[#827 You Are My Rock - Songs That Live]

*You are my hope and my inspiration,  
Lord unto You will I cry.*

CHORUS

*I believe in You, believe in You.  
For Your faithful love to me  
You have been my help in times of need.  
Lord unto You will I plead.*

Oh, come on sisters, you sing it. You are the Rock. A Rock in a weary land tonight.

*Oh, come on brothers, You are my hope.  
You are my hope and my inspiration.*

I believe in You.

*I believe in You. Believe in You.  
For Your faithful love to me.*

You have been my help.

*You have been my help in times of need,  
Lord unto You will I plead.*

Hallelujah! Let's bow our heads in prayer as we look unto Him tonight. This Rock we can come to, knowing that Rock is in speaking distance, in hearing distance tonight. You set us upon this Rock that we shall not be moved. Thank You, Jesus.

We bow our heads and close our eyes looking unto Him tonight. Remember it's a blessed privilege, not just to be in His house, but to be gathered in His Presence, to have the privilege of prayer. We could draw near unto Him in a true heart and full assurance of faith. The

Bible says, let us draw near unto Him, let us hold fast the profession of our faith without wavering, knowing that He's faithful who promised. Let us not forsake the assembling of ourselves much more as we see the day approaching.

Almighty God, realizing dear God that You have given unto us this blessed privilege to come and assemble ourselves together, especially in a time like this that we are living in, dear God, where Your Word declares to us that You have descended. You're here among Your people, the great invisible God in another dimension, in a Theophany, moving around the face of the earth, fixing things for Your Coming, moving through the churches, sealing up those that are called out of Pentecostal traditions; those who've gone beyond the camp to recognize the true Atonement in this hour; those that are not ashamed of this Gospel, which is the power of God unto salvation.

What a blessed privilege it is Father. Make that more real to us, even as we assemble here tonight, as we come under this roof, as we come through every veil, as we come right into the August Presence of the Living God that is here. Dear God, realizing Father as we have access to You, an access that You've given unto us by the channel of revelation that You have opened up to us by the very Blood of Jesus Christ, and the Voice of that Blood, the very Holy Spirit that speaketh better Things, the promises of God that are yea and amen, the promises of God that are sure to all His seed, the very promises of God that we will inherit through faith and patience, the very promises of God of which we're persuaded and hold fast to and confess.

Dear God, You're God of the unfailing promise. You will bring these things to pass in the hearts of Your believing children. Whether it is divine healing, whether it is Your divine providence, whatever Your children have need of tonight, whether it is a financial need, or a spiritual need, or material need, it matters not to You,

Father; You are God over every circumstance. Hallelujah! We thank You for that, Lord. Blessed be Your wonderful Name, for You are the One Who said, "Ask anything in My Name and when you stand praying, whatsoever you ask the Father in My Name, and believe that you have received it, you shall have it."

Oh, gracious God, You desired that there would be a people that would believe these Things Father. They would mix it with faith. They would stand, oh God Father, confessing these things; not staggering through unbelief but strong in faith, giving praise and glory unto God; a people who would even believe in hope against hope to show truly that they are Abraham's seed, dear God. Father, how we thank You to be in this Abrahamic Age. We thank You, dear God, that this Abrahamic covenant has been confirmed and re-confirmed again. Hallelujah! You come down and show the very same sign that You gave to Abraham before the world was burned with fire. So You have done the same to us, dear God – to make sure to us, Lord God, we're not believing these things in vain. By a more sure Word of promise, by an oath of confirmation, You put an end of all strife, dear God and truly we are eyewitnesses of Your majesty.

Have Your own blessed way tonight Father. Lead and direct us in the things that You'll have us to say and to do. You know how we rely and depend upon You, knowing oh God, it's not by might, nor by power, but it's by Your Spirit. How, Lord God, we're depending upon Your divine leadership. For truly, oh God, when You can lead us into Your divine, perfect will, then, dear God, those things that we're believing and expecting to receive must happen. It will not fail, for You'll bring it to pass.

Bless each and everyone, Father. May everyone be under Your divine consideration tonight. May there not be one that is lacking in anything that they have need

of and come into Your house believing, mixing that Word with faith.

Oh God, may faith bring them to the power, and surely, dear God, the power of God will produce the promise in their lives to give them a testimony of this Word being made manifest, being interpreted, to show You're not guilty of a breach of promise but that You keep all Your promises Father. Blessed be Your wonderful Name. Truly, You are our Rock. Truly, You are our Salvation. You are our hope. You are our inspiration. We believe in You Lord. We believe in You this evening. Blessed be Your wonderful Name.

Get honor and glory. Show Yourself alive. Manifest Your Presence. Come near me. Take Thou the Bread of Life and break It, Lord. Make Yourself known in the breaking of It. Open the Scriptures and open our understanding we ask, in the Name of Jesus Christ for Your honor and for Your glory. Amen. Amen.

We want to welcome you tonight in the precious Name of the Lord, Jesus Christ. We would like to read out to Deuteronomy Chapter 32. We're going to read from about verse 7.

You all are feeling fine tonight? Amen. We never want to take these times for granted; they are becoming fewer and fewer like the sand in the hourglass. It's all coming down to the last few remaining services we'll have like this. That's why as the days draw nearer, how we want to believe Him for all that He has promised, for one of these days it'll just be finished. The door will be closed. People might go along preaching, might go along having services but there will be no real value to them because as far as God is concerned, it's an everlasting covenant, not an eternal covenant. And when that last one comes in, is splashed under that Blood, comes to the spot, that's it. Then he that is filthy will be filthy still. He that is righteous will be righteous still. He that is holy will be holy still, and that's why it's such a late hour.

And remember, when that door was shut, Noah was still there. Amen. For seven days nothing happened. No one could go in, no one could come out but then, finally, God really did anoint a church. And the thing that he was preaching about happened and the same water that saved him brought judgment upon the world. But God lifted him above the judgment and brought him back into the New World.

And we're living in a time like that, it's coming down to the place. That is why we want to keep in remembrance of the Scripture, of the plan for the Age, of what God had promised. This generation has been warned. This generation has rejected the Message. This world has been cursed; it's been given over to the devil. That's why Satan has his way and God is not going to try to stop him. God gives him his way to bring to pass what God said he was going to do because God has already foretold what the devil will do.

That's why he is doing what he was foretold to do: he will gather the nations; he will bring them under his influence; he will drunken them; they will give their power to him; he will be enthroned over them; he will set down his mark. He will rule this world.

That must come to pass. That cannot be broken but He has also said what He'll do with the Bride. He'll call her out of the system. He'll wash Her in the Water of separation. He'll dress her, and clothe Her, and fill Her. He'll finish the commission with Her. He'll give Her rapturing faith. He'll take her off the face of the earth. That will happen also. That's happening! Amen. So everything is going according to His plan for this Age.

You can't pray, you know, for God to stop the devil from what he's going to do. It's given to him to do what he's going to do. Amen.

Deuteronomy 32 verse 7.

*7 Remember the days of old, consider the years of many generations: ask thy father, and he'll shew thee; thy elders, and they*

*will tell thee. [Remember, consider and ask.]*

*Remember the days of old, consider the years of many generations: [and] ask thy father, and he'll show thee and thy elders, and they will tell thee.*

*<sup>8</sup> When the Most High divided to the nations their inheritance, when He separated the sons of Adam, he set the bounds of the people according to the number of the children of Israel.*

*<sup>9</sup> For the LORD's portion is His people; Jacob is the lot of his inheritance.*

*<sup>8</sup> [The LORD] divided the nations, their inheritance, when He separated the sons of Adam, He set the bounds of the people, according to the number of the children of Israel.*

All the nations that you read of in the Bible and all nations in the earth today, have their relevance in relation to the children of Israel. That's a very deep thought. And Israel, natural Israel, is a type of spiritual Israel and all that is happening, God is permitting it in relation to His purpose, for His elected, chosen people.

Let us pray again. Father, believing that this Wednesday night and especially on a Wednesday night, in the midweek, the people are more relaxed. They come in and they sit Lord, in Your Presence, after working throughout the day and maybe looking forward for the evening shadows to fall. They'll come in Your house and Your Presence will come close to them because it's Supper time, it's Evening time.

Dear God, as we are gathered here this evening, we feel that in this frame of mind and this attitude, it will be better. Sometimes the Sunday mornings are tense, sometimes the sun is hot and the people are all dressed up and they come out to Sunday morning service. Lord God, it's so far easier and a more relaxed attitude and a

relaxed time like this when Your Spirit can move and do something Father, where we're not tense and anxious. Speak to us tonight out of Your Word.

Lift the faith of Your children into the place, dear God, where they can see, they can understand, and they can be enlightened, and they can be strengthened, and the things that they lack in their lives, sitting under the influence of your Holy Spirit, Lord, they could cry, Abba Father. They could call upon Your Name. Your Presence can come close to them. You can give to them that which they have need of, Father. You can help them that they might be better representatives. They might come into the condition, the position, Lord, You've said they'd be in this hour, and you're working to bring them to that spot. May you grant it Father.

Help me and undertake for me in the Name of Jesus Christ, I ask it. Amen. God bless you. You may have your seat. Amen.

We kind of get settled in a little bit and you know it's Wednesday night and I just thought I would sort of, maybe break in a little bit on some things that are kind of piling up on me. I'm just desiring to share some of it, and sort of help the church come to a better understanding of the time that we're living in, and especially seeing the prophecies that are coming to pass. As the Prophet told us, modern events are being made clear by the vindicated prophecies, and this vindicated prophecy was the Book of Revelation, because that was the message of the Seventh Angel. It was a prophecy sealed in symbol. It was a prophecy that was not clear for seven Church Ages. It was a prophecy that was sealed up. It was going to be made known in the end time when the Seventh Angel will begin to sound, then this mystery will be finished.

This Book was going to remain sealed until the end time. And when the Seventh Angel begins to sound at the end of the seventh Age, then God will begin to show to us what He did through seven church Ages. He

would let the Ages unfold, he would let them live out the Ages by faith, many not knowing what Age they were living in, many not understanding the objective of God in that Age. Many living out the mystery by faith. The messengers catching the mystery in part, not fully revealed, and sounding forth that message, catching the Elect and sealing them away.

But in the end time, when the Gentile Church is about to be taken up, then God was going to open these Things to the Church to call out the Elect, separated from the church world, and by these Divinely revealed Mystery-Truths that were sealed up in symbols in the Book of Revelation under Seven Seals, God was going to make this Message known to His Church. And for the first time the Church will be able to look back and know when each Age took place, who was the messenger of that Age, what was God's achievement in that Age, how God built a Bride in those Ages, who the messengers were, what were the battles fought, how the Truth was lost, all these things, how it took place, and then to know that we are at the end, to know that the Bride is being called out and separated and made ready. The time when the Bible says it would be harvest time.

It would be a great gathering time when the wheat would be gathered together and the tares would be gathered together. And the Prophet says some time between the binding of the tares and the revelation of the antichrist the Rapture must take place, and does take place some time between the binding of the tares and the revelation of the antichrist; because the revelation of the antichrist—they looked forward for that day.

And back in the first Age, many were already (even with the messenger on the earth, being present, who had opened up those mysteries from the Book of Daniel), many of them were already misinterpreting the Scriptures and saying that day was at hand. And Paul had to say that day is not at hand yet, and that day will

not come, until there comes the falling away first, and the man of sin would be revealed, and the Lord Himself descending from Heaven, and you see Jesus with His mighty Angels in flaming Fire because Paul had preached that this High Priest had passed into Heaven and had gone into the Holy of holies and will appear a second time without sin unto salvation. And when you see this same Jesus return in like manner, then you know that the time of intercession is over and the time of redemption is being revealed and judgment is setting in.

And so, when they were saying these things, Paul said, "Have you forgotten these things when I was with you, I told you these things; that that day could not come until there comes a falling away first and the man of sin be in the temple and will be worshiped like God?" And he was telling them that because as a Prophet-Messenger, he had that threefold mystery of the Seventh Seal. He had said, "The Lord will descend from Heaven with a Shout, a Voice and a Trumpet." And at that time there'll be living ones on the earth, who'll see that, and they'll not prevent them who are asleep because the dead in Christ shall rise first, and we who are alive and remain shall be caught up together with them to meet the Lord in the air.

So, he knew that Jesus Himself had said that: "When you see the Son of Man come in a Cloud, with power and great glory, look up because your redemption draweth nigh." They had a revelation, "Elijah truly must first come and restore all things," and they knew it was not John. They knew John did not restore all things because Peter said the Heaven must receive Him, until the time of restitution of all things. So they look for it. They expected it. They knew it was going to happen.

And here we are, in this hour, we've seen these things. Have we not seen these things? Do we not understand what that Cloud meant? Wasn't it

identified to us out of the Bible? When the Prophet said look, look to the Unseen and went to Hebrews 9 and took the High Priest coming back out, because one Prophet-Messenger showed he was going in, another Prophet-Messenger after seven drops of Blood was sprinkled, showed he's come back out. Because the Day of Atonement, after seven Sabbaths were run out, in the fiftieth year, that man was waiting there to see the High Priest come back out, and then he blew that Jubilee Trumpet to proclaim the liberty to all the inhabitants. That was a time of going back to your original beginning. Have we not seen these things? Have we not heard these Things? Then we know that we are living in that hour.

What were those things for? To post the Church, to show the Church the junction time, to bring the Church to an understanding of the event of the time, of the junction, that we will begin to know from this moment, these Scriptures are now being fulfilled. That's why the Message has to come, this day is this Scripture fulfilled. This day is this Scripture fulfilled. This day is this Scripture fulfilled; Scriptures that no Church Age messenger could identify in the Church Age as being fulfilled, but now is harvest time. Now, he can say the Church Ages are finished; not Son of God, Son of Man. He could say not Priest, it's Judge. Amen! Hallelujah! He could say, we're turning a corner.

He changed it. He divided the Age. He closed up one Age and he opened up another Age. He said we're not in a Pentecostal Age, we are in the Bride Age. We're not in an Aeroplane Age we are in an Astronaut Age. He was not just saying things, he was posting the Church. He was dividing the Age. He was closing up one Age. He was saying, "All blasphemous names, **THUS SAITH THE LORD**, they are cursed. Come out of her, My people. Flee Babylon as you flee the plague. That is the Mark of The Beast!"

He said, "It is a calling-out Age. That Heavenly Angel," he said, "Revelation 10, has come down Christ impersonated in human flesh to call His Church out." Amen. And a messenger, Elijah, is here to turn the hearts of the children back to the faith of the fathers; to bring us back to the true Atonement, the original Apostolic Faith; to bring us back to one Lord, one faith, one baptism." Is that the Message? Amen.

And God clearly identified, clearly divided these Things, made them plain, and the Holy Spirit came down in vindication to make plain to us it's the Word of prophecy being made more sure, because now, God is confirming It. And it's man to speak a word but is God to confirm the Word. And when the Word becomes confirmed, It's the proven, vindicated Word of God. It becomes Light, and then judgment can come because Light is here. Amen!

What will you do with this Jesus called the Christ? You can put it on them because this is the Light, this is going to judge the world. The Word is vindicated, what they didn't have, that kind of vindication, material signs, Heavenly signs, Supernatural Signs, not in one place but around the world: "Go to the continents. Go to Europe, go to India, go to Africa, go to different places, go to Mexico." Is that right?

An Evening Messenger, whose ministry was told from Genesis 1 to Revelation 22. You get what I am saying? From Genesis 1 to Revelation 22, this Messenger and this Message have been shown in the Bible because this Age was promised, that there would be an Age like this, that there'll be a time coming, the fullness of God would be revealed. The fullness of the Light will come. We would know Who God is, how He works, whether there's one God or whether there are three Gods, which religion is right; we'll know it. There'll be no more guessing because God promised at Evening time it shall be Light.

What a day, friends. What a day. When we've seen what we've seen, when we've seen; when we've heard

what we've heard, when we recognize the Day and we recognize the Message and God's Presence is not unrecognized and God is not misunderstood and the True Sign is not overlooked, then we can get somewhere. Then, we can get into something. We can get into the Exodus. It's a going-out time – the Third Exodus, when the Pillar of Fire has come down to bring His people out of this system and bring them to the promise, take them to the Millennium and to the Great Hereafter, take us to the theophany. Is that what he said the third exodus is? Then we know, beyond the shadow of a doubt, we are being brought into something all these years.

Church, tell me something. How could you sit and hear the Word like what is being said to you, and how much is already said to you in five minutes here already, and people sit and wonder where God is, and if God is doing something, and if the Minister is right with the Word? How could it be?

What was just said in the last five minutes here, it will take you twenty years to understand the fullness of It, and that is not a fanatical statement; but because people sit and they don't listen closely, and they don't watch the accuracy and the precision of the Word, they don't watch the clarity of the Word, they wonder.

And here we are, we know where we are going, we know what we are looking for because you know why? God showed to us what the Bible is. There is nothing under this sun tonight that is not in this Bible.

See, sometimes you don't know what to read because you don't even know how to read the Word: "I open my Bible, I don't know what to read. I'm trying to cut my Bible. Lord, give me a Scripture." You could cut a mirror any way you choose you would see yourself in it. You mean the perfect Light is come and the mist is rolled away and you shall know as you were known and see face to face because that's a prophecy which is identified as being fulfilled under this Message? When

that which is perfect is come, that which is in part shall be done away with. He said you have the perfect interpretation of the Word of God because the same Spirit of infallibility is here again like It was in the first messenger, has come back to bring the interpretation in this hour and it is vindicated, and proving we have the interpretation because God makes it manifest. Think of it.

Maybe the Message might not mean that to you but if that's the Message, if that's proven and vindicated, then you have the Word of God that created the Heavens and the Earth. Then, you tell me you are frustrated? Then, you tell me you can't overcome a mind battle? Then, you tell me you don't have food and clothes and you want to backslide, and you have the Word of God that can produce everything? Amen! I'll tell you what you have. You have amnesia, is what you have but when that amnesia gets rubbed out, when the make-belief gets rubbed out by God taking your soul to something real, into deeper thoughts, into higher objectives, pushing you forward, you could have faith in God, in the God in you. You would see these realities. You would see the Scriptures come to life. You would see the Devil go running when you see your position, know how to stand, know how to work with the Word. Amen.

Then, it's not "I'm in the Message boy. What do you think, boy? You really think we have long again, boy? Oh brother, look where Abraham was walking. Amen. Look where God comes down. How could you read Scriptures like God coming down and said, "Shall I hide? I know what he will do with the Word. I know he'll take these Things and teach His children." And God began to open and God began to make plain until the man was so believing what God was saying, brother, he went to interceding, and God was so right about what he was saying and was pleased with the effect It had

upon the man, God began to bring the man unsaved family out. Amen. God began to bring them out.

When you see that you don't argue and debate and strife and fuss with people. No, you are going to praying for them. They don't even know you are praying for them but you are praying for them. They are tied up in sin but you're praying for them. Amen. Why because you and God are having fellowship, and God reveals to you who you are, what He has given you, what you can claim, what hour it is, you having fellowship with God, you're going to praying (amen!) but of course it takes the Holy Ghost to see the Word like that and walk there.

And that's why you desire the Holy Ghost and you are not carnal and say, "Well I have the Holy Ghost already." And what is it doing for you? You just stop drinking and smoking? You want more of the Holy Ghost every day. You say, "Lord, give me the Holy Ghost again today," because when you say that, you know you're not—you see, some people are so carnal, they think well, if they say, "Lord, I want the Holy Ghost."

God will say, "What are you telling me you want the Holy Ghost for and you got the Holy Ghost already; like you don't know what you have."

Because they are intellectual. Brother, God is not relating to your English, God knows what you mean. Whether you say you want more, or say you want It (amen), God knows what you are talking about. God knows you are a believer. Amen. You don't have to try to impress God. Amen. You just have to be hungry because if you say it and are not hungry, it means nothing either. Blessed are they that hunger and thirst after righteousness, and they obeyed the Word and God gave them the Holy Ghost. Amen. God gave them the Holy Ghost. My! To walk with God, friends, to walk in the Presence of Almighty God.

My little inspiration tonight is "**POWER GIVEN UNTO THE BEAST AND THE IMAGE**"; power given unto them. I get to preaching, and when I get to preaching,

I just ruin everything. I get happy and I just forget my notes because you get into a preaching inspiration. You don't want to say what you come to say, you just preach (amen) because you get in a channel there. So, that's why the Spirit of the prophet has to be subject to the prophet. Amen.

You have to lock that off now and say, you know, there are other things you need to put in. Seeds must go in if there is Rain to come on those Seeds. So you have to do what is required to be done. Amen. All in all, he takes care of everything now. He takes care of everything (see?) because faith, some people's faith can operate things, you know. And sometimes the Prophet can cater to the people because the pull of the people is so strong, he can cater to the people but he has a commission to carry out. Amen.

So, you see how the Word is. You have to know the Word and walk in the Word and operate by the Word and that's what being mature is. That's what growing up is. Growing up, becoming seasoned, becoming tried and tested, that's what sonship is all about. You see, sonship is not a baby you know, it's not birth, it's mature, maturity, sonship, heirship. The child differeth nothing though he's an heir, until the appointed time. He's not going to inherit anything. He's an heir but there's no inheritance until he comes to an age to operate in the inheritance. Amen. My!

If you notice in our Scripture here, "Remember the days of old, consider the years of many generations." That's good advice. Why did God say remember the days of old? Because He's the unchanging God. History repeats itself; there's nothing new under the sun. That which was, is and shall come.

God works in cycles of time. God puts man and gave him so much time and space on the earth; because to every purpose under Heaven, there's a time and there's a season. And so, God set up His economy so people will understand what God is doing, how to come into it,

how to partake of it, how to carry out God's service, how to fulfill God's responsibility. God laid it out in the Word that you can know these things.

It's like a big house that an architect designed and he put that maybe on a corner or wherever four ways meet, and he says, "You can come in this entrance here, you can come in this entrance here, you can come in this entrance here, and you can come in from this side here. Like how they had the Tabernacle set up, there were four ways: you could come east, west, north and south. And they camped and God was in the midst. And so, God has things set up, that you can know how to access the Things of God.

You can know what Age you are living in and what is promised in the Age because God made everything off of a pattern because it wasn't just...God didn't just react, or like a vaps [a spontaneous decision -Ed.] hit him and he did something. No, no, no, God had a thought. God fellowships with His thoughts. God desires to do His thing a certain way characteristic of Himself that whenever He's done, you see God's signature in it. You know nobody else can do that but God. Even when He was in flesh He did it in a certain fashion, the Bible says. See, God does things.

You see how many impersonators try to rise up and impersonate the Prophet but whenever you see it real, it's different. It's things the impersonator can't get into that the real one has. See? He does it characteristic of Himself.

And so, when we look at the principles of God as is being made plain to us in the Bible, then you begin to understand your Age, your time, and how God is working in your time, and what God wants to achieve in your time. And wouldn't that be nice tonight that we all could be walking illuminated with this kind of understanding: I know what God wants done in my life. I know my objectives. I know my purpose. I know what I must do. I know what I must not do. I know how the

enemy is going to work to try to hinder me. I know what I need to be on guard off. I know what kind of discernment I need to have. I know what type of resistance I need to put against the devil. I know he'll have to flee from me because according to the Word, if I approach that Word right and work with that Word, he cannot have dominion over me. Sin shall have no dominion over me.

If the Word says that, there's a way to live in that. If the Word says I'll rise in the newness of life and I serve God, not after the oldness of the letter but the newness of the Spirit, there's a way for me to live in that and stay in that. If God says, there's a place where there is no condemnation, there is a place for me to live inside of there. If God says these things can't separate me from the love of God in Christ Jesus, there is a way for me to stay in there and have control over every circumstance.

If the Word of God says, I can do all things through Christ that strengtheneth me and I understand that and understand how to work with that and understand how to live in the enjoyment of that, brother, I will not have to complain and murmur and feel helpless. I know God and I are in union, I can do all things. Amen?

What a place to walk with God. That sounds better than just coming to Church to me. It sounds better that if I come to church is there I want to get at. I don't want to reach as far as Church and then get happy that I didn't miss a church service. You know what I mean. I want to get up There. Wouldn't you like to get up There? Isn't that the place you want to live tonight? Amen.

Well you know when you come to church you could have these things. You see, then you have to hide nothing. You don't have to be fearful of anything. You'll live in a place where there's no torment. Wouldn't that be nice? Well, you could have that. Ask God for that while I'm saying it. Say, "Lord, I want that. I desire that. I believe that. That's for me, Lord. You're telling me what is mine. Let him keep speaking. Let him keep

making it plain, and give me grace to keep walking inside of there, Father. Then I'll serve You. My light will shine brightly.

You see, sometimes it's right there for you and you are in the service but you don't even know how to come into it yet, even though you are right there and hearing It, sometimes. That's why the boy had to read...he said Sir, read Your Name inside of it. He said make it yours personally.

And if I look this way and don't look here that doesn't mean I'm not talking to you, you know? You stay right there and say, "That's me! That's me!" because you are pulling the Word. Amen.

So, in this principle here, God is saying, "When the Most High divided the nations their inheritance." God was bringing Israel out of Egypt under the message of a prophet, to do what? Bring them into their inheritance, to divide the land for them as an inheritance. Is that right? Until every individual, and as we found Sunday with those girls, even they had an inheritance. [Numbers 27:1-7 -Ed.] When they saw that even with God through the prophet gave that not the full light on that part of the Word. How many know the Message is the same way? There are many, many things, we have to go back to God to get light on It, you know because when you search eleven hundred and twenty-six tapes, you can't find where the Prophet says certain things, you know.

He mentions Esther's name about twice in the whole eleven hundred and twenty-six tapes but you keep going back to God. He let an amateur astronomer—He sent that light that was coming from one hundred and seventy thousand light-years away, come right through the man lens of his telescope. Could you imagine that? Something out in the Galaxy. Think how big the world is and that man was in the right place, where that light had been traveling? Who made the man go up that day when that light reached earth's atmosphere and to penetrate that little lens and then directs the man back

into every astronomical chart and finds out there's not one man, not one commentator in that first Bible ever recorded that thing? You get what I'm saying?

Well, it's so God lets you find things in the Book because the Prophet says, "I'll give you sermons to dovetail all Scripture," because the Message is not intended to explain everything. He said, one of these Seals you can't finish It. One of these—he said, any Scripture, if you are really inspired, one Scripture will tie the whole Bible together. That is an Eternal Word. So think of it.

So, God here is saying, He says in the days of old, considering the years of many generations. When the Most High, divided the nations their inheritance. God was giving Israel a portion. How many know Israel has a fixed inheritance; that God told Abraham, "From the Lebanon to the going down of the Sun, to the River Euphrates, shall be your Coast: all the land of the Hittite, all the land of the Canaanite, all the land of the Jebusites, all this land"? And God fixed it, and Abraham knew it.

And when Joshua was coming in, things that God told Abraham that day when He said walk in the land, length and breadth... Now, follow me closely, I'm in Prophecy. What is the trouble in the Middle East? Land. What is the pressure on Israel? The world claiming Israel cannot make Jerusalem the capital. The Palestinians want theirs for the capital. The Pope says it should be an international capital because that city is tied to Jews, Muslims, and Christians, and so, one nation cannot just take sovereignty over it. And now, to prove that the world is anointed of the Devil, all who claim they are Christian nations and remember, every Christian nation is lost because they rejected this Message.

How many know the Prophet said every Gentile nation that is Christian is past redemption? He said, "There's no more national repentances, there is no more

national deliverance.” Long ago God used to deliver them by the Cities; you know that. He used to judge them by the cities too. He used to judge them by the nations but now, He judges the whole world.

You know there was a time the Earth only had one city; that’s the one Cain built. You know six thousand years after, the whole world is populated and cities are all over the world, built by the same inspiration, of the same tree. And how many know in the middle of the Bible, Satan tells Jesus... he said, “All this is mine.” And Jesus didn’t argue whose it was. See.

The end of the Bible tells you the kingdoms of this world become the Kingdom of the Lord and His Christ. That’s why when the Rock cut without hands came, It crushed, It smote, It destroyed the kingdoms that man built, and drove it away, and then that Rock grows into a great Kingdom, that the Kingdom of God can remain. Well that Kingdom that is coming, even literally, of which we would be part, we have received That in revelation already. “We have received a Kingdom that cannot be removed,” the Bible said. When the shaking time starts, when everything that is shaken will be shaken, let those that cannot be shaken may remain and that’s under this Message. How many know that? That’s the showdown it’s coming to.

As you go from nation to nation, you find a group of people like us who received this Message, and when you receive this Message, this Message separates us, and we become a nation in a nation. Like some people came by my house Saturday (I think it was), going around for Election but when they came all you know, Renzy [Bro. Jeffery Sanchez -Ed.] and they began to talk to them. They said, “No, send the man of the house out.” I said... I didn’t want to go but then I said, “Okay, let me go,” because they all stood up there. I walked outside and a few ladies and some men, and then by the next house across the street was the candidate for the party that was there trying to get my support.

It wasn't five minutes, they realized to deal with me, they don't have the ammunition to deal with me. They were all agreeing with me. In five minutes they were agreeing with me. So when they were getting ready to leave, here comes the candidate, a doctor, a Syrian doctor. He came over, gave his name, his credentials on who he was. Bro. Stewart had pulled up at the same time and he too realized he might be a good Syrian Doctor in his profession, but to deal with the revealed Word of the hour, even the Devil trembles. So, he too started to criticize his own party. He started to criticize his own party.

You know, it's just something about the Word for the hour because you realize a lot of people outside are just influenced into things. And the thing they're influenced in, they themselves don't even know it. But the reason they're influenced by it is because they are all being manipulated. You see it's because education is not revelation, it's not wisdom, understanding of the things of God. That is just things you cram, and you learn, you recite and you fill up yourself with. But when somebody begins to talk common sense to you and put things in place, you realize what you are talking about because they came to me to vote. So I said, "The nation is sold out already. So he started to agree with me. He said, "Yes, yes, yes."

I said, "And no party coming back in could get it back out when it was sold out, and what was signed in the agreement, every Government that comes in after, has to continue with the same thing. These things don't change."

So right there they realized I knew more than what they anticipated. They looked for a next name. So they said, "But look we have Your Name here on the sheet."

I said, "The next party has my name on the sheet too. You have access to information, national information: I.D. card and everything else, you know, local registration. You have access to that but it means

nothing.” I said, “I’m a Christian.” I said, “This world is gone. I’m looking for another Kingdom.” See, I’m a delegate of *that* Kingdom.

In that Kingdom, whiskey isn’t legalized. In that Kingdom has no horse racing and gambling. In that Kingdom has no brothel, it has no prostitutes. In that Kingdom has no fetes (amen!) and that has been made real in this hour. The very Word has raised us up to that realization.

And for some of you politicians who like to talk about civic duty, your civic duty, what is your civic duty? You have to belong to here to have civic duty because God already called us out, and raised us to live in another Economy. They don’t feed you but if you are seeing them feeding you, it’s up to you. You are giving them eight hours, a day’s work. When people are doing all kinds of bobol [Trini slang for corruption. -Ed.] and different things, you doing eight hours’ work as a Christian, without eye-service and you’re underpaid. Amen. Because you know something, they make the costs of living higher than your earnings. You don’t know that? And the bank is only lending you money to keep you in debt. That is what the Message is calling you out off, to walk in the woods and say, “Let there be a squirrel.” Amen. That’s where God wants to make you walk. That’s the place God wants to raise you up to.

Oh brother, but you see, when some of you, you can’t see clearly what is coming. And how far this lion is creeping up, creeping up, creeping up and you only getting nervous, nervous and flusterated and don’t know it’s the danger of the Age, the deception of the Age that you can’t see but something in you can feel it.

The same way the sheep can’t see the lion but the sheep has something to detect danger, and the danger has intent. But the doctor tells you, “Take a tranquilizer, it’s stress, and pressure, and tension,” but the sheep has no doctor to go to, to tell it that. But the

sheep knows, "Something has me uneasy." There is a danger that wants to destroy the sheep.

If you had lived in your provided way like the sheep lives in his provided way, nobody would have confused you with the stress of the Age and pressure. You will know it's the devil in the system, disguised, masked himself, that is coming to take over the whole world, to bring you into false worship, to take you into slavery and lock you up in a system, and make you worship him. And that is real; that is the Bible. That is prophecy for the hour. That is the revelation of the Word. That is the facts in the Bible.

That is not just a bunch of ignoramuses just jumping around and making a lot of noises, and laughing, and then going to get scared and run afterward. That's the revelation of the Word that shows us, brother, from the very beginning what the plan of the devil was, what the purpose of Lucifer was. That's the Seven Seals that uncovered the schemes of the enemy to show how he's working to achieve great success to fulfill his 'I wills'.

God divided that land for Israel. God divided every nation that existed because God wanted it there. God permitted it there. Could you imagine that? It says, "*When the Most High divided to the nations their inheritance,*" God opened that up to Daniel. God showed Daniel there was going to be four kingdoms. Napoleon tried to make it five but he met his 'Waterloo'. Hitler tried to make it six and he too, failed.

The allied nations come together. Good and evil came together to destroy that very thing. And after the war, the Communists went their way, Stalin went his way, Roosevelt went his way, Churchill went his way but they came together to fight that 'Satan' with a little mustache called Hitler because they realize if they didn't stop him, he would have taken over the whole world. The Scripture could not be broken; there was only going to be four and God named them. God said they are going to exist. They may get great, they may have power and

influence in the earth but there will only be four empires.

And the thing is, God showed the order they were going to come in; who was going to come first, who was going to come second, who was going to come third; the last one, how he's going to be wounded to death. And when the Turks and they thought, all those pagans and barbarians thought that they were going to conquer them, brother, somehow that thing is going to revive. Amen because it was ordained to come to the end where it is going to have ten toes, that when that Rock cut without hands come, when Jesus returns, that will be the Power that will be ruling on the earth. God said it. Is that right?

Each one had their inheritance, and God said Babylon will come first, will be the world power, and Babylon, catch this, we're getting into Prophecy here, some deep Things. Babylon came into world prominence and became a world power tied to Israel. It was the capturing of Israel. It was the conquest of Israel. It was the breaking of the Jewish nation and taking them to the '*land of traffick*', into Babylon. [Ezekiel 17:4 -Ed.]

How many remember my message, on The Eagle and the Two Cedar Trees. The king of Babylon came to Jerusalem earlier this year, took them to the '*land of traffick*' because Ezekiel was in the time of Jeremiah and them. Ezekiel was in the time of Daniel, Ezekiel was in the time of Nebuchadnezzar and the conquest.

Ezekiel was living in the time of the beginning of the Gentile dispensation. And the beginning of the Gentile dispensation speaks of Gentile nations having dominion over Israel because Jesus said, Israel shall be trodden down of the Gentiles until the times of the Gentiles be fulfilled. [Luke 21:24 -Ed.] And God showed Daniel the time of the Gentile constitutes, Babylon, Medes and Persians, Greece and Rome.

The fifth kingdom was going to be the Heavenly Kingdom, the Rock cut without hands. When he leaves His Father's Throne to gather His redeemed subjects and take His own Throne. When we receive a Kingdom that cannot be removed, when you see the Son of Man coming in a Cloud, look up and lift up your head, you know the Kingdom of God is at hand.

When you see the Seventh Seal Book opens, he's getting ready to take His Throne because in the last Age, you'll sit with Me in My Throne as I overcame and sit in My Father's Throne for seven Church Ages. [Revelation 3:21 -Ed.] Amen?

When that time comes, that's the time we are in friends, that is the time this Message has brought us unto. That's why a Prophet preached and said, "Shalom, the morning star is here." Peace, a thousand years of Shalom where this mortal will put on immortality; (is that right?) where Jehovah-Shalom appears, the great JVHU in the skies; where there is going to be union, peace, of twain making one – God and His Church is going to be married and become one. That's why He calls it the marriage of the Lamb because it is through His Blood union is established. It was blood that separated man from God. It's Blood that'll unite man and God together again. Think of it.

So, we're in that time, and here, in this time, I want you to notice how power is given to nations. A life span is given to nations, a time is given to nations, conquest is given to nations, God gave it to them. God said Babylon was going to be the head of the world in that day, no other nation could contest for that place. When God was saying those things, it had nations as big as Babylon and looking bigger, but the thing is, God said, this one is going to win the race. This is the one going to take that place. This one will go into world power. This is the one that is going to control all the world's trade, politics, economics, everything.

Did God say that in the last days too? And it is given to the Beast to reign for forty-two months, and it is given to the Beast to make war with the saints and overcome them. And the key to the bottomless pit was given to that Fallen Star. It was given to them. And it was given him a sword to take peace from the earth. It is given to them. It is permitted by God.

And God was saying *the Most High divided the nations their inheritance*. God said the nations that Babylon is going to fall to because the Medes and Persians are going to overcome them. The same way God tells a man he's going to die, he said, "Paul, they'll cut your head off. Peter, they'll crucify you. You'll die that way. When you get old, you are not going to die a young man; when you get old, another will take you where you don't want to go, and another will gird thee, and your hand will be outstretched. And the Bible said, "This he understood by which death he must glorify God." Brother, they couldn't poison him, chariot can't run him over because God already specified how he's going to die.

God said no nation is going to conquer Babylon except the Medes and the Persians. The one that is going to succeed as a power – Cyrus My servant. God let that man discover the way to come into Babylon – divert the riverbed. When the city could not be taken by the greatest army. That's why Belshazzar had a feast, a party, while the siege was going on. He said, "Butt your heads out there." And to humiliate them, he put on the biggest fete Babylon ever had that very night, in contempt and disgust and disregard to any army trying to oppose him because Babylon was designed. They had enough food for years and years and years to stay inside of there. And the wall was so big, brother, you could run chariot races around that wall. Think of it.

Yet, God said they are going down. Yet, man thought (now follow me closely), that they could use science and technology and build a defense to secure themselves

from another nation that doesn't seem to be in their league as a threat, and an opposition.

Just like Goliath thought David was no opposition, and no threat, and like David didn't even have the skill and the equipment and the experience even to come on a battlefield with him. Just like the U.S. think with all their Star Wars, and all their satellites in space, and all the different things, how is that bomb going to hit them?

When they are displaying their superiority and their might with all their smart bombs, and all their missiles, and all the different technology, and the Hubble telescopes, looking way to the edge of space and all these things; and the nation learned to trust in the achievement of man, and pride set in and lifts themselves up and exalts themselves that they are more superior, they are better, they are more secure, they are more advanced, they are the leaders, so they don't ask, they tell, they dominate.

And the same way as a nation, is a family, is a city, is a man, a woman, same way because remember, a nation, a world, is only one man multiplied. Amen? The world started with one man. One man is a miniature world. God showed Daniel, Greece didn't even come up as a world power yet. He said that he-goat is coming for this Ram and it is going to come from the east to destroy this Ram. It has a horn, a strong horn which is Alexander the Great. A man, who was catching military inspiration beyond what men had known in that time. The Prophet said, after Joshua, he was the greatest because at thirty-three the man conquered the world and there was nothing left to conquer; but Jesus conquered both worlds, seen and unseen and at thirty-three Himself and rose triumphantly, conquering Death and Hell and the grave. Amen. Think of it!

See, and God gives the nations their place just like America, the same Bible that talks about the Ram, and the he-goat, and the lion, and the leopard, said, and a beast came out of the earth too, that was not inhabited,

the earth, not water but the earth, America and her two horns like a lamb but it spoke like a dragon after. The same God and it will take the same Spirit of Prophecy that was in Daniel and them, like was in Jeremiah and those Hebrew boys at the beginning of the Gentile dispensation. It will take that same kind of Spirit at the end of the Gentile dispensation.

And the same way Gabriel came to give skill and wisdom to consider the matter and understand the vision, the Holy Ghost will come in the last days to the Church to give skill and understanding to get the Church ready to go out the same way. Amen.

And the church will be on their toes, watching the modern events, watching the prophecies unfold. Signs of the times are everywhere and there is a brand-new feeling in the air. Just any day now, my Lord is coming. He'll be returning for you and me. Oh, I'm watching and waiting. And I'm like a watchman on the tower, I want to be looking out there brother, that telescopic sight (amen) and give the city a warning.

"He separated the sons of Adam," Jeremiah was saying. Jeremiah looked back in Genesis 10 when God separated them, the nations, at Babel and sent them to different parts of the world, and the earth broke up and the landmass pulled apart into seven continents. Think of it. And people began to multiply in their own tongue and their own language, with their own talents and what they were able to achieve in their own environment. That's History and Geography, you know that? You study Geography, you will find the earth was one mass that broke up. You study the history, you are going to find out people migrate, go into different lands, get different colors, eating different foods, living in different climates and different things; you will find it.

But it is in the Bible first and Jeremiah is looking back there and saying God did that. God put the Eskimo in Greenland. God put Maori up in New Zealand. God put the Polynesians down in the South.

God put the Chinese in China. God put the Indians in India. God put the Africans in Africa. God put the Europeans in Europe. God separated them and established their boundary, making one, Spanish; one, French; one, Czech; one, Pole; one, Italian; God separated them. God put the Arawaks and the Caribs in Trinidad and when Columbus came, he found them here. God put the Vikings up in Norway and up in Iceland. God put them there. He separated them, set the bounds of the people. God set the bounds of the people.

Many times you go away and they say, “How big is Trinidad?”

“Seventy miles by forty miles.”

“How many people do you all have in that place? What is the size of the population?”

“About 1.3 million.”

They taught us all this. You know why? Our bounds are set. If it had a bigger landmass, we would have had more miles. If water didn’t cover up some and we dredge it and we drive the sea back, we could reclaim some land. But God set our bounds. God set the bounds for the planet. You know that?

Do you know the Earth orbits in a certain realm? Do you know, the Sun orbits in a certain course? Do you know the certain Stars in the constellation orbits in its own galaxy? Sure, everything God sets the bounds. Do you know in your life, God set your bounds too? Sure! God fixes you in a neighborhood. Do you think you get there by chance? God fixes you in a certain job. God fixes you in a certain place. You travel, some of you travel from Port of Spain to go Point [Point Fortin –Ed.]. Some of you travel from San Fernando to go to Arima. Some of you travel from Arima to go somewhere else. You couldn’t stay and work right where, in your own locality. God says what kind of work you’re going to do, where you are going to get that employment, where you are going to go in that place. And that is why when

you're travelling, you know God set your bounds, be observant. Don't just complain and murmur.

Learn to say, "God, You fix my bounds. You sending me here has something here that I can learn. There's a reason for that because You guide me. You didn't put a human being, man, in Your own image and likeness, and You put us to travel a certain route every day; there are lessons here for me that I can learn of You because this is the environment You want me in."

You know, certain types of birds, God set their bounds that when winter comes, they have to fly to a warm place, and though there are warm places because of their range and their capabilities and what they need to feed on and what they navigate by, they fly a certain course, not just any course? You get that?

And that is what I say many times, you know, where I live, from my wall to my wire fence must be about five feet or four and a half feet. Behind that fence is a vacant piece of land. One day I sat down and said, "Hey, I was a few weeks ago walking, up in the Scandinavian Countries, way up in the mountaintop in Norway and I never went behind that five feet yet, and I have been living here for fourteen years." I said, "My goodness!" And I caught something and I started to think of people, and the world.

They were born here, they go to school here, they work here, they shop here, and they go to church here, [Bro. Vin maps out their points of activity -Ed.] and you draw a circle. And they are doing that for the last sixty years, fifty years, forty years, and then you start to identify the people in that world that are important to them. And you bring down their world to about twenty-five miles and about fifteen people.

And that is their life for the last... Yet, inside of there, every other thing comes in either by book, by television, by radio, some channel of communication that they learn outside of that realm. But that is the realm where the activity is. That is the realm where they occupy.

That is the realm where they spend their life. You get that? He establishes your boundary.

He put a fear in some of you for a plane, so you don't want to fly and that is because where he set your boundary there, he doesn't want you to go, and some try to go and they get swallowed up because the boundary, they perish, they fall off their galaxy into a black hole. That is a deep thing you know. You go out in the States and Canada and you meet them. They are wandering Stars; they are not in a course anymore.

They wander into this, they wander into that, they wander into this, they're wandering here, they drift there, they no longer have any gravitational pull to hold them because somehow, they went beyond their galaxy. They went beyond their Solar System. They went out of God's purpose just like when Naomi and they got out of their course and they crossed the line between Israel and Moab. And from the time they went through that black hole, death, famine, everything, heartache, family starts to go, trouble starts to hit them.

Abraham, brother, crossed that line and went into Egypt and went into that black hole, ended up there, started to wander, lie, get into this...it always happens. And then you start to get back and you start to learn the will of God, you start to learn your boundaries, you start to learn where you have power, where you could have influence, where you could be a blessing.

Remember Uzziah? Uzziah crossed the line between king and priest and fell through a black hole and stood up out here in no man's land, and those priests trying to get him back and brother, when he got there, he was—over here he might have been a nice man, a peaceable man. He and those priests might have laughed and talked and ate together and had good fun; but that day, when he went there, he looked at those same priests as if they were trying to stop him from the will of God, and God wants to bless him, and it's a big thing he has, and he has the leading of God. And where

he was those priests couldn't get him anymore. He was drifting straight into leprosy to die in the lepers' house with leprosy in his head for rejecting the Word of the Exodus prophet spoken to him by a God-ordained priest. Sure!

God set the boundaries of the nations. He set your boundaries tonight. Ask your Father, your Father is telling you. Ask the elders, the elders are telling you, telling you about Abraham, telling you about Uzziah, telling you about Naomi and Elimelech. Telling you in the days of old, years of many generations, and telling you He is still the same today.

He set the bounds of his people. Look at each Age, God says this Age, it is going to die. You know, God foretold the second Age while the first Age was going on? You know what that meant? That Age is going to die. It has to die and finish. You know God had told the third and fourth and fifth and sixth and seventh Age right there, and God told every Age, all the way to the New Heaven and the New Earth in the Book of Revelation? What if the third Age never died? Think of it.

And when the Prophet said, 53 to 170, 170 to 312, 312 to 606, 606 to 1520, 1520 to 1750, 1750 to 1906," God was telling the time of the death and that Age died, a plague hit it. Is that right? The next man rose and was catching more Truth, proclaiming another Message, sealed away the Elect. Plagues fell upon them, the church died. People start to organize, talking about God but only with form and ritual, no life, looking backwards to what God did in a past Age and couldn't say what he is doing in the present tense – died.

Then, you see the same thing with a man too. Is that right? Jeremiah 27, we'll read that and close. Walk consciously in this hour. Walk knowing the hour we're living in friends. Walk knowing, that it is not an Age to guess.

From that one Scripture in Deuteronomy, I showed you the same God who fixed Israel's inheritance.

Remember, when they were stopping short in Joshua 13, God said, “There remaineth yet very much land to be possessed,” and God started to name the districts and the areas. Saying, “You all haven’t got all that yet and you want to rest?” He said I gave you that, that, that, that, that, and God named everything and gave them because that was where their boundary was set. In Exodus 23, God said, “I have set thy bounds.”

Isn’t the Church’s boundary set? Didn’t God say, we who are alive, will come into a rapturing faith once this Message opens up, it is going to show us how to prepare? Didn’t the Word say, once this Message opens up and the Holy Ghost is loosed, Christ will write another Book of Acts? Didn’t He say a Church will come to maturity in this hour, with a ripened faith, that this mortal will put on immortality? Didn’t God say that?

Then, if God set our boundary in this Age, that is not for the Jewish Age? That will happen on this side of the Rapture for us to go. So then, if our boundaries are set, when He placed us in the Word, He didn’t place us in the first Age, second Age, or third Age, he put us in this Age, he put us in the Rapture Age. He put us in the Age of the opening of the Seals. He put us in the Age that Elijah came in before the Earth burns with fire. And when He fixed us in the Word, He gave to us our Scriptures – Abraham and Sarah (is that right) being changed; Ruth comes into full redemption; Esther. He gives us our Scriptures and shows us our boundaries. Power was given unto the Bride but there was power given to the Beast and the image. That’s what I’m talking about.

Jeremiah 27,

*<sup>1</sup> In the beginning of the reign of Jehoiakim, the son of Josiah, king of Judah, came this word unto Jeremiah from the LORD, saying,*

Where is the Word coming from? the Lord. Who’s it coming to? Jeremiah. When is it coming? In the reign

of Jehoiakim, son of Josiah, king of Judah? That comes just like I am saying the Word is coming from the Lord, in the time when Panday is the Prime Minister. It's the same thing. Sure, on a national level, it isn't different.

*<sup>2</sup> Thus saith the LORD to me; make thee bonds and yokes, and put them upon thy neck,*

*<sup>3</sup> And send them to the king of Edom, and to the king of Moab, and to the king the Ammonites, and to the king of Tyrus, and to the king of Zidon, by the hand of the messengers which come to Jerusalem unto Zedekiah king of Judah;*

You get that? Jeremiah had stood up and said Nebuchadnezzar was coming to take them into captivity. Do you know what Zedekiah said? "Over my dead body." So he started to call up for all the help, and he called up the king of Edom, and he called the king Moab, and he called the king of Ammon, and he called the king of Tyrus, and he called the king of Zidon, asking them for help, so he could fortify himself, that when Nebuchadnezzar and they come with that invasion, they can't take him.

So God said, "These nations want to come up to help you and I already put a curse on him?" He said, "Take a yoke and send it to all of them. When they bring their messengers to Zedekiah, give each one of them a yoke. Let them understand, they want to get involved in something and what they are trying to get involved in, they don't know that I have already spoken, and they will know that. You are my vindicated prophet and My Word comes through you."

You could imagine a Prophet already cursed this earth and said it'll be burnt after this Elijah, and man telling you about they cleaning up the air, and they're inventing this and that, and now we are going to colonize Mars. And people want to listen to that and God already talked through a Prophet and confirmed

that's the Mouth of God talked and the man already threw the Rock up and God, coming in a whirlwind, lightning, thunder, voices, and earthquake, and God said California is going down, and then people want to, you know...

He said, "Rome is going to rule the world." And then, all the denominational ministers are saying, "No, that can't be. Catholics getting saved, the ecumenical move, they are singing the Blood songs now and getting the Holy Ghost. William Branham is a false Prophet!"

Aha? Brother, let me tell you, when that Prophet said they were finished, they were finished. They could look alive as alive could be, they're as dead as dead could be. The thing is, you have to know who William Branham was and Who spoke through him. And if that was in the Bible, and that man found his place and was confirmed by God, then that Cloud wasn't a kind of hocus-pocus thing over the man, and the Sword in the man's hand wasn't a kind of phenomenon happened, and the Whirlwind that came down, and the discernment weren't any luck or any certain thing he had that made him a mystic. That was God confirming in judgment signs, confirming a commission, confirming the Bible, proving these Things night after night, because God had promised He would do that in this hour before He destroys this world.

And those things had happened, and so, this king, Zedekiah, who was the king, he was sending all those things to these people for help, and God saw what he was doing, because no man likes to see themselves judged.

*<sup>4</sup> And command them to say unto their masters. Thus saith the Lord of hosts, the God of Israel, thus shall you say unto your masters,*

*<sup>5</sup> I have made the earth, the man and the beast...*

God tells Jeremiah, “Give each one a yoke, all those ambassadors who come to the Summit. Go down with about...” [let me see 1, 2, 3, 4, 5] “Go with five yokes. Rent an ox cart, carry down the five yokes, stand in front of the building where they are going to have the big Summit and study how they are going to have strategic defense for the Babylonian invasions when they get all the Generals, how they will divert the Babylonians from taking their country and, ‘This Jeremiah, his prophecy, what he got up there and prophesied was a waste. We’re not going to take him on at all.’” God says, “Jeremiah, you go down there and you give each one of those Ambassadors a yoke and tell them to go back to their country and tell their master that the one who sent this yoke is God who made this Planet. And God Who made man, and God Who made the beast that are upon the ground, by My great power, and by My outstretched arm and hath given it unto whom it seemeth meet unto Me.” He said, “You all say, Babylon can’t rule?” God said, “I gave it to Babylon already and I say this is the hour they are going to come in and be the World Power. And I say they’ll control all commerce, and all trade, and I say they’ll capture America’s money. They will capture Russia’s money. They are going to break the Asian tigers and they are going to tie up the Jews’ money and break their covenant and trap the Jews. I said that and that’s what they’ll do. And forget what economist and what the scientist and what religious theologians say. My Prophet has already spoken.”

*... and have given it unto whom it seemed meet unto me.*

*<sup>6</sup> And now have I given all these lands into the hands of Nebuchadnezzar the king of Babylon, my servant and the beasts of the field have I given him also, to serve him.*

*<sup>7</sup> And all nations [every nation, kindred, tongue and tribe] shall serve him and his son and his son's son.*

What is God doing? God is showing that kingdom is going to run to his grandson and can't be broken; it'll be strong until the grandson, until Belshazzar and Belshazzar will be the one to do something to get Me vexed, and then I will give it to the Medes and Persians. I will come down and write with My own finger on the wall – mene, mene, tekem, upharsin. I will have one man on the earth who can interpret that unknown language and speak, and say what it means, to show them the hour it is.

*<sup>7</sup> All nations shall serve him, his son and his son's son, until the very time of his land come:*

His land had an allotted time. Every man had an allotted time. Every Age has an allotted time; every nation has an allotted time.

*...and then many nations and great Kings shall serve themselves of him...*

He'll get great, he'll get powerful and then when the time comes, I'll give him a dream and show him in the court of the watchers. Just like Jehu, I'll give him four generations and then, in the days of Jeroboam too, I'll require the blood of Jezreel at their hand because he served Me not with a right heart. God blesses a man, God uses a man, God gives a man a space of time. God lets a man run his course and the day God says I'm taking this card off the rack, there's nobody on planet Earth, in Heaven and under the Earth could stop that thing from coming to pass.

The same way, when God said, "This Message, it'll go into the ends of the Earth, it will find the Elect. It'll get the Elect ready, there's no way it could have an Elect hiding and this Message, can't find them. You get that too?

And when God said the Elect will get the faith in this Message because rapturing faith lays inside of here that will change them, nobody could stop the Revelation from coming to that Elect. They will nurse from the El Shaddai, all the way to a new body, like Abraham nursed from The Breasted One to a new body. Exactly right.

They could hate him, they could throw him in a pit, they could sell him to slavery, and they could do what they want. The vision will come to pass, in the appointed time. Watch the sovereignty of God here.

And God said,

*...then many nations and great Kings shall serve themselves of him.*

*<sup>8</sup> And it shall come to pass, that the nation and Kingdom which will not serve this same Nebuchadnezzar the King of Babylon.*

Now, I'm only using this second Scripture here because I wasted my time tonight, just fooling around in the pulpit. But watch something, my thought is to show you Babylon's conquest of Israel was the final events in the transition time when Gentiles dominion was to be established over Israel and bring in the beginning of the time of the Gentiles.

And when Babylon came to that place by conquering Israel, they controlled all trade, all commerce, all politics and then they enforced their religion upon everyone who didn't want to bow down to the image. Do you see where I am coming from? And we are at that time again because we are at the end of the Gentile dispensation. What is going to bring Babylon to a world power complete? The conquest of Israel; tying up the Jews' money. They will control all trade, all commerce, all politics, everything.

When you see the type of it here, how it is coming in, and how people couldn't recognize the modern events that were happening around them was bringing this nation to become a world power to control all trade and

commerce, and how God by the mouth of a prophet was opening up to them what was happening, so they could understand the hour, and what was taking place in the earth, you had many people who were distracting the people with all their false prophecy, prophesying their minds, giving their own ideas, and destabilizing the faith of many.

I want to show you the things that the Word is opening and showing and trying to get the Church ready. We have all kinds of people jumping up who are unqualified to talk about God, who don't have a revelation of God, who don't know the plan for the Age but who are full of zeal and all kinds of nonsense, trying to get attention because they are full of ambition and they are disturbing the minds of many people by trying to get them away from where the Word is trying to get the people ready to go out.

Listen.

*<sup>8</sup> And it shall come to pass, that the nation and kingdom which will not serve the same Nebuchadnezzar the king of Babylon, and that will not put their neck under the yoke of the king of Babylon, that nation will I punish,*

I have made, I have given, I will punish. Do you see any counsel with anybody else there? You see that the sovereign God who ruled everything. He says, tell those kings if they think their power lies in their politics, and how big their army is, how many swords they have, how many catapults they have, and how many big stones they have piled up," He said, "and if this other nation thinks that now they discover, you know, metal and mining, and they could make steel swords and armor for their soldiers, and they have blades on their chariots' wheels, and they think that makes them a more advanced power," He said, "you go back and tell them that all those nations coming together to back up this nation here, all of them, I will punish because when I

say Nebuchadnezzar of Babylon will rule the world, he will rule the world. And who stiffens their necks from going into that bondage, I will punish them.

You know how He means He will punish them? Understand God's language. Nebuchadnezzar himself was doing the punishing, you know, but the thing is, God was giving him success over all of them.

In other words, any nation on the face of the earth, the Muslims, the Chinese, Taiwan, South Korean, North Koreans, Japan, the Caribbean, that don't subject to the Roman Catholic Church, Mystery Babylon, God will punish. They will break them, they will have dominion over them because God says in this hour Mystery Babylon will rule the world.

That's where they are going, every denomination says, "We are not going back." Seventh-day Adventists, Jehovah's Witnesses say, "We are not going back." God says everyone is going in. Muslims, Hindu, Buddhist, Mormon; everybody is going in.

Friends, understand the Word here. Understand the Word. What did God say? Hear how God's revealing Himself: "Go and tell them who sits there in the summit, tell them I Who made the earth, I, who made man, I, who made all the beasts of the field, find what planet they are living on. Ask them what planet they are living on, and ask them where it came from. Tell them the One who made that is the One who is talking through you.

And tell them the One who controls a man's space and time and destiny, and who gives them water to drink and air to breathe, and who sends food on the earth, and who could put earthquake where He wants and whirlwind, and shake down the whole thing, and open the ozone layer; tell them that I am the One who says they are going in; because when I plan out My plan, that's how I lay it out because My works were finished before the foundation of the world and I never think a new thought, and I do not change My mind about My

Word. Tell them I am the Sovereign God, I like it like that and I do it like that. Tell them I make the good and I make the evil, tell them. Tell them I dwell alone, where it had no atom, no molecule, nothing, it had no adviser.

Do you understand that that's the same God that tells Jeremiah, is the one who spoke to Malachi 4, spoke through Elijah the prophet in the last days? Did you understand when he says, "The voice of God in the last days," wasn't a man looking for a title to a message he was preaching? Do you understand when the man said *End Time Seed Sign*, he wasn't looking for a title to sound deep? You understand?

Now catch this. He says,

... [and anyone] *that will not put their neck under the yoke of the king of Babylon, that nation will I punish, saith the LORD, with the sword, and with the famine, and with the pestilence, until I have consumed them by his hand.*

Now, watch the mystery of God, friends. Babylon was coming—God said what? "I divided the nations. I set their boundary. The same way I am placing the Bride positionally in Her inheritance and She working, and this is the hour She is going to come and take that place and exercise Her power, I also have said I will let Babylon come in and she will have all economic power, all political power, all religious power. I said she will have it and I will make the way, and she will come in and have it. I give it to them. I'll let men break into My laboratory. I'll let them access the things to get in there," because He wants a good victory. He wants a good victory.

When Lucifer, the Beast and the kings of the earth and their armies gather together and they unite the whole world and all Hell is following Death, then Heaven is going to come on the scene with all Life behind It. And Life and Death are going to meet, and the battle that started in Heaven will end up in Armageddon, and

God will show who will go into the Millennium and who will reign over the whole earth.

Friends, let me tell you, this Message that has come to us is not a weak Message. This Message that has come to us is not a 'hope so', 'could be so', no, no, no. This message that has come to us, God Himself, Deity has spoken in this hour. God spoke audibly. He said, "I was driving my car and I, as plain as you hear my voice, It spoke out of Heaven saying, 'And He went into Nazareth and the priest gave Him the Book.'" The voice said, "Take that stone and throw it up in the air."

He said, "It made three blasts. The men heard the blasts, I heard the words. It said, 'judgment striking West Coast.'" He said, "I was speaking and for half-hour, I didn't even know what I was saying and those men said, 'Bro. Branham, you were saying, Los Angeles, who call themselves by the city of the angels will be sunk beneath the sea. It will be worse than Capernaum. It will be worse than the last days of Pompeii. The wrath of God is belching; it's a honeycomb beneath there and California will be no more, and a tidal wave will go plumb into the Arizona desert fourteen hundred miles long, fifteen hundred miles wide,' he said, 'three hundred miles deep. It will slide in the ocean. It will be no more.'" He said, "Think of that what's coming." He said, "When I came out of it, I went back and checked the Bible and I saw that Jesus spoke nearly the same words when He stood up that day and said, 'O Capernaum, who had exalted yourself...'"

He said, "I watched those coastal cities how that earthquake destroys them at the end of the ministry of the Son of man." You get that? Think! Think on these things. When you think on these things you can't get tired serving God, you can't get frustrated.

It's when these things are not in your mind and the Message just comes "Third Exodus Assembly", and you come up and you didn't see the one who is in church tonight and you find such and such going over there,

and “I don’t know what really taking place.” And then Satan put your eyes on somebody who is playing the fool in the church, and you’re saying, “Look up here to see what is going on in the church here, look what is going on in the church here, look up here, what is going on in the church. Look here, what is going on in the church.” [Bro. Vin points to the pulpit -Ed.]

And let me get really boldfaced with this, you go and find somewhere that this thing is going on and come back and tell me; I want to go there too. Who is getting it like this? This is the Bible. This is the Message. This is the time, this is the season, and this is the modern events. This does not come by reading papers. This is keeping what the Messenger said, alive; saying back what he said to hold the church straight, that they don’t wiggle off the road. This is the watchman in the tower seeing the oncoming storm of judgment blowing in and know you better have the Stabilizer on the ship. You better find the Refuge because these are the events that we are going to watch how Babylon had to take Israel to become the world power, to control all economics, trade, and politics, and then they will force their religion on everybody.

And I will show you exactly how they are breaking the nations economically, how they are taking them politically, right before your eyes. Every day you are watching the news, and reading the papers and can’t see it. I’ll show you in the Bible, in these things here, how they are doing it again. And then you tell me if God is talking, or God is not talking, or if you know where you are going, or you are uncertain of what is happening. You tell me if it is uncertain and you show me it is not so in the Word.

Think of it because Babylon there was a type of Mystery Babylon here. Babylon was the world power, this Mystery Babylon has become the world power. Babylon controlled everything and Babylon only came to world power by taking Israel. And right now Rome

got the gold, the Jews got the bonds. They have to make the covenant, they have to put pressure upon them.

These things that are playing out there before your eyes and before the world and have the whole world focused there, is for what? For territory that is written in the Bible. But you know what is going to happen? Nations are going to sin their souls by refusing to look at the Word. Nations that call themselves Christian nations. Presidents that call themselves Christians are going to deny that the Bible is the Word of God and that Israel is God's people and that is their inheritance. The same way they will deny the Bride is the true Church with the true doctrine, and they will want to make denomination and the Catholic Church and the Protestant Church the real church and they will persecute the true Bride and they will seal their destiny to hell. That's how they go into it. That's how they go into it.

And you might be nothing, you might be a statistic in some nation, in some company, but you know something? When it comes to this Book inside of here, you are no statistics. [Bro. Vin holds up the Bible -Ed.] You are being revealed as the Bride of Jesus Christ, as part of the family of God, as part of the believer in the end-time Message.

And when kings and potentates and co-operates can't find themselves inside of here. You are walking here every day with the Word shining, showing you where God is taking you, by the grace of God. And this is the Book that matters, not the company's book, not some church journal. This is what that matters; not some Science magazine, not some television program, This, the Word, that matters. God will judge the world by what? The Word of Almighty God, This is the standard right here. This is the balance that God weighs man and nations in. And *This* has been restored to us by the mouth of a vindicated Prophet. The time is up tonight, let's stand to our feet.

Get two Scriptures, I read the first one and told you to take your seat and sit, so I was going to read the second one for you now because I was going to read all three standing up but now the service is finished. And so, I kind of telegraph some of my thoughts so you can see what we are looking at. Because the reason that is put in the Bible is to show you how Babylon will become the world power by taking Israel to control the world.

Remember when you read the Bible it's not Jewish history, Seven Seals have opened, it's a mystery of prophecy for the last days.

When we get to the siege, how they control the labor, how they control the economy, how they control the wealth, how they set up their own Prime Ministers and Presidents; it's in the Bible. It's in the Bible. Do you know why? It is given to them. That's my thought tonight – "Power Given To Them".

God said, "They don't want to follow Nebuchadnezzar, I'll punish them, I'll weaken them. They'll have to go in. They are not going to remain neutral." You think you would remain neutral? How do you remain neutral? It's only Wheat and Tares. One sowed his crop, it has to be gathered. The next One sowed His crop, He's gathering it too. Both are gathering their crops in this hour. The Tares are being bundled into what? The ecumenical Move. The seventh angel's Message is what? Gathering the Bride, the Wheat Bride together. 1964, *Harvest Time*. Harvest time, the reapers are in the fields.

He said, "I hear the coming of the Combine; the straws are flying everywhere but the Wheat is going to the garner." Are you one of those grains of Wheat? Do you understand what is happening with your life? You have some chaff around you. You find yourself under the hooves of the oxen? Do you see how the oxen are trampling you? You are on the threshing floor, the threshing between the reaping and the garnering. What is Harvest Time? Reaping, threshing, garnering.

Where did Ruth get the promise confirmed and received the portion, six measures? The threshing floor. When did she first see Boaz? In the reaping time. When did she bring forth Obed? Brother, after the Harvest is over, was ended.

Think of it! When the fields were reaped, there was nothing laying out there anymore. The ingathering is what? The Feast of Tabernacles; all the labor at the end of the year. What is happening to you in your little life? But if the devil could hold your mind just on money, job, beauty, fashion, and ambition, he already has you manipulated. If the Word could cut you free; you shall know the Truth and the Truth shall make you free, that you don't be entangled in the affairs of this life, you don't be squeezed into the mold of this kosmos. You are transformed by the renewing of your mind. Your thinking is filtered. You have a holy man's taste. You are looking to see the promise for your Age be confirmed in your life.

It's good tonight that we didn't cover too much but in there, I am sure you saw the sovereignty of God. You saw how, what is God's purpose, is what is happening.

There is no power, whether it is politics, religion, finance, there is no billionaire, there is no nation, there are no scientific weapons man has achieved, there is nothing that exists, there is no devil that can stop God's Word from coming to pass in the time and the season and the manner that God said. Do you know why? He worketh all things after the counsel of His own will. He knows all things and He has the power to bring them to pass. That's His immutability, that's His unchangeableness, that's His sovereignty. Aren't you glad that God is that? You don't want to light up any little clay thing with a little wick to some idol.

While man is trying to do that, the very God Himself wants to pour His Oil in you, in your vessel of clay, ignite you with the baptism of the Holy Ghost and Fire, and the image of the living God reflect in you, walk in

you, act through you, project His promise out through you (amen) and then you have a festival of Light because you are the Light of the world. Amen! Glory be to God! That is where God wants you to walk as a believer. That's where God wants you to serve Him, friends. Won't you desire that tonight?

I was reading out of the Bible. I was reading out of the Old Testament for you but you want to know the Secret of these things? Everything in the New Testament is first in the Old Testament. There is nothing in the New Testament that is not in the Old Testament. The reason It is in the New Testament is because It is in the Old Testament. And the only way you could know how It is going to come to pass in the New Testament, you look back and see how It came to pass in the Old Testament because That is the shadow of That.

He said, "If I see a man, a little spindly man there. It can't come out to be a big elephant over here. No, no, no, no. Because that is put there to reflect what the thing is going to look like when it comes here.

And that's why when people want to say they know God and know about God and got a hold of God, you know what is the first way you and out? Say, before we get down all here, you just tell me, could you have faith in that? Could you show you're not going to leave that? Are you sure that whatever circumstance comes upon you, you will quote back this, and even though the devil starts to laugh, you know he's only bluffing, he has to move because he can't battle this?

The only thing you could do that with, friend, is the Word. And if it is the Word, it's not just quoting It from the Word; It has to be revealed to you. You see It over here in the time and season, you would find It over here, and you could put your life on It and if that doesn't come to pass, then God's words failed. Then, God said something in the Word—because you can't see It in the Old Testament, see It in the New Testament, and line It

up for today and It could be wrong, no, no, no, that is how you know It is right; because for It to be right, It must first be in the Old Testament, then find It in the New Testament and then find It happens in the last days, then you got It right.

In the mouths of three witnesses, It is established to be the Truth, then you have the real Word. Then, that would be good for now, if we have to live twenty million years before Jesus comes, brother, in the end of that twenty million years you wouldn't be trying to improve on that; It would be the same thing. That's why It is called An Absolute you can tie to. That's why the Holy Ghost only points to the Word. Like the compass is made to point to the North Star, it doesn't point here, and point here and point here and point here, no. It points to one thing. It is set to that one thing because that thing doesn't move. Then, you have something real.

My brother, my sister, let me close here tonight. I'm driving this down deep now. Now, we are talking about a need that you might have. Well, if that is so and you could find what the Word of God says about your healing, about your deliverance, about your problem, how could a problem flusterate you when the Bible is set up to show you there is no problem that existed for man outside of the fall of Adam. Outside of the fall of Adam, man had no problems. And with the coming of Jesus, it took care of all the problems. Then we are blessed with all the blessings in Christ Jesus. Then, the Holy Ghost now, wants to get a hold of you to lead you in the Word, to access in Christ what God has There that you have need of because whatever you have need of, it is in Christ. There is nothing you have need of that is outside of Christ. God doesn't have two places to deal with people, God only has one place, that's in Christ.

You might be in church, but you might not be in Christ yet. You might know the way to leave home and come in the church. You might know where to take your

taxi. You might know where to stop off. You might know how to travel that route. You might know how to come right into the very seat where you sit but you may not know how to travel from your sickness to come into the Word where you're going to be healed. But if you can take the directions and follow it, the Holy Ghost can lead you in your travel until you come to the very place where you could be made whole.

I want you to believe that tonight. I'm laboring back here with you. I'm toiling here with you. I'm trying to make sure I close the service right. I'm trying to make sure I put that in now for some of you inside of here, that you might have a basis for your faith, the sovereign God in that hour, in the shadow.

Could you imagine the consolation that was to Jeremiah who had to step out and give the prophecy and then see men laugh at that prophecy as if it had no value? And they start to make arrangements to protect themselves and they start to unite people and they start to get things to happen that it would work out differently because they are not paying any respect to the man or what the man said. They felt that was just religious talk. "And God sat and folded His arms and wiggled His toes," is that what we read? God said, "You will make yoke."

You know there is a place in the Bible, the next chapter, a next man jumped up and said two years they are coming back? You know he died the same year trying to contradict the prophet?

Friends, let me tell you something. You see, to a lot of you, these things are stories. This doesn't give the revelation of God, of how God is, you know. This doesn't be a situation described that people find themselves in and this is how God reacts to that situation.

How are you going to get your healing in the Bible? You find a situation where a man was sick and how God healed that man. How do you think a man gets judged? You find a situation where a man gets himself into and

God judges that man like that. That is why It's a Mirror. See which one of those Johnnies you are. See how you relate to God. That is how God is.

That is why faith could believe God for things. That is why faith can say, "Father, you promised this. You gave Jeremiah the encouragement when all those people were saying and even people were prophesying, 'thus saith the Lord,' that that can't be and that wasn't going to happen, You came back and You talked to him and told him, 'Tell even them who were prophesying, and tell those other people, I, God who made the planet, who made man...they are man, tell them I made man. They on the earth, tell them I made the earth. They travel here on a bullock or a horse, tell them I made the animals. Tell them I say that.'" And when He says, you're healed too, you're healed. And when He says, you are going to live, He doesn't care what the doctor says. You get what I am saying?

And when He says it is finished for you, you could have peace, you going in the Rapture, I put My Seal upon you, I claim you, you are mine, brother, He doesn't care what your neighbor says, what the people on the job say, He doesn't care if they point back to what you used to do long ago, that doesn't mean a thing.

He says go and tell them the Rapture is mine. I choose the people, the Marriage Supper is mine, I am changing their bodies. I am giving the Transforming Power. I am giving the transportation. I prepared the Wine; I am serving It. I have the theophany waiting for them. I'm bringing them back. Tell them it is mine, I made it. I gave it to whomsoever I'm pleased. The promise is sure; He is the Author, He is the Finisher. He keeps all of His Word. He keeps all of His Word.

Let's bow our heads and close our eyes tonight. Thinking of the love that He has loved us with, He called us. No man could come except the Father first draws him. All that the Father hath given me will come and I

will lose none but I shall raise them up at the last day. I know everyone by name and they know Me.

Father, we bow our hearts in Your Presence. What a mighty God You are. What a great, awesome God You are. What an assurance and how strong is Your consolation. How steadfast and sure is Your hope that You have given, Father. How great is Your Refuge that You have provided for us that we can run into, Lord, and be safe and secure.

Oh, gracious God, tonight, when we think, oh God, that the One who upholds the world in space (hallelujah), that same hand is upholding me. Hallelujah! Glory and praise be unto the living God.

When we think of how You broke the powers of Satan and You stripped him of every legal right, how, oh God, You conquered death, how You conquered hell, how You conquered the grave, how You have the keys father, oh God, how You have power to give life. Father, when we think, oh God, You are the very Resurrection and the Life, oh God, Father, we rejoice tonight, knowing we are not serving some myth, some concept, some theoretical God. We are not serving some idol, not some superstition but Oh God, You have given us a more sure Word of prophecy. You have given us an Anchor of the soul, a hope steadfast and sure. Oh, God in You there is no variableness or shadow of turning tonight. Great, great, great is Your faithfulness! On Christ the solid Rock we stand. All other ground is sinking sand. We dare not trust the sweetest frame but we wholly lean on Jesus' Name tonight.

Oh, we thank You tonight Father, that You have made Your Word sure, Father. You have made Your promise sure. You are the God Who works all things after the counsel of Your own will, oh God. You made all things for Your own good pleasure. There was nothing made without You, Father. Oh God, You are the very One Lord Who designed the great plan. You are the great One Who permits it Father. You are the

One Who set the boundary of every man, every nation, every beast, every bird, every fish. Hallelujah! You are the One that rules throughout Your universe. Oh God, that You have come down.

You have taken the veil off Yourself. You have taken the Seals off Yourself. You have exposed Yourself. You have come in plain view. Not only that but You have come into the hearts of true believers. You said, "I will dwell in you, I will walk in you, I will be Your God and You shall be my people." Oh God, You walk in our feet, speak through our lips, think with our minds, work with our hands, believe with our hearts.

Lord, I pray tonight Father, that Your Holy Spirit will give such a surge in the hearts of the hungry, in the hearts of those who can believe Your Word and obey It, and empty out and make ready Father; those who are willing to dig out the trash from their lives, dig out everything, oh God, that is carnal and contrary to Your Word tonight, to make room that the Holy Ghost can come in. Those who are not satisfied with just a sanctified life, with just a moral upright life but those, dear God who are desiring to be filled, pressed down, running over with the Holy Spirit, knowing You promised a baptism of the Holy Ghost and Fire Lord, that could burn out everything Father, every sin, Lord, every lust, every demon in their atmosphere. You could change them. Lord God that baptism of Fire could take away every critical spirit, every sticker, and Lord, the Water could come and they could put on their Eden beauty, and those thorns and thistle, those spikes dear God, Lord, will turn into a rose, will turn into a leaf, something of beauty, something that the bird could come to and the bee could come to, oh God. May You grant it tonight.

Father, we thank You, dear God, that we could be in Your Presence like this and Your power can move among us. Almighty God, I pray tonight Father, may You break every fetter. Satan, you liar, you deceiver,

you demon from the pit of Hell that has tried to rob God's people of the blessings that belong to them, that try to blind them; you, the god of this evil world, you who work in deception, you who come in your subtlety and your craftiness try to paralyze the faith, you are exposed tonight devil! You are no match for the Mighty Conqueror. You are a doomed devil! Hell is waiting for you. Your works are being destroyed in this hour, completely around the lives of the Bride of Jesus Christ because you cannot stop them. They are predestinated to stand and deny you. And you shall be bruised under their feet, you devil. We rebuke you from this place and from among the children of God tonight! Turn them loose in the Name of Jesus Christ!

Almighty God, let the faith of the living God move in the hearts of Your children that could rise up and claim their deliverance, that could claim their victory, that could go into thanksgiving Father, knowing that You are not a God Who gives and takes back. You are a God Who speaks Your Word. And as they believe It and mix It with faith, You will bring It to pass in their lives because that is glorifying unto You.

We thank You, Lord. We praise You. We magnify Your Name tonight. Oh, what a Mighty God we serve. How glorious You are. How powerful You are. All thanksgiving, all praise, all might, all dominion be unto You, Lamb of God, for You are worthy! You are worthy, oh God, You are worthy. We love You, Jesus. We praise, we magnify You tonight. Blessed be the Rock of our salvation. Hosanna! Hosanna! Hosanna!

Lord God, may You strengthen Your people in this hour. May You lift them up a little higher level, oh God. May You cut them loose Father, and may they walk in the liberty with which You have made them free. We thank You, Lord. We praise Your mighty Name tonight. Oh, hallelujah, hallelujah, hallelujah! Glory and praise, glory and praise, glory and praise be unto You, be unto You Lord, for You are worthy tonight. Lord, we magnify

You, we exalt You. We exalt You, Lord. We exalt You tonight. Hallelujah, hallelujah. Glory to God. Glory to God in the Highest. Thank You, Jesus. Thank You, Lord. Oh, thank You, Lord. Thank You, Lord. Thank You, Lord. Hallelujah! Hallelujah!

Oh God, give Your children astronaut faith to set their wings and raise up Lord, oh God, into the realm of the supernatural, Father. May they, oh God, come away from all those old theories and vain ideas, and may they see the simplicity of God. May they see, Oh God, You have a provided way Father, as the Word is ministered, is ministering an entrance abundantly into these realities, these unfailing realities, Father.

May You give to them, Father, everyone that is in need tonight, even those who are not here, dear God; those who might be sick in their bodies oh God, them, oh God, who might be crying out Father, for a touch from You tonight; them, oh God who couldn't make it to the house of God Father because some circumstance might be holding them back; those who are weak and drifting away Father, those who are confused, those who have been manipulated by deceivers, oh God, Father, they cannot bring any Truth to them, that cannot help them but so desire to have dominion over them and usurp authority over them. I pray You would break those things. I pray You would expose that folly. I pray, oh God, Father, You would drive them and cast them away from around Your children, all those stumbling blocks tonight. In the Name of Jesus Christ, let Your church progress. Let Your Church march on in the Light of God. Let the Holy Spirit move among the people Father.

Oh, we thank You, Jesus! Oh, Hallelujah, hallelujah, hallelujah. Glory be to God in the Highest! Glory be to God in the Highest! Thank You, Lord. Thank You, Jesus. Thank You, Lord. Hallelujah, hallelujah, hallelujah, hallelujah. Thank You, Lord. Thank You. Thank You. Thank You. Oh, we praise You. We praise

You. We praise You. We praise You. We praise You. Hallelujah. Glory be to God in the Highest! Hallelujah. Hallelujah. Oh, thank You, Jesus. Thank You, Lord. Blessed be Your wonderful Name tonight. Hallelujah. Thank You, Lord. Thank You, Jesus. Thank You, Lord. Hallelujah.

Just yield. Just relax in His Presence. Just open your heart. Let the streams of grace bathe down into Your soul tonight. Just get sincere in your soul. Amen. Just confess your sins tonight. Let the Holy Spirit strip away all worldliness from around you. Amen. Let Him beat that iron pyrite out. Let His image begin to reflect. You just yield and submit. Amen.

Ask God to bolt Your faith down. Amen. You only have to ask, friends. As you see the need, you only have to ask. You ask for a bread, you wouldn't get a stone. You could have these things; it's God's desire to give that to you tonight. That's why He will come and anoint your faith with the Word. That's why He would unveil Himself to you. That's why He would show you how great He is. That's why He would come close to you, so you can have confidence. You could know He cares and He is interested. You can know what you have need of, He promised to supply. Our God shall supply all our needs according to His riches in Glory. Amen.

You could expect to receive. It's not wrong to expect those things. You could thank Him for it because that's the plan of God. Amen. God wants to change you. God wants to raise you up. God wants to make you strong because that would be glorifying to God. It doesn't matter if He takes the weak things of this world. Amen. He takes the things that are nothing. Don't have any inferiority complex; God takes the things that are nothing. Amen.

He is going to do something because it is glorifying to God to take a bunch of nobodies and make them somebody. Oh my! Just believe Him with all your heart.

My! If He gave power unto the Beast, if He gave power unto the image and such great things are in the permissive will, how much more He made the Bride Him. She is Him revealed. She is Life of His Life, Spirit of His Spirit, Word of His Word. It is Jesus in Brideform; how much power is given to Her. He gave Her the Spoken Word: *if you say to this mountain be thou removed*. Think of what God has given to the Bride, to those who are formed in the very image of the Word. Think of it in this hour. Greater is He that is in you, the very omnipotent God Himself. I will dwell in you. I will walk in you. You can walk out of that sickness when God is inside of you walking out. You could walk (amen, hallelujah) into every Divine promise when it's God in you, quickening you to recognize He gave that as a promise to the believer in this hour; that that's part of your inheritance. You can walk into these things by the grace of God. Hallelujah. Oh, thank You, Jesus. Thank You, Jesus. Hallelujah. Thank You, Lord. Hallelujah. Hallelujah. Thank You, Lord. Thank You, Jesus. We magnify Your Name tonight.

So good to be close to You, Father. You could come close to us tonight. You could spread Your garment over us like Boaz did to Ruth. We could feel the Holy Spirit covering us up tonight. Oh God, the power of Your Presence, Your sweetness. Oh God, the security that we feel on the inside, to know we serve the omnipotent, omniscient God tonight. Hallelujah. To know that we are Your people Father, called by Your Name and You are not ashamed of us tonight because we have no desire to go back into the country from whence we came. Oh God, we separate, we confess that we are pilgrims and strangers, and here we have no continuing city but we seek one to come Whose Builder and Maker is God tonight. Hallelujah! Thank You, Jesus. Thank You, Lord. Blessed be Your wonderful Name. Blessed be Your wonderful Name tonight. Thank You, Jesus.

Thank You, Jesus. Amen. Hallelujah. Hallelujah. Hallelujah.

What's the name of the song that we sing? His hand that upholds the world in space is the same hand that is holding me. Amen. Let's just glorify God. We serve a powerful God. He is so great we could sing of His greatness tonight. We could sing of His omnipotence, His omniscience tonight. And anyone that can come to get a glimpse of that omnipotence, omniscience, what it ought to do to them tonight, to know that God could become so close, could come behind His Word, could move all through the service in His Word, can unveil and gave us a glimpse that we are not serving a weak God, we're not serving a theoretical God, we're not serving a historical God; it's the Living God and when You talk about Him, He could come on the scene. Amen. He could come down and walk among us. He wants to do something. He doesn't just want you to feel His Presence. He wants to say, "If I am so close, won't you receive from Me? Won't you touch Me? Amen. Won't you ask what you have need of? Amen.

If your faith could draw Me on the scene and I can come close to you, can I lift the bands from off of you? Can I break the chains that hold you? Can I lift you up into a place where you can walk into a greater victory? Can I fill you with the Holy Spirit? Can you desire that tonight?

Praying all way around the building and while hearts are hungering, the Holy Spirit, He says, "I will pour out My Spirit upon My handmaiden. I will pour out My Spirit upon the old men. I will pour out My Spirit upon the young men. I will pour It upon all flesh in the last days. Amen. The Rain will fall on the just and the unjust but where there is the just, there will be a conversion. There will be a quickening to the promise. There will be a raising up into Heavenly Places. There will be a walking in the realm of faith. That's what we are desiring; the Holy Spirit, the Evening Message, this

great coming of the Cloud has released this Rain again. Hallelujah.

Father, we thank You tonight, oh, God that You can come close in our midst Lord. We could talk about You and You could come on the scene. We could feel the vibration of the faith. We could feel the release of the Holy Spirit. We could feel the quickening of our minds as You lift up our souls into the realm, dear God, Father, out of the humanistic realm into the realm of revelation. Lord, that coming up, oh God, the ladder Father, Lord God, where we can begin to look over the banister of time into the Eternal Glories, oh God; Father, where the Holy Spirit is taking us, like You told Your Prophet. You showed him beyond the curtain of times, then You said, "Go back and press the battle," because now he had a little clearer vision. He could see what laid at the end of the road that he could be more determined, to know it is worth it all to press the battle, to turn his back on sin, to turn his back on the world, to stand on Your stand and to doubt his doubts and to not be compromised because there was going to be a reward at the end of the journey, oh God. And Father, so dear God, as we get under the inspiration of Your Holy Spirit, Father, even as You would come and touch our sister tonight, dear God and in moments like these Father, she doesn't want to go home the same; she wants to go home changed, Father.

The things that she desires, the things that she longs for, sitting, reading Your Word, praying many times, hearing the Scriptures. Brother, to feel the Holy Spirit, oh God, coming in tonight Father, coming close and quickening her oh God, that it could become hers. It could become a reality Father, that this night could be her night. This could be the turning point of her life, oh God, never the same again, never the same again. She could get into the rhythm of the Symphony tonight, oh God, and get into the Spirit of the Composer and the drama, the Symphony of God's Word that is unfolding

the plan for the Age, she could begin to see her part Father, and begin to get into the rhythm of it oh God. And see the Word begin to get actual in her experience where she could begin to walk, linked up with You under Your headship, under Your Divine leadership. I pray You would bless her tonight. I pray that the Holy Spirit will get down into the innermost part of her being Father, and therefore, You would tie her soul to the Infallible Word, the Rock that cannot be shaken, the Rock that cannot be removed, dear God.

And Father, may the Spirit of God make the Word so real in her life dear God, that Lord, she'll no longer be walking by sight but will walk by faith, dear God and she will have a channel open up to her, oh God, where she could have access to You, dear God, that the things, Lord God, she battles with, the things, oh God that caused her to stumble many a time, the things that paralyzed her faith many a time, tonight, those chains can be broken. Tonight she could fling those vipers in the Fire, dear God. In the Name of Jesus Christ I pray, let Your Holy Spirit, dear God, move in her life tonight Father. And oh God, like the man who purchased that sheep, dear God, took his branding iron, red hot and burned it and put Your mark of Your ownership upon her and claim her as Yours in that claiming work. I pray, let the Holy Ghost and Fire burn into her soul tonight. You said You would write Your laws in our hearts and our minds. No man would have to say, "Know the Lord," for we would all know You Father. You'll write Your Name in our foreheads.

Dear God, may You grant it Father, tonight, in the Name of Jesus Christ, that Lord God, this would be her moment and her time. Father may You grant it Lord, and may she find that these sayings are faithful and true and that You are a God that keeps Your Word and Your promises in the lives of Your believing children. We thank You for that Father, in the almighty name of Jesus Christ. Amen.

[Brother Vin prays for believers. -Ed.]

Let's sing the Chorus *He'll never let go of my hands.*  
#270 if you want to follow in your books.

Till I stand in heaven's fair Land

... *fair land*

Oh, till I'm safe forever more.

*Till I'm safe forever more*

On that happy ...

*On that happy golden shore*

No, he'll never let go

*No, he'll never let go of my hands*

Oh, there's a hand that covers the mountains. I  
believe it tonight.

... *that covers the mountains*

And that furnished all the galaxies

...*furnished all the galaxies*

And that same hand tonight, that holds the world in  
space

...*the world in space*

Is the same hand

*Is the same hands*

that's holding me

Believe that tonight. Oh, we have the assurance and  
He will never let go.

*He'll never let go of my hand*

What a peace, what a comfort and assurance it ought  
to bring to you.

Till I stand in heaven's fair land.

*fair lands*

Oh till I'm safe forever more

*Till I'm safe forever more,*

*On that happy golden shore*

No, He'll never let go

*No, He'll never let go of my hand.*

Oh, can you sing tonight, He's been faithful when  
cold winds are blowing

... *when cold winds were blowing*

He's been true when storms have assailed

*When storms have assailed*

But His holy love tonight

*But His holy love*

that amazes me

*that amazes me*

Is that He loves me

*Is that He loves me*

even when I fail

*even when I fail*

Oh, lift your hands and sing to Him tonight.

And He'll never let go of my hands.

*And He'll never*

Just hold tight to Him tonight. Never let Him go tonight; let Him hold you tightly also.

*Till I stand,*

Oh, in heavens fair land

*in heavens fair land*

Oh till I'm safe for ever more

*Till I'm safe forever more*

*On that happy golden shore*

No, He'll never let go. That's our Jesus. I'll never leave you nor forsake you.

*Never let go of my hand.*

He's been faithful when cold winds are blowing tonight. He's still faithful tonight.

Oh God touch my sister even when the cold winds are blowing Father. Lord, at these moments when You have made Yourself accessible, You've put Yourself within our reach. You've come close, in speaking distance and hearing distance. We can cast our cares upon You. We can take a hold of You dear God. Like that Shunamite woman took a hold of the prophet and wouldn't let him go because that was her absolute, Father. You are our Absolute. You are our North Star. You are our Compass. We hold to You tonight, dear Jesus. Oh, God, may You hold tight to her also. Take a hold of her, dear God. bring her up in the cleft, dear God, under the shadow of the Almighty. And may You give the comfort,

and the peace, and the assurance for those things that she has need of; those things that she is believing You for, those things she is expecting to receive. Oh God, as she takes a grip on You, as she apprehends You, and refused to let You go tonight, she ties her knot. Oh God, father, Lord God let her leave with the assurance and the peace, with the comfort, with the witness, dear God, with those things that she is believing, expecting to receive, would be met exactly, oh God.

Lord, she has suffered, she has gone through hard times oh God. Lord, but she believes You and she confesses that You are her God and she bore reproach, and she's been criticized, and she's been put down Father but she stands for You not complaining, oh God.

Lord, she may have hidden these things oh God Father, that she might anoint her face and come out. Oh God, knowing that You see her trouble, Lord God like You saw Hannah's trouble, Father. Oh Father, and I pray oh God tonight, Father, it would be met according to Your riches in glory. And You would turn her situation around. And You would make her to rejoice and You would give her a song Father, and You would raise her up dear God and her soul would magnify her God and she would rejoice in her Savior, and she would see Your great, mighty, powerful hand. Oh God, because she is trusting in You and confessing You tonight, and You would not fail her because You promise too Father, to keep that Word. Thank You, Jesus. Blessed be Your Name, dear God. Blessed be Your Name. Go, my sister with the peace of God and the blessing of God upon you. Receive, receive tonight in the Name of Jesus Christ. Amen.

*even when I fail*

And He'll never, never, never let go. Don't you ever let Him go either. May you find that He's faithful tonight. His promises are sure and His words are true.

*In heaven...*

You're going to stand there one of these days, friends. We'll shine like stars. We are on our road tonight, our pilgrimage. Following those bloody footprints that lead to that Eternal City. Soon this life will pass away. No, no, He'll never, He'll never let go.

*No, He'll never let go of my hands*

Oh, you may have your seats as we continue to sing.  
Oh, there's a hand that covers the mountains.
