Awakened Out Of Sleep By Seven Thundering Voices Sunday, 4th May, 2008.

*Jesus is here right now,
He's here to meet your need,
He's gonna set the captive free,
Oh, Jesus is here right now.*

Let's lift our hands and sing it one more time. That's so good because something good always happens when He comes on the scene.

Let your faith rise up to believe Him for what you have need of;
*Jesus is here right now,
Oh He's here to meet your need,
He's gonna set the captive free,
Oh Jesus is here right now.*

Oh sing it again amen, and let it in your soul, you draw close to Him, where you can touch Him, where you can draw from Him what you have need of. That's the greatest thing that could happen to us. Him being present, Him being close; He can fill, He can heal, He can deliver right now.

*He's here to meet your need,
He's gonna set the captive free,
Oh, Jesus is here right now.*

If you really believe that with all of your hearts why don't we just bow our hearts, standing conscious of what we believe and have confessed with our mouths in the presence of the God who says, **I Am that I Am**. To know He is the Rock that was smitten for us before the elders of Israel. In Him lays every redemptive blessing, amen. We are blessed with all spiritual blessings in heavenly places in Christ Jesus and if that Rock is here in speaking distance, in hearing distance, out of Him can flow out, where faith is reaching out this morning, hallelujah! You can draw into your being, like Abraham got a hold of the Breasted One, that Inexhaustible Fountain and he could draw all that he had need of, that could bring him even into a new body.

What He can do for us this morning is unlimited, hallelujah! when we can reach out and touch friends. And I pray that as you

stand there with faith in your heart believing that, that's why He has come: where two or three are gathered together in my name there I am in the midst, hallelujah! The very same I Am, hallelujah! present among us that if two shall agree as upon touching anything, it shall be done. Oh my, what can a believing people, amen, receive when they can rise up and seize a hold of this blessed opportunity, to know that Jesus is here right now. Blessed be His wonderful name.

You mothers, you fathers, amen, you husbands, you wives, you young people, amen, what God can do for us, no matter what our circumstances, no matter what our situation. Financial needs, amen, domestic needs, unsaved children, you desire the baptism of the Holy Spirit; is the very same One that heals, the very same One who baptized you with the Holy Ghost, the very same One who meets the needs of your finances, every blessing is in Him.

Even out there on the Internet, amen, all the Saints in Guyana and Tobago, Grenada and St. Vincent, Dominica and St. Kitts and St. Lucia. Glory be to God, wherever they are gathered this morning in the presence of the living God with faith, united together, united under one Headship; a believing people who know that He is present: the Lord Himself has descended from heaven: this Great Jehovah that moves in the midst of the Elected, called-out Church of the living God this morning. What a faith we can have and believe as we go to pray. Let's join our hearts.

Let's be in one mind and one accord, let's be in the spirit of agreement knowing that His promises are yea and amen. The unfailing words of promise, You have spoken to us in this hour and then sending back the Holy Spirit- The Title Deed that we can claim every promise, the evidence that we can make legal claims. We are not coming trying to claim somebody else's inheritance, but that Holy Ghost; you can present your Token with your prayer. Hallelujah: this great Book that was sealed with Seven Seals; this Living Word that has been revealed to us, that we have eaten and hold that in our hearts, knowing we can make that claim this morning.

You'll find that He is faithful. You'll find that He is a prayer answering God. You'll find it is impossible for God to lie because the Bible declares: *He's willing more abundantly to show unto the heirs of promise the immutability of his council; the*

unchangeableness of His mind, hallelujah! He wants to show that to us, that He is a God who keeps His Word. 'Tis so sweet to trust in Jesus this morning, just to take him at His Word, just to rest upon His Promise, just to know He's Thus Saith The Lord.

Oh God, our God as David said, *early we will seek thee, wait for you as them that wait for the morning.* And oh God here even as the watchman sees the sun rising, we stand here and we know that your living presence is rising oh God in our hearts. We feel the effects of these life-giving rays of light: the light of this glorious gospel that shines in our heart to cast out all the darkness even as in the very beginning you commanded the light to shine out of darkness. This light shines in our hearts today, to give the light of the knowledge of the glory of God in the face of Jesus Christ.

Oh God to know that You became flesh, this great Logos and you died for us; you were our propitiation, you removed every hindrance, you tore down the middle wall of partition, you slew the enmity to restore us back to your favor, to bring us back into friendship, this great peace offering oh God that makes us your guest, to sit at your table, where you- the very Host, oh, God could commune with man once again.

For He said, *Behold I stand at the door and knock: if any man will hear my voice and open the door, I will come and sup with him.* Oh God, as you supped with Abraham giving him bread and wine, showing him the very mystery of your death and its accomplishment, to bring him back where he could sup with you.

Oh God as You did to your disciples in that first coming and as you are doing it here for us Lord, we stand this morning united, we stand conscious, we stand dear God with all condemnation under our feet for there is now no condemnation to them that are in Christ Jesus. Hallelujah! Where we are blessed with all spiritual blessing in heavenly places and knowing that through confession and faith, all the powers of God in the heaven is subject unto us. Lord God not at what we try to do but what you have already done for us, and we would be foolish not to walk in what you have given Father. Oh God because there is nothing that we could have done, there is nothing we can do. All we can do today is believe what you have given. Hallelujah! And walk in it with a grate-full heart

Lord God expressing our gratitude and our appreciation and claiming oh God these unailing words of promise and making it

ours, and I pray dear God that that is the very spirit of faith, that would move in the hearts of your believing children as they have believed, may they speak and claim these things as theirs. Oh God the same spirit of faith, oh God that worked in Abraham that he didn't stagger through unbelief, he tried by his own human will, oh God and found out he could not become fruitful. It took the great El Shaddai to make him fruitful. He said, *I will make you exceedingly fruitful.*

Oh God when You came down and you gave him circumcision and a new name and by that covenant sign oh God, of the Holy Spirit, he could claim the blessings of God, oh God that this was pleasing unto you. He believed in hope against hope, he didn't even consider the symptoms, he didn't even look at his body now dead, but he was strong in faith giving praise and glory and if it was imputed unto him for righteousness how much more it shall be to us who believe that You are risen from the dead, and have given the same promise, it shall be imputed unto us also.

Oh God, let the sick go to claiming that this morning. Let those that in need go to claiming that what they have need of this morning. Oh God, if there are fathers and mothers believing for children oh God, no matter what condition, oh God applying the Token, knowing the devil is only a bluffer. He is defeated, he try to bring mind battles, he try to destabilize the faith of your children, he try to bring doubt, but when they could stand in agreement, recognizing what you have made them in Christ; that they are the blood washed church, the heirs of the promises of God. We can claim these things and how we need to, in this late hour that we can walk in the victory that you have achieved and we can display that victory by his Word.

Even as the song was ministered to us: *you raised a sick man from the bed, by his Word you gave life unto the dead; you gave hope to the hopeless soul* today. May they receive the blessing Father as they believe, full, pressed down and running over. And every stranger and visitor within our gates, what a good place for them to be, oh God in the presence where the great quickening power of the Lord Jesus is there. Oh God where deliverance is here Father, oh God may they believe oh God that you have brought them today.

And in the name of Jesus Christ all throughout the region where the host of believers, a great cloud of witnesses to these divine realities, these living proofs, these things that they have seen in these last days as the Holy Spirit moves in our midst oh God, may their faith be energized, oh God to know that they are walking in the unfolding vision of prophecy that is becoming history and oh God they see where they are placed positionally by that very vision, that they could stand Father and claim these things today for the glory of God in the name of Jesus Christ, we pray and we ask these things, for the benefit of your church Father.

And Father we thank You that you are faithful. Father we thank you that you are a God who keeps every Word. We give all honor and glory to you today, we ask that especially in this day of our gathering together, your presence will be so real Father, the Spirit will speak so direct and personalized and faith will be ignited within the hearts of your children to claim Lord. Sometime we sit there waiting like if you have to come and put it on our lap, but dear God you drop the faith in our heart that we can rise up and holy faith and holy works can go forth and create the promise.

Like those lepers in that time of the economic recession, oh God you took lepers and made them bearers of good news. You took lepers oh God and made them mighty messengers that saved the whole nation Father, oh God. You are doing the same today. Lepers you have cleansed on the eighth day, when that speckled dove flew across that land, knowing the mate was killed oh God, and that blood cleansed the leper that day, so let it be Father. Now may we be bearers of this great mighty message in this hour. We ask these things for your glory, in the name of Jesus Christ. Amen. Praise his mighty name. Amen.

We have a little dedication here; let's just sing again, *Jesus is here right now*. He is here to do everything, amen. To dedicate the children, to preach the Word, to heal the sick because that's what he desires, to have the preeminence in this church.

Jesus is here right now,

Oh, he's here to meet your need

Oh Jesus is here right now.

We have our beloved Brother and Sister Kenrick Goodridge would like to dedicate their new born baby girl, Faith Charity. And two other little ones that they have, Debra and Caleb. Is our

brother who used to be with us in Barataria and then migrated to the United States and lived there for a while, then like Jacob he felt the call to come back home. He has come back with his wife and his family and has even become a kinsman to redeem his young sister and have her walking delivered in faith.

We are grateful to see how God can work, his great purpose, he knows all; he knows how to gather his children. The Bible says he gather his elect in the four ends of the earth. That day Michael shall stand and deliver the names found written in the book. It is a great thing to know our names are written in that Book. Man may forget us, man may not remember us, but God knows every one of us. He knows every hair on our head, he could never forget not one of us.

And our beloved servant here Brother and Sister Hayden Stewart would like to have their baby boy dedicated to the Lord. You know he is a man that deals in food and beverage and nutrition in this great time of economic recession, he named his boy Zaphnath Paaneah, Amen.

That's a new name, that's a name of an adopted son who opened the storehouses and unsealed the hidden food that was stored up for the days of famine. Amen. What a great thing that is friends. We had a prophet who store up food for a time of famine that when the time come we would have something to eat, and that word, man try to probe into it out of season and couldn't get it, but then they had an unsealing of the food that was sealed up; it passed in an unknown language and when the time of famine come it would be unsealed. Amen. Glory be to God. How grateful we are, Amen, Praise his wonderful name.

The Bible says, *Lo children are an heritage from the Lord and the fruit of the womb is his reward. How they brought little children unto Him that He should lay His hands upon them and bless them*

. That is the Bible way that has been restored back to us and today we follow His great mighty example, even as Hannah took Samuel into the temple. Even our great Lord Jesus wrapped in swaddling cloth and Mary, despised and rejected bearing the reproach, had Him in her arms, taking him into the temple of God for dedication. [Brother Vin dedicates the babies unto the Lord].

Amen. Praise his wonderful name. I would like to invite your attention quickly; I know you are on your feet. I would like to read out of Isaiah 29. I want to welcome everyone in his presence today, in the house of God. I admonish you to stay in the Word, listen over the messages that is being preached in your midst, being spoken. You know you don't normally get it the first time if you don't have the background for it. And when things are new to you and you did not look at things in a certain way, it is good to take a little time, ponder it in your heart, even if you are in school, a student, take your Bible with you, you have your little iPod or whatever it is you have, load it up, your CD player, keep it close to you that you could meditate on the Word day and night. You won't turn to the right or to the left and God could prosper you and give you good success. Amen you could constantly feed on that Word and stay in his presence. God will bless you and will give you the victory.

Isaiah 29, verse 9.

Stay yourselves, and wonder; cry ye out, and cry; they are drunken, but not with wine; they stagger, but not with strong drink.

For the Lord hath poured out upon you the spirit of deep sleep, and hath closed your eyes: the prophets and your rulers the seers hath he covered.

This is the utterance, a prophetic utterance, coming out of this dedicated channel of God, Isaiah, who was born from his mothers' womb to be a channel of communication of God.

And the vision of all is become unto you as the words of a book that is sealed: which men deliver to one that is learned,

Maybe a man with PhD, and LLd, man who graduated with honors in a Bible school.

... saying, Read this, I pray thee: and he saith, I cannot; for it is sealed: And the book is delivered to him that is not learned; saying, read this, I pray thee: and he saith, I am not learned.

That's a sad day when both the leaned and the unlearned cannot... have the Book in their hands and cannot make any sense out of it. Not because of what is in the Book, but because of the spirit of deep sleep that is on them. In other words that's a

desensitized people who cannot recognize their day and their message. That's a people who would stumble over the Word of God in simplicity while they talk of it to come in the future, praising God for what he is going to do in the future, or praise him for what he did in the past and nine out of ten times stumbling over it and the rapture comes and goes and they say, "wasn't there supposed to be a rapture?" and it's already come and gone like when they missed John the Baptist.

Wherefore the Lord said, Forasmuch as this people draw near me with their mouth, and with their lips do honour me, but have removed their heart far from me, and their fear toward me is taught by the precept of men:

What a powerful verse that is; the people drawing near to him with their mouth and with their lips they honoring him, but have removed their heart- in other words; things are coming out of peoples' mouth, hands being raised, hallelujah, glory to God, but is all aerobics. It's all a behavior that they can conform into, because man teaches them that behavior; that that's the way you behave in church in a religious service. But while all that is coming out it is not really coming from their heart. It is not really coming from their heart. Their heart is far from him.

And their fear toward me is taught by the precept of men:

In other words, that fear is not the beginning of wisdom which is the fear of God, that fear is not a divine revelation that God is Holy, that he is all powerful, he is the omniscient God, he is your creator. Fear your God, bow to him, honor him with your heart. You are made to be his temple. He is seeking those to worship him in Spirit and in Truth not vain worship. That's the sign of a people in slumber. Could a people be doing all this religious commotion, full of religious action and be in slumber? This is what is being described here before us. You want the inside teacher, the Holy Ghost to teach you what the outside teacher is teaching. You don't want in your human self come under the influence of some man made idea. You want the Word to be inspired; that's why you pray for revelation. That's why you study the Word.

Therefore, behold, I will proceed to do a marvelous work among this people, even a

marvelous work and a wonder: for the wisdom of their wise men shall perish, and the understanding of their prudent men shall be hid.

Wise men but lacking in wisdom, prudent men that is why he said, “*Father I thank you, you hid it from the wise and the prudent*”. This is a marvelous work of God.

Woe unto them that seek deep to hide their counsel from the Lord, and their works are in the dark, and they say, who seeth us? And who knoweth us?

These are those who have been instruments to put these people to sleep so that they could achieve their purposes. When he say God poured out a spirit of deep sleep upon them, is not like a man lie down and God make him sleep for two days you know. Sleep is an unconsciousness, right now the system has put the world to sleep. That’s why when you look around and you hear what people are talking about, what they are excited about and then you see the hour and you see the Bible and see where the Bride is placed according to the plan for the age and the scripture, you realize that is very, very, very few even in the frame work of the message. Why? Because men have put them to sleep.

Surely

You see, woe to them that seek deep to hide their counsel from the Lord, and their works are in the dark. You know Ephesians 6, the rulers of the darkness of this world, principalities, powers, spiritual wickedness in high places. Paul showing you the cosmos, how it operates, the wiles of the devil in the evil day, that to come out of this, you have to have the whole armour of God, you have to fight to overcome this, a day when the world is asleep.

Surely your turning of things upside down shall be esteemed as the potter’s clay: for shall the work say of him that made it, He made me not? or shall the thing framed say of him that framed it, He had no understanding?

Let’s pray. Father we ask today that you will help us, feeling directed oh God by your Holy Spirit to just talk to the people a little bit, so much teaching, so much opening, so much things you have uncovered these last few weeks. But Lord how we desire that it will form the picture, place the people, put them in the right

frame of mind, bring them under expectation, line them up with the Word, set the desperation that is so greatly needed in their heart, that Lord they can walk in union with you. If this is not, then all these things will just be something we say ooh and aah and bubble dance and find so great and enlightening and then two days after it is gone from us.

But how we want to see the Word become Spirit and Life because when we see what is happening in the world, it's not an illusion, it's real, people are in desperation. Nations are crumbling, economies are being shaken, governments oh God, are under pressure: then how we need to stay awake, stay alert because the enemy is like a roaring lion trying to devour whom he may. We know that that lion have left the thicket, he is moving in oh God; soon we will not be able to even gather together like this, but while we have the opportunity, may you help us Father. May dear God we catch that Word, may you take each one and bring them under your divine influence, that everyone can search their lives, see where they are, that we can be filled with oil, our lamps trimmed and filled to go in with you. May you grant it, we commit everything into your mighty hands in the name of Jesus Christ we pray, amen. God bless you. You may have your seat.

I would like to go over to Romans 9. Romans 11 sorry, Romans 11: you know Romans 9 - 11, Paul is dealing with how Israel was blinded so that light could come to the Gentiles. How they fail to see Elijah the prophet who came at the end of the Old Testament, which is John the Baptist. Jesus asked them, "*What went ye out to see.*" They couldn't recognize. He say, "*did you go to see a man in fine clothing? Did you go to see a reed shaken by the wind?.*" you know, a man who believes this today, believe something else tomorrow, winds of doctrine just blowing from place to place. He says "*what went ye out to see?*" He say "*I tell you, he was more than a prophet, this is he of whom it is spoken, behold I send my messenger before my face*". And you find that in Matthew 11 and Matthew 17. Jesus is teaching the church world who had missed the ministry of Elijah, that Elijah had come and gone and the people were still looking for it. In Matthew 17, it says how come this man could be the Messiah, Elias must first come. He said, he is already come and they didn't even know it.

And so it just shows how people can teach things, they can quote it from the Bible, they could quote the chapter and the verse, they could build a whole system around their teaching and when that teaching begin to be made manifest, they can't see it. That they will turn around and fight the very thing that they have been teaching about, when it is happening and continue to look for that teaching long after it is fulfilled and gone. That's the trouble, that's the problem. And so here Jesus came, he was the Son of man, he says so likewise shall they do the Son of man also.

And then we find that he say "*whom do men say I the Son of man am?*" And again another question to show the ignorance of the age and the darkness upon the age who should have known He was coming. Many times he asked them, "*how readest thou?*" "*What think ye of Christ?*" And that was to provoke their attention. He says, "*if you don't believe that I am He believe the works.*" He was trying to teach an age of something that was promised when it was happening before them and they couldn't see it.

And we find out in the end they say away with him, crucify him. We'll have Barabbas, we will not have this man rule over us, he is perverting the people with strange doctrine and so on and so they missed the Son of man as they missed Elijah. Then we find the Holy Ghost followed the message of the Son of man and when the Holy Ghost was poured out on the Day of Pentecost and they look at it they say, "*these are drunk as you suppose.*" They saw Elijah being fulfilled, which was the Word for their age, they could not see it. They saw the Son of man being revealed which was the Word for their age, they couldn't see it. They saw it manifested, they saw the Holy Ghost coming which was the promise for the age manifested and they couldn't recognize it.

It is exactly repeated again today and the same way the Jews were blinded, though it was written in the Bible, though it was taught for hundreds of years, though it was manifested, though it was vindicated with signs and wonders by God, because it was not in the system, because it didn't come out of the Sadducees and it didn't come out of the Pharisees because that's the denominational spirit; to believe only what comes out of their denomination. These are people who are taught the word by the precepts of men and not by revelation of God.

Because when you are taught by revelation you will be able to recognize God, whether he comes out of your church or somebody else's church. And let me say that for you here in this Third Exodus Assembly, that you don't feel everything God do have to come out of here because we have no franchise with God. We are part of a many membered body, that when God do the things he do sometimes even in the measure he does it, that's sovereign grace and that sovereignty of God, where you find that and it is recognized, you will find humility. You will find love for God, you will find separation onto God, you will find a people who want to go forth and be a witness for God because they recognize a visitation from God.

And that's why when things are happening, you cannot look at it with your physical eyes and try to reason it out with your human mind. To really see the move of God in the Word of God, you have to search the scriptures and see whether these things be so and to see how it was done in the time past and to see if he is doing it the same way to make Him the same, Yesterday and Today and Forever. And then you find the unchanging God in the unchanging continuity of his Word and then you have something to tie your soul to, because that is God.

That's the way it is. The Devil likes to get in where God is moving and try to create a human thing out of it to kill the effect quickly and then every man will have his failures and then the Devil say, "you see look there." Say, "you see that man, look he is carrying his children by the doctor, and he saying last night some fifty pound tumor fall off a woman. Look he is here and God wouldn't heal him, look he sick here for forty- two years." And people try to do that to kill the effect of what God does. But God also does it that way to blind those who is a critic and a skeptic and do not want to search the scriptures to see Paul say, "*look it is profitable for me, bring my one coat...*" You understand? And there you get to realize that you do not know God from the human realm.

You know God on the inside of the inside. Except a man be born of water and spirit, he cannot see the kingdom of God. That's not the birth that comes out of your mother's womb. That's the birth that puts you in the kingdom and brings the Holy Spirit into you, amen, to know the things of God. Amen. And then here Paul

in teaching in Romans, he is showing now and breaking down what really happened to those Jews, those Sadducees and Pharisees and those high priests and that whole system that was, had united with the Roman power to kill the effect of the Word, and that system that was going to come under judgment and the Jewish world was about to fall apart and be scattered into all the world.

And so Paul here in Romans 11, I'm just breaking right in from 9 -11 he is teaching about Israel's blindness and the election and how they tried to establish their own righteousness instead of submitting themselves to the righteousness of God. That was their own interpretation, they want to do this and do this and do this and then feel justified, we do this for God. But the righteousness of God was by faith and they try to do it by religious works instead of revealed faith. And that's why Jesus told Peter, "whom *do men say I the Son of man am?*" And when he said, "thou art the Christ the Son of the living God". He said, "flesh and blood did not reveal this to you but my father who is in heaven and upon this rock I will build my Church".

See, they had to catch that by faith and that's why you do not try to just keep belonging to the church, going along with the program of the church, being involved in church activity and not seeking the Holy Spirit. You seek the Holy Spirit, that's what God wants, that's why Jesus died. Jesus didn't die to make people join churches and churches have programs. No! Jesus died to redeem a people that He could sanctify, that he could live in them and dwell in them and I will be your God and you shall be my people because I will dwell in you and walk in you. That's the redeemed because God and man was one in the beginning; man had Gods' own life.

And this is the oneness that he had to re-establish, you know that. Ok Romans 11 now verse7, I'm trying to take my time and just break this down for you a little bit.

What then?

He is asking questions, first Romans 11:1, He says

I say then, hath God cast away his people? God forbid. For I also am an Israelite, of the seed of Abraham, of the tribe of Benjamin.

And then he goes on,

God hath not cast away his people which he foreknew.

Just turn back, I want to show you something there. I'm just reading it to bring a point. Romans 9, verse 1 he says,

I say the truth in Christ, I lie not, my conscience also bearing me witness in the Holy Ghost, that I have great heaviness and continual sorrow in my heart.

For I could wish that myself were accursed from Christ for my brethren

That couldn't become the Bible and he could not be vindicated if that was a lie. He really had that love, because if Moses under the blood of bulls and goats could say, "*Blot my name out*", and this man was not under the blood of bulls and goats; this man have the literal life of Christ in him. He say, "*the life I live, I live by the faith of the Son of God. It is Christ that lives in me.*" And he is saying here,

...would to God that I were accursed...

Then where does this attitude come along, when people see people and can't see a truth sometimes and they go fighting people and people just want to be taught, not be fought, be taught. Then verse 6 he goes on,

Not as though the word of God hath not taken effect. For they are not all Israel which are of Israel

You see the argument? Because the whole nation was blinded and only some village people and couple priests leave the system and they say that can't be the move of God, that can't be the thing, God promised Israel shall be saved. So he is saying... so you saying, Gods' Word didn't take effect. You saying Elijah came, the Son of man revealed, the Holy Ghost poured out, and God's Word didn't take effect and you look at the people and find they look ordinary, they look like nothing and the move too small to be the move of God. He says, "is that your argument?" See? So he is asking the question see. And then he goes on,

For they are not all Israel which are Israel, Neither, because they are the seed of Abraham, are they all children: but, In Isaac shall thy seed be called.

He mashed up their argument right there because they are saying, we are Abraham's seed, we are the true nation, we have the covenant, we have the prophets, we have the scriptures. How come

we will miss our Messiah, you are making joke, impossible. He said very possible, he says, “You all are the children of the flesh and God was not talking about you all.” It is the same way all Christians have the Bible and the Prophet said all Christians are not Christians neither. All Christians have crucifixes in their homes, all Christians wearing “Jesus saves” badge, all Christians taking the Lords’ Supper, all Christians baptizing and all Christians going to church and reading out of the Bible, but that does not mean anything to God. See God requires more than that. God requires a new birth, not all this.

That’s why He told Nicodemus, “*marvel not I say unto you Nicodemus, art thou a teacher in Israel and you don’t know this; you must be born again*” because your holiness is not Gods’ holiness, your righteousness is not Gods’ righteousness. You’re born and trapped in ceremony and tied up in denomination and full of theology and misled people with denominational teaching. Not one person in your church is born again, who have a new heart and a new spirit and who receive Gods’ Spirit. See? And that was the condition of the age. So Paul now who was a Pharisee of the Pharisee and who understood the system and how the system operated now becomes the spokesman, to teach this now. Verse 7,

What then? Israel hath not obtained that which he seeketh for; but the election hath obtained it, and the rest were blinded

Israel hath not obtained what they seeketh for. They seeking to see the Messiah, they are seeking the covenant, they seeking the promises but they did not obtain it. But the election obtained it, in other words while Paul is teaching this here, maybe about thirty years after Pentecost, here is a people already filled with the Holy Ghost. And here is a man as a wise master builder laying the foundation, because in Romans he started.... Romans is put as the first epistle in the New Testament because Romans revealed how sin came into the world. And by one man it passed upon all men. You understand?

And in Romans he goes in to how the Jews were guilty, Gentiles were guilty; the whole world was guilty in the first three chapters. Then Romans 4: God justified man, blessed is the man God would not impute sin. Romans 5: therefore being justified by peace, Romans 6: freed from sin, Romans 7: coming into new

union, Romans 8: as many as are led by the spirit of God they are the sons of God, come into manifestation of the sons of God, the whole earth groaneth and then Romans 8:23: waiting for the adoption, the redemption of the body.

And from 1963 where God cursed both the whore and the harlot and says all Christianity is gone. And **Spoken Word Is The Original Seed**, he says, “and Lord I can’t say that” when he was trying to look in the Word and he saw God. Jesus can’t marry a whore and he can’t marry a harlot, He have to marry a virgin according to the Word. And Christianity was made up from Catholic Church, the first denomination to the Pentecostals: which was the whore and the harlots and then he says that is all Christianity. Outside of that are Buddhists and Hindu and Muslims and Janes and new age and different things.

He say they will not come to the church and the Holy Spirit right there, come upon him and say, “pick up your pen and write” and as men of old was moved by the Holy Ghost, say he begin to write, and says when I finished writing, it was laying right there. You read it in the message **Spoken Word Is The Original Seed** or hear it in the tape. And that is the little part we call **Word and the Bride** which is also put in the Church Age Book in the Pergamos Age and in there comes the revelation that there is an election.

There is an election like we are reading here, a little group of the true seed. God will present to Christ a Bride. God leave back a remnant for Himself to fulfill this Word because in the Seventh Age, Laodicea, Christ is on the outside of the church but, *come out of her my people. Behold the Bridegroom cometh go ye out to meet Him*. A calling out and those that came out of Babylon came back to rebuild Jerusalem. We came through those things, “**A Pyramid City Having the Glory of God**”, the Lamb’s wife, He is finding that wife. Amen.

So here now Paul is teaching this,

What then? Israel hath not obtained that which he seeketh for; but the election hath obtained it, and the rest were blinded (According as it is written, God hath given them the spirit of slumber, eyes that they should not see, and ears that they should not hear;) unto this day.

I'm speaking about, "**AWAKENED OUT OF SLEEP BY SEVEN THUNDERING VOICES**". But I want to break down this sleep for you and show you the magnitude of this sleep in this hour, because the same way the Jews were blinded the Gentiles are blinded now for the Gospel to go back to the Jews. And we are in the recession and Joseph's wife is to be dismissed to the palace. And Joseph's wife already knows the mystery behind the recession but Joseph's brothers do not know the mystery behind the recession. When Joseph dismisses his wife then Joseph tells them how many years remained and then Joseph tells them where the place is he has prepared for them that he will nourish them.

You were here in service Wednesday; I went through this with you Wednesday. (Power Shift) You understand? Outside of them nobody knew about the recession. They're in the recession but do not know anything behind the recession. Behind the recession not even Pharaoh knew when he saw it but it was Joseph with revelation start to it was God's thoughts. He said God communicated this to you and God did it twice and the reason God do it twice is to confirm to you that this thing should shortly be done.

And having that knowledge is how he was able to save the world by working with..... it is how he was able to move his bride into safety and make a way for his brothers. All of that was part of his consideration because that was what was coming upon the earth and that was upon the earth here which is spoken as the hour of temptation: a great snare that shall come upon the whole world, but they will not escape but you count it worthy to escape, because they are asleep.

Many rioting for food because they are hungry. Do you see how the natural man, when he wants food how he behaves to get food. Sometimes believers stay so and starve to death. Believers stay there and starve to death and then they get undernourished and all kinds of diseases take them afterwards. Next thing you see their dressing change, next thing you see language change, next thing you see a different spirit on them, next thing you see, you know their attitude change, what is it going on? Spiritual diseases coming in because of hunger. You understand me?

The famine is not for bread and water only, you know that? You know there is also a spiritual famine going on while the natural

famine is going on. And you see the price oil has gone to now. People had a chance to buy oil before. What did the wise virgins tell the foolish? We can't give you ours, you go and buy. They didn't get, you know why? The price was too high. You see now everybody buying gold too? and buying oil and everybody trying to secure their food. Isn't the same thing happening spiritually? Didn't the Bible say, *buy of me gold tried in the fire* in the hour of the coming? Doesn't it say buy oil in the hour of the coming?

But you see, how all this could be around you and then people's head somewhere in the sand like the ostrich and don't know what is happening and wondering what is happening, when the Bride by the grace of God. Didn't we talk about the Dove? If the dove is bringing things to Noah who is shut up in the ark at evening time on the seventh mountain, from the new world to go in there. What about things when we are still in the old world here. You understand?

If God could talk about **Future Home** and **Things That Are To Be** and **Birth Pains** for a new world. God is going to tell you about things here. It's strange how some people's concept of God is, it is very strange, especially in this message.

What then? Israel hath not obtained that which he seeketh for; but the election hath obtained it, and the rest were blinded

Israel is broken down into two groups, the election and the rest. Christianity is broken down right here too the same way. The elect...if it's possible the elect will be deceived, but the elect will not be deceived.

...and the rest were blinded (According as it is written,)

And watch Paul now, he is quoting Isaiah 29 which I read,

God had given them the spirit of slumber, eyes that they should not see and ears that they should not hear unto this day. It seems like maybe someone will say Isaiah wasn't prophesying about that, but that is exactly what the Spirit was talking about. The same spirit in the prophet messenger who had the doctrine come back, and took up that prophecy and apply it to the nation for rejecting Elijah and the Son of Man. That's exactly where the Holy Spirit through the mouth of the prophet messenger of that age, who is the angel before the throne, reflecting light from the throne, is placing

that. And he seal his teaching with. “If an angel come from heaven and teaches anything different to what I say, let him be accursed.” You understand?

And David said, he goes from Isaiah into the Psalms to show you he is not teaching anything on any one doctrine, one scripture. He goes to the Psalms now 69, he says, [verse 22] *let their table be made a snare and a trap and a stumbling block and a recompense unto them.* Four things. Let their table; I preached on that many years ago in the church right here, “**Judicial Blindness**” and show it means the table: that which was designed to be a blessing to them. When the Bread of Life came down from heaven they say, “*our fathers eat manner in the wilderness,*” he say, “*yes but they are everyone dead but I am the Bread of Life that is come down from heaven, you eat of Me you will never die*”.

And that which was designed to be a blessing to them turned around and became a snare and became the very thing that brought the condemnation. They looked for the Messiah since from Genesis but the day when the Messiah was to come, that was the day God visited their sins upon them. You get that? All through the ages they look for this message to come, they look for the return and the Coming of the Lord and the change and we going in the Rapture and all denomination preaching that.

Because the messenger Luther preached that, but when Luther died the Lutherans made a denomination out of Luther’s teaching, still looking for the resurrection that Luther and them preached. But then what happened, the condition they are in today, that very thing that they are looking for, when it is happening they can’t see it.

The Methodists who believe Wesley’s message, and Wesley died and they denominate Wesley’s message, fallen angels get into it after the messenger left, start an organization and then what happened, now when that is being fulfilled all Wesley... because remember Luther had the same life, Wesley had the same life, that was the stalk, the tassel, that’s the same life that’s moving on. It’s passing through the carriers to become a grain. The same life that made the stalk is the same life made the tassel, is the same life made the husk, is the same life gathered up in the grain.

So that life that was in the Prophet was the life that was in Luther, that was the same life that was in Wesley, that was the

same life that was in the elected Pentecostals, that is the same life that is in the Bride today because you're still confronted with that same life going on. And when the life came in Luther, it opened up the first part of the Word- Justification. When it came in Wesley, it opened up the second part of the Word- Sanctification. When it came in the Pentecostals, it open the third part of the Word- the birth; when it came in the Prophet, it opened Revelation 10.1-7. And when it come in the Bride it have to open up the last part to show the continuation from the going of the Prophet; it must do that. Because otherwise that part will remain unfulfilled and it will go to the Jews and then the Bride will be trapped in there and never come to perfect faith if she don't know her position in the Word.

Because that Word has to be interpreted and God put that mystery there between the Gentile prophet and the Jewish prophets and the Gentile prophet was from 1946 to '65, the two Jewish prophets is yet to come. And during this time from 1966 to 2008, the Prophet was off the scene, Moses and Elijah is not yet on the scene, but the Bride is here under her messenger: the final voice to the final age. The elect who recognized Elijah, the elect who recognize the Son of man, the elect that the Holy Ghost- that the Son of man released come into that church and by and through the members and a body ministry following the one man move. Just like it was in the beginning.

And the same way Paul is teaching this, to how Israel was under that sleep, I am trying to show you how this age is asleep as well. Because the Gentile days are over, when that moon blacked out it was finished. You say is that right? After the denominational ages are run out, the Seven Seals book will be opened and the Seventh Angel will be on the earth and that Mighty Angel will descend and those Seven Thunders will utter their voices when that Messenger is on the earth. He will be on the earth at the time of that coming.

To deny that is to make all the Message that God has done in this day null and void. Because this Seven Seals book could not be opened if denominational ages wasn't finished because that was a reformer age and here we had that was the Spirit of man, then we have the Spirit of the Eagle coming. Laodicea rejected the Son of man, and then he preached "**Indictment**", "**Trial**". Is that right? "**Souls That Are In Prison Now**". What is all that for?

Rejection, the second crucifixion of Jesus Christ Amen. What's that? God in the role of judge, a judicial function.

What was the plague that struck the earth there under that Fourth Seal in the church realm, what is the plague that struck there? Darkness, blindness, they became blind. The spirit of blindness, God visited that blindness upon them to turn down..... just like Israel, Israel held on to the natural animal lamb and a prophet standing there saying, *Behold the lamb of God that taketh away the sins of the world*. Here is your Messiah you have been waiting for, for four thousand years. And they say no we want this lamb, and they hold on to the natural lamb and they reject the Word vindicated: an adopted son; *this is my beloved son in whom I am pleased to dwell in, hear ye Him*. God spoke from heaven and they refused that Word.

And now watch David. David is also saying "*Let their table be made a snare and a trap and a stumbling block and recompense... Let their eyes be darkened that they may not see and bow down their back always*". This blindness is what followed the rejecting of Elijah, the Son of Man and the Holy Ghost. If Elijah, the Son of man and the Holy Ghost have come back in this last days, if God is really repeating that history and that same thing is repeating, then this age has to be blind also.

Did the Bible prophesy the Laodicea church age will be blind in the last age? Exactly right. Have to be blind to fulfill the scripture, that's why they are blind, it's a judicial blindness, spiritual blindness and you hand them the Book and say show me where a woman could preach, and the Book is sealed to them.

They said if God don't want to use..... if the man don't want to do the work God have to use a woman. Could you imagine a great theologian saying that? And here is a prophet messenger Paul, a wise master builder, a man caught up in the third heaven, a man whose writing became the New Testament, a man who said, "*if an angel come from heaven let him be accursed.*" That man there said, "*And I suffer a woman not to teach or to usurp authority over the man*". And he gave a scriptural reason, *for Adam was first formed*, and he went back to the first order of God. The omniscient, omnipotent God that when he does something the first time he cannot change it because it is perfect to begin with.

The God who say *you can't add one Word or take away one Word from the Bible, lest your name be taken out and all the plagues be added unto you.* And yet you get a denominational person who comes now and wrestle with that. You understand? You hand them the Book and says, here is a prophet that comes in the last days to restore the church back. They talk about restoration and they are not looking, they say no, no, no all of us are prophets now and prophetesses. He say, but the Word say, *in the Days of the Voice of the Seventh Angel when HE, He can't be them, HE can't be she. Behold I send you Elijah and HE,* not them and she.

Eliezer, one man went to get the bride at evening time to be married. The chief reaper introduced the bride- Ruth the Gentile, amen, to Boaz, the Lord of the harvest. Yet you find that people, they refuse to walk in the Light, and what happened, blindness, because they want a system, they want a tradition, they want to keep a church program rather than to walk in a relationship with God. I hope we could catch this, don't ...because I am bringing an illustration here with denomination and the Message, do not think I am exempting you who sitting and saying, I am in the Message. Because remember it is not if you are in the Message. The Prophet says that only proves you could read. He said without the Token you will perish. See?

It has to be the literal life of God by a new birth in you. That's the only thing to bring you in relationship with God. If there is no birth there is no relationship, if there is no birth that brings the same nature, there is no fellowship. If there is no sign that his price was paid for you, then what is the real sign of ownership, because every tree that the Heavenly Father don't plant He will root up too, the evil sower sowed that seed. You see?

So he applies.... The point I am making here; watch how Paul is applying the prophecy to Israel, showing us that the spirit of slumber was upon those Jews. God visited their sin in the day when the greatest blessing came. Oh my! No wonder John was preaching repent or perish—repent because the Kingdom of God is at hand, no wonder Jesus came preaching repent because the Kingdom God is at hand. Why? Because it was an hour, even though their sin was to be visited on that generation, every man had an equal opportunity to get that sin moved aside. Because John was pointing to the Lamb and the Lamb was going to have his

Blood shed and by identification with that Lamb, the Holy Ghost could come back on them.

Did it happen in the book of Acts? Was that the ministry in the days after Elijah and the Son of man? Then what is our ministry here, walking around and getting people to join church, join our group? No! Making converts to Christ, getting people filled with the Holy Ghost, getting people to rot away from denomination, rot away from this world and tie to the Absolute and become a new creation in Christ, all things passed away and all things become new, is what God wants to get people into. Because these messages on the recession shows to us how close we are to the going, what time is come upon us and watch the world asleep.

Governments are asleep in the Caribbean here. You have Minister of Agriculture asleep. It just shows, you have churches asleep, it's frightening. How did they become asleep? How did God pour the spirit out on them? When you read the gospel you see how these people get into so much form and ritual. Jesus said they made the Word of God of no effect, teaching for doctrine the commandments of men and he described those men. He says they like the uppermost seat in the synagogue, and they like to be spoken by men, and they like honor. Is that right?

And then he begin to speak and show how the Roman power; the politics they begin to play with the Jewish leaders because Rome was over that whole world and especially that nation and then how they even conspire among themselves in the denominational politics though they disagree and was bitter with one another, they come together to crucify the Word.

What I'm trying to show you here, it is the Roman power and the Jewish leaders—who told them to choose for Barabbas? The leaders and the same leaders come and say, "Art thou the Christ, tell us. Art thou Messiah?" They came to John, then they came to Jesus, Nicodemus come by night. Jairus, under real crisis run down by the sea, because they were so gripped in the system that they say, *we know that thou art a teacher come from God and no man can do these things*. The prophet says, who was the WE, he says that was the system. They sit down there but they could not identify openly. Remember the blind man in St. John 9 whose eyes were opened? They say, "worship God man, you are worshipping a

man, what prophet are you talking about, you are all following a man.”

He say, “ it is strange, well you all are men of God and I am with you all, all these years, I am believing in three gods, I believe in women preacher, I believe in false baptism , I believe in Eve eat an apple, these people come along and my eyes got opened and now you create a whole confusion. If you all were of God and so full of God how come you all couldn't show me the light and opened my eyes”.

So you realize now it was the manipulation, get my thought; I am still on the spirit of deep sleep that is poured out. See you have to have a thought in your mind when you read the Word. How do you put people to sleep? Some people when they want to sleep and they can't fall asleep they take a sleeping tablet you know. But science has concocted something that could get them drowsy and put them to sleep. But if science could give you that as a pill, you could take it.

Then if you want to put the inner person to sleep, there is a way now that pill may not work with the inner person. You understand what I am saying? But you could get a spiritual pill to put you to sleep too. Shut you out from the world where people are awake and put you in a world where nobody is awake in that world. I am going too slow but I am trying to get you to follow me in the thought here. Turn with me quickly to Luke 21. You have to move faster than that [Bro. Vin is speaking about finding the scripture]. Too slow on the draw there. Luke 21, verse 27 we start.

And then shall they see the Son of man coming in a cloud with power and great glory.

We have seen that, right? Because Ruth saw the coming of Boaz to the chief reaper in the field, we know that.

And when these things begin to come to pass, then look up, and lift up your heads; for your redemption draweth nigh.

That was the Redeemer coming with the book of redemption, is that right?

And he spake to them a parable; Behold the fig tree, and all the trees;

When they now shoot forth, ye see and know of your ownselves that summer is now nigh at hand.

So likewise ye, when ye see these things come to pass, know ye that the kingdom of God is nigh at hand.

You see how Jesus does teach. He say you know for yourself when you see the fig tree putting forth its buds it is beginning to shoot, he say you know summer is now nigh at hand, because you know the stages of nature. And you know how that fig tree does bring forth certain signs in different seasons. He says, *so likewise when you see these things come to pass know you that the kingdom of God is nigh at hand*: because there is a nature in Gods' Word too, that we can follow, because God describes time by sign.

That's why the Holy Spirit has been showing us with this recession and these things and placing that in the Bible.

Verily I say unto you, this generation shall not pass away, till all be fulfilled.

Heaven and earth shall pass away: but my words, My words.

The emphasis here is on my words. He is telling you, you look at the big, big ... you think my words could fail. You wonder about my words what I speak, you think my words are so simple and so ordinary, but look at this big, big universe, look at this big, all these planets, look at this big earth, and heaven and earth that is going to pass away. You wonder in your mind, you can't accept that. He is saying my Word; He put his word above that. And his word is above that because that was created by his word and he will not judge you by that, he'll judge you by his word. Because looking at that don't bring faith, looking at his word will bring faith, unless that is revealed to you that is his word and that's his bible and then it will give you faith, but then you still need his written word because everything is come to this written word now. This is where our... it is written for this age. Look,

And take heed [now this is the verse I am coming to] to yourselves, lest at any time your hearts be over-charged with surfeiting:

And you know what that is, that is a headache caused by excessive drinking, giddiness and headache when you drink in excess. But this is not talking about that kind of drinking, physical drinking.

..... and drunkenness,

Because he is talking about your hearts be overcharged, take heed that your hearts be overcharged. Because when you see the Son of man come in the Cloud and redemption is near and you see Israel back in the homeland and the Gentile nations having a revival: the fig and all other trees, you know the kingdom of God is at hand. Then in that hour make sure your heart, because when the end of time Seal starts with the coming of the Son of man in the Cloud; that will be a total secret. **“Sirs Is This The Sign Of The End”**, you know that. The Son of man coming in the Cloud, Revelation 10 the Seventh Seal.

...and so that day come upon you unawares.

For as a snare,

I read that too fast.

*And take heed to yourselves, lest at anytime
your hearts be overcharged with surfeiting, and
drunkenness, and cares of this life,*

What do cares of this life do, Luke 8, choke the seed, it chokes the seed. Once lust of the flesh, lust of the eyes and the pride of life is in there, once there is no self- crucifixion; you have things in your life that will choke the seed and you will not be able to benefit from the Word. Because your desires, you will be so drunken by your desires, that the Word is no longer a Lamp to your feet and a Light to your pathway, when your life should be led in the Word, by the Spirit. Look,

... that day come upon you unawares.

That day when the Son of man comes, that day when is the day of your redemption.

*For as a snare shall it come on all them that
dwell on the face of the whole earth.*

*Watch you therefore, and pray always, that ye
may be accounted worthy to escape all these things
that shall come to pass, and to stand before the Son
of man.*

He tells you it will take watching and praying. He will not recommend that if that is not necessary to be seeing and relating and staying under the influence and following the unfolding, from the time that thing start all the way until you are changed. From the time Elohim appeared, the Son of man coming in a Cloud with the angels to Abraham, until Abraham and Sarah was changed and

their promised son came. Not even Lot and his wife knew about that, the foolish virgins. No Sodomite knew about that; the world that was burned up, because that was secret to Abraham and Sarah.

They were a people who had a new name. Is that right? This is going to come upon all them that dwell on the face of whole earth, as a snare. Because why? They will get drunk and they will be unaware. To be unaware is to be desensitized, that spiritual awareness of so many is broken down, because it is Satan's method of desensitizing the people from the realities of the vindicated Word of this hour. There is something about the Message that had been vindicated, identified, proven when it is being taught. It has to be written and established in your heart that you know your day, you know your hour, you know your part of the word, you know what part is fulfilled, what part is left to be fulfilled, what part is being fulfilled right now, recognizing the signs of the time.

Outside of that the day is upon you and you are unaware because you are drunk. How did you get drunk? This is what I am coming to. How did they get to sleep to miss the Son of man, to miss Elijah, to miss the loosing of the Holy Ghost back there? And they end up under Titus, all the while believing they are the believers, trusting in their system. And the word went through them and they did not have the Token to examine it.

Watch. This is very simple. If you follow me you could pre-empt me where I am going already. Cause the Bible says the whole world will be deceived. It says,

*And she bewitched the nation by her sorceries,
and the kings and the inhabitants of the earth was
made to be drunk.*

So it's a system putting them to sleep, it's the same Roman system putting them to sleep; it's the same denominational system in collusion with the Roman system putting the world to sleep.

But there were the Thunders that were to wake up the Bride; there was an awakening, to wake the people up that when you hand them the Book, they could read the Book. It is not a sealed Book to them, the Book is opened, the Book is plain, the prophecy has been identified, it's more up to date than Time Magazine and Newsweek, Amen. It is more up to date than National Geographic, it is right there, more better news than CNN and BBC that you

can't doctor, the light is shining; you're walking in the rhythm of the symphony of the Word.

When you come and they hand you the Book, you could go back and see in Joseph, you could see in Second Kings the recession, you could see over in Jesus' time there, you could see the teaching, man shall not live by bread alone but by every Word. Amen. You could go back in the Word and begin to see and know where you are walking. You are not drunken, amen, no spirit of slumber on you, you wake up. You are not saying well... over here the learned and the unlearned saying "I see" because they have the Holy Ghost. Amen, because he is teaching and we are learning to lean and we are gaining more power than we ever dreamed. Hallelujah!

His Word is a lamp unto our feet, we know where we are going we know where it is in the Bible; we can see the modern events, it's clear to us. Not any hocus pocus, we see the news, we see how they are controlling the minds of the people.

I am coming you know, I am coming to the prince of the power of the air: how she puts the world to sleep. In other words-- think -- don't be lazy in your mind. The world has seven and a half billion people. How it puts that amount of people to sleep, that you could fool the whole world and then Satan end up incarnate and being worshiped as God. How does that happen?

How do you come into a one world government and a one world economy, and yet everybody writing books and theories and everything. And knowing that who is studying the Book of Revelation, who studying Daniel and who's writing all these things, how come; many of these people will not even go in the Rapture. How everything is happening so close to us as we have pointed out in the Word and seeing with such stunning accuracy and precision, the Holy Spirit speaking expressly in the latter times giving sense to the word of the Prophet because it is more in season.

How can we be asleep? What has us awoken to find the things hid in the Book, it wasn't written as they said but it was hid in the Book, how are we finding all these things under Third Seal, that was hid in the Book? How are we finding even down to the control of the world food supply and the seeds and the de-population methods and the transfer of wealth and the great power shift in this

hour? How are we finding these things in the Bible in a story? And right in the midst of that same story is the dismissal of the Bride and the revealing to the brothers. How are we finding all that together in the Bible?

Because He promised some people wouldn't be asleep, he promised some people wouldn't be asleep. Sometime it is sleeping people that are questioning awakened people because sleeping people is not seeing what awakened people are seeing. You understand?

Some people just getting stirred a little bit and then go back to sleep afterwards and it's hard to get up. You know strong sleepers? hard to wake up, you have to shake them. Sometimes I have to try to get Vicky up , I say Vicky, Vicky. Instead of a belt I give her about ten kisses, I say Vics. I opened the two eyes so, Vicky. [Bro. Vin is speaking about his daughter Victoria]. I didn't realize I would be doing the same thing in church to all these other Vickys here, trying to wake them up. Watch the time, time to move.

For as a snare it shall come upon all them that dwell on the face of the whole earth.

None of you is not living on Mars, right? Nobody is living on Pluto or Jupiter here, all of you living on the earth here. Good.

Watch ye therefore, and pray always, that you may be accounted worthy to escape...

Praying and watching have to do with your escaping, Jesus connected your praying and watching to the day when the Son of man is revealed in a Cloud with power and great glory, in the hour when the snare is coming on the whole earth, and the whole earth is put to sleep. He connected that with you being accounted worthy to escape; all these things that shall come to pass: like you can't buy or sell except you take the mark and going into the cage and worshiping the beast. Because remember, I am going to show you, they did not love the Truth so they get a strong delusion to believe the lie, to put them to sleep.

The Truth came to wake them up but they did not have the love to be awake, they love to sleep. Snare, snare- in the Greek there is a word that speaks of sudden unexpected, unforeseen, a snare in which birds are entangled and caught, implies unexpected, suddenly, because birds and bees are caught unawares. Traps are set for them. You know that! Remember the **“Traps Of A Mighty**

Hunter.” He set traps; a snare is whatever brings peril, loss, destruction. Had an economic snare that men got caught because God visited them with economic retribution for economic sins in the day when they thought they was going to make a big blessing, they get trapped and they came to great economic peril and suffer great economic loss, quickly. All that for years their fathers and grandfathers raised there, they lost it in a week time, gone like that, billions. Throw the world into recession, that’s right.

...all these things that shall come to pass, and stand before the Son of man.

1Thessalonians 5, quickly I want you to follow something in the Bible. This is Jesus and Paul. We are taking Paul’s teaching about how the Jews became blinded, how Titus came. Did Titus bring a recession? And they thought God was going to save them, right? And they all run in the temple right? They say remember Jehoshaphat, he went in the temple’ he stand up where Solomon stood and he prayed, but this one, they did not hear when Jesus say not one stone will remain standing. This was Daniel 9, not 11 Chronicles 20. To run in this one was trouble, he say, don’t even stay in Jerusalem; he say, don’t even flee to go back into the city.

You see how you need your present tense Word, not your knowledge of different scriptures in the Bible trying to type and tie things together. You need to hear your present tense Word pointed out to you, need the continuity of the Word. 1 Thessalonians 5 quickly, 1Thessalonians 5 follow 1 Thessalonians 4 you know that, right? You know what 1 Thessalonians 4 is? The Lord himself shall descend from heaven with a shout, the Message of the hour, the opening of the Seven Seals. The Master is come and calleth. 1 Thessalonians 5, after he explains about the coming of the Lord all the way to the resurrection, he goes on to say,

But of the times and the seasons, brethren, ye have no need that I write unto you.

For yourselves know perfectly that the day of the Lord so cometh as a thief in the night.

For when they shall say, Peace and safety;

When they shall say peace and safety, watch them here, they are putting the people together, putting the people to sleep by their peace and safety talks. That is a big part of putting them to sleep. “There is an enemy out there and we are trying to protect you in

here and you have to do this and co-operate with us so you can be safe. There are lots of terrorists out there with all kinds of germs that they could scatter in the whole city and kill everybody right away. So you have to let us check your E-mails because they are working on the internet quite a lot. Let us check your phones, we are not listening about your business, we are not interested in that, we just want to catch those people.” Yes this is the society, see, many of you don’t read. Many of you do not know what is going on in the world today.

So many of you sit down there and wonder if these things are so and all these things are laws that have already been passed, while you were sleeping. While you were sleeping these laws passed. Watch,

For yourselves know perfectly that the day of the Lord so cometh as a thief in the night.

What is the day of the Lord?

Two weeks ago I preached for you **“Economic Judgment”** the day of the Lord, that is what Zephaniah was talking about, the day of the Lord is what Joel talking about. Joel and Zephaniah those two books, the theme is the day of the Lord. John was in the Spirit on the Lord’s Day and saw the Son of man wigged with a white wig between the Church Ages and the Millennium when gross darkness is upon the earth. Here was the Light himself coming. You understand? Cometh as a what? thief in the night.

And when they shall say Peace and safety;

And that is the two watch words for the war on terrorism. This is the theme of this present age and this is a sure sign of the coming of the Lord. Because Paul is saying in the day when the Lord is coming, in that hour, they will be saying peace and safety. If we are in the recession and in the recession the Bride is dismissed to the palace; are we hearing them talking about peace and safety at the same time too and we see the Son of man in the Cloud too and we are in the day of the Lord too. The rock is thrown up and the priest hand him the Book and the Cloud is turned and He is there with a white wig. Is that right?

And they already had an **“Indictment”** and a **“Trial”**, and people already in prison locked up and can’t come back out; sin over their day of grace by rejecting the Message of the hour. Is that right? But of the time and season see, but watch how God teach us

time and season. Knowing your times and your seasons. He says the stalk knows the times and seasons, the swallows know the times and seasons, but my people don't know the hour of judgment. I brought the message for you there, recently.

When you see a cloud rise, you say fair weather and he show how they could watch the laws of nature and prophesy but they do not apply it in the spiritual realm the same way. Yet the system in the... look how Jesus teaching, and when you see the fig tree put forth its bud, you know summer is nigh, so shall you likewise know when you see the thing come to pass the time is at hand. The same law operates in the spiritual realm, that's why a person can stand up in the Word and speak things under inspiration because they know exactly, precisely what time it is and where they are standing and what is happening and will follow that. That's right!

You walk with God and see, you find things are so. You come to church and depend on a church program and be part of a church group, you will never know those things; but you walk with God and you get the Holy Spirit, you find those things are so. You'll find that God talks: why you think God put a gene inside of you? Why does God come by a new birth to unite back man? Because that is the thing united God and man, that is how God leads his son; that is how God communicates his will.

Why you think the teaching come back until the last days? Why is it only the elect have two natures in one body? That's why they could hear the voice of God. Sometimes people say God is not talking, God does not want to talk: God talks everyday to his children. That why I show you when God is talking to Abraham, He talks one thing, the thing He called you for. From Genesis 12 to Genesis 25 watch and see everything, what God is talking about; was the same thing unfolding and unfolding and unfolding. That is why I have faith in this kind of ministry, that's why I have faith in this kind of teaching, it is one thing to be unfolding and unfolding and unfolding, getting greater from junction to junction, to junction. That's right!

It is not one day this, one day that, one day something else, no, no, no is walking in the Word, because the Spirit say that as many as are led by the Spirit of God they are the sons of God. Israel followed a pillar of fire from Egypt and come into a position in Canaan, where all things were under their feet. The apostles

followed Jesus coming out of Judaism and came into the Holy Ghost, where all things were under their feet and if that is the First and Second Exodus, you tell me what the Third Exodus will be. Amen.

Elisha followed Elijah all the way and come into the robe and the double portion Amen. You tell me how you are following. It is all the way to one promise, always. That's God's plan, that's why the Word gives consolation because all hell can't move that, all hell can't destabilize that. That's when you are awakened, you are awakened so strong you can't go back to sleep at all no matter how they try to hypnotize you, put you to sleep ,you can't go back to sleep, you are so awake. Because when you are awakened and you in heavenly places and they don't sleep in heaven. You don't sleep in heaven friends [Congregation rejoices].

The only reason you are sleeping and dreaming is because you are in the earthly realm, come up here, where you see. Amen. When you see, you see in the Bible, Oh my! Glory! They are saying peace and safety right now, the Lord come as a thief in the night already, to take Juliet. Is that right? The one shall be taken away, where Lord? Where the carcass is, there will the eagles be gathered together.

But ye, brethren, are not in darkness, that that day should overtake you as a thief.

Notice how Paul, he is not contradicting Jesus. Jesus said that day will come upon the whole world unawares and they will be drunk and surfeiting, see. He say but you better be counted worthy to escape, so that day doesn't overtake you. Paul now is dealing with the same day and look how he is bringing it down to the believers now and saying,

Ye are all the children of light, and the children of the day: We are not of the night, nor of darkness.

Therefore let us not sleep, as do others;

You see the Holy Ghost will not let you sleep; the people who keep going to sleep are the people without the Holy Ghost

...but let us watch and be sober.

Because that is what Jesus said to do,

For they that sleep sleep in the night; and they that be drunken are drunken in the night.

In other words they are drunken and put to sleep; that is the sleep; they are being put to sleep. What sleep is he talking about there, when he say don't sleep, don't be put to sleep. What drunken is he talking about there? What did Isaiah say, *they are drunken and they are blind* and you hand them the Book and they are learned. What you think they are drunken with? Isaiah say, *stay yourselves and wonder, cry, cry ye out and cry they are drunken but not with wine? They stagger but not with strong drink.*

Peter says, *these are not drunk as you suppose*, they have the Holy Ghost. Isaiah said, *these staggering and they are drunken* but they are not drunk with wine, you know and strong drink you know. Because it is not a physical drunkenness he is talking about, he is talking about they are so drunken that they can't read the Book, they can't see what is going on. A spirit of slumber is on them and a marvelous work is taking place and they know nothing about it. It is passing right through them.

What did the prophet say in **Desperation**; "there is something so mighty coming forth it will pass right through you except you have the Token to examine it. It will pass right through you and you will never know it. One day you will end up in the Tribulation period and say, "wasn't there supposed to be a Rapture?" He said, " I always see it will be like when they was looking John the Baptist, they say where is Elias he must first come ,He said he already came and you never even knew it."

What was that? A false concept of the Word that they couldn't recognize the Word coming to pass? Is a false concept an intoxicating thing, a blinding thing, a drunkening thing, a thing that can't make you read the Word right?

For they that sleep sleep in the night; and they that be drunken are drunken in the night.

But let us, who are of the day, be sober, putting on the breastplate of faith and love;

That is not a physical thing neither right? Sober to put on the breastplate of faith, that is not a physical breastplate right? And that soberness is not a physical soberness. That is spiritually sober, you get detoxified, you come through not rehabilitation, you come through conversion. You come through God's clinic where the Great Physician detoxifies you of all the denominational toxins. Let me tell you, you don't add the old piece of garment to this new

piece of garment, you know. You tear up the old thing, you get empty out, you can't put new wine in old bottles. That denomination does be as dead as dead can be, walk away from that thing completely, that was a perverted birth making you a child of the Devil, in your worship, in your walk and everything else because you are ignorantly worshipping Satan and not even knowing it.

Therefore let us not sleep,

See?

But let us, who are of the day, be sober,

Verse 8,

*...putting on the breastplate of faith and love;
and for an helmet, the hope of salvation.*

*For God hath not appointed us to wrath, but to
obtain salvation by our Lord Jesus Christ,*

*Who died for us, that, whether we wake or sleep,
we should live together with him.*

*Wherefore comfort yourselves together, and
edify one another, even as also ye do.*

Oh my, watch how great this is; in the hour following the Lord descending from heaven with a shout. Because when He descended from heaven with a shout, He come with a white wig, the angels were his wig, you know that! It was the Son of man in the Lord's Day between His Priesthood and His Kingship, after denominational ages run out. Amen.

And then here we see now they begin to say peace and safety since 2001: it has become the watchwords of everything they do. He said but like travail comes upon a woman: now Jesus gives two illustrations here, the coming of the thief and a woman with child in labor pains. The Day of the Lord so come as a thief in the night,

*For when they shall say, peace and safety; then
sudden destruction cometh upon them, as travail
upon a woman with child;*

He is talking about a thief coming in the night and travail upon a woman with child. Two things he has in mind here, he is using to show the suddenness and the need to be watchful and alert, and that comes by knowledge of the times and seasons. But of the time and seasons: time and season is described by sign. When you see a

sign and you know what time it is. You see the Nebula in the sky, what time that is? You see the recession, what time that is?

You have to know, this is something happening. You see people give up their rights. You see they talk about a new world order, one world government, a one world economy, what time is it? You see the internet and all these things come on, a power that could unite the whole world together and the same spirit can be put and loosed in every nation.

You see us right here in the very same hour in a mini scale, unite this region that stand here and preach this morning, they are looking in Tobago, they are looking in Grenada and looking in St. Vincent and they are looking in Dominica and these places here, looking right in here together. Think about it, that this same influence that even while some of you are tired and have lost your concentration, there are some there in Tobago on the edge of their seat, and they are not in a building like this; they are in the back of Dion's house. Some downstairs of Elijah's house, down in the tabernacle. Some are in Brother Charles garage this morning, looking out through the internet too, the same way.

They look in here they see some of you out of it and they are wondering what is the matter with those people down there. You know what that does for you in this hour here, where everybody is seeing you now? They know who they want to be their example and who they do not want to be their example now. They know who is catching and who is not catching, because when they are catching things there and it have them stimulated and you sit down there and you do not look stimulated, they know. You understand?

You see you don't sit here unconscious, you sit here aware. I am talking about sleep; do not let him put you to sleep. I am talking about being awake; the Thunders waking you up. Turn with me to Ephesians 2. So far we have established a little bit how this blindness come in the age of the first coming of the Son of man upon the Jewish church, the elect caught the revelation but the rest were blinded. Then we find out that Isaiah prophesied that very thing. Remember Jesus, they handed Jesus the Book, is that right? Jesus walk in the temple, they handed him the Book, He opened the Book and found where it is written and started to read. They handed Nicodemus the Book, he didn't know where to read from. They handed Jairus the book, he didn't know where to read from.

They handed Caiaphas the Book, he didn't know where to read from. You understand?

But John with the Book, say; *I am the voice of one* and identified his place. Peter with the Book, *this is what Joel says*. Jesus with the Book, *this day the scripture fulfilled, the Spirit of the Lord is upon me*. You understanding?

They handed the Baptist the Book, they don't know where to read from. They handed the Catholic the Book and they have to get their own Catholic bible for their doctrine, Jehovah Witness they have to get their own bible for their doctrine. Seventh Day Adventists want their own bible for their doctrine. You hand the Bride the Book this morning, she know where to read from. They are not seeing, that is why they say come and buy eye salve that you will see, I have heard with the hearing of my ear but now I see.

You know May month is always hot so don't let it bother you, you are in May. That is just telling you, you are in May: that is a sign so you know your season. I get alert. The same way in the Word when you start to know hell is getting hot and you see the hot winds of judgment blowing too and the recession on, that does let you know, yes that is time for the Holy Ghost. Yes sir! Ephesians 2 quickly, Oh my! You love the Word?

I tell you the Word is.... I did not know I just kind of changed up some things this morning, knowing that we are getting ready to leave and you know all the time I am leaving Tuesday, I am leaving Tuesday, but is really tomorrow [Monday] I am leaving. It was a good thing I watched my ticket otherwise I would have missed my flight completely. The Lord knows how to get you sensitized. Satan would sure have liked me to miss that. I could imagine how he is hurt right now. **“AWAKENED OUT OF SLEEP BY SEVEN THUNDERING VOICES”** and my subject I had was, **“A World Drunken, Put To Sleep and Snared”**. That's what he says, a snare will take them, spring suddenly upon them. The hour of temptation will come upon the whole world, like a snare. The whole world will be trapped in it but the elect will be taken out. Ephesians 2.

And you hath he quickened,

And you hath he quickened,

... who were dead in trespasses and sins;

That “dead” is a spiritual death: that is why I say a deep, deep sleep. That is past coma.

Wherein in time past ye walked according to the course of this world, according to the prince of the power of the air the spirit that now worketh in the children of disobedience:

Now this is a very deep reading and I want to read this chapter with you and I want you to follow as we read this chapter because I have to read the chapter before I get to where he says, awake thou sleepest, and it is high time we awake out of sleep. In Romans and in some of these places to show you the Holy Spirit foresaw the age where the world was going to be put to sleep.

That’s why it says and she deceived the nations. That’s why it say she drunken the kings. It is not like when those kings and those leaders and Presidents go in the Vatican they drink a lot of whiskey you know. Not that you know. When he say she drunken the inhabitants of the earth, as I’m tired of showing you; twenty-four hours a day sport. The news on what is going on in the world, where people are dying and starving is about ten seconds and the sports is so long. And they have IPL cricket all kinds of things for people all in the wee hours of the morning. And then they have all the crimes that the normal man does; but all the greed that cost over two hundred and seventy-something billion dollars that is not being shown you know. That is the white collar crime; they show the blue collar crime.

These four fellows they caught them with a plan to blow up JFK and they get four fellows and they show that all over, “Terrorism in Trinidad! What is your government doing down there? Come on! We have to come in there and put something in place, you all are harboring criminals and don’t even know it and you don’t even have proper laws for extraditing people. Get your act together down there! Minister of National Security and all these things are going on”.

When that pressure from up North comes you have to move you know. When Uncle Sam says jump, you jump. When he pulls that chain on the dog whether it is Rottweiler, Pompek, German Shepherd [speaking of different types of breeds of dogs] whatever it is, they have to move you know. The sleep, the sleep friends.

You see these things, an awoken people understands the seriousness of these things. You see how the media hold the peoples minds right here and keep them in the box, because the media determines what is news and then tell you, you page have different fetes and different women in all kinds of different positions, and they talk about free press and educating people and.. it is just money. Free press is a slogan. These are newspapers that back politicians to get money. That is what it is about, ninety-nine percent.

These are people who have more lies than anything else and more hypocrites than anything else. Don't stand for anything; they take things and scandalize all kinds of things and make poor people suffer because they don't have a voice and they could mess up peoples' character. And you say one thing sometimes here boy! they want to sue you in the courts and charge you for libel and all kinds of different things. Yet when they have to make an apology it is in some little small thing so, somewhere in the corner. That is the press that is what they call the press. All of that getting burned under the atomic bomb because it's evil, it's manipulative, it's tools of the system to desensitize people. The best thing they have there is the comic strip, because the whole paper is a comic strip to begin with. But this is the more sane, the comic strip is the more sane ones, because when you watch the other comics outside, from front page to back page is comic; live comic. At least this one is cartoon. Lies; lies and more lies.

Thank God for the message of the hour! Thank God for the Message of the hour friends! Thank God for the Message of the hour. At least the Holy Spirit spoke Truth without fear or favor through a messenger and though they destroy him today, yet the message came in the hands of the predestinated. We could still read the message this morning, we could still put on the tape and hear the voice and they are coming to take that away from us just now too but before they could take it, it is in our hearts. Thy Word have we hid in our heart, that's right. This is not fanaticism, this sounds crazy because when they put you to sleep they make you think that this kind of thing is crazy and people talking so, you better get far from them, boy! you don't know, they are loose cannons. Loose cannons, watch this loose cannons blow up the

place when the squeeze comes, you will see what kind of loose cannons that is.

John was real loose cannon and Jesus was a more loose cannon and Paul was one of the biggest loose cannon they had; because if denomination could have tied them down in politics and tie them down in money and put them in their back pocket, would have been something else. But when God said loose them and let them go, they were loosed friends, yes sir! They were loose.

The prince of the power of the air, now we are coming down to something here. I want to get down to the prince of the power of the air. What an age we have come to because Satan is referred as what, the prince of the power of the air, Ephesians 2, and it tells us *wherein in times past you walked according to the course of this cosmos.*

The word there is cosmos: that means arrangement and order, that means the world order, the world system, and Ephesians 6 defines this system, principalities, powers, spiritual wickedness in high places, rulers of the darkness of this world. Paul is giving you an idea of the order and the levels of power and how organized the cosmos, the world is. All this G7 nations and G8, all the World Trade Organizations and the World Bank and the IMF and the United Nations, the cosmos, the World Health Organization, people who de-populate countries and regions by pestilence and by famine and by sword, the cosmos.

See some of you have not awaken yet to know that world though you are living inside of it because you are asleep. Let me tell you, if you are in here, God will try to wake you up if you are wake-up- able. I trust he could wake up some of you, because some people are not destined to wake up. The election will obtain it but the rest remain asleep and when Titus came they were so asleep, the ones who they thought were fanatics and was crazy, if they had listened to them and followed them they would not have been caught in that.

Remember I showed you the pattern eh; from the coming of Elijah to the coming of Titus, I showed you the steps and I showed you the pattern in this day. And then I read where Paul show how they were put to sleep and then I showed you how they put them to sleep here today. Why did not all denomination wake up ...the

Message when there was not even the ministry of the Lord Jesus Christ had that amount of vindication here on the earth?

Because in this day you have cameras, do you understand? This day you have tape recorders, you could catch it on magnetic film, you could hear the voice, Spirit speaking unconsciously through him, he was unconscious of what the Spirit is saying. He said I have to play that tape and hear what I was saying, that wasn't me. You heard my voice but I don't know what I said but what ever it said it would be right. They did not have camera and things in Jesus' time yet.

You couldn't..... have a photograph for George J. Lacy to examine the light, they just accept who maybe saw the light by the Jordan River, if nobody one saw it besides John, well then you have to believe John's word for it; but in this day everybody has a picture in their house, signed, authenticated by science.

So Satan is referred as the prince of the power of the air and it says, you walked in times past. Now watch Ephesians, Ephesians use times past, now and in the ages to come. He is talking about what you were, what you are and what you will be and he is showing that this God who chose you in Christ predestinated you and how while you were dead, He intercepted you and quickened you and wake you up from among the dead.

He separated you from among the dead, quickening power found you. God rich in mercy hath quickened you when you were dead, when you were walking down to the cinema with your friends, when you were by the corner on drugs with your friends, when you were out in the party dancing with your friends, when you are liming by the beach with your friends, then God quickened you, amen and something raised you up. Your foot is still on the ground but you are raised up in heavenly places. A spiritual resurrection, a waking up Amen, something that took you out from the influence of the prince of the power of the air, who had a course; this world, this cosmos that is ruled by these levels, have a course.

You know the course, the course start in Isaiah 14 "*I will be like God*" the course ends in Revelation 13:8, *the whole world will worship him as god*. In 11 Thessalonians 2, *the man of sin is sitting in the temple*, that's the course of this world, he has been building his Eden for six thousand years and now is about to be enthroned

upon it, and while you are in that world you are being shaped and squeezed into a mould of this world to start to look like this world. You consider success by how this world measure success. You consider yourself wise by how this world measure education.

And when somebody tells you that man selling nuts, could be wiser than that big man in UWI [University of the West Indies], and if you think I' m talking nonsense, half of the time they sit down there and now they are going to give "Stalin" [Local calypsonian] a doctorate. They give "Sparrow" [Local calypsonian] one already too, because when they start to read, when they start to watch the lyrics of Jean and Dinah, Rosita round the corner [one of Sparrows calypsos] and Stalin, they begin to find such deep wisdom that they begin to say this has to be taught in school. And that is how all those things came in all elementary schools now and all the reading books changed.

And who you think recommended that, these learned philosophers, the architects of the new society and the 20/20 vision [governments plan]. 20/20 vision is blind as a bat, that is Laodicea; there is no vision for them. Anybody who has 20/20 vision is the Bride going in the rapture and that is not 20/20 coming; that is long before that. If you are in this world, walking in the course of this world, after the plan of this world, after the educators of this world and in there you have wajang [local expression for woman behaving scandalous] and you have a Minister of Agriculture with ten ochroes in his hand and say, "it does not have any food crisis." And his Prime Minister on the next side saying. " be not alarmed". You understand?

Now I will give Jack his jacket and Jim his jimboots [another expression for sneakers]. I will give any man the respect due his title and so on, but when I look at them in the Word, outside the Word sure I will give them that. I will pass by your office, "good morning sir, how are you?" When I look at the Word I have to tell you, repent and get right with God, otherwise I would be a false voice myself.

Paul stood up before Agrippa and Felix in chains and Felix lie down there with all his pomp, he and Bernice, when they were drinking their wine and eating their grapes and Paul, under a charge that's taking him to the Roman court-- Nero court and the Bible say, and he talked to them of repentance and of judgment

and of the world to come and it say, “*and Felix trembled.*” You mean a man in chains, a prisoner who came to hear his case before this man and the man he is talking to, instead he tell him about his condition; he start to tell him about the wrath of God and the man trembled.

See? That is the difference between waking up and sleep. That is the difference between the Holy Ghost and not the Holy Ghost. You see when you don't have the Holy Ghost you'll even compromise and find favor and afraid to say and all kind of different things, because you don't want to stand for the Word and when you study the consequences you keep quiet. What if John had studied the consequences and say, “it is ok Phillip, you all look nice together, you all look very compatible, she should have married you in the first place, I think Herod, you know, was not the person for her, you all look better”. He said, “*You have a next man's wife*”. It cost him his head.

These are the people we are spending eternity with you know. That was Jesus in him that was the Holy Ghost in him. Brother I tell you; Jesus help us; help us to be witnesses. I can't even get, I want to cut it but, Matthew 25 I can't even get there. Let me finish Ephesians 2. I have to get to Ephesians 5 and Romans 13 but, which is to show you the waking up.

The waking up is when the Bridegroom begin to descend, that is what Paul says, 1 Thessalonians 5, I just read. When that day comes, do not be asleep. When Jesus told the parable and they all awoke because a voice was announcing a mystery, the coming of the Bridegroom, wake them up, a message of the Seventh Seal, the Seven Thunders wake them up to, “oh my goodness the time is here, it is on us, we got to move”.

But watch Ephesians, the Prophet preached out of this in a Message called “**God Who Is Rich In Mercy**”, showing you how God came down in this day.

Among whom also we all had our conversation in times past in the lusts of our flesh, fulfilling the desires of the flesh and of the mind and were by nature the children of wrath.

But God who is rich in mercy for his great love which He had loved us.

Friends if you have had an experience of the Holy Spirit begin to quicken your mind and take the shackles off of your mind and unchain you from the desires of the world and the things of the world, taking you out from under the power of the prince of the power of the air, who I am going to show you just now.

Air is not just about rain you know, you say Satan bringing bad weather, no, no, no, no. Satan is referred to as the prince of the power of the air because this is the age we are living here now which is the Ephesians at the end of the age. Is that right? Ephesians parallel Joshua, Joshua was after Moses brought them out of the system, opened the Seven Seals- the Jordan and bring them over in the land, where they have to fight and take their placing according to their birth, in the hour when the wrath of God, the iniquity of the Amorites was full.

And Ephesians here in this hour, now we know what the prince of the power of the air is because this is the power he drunken the whole world by. This is the power he is intoxicating the whole world and filling them with pleasure and blinding them and addicting them and controlling their minds and shaping their values and shaping their desires and this is so powerful if you don't understand you are living in the mind age. And if your memory short and you do not know history, it was beaming in images of prosperity in the West in 1988 and 1989 that caused the Berlin Wall to come down and the world to come from an international world to an age of globalization. And you can't have any one world government and one world economy and one world these things without something that connects the world together because everybody in every different continent would be in a different spirit in a different way. But you have the media; we know that now by the internet right here.

All these Saints they used to be so already just by the DVD's going up three days after how much more it will be when it is going straight, immediately. You don't have to break down nothing for them any more, they are getting it just like you, sitting right there. The same way I can't see those in that side room and I can't see those in the back here, the same way I can't see them. But yet from the time I open my mouth here or any minister in the pulpit open his mouth right here, they are getting that Word same time in the back, same time in the front here, same time in the side

here, same time in there those who we can't see. They are all hearing the Word at the same time, you know why? A communication network unites us together, to bring us under one headship, one voice, under one spirit, under one anointing. That strengthens the bond of our unity.

Let me show you, electronic devices: first we have over five hundred channels, five hundred communication satellites fill the airways. Each one is sending out their filth, sending out their politics, sending out their pornography. You could imagine, you have five hundred industries like Petrotrin [Petroleum Company of Trinidad and Tobago] line up so and everyone spewing out things in the atmosphere. That is how the place gets polluted right? When all these voices now start to fill the airwaves, when it start to fill nations, when cable that looks like advancement come, what do you expect here to be?

The people to get deformed faster, the crime, the children of darkness to get real, real wise in the evils of the evil age, when all those images of violence and everyone is cursing left and right, strong language. You are staying so and walking down the road and your mind getting filled with cursing and then you start to get condemnation, oh God where this come from. Lord Jesus, apply the blood and sometimes you start to panic, real panic mode.

Well is the same way you are breathing this air, those signals, those impulses are hitting you in your spirit realm, hitting you in your mind. because it is another dimension right there. It is a realm you are even getting your thoughts when it is coming, because Satan has access to your five senses of the body and five senses of the spirit; is you that have to make the decision after, what goes down in your soul. You understand?

So now we coming to the drunkening, the putting to sleep, the breaking down your morals, breaking down your convictions, shaking your foundations because when you start to take in this now, you take in things: whether is violent passion, whether is ungodly passion, whether you find your lust level start to rise; you were working with and was going down, because the tale bearer.. catch this. How did Satan break the unity between God and man in heaven? By the tale he told right. How did he break the unity with God and the church? By the tale he told.

When you have a network that you could communicate with the whole world, the Bible says the tale bearer sets strife. You get one man to go around with a false rumor and say boy, I will use Brother Melville, at least he is a strong brother, I will do that [Bro. Vin is using Brother Melville as an example]. He says, “Boy I see Brother Melville, boy with some hoodlums and they went in the back and was some deal they were cutting and it was a drug addict or something”. And someone say “no, no, no, that is the government, they send to talk to the community leaders as a religious Minister or something”. Someone says “no, no, it wasn’t that, I was even smelling “bush” [marijuana] and different things. “A man says “he is smoking the “peace pipe” before they talk”.

But watch something; the point I want to make is this, while those things is happening and a person start to run and tell three, four people about that, next thing you hear everyone saying, “and Brother Melville this and Brother Melville that and Brother Melville this and Brother Melville that” and before you know it, people asking him all kind of foolish questions and then we have to ask them who you see and why when the person see they did not come and talk to me. Or why such and such and such. A tale bearer setting fire, setting strife to burn up a whole thing and cause a lot of damage, right? You know one person does that or two does that.

When you could get the communication networks and you could say “and there are weapons of mass destruction over there and they have a satellite photograph, see it and here it is and this nation and that nation and then all those nations getting a sense, go and get him! Let us go and get him!” and next thing you know you have the Allied Forces and you have war, Gulf War part 2. Next you are going to spend three trillion dollars already and destroying the economy over there.

You understand what I am saying? And then when you come, you making excuses, “well our intelligence was flawed, but anyhow we have to get rid of that man, he is dangerous”. Where is the weapons of mass destruction, you are lying and deceiving the world. Well your memory is short so you take some of those things out of the news.

And ever so often you put the face with the beard and the turban to get everyone back in check and say, “we are up to orange alert now and we on red” and then after a while everybody saying, “yes,

keep us safe, keep us safe. Go get them, we need this, we need some strong leadership, we need some strong foreign policy we need”, because why? It’s creating prejudice against different sects of people too.

The point I am trying to bring, how one person with their mouth could maybe just expose to twenty people, could have twenty people in a rumor, when you have the global communication network and you have control over it, you could manipulate the world. And that is why you sit down and want to know how all these people in one season saying, “ yes I think we should go in early, and I think that you know, this nation that is not supporting us, we should put a sanction on them and we should do so and so and we should start to put international pressure and I think when the summit comes up we should get there and lay these things on the table because we helped them in World War two, now they want to get back down when our nation is under threat from these radicals.”

And then when that hit the world every little newspaper who only have local news, all that international news is just cut and paste off of that you know. So then they feeding you that bunch of dotishness [stupidness] in your paper and in your communication networks and these things and before you know it you don’t know what really going on in the world because you don’t know the Word and what they are telling you and your mind in confusion. But when you know the Bible, the Bible tells you Revelation 13 is two beasts that is going to control the world, not no set of Arabs and no set of people. And that is the people who reject the Message of the hour, that is where the Message came.

What a time friends! So when you watch your computers, your satellite television, satellite radio, cell phone, all the other different devices you have palm reader, I phone and all kinds of different things all use the power of the air. All your laptop, all work by the power of the air and this come off the tree of knowledge of good and evil. This was the key that was given to open the bottomless pit and bring this thing out. This is the technological signs and wonders and the revival in this information age, where information is the most powerful thing in the world today, in a knowledge based civilization. And the same way Nimrod, I am closing, let the

musicians come for me, I can't go on. I will carry you till four, [4 o' clock] so let the musicians come.

How do you think, now why does all this amount of American people go along with the war on Iraq? How all this people accept that a nation, that do not have any army, no nuclear bombs, I mean the world a couple years ago before the Berlin Wall came down in 1989: you had Russia and America and the world was on full attention because both of them armed with nuclear power that could devastate the whole world, every man, woman, boy, girl, child, donkey, plant everything so much times over. But all of a sudden now, the real threat is some invisible people and the big super powers, the world change and the people come into this state of mind.

Is this the sorceries that she bewitched the nations by? Is this the cup she drunken the world with? Because the one who is going to come out on top had a cup mixed to desensitize the people so she could take them by deceit. So they are seeing all kinds of enemies except her as the enemy. But the **Book of Revelation**, not CNN, not BBC not FOX NEWS, not the Guardian and the Express, not the Newsday, the Book of Revelation tells you there is a woman, who is seated on seven hills, in who is the blood of the Saints and the martyrs of Jesus Christ who all the kings of the earth, and in the history of the United States from April the 15th gone here recently, he left The Vatican and went to the United States.

And in the history of the United States, no United States President ever went out to meet any European leader like that, no Pope and give them that kind of big recognition. And the biggest gathering they ever had and the biggest honor they ever had was given to him and he did not go as just the Pope, he went as the head of a state. And the Prophet wrote in the Church Ages Book, I think I have it somewhere right here, should have, he says, *that the Catholic Church, people don't realize, it's a nation in a nation, The Vatican.*

He says, she received ambassadors, this is Pergamos Church Age [page] 195, *people look at Rome. They look at the nation of Italy. And as they look they do not realize that Rome with her strict confines, where the Pope has an actual area as his domain, which is called The Vatican which means divination, is literally a nation*

*within a nation and she has ambassadors and receives ambassadors, **Papal false Christian Rome.** [She is even called the eternal city-- how blasphemous] now controls by religion even more ably than when pagan Rome controlled by the pure iron of force.*

Rome took on a new lease on life when Constantine joined church and state and backed the union by force. The spirit that motivated pagan Rome is the same spirit that now motivates false Christian Rome. You can see that is so because you now know that the fourth empire never went out of existence, it has just changed its outward texture.

Thyatirean church Age, he says, Right here I will be getting ahead of myself and maybe I ought to reserve this for the message of the last age but it seem just right to put it in now because it deals so clearly with organization and what is going to happen through it. And I want to warn you. And he goes to Revelation 13:1-18. This chapter shows the power of the Roman Catholic Church and what she will do through organization.

When you meet statements like that and you are reading Revelation 13 you have to think this chapter shows the power of the Roman Catholic Church and what she will do through organization. Remember this is the false vine. Let it name the Name of the Lord, it does so only in a lie. Its headship is not of the Lord Jesus but of Satan. It finally ends up completely identified with the beast. The whore riding on the scarlet beast, distinctly shows her power is the god of force (Satan) and not our God, the Lord Jesus Christ.

And here we are finding he is the prince of the power of the air and here I am breaking down for you the course of this world and that world there is cosmos. And cosmos is 'The order and arrangement of the world.' In other words the fourth beast will devour the earth and then break it in pieces. Then she will divide the land for gain.

Have you been looking at her lately? Have you seen what has been happening in the earth? Are you conscious what you are seeing is she behind it? Do you realize that when he step out there in an election year and they say one of the biggest diversion and you are going to see and while they are doing that, the President of the United States is with the Prime Minister of Canada, President

of Mexico and they all get together and they are having the meeting because they want to bring a United North America with what is happening here and they all gather; Canada at the top, United States in the middle and Mexico in the South, because they are all in one land mass. So they want to create something with the weak American dollar with what is happening in Europe with the strong Euro because Europe has become a nation without borders. The old world and the new world.

Friends we are living in dangerous, dangerous times and the world is asleep. And they can do these things because the study of the science of behavioral psychology, they have been able to shake the values of people. The Prophet say look how they glorify sin, cigarette that everybody today, you can't smoke in a place, you can't smoke here, no one wants second hand smoke, it could give you cancer. 1965 the Holy Spirit tell the Prophet in the woods, pick up that cigarette pack. Like Ezekiel, like Peter, 'Oh God I can't touch that.' He say, 'Pick it up your message for Sunday morning is on that box.' He came and preached "**A Thinking Man's Filter**".

He talked about going to the World Trade Center a time and Yul Bryner the man from "Magnificent Seven" was right there, demonstrating this thing about smoking and they put it on the rat and in seven days the rat was eaten up totally with cancer and the Prophet say, he say, "I rather see my wife drunk on the floor than see her smoking a cigarette". He said, "when I saw that little girlfriend of mine that time smoking, I see my little dove with a cigarette it broke my heart".

He says, "do you notice how the Holy Spirit condemns that thing on the platform under the discernment." He says, "Because it is a deception". Why would the American people, to make money, kill their own people for commerce? Look at "Witco" [Tobacco Company] still strong as ever, yet they are banning it everywhere, in every place, but they are running it and they are turning over more, yet they telling you how much cancer it is giving people. You understand? Because nobody is strong enough to touch that, because these are the big industrialists; these are the big financiers. That is why it is still in the world killing everybody, more deaths every year.

And alcohol, they are talking about bringing the breath analyzer so long and no breath analyzer can't come yet, because you can't touch these things. But you pick up a small man on the street and you lock him away and you throw some baton on him: but you see when you are seeing the news you don't see this part of the news.

What I am telling you, you know why? Because they give you the things to keep your mind in the place they want to hold your mind which is how they, media sexploitation, media manipulation, the god of this world blinding the minds of the people on a mass scale, a spiritual drunkenness and blindness. When those cable company giving those people their package, I can't say you, I hope you don't have that. They have to give you their rap and some spice, pornographic spice inside of there and then they have some other things to give you the whole menu.

And every paper on Saturday, they have the menu. The 'A La carte' inside of it. It has no recession with that. It has no shortage of that food. They are putting that food on everybody's table and some who keep their head in that television, no wonder they can't take this kind of Word, because this Word when it comes is like a kind of condemnation to them. It does be a blast and a shake to them and they do not realize that is why they can't move in the Spirit because it has them drugged that they are not alert enough. Their senses dull, they can't catch spiritual things. It is all around them but they are under a hypnotic spell because that is exactly what television is designed for, because it is the opening of the fourth dimension.

As I preached back in 1987, for the mind age "**Images and Voices**" seeing is video, hearing is audio and that is communication. And that is what brings on the insane age, radio and television. Audio and video, producing these things to bring the people in this condition because it's a diet. Through the mind, create you in instability, you can't make decisions, keep you full of fear, keep you indecisive, keep your mind confused so you don't know what is wrong and right with all the pro and con and all the bunch of voices.

Then it becomes the great big platform for all the seducing spirits; the TV evangelists, deceiving the millions. And people are watching it and don't realize why the world shaped so. They think, "well no, it happened just so I guess, I guess these things just

spring up like the mushroom overnight.” No friends. This is a plan; this is a house being built. I don’t even have time.

He says, “*let me show you how Lucifer is building his kingdom and let me show you*” he says on “**One Way Provided by God**”, *that those angels who fell with Lucifer is in those men in that move and they are building. It’ s a construction going on, it’s a world taking form and shape, it’ s a world where sin will be legalized*” the Prophet says, “*and sin is glorified*”. And it’s an age whose tastes have been perverted by all these perverted things, the lie. Because the generation loves the lie more than the truth and they become a product of the lie and their conscience become seared with a hot iron with all the things that they bombarding their minds from small with the very toys.

All these video games; and they say, like it had about fifty new games on what is going on in Iraq. And the games are for little children to see how many Iraqi insurgents you can kill before you complete the mission. And they are pressing the button, [Bro. Vin makes noises like the video games] I run up my score [makes more noises like the video game] I will beat that score, [makes more noises like the game] making mass murderers out of them, serial killers out of them, putting it in their subconscious minds, shaping their minds from small, drunkening them, desensitizing them, holding them in the cage.

Some of you boys who like these things let me tell you, you better know because those things, it is like, how a doctor sits down and can give a woman a child through artificial insemination and before she knows it a baby is growing in her womb and she is going to mother a child. Because they could plant that seed right up into her womb. And Satan could get into the womb of your spirit, the mind and bring his thoughts in a way it looks attractive, he make it popular. You drive down the roads, it is on the billboards, you open the paper, it is right there.

You think that end up in a paper friends? A paper does have so many pages, it has so much news does not make that paper on that day, can’t qualify for a space. To advertise in a newspaper, they advertise by the inch, how big your letters are going to be, how much information you are going to have, because every piece of space there is important. So when you see they are plastering all these images, this is not ending up there by chance friends.

You better wake up, awake thou that sleepest. These things are not a man just talking. The things you hear from November to Wednesday night is not a man just talking. If is a man just talking, everybody knows these things and everybody preaching that. But if these things were under the Seals and hid in the Book and being brought out to recognize the hour and the time and the season so that that day don't come upon you unawares, then that is God who is rich in mercy, coming down to quicken you and raise you up above those trapped in the course of this world and can't come out.

It was like a rescue mission, Mama Eagle sweeping down knowing everybody in that barnyard getting ready to be caged and taken to the slaughter and she now have a little baby down inside of there, she fly down there, he can't get to no barnyard; he can't be part of no slaughter and she sweep down there and get him out and start to fly above those things.

You check the Word friends. I am around you too long for you to think I am a fanatic, because God never ceases to astound you and when you think you have heard, God takes you even further to show you this great mighty God, this God of all power. Just to read something here about how they were experimenting some years ago, way back, 1938 and they was experimenting because the radio, they had no television yet, they had the radio, and they saw this is a medium for mass communication, they had the telegraph and these things but now they have the radio.

I remember as a little boy my father and I and Patrick, we gather under the radio so at 2.00 am in the morning. My father was a cricket fanatic and we are listening to cricket in Australia, Raoul and them there with the Tie Test, and people begin to see the power of this medium.

"They say radio isn't any different in its ability to brain wash a population into submission. 67 years ago six million Americans became unwittingly subjects in an experiment in psychological warfare". You know radio broadcasts in a certain range so in a range of about six million people where that broadcast was going.

"It was the night before Halloween 1938 at 8 pm. The mercury radio on the air began broadcasting Orson Wells radio adaptation of H. G. Wells "War of the Worlds", as is now well known.

The story was presented.....

This is a story about an invasion from outer space.

The story was presented as if it were breaking news with bulleting so realistic that an estimated one million people believed the world was actually under attack by Martians. Of that number thousands succumbed to outright panic, not waiting to hear Wells' explanation at the end of the program that it had all been a Halloween prank, but fleeing into the night to escape the alien invaders".

They present this in this manner that these people will think is news breaking, but in the end the announcer is going to say well this is just Halloween, you know. Well when those people hear news breaking, it showed how people were being cultured so quickly. Now friends if you could have that kind of influence and impact in an age 1938, this is 2008. This is talking about global television, this is over five hundred channels, this is the internet, this is a world where nothing stops, twenty-four hours the market is opened, global market.

When it is night time and people go to sleep in one place, next place is daylight. Next market you go in. This is an age of electronic banking; money is just a blip on the computer screen. This is an age of printed money. The same amount of money you take to print a hundred dollar bill or a thousand dollar bill the same amount of money you take to print the one dollar bill. Same piece of paper, same stamp on it and then that piece of paper, you give that in exchange for stuff.

You work for a man, he hands you a few of that paper. You do something, they hand you some of that paper; but that paper is not good because that paper keeps de-valuing and every time the economy shakes a little bit, they turn the printing press on and print more. Because since they came off the gold and silver and you have nothing to back that piece of paper, then they give you piece of plastic. So you are laboring, they hand you some paper, you throw it in the bank and you are walking around telling yourself you are rich. And you have a book and they send a statement with a different figure on it for you and you say it is there. And you walking around in this illusion world and then each day you find out that same dollar buying less.

But all your work that you work for and all your labor and all these things you put there, that at one time equated to so much of that paper, now that disappear. That's the world friends and finally

they are going to come out now and say, well you know the system can't go that way we have to go back to something substantial because we kind of let this thing get out of hand. And then you start over at zero because now you are coming to a new standard.

It is round the corner friends, it is round the corner. Where have you been trying to get your security? from that statement that comes in the mail, the numbers on it? You have something more than that inside of here? (heart) You have something more than that inside of here? That could buy the oil you need for fuel to go up, to break the law of gravity? That can't buy it.

And they that trust in uncertain riches are pierced through the soul with many sorrows, thinking that gain is godliness but godliness with contentment is great gain, because life does not consist of the abundance of things that a man possess. Man shall not live by bread alone but by every Word. And we have entered into the hour we should be learning to live more by the Word than by trying to continue to live by bread.

Let's stand to our feet. How does people... you see in the last World Cup they had here, in a couple days the whole nation was wearing red. In a couple days people's hopes get so high beyond their wildest dreams. People who could not make anything and who was flat down, get a change in their economy immediately with the red craze in the nation. People were just buying anything red because people in that hour was only seeing red and some people know when this redness is over, I will have a little piece to go back on because the images that start to come through, it put the whole nation in a cloud.

Right there they see the power of media manipulation because the marketers begin to know, keep thing with the "soca" [Local music connected with calypso]. Get all the soca stars to write songs and sing and create something and then start to use the airwaves and before you know it, the whole nation was moving. If you see that right here in a little island 70 by 40 with about two television stations, think, think. What world are you living in, wake up a little bit.

The Word say, *awake thou that sleepest and Christ shall give thee light. Be not unwise but understanding what the will of the Lord is, redeeming the time, because the days are evil. Awake!* Paul says, *it is high time we awake out of our sleep for it is nearer*

than when we first believed. It is nearer than when we first believed. When we first believe we get in little boyhood dreams. Thirty- five years after, we stand in the fulfilling of our dreams, we stand in the midst of an economic recession, it is nearer than when we first believed. Yet thirty- five years ago we could have read in the message there is a squeeze coming. This time is coming upon the face of the whole earth and the famine went into all the world and became so severe.

This is a time friends, you ought to be sober, this is a time you want to, in your heart to know you have this oil. Maybe you should have stocked up with oil. The wise virgins got the vessel and an extra vessel so when they wake up they had an extra vessel and they trimmed their lamps and they filled it and they went in. And the others, their lamps went out and they had no extra vessel and they say, "Give us some of yours, give us some of yours," in panic; they were all together. They were all together, they were all waiting for the Bridegroom together and when they heard the Voice, they all begin to get awake. But some awake to recognize they were unprepared, others awake to recognize that they have what it takes to go in.

And while the wise went in and the door was shut: if that is not the dismissal of the Bride to the palace, then we don't understand the Message. If that is not the hour and the price of oil is so high then we don't understand the Message. If that is not the hour when they are rioting for food because the famine, they want to eat... in Haiti they are eating mud cakes. I hope spiritually they are eating something better than that, because you could have all the Message and be eating mud cakes.

In this hour you want to be eating something that can give you immunity, but you have that, you have that. Do not be caught in a place for he said "*The Bride hath made herself ready*, he said, *and they that were ready went in with the Bridegroom and the door was shut and outside there was weeping and wailing and gnashing of teeth*". And the parable before that one Jesus say, *and blessed is that faithful and wise servant who when the Lord comes: that is the coming of the Lord the Bridegroom, will find that servant giving out the meat in due season*. The spiritual food that is stored up for the time of the famine is being given out in that very hour. That is

when the door close because the Bride is dismissed to the palace in that very hour.

You realize no matter how, which side the Word you go how those thing is showing and pointing out to us where we ought to be now. But you know the beautiful thing in this, prayer, sincere prayer, this little gene in the heart, that God put in you to contact you. You see how you have a phone and somebody says, "Give me your number, give me your number," or they say "I want to talk to you hold this phone", and they can contact you and talk to you. Well God put something in you that He can contact and that will only recognize the Word because that is part of the Word. That is the Word predestinated, this is the Word written for the hour. And that Holy Spirit could only wake up this fellow by that Word and he knows what part of the Word that fellow is.

If you can get sincere here right now before we go to pray, in your heart, when I come back the Lord willing, I will preach the little message God gave me in St. Lucia on that. This is the hour, Dreams and visions, Prophecy, Dimensions, Secure Channel, Hidden Communication, Invisible Union, Head and Body walking together, Pre-eminence and Oversight; this is the hour. All the training and bringing up and that's why these things keep coming, coming, coming like that, because it is coming from somewhere because somebody talking and here the thing receiving. And from the abundance of the heart the mouth speaks.

So you can see where my heart and where my mind is by what I have been speaking to you. And you can see the necessity in this hour, in this late hour the condition you need to be in. The inventory is what you have to make, you look in your heart, you heard the Word this morning.

I know some of you young fellows love your games, but anything in excess is sin. You over eat, is gluttony. You over drink, you become a drunkard. There must be balance. There must be somewhere, where you know what is right and what is wrong. And whatever you are doing you must know why you are doing it and what you hope to get out of it. Because when you know what is right and wrong, you will take in the wrong thing like the man who had wild gourds and pick it up, thinking it is something good, to kill people. And you are going to kill your own self and poison you own self.

You may not realize that but these things are designed to desensitize you. These things are addictive. But the same way you have a physical addiction, it has addiction to your spirit too. Because these things are designed to fascinate the mind and when these things come into you, it creates a passion, an urge and you have to give vent to that urge, and it is a strong urge inside of you, because it is not designed to really be like a game and a toy for fun. It is designed for manipulation because you are living in the mind age.

And now in this age the world comes under the control: Satan takes control of his people. But isn't that the same thing God is doing. Satan only impersonates, God do not want a Christian who goes to church in this age. God say, "I want to walk in your feet, I want to speak through your lips, I want to...."

He say, "Don't come with a justified life, don't come with a sanctified life, don't come with some little sensation and goose bumps. I want to have the pre-eminence, I want to have the oversight, I want to bind you with the chains of my Word and make you a love slave to me. I want to have full pre-eminence, I want all of you. I don't want your pony and your blanket".

Well if Satan is only impersonating God, what do you think he wants: he wants a total prisoner the same way. But the thing between him and God; God give you the opportunity to choose. God wouldn't force Himself on you that way, no. God knows how to attract your attention; He knows how to show his love. But Satan, he will rape you, he will abuse you, he will violate you because he doesn't care about you. When he is finished using you, he throw you away.

Don't hold back on Him today, open your heart, open your heart before Him and you watch and see. He always goes where He is invited and if you constrain Him to come in and abide. He may try to see how bad you really want Him to come in, if is just a little altar call or is a little end of service thing. But if you really want Him to come in, you don't have to come here [at the altar] today, you can stay right where you are today. Stay right where you are today. Where you stand, stand there with a soberness, with a real depth of conviction.

Weigh these words that you have heard. God rich in mercy have quickened you, to raise you up, to take you out of the grip of the

prince of the power of the air, because many are going sweeping through hells gates right now, caught in the net, the whole world. But God wants to bring you up into a divine communication. God wants to open up a new channel of communication. God wants to bring you into joy you have never known. God wants to bring you into fellowship and communion with Him in a way that you say, "Me, God, you want to talk to me". You do not know how much God wants to talk to you.

God want to help you with your finances. Do you think God is interested in helping you to prosper? God want to help you in picking out the right clothes. Do you think God is interested in helping you with that? God want to show you why you choose this and not that. God want to show you and give you faith that He will provide the right person for you, that you don't have to be a temptress or try to be sexy or try to put yourself in a place to attract somebody. No, no, no, no.

You could be somebody with principle, with dignity, you could be somebody to know, "Father, I put my life in your hands. You are able, I believe it, I am going to trust you. I am going to trust you Lord as I see what this world is, as it is exposed to me in the Word, as it being uncovered to me, the sleep that they put the world into, the desensitizing of the people, the drunkening of the nations, the media sexploitation and manipulation, the mind control of a generation".

How come children end up with toys like dinosaurs and tyrannosaurus and four headed monster. How children could end up with that? It's a mind control. How come parents who never played with those things and their father and mother and their grandfather never played with those things, how that could replace a little girl with a little dolly, one to play and even if they want to give her a dolly, they give her a Barbie. A little sex goddess dolly, to manipulate the minds of the little girls, to make them want to dress and expose their body and these things.

You see when you look at it, the more you look at it through the books. Paul made people burn fifty thousand dollars worth of silver in books of magical arts and curious things. Acts 19, a city that was bewitched and gripped by idolatry and demon power. Do you know why? Because the devil work through books! Does God work through a Book?

When Adam and Eve got under the influence of the devil, because remember Adam sold himself completely into it. And they put on those fig leaves and now they had the dress of the devil because God did not inspire that. God rip it off. That inspiration came from the one they were obeying already. He started to dress them. He undressed them from Gods' garment and he dressed them in his thing.

Does the devil work in clothes? Does God work in clothes? Did they take garments from Paul? Did they put it on people? Did the Holy Ghost heal them? Does God work through music? Does the devil work through music too? That's right. God uses music to cast the devil out. Satan own only reverses it, it brings the devils on. Everything God does friends, the devil has a counterfeit.

God had the true religion with Abel. Did Cain have one too? Inspired by the devil! This is the thing; God is breaking that from you. God is waking you up because the people are being controlled. They are being shaped into this.

The school systems, all of these things, that's what the Prophet speak and I have to be careful how I speak with that because we have a lot of believers here and I know they love God and God is in their life. I don't mean them I don't mean, Daniel and they passed tests and they outshine those people. God has his people to stand there. That is where you have a thinking man's filter; you can discern what kind of spirit comes there because science really comes from God, the true science. Because the science Satan has is a perversion of God's science. Satan has nothing original, you know that.

God has the original things and if you love him this morning, if you really believe in your heart, the things that you have heard, my break is coming from today. I preached to you non- stop from November to now, Sunday, Wednesday, Friday, most of the services, about ninety-nine percent of the services. As you get ready to go but hold these things in your heart friends because these are not sermons, this is warnings of the Spirit.

This is the Spirit pointing things out as it is, before it even breaks fully in the world to understand, God is immunizing the church by bringing a repellent. And my precious young brothers and sisters, we had those meetings and we stayed here until 2 a.m. in the morning going through and taking in the Word and God did

a lot for you. But it is not even the beginning of what God wants to do for you because God don't just want to give you a nice blessing, a feeling and some attention, God wants to fill you up, God wants to seal you all.

And just like I preached every crisis that rise, the Holy Ghost in you will give you the strength, will give you the wisdom to deal with your circumstances. You could be a young girl, young sister, young woman, young man there; you could stand with conviction in the Word. This is the hour to seek the Holy Spirit, as I told you all in the meetings; prayer is a very, very important and integral part of your life.

You don't have to be praying on your knees all day but you want to keep in communion with God all day. Whether you are driving your car whether you on your job, you want to guard the things that come out of your mouth because what comes out of your mouth defiles you. Because out of the abundance of the heart the mouth speaketh, you want to see what gets in your heart and you want to give yourself over to God when you hear the Word because this is God's way, you shall know the Truth and the Truth shall make you free.

And God wants to help all of us and I trust that God will send a spirit into the hearts of those in this church, the elders, the fathers, the men in the assembly, the women. We have some dedicated sisters and mothers does get together and prayer in different groups, in different places. Praying for the work, praying for the Saints, praying for families: from what they have been testifying to me, God has been blessing them. Let's stay in the Spirit, let's stay walking in the Word. Just don't get yourself into anything, just let the Dove lead. This is the thing friends; you watch and see, let's be sincere, let's be honest, let's be true to this Word that God will without fail, fill every heart that is willing to believe in Him and empty yourself before Him and give Him His right place.

You believe that? You believe me to be His servant? You believe that Word? Praise God. We want to bow our hearts. Praise His Wonderful Name. I want to call Brother Sanchez to come and pray. Why don't you as a church, in the back, in the rooms wherever you are just take the person hand next to you Amen. Eagle to Eagle. May God give us a real surge this morning before

we leave this place. Let our faith be in Him. He who has called us to walk with Him in this hour. [Brother Sanchez prays].

Amen. Why don't you turn around and greet your brother and sister and tell them God bless them. *Draw me deeper, deeper into your Word of Truth.* May God bless you, give you a wonderful afternoon. May His love abound among us. To all my beloved brothers and sisters in Guyana and all through the islands, remember me to pray for us; as Paul said, "*brethren pray for us that the Word of God be not bound but be loosed and that God deliver us from wicked men, for all men do not have faith,*" Amen. God direct our paths. You may have your seat. Amen as we sing this song, Draw Me from Fear as Brother Ken comes.

Draw me from fear into faithfulness ...
