonight, oh I felt something, but did you understand what He was saying? Did you understand where he's tying that? Did you understand where He's emphasizing that? Did you understand how He's making that plain and where He's applying that? That's when your understanding gets enlightened. Then your walk changes, the little feeling you get don't change the walk. The revelation changes the walk because when you hear it, you recognize it, you go to acting, you make it yours, you search it, like those in Belmeria and because you're more noble, because you're more noble. You not search because you don't believe it, you are searching it that it might become yours, that when you are challenge on it and if the devil start to pluck it out your mind you can go back and refresh your faith and re-anoint yourself because you know where it is, its been thouraley defined and identify to you in the scripture. So then when you say you not saying it I saying it because Brother Vinn saying it too, no. you say it because it is reveal to me and I know what he said is the truth and I'm not ashamed to say what he say is the truth because I believe it is the same thing because I see it in the Bible too. And that's why it don't become the voice of one water, it becomes the voice of many waters. One voice but many waters. Do you get that?

What kind of Church we're going to have, if we could start to get there what kind of Church we're going to have. When we come and gather here what kind of Church we're going to have, it will be spirits of just men made perfect, innumerable company of saints, people come through them doors a certain way when they look at their brother and their sister and they see one weak and one tottering here, they say oh my God that's why God give me

revelation, that why God put me here. Say my precious sister, lets pray amen, I'm standing with you, I want you to know I'm in support there; I'm going to help you through this here. Didn't He ask the disciples can't you not watch with me for an hour? If God ask his own followers to bear with him and help Him to watch for an hour in the time of trials, you mean to say one of us to proud we can't tell a brother or a sister, I want you to stand with me on this, I want you to agree with me and give me some support on this here, I'm going through a time here and I'm believing God, and then you know that's my brother and my sister and I know they are walking in the will of God, I know the kind of sacrifice, I know their identification with the Word is not a shallow thing, I know they are not just coming here as a church member to warm a bench, I know theses people are called of God, elected, called anointed and place, that's my brother we're born from the same womb, by the same revelation, that's my sister amen, hallelujah.

When we get a Church there, we'll start to move into Rapturing condition friends, do you know that? Do you believe that? (Brother Vin sings- Are you looking for Him,) oh my, you keep looking for Him friends. He comes to those that look for Him. These things is sensitizing you, He's moving, look for it, He's coming through the neighborhoods, listen for the knock on the door, behold I stand at the door and knock, He wants to sup.

*That the gentiles should be fellow heirs and
of the same body and partakers of his promise in
Christ by the gospel.*

This thing could not be clearly grasped and understood. Even up till Peter time remember the gentiles was. no, I can't eat with them. We can't associate with them unclean people, He say, "don't call what I make clean unclean." Remember the great big controversy in Jerusalem Acts 15 about him going to them gentiles, how you could go with them people. And then he begin to realized, Peter say, "I see them get the Holy Ghost just the way we get it too."

You don't read this in Galatians, but this is what the Jerusalem church couldn't understand, but this is where He's walking in a commission and while they trying to argue who going here, a gentile and this and the other, he's seeing this mystery is for all nations, and this is their time because the Jews is going to come

back under the seventh trumpet, Joseph was rejected by his brothers but he get a gentile wife. He will not make himself known to the brothers until that wife is dismissed, do you get what I am saying? Jesus.

Wherefore I was made a minister according to the gift of the grace of God given unto me by the effectual working of his power, unto me who am the less of the least of all saints is this grace given.

What Jesus said was kept secret since the world began. Look at this man, he say, “look I’m the least of the saints, but something is given to me,” he say, “I can’t pick up the Bible and read it and don’t see Jesus in every verse.” I wasn’t looking to get caught away beyond the curtain of time, and He took me beyond the curtain of time, I see things that are lawful to speak, I wasn’t praying for that.”

Watch the man start to realized, he is about to go to his eternal destination, he say, “I have fought a good fight, I’ve kept the faith, I’ve finish my course, the time of my departure is at hand.” He knows they had assigned the day for the execution and before that time comes out now, quickly pick up your pen and write and he begin to write and what he carried in his heart among all them churches preaching, service after service going, he carrying it. Since from 1Thessalonians, the Lord shall descend from heaven with a shout.

That prophet knew things friends, that prophet carry things in his heart. Sometimes he talk it here on a message, sometimes he talk it here, sometimes he keep this here for years in his heart. He says, “junior when did you get that dream?” He says, “back in February 6th, Brother Branham.” December 63, he now come and say it but he preached it in Statue Of A Perfect Man, preached it in Blasphemous Names all them things, preaching about the Pyramid and the Opening Of The Rock but in another way. And then when the angels came he start to tell the dreams and the visions, they carry them dreams in his heart going out west, going out west, going out west, he have it written in the book when they break this wall, boom they come and break the wall the same week, next couple of days the vision comes, where the signs coming from? In his life, they can’t read that in the Bible, in his life.

I'm laying that in for something Sunday, he's carrying them things in his life inside his heart. When he preached Count Down he says, "we are in the zero hour." And he starts to talk about how he used to work, he say, "what you think I was doing all these years? Spiritual research. What you think all these I was preaching? I find material, how to bring a Church into adoption age, like the Luther find it to bring them into a justification state, and Wesley find material to bring them into a sanctification state?" he say, "I find the thunders, to bring them into this place." What you think all this second fold is? Shepherds find the Messiah. Where He was hid from the theologians. But how could they find that? The angels came to them and tell them where to look, that's why when they preached it they does identify a location, between the Gentiles prophet and the Jewish prophets, between Revelation 7:1 and Revelation 7:2 unwritten sealed up between the sixth and seventh trumpet, they does identify a location between the second woe and the third woe, between the first fold feast of the seventh month and third fold feast of the seventh month, they does identify a location because you know why? Where it was hid something tell him where to go and look for it and he start to find it, it is the evidence that something was found because he say search the scriptures, he say, "Father I thank You, You have hid it from the wise and the prudent." But the Spirit of truth will come, He will do what? He will lead you and guide, in what? Your search and when you seek Him with all your heart, I will be found of you, I will be found of you because I think of the thoughts of peace and not of evil and I will bring you back in this place that I called you to be carried away from.

When he designed the woman as a by-product knowing she would be tempted and fall and He let the serpent get to her, He caused us to be carried away, do you get that? And in Ephesus the serpent came and deceived the second Eve and she was carried away into Babylon, and for seventy years, seven decade, seven church ages then she would be brought back into the land of the fathers.

How many know this is all a type of the Church? How many know all them scriptures was speaking about one mystery God had through the entire Bible, let the musicians come for me, play a little bit for me, I'm finish, I'll put a pause to it.

Hidden Communication, God Keeping The Secrets Secret. God keep the secrets secret from you, for many years and then the right time He start to tell you He was in you all the time, even before you get the Holy Ghost you had eternal life. He keep the secrets secret from Jeremiah for years and that day He come, he say, “before you was form in your mothers womb I knew you, I sanctify you, I ordained you.” He say, “but this day I set you over the nations.”

He say, “but you could have told me that when I was small going up.”

“No, no, I had a reason not to tell you.”

“But you could have told me at the river, my name on the Book and why I going through something, and I have to go through that suffering at Pentecostal.”

“No, no, I let you go through that, that drive you to pray. You have to cry out first and then I have to answer your cry, you have to seek me and then I will be found of you, you come in this cave seeking me and I come to answer that prayer. I have to keep my pattern in the Bible.”

I’m going to stop in this ten verse, watch it here.

*And to make all men see what is the fellowship,
what is the fellowship of what? The mystery from
the beginning of the world which had been
hid in God.*

Mathew 13:35,

*I will utter things which have been kept secret
from the foundation of the world.*

Romans 16:25,

*Then preaching of Jesus Christ according to
the revelation of the mystery which was kept
secret since the world began.*

Colossians 1:26

*Even the mystery which has been hid from ages
and from generations but now is made manifest
to his saints.*

Ephesians 2:4,5

When you read you will understand my knowledge in the mystery of Christ, which in other ages was not made known,

Hid hidden mystery kept secret, unto the sons of men as it is now reveal unto his holy apostles and prophets by the spirit. Because the spirit of truth had come to lead them to all truth.

Ephesians 3:9,

And to make all men see what is the fellowship of the mystery which from the beginning of the world had been from God, who created all things, to the intend that now unto the principalities and powers in heavenly might be made known by the church the manifold wisdom of God, according to the eternal purpose which he purpose in Christ Jesus our Lord.

I'm giving you the quote here, now God's great mystery, Christ The Mystery.

I want to do something in the Church here for the next maybe month or so on Fridays we're going to try to come in early, I'm going to put the tape on Christ The Mystery Of God Reveal, this secret that was hid from all ages, that angels nobody never knew, that in this hour is put in the heart of the Bride and we're going to do like we used to do long time, play part of the tape, you're going to come with your book, and we're going to follow it. If we could maybe get that done in four weeks that would be just find, if it takes us longer praise the Lord because this is what we're talking about here, this is what Paul and them had that was sealed up in the book. I'm giving you this as background so when we get in the message here you will understand, you will understand what God open up in this Church. And you will realize angels brought it to a prophet, a prophet spoke it and now it is being revealed and has been revealed down through these years by the spirit of truth that was loose by the opening of the Seals, the evening message. And then begin to break the very seals around our own life and show to us it is Jesus in Bride form in the Bride age in the Bride coming, this second fold mystery of the seven seal, Christ the second fold mystery of the seventh seal now being reveal the identified Christ of all ages in a people in that day you'll know I in you and you in Me.

Watch, he say, “now God’s great secret He had before the world began, now back in the back part of God’s mind there was something that he was trying and was going to achieve and he had a motive in doing it in order to let himself be express. He says look what was once God great mysterious secret in His mind is now put in the hearts of the believer that is the body of Christ. Where he’s getting these statements from? Out of what I read for you here what Paul say, watch how he’s been using the same words.

What was once God’s great secret in His mind before the foundation of the world is now made manifest that is exactly what Paul say in Romans, that is what Paul say in Colossians and that is what Paul say in Ephesians, this hidden secret is now made manifest.

Here is the prophet now under that seven seal, but how did that seven seal reveal? Millions of my friends is going to think that I’m trying to make myself something, oh Brother Branham is trying to make himself a prophet, and they will leave he says, you know why? Because this man’s life was written on stone and what was written on stone is the revelation of Jesus Christ. And this man’s life was predestinated to reveal the hidden mystery of Christ because Jesus Christ the son of man was to be revealed in William Branham and William Branham life was predestinated to be eight, sevens was written in the three Bibles, the angel came to him exactly and say, “not even Cancer, he say that was that seal pull of there, identify cancer age. And he came from cancer to Leo and roars with them voices.

He says, “that seventh one is on the seventh step that messenger who meets the comer and introduces them in the presence of the King, (he was in the pyramid) and then he says and according to my revelation this messenger of Revelation 3:14 and Revelation 10:7 is the same person and he is to be on the earth when that Mighty Angel has descends it is the ministry of the mysteries is given to him. In the zodiac in the pyramid in the Bible, he saw his life there and the part with the Leo the Lion and capping of the pyramid and the coming of the Lord, was to be interpreted in the man’s everyday life because the man every day life,..... the Chinese laundry man tear the paper a certain way so when you take this scripture and this man’s life it would dovetail, so God plan

your life to dovetail with Bible certain part of the Bible and what is written like stories about characters in the Bible was really a mystery about your life because he was reading Jonah and he say a greater than Jonah is here. He was reading Solomon, he say a greater than Solomon is here. He was reading Moses, a greater than Moses, if you know Moses you would know me, why? Because they were a shadow of him.

And that's why all those experiences is so minutely, precisely, exactly, intricately is so defined down to a jot and a tittle and is stored up in a microchip called a gene, all that information to unlocked that mystery is coded and put inside of you. And you walking around with this secret and you don't know it is inside of you, but there was coming an experience to break the seals around the book of your life and start to introduce you to yourself, the real you and you shall know as you were known and bring you to a kind of knowing that you never know before in denomination and with theology and these things. And like Jesus say search the scriptures in them you think you have eternal life and they testify of me. So too the bride being part of the bridegroom and the bridegroom being the Word and she is part of the Word because Eve was part of Adam. God didn't take some other material; he took part of the Bridegroom to make the Bride.

Then part of this word was sealed up in the Bible to perfectly match your life and be brought to light in a certain hour. This hidden secret that was kept secret, three folds of it was kept secret since the world began, one fold drop down and -----I'll tell you a fold of it. Then we say a next fold has drop down because he say it was going to come back around, it will make them behave the same way the first one behaved when the first part unfold to him, when he see his life match that part it will do the same for them, they will start to rely upon what the Word say they are, they will start to understand their position, they will start to know the Word is inside of them. And the way they know it will cause it to operate, and even though others know it as good as them yet they can't make it operate, but these who know it in their own life because their experience it self is ordained and nobody could give themselves an experience, but he predestinates your experience but we live out a great part of our life not knowing what our experience was, but he comes now to shine light upon what your

life was because you started as a seed and you don't add to a seed, and the whole eagle is in the egg, like the whole chicken is in the egg, you break off the egg you don't see any wing, you don't see any beak, you don't see any feathers, you don't see any tail, nothing, you can't even hear it crow inside of there. But you put it in the right atmosphere and all that potential begin to develop and a law set in motion and a season come that fella decides I'm not staying inside of here, he say and I pip and pip and pip and bust out of that egg shell, why? He's seeking another world. He's seeking another world to live in. He wants to come out of the humanistic realm. He wants to come in the realm of revelation. He wants to come with a greater knowing that he couldn't know while he's in the eggshell. He start to come from preexistence to earthly journey, and he start to come from earthly journey to eternal destination and he begin to walk and while he's walking the Word is a lamp to his feet and is not within man to direct his steps but where God orders the step, the lamp reveal you have to pass here because that is that in the Bible, you're coming through justification, you're coming through sanctification, you coming through here that was your deciding and you're serving, now you are going down to your threshing floor this is your resting, you're coming through here, you're at the brass alter but now you're into the holy place, you're by the alter of incense now, the golden alter but you're still walking. And at the lamp, the Word open is where he directs your feet because if you came from there and back there was your origin then the law like the rainbow trout, in a certain season that little fish that was an egg inside the mother salmon and she lived in a creek and up in that creek one little small creek and she ain't no big salmon neither but she put down that egg right there, brother this little fella is like the size of a pin head but he have enough navigation system in him, built in, he have enough information coded and locked up in him, his life is going to take him four thousand five hundred all the way from maybe Canada to Japan somewhere. And in a certain season he looked at Mr. Whale, he looked at Mr. Octopus, He look at the whole sardine group, he looked at the other group of king fish and everybody out at that sea, he say fellas it was nice knowing you all, but my time has come to go on to greater things, he say it have something inside, he say all of us is fish, I guess and we had a good time

together but inside of me something calling me go to back home where I come from and all kind of big industrial fishing boat, with modern scientific GPS system scanning them water to locate them school of fish and the big industrial net and on the boat they have systems to canned them by the time they land on the port is a whole cans of salmons coming out where they catch them their and they process them and this fella know I don't care how much big denominational system trying to catch me out there, the Catholic system, the Protestant, the Pentecostal, Jehovah Witness, with their big industrial fishing thing to can me, and make me salmon in a tin, something inside of me telling me I going back to where I came from and that fish began to journey and journey and journey and brother something in that fish does carry it back to the exact place the very original creek where it was hatched out. If you come from God, you're going right back to God friends, Judas fell that he might go to his own place, but we going back to that place, back to that civilization, all the way back in this hour because there is a mystery inside of us the Holy Spirit has come down and quicken that and moving us to the Bible and the mind of Christ coming in and the Holy Spirit shining light in the word to take our amnesia away in this hour.

God's great mystery, what the eternal God had in a mystery is now being unfolded in Jesus Christ them was given out down to His Church, what was once in God's mind is now in the body of Christ. It came out in word from Paul, Malachi 4 took it up and he understood his strange life with it, it became spirit and life in him and he became the mystery and he show the first pull, the second pull, he show the life, he show the gift, he show the fruits, he show it's Jesus Christ in him. The Son of man revealed the mighty God unveiled. Then he spoke it out and there's a predestinated bedding ground for that seed of promise to fall into and grow and there was a people ordained to have the egg, like that sperm moving one in a million, you've got to prove you're one in a million, you've got to show the power of the blood.

That natural conception brother Laurence, that natural conception, when a man go with a woman there's a million sperm and a million eggs there, God does determine which sperm does united with which egg, it bypass many of them eggs that it is so closed too and then all of a sudden it copulate with a certain egg

and a living organism begin and a body begin to grow there and that is how each one of us comes in our mothers womb, our father had a sperm and our mother had an egg, that sperm that right one that make you whether you're short, you're tall, you're fat, you're dark, you're light, what ever you are you're characteristics whether you're ears big, you're nose small, you're eye small, you're mouth large what ever it is, you're tall, you're short, you're fat, you're thin what ever it is, no man can take one thought and add one cubit to your statue, God design you, God design your makeup. When God directed that sperm to a certain egg in His mind He was bringing you because He already had a picture in His great album and in His great labourity, in His great chemistry, God mixing the chemicals of human life to bring you out in a certain way to give you a certain nature, a certain personality, bringing you in a certain time and season marked by the stars in heaven and everything else. Why? Because he has a purpose for your life here on the earth.

Think of it friends, and that's only your natural life and then God have a coded chip, brother with so much giga bits of divine revelation stored inside of there, revelation that is already written in the Bible, yet to be revealed, but when it start to strike you and strike your crystal, it does come out in your make up and it is reflecting your personality, like the rainbow when you cut that diamond, which was white light coming through a prism you get red, orange, yellow, green, blue, indigo, violet and you get the seven colors of the rainbow. But it all comes from white light and those who use to reflect like in one age, that seven ages and the seven colours of the church, the manifold wisdom of God, seven seals, seven voices, each age producing a mystery but which have an age at the end of the age, an Ephesians the bride in the bride age, she will have the whole mystery she will reflect the fullness of God, think of it friends and it was inside of you, it was inside of you.

That's what Christ is doing to the church, he say you know how, now Jesus making love to the Church, His bride whispering secrets to her, you know how you tell your wife things, you know the little girl you are going to marry, you love her so much you just tell her the secrets, and get her up next to you and love you and everything, you know how it is, that's what Christ is doing to the Church. Are you part of this church? That's what Christ is doing

to the Church, she's getting hidden communications, she's getting secrets, and He knows she can keep the secrets and the secrets is He inside of her, this is the secret as the Word was in Mary. She could tell Elizabeth, Elizabeth don't criticized Elizabeth baby does come to life when she hear the secret, Elizabeth does find her place when she hear the secrets, others does call it fornication when they hear the secret but the Holy Ghost does follow and prophecy and praise does go forth, when she talk this, whom believers share the secrets together.

That's what God, Christ is doing to the church, He's letting her know the secrets just the secrets, not these flirts I mean His wife the one with the marriage certificate, the one with the wedding band, the one with the name, his wife.

The great secret that was kept secret, the great secret that was hid, the great secret that was shown in shadow down through the bible, in the tree, in the tabernacle, in the book.

He preaches it to an age now and we could actually tell the elect in that age that is you. You are the tree, the bride tree. You are the book the bride book how may know he called the Bride, bride tree and bride book? That is word he used. You are the tabernacle, how many know he called the Bride the living tabernacle, the living God, that's the man that is going in the Rapture.

That's what He's doing in the Church, He has her close up to Him, whispering, whispering secrets. How many remember the message of the woman who tried to get a hold of the secrets? And tried to do great damage? The revelations don't stop and now He comes back around the secret now from a next side, the secrets, that's why I love him, you love him?

Now I can understand He's the author and the finisher, now I can understand why he could say why He'll never leave me or forsake me, amen, hallelujah, oh my this great lovely Christ, this every present water from the rock, this living One who walks in our midst from night to night from day to day, oh my, praise His mighty name tonight, receive of His grace, receive of His blessings, open up Your heart, ask Him to pour it into you tonight, amen friends, He has come and He has spoken us His Word so clear, He has quicken it, He has anointed our faith tonight, then let it bath down in our heart now, let the Spirit of God just come right in, oh my, He'll never, never let go, you don't have to fear, you don't have to worry, what am I to dread, what am I to fear, lean on the everlasting arms, hallelujah, than You Lord. ..... furnished all the galaxies,

(That same hand tonight, not another, hand nail scars, that's how I know it)

*... that holds the
world in space,*

(He holds you in position, He holds you, nothing can shake you away.)

..... that's holding me.

Oh till I'm safe

forever more,

On that happy golden shore,

(Where there's no sadness, no yesterday or tomorrow, oh my no sin could enter there friends.)

No, He'll never let go of my hand.

How many knows He's been faithful when cold winds
were blowing.

(When you felt you were all left alone many times. When it seems you didn't know how to go on, when you felt that your strength was gone and you wanted to give up.)

He's been true when the storms have assailed;

(They say, "Lord cares that no of us perish." But He was true friends.)

Oh but tonight friends this great elective love, this holy love)

(As this Word opens up and I see it.)

One more time and He'll never let go of my hand, waiting for our Brother Eddie Weston our deacon to come,

Never let go of my hands

Oh till I stand tonight
in heavens fair land,

..... fair land,

Oh till I'm safe

(What a consolation tonight, what a comfort tonight, what a blessed assurance and peace tonight, what a faithful God we have tonight.)

.....my hand.

(Hallelujah, oh thank You Lord, thank You Jesus, thank You Lord, hallelujah.)

(Brother Eddie Weston prays.)

Amen, lift our hand and say amen, amen so be it. Turn around and greet your brother and sister tell them God bless them. Amen we're certainly happy to be here. The inspired hymn writer says it's a challenge to accept, it's a faith to rise into amen, you've got to prove that you are one in a million, you got to show the power of the blood, proudly display in this hour, lets just sing that, you may have your seat amen, as we get read to go, it's a challenge to accept, it's a faith to rise into. Brother Branham say I accepted the challenge, amen, when He challenge me, oh my and I saw that Word, ----- was confirmed, I know He'll do the same for you amen, He's the unchanging God, God bless you, remember Friday come with your book Christ Is The Mystery Of God Reveal, we're will start to study that, we'll take a part of the book then we'll go through that a few minutes so much time so we could pray, so instead of coming and having the preaching and so on, we're going

to have the prophet preaching a little, we're going to follow in the book, study, make one or two comments to help so, in these things personally each of you could really grasp it because there is such a need in the Church I believe for some of you to keep hearing that voice of the prophet, and keep understanding that these things we're not inventing these things this is what he spoke and this is what he said is happening, and then you see it made personalized in your own life then you understand what we're talking about in reality and it can be yours also, God bless you tonight, amen.

Christ is the mystery which was kept secret. 5/10/2005
